## **II. RECITALS**

**A. Procedural History.** On September 5, 2019, Plaintiff Jacob Schumacher filed a class action complaint in Los Angeles County Superior Court, Case Number 19STCV31420, asserting claims against Defendant for alleged violations of the California Labor Code, including failure to pay wages, failure to pay meal period premiums, failure to pay rest period premiums, failure to timely pay final wages, failure to provide complete, accurate, or properly formatted wage statements, along with claims for restitution under California Business & Professions Code sections 17200, *et seq.*, and claims for interest, attorneys' fees, and costs. On October 7, 2019, Plaintiff Jacob Schumacher's class action was removed to the United States District Court Central District of California. On June 1, 2021 Plaintiff Genaro Vergara provided an initial written notice to the California Labor Workforce Development Agency alleging Defendant violated various sections of the California Labor Code. In October 2021, Plaintiff Jacob Schumacher filed an amended complaint in the United States District Court Central District of California adding Plaintiff Donald Gibson and Plaintiff Genaro Vergara as additional Class Representatives and adding the following cause of action: violation of California Labor Code § 2698, *et seq.*, the Private Attorneys General Act of 2004.

**B. Investigation and Discovery:** Prior to the mediation, the Parties conducted significant investigation and discovery of the facts and law both before and after the Cases were filed. Prior to mediation, Defendant produced hundreds of documents relating to its policies, practices, and procedures regarding paying non-exempt employees for all hours worked, donning and doffing practices, meal and rest period policies, payroll and operational policies, and collective bargaining agreements governing the Class Members. As part of Defendant's production, Plaintiffs also reviewed time records, pay records, and information relating to the size and scope of the Class, as well as data permitting Plaintiffs to understand the number of workweeks in the Class Period. Plaintiffs also interviewed dozens of Class Members who worked for Defendant throughout the Class Period. The Parties agree that the above-described investigation and evaluation, as well as the information exchanged during the settlement negotiations, are more than sufficient to assess the merits of the respective Parties' positions and to compromise the issues on a fair and equitable basis.

**C. Mediation.** On December 9, 2020 the Parties attended mediation with Louis Marlin, Esq., a well-respected mediator with considerable experience mediating wage and hour class actions. This took place only after the Parties exchanged

extensive informal mediation data. While the Parties did not settle at mediation, the mediator's continued involvement allowed the Parties to reach a settlement

- D. Benefits of Settlement to Class Members.** Plaintiffs and Class Counsel recognize the expense and length of continued proceedings necessary to continue the litigation against Defendant through trial and through any possible appeals. Plaintiffs and Class Counsel also have taken into account the uncertainty and risk of further litigation, the potential outcome, and the difficulties and delays inherent in such litigation. Plaintiffs and Class Counsel have conducted extensive settlement negotiations, including a formal mediation on December 9, 2020. Based on the foregoing, Plaintiffs and Class Counsel believe the Settlement set forth in this Agreement is a fair, adequate, and reasonable settlement, and is in the best interests of the Class Members.
- E. Defendant's Reasons for Settlement.** Defendant recognizes that the defense of this litigation will be protracted and expensive for all Parties. Substantial amounts of Defendant's time, energy, and resources have been and, unless this Settlement is made, will continue to be devoted to the defense of the claims asserted by Plaintiffs. Defendant has also taken into account the risks of further litigation in reaching its decision to enter into this Settlement. Despite continuing to contend that it is not liable for any of the claims set forth by Plaintiffs, Defendant has agreed to settle in the manner and upon the terms set forth in this Agreement to put to rest the claims as set forth in the Action.
- F. Defendant's Denial of Wrongdoing.** Defendant generally and specifically denies any and all liability or wrongdoing of any sort with regard to any of the claims alleged, makes no concessions or admissions of liability of any sort, and contends that for any purpose other than settlement, the Cases are not appropriate for class or representative treatment. Defendant asserts a number of defenses to the claims, and has denied any wrongdoing or liability arising out of any of the alleged facts or conduct in the Cases. The monies being paid as part of the settlement are genuinely disputed and the Parties agree that the provisions of Labor Code section 206.5 are not applicable to this Settlement. Neither this Agreement, nor any document referred to or contemplated herein, nor any action taken to carry out this Agreement, is or may be construed as, or may be used as an admission, concession, or indication by or against Defendant or any of the Released Parties of any fault, wrongdoing, or liability whatsoever. Nor should the Agreement be construed as an admission that Plaintiffs can serve as an adequate Class Representatives. There has been no final determination by any court as to the merits of the claims asserted by Plaintiffs against Defendant or as to whether a class or classes should be certified, other than for settlement purposes only.
- G. Plaintiffs' Claims.** Plaintiffs assert that Defendant's defenses are without merit. Neither this Agreement nor any documents referred to or contemplated herein, nor any action taken to carry out this Agreement is, may be construed as, or

may be used as an admission, concession or indication by or against Plaintiffs, Class Members, or Class Counsel as to the merits of any claims or defenses asserted, or lack thereof, in the Cases. However, in the event that this Settlement is finally approved by the Court, none of Plaintiffs, Class Members, or Class Counsel will oppose Defendant's efforts to use this Agreement to prove that Plaintiffs and Class Members have resolved and are forever barred from re-litigating the Released Claims.

