Date: August 29, 2023
Time: 3:00 p.m.

1 I, DAVID MARA, declare the following:

- 2 1. I am President of Mara Law Firm, PC and counsel of record for Plaintiffs and the putative
3 class in this matter. I am duly admitted to practice before all the courts of the state of
4 California. The following facts are within my personal knowledge and, if called to testify, I
5 could and would competently testify thereto.
- 6 2. I have been practicing law in California since 2004.
- 7 3. I extensively handle employment cases which involve violations of the California Labor Code
8 and Industrial Welfare Commission Wage Orders, such as wage and hour class actions and
9 cases alleging violations of the Private Attorneys General Act of 2004 ("PAGA").
- 10 4. I was co-class counsel in *Hohnbaum v. Brinker Restaurant Corp.*, San Diego Superior Court,
11 Case No. GIC834348, which was the underlying case in the California Supreme Court's
12 landmark decision in *Brinker Restaurant Corp. v. Superior Court* (2012) 53 Cal.4th 1004, in
13 which the California Supreme Court delineated the scope of employer obligations to provide,
14 and employee rights to receive, meal and rest periods under California law.
- 15 5. I wrote an Amicus brief on behalf of Consumer Attorneys Of California ("CAOC") in the
16 recent decision by the California Supreme Court in *Augustus v. ABM Security Services, Inc.*
17 (2016) 2 Cal.5th 257 (rest breaks must be duty-free and time spent being on call during rest
18 breaks is not considered duty-free).
- 19 6. My firm also wrote an Amicus brief on behalf of CAOC in the recent decision by the
20 California Supreme Court in *Williams v. Superior Court* (2017) 3 Cal. 5th 531 (PAGA and
21 wage and hour class action).
- 22 7. I have also lectured as a panelist for California Employment Lawyers Association regarding
23 a host of wage and hour issues.
- 24 8. My firm has been granted class certification in both state and federal courts.
- 25 9. I am also Plaintiff's counsel in a host of other class actions involving violations of California's
26 wage and hour laws. For example, I have been and am involved as counsel for plaintiffs in
27 the following sampling of class action cases involving wage and hour violations under
28 California law: *Peron v. The Vons Companies, Inc.* (Case No. 37-2014-00006965);

1 *Hilderbrand v. LinkUs Enterprises, LLC* (Case No. DR150155); *Martin v. Sysco Central*
2 *California, Inc.* (Case No. 1:16-cv-00990-DAD-SAB); *Paramo v. Cintas Corporate Services,*
3 *Inc., et. al.* (Case No. CIVDS1719941); *Cortez v. United Natural Foods, Inc.* (Case No. 5:18-
4 cv-04603-BLF); *Frieri v. Sysco San Diego, Inc.* (Case No. 3:16-cv-1432-JLS-NLS); *Allen v.*
5 *J.S. West Hardister, LLC, et. al.* (Case No. 9000289); *Betts v. Foster Dairy Farms* (Case No.
6 9000320); *Perez v. City of San Diego* (Case No. 37-2014-00016621); *Cuellar-Ramirez v. US*
7 *Foods, Inc.* (Case No. RG15770766); *Rodriguez v. Delta Sierra Beverage, LLC* (Case No.
8 34-2017-00206727); *Helton v. Pepsi-Cola Sales and Distribution, Inc., et. al.,* (Case No. 3:17-
9 cv-01135-EMC); *Kramer v. XPO Logistics, Inc.* (Case No. 3:16-cv-07039-WHO).

10 10. Defendants are in the business of transporting freight for their customers. In order to
11 accomplish this, Defendants contract with drivers who enter into independent contractor
12 operating agreements with Defendants (“owner operators”) to provide the trucks and
13 equipment to facilitate transport. Plaintiff Arnold Garcia contracted with Defendants as an
14 owner operator.

15 11. On July 1, 2021, in compliance with Labor Code § 2699.3(a)(l), Plaintiff submitted written
16 notice via online filing to the LWDA, setting forth the facts and theories of the violations
17 alleged against Defendants, claiming that he and others were misclassified by Defendants as
18 independent contractors. Plaintiff then filed a PAGA action against Defendants on September
19 9, 2021, in Alameda Superior Court, Case No. RG21112189, entitled *Arnold Garcia v.*
20 *McCollister’s Transportation Systems, Inc., et al.* He alleged causes of action on behalf of
21 himself and other owner operators seeking civil penalties under PAGA for: (1) Failure to Pay
22 for All Time Worked; (2) Failure to Provide Meal Periods; (3) Failure to Authorize and Permit
23 Rest Periods; (4) Failure to Pay All Wages Due at Termination; (5) Failure to Provide
24 Itemized Wage Statements; (6) Failure to Pay All Wages Owed Twice Per Month; (7) Failure
25 to Reimburse Business Expenses; and (8) Willful Misclassification.

26 12. Plaintiff also filed a class action against Defendants on September 10, 2021, in Alameda
27 Superior Court, Case No. RG21112345, entitled *Arnold Garcia v. McCollister’s*
28 *Transportation Systems, Inc., et al.* Claiming that he and others were misclassified by

1 Defendants as independent contractors, he alleged causes of action on behalf of himself and
2 other owner operators for: (1) Failure to Pay for All Time Worked; (2) Failure to Provide
3 Meal Periods; (3) Failure to Authorize and Permit Rest Periods; (4) Failure to Provide
4 Itemized Wage Statements; (5) Failure to Pay All Wages Due at Termination; (6) Failure to
5 Reimburse Business Expenses; and (7) Violation of Unfair Competition Law.

6 13. Defendants deny the allegations of the actions in their entirety, deny any liability or
7 wrongdoing of any kind associated with the claims alleged in these actions, and further deny
8 that, for any purpose other than settling these actions, this matter is appropriate for class
9 treatment. Defendants further contend that they have complied with all applicable California
10 laws, the California Labor Code, the applicable California Wage Order(s), and the Unfair
11 Competition Law. Defendants finally contend that, if this matter were to be litigated further,
12 it would have strong defenses to oppose class certification and succeed on the merits of
13 Plaintiff's causes of action.

14 14. Through discovery, Plaintiff sought numerous documents and substantial amounts of data that
15 were needed to evaluate the case. These documents included the contracts entered into
16 between Defendants and owner operators, records reflecting freight hauled by Class Members
17 for Defendants during the Class Period, as well as what they were paid for delivering the
18 freight, including any deductions taken from payment by Defendants, policies and practices
19 in place during the class period, detailing requirements and expectations for Class Members
20 when delivering freight for Defendants' customers, as well as data surrounding the number of
21 current and former employees.

22 15. The gravamen of Plaintiff's claims is that Defendants misclassified Plaintiff, and other owner
23 operators, as independent contractors under both the test in *S. G. Borello & Sons, Inc. v.*
24 *Department of Industrial Relations* (1989) 48 Cal.3d 341, as well as the "ABC test" outlined
25 in the California Supreme Court decision in *Dynamex Operations West, Inc. v. Superior Court*
26 (2018) 4 Cal.5th 903, denying them the protections provided to employees under California
27 law. This proposed Settlement was only possible following significant discovery and
28 evaluation of Defendants' relevant policies, procedures, and records, which permitted

1 Plaintiff's Counsel to engage in a comprehensive analysis of liability and potential damages
2 to prepare for the mediation and class certification.

3 16. Defendants vigorously deny Plaintiff's contentions, claiming that Plaintiffs and putative class
4 members are not its employees, and that it does not control any aspect of how Plaintiff and
5 putative class members perform their jobs. Defendant claims it is lawfully contracting with
6 the owner operators, who are running their own separate businesses, to facilitate the delivery
7 of the customer's freight, and do not control any aspect of the manner and means in which
8 owner operators utilize to complete these deliveries.

9 17. The Parties agreed to attend mediation with respected wage and hour mediator Mark Rudy on
10 August 16, 2022. The matter did not settle at mediation. Mr. Rudy remained in regular contact
11 with the Parties to facilitate negotiations, culminating in Mr. Rudy issuing a mediator's
12 proposal, which the Parties accepted on November 8, 2022. Since then, the Parties have met
13 and conferred regarding the terms of the settlement and finalized their agreement in the
14 Settlement. The Parties seek preliminary approval of the Settlement in the instant motion.

15 18. The Parties agreed (subject to and contingent upon the Court's approval) that this action be
16 settled and compromised for the non-reversionary total sum of \$400,000 ("Gross Settlement
17 Amount" or "GSA") which includes, subject to Court approval: (a) attorneys' fees of up to
18 \$133,333.33 (33 1/3% of the GSA) to compensate Class Counsel for work already performed
19 and all work remaining to be performed in documenting the settlement, administrating the
20 settlement and securing Court approval; (b) litigation costs of \$14,827.58 (originally
21 estimated not to exceed \$30,000); (c) Class Representative Enhancement Payment to the
22 named class representative, Arnold Garcia, in a sum not to exceed \$7,500 in consideration for
23 a general release of his claims against Defendants and for initiating and prosecuting this Class
24 Action, serving as Class Representative, work performed, and risks undertaken for the
25 payment of Defendants' attorneys' fees and costs in the event he had been unsuccessful in
26 either matter; (d) claims administration fees and expenses to Phoenix, in the amount of \$4,995
27 (originally estimated not to exceed \$5,000); and (e) the \$25,000 allocated to Plaintiff's claims
28 under the PAGA.

- 1 19. Under no circumstances will any portion of the \$400,000 settlement revert to Defendant.
- 2 20. Plaintiff contends that Defendants can terminate Class Members with or without cause, which
- 3 is “the strongest evidence of the right to control...” *Ayala v. Antelope Valley Newspapers,*
- 4 *Inc.* (2014) 59 Cal.4th 522, 531. For example, under the Independent Contractor Operating
- 5 Agreement (“ICOA”), the owner operators are subject to disqualification if Defendants deem
- 6 them to be “unsafe” under Defendants’ safety policies. Defendants, in their sole discretion,
- 7 obtain the customers and enter into agreements to deliver their freight, negotiate and set the
- 8 rates the customers are to pay, and assign and dispatch the Class Members directly to transport
- 9 the freight. Owner operators are also forbidden from subcontracting with anyone else to
- 10 perform its deliveries, denying owner operators the opportunity to independently manage their
- 11 “businesses.”
- 12 21. Furthermore, Defendants exert control over many other aspects of the owner operator’s job
- 13 performance. Defendants require owner operators to maintain certain wireless cell phone
- 14 plans that contains certain specifications mandated by Defendants. Owner operators must
- 15 paint their trailers white and place Defendants’ identifying information to their trailers, as
- 16 well as wear Defendants’ uniforms. Additionally, owner operators are required by Defendants
- 17 to follow any and all instructions they receive from Defendants’ (not the owner operators’)
- 18 customers and must submit their trucks and equipment for inspection with Defendants
- 19 whenever Defendants so choose, with any costs associated with these inspections to be borne
- 20 by the owner operators.
- 21 22. Defendants contend that Plaintiff and putative class members are not their employees, and
- 22 that they do not control Class Members’ hiring, firing, schedules, and/or pay. Defendants
- 23 argue that Class Members have independence in how to perform their jobs. Defendants
- 24 contend that they do not control what Class Members do or how they perform their jobs.
- 25 Defendants argue that they cannot simply unilaterally decide to “terminate” Class Members
- 26 at will. Defendants claim they can merely terminate the agreement entered into with owner
- 27 operators through the very terms of the agreement itself, severely limiting their ability to
- 28 “terminate” owner operators at will.

1 23. Additionally, Defendants state that the various “controls” exerted on Class Members and
2 “requirements” for how Class Members are to deliver freight are set forth either by the
3 customers or pursuant to various federal laws and regulations, and not from Defendants. As
4 such, these things cannot be considered as actions undertaken and/or controls asserted by the
5 Defendants, and as a result, Plaintiff would fail to satisfy any of the factors required under the
6 *Borello* test.

7 24. While Plaintiff believes in the strength of his arguments, he also recognizes the risk that the
8 Court may determine Plaintiff and the putative class were not employees of Defendants. **If**
9 **the Court ruled in favor of Defendants on this issue, all of Plaintiff’s claims below would**
10 **be extinguished, as they are all dependent upon the Court agreeing that Defendants are**
11 **Plaintiff’s and Class Members’ employer under California law.**

12 25. Defendants require owner operators to shoulder the costs of insuring their trucks, fueling their
13 trucks, amongst various other costs. Here, Plaintiffs allege the Direct Contractors are
14 misclassified as independent contractors when, under California law, they should be classified
15 as employees. Just as Defendants could not charge their own employee drivers the cost of
16 fuel, insurance, and taxes in the furtherance of Defendants’ business, it cannot do so to the
17 owner operators, as they, too, are Defendants’ employees under California law.

18 26. Defendants argue that because owner operators are not employees and properly classified as
19 independent contractors, they do not need to reimburse them for business expenses.
20 Defendants argue that California Labor Code § 2802 only obligates an employer to indemnify
21 its employee for expenses that the employee incurred while performing his or her job duties.
22 As Defendants claim they are lawfully contracting with the owner operators to facilitate the
23 delivery of the customer’s freight, these expenses are properly borne by the owner operators
24 pursuant to the terms of the agreements.

25 27. Defendants have no evidence they provided Class Members with meal or rest periods. They
26 have no meal or rest period policies they communicate to Class Members. They also have no
27 records of meal or rest periods. Thus, it will be fairly simple to show Defendants failed to
28 provide meal and rest periods to Class Members, who will be owed a 226.7 premium on every

1 qualifying shift.

2 28. Defendants again argue that because Class Members are not employees and, instead, are
3 properly classified as independent contractors, they are under no obligation to provide Class
4 Members with meal or rest periods, as California law only requires an “employer” to provide
5 them to its “employees.” Defendants claim they are lawfully engaging with and utilizing Class
6 Members to facilitate the delivery of the through the use of the agreements they enter into
7 with the owner operators, and that the agreements clearly state that all of that any Class
8 Member performing work under the terms of the agreements are independent contractors, not
9 employees.

10 29. Defendants also point out that the Federal Motor Carrier Safety Administration’s (FMCSA)
11 December 21, 2018, determination wherein the FMCSA found that California’s meal and rest
12 break laws are preempted as applied to drivers of property-carrying commercial motor
13 vehicles who are subject to the FMCSA’s own break regulations would similarly extinguish
14 all of Plaintiff’s meal and rest period claims. On January 15, 2021, the Ninth Circuit upheld
15 the FMCSA’s determination that federal law preempted California’s meal and rest break rules.
16 *See Int’l Bhd. of Teamsters, Local 2785 v. Fed. Motor Carrier Safety Admin.* (2021) 986 F.3d
17 841. As such, Defendants argues that FMCSA’s December 21, 2018, determination provides
18 affirmative preemption defenses to Plaintiff’s claims for meal and rest break violations.

19 30. Plaintiff counters that the FMCSA’s determination does not apply retroactively. In *Garcia v.*
20 *Superior Court* (2022) 80 Cal.App.5th 63, the Court of Appeal found the very language of the
21 preemption decision suggested prospective application only and did not bar claims arising
22 from conduct prior to the decision.

23 31. Owner operators are paid by the load, they are not paid for time when “the wheels are not
24 moving,” but they are not stopped for a delivery, such as fueling up, sitting in traffic, for
25 breakdowns, etc.

