DECLARATION OF MARTHA YAMASAKI

I, **Martha Yamasaki**, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am the named plaintiff in the above-captioned case, and I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Defendant Everbowl, LLC (“Everbowl”) from approximately May 2020 to approximately July 2020 as a non-exempt, hourly-paid employee. I decided to seek legal advice about my work experiences at Everbowl and about pursuing my grievances. I contacted Lawyers *for* Justice, PC and spoke with attorneys there, including Edwin Aiwazian. I wanted to do whatever I could to make sure Everbowl was held accountable for not paying its employees for all hours worked and non-compliant meal and rest breaks. After speaking with the attorneys, I investigated representative wage-and-hour lawsuits on my own and did some research into the leading employment law firms in California for approximately 10 hours. Thereafter, I consulted with the attorneys at Lawyers *for* Justice, PC for 8 hours discussing my situation, representative actions under the Private Attorneys General Act (“PAGA”) in general, and what it meant to be a named plaintiff and PAGA representative.

3. I have spent over 23 hours meeting with my attorneys regarding the case and fulfilling my responsibilities as a PAGA representative, which included gathering documents concerning my employment with Everbowl, reviewing documents with my attorneys and answering their questions, providing guidance regarding the duties of non-exempt employees, and helping develop a strategy as to what documents and information to obtain from Everbowl. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained.

4. As the case progressed, I was available to answer any questions my attorneys had, and was available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible, gave them all the information I had, and identified as many documents as I could. I spent at least 18 additional hours speaking with my attorneys about the case, identifying potential witnesses, providing my attorneys with documents and information

concerning the case, and also describing the policies, practices, and procedures of Everbowl.

5. As far as the settlement is concerned, I was available to review the settlement documents and answer any questions my attorneys had. I spent about 4 hours reviewing the settlement agreement and about 4 hours asking questions and discussing the potential settlement with my attorneys before signing the settlement agreement.

6. I believe that I have done everything that my attorneys have asked of me and tried, to the best of my ability, to represent the aggrieved employees. I think my efforts helped to get the results obtained in this case.

7. I respectfully request that the Court approve and award me a General Release Fee in the amount of \$10,000.00 for my active participation in this case and broader release of claims. Taking into consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

8. I am not related to anyone associated with Lawyers *for* Justice, PC.

9. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is a General Release Fee, if approved by the Court, as well as my share of the settlement as an aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed this ^{12/06/}____ day of December 2022, at Oceanside, California.