### **III. SETTLEMENT TERMS AND CONDITIONS**

- A. Settlement Consideration by Defendant - Gross Settlement Amount.** Subject to the terms and conditions of this Agreement, the maximum Gross Settlement Amount, excluding payroll taxes, that Defendant is obligated to pay under this Settlement Agreement is One Million Five Hundred Thousand Dollars and Zero Cents (\$1,500,000). In no event shall Defendant be required to pay more than the Gross Settlement Amount, other than its share of payroll taxes or as specifically described in Paragraph III(R)(23).
- B. Notice to the Labor and Workforce Development Agency ("LWDA").** On June 1, 2021, Plaintiff Genaro Vergara filed and served his Notice of Labor Code Violations Pursuant to Labor Code Section 2699.3. Thus, Plaintiffs maintain that they have satisfied his notice obligations under the PAGA.
- C. Class Certification:** Solely for the purposes of this Settlement, the Parties stipulate and agree to certification of the claims asserted on behalf of Class Members. As such, the Parties stipulate and agree that in order for this Settlement to occur, the Court must certify the Class as defined in this Agreement
- D. Conditional Nature of Stipulation for Certification.** The Parties stipulate and agree to the certification of the claims asserted on behalf of Plaintiffs and Class Members for purposes of this Settlement only. If the Settlement does not become effective, the fact that the Parties were willing to stipulate to certification as part of the Settlement shall not be admissible or used in any way in connection with, the question of whether the Court should certify any claims in a non-settlement context in these Cases or in any other lawsuit. If the Settlement does not become effective, Defendant reserves the right to contest any issues relating to class certification, liability, and damages.
- E. Nullification of Settlement Agreement.** In the event that this Settlement Agreement is not preliminarily or finally approved by the Court, fails to become effective, or is reversed, withdrawn or modified by the Court, or in any way prevents or prohibits Defendant from obtaining a complete resolution of the claims as described herein:

1. This Settlement Agreement shall be void ab initio and of no force or effect, and shall not be admissible in any judicial, administrative or arbitral proceeding for any purpose or with respect to any issue, substantive or procedural;
2. The conditional class certification (obtained for any purpose) shall be void ab initio and of no force or effect, and shall not be admissible in any judicial, administrative or arbitral proceeding for any purpose or with respect to any issue, substantive or procedural; and
3. None of the Parties to this Settlement will be deemed to have waived any claims, objections, defenses or arguments in the Action, including with respect to the issue of class certification.

An award by the Court of a lesser amount than sought by Plaintiffs and Class Counsel for the Class Representative Enhancement Payments, the Attorney Fee Award, and/or the Cost Award, will not constitute a material modification to the Settlement within the meaning of this paragraph and shall not be cause for termination of this Settlement.

If, after a notice of appeal, the reviewing court vacates, reverses, or modifies the Judgment such that there is a material modification to the Settlement, and that court's decision is not completely reversed and the Judgment is not fully affirmed on review by a higher court, then this Settlement will become null and void and the Parties will have no further obligations under it. A material modification would include, but not necessarily be limited to, any alteration of the Gross Settlement Amount.

- F. Appointment of Class Representative.** Solely for the purposes of this Settlement, the Parties stipulate and agree Plaintiffs shall be appointed as the representative for the Class.
- G. Appointment of Class Counsel.** Solely for the purpose of this Settlement, the Parties stipulate and agree that the Court appoint Class Counsel to represent the Class.
- H. Individual Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay an Individual Settlement Share from the Net Settlement Amount to each Participating Class Member.

**1. Calculation.**

- a. Individual Settlement Share Calculation.** Each Participating Class Member will receive a proportionate share of the Net Settlement Amount that is equal to (i) the number of weeks he or she worked as a non-exempt employee during the Class Period

based on the Class data provided by Defendant, divided by (ii) the total number of weeks worked as a non-exempt employee by any and all Participating Class Members collectively, during the Class Period based on the same Class Data, which is then multiplied by the Net Settlement Amount. One day worked in a given week will be credited as a week for purposes of this calculation. Therefore, the value of each Participating Class Member's Individual Settlement Share ties directly to the amount of weeks that he or she worked as a non-exempt employee.

2. **Tax Withholdings.** Each Participating Class Member's Individual Settlement Share will be apportioned as follows: one-third (1/3) wages and two-thirds (2/3) interest and penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported by W-2 forms. Payment of all amounts will be made subject to backup withholding unless a duly executed W-9 form is received from the payee(s). The amounts paid as penalties and interest shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS 1099 forms. The employees' share of payroll tax withholdings shall be withheld from each persons' Individual Settlement Share.

#### **I. Settlement Disbursement.**

1. **Shares and Payments:** Subject to the Court finally approving the Settlement, the Settlement Administrator shall distribute funds pursuant to the terms of this Agreement and the Superior Court's Final Approval Order and Judgment. The maximum amount Defendant can be required to pay under this Settlement for any purpose is the Gross Settlement Amount. The Settlement Administrator shall keep Defendant's Counsel and Class Counsel apprised of all distributions from the Gross Settlement Amount. The Settlement Administrator shall respond to questions from Defendant's Counsel and Class Counsel. No person shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, Class Counsel, or the Settlement Administrator based on the distributions and payments made in accordance with this Agreement.
2. **Funding the Settlement:** No later than twenty-one (21) calendar days after the Effective Final Settlement Date and upon satisfaction of the preconditions described in this Settlement Agreement, Defendant shall deposit the Gross Settlement Amount of One Million Five Hundred Thousand Dollars (\$1,500,000) into the QSF (as defined below). In the event there are objectors to the Joint Stipulation of Class Action and PAGA Settlement, payment shall be made within twenty-one (21) calendar days after the time to appeal has run or all appeals have been exhausted,

whichever occurs later. Defendant shall also at this time provide any tax information that the Settlement Administrator may need to calculate each Participating Class Members' Individual Settlement Share.