26 32. Defendants contend that as Class Members are properly classified as independent contractors
27 under California law, none of the authorities relied upon by Plaintiff renders Defendants liable
28 for any unpaid wages whatsoever. Defendants claim the only monetary compensation they

1 are required to provide to the Class Members at all at any point in time is solely based on the
2 provisions of the agreements it enters into with the owner operators, which compensates them
3 for all the hours and various tasks necessary in furtherance of the freight deliveries.

4 33. Although Plaintiff is confident in the strengths of his claims and believes this case is suitable
5 for certification on the claimed basis that there are company-wide policies that Plaintiff
6 contends violate California law and uniformly affect the Class Members, Defendants'
7 counterarguments raise uncertainties with respect to both class certification and success on
8 the merits. As the California Supreme Court ruled in *Sav-On v. Superior Court* (2004) 34
9 Cal.4th 319, class certification is always a matter of the trial court's sound discretion.
10 Decisions following *Sav-On* have reached different conclusions, with respect to certification
11 of wage and hour claims.¹ In light of Defendants' defenses, supporting evidence, and position
12 that the action is not suitable for class treatment, the settlement amount of \$400,000 — **with**
13 **an average settlement share estimated at \$7,388.62, with a high payment of \$18,782.61**
14 — Plaintiff and his counsel believe this is a reasonable and fair settlement.

15 34. Class Counsel applies for an award of attorneys' fees in the sum of \$133,333.33 (which is 33
16 1/3% of the GSA), and litigation costs of \$14,901.58 (originally estimated not to exceed
17 \$30,000).

18 35. I devoted 174 hours to this case. The following is a summary of my tasks and the activities I
19 performed in this litigation: initial intake and discussions with potential plaintiff, investigation
20 into Defendants, including whether other cases have been filed against them, research into law
21 in preparation for filing complaints, interoffice discussions about causes of action to plead,
22 draft complaints, review and revise complaints, review and revise notice to the LWDA,
23 discussions with Plaintiffs and other class members throughout case, interoffice discussions
24 about case and initial litigation strategy, review Defendants' answer, discussions and emails
25 with defense counsel throughout case, review and revise discovery propounded on Defendants,

26 ¹ See, e.g., *Harris v. Superior Court* (2007) 154 Cal. App. 4th 164 (reversing decertification of class claiming
27 misclassification and ordering summary adjudication in favor of employees), *review granted*, 171 P.3d 545 (2007) (not
28 cited as precedent, but rather for illustrative purposes only); *Walsh v. IKON Solutions, Inc.* (2007) 148 Cal. App. 4th 1440
(affirming decertification of class claiming misclassification); *Aguilar v. Cintas Corp. No. 2* (2006) 144 Cal. App. 4th 121
(reversing denial of certification); *Dunbar v. Albertson's Inc.* (2006) 141 Cal. App. 4th 1422 (affirming denial of
certification).

1 review and analyze documents produced by Defendant, create exhibits for use in the case,
2 interoffice discussions about documents produced throughout case, review case file for
3 mediation, draft and revise mediation brief and exposure analysis, interoffice discussions about
4 mediation and mediation brief, prepare for mediation, attend mediation, post-mediation
5 settlement discussions with mediator and Defense counsel, review and revise long form
6 settlement agreement, review and revise preliminary approval motion and supporting papers,
7 draft and revise declaration in support of preliminary approval motion, review weekly reports
8 from settlement administrator, review and revise final approval motion and supporting papers,
9 and draft and revise declaration in support of final approval motion.

10 36. My hourly rate is \$850. Based on my hourly rate and the hours expended 174, my fee is
11 \$147,900, which is reasonable and necessary to the successful litigation of this matter.

12 37. Matthew Crawford is an associate at the Mara Law Firm. Mr. Crawford has been a member of
13 the California Bar since 2016. Mr. Crawford received his training in wage and hour class action
14 and PAGA lawsuits while at Mara Law Firm, PC. He has been substantially involved in all
15 phases of this litigation and in the following sampling of wage and hour class action and PAGA
16 cases, of which our firm is the attorney of record: *Norona v. B&G Delivery System, Inc.* (Case
17 No. RG1577005); *Limon v. National Retail Transportation, Inc.* (Case No. 2:16-cv-02054);
18 *Medina v. Central Cal Transportation, Inc.* (Case No. RG15770011); *Shroeder v. YRC Global,*
19 *Inc.* (Case No. 2:16-cv-06173); *Davidson v. A&B Trucking Services, Inc.* (Case No.
20 16CECG02390); *Spikes v. Bear Trucking, Inc.* (Case No. 16CECG02389); *Montes v. CORAM*
21 *Specialty Infusion Services, Inc.* (Case No. 37-2016-00028950-CU-OE-CTL); *Valentich v.*
22 *Hub Construction Specialties, Inc.* (Case No. RIC 1610267); *Roby v. Pan Pacific Petroleum,*
23 *Inc.* (Case No. BCV-16-101856); *Smith v. Roadrunner Management Services, Inc.* (Case No.
24 BC630949); *Terry v. Hoovestol, Inc.* (Case No. RG16823879); *Belton v. Satellite Affordable*
25 *Housing Associates* (Case No. RG17885127).

26 38. Mr. Crawford devoted 157 hours to this case. The following is a summary of his tasks and
27 activities performed in the litigation of this matter: draft notice to the LWDA, discussions with
28 Plaintiff throughout case, discussions and emails with Defense Counsel throughout case,

1 interoffice discussions throughout case, draft and propound discovery on Defendants, review
2 and analyze documents produced in case and create documents summary of key documents,
3 draft joint case management statements, attend case management conferences, assist in
4 drafting mediation brief, prepare for and attend mediation, draft and revise long-form
5 settlement agreement, discuss terms of settlement agreement, obtain bids from settlement
6 administrators, draft stipulation to consolidate cases, draft motion for preliminary approval and
7 supporting documents, communicate with the settlement administrator throughout the
8 administration process, review weekly reports from settlement administrator, and draft motion
9 for final approval and supporting documents.

10 39. Mr. Crawford's hourly rate is \$600. Based on his hourly rate and the hours expended 157, his
11 fee is \$94,200 which is reasonable and necessary to the successful litigation of this matter.

12 40. As Class Counsel's lodestar fee is in excess of their fee request, a multiplier on their lodestar
13 fee is not sought herein.

14 41. My firm seeks reimbursement of litigation costs and expenses of \$14,827.58.

15 42. Class Counsel seeks reimbursement of the litigation costs and expenses of \$14,901.58
16 (originally estimated not to exceed \$30,000). These costs were all reasonable and necessary to
17 the prosecution of this case and the results achieved and are fair, and reasonable.

18 43. In addition, Plaintiff agreed to a general release of his claims against Defendant in exchange
19 for the \$7,500 Class Representative Payment. Courts routinely approve service payments, or
20 incentive awards, to compensate a named plaintiff for the services he or she provides and the
21 risks he or she incurs during class litigation. Courts have regularly and routinely granted
22 approval of settlements containing such enhancements. In my experience, the typical
23 enhancement award in wage and hour class action settlements ranges from \$5,000 to \$75,000.
24 Very commonly there is more than one class representative who receives an award in the
25 above range.

26 44. The proposed settlement is the product of serious, informed, non-collusive negotiations, has
27 no obvious defects, does not improperly grant preferential treatment to the class representative
28 or segments of the class and falls within the range of fair and reasonable settlements. I believe

1 that this non-reversionary settlement is in the best interests of the class as fair, reasonable, and
2 adequate. Therefore, I recommend approval of the settlement.

3 45. A true and correct copy of the Summary of Time and Costs is attached hereto as **Exhibit 1**.

4 46. A true and correct copy of Westlaw Court Express's Legal Billing Report, Volume 14,
5 Number 3, California Region for December 2012 is attached hereto as **Exhibit 2**.

6 47. A true and correct copy of the 2014 Declaration of Richard Pearl in *Hohnbaum v. Brinker*
7 *Restaurant Corp.* SDSC GIC834348 is attached hereto as **Exhibit 3**.

8 48. A true and correct copy of the 2012 National Law Journal Survey of Hourly Billing Rates for
9 Partners and Associates is attached hereto as **Exhibit 4**.

10 49. A true and correct copy of the Joint Stipulation and Settlement Agreement is attached hereto
11 as **Exhibit 5**.

12 50. A true and correct copy of the filing receipt from Plaintiff's upload of his final approval
13 motion and supporting documents to the LWDA's website is attached as **Exhibit 6**.

14 51. A true and correct copy of the confirmation that the upload of Plaintiff's final approval motion
15 was received by the LWDA is attached as **Exhibit 7**.

16 I hereby declare under penalty of perjury under the laws of the State of California that the
17 foregoing is true and correct.

1 I, RICHARD M. PEARL, hereby declare the following:

2 1. I am a member in good standing of the California State Bar. I am in
3 private practice as the principal of my own law firm, the Law Offices of Richard
4 M. Pearl, in Berkeley, California. I specialize in issues related to court-awarded
5 attorneys' fees, including the representation of parties in fee litigation and
6 appeals, serving as an expert witness, and serving as a mediator and arbitrator in
7 disputes concerning attorneys' fees and related issues. In this case, I have been
8 asked by Plaintiffs' counsel to render my opinion on the reasonableness of the
9 hourly rates they are requesting in this matter. I make this Declaration in Support
10 of Plaintiffs' Motion for Award of Reasonable Attorneys' Fees.

11 **Professional Background**

12 1. Briefly summarized, my background is as follows: I am a 1969
13 graduate of Boalt Hall School of Law, University of California, Berkeley,
14 California. I took the California Bar Examination in August 1969 and passed it in
15 November of that year, but because I was working as an attorney in Atlanta,
16 Georgia for the Legal Aid Society of Atlanta (LASA), I was not admitted to the
17 California Bar until January 1970. I worked for LASA until summer of 1971,
18 when I then went to work in California's Central Valley for California Rural Legal
19 Assistance, Inc. (CRLA), a statewide legal services program. From 1977 to 1982,
20 I was CRLA's Director of Litigation, supervising more than fifty attorneys. In
21 1982, I went into private practice, first in a small law firm, then as a sole
22 practitioner. Martindale Hubbell rates my law firm "AV." I also have been
23 selected as a Northern California "Super Lawyer" in Appellate Law for 2005,
24 2006, 2007, 2008, 2010, 2011, 2012, 2013, and 2014. A copy of my current
25 Resume is attached hereto as Exhibit A.

26 2. Since 1982, my practice has been a general civil litigation and
27 appellate practice, with an emphasis on cases and appeals involving court-awarded
28 attorneys' fees. I also am the author of *California Attorney Fee Awards* (3d ed.

1 Cal. CEB 2010) and its February 2011, 2012, 2013, and March 2014 Supplements,
2 as well as all its previous editions and annual supplements. California appellate
3 courts have cited this treatise on more than 35 occasions. *See, e.g., Graham v.*
4 *DaimlerChrysler Corp.* (2004) 34 Cal.4th 553, 576, 584; *Lolley v. Campbell* (2002)
5 28 Cal.4th 367, 373; *Chacon v. Litke* (2010) 181 Cal.App.4th 1234, 1259; *Syers*
6 *Properties III, Inc. v. Rankin* (2014) 226 Cal.App.4th 691, 698, 700. I also have
7 lectured and written extensively on court-awarded attorneys' fees. I have been a
8 member of the California State Bar's Attorneys' Fees Task Force and have
9 testified before the State Bar Board of Governors and the California Legislature on
10 attorneys' fee issues. In addition, I authored a federal manual on attorneys' fees
11 entitled *Attorneys' Fees: A Legal Services Practice Manual*, published by the
12 Legal Services Corporation. I also co-authored the chapter on "Attorney Fees" in
13 Volume 2 of CEB's *Wrongful Employment Termination Practice*, 2d Ed. (1997).

14 3. More than 90% of my practice is devoted to issues involving court-
15 awarded attorneys' fees. I have been counsel in over 180 attorneys' fee
16 applications in state and federal courts, primarily representing other attorneys. I
17 also have briefed and argued more than 40 appeals, at least 25 of which have
18 involved attorneys' fees issues. I have successfully handled five cases in the
19 California Supreme Court involving court-awarded attorneys' fees: (1) *Maria P. v.*
20 *Riles* (1987) 43 Cal.3d 1281, a landmark early decision on the scope of California
21 Code of Civil Procedure section 1021.5; (2) *Delaney v. Baker* (1999) 20 Cal.4th
22 23, which held that heightened remedies, including attorneys' fees, are available in
23 suits against nursing homes under California's Elder Abuse Act; (3) *Ketchum v.*
24 *Moses* (2001) 24 Cal.4th 1122, which held, *inter alia*, that contingent risk
25 multipliers remain available under California attorney fee law, despite the United
26 States Supreme Court's contrary ruling on federal law (note that in *Ketchum*, I was
27 primary appellate counsel in the Court of Appeal and "second chair" in the
28 Supreme Court); (4) *Flannery v. Prentice* (2001) 26 Cal.4th 572, which held that in

1 the absence of an agreement to the contrary, statutory attorneys' fees belong to the
2 attorney whose services they are based upon; and (5) *Graham v. DaimlerChrysler*
3 *Corp.* (2004) 34 Cal.4th 553, which held, *inter alia*, that the "catalyst" theory was
4 still valid under California law despite federal Supreme Court authority to the
5 contrary. I also represented and argued on behalf of *amicus curiae* in
6 *Conservatorship of McQueen* (2014) 59 Cal.4th 602, and, along with Richard
7 Rothschild, filed an *amicus curiae* brief in *Vasquez v. State of California* (2009) 45
8 Cal.4th 243. I also have handled numerous other appeals involving attorney's fees,
9 including: *Davis v. City & County of San Francisco* (9th Cir. 1992) 976 F.2d 1536;
10 *Mangold v. CPUC* (9th Cir. 1995) 67 F.3d 1470; *Moore v. Bank of America* (9th
11 Cir. 2007) 245 Fed.Appx. 613; *Velez v. Wynne* (9th Cir. 2007) 2007
12 U.S.App.LEXIS 2194; *Camacho v. Bridgeport Financial, Inc.* (9th Cir. 2008) 523
13 F.3d 973; *Center for Biological Diversity v. County of San Bernardino* (2010) 185
14 Cal.App.4th 866; and *Environmental Protection Information Center v. California*
15 *Dept. of Forestry & Fire Protection et al* (2010) 190 Cal.App.4th 217. For an
16 expanded list of my representative decisions, see Exhibit A.

17 4. I also have been retained by various governmental entities, including
18 the State of California, at my then current rates to consult with them regarding their
19 affirmative attorney fee claims.

