1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Plaintiff Andy Perez (“Plaintiff” or “Plaintiff”) seeks approval of the PAGA Settlement
4 Agreement (“Agreement”)¹, which if approved, would provide valuable monetary relief for
5 approximately 423 “Aggrieved Employees,” defined as all current and former hourly-paid or non-
6 exempt employees who worked for Defendant Curtiss-Wright Corporation (“Defendant”) in the state
7 of California during the period from June 2, 2020 through December 23, 2023 (“PAGA Period”).
8 Agreement at § 3(a)(5); 3(b). This is only a settlement of the PAGA claim for civil penalties and is
9 not a class settlement and does not release the individual wage claims, if any, of the affected
10 employees other than Plaintiff herself. Cal. Lab. Code § 2699(g)(1); *Iskanian v. CLS Transportation*,
11 59 Cal. 4th 348, 381 (2014); *ZB, N.A. v. Superior Court*, 8 Cal. 5th 175, 182 (2019) (unpaid wages
12 are not recoverable under PAGA).

13 The Settlement Agreement negotiated by the Parties provides for a “Gross Settlement Amount”
14 payment in the amount of Six Hundred Seventy-Five Thousand Dollars and Zero Cents (\$675,000.00) to
15 resolve the PAGA claims (subject to a possible increase under Section 3(b) of the Settlement Agreement).
16 Agreement at § 3(a)-(b). After deducting any Court-approved costs, including Attorneys' Fees &
17 Costs, the Service Award, and the Settlement Administration Costs, the PAGA Payment shall be
18 distributed, 75% to the LWDA and 25% to the Aggrieved Employees (“Aggrieved Employee
19 Payment”). Agreement at § 3(a)(4) - (5).

20 An objective evaluation of the proposed settlement confirms that the relief negotiated on behalf
21 of the Aggrieved Employees and the LWDA is fair, reasonable, and valuable. The Settlement is a
22 product of informed, adversarial, and non-collusive and mediated negotiations between experienced
23 counsel. As discussed below, the proposed Settlement satisfies all criteria for PAGA settlement
24 approval. Accordingly, Plaintiff and PAGA Counsel respectfully request this Court grant approval
25 of the Agreement. Declaration of Vartan Madoyan (“VM Dec.”) at ¶ 8.

26
27
28 ¹ The Agreement is attached as “Exhibit 1” to the Declaration of Vartan Madoyan (“VM Dec.”) at ¶ 16. All citations to
the Agreement incorporate by this reference a citation to the VM Dec., ¶ 16. Further, unless indicated otherwise,
capitalized terms used herein have the same meaning as those defined by the Agreement.

II. PERTINENT FACTUAL AND PROCEDURAL BACKGROUND

A. Plaintiff's Exhaustion of Administrative Remedies Under PAGA And Civil Action Against Defendant

On June 2, 2021, Plaintiff, on behalf of himself and on behalf of other Aggrieved Employees, served Defendant and the LWDA with a Notice of Violations ("PAGA Notice") memorializing claims against Defendant and satisfying the prerequisites under the California Labor Code § 2699.3(a). VM Dec., ¶ 8.

On August 6, 2021, Plaintiff filed a representative action complaint against Defendant in the Superior Court for the County of Alameda, Case Number RG21109747 (the "Action"). The Action alleged a single cause of action against Defendant for violations of the Private Attorneys General Act at Cal. Lab. Code §§2698, *et seq.* VM Dec., ¶ 9.

The 65-day "waiting period" on Plaintiff's right to file a civil action under PAGA, *see* Cal. Lab. Code § 2699.3(a)(2)(A), lapsed without the LWDA notifying Plaintiff that they intended to investigate the claims in the PAGA Notice. To date, the LWDA still has not advised Plaintiff of any intent to take action with respect to the claims in the PAGA Notice. VM Dec., at ¶ 8.

On December 7, 2023, the Parties participated in an all-day mediation presided over by Todd Smith, Esq., an experienced mediator of wage and hour representative actions. In advance of the with the mediation, Defendant provided Plaintiff with sufficient information to properly evaluate Defendant's potential liability exposure. Among the data and documents Defendant produced included, but was not limited to, Plaintiff's employment records, a detailed sampling of Aggrieved Employees' time and pay data, and Defendant's California Employee Time and Attendance Requirements, among other documents. VM Dec., ¶¶ 10, 23.