3. **Disbursement**: Within twenty-one (21) calendar days after the Funding of the Settlement, the Settlement Administrator shall calculate and pay all payments due under the Settlement Agreement, including all Individual Settlement Shares, the Attorney Fee Award, the Cost Award, the Class Representative Enhancement Payments, the PAGA Payment, and the Administration Costs. The Settlement Administrator will forward a check for seventy-five percent (75%) of the PAGA Payment to the LWDA for settlement of the PAGA claim. After such payment, Defendant shall have no liability for PAGA claims by or on behalf of Participating Class Members during the Class Period, which are released under this Agreement.
4. **QSF**: The Parties agree that the QSF is intended to be a "Qualified Settlement Fund" under Section 468B of the Code and Treasury Regulations § 1.4168B-1, 26 C.F.R. § 1.468B-1 *et seq.*, and will be administered by the Settlement Administrator as such. The Parties and Settlement Administrator shall treat the QSF as coming into existence as a Qualified Settlement Fund on the earliest date permitted as set forth in 26 C.F.R. § 1.468B-1, and such election statement shall be attached to the appropriate returns as required by law.
5. **Uncashed Checks**. Participating Class Members must cash or deposit their Individual Settlement Share checks within one hundred eighty (180) calendar days after the checks are mailed to them. If any checks are not redeemed or deposited within ninety (90) calendar days after mailing, the Settlement Administrator will send a reminder postcard indicating that unless the check is redeemed or deposited in the next ninety (90) calendar days, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced. If any checks remain uncashed or not deposited by the expiration of the 90-day period after mailing the reminder notice, the Settlement Administrator will, within two hundred (200) calendar days after the checks are mailed, pay the amount of the Individual Settlement Share to the California State Controller's Unclaimed Property Division in accordance with California Unclaimed Property Law so that the Participating Class Member will have his or her Individual Settlement Share available to him or her per the applicable claim procedure to request that money from the State of California.
6. **Final Report by Settlement Administrator**. Within ten (10) calendar days after the disbursement of all funds, the Settlement Administrator will serve on the Parties a declaration providing a final report on the disbursements of all funds.

7. **Payments.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will make the following payments out of the Gross Settlement Amount:

a. **To the Plaintiffs Jacob Schumacher, Genaro Vergara, and Donald Gibson:** In addition to their respective Individual Settlement Shares, and subject to the Court's approval, Plaintiffs will receive Ten Thousand Dollars and Zero Cents (\$10,000) as a Class Representative Enhancement Payment in exchange for the Released Claims and a General Release and for their time, effort, and risk in bringing and prosecuting this matter. The Settlement Administrator will pay the Class Representative Enhancement Payments out of the Qualified Settlement Fund. Payroll tax withholdings and deductions will not be taken from the Class Representative Enhancement Payments. The Settlement Administrator shall issue an IRS Form 1099-MISC to Plaintiffs for their Class Representative Enhancement Payments. Plaintiffs shall be solely and legally responsible to pay any and all applicable taxes on their Enhancement Payments and shall hold harmless Defendant and Released Parties from any claim or liability for taxes, penalties, or interest arising as a result of the Class Representative Enhancement Payments. In the event the Court does not approve the entirety of the application for the Class Representative Enhancement Payments, Plaintiffs shall not have the right to revoke the settlement and it will remain binding. In the event the Court does not approve the entirety of the application for the Class Representative Enhancement Payments, the Settlement Administrator shall pay whatever amount the Court awards, and neither Defendant nor the Settlement Administrator shall be responsible for paying the difference between the amount requested and the amount awarded. If the amount awarded is less than the amount requested by Plaintiffs, the difference shall become part of the NSA and be available for distribution to Participating Class Members.

b. **To Class Counsel.** Class Counsel will apply to the Court for, and Defendant agrees not to oppose, a total Attorney Fee Award not to exceed thirty-three and one-third percent (33 1/3%) of the GSA or \$500,000 and a Cost Award not to exceed \$25,000. Class Counsel, Plaintiffs and the Participating Class Members will not apply to the Court for any payment of attorneys' fees and costs that are in addition to the foregoing or that exceed the GSA. The Parties agree that, over and above the Court-approved Class Counsel Award, each of the Parties, including all Participating Class Members, shall bear their own fees and costs, including, but not limited to, those related to the investigation, filing, prosecution, or

settlement of the Action; the negotiation, execution, or implementation of this Agreement; and/or the process of obtaining, administering, or challenging an Order Granting Preliminary Approval and/or Final Approval. The Settlement Administrator will pay the court-approved amounts for the Attorney Fee Award and Cost Award out of the Gross Settlement Amount. The Settlement Administrator may purchase an annuity to utilize US treasuries and bonds or other attorney fee deferral vehicles for Class Counsel. Payroll tax withholding and deductions will not be taken from the Attorney Fee Award or the Cost Award. IRS Forms 1099 will be issued to Class Counsel with respect to these payments. In the event the Court does not approve the entirety of the application for the Attorney Fee Award and/or Cost Award, the Settlement Administrator shall pay whatever amount the Court awards, and neither Defendant nor the Settlement Administrator shall be responsible for paying the difference between the amount requested and the amount awarded. If the amount awarded is less than the amount requested by Class Counsel for the Attorney Fee Award and/or Cost Award, the difference shall become part of the NSA and be available for distribution to Participating Class Members.

- c. **To the Responsible Tax Authorities.** The Settlement Administrator will pay the amount of the Participating Class Members' portion of normal payroll withholding taxes out of each person's Individual Settlement Share. The Settlement Administrator will calculate the amount of the Participating Class Members' and Defendant's portion of payroll withholding taxes. The Settlement Administrator will submit Defendant's portion of payroll withholding tax calculation to Defendant for additional funding and forward those amounts along with each person's Individual Settlement Share withholdings to the appropriate taxing authorities.
- d. **To the Settlement Administrator.** The Settlement Administrator - Simpluris, Inc. - will pay to itself Administration Costs (reasonable fees and expenses) approved by the Court not to exceed \$20,000. This will be paid out of the Qualified Settlement Fund. If the actual amount of Administration Costs is less than the amount estimated and/or requested, the difference shall become part of the NSA and be available for distribution to Participating Class Members.
- e. **To Participating Class Members.** The Settlement Administrator will pay Participating Class Members according to the Individual Settlement Share calculations set forth above. All payments to

Participating Class Members shall be made from the Qualified Settlement Fund. Individual Settlement Payments shall be mailed by regular First Class U.S. Mail to Participating Class Members' last known mailing address no later than twenty-five (25) calendar days after the Effective Final Settlement Date. Any checks issued to Participating Class Members shall remain valid and negotiable for one hundred and eighty (180) days from the date of their issuance. The Settlement Administrator shall skip trace any checks issued to Participating Class Members that are returned as undeliverable.

