DECLARATION OF EVODIO VALLES

I, **EVODIO VALLES**, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am one of the named plaintiffs in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by KSC & Son Corporation and/or Chandi Group USA, Inc. (together, "Defendants") as an hourly-paid Car Washer from approximately January 2022 to approximately April 2022. I decided to seek legal advice about my work experience with Defendants. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Defendants were held accountable for not properly compensating their employees for all hours worked, non-compliant meal and rest breaks, and failure to reimburse expenses. I consulted with the attorneys and staff at Lawyers *for* Justice, PC discussing my situation, complex wage-and-hour class actions in general, and what it meant to be a named plaintiff and class representative. Prior to joining the case, I was informed of and came to understand what my duties and responsibilities would be as a plaintiff and also, if class certification were to be obtained and if I were to be appointed as a representative of the class, what my duties and responsibilities would be in that event.

3. Throughout the case, I have spent time speaking with my attorneys regarding the case and fulfilling my responsibilities as a class representative, which included gathering documents concerning my employment with Defendants, reviewing documents with my attorneys, answering questions, providing guidance regarding the duties of other non-exempt employees, and helping develop a strategy as to what documents and information to obtain from Defendants. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained.

4. Throughout this matter, I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to

1 them as quickly as possible and gave them as much information and identified as many
2 documents as I could. I spent time speaking with my attorneys about the case, identifying
3 potential witnesses, providing my attorneys with documents and information concerning the
4 case, and also describing policies, practices, and procedures of Defendants.

5 5. As far as the settlement is concerned, I was available to review documents and
6 answer any questions my attorneys had. I reviewed Settlement Agreement and discussed the
7 questions I had regarding the potential settlement with my attorneys before signing the
8 settlement papers.

9 6. I think my efforts helped to get the result obtained in this matter, and as a
10 potential class representative, I respectfully request that the Court award me an incentive award
11 for my efforts in pursuing and participating in this matter, as well as my broader release of
12 claims. Taking into consideration the time that I have dedicated to this matter, I believe that this
13 amount is reasonable.

14 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

15 8. I have not entered into any undisclosed agreements, nor have I received any
16 undisclosed compensation in this matter. The only compensation I will receive is whatever
17 amount the Court awards as an incentive award, as well as my share of the settlement as a class
18 member and as an aggrieved employee.

19 I declare under penalty of perjury under the laws of the State of California that the
20 foregoing is true and correct.

21 Executed on this day February 27, 2025, at South Gate, California.