After reaching an agreement in the principle, the Parties drafted and negotiated a long-form settlement which is the subject of the instant motion. The Settlement was negotiated in light of all known facts and circumstances and the uncertainty associated with litigation – including the risk of Plaintiff not being able to maintain representative claims and establishing manageability, the difficulty of proving Plaintiff's claims in a manageable trial, the merits of Defendant's potential defenses, and the significant delay and potential appellate issues inherent to litigation – and was reached after

1 extensive arm's length negotiations, with the assistance of Mediator Smith. VM Dec., at ¶ 13.

2 The Settlement is intended to fully and finally resolve the Released PAGA Claims asserted by
3 Plaintiff on behalf of himself, the LWDA, and the State of California. This is only a Settlement of the
4 PAGA claims for civil penalties and is not a class settlement and does not release the individual claims,
5 if any, of the Aggrieved Employees. This Settlement does not release any claim that is not a PAGA
6 claim.² Nor does this Settlement waive Defendant's right to assert *res judicata* or other available
7 defense to any asserted claim or lawsuit. VM Dec., at ¶ 14.

8 Pursuant to California Labor Code Section 2699(s), Plaintiff is providing a copy of the
9 Settlement Agreement and this motion to the LWDA concurrently with the filing of the instant motion
10 for settlement approval as set forth in the accompanying proof of service. Additionally, Plaintiff will
11 submit to the LWDA a copy of the Court's judgment and order approving the Settlement Agreement
12 within ten (10) days after entry of judgment or order. VM Dec., at ¶ 15.

13 **III. TERMS OF THE PAGA SETTLEMENT**

14 **A. The Total Settlement Amount**

15 The PAGA settlement is subject to Court approval consistent with Labor Code § 2699(s)(2).
16 The Settlement Agreement negotiated by the Parties provides for a Total Settlement Amount payment
17 in the amount of Six Hundred Seventy-Five Thousand Dollars and Zero Cents (\$675,000.00) subject
18 to a possible increase under Section 3(b) of the Settlement Agreement, to resolve the PAGA claims.
19 From the Total Settlement Amount, there is a deduction for Attorneys' Fees in the amount of 35% of
20 the Total Settlement Amount (estimated to be approximately \$236,250.00 if the escalator clause is not
21 triggered) for attorneys' fees, and reimbursement of incurred litigation expenses in an amount not to
22 exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00); a Service Award to Plaintiff of up to
23 Twelve Thousand Five Hundred Dollars and Zero Cents (\$12,500.00); and Settlement Administration
24 Costs which will not exceed Five Thousand Seven Hundred Twenty-Five Dollars and Zero Cents
25 (\$5,725.00). Agreement generally at § 3(a)(1)-(3). Assuming that the Total Settlement Amount,
26 requested Attorneys' Fees and Costs, Service Award, and Settlement Administration Costs, are
27

28 ² As explained by the Supreme Court in *ZB, N.A.*, 8 Cal. 5th 175 at 196: "Nonparty employees are bound by the judgment in an action under the PAGA, but only with respect to recovery of civil penalties."

1 approved by the Court, the Net Settlement Amount is currently estimated to be approximately
2 \$400,525.00 (if the escalator clause is not triggered). VM Dec., ¶ 16.

3 The Total Settlement Amount will be used to satisfy the Employees' Portion, the LWDA
4 Payment, Attorneys' Fees and Costs, the Service Award, and the Settlement Administration Costs.
5 Agreement at § 3(a)(1)-(5). Of the Net Settlement Amount, seventy-five percent (75%) shall be paid
6 to the LWDA and the remaining twenty-five percent (25%) shall be paid to the Aggrieved Employees
7 ("Employee' Portion"). Agreement at § 3(a)(5). This 75/25 allocation³ is required by Labor Code §
8 2699 as explained by *ZB, N.A. v. Superior Court*, 8 Cal.5th 175 (2019).