**f. PAGA Payment:** One hundred thousand dollars (\$100,000) shall be allocated from the Gross Settlement Amount for settlement and release of claims for civil penalties under the Private Attorneys General Act of 2004. The Settlement Administrator shall pay seventy-five percent (75%) of the of that \$100,000 payment, or \$75,000 to the California Labor and Workforce Development Agency (the "PAGA Payment"). Twenty-five percent (25%) of the remaining amount of the \$100,000 payment, or \$25,000, will be distributed to the Eligible Aggrieved Employees as described in this Agreement. Class Counsel will take all action required by California Labor Code section 2699(l).

**g. To Eligible Aggrieved Employees.** The Settlement Administrator shall pay each eligible aggrieved employee according to their proportional share, which will be based upon the total number of workweeks he or she was employed in a non-exempt position during the PAGA Timeframe. The individual share will be calculated by determining the total number of workweeks the Eligible Aggrieved Employees were employed in non-exempt positions during the PAGA Timeframe (i.e., the sum of all non-exempt workweeks for each eligible aggrieved employee), and dividing that number into the \$25,000 amount allocated to Eligible Aggrieved Employees to determine the monetary value assigned to each relevant workweek. That number will then be multiplied by the individual eligible aggrieved employee's total number of workweeks in a non-exempt position during the PAGA Timeframe to determine that individual's proportional share. Individual Settlement Payments to Eligible Aggrieved Employees shall be mailed by regular First Class U.S. Mail to Eligible Aggrieved Employees' last known mailing address no later than twenty-five (25) calendar days after the Funding of the Settlement. Settlement checks issued to the Eligible Aggrieved Employees pursuant to this Joint Stipulation of Class Action and PAGA Settlement shall expire one hundred eighty (180) days from the date they are issued by Defendant. Any

unclaimed funds after the one hundred eighty (180) days shall be remitted to the State Controller's Office.

**J. Appointment of Settlement Administrator.** Solely for the purposes of this Settlement, Class Counsel selects Simpluris, Inc. to be retained to serve as Settlement Administrator. By accepting the role as Settlement Administrator, the Settlement Administrator is bound to all of the terms, conditions and obligations described in this Settlement Agreement. - b. At the Preliminary Approval hearing, the Plaintiffs will appear, support the granting of the motion, and submit a proposed order granting conditional certification of the Class and Preliminary Approval of the Settlement; appointing the Class Representatives, Class Counsel, and Settlement Administrator; approving the Class Notice; and setting the Final Approval hearing.
- c. Should the Court decline to conditionally certify the Class or to Preliminarily Approve all material aspects of the Settlement, the Settlement will be null and void, and the Parties will have no further obligations under it. In such a case, the Parties and any funds to be awarded under this Settlement shall be returned to their respective statuses as of the date and time immediately prior to the execution of this Agreement, and the Parties shall proceed in all respects as if this Agreement had not been executed, except that any costs already incurred by the Settlement Administrator shall be paid by equal apportionment among the Parties .

- 2. **Notice to Class Members.** After the Court enters its Preliminary Approval Order, every Class Member will be provided with the Class Notice in accordance with the following procedure:

- a. Within Fifteen (15) calendar days after the later of: (a) the Preliminary Approval Date; or (b) the date on which Defendant receives sufficient and reasonable assurances that the Settlement Administrator will maintain the confidentiality of Class Data, Defendant shall deliver to the Settlement Administrator the Class Data. If any or all of the Class Data is unavailable to Defendant, Defendant will so inform Class Counsel and the Parties will make their best efforts to reconstruct or otherwise agree upon how to deal with the unavailable information. The Settlement Administrator will conduct National Change of Address Database (“NCAO”) search for all Class Members. The Class Data shall be based on Defendant’s payroll, personnel, and other business records. The Settlement Administrator shall maintain the Database and all data contained within the Database as private and confidential. The Settlement Administrator shall not provide the Class Data to Class Counsel or Plaintiffs or any third party, or use the Class Data or any information contained therein for any purpose other than to administer this Settlement. - c. If a Class Notice is returned because of an incorrect address, within ten (10) days from receipt of the returned Notice, the Settlement Administrator will conduct a search for a more current address for the Class Member and re-mail the Class Notice to the Class Member. The Settlement Administrator will use skip traces to attempt to find the current address. The Settlement Administrator will be responsible for taking reasonable steps to trace the mailing address of any Class Member for whom a Class Notice is returned by U.S. Postal Service as undeliverable. These reasonable steps shall include, at a minimum, the tracking of all undelivered mail; performing address searches for all mail returned without a forwarding address; and promptly re-mailing to Class Members for whom new addresses are found. own records the date and address of each re-mailing. Those Class Members who receive a re-mailed Class Notice, whether by skip-trace or forwarded mail, will have an additional ten (10) days to postmark an Exclusion Form, serve an objection to the Settlement. The Settlement Administrator shall mark on the envelope whether the Class Notice is a re-mailed notice.

