DECLARATION OF JUANITA HAWKINS-MOSLEY

I, Juanita Hawkins-Mosley, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am one of the named plaintiffs in the above-captioned action and I am also the named plaintiff in the action entitled *Juanita Hawkins-Mosley vs. Contemporary Services Corporation*, Case No. 23CV038138. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Contemporary Services Corporation ("Defendant") from approximately July 2019 to approximately July 2023 as an hourly-paid, non-exempt employee. I decided to seek legal advice about my work experiences with Defendant and about pursuing my grievances. I contacted Lawyers for Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Defendant was held accountable for not properly compensating its employees for all hours worked, non-compliant meal and rest breaks, and failure to reimburse expenses. I consulted with the attorneys and staff at Lawyers for Justice, PC discussing my situation, complex wage-and-hour, representative actions under the Private Attorneys General Act ("PAGA") in general, and what it meant to be a named plaintiff, and a PAGA representative. Prior to commencing and joining the cases, I was informed of and came to understand what my duties and responsibilities would be as a plaintiff and a PAGA representative.

3. Throughout the cases, I have spent time speaking with my attorneys regarding the cases and fulfilling my responsibilities as a PAGA representative, which included gathering documents concerning my employment with Defendant, reviewing documents with my attorneys, answering questions, providing guidance regarding the duties of other hourly-paid or non-exempt employees, and helping develop a strategy as to what documents and information to obtain from Defendant. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained.

4. Throughout this matter, I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I

spent time speaking with my attorneys about the cases, identifying potential witnesses, providing my attorneys with documents and information concerning the cases, and also describing policies, practices, and procedures of Defendant.

5. As far as the settlement is concerned, I was available to review documents and answer any questions my attorneys had. I reviewed the Settlement Agreement and discussed the questions I had regarding the potential settlement with my attorneys before signing the settlement papers.

6. I understand that a settlement has been reached in this matter and what my duties and responsibilities are as a PAGA representative. For example, I understand that my duties will include checking in on, monitoring, and conferring with my attorneys to facilitate the settlement administration process, and to provide information that the Court needs in order to assess whether the settlement is fair, reasonable, and adequate. Further, if any individuals who are potential aggrieved employees contact me, I will take steps to have them referred to the Court-appointed settlement administrator so that these individuals may receive the necessary information.

8. I think my efforts helped to get the result obtained in this matter, and as a PAGA representative, I respectfully request that the Court award me a service award for my efforts in pursuing and participating in this matter, as well as my broader release of claims. Taking into consideration the time that I have dedicated to this matter, I believe that this amount is reasonable.

9. I am not related to anyone associated with Lawyers for Justice, PC.

10. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this matter. The only compensation I will receive is whatever amount the Court awards as a service award, as well as my share of the settlement as an aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on this 10/05/2026 day of October 2026, at Fresno, California.