9 **B. Allocation of Aggrieved Employee Payment**

10 Each Aggrieved Employee will be entitled to a *pro rata* share of 25% of the Net Settlement
11 Amount (i.e., the Employees' Portion) based upon the number of pay periods they each worked during
12 the PAGA Period, which will be calculated by the PAGA Settlement Administrator. The Settlement
13 Administrator, for each Aggrieved Employee, will divide the number of Compensable Pay Periods he
14 or she individually worked by the total aggregate number of Compensable Pay Periods worked by all
15 Aggrieved Employees, and then multiply this amount by the Employees' Portion to arrive at each
16 Aggrieved Employee's Individual Settlement Share. Agreement at § 7(b). The PAGA Period is the
17 period between June 2, 2020 through December 23, 2023. Agreement at § 3(a)(5).

18 At the time of the parties' settlement of this action, Defendant estimated that there were
19 approximately 423 Aggrieved Employees who worked approximately 26,301 Compensable Pay
20 Periods during the PAGA Period. Agreement at § 3(b).⁴

21 **C. Funding and Distribution**

22 Provided that an order approving this Settlement is entered by the Court, Defendant shall fund
23 the Total Settlement Amount within fourteen (14) calendar days after the entry of the Court's order
24 approving the settlement. Agreement at § 7(a). No later than fourteen (14) days after Defendant fully
25

26 ³ The current version of Labor Code Section 2699(m) provides for a 65/35 split, however this applies only to actions that
were filed on or after June 19, 2024. As the PAGA Actions at issue here were filed before this date, the 75/25 split applies.

27 ⁴ The Agreement contains an escalator clause, providing that, should the number of Pay Periods increase by more than
28 10% of what was represented during the PAGA Period, the Total Settlement Amount will increase proportionally for the
number of Pay Periods over 110% of 26,301. If the escalator clause is triggered, Defendant also has the portion of
shortening the PAGA Release Period so that the total number of Pay Periods is 28,931 or less. Agreement at § 3(b).

1 funds the Total Settlement Amount, the Settlement Administrator will mail the Aggrieved Employee
2 Payment via First-Class U.S. Mail to the Aggrieved Employees' last known mailing address,
3 Aggrieved Employee Payment. Agreement at § 7(c)(3). Settlement checks issued to Aggrieved
4 Employees will expire one hundred eighty (180) days from the date they are issued by the Settlement
5 Administrator. Agreement at § 7(c)(4). If the check remains uncashed by the expiration of the 180-
6 day period, the Settlement Administrator shall transfer the funds associated with canceled checks to
7 the State Controller's Office Unclaimed Property Division in the name of the Aggrieved Employee(s)
8 at issue and in the amount of his or her respective Individual Settlement Share(s). Agreement at §
9 7(c)(4). The Individual Settlement Shares are 100% penalties and shall be reported using IRS Form
10 1099s. Agreement at § 3(c).

11 **D. Release of Claims**

12 Upon entry of an order approving the Settlement Agreement and full funding of the Total
13 Settlement Amount, Plaintiff and the State of California, with respect to the Aggrieved Employees,
14 shall release the Released Parties (as defined in the Agreement) from the Released Claims which
15 include all claims arising during the PAGA Period for civil penalties under California Labor Code
16 section 2698, et seq., as well as any interest, fees, and costs available under PAGA, based on the
17 factual allegations in the Operative Complaint and Plaintiff's PAGA letter, including but not limited
18 to, for failure to pay minimum, regular, and overtime wages, failure to provide compliant meal periods
19 and associated premiums, failure to provide compliant rest periods and associated premiums, failure
20 to timely pay wages during employment, failure to timely pay wages upon termination, failure to
21 provide compliant and accurate wage statements, failure to maintain complete and accurate payroll
22 records, and failure to reimburse necessary business-related expenses and costs, in violation of
23 California Labor Code sections 201, 202, 203, 204, 226(a), 226.7, 510, 512(a), 1174(d), 1194, 1197,
24 1197.1, 1198, 2800, and 2802 and Industrial Welfare Commission Wage Orders. Agreement at § 8(a).