20 5. I am frequently called upon to opine about the reasonableness of
21 attorneys' fees, and numerous federal and state courts have cited my testimony on
22 that issue favorably. The reported cases referencing my testimony include the
23 following California appellate courts: *Laffite v. Robert Half Int'l* (2014)
24 __Cal.App.4th __, 2014 Cal.App.LEXIS 1059; *In re Tobacco Cases I* (2013) 216
25 Cal.App.4th 570; *Heritage Pacific Financial LLC v. Monroy* (2013) 215
26 Cal.App.4th 972, 1009; *Children's Hospital & Medical Center v. Bonta* (2002) 97
27 Cal.App.4th 740; *Wilkinson v. South City Ford* (2010) 2010 Cal.App.Unpub.
28 LEXIS 8680; *Church of Scientology v. Wollersheim* (1996) 42 Cal.App.4th 628

(anti-SLAPP case). My declaration also has been favorably referenced by the following federal courts: *Prison Legal News v. Schwarzenegger* (9th Cir. 2010) 608 F.3d 446, 455, in which the expert declaration referred to in that opinion is mine; *Antoninetti v. Chipotle Mexican Grill, Inc.* (9th Cir. 2012) Order filed Dec. 26, 2012; *In re TFT-LCD (Flat Panel) Antitrust Litigation* (N.D.Cal. 2013) No. M 07-1827 SI, MDL, No. 1827, Report and Recommendation of Special Master re Motions for Attorneys' Fees etc., filed Nov. 9, 2012, adopted in relevant part, 2013 U.S.Dist.LEXIS 49885; *Rosenfeld v. United States Dept. of Justice* (N.D. Cal. 2012) 904 F.Supp.2d 988; *Stonebrae v. Toll Bros.* (N.D. Cal. 2011) 2011 U.S.Dist.LEXIS 39832, at *9 (thorough discussion), *aff'd* (9th Cir. 2013) 2013 U.S.App.LEXIS 6369; *Hajro v. United States Citizenship & Immigration Service* (N.D.Cal 2012) 900 F.Supp.2d 1034, 1054; *Armstrong v. Brown* (N.D. Cal. 2011) 2011 U.S.Dist.LEXIS 87428; *Californians for Disability Rights, Inc. v. City of Petaluma* (N.D. Cal. 2002) 2002 U.S.Dist.LEXIS 8635, *aff'd* (9th Cir. 2003) 2003 U.S.App.LEXIS 11371; *Bancroft v. Trizechahn Corp.*, C.D. Cal. No. CV 02-2373 SVW (FMOx), Order Granting Reasonable Attorneys' Fees etc., filed Aug. 14, 2006; *Willoughby v. DT Credit Corp.*, C.D. Cal. No. CV 05-05907 MMM (Cwx), Order Awarding Reasonable Attorneys' Fees After Remand, filed July 17, 2006; *A.D. v. California Highway Patrol* (N.D.Cal. 2009) 2009 U.S.Dist.LEXIS 110743, *rev's'd on other grounds* (9th Cir. 2013) 712 F.3d 446, *reaffirmed and additional fees awarded on remand* at 2013 U.S.Dist.LEXIS 169275; *National Federation of the Blind v. Target Corp.* (N.D.Cal. 2009) 2009 U.S.Dist.LEXIS 67139. In addition, numerous trial courts have relied upon my testimony in unpublished fee orders.

6. I also have extensive experience litigating the merits of class actions, including numerous housing, government benefits, and consumer class actions.

1 See, e.g., *Employment Dev. Dept. v. Superior Court (Boren)* (1981) 30 Cal.3d 256.

2 I also have represented Class Counsel on their fee requests in numerous highly-
3 contested class actions, including *Davis v. City & County of San Francisco, supra*,
4 *Duran v. First National Bank*, Alameda County Superior Court No. 2001-035537,
5 and *Molina, et al. v. Lexmark International, et al.*, Los Angeles County Superior
6 Court No. BC339177.

7 7. In this matter, I have reviewed several documents from the underlying
8 litigation and fee motion, including the entire Motion for Preliminary Approval, as
9 well as the declarations of Plaintiffs' principal counsel filed in support of the
10 instant motion. I also have discussed the case with class counsel Julie Corbo-
11 Ridley.

12 **PLAINTIFFS' ATTORNEYS' HOURLY RATES ARE**
13 **REASONABLE**

14 8. Through my writing and practice, I have become knowledgeable
15 about the non-contingent market rates charged by attorneys in California and
16 elsewhere. I have obtained this knowledge in several ways: (1) by handling
17 attorneys' fee litigation; (2) by preparing expert declarations in numerous cases;
18 (3) by discussing fees with other attorneys; (4) by obtaining declarations regarding
19 prevailing market rates in cases in which I represent attorneys seeking fees; and (5)
20 by reviewing attorneys' fee applications and awards in other cases, as well as
21 surveys and articles on attorneys' fees in the legal newspapers and treatises.

22 9. I am aware of the hourly rates being requested by Plaintiffs' attorneys
23 in this case, their experience and qualifications, the nature of the work performed,
24 and the results achieved. Under California law, Plaintiff's attorneys are entitled to
25 their requested rates if those rates are "within the range of reasonable rates charged
26 by and judicially awarded comparable attorneys for comparable work." *Children's*
27 *Hosp. & Med. Ctr. v. Bonta [CHMC]* (2002) 97 Cal.App.4th 740, 783. In my
28 opinion, the information about non-contingent hourly rates I have gathered, some

1 of which is summarized below, shows that the rates requested by Plaintiffs'
2 counsel in this matter are well within the range of the non-contingent market rates
3 charged by California and San Diego attorneys of reasonably comparable
4 experience, skill, and expertise for reasonably comparable services. I base that
5 opinion in large part on the following data:

6 **Court Awards**

7 10. Several of the Plaintiffs' law firms have had the hourly rates requested
8 here, or their equivalent rates in prior years, approved by the courts in other class
9 actions. For example, Hurst & Hurst's rates were found reasonable in *Serochi v.*
10 *Bosa Development California II, Inc., et al.*, San Diego Superior Court Case No.:
11 37-2009-00096686-CU-BT-CTL. Similarly, Ms. Lorens's 2012 rate of \$795/hour
12 was approved in November 2012 in *Hoch v. Rockin' Baja Coastal Cantina, et al.*,
13 San Diego Superior Court Case No. 37-2012-00095176-CU-OE-CTL/*Mojica v.*
14 *Rockin' Baja Coastal Cantina, et al.*, San Diego Superior Court Case No. 37-2012-
15 00091490-CU-OE-CTL. This is highly probative evidence of the reasonableness
16 of their rates in subsequent reasonably similar cases.

17 11. Counsel's rates are also consistent with the following court awards
18 from the Southern District of California¹:

19 (1) In *Hartless v. Clorox*, 273 F.R.D. 630, 644 (S.D. Cal. 2011), the
20 Court found, *inter alia*, that class counsel's requested rates were consistent with
21 the hourly rates found reasonable in numerous other class actions and with rates
22 charged by other firms in the San Diego area, including rates of \$795 per hour for a
23 25-year attorney and \$675 per hour for an experienced partner. 273 F.R.D. at 644.

24
25 ¹ In my experience, for purposes of the hourly rates charged and found reasonable by the courts,
26 the differences between types of class actions (i.e. wage and hour class actions versus consumer
27 class actions) are not significant, either factually or legally. See, e.g., *Heritage Pacific Financial,*
28 *LLC v. Monroy*, 215 Cal.App.4th 972, 1009 (2013); *Camacho v. Bridgeport Financial, Inc.*, 523
F.3d 973, 979 (9th Cir. 2008).

1 Given the rate increases that have occurred over the ensuing three years, counsel's
2 rates here are certainly within the same range.

3 (2) In *Shames v. Hertz Corp.*, 2012-2 Trade Case. (CCH) ¶78,120 (S.D.
4 Cal. 2012), the Court, relying on *Hartless*, found that plaintiffs' San Diego
5 Counsel there were comparable in skill and experience to the attorneys whose rates
6 were found reasonable in *Hartless*. At *59-61.

7 (3) In *Briarwood Capital LLC v. HCC Investors LLC*, San Diego
8 Superior Court No. GIC877446, on March 30, 2011, the court (Judge William R.
9 Nevitt Jr.) found that the 2009 hourly rates charged by the San Diego office of
10 Bernstein Litowitz Berger & Grossman LLP -- \$725 for partners, \$490-550 for
11 associates -- were reasonable.

12 (4) Similarly, in the same case, the court found that the 2009 rates
13 charged by the Century City office of O'Melveny & Myers LLP, including rates of
14 \$860-950 for a 36-37 year attorney and \$700-710 for 16-18 year attorneys also
15 were reasonable for San Diego litigation. Again, given the rate increases that have
16 occurred over the past three years, Plaintiffs' attorneys' current rates here are in the
17 same range as those found reasonable in *Briarwood Capital*.

18 (5) In *Atlas v. Accredited Home Lenders Holdings, Co.* Case No. 07-
19 CV-488-H-CAB (S.D. Cal. 2009), the court (Judge Marilyn Huff) found the 2009
20 rates charged by Bernstein Litowitz's San Diego office reasonable. Again, those
21 rates ranged from \$490 to \$550 for associates, and \$725 for a partner.

22 (6) In *In re Virgil's Tours*, Case No. 08-30659 (Bank. N.D. Cal. 2008),
23 the court found reasonable the 2008 rates requested by Morrison & Foerster LLP's
24 San Diego office. Those rates ranged from \$600 to \$675 for partners, from \$350 to
25 \$485 for associates, and from \$220 to \$245 for paralegals.

26 (7) In *Qualcomm, Inc. v. Broadcom, Inc.* Case No. 05-CV-1958-B,
27 2008 WL 2705161 (S.D. Cal. 2008), the court found the 2007 hourly rates
28 requested by Wilmer Cutler, Pickering, Hale & Dorr LLP reasonable for San

1 Diego-based litigation. Those rates ranged from \$45 to \$300 for staff and
2 Paralegals, from \$275 to \$505 for associates and counsel, and from \$435 to \$850
3 for partners.

4 12. In addition to local courts, the following hourly rates have been
5 found reasonable by various California courts for reasonably similar services:

6 **2014**

7 (1) *IPVX Patent Holdings, Inc. v. Voxernet LLC*, N.D. Cal. No.

Rate Information from Surveys

12. I also base my opinion on several credible surveys of legal rates, including the following:

- The 2014 *Laffey Matrix* is a survey of District of Columbia hourly rates that is often relied upon in other jurisdictions, with appropriate adjustments for differences in income levels, to determine reasonable hourly rates. See, e.g., *Syers Properties III, Inc. v. Rankin* (2014) 226 Cal.App.4th 691, 695. A copy of that survey is attached hereto as Exhibit B. It shows that for attorneys with 20+ years out of law school, the prevailing market in the period between June 1, 2013, and May 31, 2014 was \$771 per hour. For lawyers with 11-19 years out of law school, the prevailing rate for the same period was \$640 per hour. The difference in the Local Pay Tables for the Washington D.C. area and the San Diego-Carlsbad-San Marcos areas are de minimis -- .03%.

- 1 • On January 13, 2014, the National Law Journal published an article
2 about its most recent rate survey. That article included a chart listing
3 the billing rates of the 50 firms that charge the highest average hourly
4 rates for partners. A true and correct copy of that article is attached
5 hereto as Exhibit C. Of the 50 firms listed, several have offices in the
6 San Diego area and many others have significant litigation experience
7 in this area. And, although the rates that Plaintiffs' counsel are
8 requesting here are significantly *lower* than many of the rates charged
9 by the top 50 firms, the NLJ chart does show the *range* of rates
10 charged for similar services, which *is* the applicable standard. *See*
11 *CHMC*, 97 Cal.App.4th at 783.
- 12 • In an article entitled "On Sale: The \$1,150-Per Hour Lawyer,"
13 written by Jennifer Smith and published in the Wall Street Journal on
14 April 9, 2013, the author describes the rapidly growing number of
15 lawyers billing at \$1,150 or more revealed in public filings and major
16 surveys. A true and correct copy of that article is attached hereto as
17 Exhibit D. The article also notes that in the first quarter of 2013, the
18 50 top-grossing law firms billed their partners at an *average* rate
19 between \$879 and \$882 per hour.
- 20 • In an article published April 16, 2012, the Am Law Daily described
21 the 2012 Real Rate Report, an analysis of \$7.6 billion in legal bills
22 paid by corporations over a five-year period ending in December
23 2011. A true and correct copy of that article is attached hereto as
24 Exhibit E. That article confirms that the rates charged by experienced
25 and well-qualified attorneys have continued to rise over the five-year
26 period between 2006 and 2011, particularly in large urban areas. It
27 also shows, for example, that the top quartile of lawyers bill at an
28 *average* of "just under \$900 per hour."

7 13. The declaration of San Diego attorneys Vincent J. Bartolotta and
8 Timothy Blood, filed with this motion, also support the rates requested here. All of
9 this evidence shows that Plaintiffs' requested rates are well within the range of
10 rates charged in this forum by comparably qualified and experienced attorneys for
11 comparably difficult work.

12 14. In my experience, fee awards are almost always determined based on
13 current rates, *i.e.*, the attorney's rate at the time a motion for fees is made, rather
14 than the historical rate at the time the work was performed. This is a common and
15 accepted practice to compensate attorneys for the delay in being paid. The hourly
16 rates set forth above are those charged where full payment is expected promptly
17 upon the rendition of the billing and without consideration of factors other than
18 hours and rates. If any substantial part of the payment were to be deferred for any
19 substantial period of time, for example, the fee arrangement would be adjusted
20 accordingly to compensate the attorneys for those factors.

21 15. If called as a witness, I could and would competently testify from my
22 personal knowledge to the facts stated herein. I declare under penalty of perjury
23 that the foregoing is true and correct. Executed this 25th day of November 2014, in
24 Berkeley, California.

The methodology of calculation and benchmarking for this Updated Laffey Matrix has been approved in a number of cases. See, e.g., McDowell v. District of Columbia, Civ. A. No. 00-594 (RCL), LEXSEE 2001 U.S. Dist. LEXIS 8114 (D.D.C. June 4, 2001); Salazar v. Dist. of Col., 123 F.Supp.2d 8 (D.D.C. 2000).

* "Years Out of Law School" is calculated from June 1 of each year, when most law students graduate. "1-3" includes an attorney in his 1st, 2nd and 3rd years of practice, measured from date of graduation (June 1). "4-7" applies to attorneys in their 4th, 5th, 6th and 7th years of

practice. An attorney who graduated in May 1996 would be in tier "1-3" from June 1, 1996 until May 31, 1999, would move into tier "4-7" on June 1, 1999, and tier "8-10" on June 1, 2003.

Section: NLJ'S **BILLING SURVEY**; Pg. 1; Vol. 36; No. 20

Length: 1860 words

Byline: KAREN SLOAN

Body

As recently as five years ago, law partners charging \$1,000 an hour were outliers. Today, four-figure hourly rates for in-demand partners at the most prestigious firms don't raise eyebrows-and a few top earners are closing in on \$2,000 an hour.

These rate increases come despite hand-wringing over price pressures from clients amid a tough economy. But ever-rising standard billing rates also obscure the growing practice of discounts, falling collection rates, and slow march toward alternative fee arrangements.

Nearly 20 percent of the firms included in The National Law Journal's annual survey of large law firm billing rates this year had at least one partner charging more than \$1,000 an hour. Gibson, Dunn & Crutcher partner Theodore Olson had the highest rate recorded in our survey, billing \$1,800 per hour while representing mobile satellite service provider LightSquared Inc. in Chapter 11 proceedings.

Of course, few law firm partners claim Olson's star power. His rate in that case is nearly the twice the \$980 per hour average charged by Gibson Dunn partners and three times the average \$604 hourly rate among partners at NLJ 350 firms. Gibson Dunn chairman and managing partner Ken Doran said Olson's rate is "substantially" above that of other partners at the firm, and that the firm's standard rates are in line with its peers.

"While the majority of Ted Olson's work is done under alternative billing arrangements, his hourly rate reflects his stature in the legal community, the high demand for his services and the unique value that he offers to clients given his extraordinary experience as a former solicitor general of the United States who has argued more than 60 cases before the U.S. Supreme Court and has counseled several presidents," Doran said.

In reviewing billing data this year, we took a new approach, asking each firm on the NLJ 350-our survey of the nation's 350 largest firms by attorney headcount-to provide their highest, lowest and average billing rates for associates and partners. We supplemented those data through public records. All together, this year's survey includes information for 159 of the country's largest law firms and reflects billing rates as of October.