- d. All such disputes must be in writing, via first class mail, and it must be postmarked by the Response Deadline. To the extent Class Members dispute the number of weeks or pay periods to which they have been credited or the amount of their Individual Settlement Share or PAGA payment, Class Members must produce evidence to the Settlement Administrator showing that such information is inaccurate. If a Class Member produces such evidence, the Settlement Administrator will evaluate the evidence submitted by the Class Member and will make the initial decision as to the number of eligible weeks that should be applied and/or the Individual Settlement Share to which the Class Member may be entitled. The Court shall have the right to review any decision made by the Settlement Administrator regarding a claim dispute and will make the final determination.
- e. If any Exclusion Form received is incomplete or deficient, the Settlement Administrator shall send a letter informing the Class Member of the deficiency and allow fourteen (14) days to cure the deficiency. If after the cure period the Exclusion Form is not cured, it will be determined that the Class Member did not exclude himself or herself from the Settlement and will be bound by the Settlement.
- f. The Settlement Administrator shall provide a weekly status report to the Parties. As part of its weekly status report, the Settlement Administrator will inform Class Counsel and Defendant's Counsel of the number of Notice Packets mailed, the number of Notice Packets returned as undeliverable, the number of Notice Packets re-mailed, and the number of Exclusion Forms received.
- g. The declaration from the Settlement Administrator shall also be filed with the Court by

Class Counsel no later than ten (10) calendar days before the Final Approval hearing. Before the Final Approval hearing, the Settlement Administrator will supplement its declaration of due diligence if any material changes occur from the date of the filing of its prior declaration.

3. **Objections to Settlement.** The Class Notice will provide that the Class Members who wish to object to the Settlement may do so in writing, signed, dated, and mailed to the Settlement Administrator postmarked no later than the Response Deadline. The postmark date of mailing shall be deemed the exclusive means for determining that a Notice of Objection was served timely.
  - a. **Format.** Any Objections must be signed by the Class Member and state: (a) the case name and number; (b) the objecting person's full name, address, telephone number, and last four digits of the Class Member's Social Security Number and/or Employee ID Number; (c) the words "Notice of Objection" or "Formal Objection;" and (d) a statement of his or her reasons for objecting. Class Members are permitted to make Objections, without a showing of good cause, at the Final Approval Hearing in person or through counsel, whether or not they filed a Notice of Objection.
  - b. **Appearance.** Class Members who file objections to the Settlement may (though are not required to) appear at the Final Approval Hearing, either in person or through the objector's own counsel.
  - c. At no time shall any of the Parties or their counsel seek to solicit or otherwise encourage Class Members to file or serve written objections to the Settlement or appeal from the Order and Final Judgment.
  - d. Class Members who submit a written Request for Exclusion are not entitled to object to the Settlement. In the event that a Class Member submits both a Request for Exclusion and a Notice of Objection, the Request for Exclusion will be invalid, while the Notice of Objection will remain valid.
  - e. The Settlement Administrator shall send all objections to Class Counsel and Defense Counsel. Class Counsel will be responsible for filing the Notices of Objection with the Court in advance of the Final Approval Hearing. Plaintiffs and/or Defendant may file oppositions to any properly submitted Notices of Objection no later than nine (9) court days prior to the date of the Final Approval/Settlement Fairness Hearing.

- f. Defendant shall not be responsible for the fees, costs, or expenses incurred by Plaintiff, Class Counsel or Class Members arising from or related to any objection to the Settlement Agreement or related to any appeals thereof.
- g. Defendant shall not be responsible for the fees, costs, or expenses incurred by Plaintiffs, Class Counsel or Class Members arising from or related to any objection to the Settlement Agreement or related to any appeals thereof

Class Members that are also Eligible Aggrieved Employees may opt-out of the class action settlement but may not opt-out of the PAGA portion of the settlement and will receive their portion of the PAGA payment.
- a. The Request for Exclusion will not be valid if it is not timely submitted, if it is not signed by the Class Member, or if it does not contain the name and address of the Class Member. The date of the postmark on the return mailing envelope for the Request for Exclusion shall be the exclusive means used to determine whether the Request for Exclusion was timely submitted. Class Members who fail to submit a valid and timely written Request for Exclusion on or before the Response Deadline shall be Participating Class Members who are bound by all terms of the Settlement and any final judgment entered in this Action if the Settlement is approved by the Court
- b. Any Class Member who requests to be excluded from the Settlement Class will not be entitled to any recovery under the Settlement and will not be bound by the terms of the Settlement or have any right to object, appeal or comment thereon. Nothing in this Settlement or Settlement Agreement will constitute or be construed as a waiver of any defense that Defendant or the Released Parties have or could assert against anyone who timely serves a Request for Exclusion.

- c. **Confirmation of Authenticity.** If there is a question about the authenticity of a signed Request for Exclusion, the Settlement Administrator may demand additional proof of the Class Member's identity. Any Class Member who returns a timely, valid, and executed Exclusion Form will not participate in or be bound by the Settlement and Judgment and will not receive an Individual Settlement Share. A Class Member who does not complete and mail a timely Exclusion Form will automatically be included in the Settlement, will receive an Individual Settlement Share, and be bound by all terms and conditions of the Settlement, if the Settlement is approved by the Court, and by the Judgment, regardless of whether he or she has objected to the Settlement.
- d. **Report.** No later than fourteen (14) calendar days after the Response Deadline, the Settlement Administrator will provide the Parties with a complete and accurate accounting of the number of Notices mailed to Class Members, the number of Notices returned as undeliverable, the number of Notices re-mailed to Class Members, the number of re-mailed Notices returned as undeliverable, the number of Class Members who objected to the Settlement and copies of their submitted objections, the number of Class Members who returned valid requests for exclusion, and the number of Class Members who returned invalid requests for exclusion.
- e. At no time shall any of the Parties or their counsel seek to solicit or otherwise encourage members of the Settlement Class to submit Requests for Exclusion from the Settlement
- f. **Defendant's Option to Terminate.** If more than five percent (5%) of the Class Members submit Exclusion Forms, Defendant, at its sole option, may withdraw from the Settlement and this Agreement is null and void. If Defendants exercise the option to terminate this Settlement, Defendant shall: (a) provide written notice to Class Counsel within seven (7) calendar days after the Response Deadline and (b) pay all Settlement Administration Costs incurred up to the date or as a result of the termination; and the Parties shall proceed in all respects as if this Agreement had not been executed.