25 **IV. THE COURT SHOULD APPROVE THE PAGA SETTLEMENT**

26 Labor Code § 2699(l) requires that the Court "shall review and approve any settlement of any
27 civil [PAGA] action filed pursuant to this part. The proposed settlement shall be submitted to the
28 agency at the same time that it is submitted to the court." Further, the Court in *Moniz v. Adecco USA*,

1 Inc. (2021) 72 Cal.App.5th 56, 77 stated that “the trial court must review and approve a PAGA
2 settlement (§ 2699, subd.(1)(2)), and the Supreme Court has in dictum referred to this review as a
3 safeguard.” (Citing *Kim v. Reins International California, Inc.* (2020) 9 Cal.5th 73, 88; internal
4 quotations omitted.) “The Supreme Court has also observed that trial court approval ensures that any
5 negotiated resolution is fair to those affected,” leading the Court in *Moniz* to determine that “adoption
6 of a standard of review for settlements that prevents fraud, collusion or unfairness, and protects the
7 interests of the public and the LWDA in the enforcement of state labor laws is warranted.” (*Moniz*,
8 *supra*, 72 Cal.App.5th at 77; citing *Williams v. Superior Court* (2017) 3 Cal.5th 531, 549; *Dunk v.*
9 *Ford Motor Co.* (1996) 48 Cal.App.4th 1794, 1800-1801; internal citations omitted.) In other words,
10 “[i]n review and approval of a proposed settlement under section 2699, subd. (1)(2), a trial court thus
11 must scrutinize whether, in resolving the action, a PAGA plaintiff has adequately represented the
12 state’s interests, and hence the public interest.” (*Moniz, supra*, 72 Cal.App.5th at 88.) Consequently,
13 the Parties respectfully ask the Court to review and approve the settlement of the PAGA claims and
14 the PAGA Payment to be paid as part of the proposed Settlement.

15 **A. The Relative Strengths and Weaknesses of the PAGA Claim and the Range of Possible**
16 **Outcomes Strongly Favor Approval of the Settlement**

17 For a discussion of the relative strengths and weaknesses of the PAGA claim and the range of
18 possible outcomes in the litigation, see the Declaration of Vartan Madoyan at paragraphs 26–35.

19 **B. The Total Settlement Compares Favorably To The Likely Recovery**

20 The Total Settlement Amount compares favorably to the likely recovery of PAGA penalties
21 through continued litigation. Defendant’s maximum exposure to PAGA penalties is not a realistic
22 outcome of the litigation because it fails to account for the risks of continued litigation including, but
23 not limited to, Defendant’s defenses. *See, Zayerz v. Kiewit Infrastructure West*, 2018 U.S. Dist. LEXIS
24 14918, *14 (C.D. Cal. January 18, 2018). Defendant argued that it can only be assessed civil penalties
25 for actual violations of the Labor Code. *See* Lab. Code § 2699(f)(2). In other words, to recover any
26 civil penalties, Plaintiff would be required to prove the underlying Labor Code violations. (*Cardenas*
27 *v. McLane Foodservice, Inc.*, 2011 U.S. Dist. LEXIS 13126, *10 (C.D. Cal. 2011) [“Given the
28 statutory language [of PAGA], a plaintiff cannot recover on behalf of individuals whom the plaintiff

1 has not proven suffered a violation of the Labor Code by the defendant.”].) To do this, Plaintiff would
2 need to prove each Aggrieved Employee was subject to the alleged Labor Code violation, which would
3 be difficult to do, since Defendant denies any liability or wrongdoing of any kind associated with the
4 claims alleged in this action. VM Dec., ¶¶ 26–32. Further, Defendant contended that Plaintiff would
5 be required to “prove Labor Code violations with respect to each and every individual on whose behalf
6 Plaintiffs seek to recover civil penalties under PAGA.” *Hibbs-Rines v. Seagate Technologies*, 2009
7 WL 513496, *4 (N.D. Cal. Mar. 2, 2009). VM Dec., ¶ 29.