The figures show that, even in a down economy, hiring a large law firm remains a pricey prospect. The median among the highest partner billing rates reported at each firm is \$775 an hour, while the median low partner rate is \$405. For associates, the median high stands at \$510 and the low at \$235. The average associate rate is \$370.

Multiple industry studies show that law firm billing rates continued to climb during 2013 despite efforts by corporate counsel to rein them in. TyMetrix's 2013 Real Rate Report Snapshot found that the average law firm billing rate increased by 4.8 percent compared with 2012. Similarly, the Center for the Study of the Legal Profession at the Georgetown University Law Center and Thomson Reuters Peer Monitor found that law firms increased their rates by an average 3.5 percent during 2013.

Richard Pearl

\$1,000 Per Hour Isn't Rare Anymore; Nominal billing levels rise, but discounts ease blow.

Of course, rates charged by firms on paper don't necessarily reflect what clients actually pay. Billing realization rates-which reflect the percentage of work billed at firms' standard rates- have fallen from 89 percent in 2010 to nearly 87 percent in 2013 on average, according to the Georgetown study. When accounting for billed hours actually collected by firms, the realization rate falls to 83.5 percent.

"What this means, of course, is that- on average-law firms are collecting only 83.5 cents for every \$1.00 of standard time they record," the Georgetown report reads. "To understand the full impact, one need only consider that at the end of 2007, the collected realization rate was at the 92 percent level."

In other words, law firms set rates with the understanding that they aren't likely to collect the full amount, said Mark Medice, who oversees the Peer Monitor Index. That index gauges the strength of the legal market according to economic indicators including demand for legal services, productivity, rates and expenses. "Firms start out with the idea of, 'I want to achieve a certain rate, but it's likely that my client will ask for discounts whether or not I increase my rate,'" Medice said.

Indeed, firms bill nearly all hourly work at discounts ranging from 5 percent to 20 percent off standard rates, said Peter Zeughauser, a consultant with the Zeughauser Group. Discounts can run as high as 50 percent for matters billed under a hybrid system, wherein a law firm can earn a premium for keeping costs under a set level or for obtaining a certain outcome, he added. "Most firms have gone to a two-tier system, with what is essentially an aspirational rate that they occasionally get and a lower rate that they actually budget for," he said.

Most of the discounting happens at the front end, when firms and clients negotiate rates, Medice said. But additional discounting happens at the billing and collections stages. Handling alternative fee arrangements and discounts has become so complex that more than half of the law firms on the Am Law 100-NLJ affiliate The American Lawyer's ranking of firms by gross revenue-have created new positions for pricing directors, Zeughauser said.

THE ROLE OF GEOGRAPHY

Unsurprisingly, rates vary by location. Firms with their largest office in New York had the highest average partner and associate billing rates, at \$882 and \$520, respectively. Similarly, TyMetrix has reported that more than 25 percent of partners at large New York firms charge \$1,000 per hour or more for contracts and commercial work.

Washington was the next priciest city on our survey, with partners charging an average \$748 and associates \$429. Partners charge an average \$691 in Chicago and associates \$427. In Los Angeles, partners charge an average \$665 while the average associate rate is \$401.

Pricing also depends heavily on practice area, Zeughauser and Medice said. Bet-the-company patent litigation and white-collar litigation largely remain at premium prices, while practices including labor and employment have come under huge pressure to reduce prices.

"If there was a way for law firms to hold rates, they would do it. They recognize how sensitive clients are to price increases," Zeughauser said. But declining profit margins-due in part to higher technology costs and the expensive lateral hiring market-mean that firms simply lack the option to keep rates flat, he said.

BILLING SURVEY METHODOLOGY

The National Law Journal's survey of billing rates of the largest U.S. law firms provides the high, low and average rates for partners and associates.

The NLJ asked respondents to its annual survey of the nation's largest law firms (the NLJ 350) to provide a range of hourly billing rates for partners and associates as of October 2013.

For firms that did not supply data to us, in many cases we were able to supplement billing-rate data derived from public records.

In total, we have rates for 159 of the nation's 350 largest firms.

Rates data include averages, highs and low rates for partners and associates. Information also includes the average full-time equivalent (FTE) attorneys at the firm and the city of the firm's principal or largest office.

We used these data to calculate averages for the nation as a whole and for selected cities.

When It Comes to Billing, Latest Rate Report Shows the Rich Keep Getting Richer

Posted by Sara Randazzo

Hourly rates just keep rising—and the best-paid lawyers are raising their rates faster than everyone else.

Those are two of the key findings contained in the [2012 Real Rate Report](#), an analysis of \$7.6 billion in legal bills paid by corporations over a five-year period ending in December 2011. The report, released Monday, is the second such collaboration between TyMetrix, a company that manages and audits

legal bills for corporate legal departments, and the Corporate Executive Board.

Many of the new rate report's findings echo those contained in the 2010 study, including the fact that rates keep going up, almost across the board, and that the cost of a given matter can vary dramatically depending on a law firm's size and location and its relationship with a particular client.

At the same time, this year's study shows that the legal sector is becoming increasingly bifurcated, with top firms raising rates faster than those at the bottom of the market and large firms charging a premium price based purely on their size.

"What it's really showing is that there's an increased premium being paid for experience and expertise," says Julie Peck, vice president of strategy and market development at TyMetrix. "Some parts of the lawyer market are able to raise rates much more quickly, and are more impervious to economic forces than others."

To compile the current rate report, TyMetrix received permission from its clients to examine legal fees billed to 62 companies across 17 industries including energy, finance, retail, technology, insurance, and health care. The bills, which represent the amount actually paid by the companies in question rather than the amount initially charged, came from more than 4,000 firms in 84 metropolitan areas around the country. Every firm on the 2011 Am Law 100 is represented in the data.

The report's key data points include:

A Widening Gap: Hourly rates charged by lawyers in the legal sector's upper echelon grew faster between 2009 and 2011 than those charged by lawyers toiling on the lower rungs. Particularly striking was the jump in associate rates billed by those falling in the report's top quartile: 18 percent on average, to just over \$600 per hour. Rates billed by top quartile partners, meanwhile, rose 8 percent, to just under \$900 per hour. In the bottom quartile, associate rates rose 4 percent and partner rates rose 3 percent during the same period.

The Recession's (Minor) Toll: Even amid the economic downturn, the cost of an hour of a lawyer's time continued to rise faster than key measures of inflation. That said, the legal industry wasn't completely immune to the broader economy's slowdown. After rising 8.2 percent between 2007 and 2008, hourly rates rose just 2.3 percent in 2009. Law firms bounced back a bit last year, with rates climbing 5.1 percent, to an average of \$530 an hour.

Location Counts: Not surprisingly, lawyers working in major metropolitan areas—where, as the rate report notes, rents are typically higher—are the priciest. An address in Boston, Chicago, Los Angeles, San Francisco, or Washington, D.C., alone adds about \$161 to the hourly rate charged by an individual lawyer. Those six cities and Baltimore, Houston, Philadelphia, and San Jose are the ten U.S. markets with the highest hourly rates. With an average partner rate topping \$700 per hour and average associate rate of more than \$450 per hour, New York is the most expensive market in the country. The least expensive? Riverside, California, where the average partner bills at under \$250 per hour and associates bill at just over \$300 an hour.

In the Minority: A small group of lawyers—12 percent—bucked the trend toward higher fees and actually lowered rates between 2009 to 2011—and 3 percent trimmed rates by \$50 or more per hour. (Most of those in the rate-cutting camp were based outside the big six markets identified above.) At the other end of the spectrum, 52 percent of lawyers increased rates by between \$25 and \$200 or more per hour. Another 18 percent increased rates by less than \$25 per hour, and the final 18 percent held rates steady.

First-Year Blues: Even before the recession hit, clients balked at paying for what they considered on-the-job training for first-year associates. The latest rate report is likely to reinforce that reluctance, given its finding that using entry-level lawyers adds as much as 20 percent to the cost of a legal matter. The report offers evidence that firms may be accommodating clients on this front: The percentage of bills attributed to entry-level associates dropped from 7 percent in 2009 to 2.9 percent last year.

Ties That Bind: The more work one firm handles for a client—and the longer the client relationship extends—the higher the average rate the firm charges. For companies that paid one firm \$10 million or more in a single year, the average hourly rate paid was \$553 in 2011. By comparison, clients that limited their spending on an individual firm to \$500,000 paid that firm an average of \$319 per hour.

Four-Digit Frontier: Data has consistently shown that many lawyers hesitate to charge more than \$1,000 an hour, and in 2011 just under 3 percent of the lawyers covered by the rate report had broken that barrier. Of those, the vast majority were working in the six main legal markets identified above and 60 percent of the time, they billed in increments of one hour or less.

Playing Favorites: Across all practice areas, 90 percent of lawyers charged different clients different rates for similar types of work. (The figure for mergers and acquisitions lawyers was 100 percent.) The differences from client to client can be extreme, and were even more pronounced in the current report than in the 2010 edition. Rates charged by intellectual property specialists, for instance, had a median variance of 23.1 percent, while lawyers doing commercial and contract work showed a 18.7 percent median difference.

Who's Doing What? A closer look at law firm bills for work performed on litigation and intellectual property assignments shows that the kind of timekeeper billing on a matter varies by practice type. On patent matters, the report shows, 47 percent of hours billed on average are attributed to paralegals, and 37 percent by partners. By comparison, paralegals account for just 8 percent of the work done on labor and employment litigation hours, while partners handle 45 percent.

Top partners at leading U.S. law firms are charging more than ever — routinely \$1,150 or more an hour — but after discounts and write-offs the nosebleed rates aren't all they appear to be. Jennifer Smith reports. Photo: Getty Images.

Having blown past the once-shocking price tag of \$1,000 an hour, some sought-after deal, tax and trial lawyers are commanding hourly fees of \$1,150 or more, according to an analysis of billing rates compiled from public filings.

But, as law firms boost their standard rates, many are softening the blow with widespread discounts and write-offs, meaning fewer clients are paying full freight. As a result, law firms on

average are actually collecting fewer cents on the dollar, compared with their standard, or "rack," rates, than they have in years.

Think of hourly fees "as the equivalent of a sticker on the car at a dealership," said legal consultant Ward Bower, a principal at Altman Weil Inc. "It's the beginning of a negotiation.... Law firms think they are setting the rates, but clients are the ones determining what they're going to pay."

James Kobaczewski

the firm's database billed at that level in the first quarter of 2013, up from 158 a year earlier.

Star lawyers still can fetch a premium, and some of them won't budge on price. The number of partners billing \$1,150-plus an hour has more than doubled since this time last year, according to Valeo Partners, a consulting firm that maintains a database of legal rates pulled from court filings and other publicly disclosed information. That glided circle includes tax experts such as Christopher Roman of King & Spalding LLP and Todd Maynes of Kirkland & Ellis LLP, intellectual-property partner Nader A. Mousavi of Sullivan & Cromwell LLP, and deal lawyers such as Kenneth M. Schneider of Paul, Weiss, Rifkind, Wharton & Garrison LLP.

Those lawyers and their firms either declined to comment or didn't reply to requests for comment.

When corporate legal departments need a trusted hand to fend off a hostile takeover or win a critical court battle, few general counsels will nitpick over whether a key lawyer is charging \$900 an hour or \$1,150 an hour. But for legal matters where their future isn't on the line, companies are pushing for—and winning—significant price breaks.

"We almost always negotiate rates down from the rack rates," said Randal S. Milch, general counsel for phone giant Verizon Communications Inc. [VZ +0.29%] The result, he said, is a "not-insignificant discount."

For the bread-and-butter work that many big law firms rely on, haggling has become the norm. Many clients grew accustomed to pushing back on price during the recession and continue to demand discounts.

Some companies insist on budgets for their legal work. If a firm billing by the hour exceeds a set cap, lawyers may have to write off some of that time.

Other clients refuse to work with firms who don't discount, lopping anywhere from 10% to 30% off their standard rates. Some may grant rate increases to individual partners or associates they deem worthy. Another tactic: locking in prices with tailored multiyear agreements with formulas governing whether clients grant or refuse a requested rate increase.

In practical terms, that means the gap between law firms' sticker prices and the amount of money they actually bill and collect from their clients is wider than it has been in years.

According to data collected by Thomson Reuters Peer Monitor, big law firms raised their average standard rate by about 9.3% over the past three years. But they weren't able to keep up on the collection side, where the increase over the same period was just 6%. Firms that used to collect on average about 92 cents for every dollar of standard time their lawyers worked in 2007, before the economic downturn, now are getting less than 85 cents. "That's a historic low," said James Jones, a senior fellow at the Center for the Study of the Legal Profession at Georgetown Law.

To be sure, things have certainly picked up some since the recession, when some clients flat-out refused to pay rate increases.

In the first quarter of 2013, the 50 top-grossing U.S. law firms boosted their partner rates by as much as 5.7%, billing on average between \$879 and \$882 an hour, according to Valeo Partners. Rates for junior lawyers, whose labors have long been a profit engine for major law firms, jumped even more.

While some clients resisted using associate lawyers during the downturn, refusing to pay hundreds of dollars an hour for inexperienced first- or second-year attorneys, the largest U.S. law firms have managed to send the needle back up again. This year, for the first time, the average rate for associates with one to four years of experience rose to \$500 an hour, according to Valeo.

The increases continue the upward trend of 2012, when legal fees in general rose 4.8% and associate billing rates rose by 7.4%, according to a coming report by TyMetrix Legal Analytics, a unit of Wolters Kluwer, [WKL.AE +0.95%] and CEB, a research and advisory-services company. Those numbers are based on legal-spending data from more than 17,000 law firms.

More than a dozen leaders at major law firms declined to discuss rate increases on the record, though some said privately that the increase in associate rates could be caused in part by step increases as junior lawyers gain in seniority.

Joe Sims, an antitrust partner at Jones Day and former member of the firm's partnership committee, said clients don't mind paying for associates, as long as they feel they are getting their money's worth.

Sophisticated clients, he said, tend to focus on the overall price tag for legal work, not on individual rates. "They are more concerned about how many people are working on the project and the total cost of the project," Mr. Sims said. "Clients want value no matter who is on the job."

While a handful of elite lawyers have successfully staked out the high end—the deal teams at Wachtell, Lipton, Rosen & Katz, for example—legal experts say that client pressure to control legal spending means most law firms must be considerably more flexible on price.

"There will always be some 'bet the company' problem where a client will not quibble about rates," said Mr. Jones, the Georgetown fellow. "Unfortunately, from the law firms' standpoint, that represents a small percentage of the work."

JOINT STIPULATION AND SETTLEMENT AGREEMENT

Subject to final approval by the Court, this settlement agreement is made between Plaintiff Arnold Garcia (hereinafter “Plaintiff”) on behalf of himself and the Class and Defendants McCollister’s Transportation Systems, Inc., McCollister’s Global Services, Inc., and McCollister’s Auto Transport, LLC (hereinafter “Defendants” or “McCollister’s”) (collectively Plaintiff and Defendants are referred to in this Agreement as the “Parties”). This agreement is intended to settle the cases entitled *Arnold Garcia v. McCollister’s Transportation Systems, Inc., et al.* (Alameda County Superior Court, Case No. RG21112345) and *Arnold Garcia v. McCollister’s Transportation Systems, Inc., et al.* (Alameda County Superior Court, Case No. RG21112189) (collectively, “the Complaints” or “Action”).