## **5. Motion for Final Approval.**

- a. At the earliest practicable time following the expiration of the Response Deadline, Class Counsel will file motions and memorandums in support thereof for Final Approval of the Settlement and the following payments in accord with the terms

of the Settlement: (1) the Attorney Fee Award; (2) the Cost Award; (3) the Administrative Costs; (4) the Class Representative Enhancement Payments; and (5) the PAGA Payment. - c. Upon Final Approval of the Settlement, the Parties shall present to the Court a proposed Final Approval Order, approving the Settlement and entering Judgment in accordance therewith. After entry of Judgment, the Court shall have continuing jurisdiction over the Cases for purposes of: (1) enforcing this Settlement Agreement; (2) addressing settlement administration matters, and (3) addressing such post-Judgment matters as may be appropriate under Court rules and applicable law.

- 6. **Legal Fees.** Defendant is responsible for paying for all of Defendant's own legal fees, costs, and expenses incurred in these Cases outside of the Gross Settlement Amount. Plaintiffs are responsible for paying for all of their own legal fees, costs, and expenses incurred in these Cases outside of the Gross Settlement Amount.

**M. Release of Claims by all Participating Class Members.** As of the Effective Final Settlement Date and upon fully funding the settlement, all Class Members who do not submit a timely and valid Request for Exclusion, will be bound by a release of all claims and causes of action falling under the definition of Released Claims for the time frame from September 5, 2015, to May 7, 2021. Participating Class Members agree not to sue or otherwise make a claim against any of the Released Parties for any of the Released Claims. The scope of this release covers all of the Released Claims irrespective of the possibility that Class Members may discover new facts, legal theories or legal arguments not alleged in the operative Complaint.

**N. Release of PAGA Claims.** As of the Effective Final Settlement Date and upon fully funding the settlement, the LWDA and each Eligible Aggrieved Employee,

including Plaintiffs, individually and on behalf of their heirs, executors, administrators, representatives, attorneys, successors and assigns hereby voluntarily and knowingly is barred from bringing any and all claims seeking civil penalties under the California Labor Code predicated on the PAGA Claims asserted in the Action, during the PAGA Timeframe against Defendant. The release of the PAGA Claims is effective, regardless of whether the Eligible Aggrieved Employee submits a timely and valid Request for Exclusion.

**O. Plaintiffs' General Release of Claims:** As of the Effective Final Settlement Date, and in exchange for the Class Representative Enhancement Payment in an amount not to exceed \$10,000 (Ten Thousand Dollars and No Cents) to each Plaintiff in recognition of their work and efforts in obtaining the benefits for the Class, and undertaking the risk for the payment of costs in the event this matter had not successfully resolved, Plaintiffs hereby provides a general release of claims for themselves and their spouse, heirs, successors and assigns, and forever releases, remises, and discharges the Released Parties from any and all charges, complaint, claims, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of action, suits, rights, demands, costs, losses, debts, penalties and expenses of any nature whatsoever, arising from the beginning of time through May 7, 2021, known or unknown, suspected or unsuspected, whether in tort, contract, equity, or otherwise, for violation of any federal, state or local statute, rule, ordinance or regulation, including but not limited to all claims arising out of, based upon, or relating to their employment with Defendant or the remuneration for, or termination of, such employment, including but not limited to any and all tort claims, contract claims, wage claims, wrongful termination claims, disability claims, benefit claims, public policy claims, retaliation claims, statutory claims, personal injury claims, emotional distress claims, invasion of privacy claims, defamation claims, fraud claims, quantum meruit claims, and any and all claims arising under any federal, state or other governmental statute, law, regulation or ordinance, including, but not limited to claims for violation of the Fair Labor Standards Act, the California Labor Code, the Wage Orders of California's Industrial Welfare Commission, other state wage and hour laws, the Americans with Disabilities Act, the Age Discrimination in Employment Act (ADEA), the Employee Retirement Income Security Act, Title VII of the Civil Rights Act of 1964, the California Fair Employment and Housing Act, the California Family Rights Act, the Family Medical Leave Act, California's Whistleblower Protection Act, California Business & Professions Code Section 17200 et seq., and any and all claims arising under any federal, state or other governmental statute, law, regulation or ordinance. Plaintiffs' Release of Claims also includes a waiver of California Civil Code section 1542, which provides as follows:

**A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.**

Plaintiffs may hereafter discover claims or facts in addition to, or different from, those which they now know or believe to exist, but they expressly agree to fully, finally and forever settle and release any and all claims against the Released Parties, known or unknown, suspected or unsuspected, which exist or may exist on behalf of or against the other at the time of execution of this Agreement, including, but not limited to, any and all claims relating to or arising from Plaintiffs' employment with Defendant. The Parties further acknowledge, understand and agree that this representation and commitment is essential to the Agreement and that this Agreement would not have been entered into were it not for this representation and commitment .

The foregoing release is intended to be as broad as the Parties can possibly create and includes but is not limited to any liability whatsoever:

- which arises directly or indirectly out of or is in any manner related to Plaintiffs' employment by Defendant;
- which arises directly or indirectly out of or is in any manner related to the causes of action or injuries or damages alleged in the Action; or
- which arises directly or indirectly out of or is in any manner related to any of the matters, occurrences or transactions which were raised or could have been raised in the Action, including without limitation, any and all claims for compensatory, economic, non-economic, punitive or other damages.

If any claim is not subject to release, Plaintiffs waive any right or ability to be a class or collective action representative or to otherwise participate in any putative or certified class, collective or multi-party action or proceeding based on such a claim in which Defendant or any of the other Released Parties identified in this Settlement Agreement is a party.