8 Moreover, Plaintiff acknowledges that Courts have complete discretion to “award a lesser
9 amount than the maximum civil penalty amount specified [by PAGA] if, based on the facts and
10 circumstances of the particular case, to do otherwise would result in an award that is unjust, arbitrary
11 and oppressive, or confiscatory.” (Cal. Lab. Code § 2699(e)(2)). In fact, Courts routinely exercise their
12 authority to reduce PAGA penalties by 85% to 95%. *See e.g. Carrington v. Starbucks Corp.*, 30 Cal.
13 App. 5th 504, 529 (2018) (reducing PAGA penalties to \$5 per pay period; “Although the trial court
14 may have disagreed with Starbucks regarding the issue of liability, it clearly took the circumstances
15 proffered by Starbucks into consideration when it imposed the penalty ... only \$5 per initial
16 violation”); *Kaanaana v. Barrett Bus. Servs., Inc.*, 29 Cal App 5th 778, 788 (2018), *review granted on*
17 *other grounds* (noting that the trial court “exercised its discretion to reduce the [PAGA] penalties to
18 13 percent of the full amount [requested, because] [o]n average, plaintiffs were deprived of 13 percent
19 of the 30-minute meal period”); *Fleming v. Covidien, Inc.*, 2011 WL 7563047, *4 (C.D. Cal. 2011)
20 (exercising discretion to reduce the maximum amount of PAGA civil penalties for plaintiffs’ section
21 226 claims from \$2,800,000 to \$500,000 because the employees suffered no injuries as a result of the
22 erroneous wage statements and made no complaints about the errors or omissions in the wage
23 statements, thus reducing the maximum penalty by 82%); *see also, Gola v. University of San*
24 *Francisco*, 90 Cal. App. 5th 548 (2023), *as modified (May 9, 2023), reh’g denied (May 15, 2023),*
25 *review denied (July 12, 2023), and disapproved of by Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal.
26 *5th 1056, 547 P.3d 980 (2024)* (concluding after a full-blown bench trial that a penalty of 15% of the
27 maximum PAGA penalties was the appropriate penalty). The Total Settlement Amount is fair,
28 reasonable, and adequate in light of Defendant’s arguments. VM Dec., ¶¶ 26-35, 41.

1 Given Defendant's defenses to the claimed Labor Code violations at issue and the risks and
2 costs of continued litigation, Plaintiff and PAGA Counsel believe that the Total Settlement Amount is
3 fair and reasonable. This settlement was negotiated by experienced counsel at arm's length. VM Dec.,
4 ¶ 22. The LWDA, a sophisticated government entity that can assert and protect its own rights, has
5 been provided with notice of this motion and the PAGA settlement, and the decision of LWDA to
6 accept the PAGA settlement and not oppose the motion should be given considerable weight. VM
7 Dec., ¶ 8.

8 **C. The Remaining Settlement Terms Are Fair and Reasonable**

9 Although PAGA requires that a court approve the proposed PAGA settlement, Labor Code §
10 2699(1) does not require that a court approve any other elements of the proposed settlement. Because
11 there are no class allegations for which Plaintiff seeks approval, the approval provisions applicable to
12 class settlements under Cal. Code Civil Proc. § 382 do not apply. Accordingly, the Court only needs
13 to approve the settlement of the civil penalties sought in the PAGA claim. Nevertheless, as explained
14 herein, the settlement terms for attorneys' fees and costs are reasonable. VM Dec., ¶ 37-38.

15 **V. THE ATTORNEYS' FEES AND COSTS AWARD IS FAIR AND REASONABLE**

16 PAGA Counsel seeks approval of the Attorneys' Fees of 35% of the Total Settlement Amount,
17 currently estimated to be \$236,250.00 in attorneys' fees (if the escalator clause is not triggered) and
18 reimbursement of litigation costs not to exceed \$20,000.00.⁵ (Agreement generally at § 3(a)(1)).
19 PAGA does not have any requirements for reviewing attorneys' fees, and Plaintiff's position is that
20 the payment of attorneys' fees and costs in this Settlement is a matter of contract for a contingent
21 representation. Nevertheless, should this Court review the requested attorneys' fees, the requested
22 fees and costs are reasonable for experience wage and hour counsel. VM Dec., ¶¶ 37-38.

23 **A. The Requested Attorneys' Fee is Fair and Reasonable**

24 The requested Attorneys' Fees and Costs (currently estimated to be \$256,250.00), comprised
25 of \$236,250.00 for attorneys' fees (if the escalator clause is not triggered) and reimbursement of
26 litigation expenses of up to \$20,000.00, is fair, reasonable, and justified by the result achieved.