I. DEFINITIONS

In addition to the other terms defined in this agreement, the terms below have the following meaning:

1. **Administration Costs**: The costs incurred by the Settlement Administrator, Phoenix Class Action Administration Solutions, to administer this Settlement, which shall not exceed \$5,000. All Administration Costs shall be paid from the Gross Settlement Amount. If the actual administration costs are less than the amount allocated in this agreement, or if the Court awards less than the amount requested, the difference in the amount allocated in this agreement and the amount awarded by the Court will become part of the Net Settlement Amount for distribution to Participating Class Members.
2. **Agreement, Settlement Agreement, Joint Stipulation, or Settlement**: The settlement agreement reflected in this document, titled “Joint Stipulation and Settlement Agreement.”
3. **Aggrieved Employees**: All persons who contracted with Defendants as an owner/operator to haul freight, who worked a majority of their time under the contract in California and/or had their base of operations in California, whom Defendants classified as independent contractors, and who drove in California from July 1, 2020 through the date the Court enters an order granting Preliminary Approval, or January 7, 2023 (sixty (60) days after the acceptance of the mediator’s proposal), whichever occurs first.
4. **Attorneys Fee Award**: The amount of attorneys’ fees approved of by the Court and awarded to Class Counsel. This amount shall not exceed 33 1/3% of the Gross Settlement Amount. 33 1/3% of the Gross Settlement Amount is \$133,333.33. The Attorneys Fee Award shall be paid from the Gross Settlement Amount. If the Court awards less than the amount requested, any amount not awarded will become part of the Net Settlement Amount for distribution to Participating Class Members.

5. **Class**: All persons who contracted with Defendants as an owner/operator to haul freight, who worked a majority of their time under the contract in California and/or had their base of operations in California, whom Defendants classified as independent contractors, and who drove in California from September 10, 2017, through the date the Court enters an order granting Preliminary Approval, or January 7, 2023 (sixty (60) days after the acceptance of the mediator's proposal), whichever occurs first.
6. **Class Counsel**: David Mara and Matthew Crawford of Mara Law Firm, PC and Hunter Pyle and John J. Darin of Hunter Pyle Law.
7. **Class Data**: The electronic database Defendants shall deliver to the Settlement Administrator which will list the following information for each Class Member: (1) first and last name; (2) last known mailing address; (3) social security number; and (4) the total number of weeks during which the Class Member performed work during the Class Period. The Class Data shall be based on Defendants' payroll, personnel, and other business records.
8. **Class Member**: Each person eligible to participate in this Settlement who is a member of the Class as defined above.
9. **Class Notices**: The Notice of Class Action Settlement, substantially similar to the form attached hereto as **Exhibit A**, subject to Court approval.
10. **Class Period**: September 10, 2017, through the date the Court enters an order granting Preliminary Approval, or January 7, 2023 (sixty (60) days after the acceptance of the mediator's proposal), whichever occurs first.
11. **Class Representative or Plaintiff**: Arnold Garcia.
12. **Class Representative Enhancement Payment**: The amount the Court awards to Plaintiff, which will not exceed \$7,500. This payment shall be paid from the Gross Settlement Amount. This payment is being offered in consideration for Plaintiff executing a general release of claims against Defendants, a release that is broader than any Participating Class Member will provide in consideration for a settlement share. This payment is also offered in consideration for the Plaintiff's actions in conferring a benefit upon the State of California and the Class, and the time and effort Plaintiff put into pursuing the litigation. If the Court awards less than the amount requested, any amount not awarded will become part of the Net Settlement Amount for distribution to Participating Class Members.
13. **Cost Award**: The amount that the Court orders Defendants to pay Class Counsel for payment of actual litigation costs, which shall not exceed \$30,000. The Cost Award will be paid from the Gross Settlement Amount and will not

be opposed by Defendants. The Cost Award is subject to Court approval. If the actual costs incurred are less than the amount allocated in this Agreement, or if the Court awards less than the amount requested, the difference in the amount allocated in this Agreement and the amount awarded by the Court will become part of the Net Settlement Amount for distribution to Participating Class Members.

14. **Counsel for Defendant:** Lonnie D. Giamela and Victoria H. Shin of Fisher & Phillips LLP.
15. **Court:** Superior Court of California for the County of Alameda.
16. **Defendants:** McCollister's Transportation Systems, Inc., McCollister's Global Services, Inc., and McCollister's Auto Transport, LLC.
17. **Disbursement of the Settlement:** Within ten (10) business days after the Settlement Administrator's receipt of the Gross Settlement Amount, the Settlement Administrator shall disburse: (1) the Net Settlement Amount to be paid to Participating Class Members; (2) the Net PAGA Settlement Amount to Aggrieved Employees; (3) the Attorney Fee Award and Cost Award to Class Counsel for attorneys' fees and costs, as approved by the Court; (4) the Class Representative Enhancement Payment paid to the Class Representative, as approved by the Court; (5) the Administration Costs, as approved by the Court; and (6) the LWDA Payment to the LWDA.
18. **Effective Final Settlement Date:** The effective date of this Settlement will be when the final approval of the settlement can no longer be appealed, or, if there are no objectors and no plaintiffs in intervention at the time the court grants final approval of the settlement, the date the court enters judgment granting final approval of the settlement.
19. **Employer-Side Settlement Payment Taxes:** Defendants' portion of payroll taxes that shall be owed under this Agreement based upon the designation of certain parts of the Settlement Payment as wages (including the employer's payment of applicable FICA, FUTA, and SUI contributions, etc.) owed to the appropriate local, state, and federal taxing authorities. Defendants will pay its portion of payroll taxes separate and apart from the Gross Settlement Amount.
20. **Final Judgment or Final Approval:** The final order entered by the Court approving this Agreement.
21. **Funding of Settlement:** Defendants shall wire or otherwise provide to the Settlement Administrator the Gross Settlement Amount no later than ten (10) business days of the Effective Final Settlement Date.

22. **Gross Settlement Amount or GSA:** The total value of the Settlement is a non-reversionary \$400,000. This is the gross amount Defendants can be required to pay under this Settlement Agreement, with the exception of their obligation to pay Employer-Side Settlement Payment Taxes. The Gross Settlement Amount includes without limitation: (1) the Net Settlement Amount to be paid to Participating Class Members; (2) the Attorneys Fee Award and Cost Award to Class Counsel for attorneys' fees and costs, as approved by the Court; (3) the Class Representative Enhancement Payment paid to the Class Representative, as approved by the Court; (4) the Administration Costs, as approved by the Court; and (5) the PAGA Payment to the LWDA and to Aggrieved Employees, as approved by the Court. Defendants' portion of payroll taxes as the Class Members' current or former employer will be paid outside of and in addition to the Gross Settlement Amount. No portion of the Gross Settlement Amount will revert to Defendants for any reason.
23. **Individual Class Settlement Share(s):** The amount payable to each Participating Class Member under the terms of this Settlement Agreement. Class Members are not required to submit a claim form to receive their Individual Class Settlement Shares pursuant to this Agreement. Rather, Participating Class Members will receive an Individual Class Settlement Share automatically, without the return of a claim form.
24. **Individual PAGA Settlement Share(s):** The amount payable to each Aggrieved Employee under the terms of this Settlement Agreement. Aggrieved Employees are not required to submit a claim form to receive their Individual Settlement Shares pursuant to this Agreement. Also, even if an Aggrieved Employee requests exclusion from the Class Settlement as described in this Agreement, the Aggrieved Employee will receive an Individual PAGA Settlement Share. Therefore, Aggrieved Employees will receive an Individual PAGA Settlement Share automatically, without the return of a claim form and regardless of whether they request to be excluded from the Class Settlement.
25. **LWDA:** California Labor and Workforce Development Agency ("LWDA"). The LWDA is empowered to enforce the Labor Code Private Attorneys General Act, California Labor Code section 2698, *et seq.*, and has delegated such authority to Plaintiff with regard to the claim in this Action through the procedural mechanisms provided for by statute.
26. **LWDA Payment:** Refers to the Seventy-five percent (75%) of the PAGA Payment of \$25,000 that is to be paid to the LWDA as described in this Settlement.
27. **Net PAGA Settlement Amount or NPSA:** The total amount of money for payout to Aggrieved Employees, which is the PAGA Payment less the LWDA Payment.

28. **Net Settlement Amount or NSA:** The total amount of money available for payout to Participating Class Members, which is the GSA less the Attorneys Fee Award, Cost Award, Class Representative Enhancement Payment, the PAGA Payment, and Administration Costs. In other words, the NSA is the portion of the GSA that will be distributed to Participating Class Members. The payment of employee-side taxes on the portion of the settlement shares earmarked as wages shall be paid out of the Net Settlement Amount. Thus, the Individual Settlement Shares that are paid out of the Net Settlement Amount shall be reduced by the employee's tax liability for the share for the portion of the settlement shares allocated as wages.
29. **PAGA:** The California Labor Code Private Attorneys General Act of 2004 (Cal. Labor Code §§ 2698 *et seq.*).
30. **PAGA Data:** The electronic database Defendants shall deliver to the Settlement Administrator which will list the following information for each Aggrieved Employee: (1) first and last name; (2) last known mailing address; (3) social security number; and (4) the total number of weeks the total number of weeks during which the Aggrieved Employee performed work during the PAGA Period as a member of the Aggrieved Employees. The PAGA Data shall be based on Defendants' payroll, personnel, and other business records.
31. **PAGA Payment:** Refers to the \$25,000 the Parties have agreed to settle the PAGA claims. 75% of this amount, or \$18,750, shall be paid to the LWDA. The remaining 25% of the \$25,000, or \$6,250, shall become part of the Net PAGA Settlement Amount payable to Aggrieved Employees.
32. **PAGA Period:** July 1, 2020 through the date the Court enters an order granting Preliminary Approval, or January 7, 2023 (sixty (60) days after the acceptance of the mediator's proposal), whichever occurs first.
33. **PAGA Settlement:** Refers to the settlement of claims included in the Released PAGA Claims, for which Aggrieved Employees will receive an Individual PAGA Settlement Share payment.
34. **Participating Class Members:** All Class Members who do not submit a valid and timely request to exclude themselves from this Settlement.
35. **Parties:** Plaintiff Arnold Garcia, as an individual and as Class Representative, and Defendants McCollister's Transportation Systems, Inc., McCollister's Global Services, Inc., and McCollister's Auto Transport, LLC.
36. **Preliminary Approval or Preliminary Approval Order:** The Court's order preliminarily approving the Class Settlement.

37. **Released Class Claims:** The Released Class Claims include, for the entire Class Period, all claims made or that could have been made based on the facts and circumstances alleged in the Complaints, including claims under California Labor Code sections 201-204, 205.5, 210, 218, 218.5, 221-223, 224, 226, 226.7, 510, 512, 558, 1174, 1175, 1194, 1194.2, 1197, 1197.1, 1199, 2810.5 and 2802; California Business and Professions Code section 17200, *et seq.*, California Wage Order No. 9-2001; California Code of Regulations Title 8, section 11090; and any claim for attorneys' fees and costs related to the above-referenced released claims.
38. **Released PAGA Claims:** The Released PAGA Claims include, for the entire PAGA Period, all claims belonging to the State of California, the LWDA, and Plaintiff (as representative of the State of California, the LWDA, and the general public) under the California Private Attorney General Act ("PAGA"), Cal. Lab. Code § 2698, *et seq.* to the extent such claims are predicated on claims made or that could have been made based on the facts and circumstances alleged in the Complaints and Plaintiff's notice to the LWDA, including claims under California Labor Code sections 201-204, 205.5, 210, 218, 218.5, 221-223, 224, 226, 226.2, 226.7, 226.8, 510, 512, 558, 1174, 1175, 1194, 1194.2, 1197, 1197.1, 1199, 2802, and 2810.5; California Wage Order No. 9-2001; California Code of Regulations Title 8, sections 11070 and 11090; and any claim for attorneys' fees and costs related to the above-referenced released claims.
39. **Released Parties:** Defendants and their past, present and/or future, direct and/or indirect, officers, directors, employees, representatives, administrators, attorneys, agents, parent companies, subsidiaries, consultants, shareholders, predecessors, successors, and/or assigns.
40. **Response Deadline:** Sixty (60) calendar days from the initial mailing of the Class Notices.
41. **Settlement Administration:** The Settlement Administrator will use the National Change of Address Database to obtain updated addresses for Class Members. The Settlement Administrator will mail the Class Notices by first class U.S. mail to all Class Members at the address resulting from the search of the National Change of Address Database. The Class Notices will inform Class Members that they have until the Response Deadline to either object to the Settlement or to opt-out of the Settlement. Any Class Member who does not receive notice after the steps outlined above have been taken will still be bound by the Settlement and/or judgment.
42. **Settlement Administrator:** The third party administrator agreed upon by Parties to administer this Settlement is Phoenix Class Action Administration Solutions.

II. **RECITALS**

43. A class action complaint against Defendants was filed by Plaintiff in the Alameda County Superior Court on September 10, 2021 (Case No. RG21112345). The complaint alleged the following causes of action against Defendant: (1) failure to pay all straight time wages; (2) failure to provide meal periods; (3) failure to authorize and permit rest periods; (4) knowing and intentional failure to comply with itemized employee wage statement provisions; (5) failure to pay all wages at the time of termination of employment; (6) failure to reimburse business expenses; and (7) violation of Unfair Competition Law, on behalf Plaintiff and those similarly situated.
44. A PAGA representative action complaint against Defendants was filed by Plaintiff (as an agent of the LWDA) in the Alameda County Superior Court on September 9, 2021 (Case No. RG21112189). The complaint sought civil penalties under the PAGA in relation to the following alleged violations suffered by allegedly similar aggrieved employees: (1) failure to pay all straight time wages; (2) failure to provide meal periods; (3) failure to authorize and permit rest periods; (4) failure to pay all wages at the time of termination of employment; (5) knowing and intentional failure to comply with itemized employee wage statement provisions; (6) failure to pay all wages owed twice per month; (7) failure to reimburse business expenses; and (8) willful misclassification of employees as independent contractors.
45. The parties met and conferred regarding the cases on multiple occasions and then agreed to attend a mediation. Prior to the mediation, Defendants provided class-wide data, documents, and information permitting Plaintiff and his lawyers to fully evaluate class-wide exposure.
46. On August 16, 2021, the parties participated in a full-day mediation with respected wage and hour mediator, Mark Rudy. While the Parties did not settle at mediation, they continued the exchange of information and settlement negotiations in the following days with the assistance of Mr. Rudy. This culminated in a mediator's proposal being issued on November 8, 2022, which the Parties accepted and resulted in the settlement that is reflected in this Agreement.
47. **Benefits of Settlement to Class Members.** Plaintiff and Class Counsel recognize the expense and length of continued proceedings necessary to continue the litigation against Defendants through trial and through any possible appeals. Plaintiff and Class Counsel also have taken into account the uncertainty and risk of further litigation, the potential outcome, and the difficulties and delays inherent in such litigation. Plaintiff and Class Counsel have conducted extensive settlement negotiations. Based on the foregoing, Plaintiff and Class Counsel believe the Settlement set forth in this Agreement is a fair, adequate, and reasonable settlement, and is in the best interests of the Class Members.

