concerning the case, and also describing policies, practices, and procedures of Defendant.

5. During the discovery phase of the litigation, I spent approximately 8 additional hours reviewing Defendant's discovery requests, locating documents, and providing documents and information to my attorneys in connection with my responses to the discovery requests.

6. On April 28, 2021, I attended a full day of deposition that lasted approximately 5 hours. I spent at least 5 hours preparing for the deposition. After the deposition, I spent at least 2 hours reviewing my testimony and discussing the contents of the deposition transcript with my attorneys.

7. As far as the settlement is concerned, I was available to review documents and answer any questions my attorneys had. I spent about 3 hours reviewing settlement-related paperwork and about 2 hours asking questions and discussing the potential settlement with my attorneys before signing the settlement-related paperwork.

8. I believe that I have done everything that my attorneys have asked of me and have tried, to the best of my ability, to represent the class. I think my efforts helped to get the result obtained in this case, and as a class representative, I respectfully request that the Court award me an enhancement payment in the amount of \$10,000.00 for my active participation in this case. Taking into consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

9. I am not related to anyone associated with Lawyers *for* Justice, PC.

10. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is whatever amount the Court awards as an enhancement payment, as well as my share of the settlement as a class member.