27
28 ⁵ As detailed *infra*, at the time of filing this motion, Plaintiff's Counsel incurred \$11,015.45 litigating this matter. Plaintiff will provide the Court with a final amount of litigation costs at the time of hearing on this motion.

1 Settlement Agreement § 3(a)(1); VM Dec., ¶¶ 36-38. The Total Settlement Amount is a recovery of
2 Six Hundred Seventy-Five Thousand Dollars and Zero Cents (\$675,000.00), subject to a possible
3 increase under Section 3(b) of the Settlement Agreement, and this result justifies the requested fees
4 equal to 35% of this recovery. This percentage is within the standard contingent recovery percentage.
5 At the time this case was brought, the result was far from certain. Defendant's defenses to the merits
6 of the case created difficulties with proof and complex legal issues for PAGA Counsel to overcome.
7 Here, several defenses asserted by Defendant present serious threats to the claims of Plaintiff and the
8 Aggrieved Employees. If successful, Defendant's factual and legal defenses would eliminate *any*
9 *recovery* to the Aggrieved Employees. While Plaintiff believes that these defenses could be overcome,
10 Defendant maintains that these defenses have merit and therefore present a serious risk to recovery.
11 The Settlement was possible because, in PAGA Counsels' eyes, PAGA Counsel was able to persuade
12 Defendant that there was an appreciable risk that Plaintiff would prevail on the factual and legal issues
13 underlying liability and overcome difficulties in proof as to monetary relief. VM Dec., ¶¶ 26-35.

14 Further, the fee award is justified by the work performed. Generally, the Ninth Circuit and
15 California Courts award multipliers between 2 to 4 times the lodestar to reward counsel for accepting
16 the contingent risks of the litigation or obtaining good results. See, e.g., *Laffitte*, 1 Cal. 5th at 506
17 (approving a multiplier between 2.03 and 2.13); *Pellegrino v. Robert Half Intern., Inc.*, 182
18 Cal.App.4th 278 (2010) (noting reasonable multipliers of 2.0 to 4.0 are often applied and affirming
19 1.75 multiplier); *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224, 254 (2001) (noting that
20 multipliers can range from 2 to 4 or higher); *Vandervort v. Balboa Capital Corp.*, 8 F.Supp. 3d 1200,
21 1210 (C.D. Cal. 2014) (awarding one-third of fund, which was a 2.52 multiplier of lodestar); *Boyd v.*
22 *Bank of America*, 2014 WL 6473804, at *11 (C.D. Cal. 2014) (awarding one-third of fund, which was
23 a 2.58 multiplier of lodestar); *Hopkins v. Stryker Sales Corp.*, No. 11-CV-02786-LHK, 2013 WL
24 496358, at *6 (N.D. Cal. Feb. 6, 2013) (approving fee award that represented a multiplier of 2.76 as
25 falling within the "majority" range for risk multipliers).

26 As detailed in PAGA Counsels' time and billing records submitted herewith, PAGA Counsels'
27 current combined loadstar is \$228,635.00. VM Decl. ¶¶ 30-38; JCL Dec., ¶ 6; Declaration of Shani
28 Zakay ("Zakay Dec.") at ¶¶ 3-4. Thus, PAGA Counsels' fee request is equal to PAGA Counsel's

loadstar with a negligible multiplier of 1.03 – well below the 2.13 multiplier approved in *Laffitte* – and well within the recognized multiplier range between 2 and 4. See also *Taylor v. FedEx Freight, Inc.*, 2016 U.S. Dist. LEXIS 142202 (E.D. Cal. 2016) (following *Laffitte*, approved 30% fee award with cross-check lodestar multiplier of 2.26); *Emmons v. Quest Diagnostics Clinical Labs., Inc.*, 2017 U.S. Dist. LEXIS 27249 (E.D. Cal. 2017) (following *Laffitte*, approved 33% fee award with cross-check lodestar multiplier of 1.7).