- 48. Defendants' Reasons for Settlement.** Defendants recognize that the defense of this litigation will be protracted and expensive. Substantial amounts of time, energy, and resources of Defendants have been and, unless this Settlement is made, will continue to be devoted to the defense of the claims asserted by Plaintiff. Defendants, therefore, have agreed to settle in the manner and upon the terms set forth in this Agreement to put to rest the Released Claims.
- 49. Defendants' Denial of Wrongdoing.** Defendants generally and specifically deny any and all liability or wrongdoing of any sort with regard to any of the claims alleged, makes no concessions or admissions of liability of any sort, and contends that for any purpose other than settlement, the Action is not appropriate for class or representative treatment. Defendants assert a number of defenses to the claims, and have denied any wrongdoing or liability arising out of any of the alleged facts or conduct in the Action. Neither this Agreement, nor any document referred to or contemplated herein, nor any action taken to carry out this Agreement, is or may be construed as, or may be used as an admission, concession, or indication by or against Defendants or any of the Released Parties of any fault, wrongdoing, or liability whatsoever. Defendants specifically deny any allegation of misclassification. There has been no final determination by any court as to the merits of the claims asserted by Plaintiff against Defendants or as to whether a class or classes should be certified, other than for settlement purposes only.
- 50. Plaintiff's Claims.** Plaintiff asserts that Defendants' defenses are without merit. Neither this Agreement nor any documents referred to or contemplated herein, nor any action taken to carry out this Agreement is, may be construed as, or may be used as an admission, concession or indication by or against Plaintiff, Class Members, or Class Counsel as to the merits of any claims or defenses asserted, or lack thereof, in the Action. However, in the event that this Settlement is finally approved by the Court, the Plaintiffs, Participating Class Members, and Class Counsel will not oppose Defendants' efforts to use this Agreement to prove that Plaintiff and Participating Class Members have resolved and are forever barred from re-litigating the claims released under this Agreement.

III. SETTLEMENT TERMS AND CONDITIONS

- 51. Gross Settlement Amount.** Subject to the terms and conditions of this Agreement, the maximum Gross Settlement Amount, that Defendants are obligated to pay under this Settlement Agreement is \$400,000. The Gross Settlement Amount includes, but is not limited to: (1) the Net Settlement Amount to be paid to Participating Class Members; (2) the Attorneys Fee Award and Cost Award to Class Counsel for attorneys' fees and costs, as approved by the Court; (3) the Class Representative Enhancement Payment paid to the Class Representative, as approved by the Court; (4) the

Administration Costs, as approved by the Court; and (5) the PAGA Payment, as approved by the Court. Defendants' portion of payroll taxes as the Class Members' current or former employer will be paid outside of and in addition to the Gross Settlement Amount. No portion of the Gross Settlement Amount will revert to Defendants for any reason.

A. Escalator Provision: Defendants make the following representations:

- The Settlement Class consisted of approximately 30 drivers as of November 8, 2022.
- The Class Period encompassed 2,690 workweeks as of November 8, 2022.

To the extent that either of the forgoing estimates, as represented by Defendants, increases by more than 20%, Defendants will have the option to increase the Gross Settlement Amount proportionately. For example, if the number of workweeks increases by 22% then Defendants shall increase the GSA by 2%. Likewise, if the number of class members increases by 22% then Defendant shall increase the GSA by 2%. If Defendants decline to do so, Plaintiff will have the option to terminate the settlement in its entirety and the Parties will be returned to their respective positions as if no settlement had been contemplated.

- 52. Class Certification.** Solely for the purposes of this Settlement, the Parties stipulate and agree to certification of the claims asserted on behalf of Class Members. As such, the Parties stipulate and agree that in order for this Settlement to occur, the Court must certify the Class as defined in this Agreement.
- 53. Conditional Nature of Stipulation for Certification.** The Parties stipulate and agree to the certification of the claims asserted on behalf of Plaintiff and Class Members for purposes of this Settlement only. If the Settlement does not become effective, the fact that the Parties were willing to stipulate to certification as part of the Settlement shall not be admissible or used in any way in connection with, the question of whether the Court should certify any claims in a non-settlement context in this Action or in any other lawsuit. If the Settlement does not become effective, Defendants reserve the right to contest any issues relating to class certification and liability.
- 54. Appointment of Class Representative.** Solely for the purposes of this Settlement, the Parties stipulate and agree Plaintiff Arnold Garcia shall be appointed as representative for the Class.
- 55. Appointment of Class Counsel.** Solely for the purpose of this Settlement, the Parties stipulate and agree that the Court appoint Class Counsel to represent the Class.

- 56. Individual Class Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay an Individual Class Settlement Share from the Net Settlement Amount to each Participating Class Member.

A. Calculation.

- i. **Individual Class Settlement Share Calculation.** Each Participating Class Member will receive a proportionate share of the Net Settlement Amount that is equal to (i) the number of weeks he or she contracted with and drove for Defendants, based on the Class Data provided by Defendants, divided by (ii) the total number of weeks worked by all Participating Class Members based on the same Class Data, which is then multiplied by the Net Settlement Amount. One day worked in a given week will be credited as a work week for purposes of this calculation. Therefore, the value of each Class Member's Individual Settlement Share ties directly to the amount of weeks that he or she worked.

- B. Tax Withholdings.** Each Class Member's Individual Settlement Share will be apportioned as follows: 1/3 wages, 1/3 interest, and 1/3 penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported by W-2 forms. Payment of all amounts will be made subject to backup withholding unless a duly executed W-9 form is received from the payee(s). The amounts paid as penalties and interest shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS 1099 forms. Only the employee share of payroll tax withholdings shall be paid from each Class Member's Individual Settlement Share. The employer share of payroll tax withholdings shall be paid separate from and in addition to the Gross Settlement Amount.

- 57. Individual PAGA Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay an Individual PAGA Settlement Share from the Net PAGA Settlement Amount to each Aggrieved Employee.

A. Calculation.

- i. **Individual PAGA Settlement Share Calculation.** Each Aggrieved Employee will receive a proportionate share of the Net PAGA Settlement Amount that is equal to (i) the number of weeks he or she contracted with and drove for Defendants,

based on the PAGA Data provided by Defendants, divided by (ii) the total number of weeks worked by all Aggrieved Employees based on the same PAGA data, which is then multiplied by the Net PAGA Settlement Amount. One day worked in a given week will be credited as a week for purposes of this calculation. Therefore, the value of each Aggrieved Employee's Individual PAGA Settlement Share ties directly to the amount of weeks that he or she worked during the PAGA Period.

B. Tax Withholdings. Each Aggrieved Employee's Individual PAGA Settlement Share will be apportioned as 100% penalties. The Individual PAGA Settlement Shares shall therefore be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS 1099 forms.

58. Constituents of Gross Settlement Amount Disbursement. Subject to the terms and conditions of this Agreement, the Settlement Administrator shall disburse the Gross Settlement Amount as directed later on herein to the following:

A. To the Named Plaintiff: In addition to his Individual Settlement Share, and subject to the Court's approval, the named Plaintiff, Arnold Garcia, will receive up to \$7,500 in consideration for providing Defendants a General Release, a release that is broader than the claims released by Participating Class Members. Defendants shall not oppose this request. The Settlement Administrator will pay the Class Representative Enhancement Payment out of the Gross Settlement Amount. Payroll tax withholdings and deductions will not be taken from the Class Representative Enhancement Payment. An IRS Form 1099 will be issued to Plaintiff with respect to his Class Representative Enhancement Payment.

B. To Class Counsel. At the Final Approval Hearing, Class Counsel will apply to the Court for an Attorneys Fee Award not to exceed 1/3 of the GSA (which equates to \$133,333.33) and a Cost Award not to exceed \$30,000. Defendants shall not oppose this request. The Settlement Administrator will pay the Court approved amounts for the Attorneys Fee Award and Cost Award out of the Gross Settlement Amount. The Settlement Administrator may, at the request of Class Counsel, purchase an annuity to utilize U.S. treasuries and bonds or other attorneys fee deferral vehicles for Class Counsel. Payroll tax withholding and deductions will not be taken from the Attorneys Fee Award or the Cost Award. IRS Forms 1099 will be issued to Class Counsel with respect to the Attorneys Fee Award. In the event the Court does not approve the entirety of the application for the Attorneys Fee Award and/or Cost Award, the Settlement Administrator shall pay whatever amount the Court awards, and neither Defendants nor the Settlement

Administrator shall be responsible for paying the difference between the amount requested and the amount awarded. If the amount awarded is less than the amount requested by Class Counsel for the Attorneys Fee Award and/or Cost Award, the difference shall become part of the NSA and be available for distribution to Participating Class Members.

- C. To the Responsible Tax Authorities.** The Settlement Administrator will pay the amount of the Participating Class Members' portion of normal payroll withholding taxes out of each Class Member's Individual Settlement Share. Defendants' portion of payroll taxes as the alleged current or former employer (including the employer's payment of applicable FICA, FUTA, and SUI contributions, etc.) will be paid outside of and in addition to the GSA. The Settlement Administrator will calculate the amount of the Participating Class Members' and Defendants' portion of payroll withholding taxes and will forward the amount of the Participating Class Members' portion of normal payroll withholding taxes to the appropriate taxing authorities.
- D. To the Settlement Administrator.** The Settlement Administrator – Phoenix Settlement Administrators – will pay to itself Administration Costs (reasonable fees and expenses) approved by the Court not to exceed \$5,000. This will be paid out of the Gross Settlement Amount. If the actual amount of Administration Costs is less than the amount estimated and/or requested, the difference shall become part of the NSA and be available for distribution to Participating Class Members.
- E. To the LWDA and Aggrieved Employees.** The Settlement Administrator will pay \$18,750 of the PAGA Payment to the LWDA. This is 75% of the \$25,000 allocated to satisfy the PAGA penalties claim. The remaining 25% of the PAGA Payment (which equates to \$6,250) shall become part of the Net PAGA Settlement Amount payable to Aggrieved Employees
- F. To Participating Class Members.** The Settlement Administrator will pay Participating Class Members according to the Individual Settlement Share calculations set forth above. All payments to Participating Class Members and Aggrieved Employees shall be made from the Gross Settlement Amount.

- 59. Appointment of Settlement Administrator.** Solely for the purposes of this Settlement, the Parties stipulate and agree that Phoenix Class Action Administration Solutions shall be retained to serve as Settlement Administrator. The Settlement Administrator shall be responsible for preparing, printing, and mailing the Class Notice to Class Members and Aggrieved Employees; performing skip traces and re-mailing notices to Class Members and Aggrieved Employees; calling Class Members and Aggrieved Employees with undeliverable notices to obtain accurate addresses; keeping track of any

objections or requests for exclusion from Class Members; calculating any and all payroll tax deductions as required by law; calculating each Class Member's and Aggrieved Employee's Individual Settlement Share; maintaining a website which will include settlement documents; providing weekly status reports to Defendants' Counsel and Class Counsel, which is to include updates on any objections or requests for exclusion that have been received; providing a due diligence declaration for submission to the Court prior to the Final Approval hearing; mailing and re-mailing Individual Settlement Shares to Participating Class Members and Aggrieved Employees; calculating and mailing the LWDA Payment to the LWDA; distributing the Attorneys Fee Award and Cost Award to Class Counsel; printing and providing Participating Class Members, Aggrieved Employees, and Plaintiff with W-2s and 1099 forms as required under this Agreement and applicable law; providing a due diligence declaration for submission to the Court upon the completion of the Settlement; providing any funds remaining in the QSF as a result of uncashed checks to Legal Aid at Work in the amounts directed per this Settlement; and for such other tasks as the Parties mutually agree. The Parties each represent that they do not have any financial interest in Phoenix Settlement Administrators or otherwise have a relationship with Phoenix Settlement Administrators that could create a conflict of interest.

60. Procedure for Approving Settlement.

A. Cooperation.

- i. All Parties and their counsel shall support the Settlement and take such steps as are reasonably necessary to effectuate the Settlement. Plaintiff shall prepare and file a stipulated request to consolidate both Complaints for settlement purposes. Should the Court decline to grant the Parties' request to consolidate both Complaints, the Parties and their counsel shall take any further reasonably necessary steps to effectuate the Settlement, including, but not limited to, stipulating for leave to amend in Case No. RG21112345 to include PAGA claims as alleged in Case No. RG21112189 and filing for dismissal of Case No. RG21112189 upon the Court's receipt and acceptance of an amended complaint in Case No. RG21112345. Plaintiff shall take all reasonable steps that may be deemed necessary by the Court to ensure that the two Complaints are consolidated for settlement purposes.

B. Motion for Preliminary Approval and Conditional Certification.

- i. Plaintiff will move for an order: (1) conditionally certifying the Class for settlement purposes only; (2) granting Preliminary Approval of the Settlement; (3) setting a date for the Final Approval hearing; and (4) approving the Class Notice.

- ii. At the same time that Plaintiff files his Motion for Preliminary Approval, Plaintiff shall send a copy of the Agreement to the LWDA pursuant to the 2016 amendments to PAGA.
- iii. At the Preliminary Approval hearing, Plaintiff will appear, support the granting of the motion, and submit a proposed order granting conditional certification of the Class and Preliminary Approval of the Settlement; appointing the Class Representative, Class Counsel, and Settlement Administrator; approving the Class Notice; and setting the Final Approval hearing.
- iv. **Effect of Denial of Preliminary Approval.** Should the Court decline to conditionally certify the Class or to Preliminarily Approve all material aspects of the Settlement, the Settlement Agreement will be null and void, and the Parties will have no further obligations under it. Provided, however, that the amounts of the Attorneys Fee Award, Cost Award, Administration Costs, and Class Representative Enhancement Payment shall be determined by the Court, and the Court's determination on these amounts shall be final and binding, and that the Court's approval or denial of any amount requested for these items are not conditions of this Settlement Agreement, and are to be considered separate and apart from the fairness, reasonableness, and adequacy of the Settlement Agreement. Any order or proceeding relating to an application for the Attorneys Fee Award, Cost Award, Administration Costs, and Class Representative Enhancement Payment shall not operate to terminate or cancel this Settlement Agreement. Nothing in this Agreement shall limit Plaintiff's or Class Counsel's ability to appeal any decision by the Court to award less than the requested Attorneys Fee Award, Cost Award, Administration Costs, and Class Representative Enhancement Payment.

C. Notice to Class Members and Aggrieved Employees. After the Court enters its Preliminary Approval Order, every Class Member and Aggrieved Employee will be provided with the Class Notice in accordance with the following procedure:

- i. **Delivery of Class and PAGA Data.** Within ten (10) business days after entry of the Preliminary Approval Order, Defendants shall deliver to the Settlement Administrator an electronic database, which will list the Class and PAGA Data. If any or all of this information is unavailable to Defendants, Defendants will so inform Class Counsel and the Parties will make their best efforts to reconstruct or otherwise agree upon how to deal with the

unavailable information. The Settlement Administrator will use the National Change of Address Database to obtain updated addresses for Class Members. The Class Data and PAGA Data shall be based on Defendants' payroll, personnel, and other business records. The Settlement Administrator shall maintain the Class and PAGA Data and all information contained within the Class and PAGA Data as private and confidential.