**P. ADEA Waiver by Plaintiffs:** Without limiting the scope of this Agreement, Plaintiffs agree that this Agreement constitutes a knowing and voluntary waiver of any and all rights or claims that exist or that Plaintiffs may claim to have under the Age Discrimination in Employment Act ("ADEA"), as amended by the Older Workers' Benefit Protection Act of 1990 (29 U.S.C. §§ 621, et seq.). Plaintiffs acknowledge all of the following:

1. The consideration provided pursuant to this Agreement is in addition to any consideration that they would otherwise be entitled to receive;
2. Each Plaintiff has been and is advised in writing to consult with an attorney prior to signing this Agreement;

3. Each Plaintiff has been provided a full and ample opportunity to study this Agreement, including a period of at least twenty-one (21) calendar days within which to consider it;
4. To the extent that any Plaintiff takes fewer than twenty-one (21) calendar days to consider this Agreement prior to signing it, they acknowledge that they had sufficient time to consider this Agreement with legal counsel and that they expressly, voluntarily and knowingly waive any additional time;
5. Plaintiffs agree that any changes made to the Agreement during the twenty-one (21) day period (whether material or immaterial) do not restart the running of the twenty-one (21) day period;
6. Each Plaintiff is aware of his right to revoke this waiver of claims under the ADEA any time within the seven (7) calendar-day period following the date each Plaintiff signs the Agreement and that the waiver of claims under the ADEA shall not become effective or enforceable until the seven (7) calendar-day revocation period expires. Notwithstanding each Plaintiff's right to revoke the waiver of claims under the ADEA, the remainder of the terms of this Agreement shall become effective and enforceable as of the date that the Parties sign this Agreement.
7. To be effective, timely notice of revocation of the waiver of ADEA claims must be made in writing and delivered to Defendants through its counsel, Evan Moses, Esq., at Ogletree Deakins Nash Smoak & Stewart, P.C., 400 South Hope Street, Suite 1200, Los Angeles, California 90017, no later than the seventh (7th) day after each Plaintiff executes this Agreement. Plaintiffs agree to keep written documentation proving that they revoked this Agreement as provided in this section, either by keeping the documents attesting to the delivery of the revocation, or verification that the fax was, in fact, received.

**Q. Conditions Precedent:** This Settlement will become final and effective only upon the occurrence of all of the following events:

1. The Court enters an order granting preliminary approval of the Settlement;
2. The Court enters an order granting final approval of the Settlement and a Final Judgment;
3. The Effective Final Settlement Date occurs;
4. Defendant does not invoke their right to revoke the Settlement as described in Paragraph III(K)(4)(f) (Defendant's Option to Terminate) herein; and

5. Plaintiffs do not revoke the waiver of claims under the ADEA after the conclusion of their timeframe to do so.

## **R. Miscellaneous Terms**

1. **No Admission of Liability.** Defendant makes no admission of liability or wrongdoing by virtue of entering into this Agreement. Additionally, Defendant reserves the right to contest any issues relating to class certification and liability if the Settlement is not approved. Defendant denies that it has engaged in any unlawful activity, has failed to comply with the law in any respect, has any liability to anyone under the claims asserted in these Cases, or that but for the Settlement, a Class should be certified in the Case. This Agreement is entered into solely for the purpose of compromising highly disputed claims. Nothing in this Agreement is intended or will be construed as an admission by Defendant of liability or wrongdoing. This Settlement and Plaintiffs' and Defendant's willingness to settle the Cases will have no bearing on, and will not be admissible in connection with, any litigation (other than solely in connection with this Settlement).
2. **No Effect on Employee Benefits.** The Class Representative Enhancement Payments and/or Individual Settlement Shares paid to Plaintiffs and Participating Class Members shall not be deemed to be pensionable earnings and shall not have any effect on the eligibility for, or calculation of, any of the employee benefits (*e.g.*, vacation, holiday pay, retirement plans, etc.) of Plaintiffs or the Participating Class Members. The Parties agree that any Class Representative Enhancement Payment and/or Individual Settlement Shares paid to Plaintiffs or the Participating Class Members under the terms of this Agreement do not represent any modification of Plaintiffs' or Participating Class Members' previously credited hours of service or other eligibility criteria under any employee pension benefit plan or employee welfare benefit plan sponsored by Defendant. Further, any Class Representative Enhancement Payment shall not be considered "compensation" in any year for purposes of determining eligibility for, or benefit accrual within, an employee pension benefit plan or employee welfare benefit plan sponsored by Defendant.
3. **No Solicitation of Individual Settlements.** Plaintiffs and their counsel agree that until and unless the Court does not grant Final Approval of the Settlement and/or the Settlement Agreement becomes null and void, Plaintiffs and their counsel shall not attempt to procure from Class Members any requests for exclusion from the Settlement. Should this clause be violated, Defendant reserves the right to terminate the Settlement Agreement.

- 4. Publicity.** Plaintiffs and Class Counsel agree not to disclose or publicize the Settlement, including the fact of the Settlement, its terms or contents, and the negotiations underlying the Settlement, in any manner or form, directly or indirectly, to any person or entity, except potential class members and as shall be contractually required to effectuate the terms of the Settlement as set forth herein. However, for the limited purpose of allowing Class Counsel to prove adequacy to serve as class counsel, Class Counsel may disclose the name of the Parties in this action, the venue/case number of this action, and the fact that this action settled on a class-wide basis (but not any other settlement details) for such purposes.
- 5. Integrated Agreement.** After this Agreement is signed and delivered by all Parties and their counsel, this Agreement and its exhibits will constitute the entire Agreement between the Parties relating to the Settlement, and it will then be deemed that no oral representations, warranties, covenants, or inducements have been made to any party concerning this Agreement or its exhibits, other than the representations, warranties, covenants, and inducements expressly stated in this Agreement and its exhibits.
- 6. Review of Motions for Preliminary and Final Approval.** Class Counsel will provide an opportunity for Counsel for Defendant to review the Motions for Preliminary and Final Approval prior to filing with the Court. Defendant will not unreasonably delay providing approval or comments to the Motions for Preliminary and Final Approval papers. The Parties and their counsel will cooperate with each other and use their best efforts to effect the Court's approval of the Motions for Preliminary and Final Approval of the Settlement, and entry of Judgment.
- 7. Authorization to Enter Into Settlement Agreement.** Class Counsel and Defendant's Counsel warrant and represent that they are authorized by Plaintiffs and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties under this Agreement to effectuate its terms, and to execute any other documents required to effectuate the terms of this Agreement. The Parties and their counsel will cooperate with each other and use their best efforts to effect the implementation of the Settlement. In the event the Parties are unable to reach agreement on the form or content of any document needed to

implement this Agreement, or on any supplemental provisions that may become necessary to effectuate the terms of this Agreement, the Parties will seek the assistance of the Court, and in all cases, all such documents, supplemental provisions, and assistance of the Court will be consistent with this Agreement.