B. PAGA Counsel is Entitled to Reimbursement of Actual and Reasonably Incurred Litigation Costs.

Attorneys who create a common fund for the benefit of a class are entitled to payment from the fund of reasonable litigation expenses and costs. Common fund fee and expense awards include counsel’s incurred expenses because those who benefit from their effort should share in the cost. See *Rider v. City of San Diego*, 11 Cal. App. 4th 1410, 1423 n.6 (1992). The appropriate analysis in deciding if costs are compensable is whether the costs are of the type typically billed by attorneys to paying clients in the marketplace. See *Harris v. Marhoefer*, 24 F.3d 16, 19 (9th Cir. 1994); see also *Hartless*, 273 F.R.D. at 645-46 (common fund class action settlement where court awarded litigation costs for consultants, online legal research, copying, postage, long distance charges, travel expenses, filing fees, mediation fees and investigation fees). Prior to incurring costs for filing of this motion, PAGA Counsel collectively expended \$11,015.45 prosecuting this action (Lawyers for Justice, P.C. - \$10,872.09; JCL Law Firm, APC - \$111.68; Zakay Law Group, APLC - \$31.68). VM Dec. ¶ 39; Zakay Dec., ¶¶ 5-6; JCL Dec. ¶ 9. PAGA Counsel’s out-of-pocket expenses are the types of expenses normally charged to paying clients including the following: filing fees; copying; postage; factual and legal research charges; mediation fees; and expert costs which were all incurred during, and were necessary for the successful prosecution of, the litigation and, therefore, should be reimbursed. *Id.*

VI. PLAINTIFF’S SERVICE AWARD IS FAIR AND REASONABLE

Incentive payments are intended to “compensate class representatives for work done on behalf of the class, to make up for financial or reputational risk undertaken in bringing the action, and, sometimes, to recognize their willingness to act as a private attorney general.” *Rodriguez v. West Publ’g Corp.*, 563 F.3d 948, 958-59 (9th Cir. 2009) (emphasis added). Courts routinely approve

1 service awards to compensate named plaintiffs for the services they provide and the risks they incur
2 during the litigation. *Bell v. Farmers Ins. Exch.*, 115 Cal.App.4th 715, 726 (2004) (upholding “service
3 payments” to plaintiffs for their efforts in bringing class case). The factors courts use in determining
4 the amount of service awards include: (1) a comparison between the service awards and the range of
5 monetary recovery available to the class; (2) time and effort put into the litigation; (3) whether the
6 litigation will further the public policy underlying the statutory scheme; and (4) risks of retaliation.
7 *Clark v. American Residential Services, LLC*, 175 Cal. App. 4th 785, 804-805 (2009).

8 The Settlement provides for a Service Award of \$12,500 for Plaintiff. The Service Award
9 payment is fair and reasonable compensation for the Plaintiff’s efforts bringing the action, assisting
10 PAGA Counsel with the litigation and settlement, regularly conferring with PAGA Counsel on the
11 status of his case and the strategies for prosecuting the claims and agreeing to provide Defendant a
12 broad general release of all claims arising out of his employment. Plaintiff willingly came forward to
13 protect and advance the rights of the Aggrieved Employees on important legal disputes affecting
14 California employees. By way of example, Plaintiff assumed the serious risk of liability for
15 Defendant’s costs and potentially fees if the case was unsuccessful. Nevertheless, Plaintiff knowingly
16 and voluntarily undertook the risk to vindicate the rights of the Aggrieved Employees. Additionally,
17 the LWDA has been a proponent of plaintiffs in PAGA representative actions receiving incentive
18 awards for their work in prosecuting PAGA lawsuits because PAGA representatives bear risks in
19 bringing such actions. VM Dec., ¶ 40.

20 Plaintiff’s efforts in bringing the lawsuit conferred a monetary benefit to 423 Aggrieved
21 Employees. Accordingly, Plaintiff and PAGA Counsel respectfully request the Court approve the
22 Service Award of \$12,500 to Plaintiff in accordance with the Settlement Agreement. VM Dec., ¶ 40.

28 ///

1 **VII. CONCLUSION**

2 Based on the foregoing, Plaintiff respectfully requests this Court approve the PAGA Settlement
3 as set forth in the Settlement Agreement and enter the proposed order and judgment submitted
4 herewith.
