26 I am readily familiar with the firm's practice of collection and processing correspondence
27 for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same
28 day with postage thereon fully prepaid in the ordinary course of business. I am aware that on
motion of the party served, service is presumed invalid if postal cancellation date or postage
meter date is more than one day after date of deposit for mailing in affidavit.

Executed on July 29, 2022, at San Francisco, California.

I declare under penalty of perjury under the laws of the United States that the above is true
and correct.
