case, and also describing policies, practices, and procedures of Defendants.

5. I spent about **4 hours** reviewing the settlement agreement and about **2 hours** asking questions and discussing the potential settlement with my attorneys before signing the settlement agreement.

6. I believe that I have done everything that my attorneys have asked of me and have tried, to the best of my ability, to represent and seek relief for the aggrieved employees and the State of California. I think my efforts helped to get the result obtained in this case.

7. I respectfully request that the Court award me a general release fee in the amount of \$5,000.00 for my active participation in this case. Taking into consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

8. I am not related to anyone associated with Lawyers *for* Justice, PC.

9. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is whatever amount the Court awards as a general release fee, as well as my individual share of the settlement as an aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
