1 providing my attorneys with documents and information concerning the case, and also describing
2 policies, practices, and procedures of Defendant.

3 5. As far as the settlement is concerned, I was available to review documents and
4 answer any questions my attorneys had. I reviewed the Memorandum of Understanding and the
5 Settlement Agreement and discussed the questions I had regarding the potential settlement with
6 my attorneys before signing.

7 6. I believe that I have done everything that my attorneys have asked of me and have
8 tried, to the best of my ability, to represent the Class and seek relief for the PAGA Employees and
9 the State of California. I think my efforts helped to get the result obtained in this case, and as a
10 class and PAGA representative, I respectfully request that the Court award me a service payment
11 in the amount of \$7,500.00 for my active participation in this case. Taking into consideration the
12 time that I have dedicated to this case, I believe that this amount is reasonable.

13 7. I am not related to anyone associated with Lawyers for Justice, PC.

14 8. I have not received any undisclosed compensation to resolve this matter; the only
15 compensation I will receive to resolve this matter is my share of the settlement as a Class Member
16 and as a PAGA Employee and whatever amount the Court awards as a service payment.

17 I declare under penalty of perjury under the laws of the State of California that the
18 foregoing is true and correct.

19 Executed this 9th day of October 2024, at Fairfield, California.