- 8. Exhibits and Headings.** The terms of this Agreement include the terms set forth in the attached exhibits, which are incorporated by this reference as though fully set forth herein. Any exhibits to this Agreement are an integral part of the Settlement and must be approved substantially as written. The descriptive headings of any paragraphs or sections of this Agreement are inserted for convenience of reference only and do not constitute a part of this Agreement.
- 9. Interim Stay of Proceedings.** The Parties agree to stay and hold all proceedings in the Cases in abeyance, except such proceedings necessary to implement and complete the Settlement, pending the Final Approval hearing to be conducted by the Court.
- 10. Amendment or Modification of Agreement.** This Agreement, and any and all parts of it, may be amended, modified, changed, or waived only by an express written instrument: (1) signed by counsel for all Parties or their successors-in-interest; (2) signed by the Parties or their successors-in-interest; and (3) as may be approved by the Court.
- 11. Waiver of Certain Appeals.** The Parties agree to stipulate to class certification for purposes of implementing this Settlement only and agree to waive all appeals from the Court's final approval of the Settlement, unless the Court modifies the Settlement.
- 12. Notice of Settlement to LWDA.** Plaintiffs hereby represent that at the same time they file the Motion for Preliminary Approval, Plaintiffs will provide notice of this Agreement and proposed settlement to the Labor Workforce Development Agency ("LWDA") as required by Labor Code Section 2699(1)(2)

- 14. No Prior Assignment.** Plaintiffs hereby represents, covenants, and warrants that they have not directly or indirectly, assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or rights herein released and discharged.

**15. Applicable Law.** All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the laws of the State of California, without giving effect to any conflict of law principles or choice of law principles.

**16. Fair, Adequate, and Reasonable Settlement.** The Parties and their respective counsel believe and warrant that this Agreement reflects a fair, reasonable, and adequate settlement of the Cases and have arrived at this Agreement through arms-length negotiations, taking into account all relevant factors, current and potential. The Parties further agree that this Settlement Agreement shall not be construed in favor of or against any party by reason of the extent to which any party or his or its counsel participated in the drafting of this Settlement Agreement.

**17. No Unalleged Claims.** Plaintiffs and Class Counsel represent that they, as of the date of execution of this Settlement, have no current intention of pursuing any claims against Defendant in any judicial, administrative, or arbitral forum, including, but not limited to, any and all claims relating to or arising from Plaintiffs' employment with Defendant, and that Plaintiffs' Counsel is not currently aware of any facts or legal theories upon which any claims or causes of action could be brought against Defendant, excepting those facts or legal theories alleged in the operative complaint in this Action. Plaintiffs and Plaintiffs' Counsel further represent and agree that they do not currently know of or represent any persons who have expressed any interest in pursuing litigation or seeking any recovery against Defendant. The Parties further acknowledge, understand and agree that this representation is essential to the Agreement and that this Agreement would not have been entered into were it not for this representation. Nothing in this Paragraph will be construed as a restraint on the right of any counsel to practice.

**18. No Tax or Legal Advice.** The Parties understand and agree that the Parties are neither providing tax or legal advice, nor making representations regarding tax obligations or consequences, if any, related to this Agreement, and that Class Members will assume any such tax obligations or consequences that may arise from this Agreement, and that Class Members shall not seek any indemnification from the Parties or any of the Released Parties in this regard. The Parties agree that, in the event that any taxing body determines that additional taxes are due from any Class Member, such Class Member assumes all responsibility for the payment of such taxes.

**19. Jurisdiction of the Superior Court.** The Court shall retain jurisdiction with respect to the interpretation, implementation, and enforcement of the terms of this Agreement and all orders and judgment entered in connection therewith, and the Parties and their counsel hereto submit to the jurisdiction of the Superior Court for purposes of interpreting, implementing, and

enforcing the Settlement embodied in this Agreement and all orders and judgments in connection therewith.

**20. Invalidity of Any Provision; Severability.** Before declaring any provision of this Agreement invalid, the Parties request that the Court first attempt to construe the provisions valid to the fullest extent possible consistent with applicable precedents, so as to define all provisions of this Agreement valid and enforceable. In the event any provision of this Agreement shall be found unenforceable, the unenforceable provision shall be deemed deleted, and the validity and enforceability of the remaining provisions shall not be affected thereby.

**21. Cooperation in Drafting.** The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

**22. Execution in Counterpart.** This Agreement may be executed in one or more counterparts. All executed counterparts, and each of them, will be deemed to be one and the same instrument provided that counsel for the Parties will exchange between themselves original signed counterparts. Facsimile or PDF signatures will be accepted. Any executed counterpart will be admissible in evidence to prove the existence and contents of this Agreement.

**23. Class Size Escalator.** Defendant estimates that between September 5, 2015 and March 15, 2021, the number of workweeks worked by Class Members while in a non-exempt role was approximately 152,929. If the settlement data shows the actual number of such workweeks between September 5, 2015 and March 15, 2021 is ten percent (10%) or more greater than the 152,929 estimate, the Gross Settlement Amount will increase on a pro-rata basis equal to the increase in workweeks (e.g. if the actual workweeks during the period September 5, 2015 through March 15, 2021 is 15% greater than 152,929 workweeks, the Gross Settlement Amount will increase by 15%).