- ii. **Preparation of Class Notices.** Based on the information in the Class and PAGA Data and the formulae set forth in Paragraph 56(A)(i) and 57(A)(i), above, the Settlement Administrator shall promptly calculate the estimated Individual Settlement Share and Individual PAGA Settlement Share for every Class Member and Aggrieved Employee, to be included in the individualized Class Notices to be sent to that Class Member and/or Aggrieved Employee, and shall prepare and mail a spreadsheet setting forth those calculations to Class Counsel and Defense Counsel no fewer than five (5) days before mailing the Class Notices to Class Members and Aggrieved Employees. The Class Notices will inform each Class Member of his/her right to do nothing, dispute the number of work weeks worked, opt out of the Settlement, or object to the Settlement. It will also inform Class Members that if they first request exclusion from the Settlement and then object, the objections would not be considered valid. In addition, if the Class Members object and then request exclusion from the Class Settlement, the Class Members would be deemed to have waived their objection.
- iii. **Mailing of Class Notices.** Within ten (10) business days after receipt of the Class and PAGA Data, the Settlement Administrator will mail via first-class regular U.S. Mail the Class Notice to all identified Class Members and Aggrieved Employees using the mailing address information provided by Defendant and the results of the search of the National Change of Address Database on all Class Members and Aggrieved Employees.
- iv. **Returned Notices.** If a Class Notice is returned because of an incorrect address, within five (5) business days from receipt of the returned notice, the Settlement Administrator will conduct a search for a more current address for the Class Member and re-mail the Class Notice to the Class Member. The Settlement Administrator will use the National Change of Address Database and skip traces to attempt to find the current address. The Settlement Administrator will be responsible for taking reasonable steps to trace the mailing address of any Class Member for whom a Class Notice is returned by U.S. Postal Service as undeliverable.

These reasonable steps shall include, at a minimum, the tracking of all undelivered mail, performing address searches for all mail returned without a forwarding address, and promptly re-mailing to Class Members for whom new addresses are found.

- v. **Undeliverable Notices.** If the Settlement Administrator is unable to locate a better address through a database search or skip trace, the Settlement Administrator shall promptly provide the contact information of the Class Member with the undeliverable Notice to Class Counsel. Class Counsel will provide this contact information to a third-party investigator to perform a TLOxp search using the available contact information. The TLOxp search performs a “deep skiptrace” of the Class Member and will have a greater chance of locating a better address to provide the Class Member with Notice. The costs for the TLOxp searches will be considered part of the Settlement Administration costs.
 - vi. **Weekly Status Reports.** The Settlement Administrator shall provide a weekly status report to the Parties. As part of its weekly status report, the Settlement Administrator will inform Class Counsel and Defendants’ Counsel of the number of Notices mailed, the number of Notices returned as undeliverable, the number of Notices re-mailed, and the number of requests for exclusion or objections received.
 - vii. **Settlement Administrator’s Declaration.** No later than fourteen (14) calendar days after the Response Deadline, or on a date mutually agreed upon by the Parties and the Settlement Administrator, the Settlement Administrator will serve on the Parties a declaration of due diligence setting forth its compliance with its obligations under this Agreement. The declaration from the Settlement Administrator shall also be filed with the Court by Class Counsel at the same time as the final approval motion is filed. Before the Final Approval hearing, the Settlement Administrator will supplement its declaration of due diligence if any material changes occur from the date of the filing of its prior declaration.
- D. Objections to Settlement.** The Class Notice will provide that the Class Members who wish to object to the Settlement must do so in writing, signed, dated, and mailed to the Settlement Administrator postmarked no later than the Response Deadline. The timeframe to submit an objection will not be increased for returned mailings.
- a. **Format.** Any Objections shall state: (a) the objecting person’s full name, address, and telephone number; (b) the words “Notice of

Objection” or “Formal Objection;” (c) describe, in clear and concise terms, the legal and factual arguments supporting the objection; (d) list identifying witness(es) the objector may call to testify at the Final Approval hearing; and (e) provide true and correct copies of any exhibit(s) the objector intends to offer at the Final Approval hearing.

- b. Notice of Intent to Appear.** Objecting Class Members may (though are not required to) appear at the Final Approval Hearing, either in person or through the objector’s own counsel. Objecting Class Members are permitted to appear regardless of whether they submitted a written objection.

E. Request for Exclusion from the Settlement (“Opt-Out”). The Class Notice will provide that Class Members who wish to exclude themselves from the Settlement must mail to the Settlement Administrator a written request for exclusion. The written request for exclusion must: (a) state the Class Member’s name, address, telephone number, and the last four digits of the Class Member’s social security number or employee identification number; (b) state the Class Member’s intention to exclude themselves from or opt-out of the Settlement; (c) be addressed to the Settlement Administrator; (d) be signed by the Class Member or his or her lawful representative; and (e) be postmarked no later than the Response Deadline.

- i. Effect of “Opt-Out.”** Any Class Member who returns a timely, valid, and executed request for exclusion will not participate in or be bound by the Settlement and subsequent judgment and will not receive an Individual Settlement Share or any benefit of this Settlement. If the Class Member is also an Aggrieved Employee as defined in this Agreement, however, he or she will still receive an Individual PAGA Settlement Share payment as approved by the Court. Aggrieved Employees have no right to opt-out of the PAGA Settlement.
- ii. Confirmation of Authenticity.** If there is a question about the authenticity of a signed request for exclusion, the Settlement Administrator may demand additional proof of the Class Member’s identity. Any Class Member who returns a timely, valid, and executed request for exclusion will not participate in or be bound by the Settlement and subsequent judgment and will not receive an Individual Settlement Share. A Class Member who does not complete and mail a timely request for exclusion will automatically be included in the Settlement, will receive an Individual Class Settlement Share, and be bound by all terms and conditions of the Settlement, if the Settlement is approved by the

Court, and by the subsequent judgment, regardless of whether he or she has objected to the Settlement.

- iii. **Report.** No later than five (5) business days after the Response Deadline, the Settlement Administrator will provide the Parties with a complete and accurate accounting of the number of Notices mailed to Class Members, the number of Notices returned as undeliverable, the number of Notices re-mailed to Class Members, the number of re-mailed Notices returned as undeliverable, the number of Class Members who objected to the Settlement and copies of their submitted objections, the number of Class Members who returned valid requests for exclusion, and the number of Class Members who returned invalid requests for exclusion.

F. Class Member and Aggrieved Employee Disputes. If a Class Member or Aggrieved Employee who receives a Class Notice wishes to dispute the number of work weeks listed on the Class Notice, the Class Member or Aggrieved Employee may notify the Settlement Administrator by mail or telephone no later than the Response Deadline and should produce any available supporting evidence, such as wage statements, offers of employment, termination letters, and/or other employment records, to the Settlement Administrator. The documentation should provide evidence of the dates the Class Member or Aggrieved Employee contends he or she worked for Defendants during the Class or PAGA Period. The Settlement Administrator shall then provide the documentation provided by the Class Member or Aggrieved Employee to Defendants. Defendants shall review its records, the documentation provided by the Class Member or Aggrieved Employee, and shall provide information to the Settlement Administrator in response to any such disputed claim. Defendants' records shall be presumed to be determinative, but the Settlement Administrator shall evaluate the evidence submitted by the Class Member or Aggrieved Employee and make the decision as to which dates should be applied. The determination by the Settlement Administrator shall be final and binding.

G. No Solicitation of Objection or Requests for Exclusion. Neither the Parties nor their respective counsel will solicit or otherwise encourage directly or indirectly any Class Member to object to the Settlement, request exclusion from the Settlement, or appeal from the Judgment.

H. Motion for Final Approval.

- i. Class Counsel will file unopposed motions and memorandums in support thereof for Final Approval of the Settlement and the following payments in accord with the terms of the Settlement: (1) the Attorneys Fee Award; (2) the Cost Award; (3) Administrative

Costs; (4) the Class Representative Enhancement Payment; and (5) PAGA Payment. Class Counsel will also move the Court for an order of Final Approval (and associated entry of Judgment) releasing and barring any Released Class and PAGA Claims of the Participating Class Members and LWDA.

ii. Denial or Appeal of Final Approval. If the Court does not grant Final Approval of the Settlement, or if the Court's Final Approval of the Settlement is reversed or materially modified on appellate review, then this Settlement will become null and void. If that occurs, the Parties will have no further obligations under the Settlement, including any obligation by Defendants to pay the Gross Settlement Amount or any amounts that otherwise would have been owed under this Agreement. Further, should this occur, the Parties agree they shall be equally responsible for the Settlement Administrator's Administration Costs through that date. An award by the Court of a lesser amount than sought by Plaintiff and Class Counsel for the Class Representative Enhancement Payment, Attorneys Fee Award, Cost Award, and Administration Costs award will not constitute a material modification to the Settlement within the meaning of this paragraph.

iii. Proposed Order and Judgment. Upon Final Approval of the Settlement, the Parties shall present to the Court a proposed Final Approval Order, approving of the Settlement and entering Judgment in accordance therewith. After entry of Judgment, the Court shall have continuing jurisdiction over the action for purposes of: (1) enforcing this Settlement Agreement; (2) addressing settlement administration matters, and (3) addressing such post-judgment matters as may be appropriate under Court rules and applicable law.

I. Waiver of Right to Appeal. Provided that the judgment is consistent with the terms and conditions of this Agreement, if Class Members do not timely object to the Settlement, then the Parties and their respective counsel waive any and all rights to appeal from the judgment, including, but not limited to, all rights to any post-judgment proceeding and appellate proceeding, such as a motion to vacate or set aside judgment, and any extraordinary writ, and the judgment will become non-appealable at the time it is entered. The waiver of appeal does not include any waiver of the right to oppose any appeal, appellate proceeding, or post-judgment proceeding.

J. Vacating, Reversing, or Modifying Judgment on Appeal. If, after a notice of appeal, the reviewing Court vacates, reverses, or modifies the judgment such that there is a material modification to the Settlement

Agreement, and that Court's decision is not completely reversed and the judgment is not fully affirmed on review by a higher Court, then this Settlement will become null and void and the Parties will have no further obligations under it. A material modification would include, but not necessarily be limited to, any alteration of the Gross Settlement Amount, an alteration in the calculation of the Net Settlement Amount, and any change to the calculation of the Individual Settlement Share.

K. Disbursement of Settlement Shares and Payments. Subject to the Court finally approving the Settlement, the Settlement Administrator shall distribute funds pursuant to the terms of this Agreement and the Court's Final Approval Order and Judgment. The Settlement Administrator shall keep Defendants' Counsel and Class Counsel apprised of all distributions from the Gross Settlement Amount. The Settlement Administrator shall respond to questions from Defendants' Counsel and Class Counsel. No person shall have any claim against Defendants, Defendants' Counsel, Plaintiff, Class Counsel, or the Settlement Administrator based on the distributions and payments made in accordance with this Agreement.

- i. **Funding the Settlement:** Defendants shall wire or otherwise provide to the Settlement Administrator the Gross Settlement Amount no later than ten (10) business days of the Effective Final Settlement Date.
- ii. **Disbursement:** Within ten (10) business days after the Defendants provides the GSA to the Settlement Administrator, the Settlement Administrator shall disburse: (1) the Net Settlement Amount to be paid to Participating Class Members; (2) the Net PAGA Settlement Amount to be Paid to Aggrieved Employees; (3) the Attorney Fee Award and Cost Award to Class Counsel for attorneys' fees and costs, as approved by the Court; (4) the Class Representative Enhancement Payment paid to the Class Representative, as approved by the Court; (5) the Administration Costs, as approved by the Court; (6) the LWDA Payment to the LWDA; and (7) Defendants' portion of payroll taxes as the Class Members' current or former employer.
- iii. **Qualified Settlement Fund or QSF:** The Parties agree that the QSF is intended to be a "Qualified Settlement Fund" under Section 468B of the Code and Treasury Regulations § 1.468B-1, 26 C.F.R. § 1.468B-1 *et seq.*, and will be administered by the Settlement Administrator as such. The Parties and Settlement Administrator shall treat the QSF as coming into existence as a Qualified Settlement Fund on the earliest date permitted as set forth in 26 C.F.R. § 1.468B-1, and such election statement shall be attached to the appropriate returns as required by law.

L. Settlement Administrator's Final Report. Within ten (10) business days after the disbursement of all funds, the Settlement Administrator will serve on the Parties a declaration providing a final report on the disbursements of all funds. The Parties shall file this declaration with the Court. The Settlement Administrator will provide any supplemental declaration required by the Court or the Parties.

M. Uncashed Checks. Participating Class Members and Aggrieved Employees must cash or deposit their Individual Settlement Share checks within one hundred and eighty (180) calendar days after the checks are mailed to them.

i. Reminder Postcard. If any checks are not redeemed or deposited within ninety (90) calendar days after mailing, the Settlement Administrator will send a reminder postcard indicating that unless the check is redeemed or deposited in the next ninety (90) days, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced.

ii. If any checks remain uncashed or not deposited by the expiration of the 90-day period after mailing the reminder notice, the Settlement Administrator will, within two hundred (200) calendar days after the checks are mailed, cancel the checks. All funds associated with the Individual Settlement Share checks returned as undeliverable and funds associated with those checks remaining un-cashed shall be tendered to Legal Aid at Work. Legal Aid at Work is a nonprofit legal services organization that has been assisting low-income, working families for more than 100 years. Legal Aid at Work's Wage Protection Program represents low-wage workers who are the victims of wage violations. The wage claims made by Legal Aid at Work's clients are often the same type of claims made in wage-and-hour class actions brought by workers under the federal Fair Labor Standards Act and under California wage-and-hour laws.

N. Defendants' Legal Fees. Defendants are responsible for paying for all of Defendants' own legal fees, costs, and expenses incurred in this Action outside of the Gross Settlement Amount.

61. Release of Class Claims. As of the Effective Final Settlement Date, Class Members who do not submit a timely and valid request for exclusion release the Released Parties from the Released Class Claims. Participating Class Members agree not to sue or otherwise make a claim against any of the Released Parties for any of the Released Class Claims.

- 62. Release of PAGA Claims.** As of the Effective Final Settlement Date, the Released Parties shall be entitled to a release from the LWDA and Plaintiff (as representative of the State of California, the LWDA, and the general public) as to all Released PAGA Claims. Defendants will be entitled to assert this Settlement of the PAGA Claims in this Action as a defense to future claims against it for penalties by the LWDA or under the PAGA on behalf of the LWDA. The Released Parties will also be entitled to assert this release of PAGA Claims to assert claim or issue preclusion or other effects of this Settlement if any Aggrieved Employees bring a subsequent claim on behalf of the LWDA concerning the same primary rights that were at issue in this Action. Aggrieved employees may not opt out of the PAGA Settlement.
- 63. Plaintiff's Release of Claims and General Release.** As of the Effective Final Settlement Date, and in exchange for the Class Representative Enhancement Payment to the named Plaintiff in an amount not to exceed \$7,500, Plaintiff Arnold Garcia shall give the following general release of claims for himself and his respective spouse, heirs, successors and assigns, forever release the Released Parties from any and all charges, complaints, claims, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of action, suits, rights, demands, costs, losses, debts, penalties and expenses of any nature whatsoever, from the beginning of time through the date of their signatures on this Agreement, known or unknown, suspected or unsuspected, whether in tort, contract, equity, or otherwise, for violation of any federal, state or local statute, rule, ordinance or regulation, including but not limited to all claims arising out of, based upon, or relating to his employment with Defendants or the remuneration for, or termination of, such employment. Plaintiff's Release of Claims also includes a waiver of California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

This release excludes any release of any claims not permitted to be released by law.

64. Miscellaneous Terms

- A. No Admission of Liability.** Defendants make no admission of liability or wrongdoing by virtue of entering into this Agreement. Additionally, Defendants reserve the right to contest any issues relating to class certification and liability if the Settlement is not approved. Defendants deny that it has engaged in any unlawful activity, has failed to comply with the

law in any respect, has any liability to anyone under the claims asserted in the Action, or that but for the Settlement, a Class should be certified in the Action. This Agreement is entered into solely for the purpose of compromising highly disputed claims. Nothing in this Agreement is intended or will be construed as an admission by Defendants of liability or wrongdoing. This Settlement and Plaintiff's and Defendants' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (other than solely in connection with this Settlement).

- B. No Effect on Employee Benefits.** The Class Representative Enhancement Payment and/or Individual Settlement Shares paid to Plaintiff and Participating Class Members and/or Aggrieved Employees shall not be deemed to be pensionable earnings and shall not have any effect on the eligibility for, or calculation of, any of the employee benefits (*e.g.*, vacation, holiday pay, retirement plans, etc.) of Plaintiff or the Participating Class Members or Aggrieved Employees. The Parties agree that any Class Representative Enhancement Payment and/or Individual Settlement Share paid to Plaintiff or the Participating Class Members and/or Aggrieved Employees under the terms of this Agreement do not represent any modification of Plaintiff's or Participating Class Members' and/or Aggrieved Employees' previously credited hours of service or other eligibility criteria under any employee pension benefit plan or employee welfare benefit plan sponsored by Defendants. Further, any Class Representative Enhancement Payment shall not be considered "compensation" in any year for purposes of determining eligibility for, or benefit accrual within, an employee pension benefit plan or employee welfare benefit plan sponsored by Defendants.
- C. Integrated Agreement.** After this Agreement is signed and delivered by all Parties and their counsel, this Agreement and its exhibits will constitute the entire Agreement between the Parties relating to the Settlement, and it will then be deemed that no oral representations, warranties, covenants, or inducements have been made to any party concerning this Agreement or its exhibits, other than the representations, warranties, covenants, and inducements expressly stated in this Agreement and its exhibits.
- D. Authorization to Enter Into Settlement Agreement.** Class Counsel and Defendants' Counsel warrant and represent that they are authorized by Plaintiff and Defendants, respectively, to take all appropriate action required or permitted to be taken by such Parties under this Agreement to effectuate its terms, and to execute any other documents required to effectuate the terms of this Agreement. The Parties and their counsel will cooperate with each other and use their best efforts to effect the implementation of the Settlement. In the event the Parties are unable to reach agreement on the form or content of any document needed to

implement this Agreement, or on any supplemental provisions that may become necessary to effectuate the terms of this Agreement, the Parties will seek the assistance of the Court, and in all cases, all such documents, supplemental provisions, and assistance of the Court will be consistent with this Agreement.

- E. Exhibits and Headings.** The terms of this Agreement include the terms set forth in the attached exhibits, which are incorporated by this reference as though fully set forth herein. Any exhibits to this Agreement are an integral part of the Settlement and must be approved substantially as written. The descriptive headings of any paragraphs or sections of this Agreement are inserted for convenience of reference only and do not constitute a part of this Agreement.
- F. Interim Stay of Proceedings.** The Parties agree to stay and hold all proceedings in the Action in abeyance, except such proceedings necessary to implement and complete the Settlement, pending the Final Approval hearing to be conducted by the Court.
- G. Amendment or Modification of Agreement.** This Agreement, and any and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by counsel for all Parties or their successors-in-interest.
- H. Agreement Binding on Successors and Assigns.** This Agreement will be binding upon, and inure to the benefit of, the successors and assigns of the Parties, as previously defined.
- I. No Prior Assignment.** Plaintiff hereby represents, covenants, and warrants that he has not directly or indirectly, assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or rights herein released and discharged.
- J. Applicable Law.** All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the laws of the State of California, without giving effect to any conflict of law principles or choice of law principles.
- K. Fair, Adequate, and Reasonable Settlement.** The Parties and their respective counsel believe and warrant that this Agreement reflects a fair, reasonable, and adequate settlement of the Action and have arrived at this Agreement through arms-length negotiations, taking into account all relevant factors, current and potential.

L. No Tax or Legal Advice. The Parties understand and agree that the Parties are neither providing tax or legal advice, nor making representations regarding tax obligations or consequences, if any, related to this Agreement, and that Class Members and Aggrieved Employees will assume any such tax obligations or consequences that may arise from this Agreement, and that Class Members and Aggrieved Employees shall not seek any indemnification from the Parties or any of the Released Parties in this regard. The Parties agree that, in the event that any taxing body determines that additional taxes are due from any Class Member or Aggrieved Employee, such Class Member assumes all responsibility for the payment of such taxes.

M. Jurisdiction of the Court. The Court shall retain jurisdiction with respect to the interpretation, implementation, and enforcement of the terms of this Agreement and all orders and judgment entered in connection therewith, and the Parties and their counsel hereto submit to the jurisdiction of the Court for purposes of interpreting, implementing, and enforcing the Settlement embodied in this Agreement and all orders and judgments in connection therewith.

N. Invalidity of Any Provision; Severability. Before declaring any provision of this Agreement invalid, the Parties request that the Court first attempt to construe the provisions valid to the fullest extent possible consistent with applicable precedents, so as to define all provisions of this Agreement valid and enforceable. In the event any provision of this Agreement shall be found unenforceable, the unenforceable provision shall be deemed deleted, and the validity and enforceability of the remaining provisions shall not be affected thereby.

O. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

P. Execution in Counterpart. This Agreement may be executed in one or more counterparts. All executed counterparts, and each of them, will be deemed to be one and the same instrument provided that counsel for the Parties will exchange between themselves original signed counterparts. Facsimile or PDF signatures will be accepted. Any executed counterpart will be admissible in evidence to prove the existence and contents of this Agreement.

IV. EXECUTION BY PARTIES AND COUNSEL

The Parties and their counsel execute this Agreement.

1. *Why Have I Received This Notice?*

McCollister's Transportation Systems, Inc., McCollister's Global Services, Inc., and McCollister's Auto Transport, LLC's (hereinafter referred to as "McCollister's" or "Defendants") records indicate that you may be a Class Member. The settlement will resolve all Class Members' Released Claims, as described in Section No. 9 below, from September 10, 2017, through January 7, 2023 (the "Class Period").

A Preliminary Approval Hearing was held on [the date of Preliminary Approval], in the California Superior Court, County of Alameda. The Court conditionally certified the Class for settlement purposes only and directed that you receive this Notice.

The Court will hold a Final Fairness Hearing concerning the proposed settlement on [the date of final approval hearing], 2023 at [time a.m./p.m.], before Judge Brad Seligman, located at 1221 Oak Street, Oakland, CA 94612, Department 23.

2. *What Is This Case About?*

A class action complaint against Defendants was filed by Plaintiff in the Alameda County Superior Court on September 10, 2021 (Case No. RG21112345). The complaint alleged the following causes of action against Defendant: (1) failure to pay all straight time wages; (2) failure to provide meal periods; (3) failure to authorize and permit rest periods; (4) knowing and intentional failure to comply with itemized employee wage statement provisions; (5) failure to pay all wages at the time of termination of employment; (6) failure to reimburse business expenses; and (7) violation of Unfair Competition Law, on behalf Plaintiff and those similarly situated.

A PAGA representative action complaint against Defendants was filed by Plaintiff (as an agent of California's Labor and Workforce Development Agency, or "LWDA") in the Alameda County Superior Court on September 9, 2021 (Case No. RG21112189). The complaint sought civil penalties under the PAGA in relation to the following alleged violations suffered by allegedly similar aggrieved employees: (1) failure to pay all straight time wages; (2) failure to provide meal periods; (3) failure to authorize and permit rest periods; (4) failure to pay all wages at the time of termination of employment; (5) knowing and intentional failure to comply with itemized employee wage statement provisions; (6) failure to pay all wages owed twice per month; (7) failure to reimburse business expenses; and (8) willful misclassification of employees as independent contractors.

The two cases (Case No. RG21112345 and RG21112189) have been consolidated for settlement purposes. The Court has not made any determination as to whether the claims advanced by the Plaintiff have any merit. In other words, the Court has not determined whether any laws have been violated, nor has it decided in favor of Plaintiff or McCollister's; instead, both sides agreed to resolve the lawsuit with no decision or admission of who is right or wrong. By agreeing to resolve the lawsuit, all parties avoid the risks and cost of a trial.

McCollister's expressly denies that it did anything wrong or that it violated the law and further deny any liability whatsoever to Plaintiff or to the Class.

3. *Am I A Class Member? Am I An Aggrieved Employee?*

If the proposed settlement is approved by the Court, a Final Judgment will be entered by the Court. All Class Members who do not opt out of the Settlement will be bound by the Court’s Final Judgment and will release Defendants and the Released Parties¹ from the Released Class Claims:

The Released Class Claims include, for the entire Class Period, all claims made or that could have been made based on the facts and circumstances alleged in the Complaints, including claims under California Labor Code sections 201-204, 205.5, 210, 218, 218.5, 221-223, 224, 226, 226.7, 510, 512, 558, 1174, 1175, 1194, 1194.2, 1197, 1197.1, 1199, 2810.5 and 2802; California Business and Professions Code section 17200, *et seq.*; California Wage Order No. 9-2001; California Code of Regulations Title 8, section 11090; and any claim for attorneys’ fees and costs related to the above-referenced released claims.

Additionally, the LWDA will be bound by the Final Judgment and will release the Released Parties from the Released PAGA Claims. The Released PAGA Claims include all claims under the California Private Attorney General Act (“PAGA”), Cal. Lab. Code § 2698, *et seq.* to the extent such claims are predicated on claims made or that could have been made based on the facts and circumstances alleged in the Complaints and Plaintiff’s notice to the LWDA, including claims under California Labor Code sections 201-204, 205.5, 210, 218, 218.5, 221-223, 224, 226, 226.2, 226.7, 226.8, 510, 512, 558, 1174, 1175, 1194, 1194.2, 1197, 1197.1, 1199, 2802, and 2810.5; California Wage Order No. 9-2001; California Code of Regulations Title 8, sections 11070 and 11090; and any claim for attorneys’ fees and costs related to the above-referenced released claims.

10. *How Much Can I Expect to Receive From This Settlement?*

The total maximum amount that Defendants could be required to pay under this Agreement shall be up to but no more than \$400,000 (“Gross Settlement Amount” or “GSA”).

A. Deductions from the Settlement

The “Net Settlement Amount” or “NSA” means the portion of the Gross Settlement Amount, available for distribution to Class Members after the deduction of (1) the Class Representative Enhance Payment to the named Plaintiff in an amount up to \$7,500, for prosecution of the Action, risks undertaken for the payment of attorneys’ fees and costs, and a general release of all claims; (2) the Settlement Administration Costs to the Settlement

¹ “Released Parties” means Defendants and its past, present and/or future, direct and/or indirect, officers, directors, employees, representatives, administrators, attorneys, agents, parent companies, subsidiaries and affiliated corporations and entities, consultants, shareholders, joint ventures, predecessors, successors, and/or assigns.

Administrator in an amount estimated not to exceed \$5,000; (3) a payment of \$25,000 allocated to the PAGA claims; and (4) payment to Class Counsel in an amount not to exceed \$133,333.33 (1/3 of the Gross Settlement Amount) for attorneys' fees and an amount not to exceed \$30,000 for litigation costs. All of these payments are subject to court approval.

B. How Class Member Settlement Payments are Calculated

After deducting the above-referenced items, the remaining Net Settlement Amount, will be proportionately distributed amongst all Class Members who have not opted out. Each Participating Class Member will receive a proportionate share of the Net Settlement Amount that is equal to (i) the number of weeks he or she contracted with and drove for Defendants, based on the Class Data provided by Defendants, divided by (ii) the total number of weeks worked by all Participating Class Members based on the same Class Data, which is then multiplied by the Net Settlement Amount. One day worked in a given week will be credited as a work week for purposes of this calculation. Therefore, the value of each Class Member's Individual Settlement Share ties directly to the amount of weeks that he or she worked during the Class Period (September 10, 2017, through January 7, 2023).

C. How Aggrieved Employee Settlement Payments are Calculated

If you are an Aggrieved Employee under the settlement, you will also receive a portion of the PAGA Payment. Pursuant to PAGA, the LWDA will receive a payment of \$18,750 (75% of the \$25,000 total PAGA Payment). The remaining \$6,250 is the "Net PAGA Settlement Amount" or "NPSA" and will be proportionately distributed amongst all Aggrieved Employees. Each Aggrieved Employee will receive a proportionate share of the Net PAGA Settlement Amount that is equal to (i) the number of weeks he or she contracted with and drove for Defendants, based on the PAGA Data provided by Defendants, divided by (ii) the total number of weeks worked by all Aggrieved Employees based on the same PAGA data, which is then multiplied by the Net PAGA Settlement Amount. One day worked in a given week will be credited as a week for purposes of this calculation. Therefore, the value of each Aggrieved Employee's Individual PAGA Settlement Share ties directly to the amount of weeks that he or she worked during the PAGA Period (July 1, 2020 through January 7, 2023).

D. Your Estimated Settlement Payment

Although your exact share of the Net Settlement Amount as a Class Member cannot be precisely calculated until after the time during which individuals may object or seek exclusion from the Settlement concludes, based upon the calculation above, your approximate share of the Net Settlement Amount, is as follows: \$ [REDACTED], less taxes. This is based on the Class Data which shows you worked [REDACTED] workweeks during the Class Period.

If you are also an Aggrieved Employee, you will receive a share of the Net PAGA Settlement Amount. Based upon the calculation above, your approximate share of the Net PAGA Settlement Amount, is as follows: \$ [REDACTED]. This is based on the PAGA Data which shows you worked [REDACTED] workweeks during the PAGA Period.

E. Tax Treatment of Your Settlement Payments

One-third (1/3) of each Individual Class Settlement Share is intended to settle each Class Member's claims for unpaid wages (the "Wage Portion"). The Wage Portion will be reduced by applicable payroll tax withholdings and deductions. Defendants' share of legally required payroll taxes for the Wage Portion will be calculated by the Settlement Administrator and paid by Defendants separately from the GSA. The Settlement Administrator will issue an IRS Form W-2 to each Participating Class Member with respect to the Wage Portion of his/her Individual Class Settlement Share.

One-third (1/3) of the Individual Class Settlement Share is intended to settle each Class Member's claims for interest, and one-third (1/3) of the Individual Class Settlement Share is intended to settle each Class Member's claims for penalties. The Non-Wage Portion will not be reduced by payroll tax withholding and deductions. The Settlement Administrator will issue to each Participating Class Member an IRS Form 1099 with respect to the Non-Wage Portion of his/her Individual Class Settlement Share.

If you are an Aggrieved Employee, your Individual PAGA Settlement Share will be apportioned as 100% penalties. This will not be reduced by payroll tax withholding and deductions. The Settlement Administrator will issue to each Aggrieved Employee an IRS Form 1099 with respect to his/her Individual PAGA Settlement Share.

F. What Happens If You Don't Cash Your Check?

It is strongly recommended that upon receipt of your settlement check, you immediately cash it or cash it before the 180-day void date shown on each check. If any checks remain uncashed or not deposited by the expiration of the 180-day period, the Settlement Administrator will pay over the amount represented by the check to Legal Aid at Work.

11. How Will the Attorneys for the Class and the Class Representative Be Paid?

The attorneys for Plaintiff and the Class will be paid from the Gross Settlement Amount. Subject to Court approval, the attorneys for Plaintiff and the Class shall be paid an amount not to exceed 1/3 of the Gross Settlement Amount (\$133,333.33) for attorney fees and \$30,000 for litigation costs.

Defendants have paid all of their own attorneys' fees and costs.

Plaintiff will also be paid, subject to Court approval, an amount not to exceed \$7,500, as an enhancement for the initiation of and prosecution of this case, the risks undertaken for the payment of costs in the event this case had been lost, and a general release of all claims.
