DECLARATION OF JUSTIN F. MARQUEZ

I, Justin F. Marquez, declare as follows:

1. I am admitted, in good standing, to practice as an attorney in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Senior Partner at Wilshire Law Firm, PLC, counsel of record for Plaintiff Marisela Meza (“Plaintiff”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiff’s Motion for Final Approval of Class Action Settlement.

CASE BACKGROUND

2. This is a wage and hour class action and PAGA representative action. Plaintiff and putative Class Members worked in California as hourly-paid or non-exempt employees for Defendant during the Class Period. Defendant Argus Management Company LLC is based in Long Beach, California and provides physician practice management solutions to solo practitioners, groups, and hospitals. Defendant ProHealth Partners, a Medical Group, Inc. is a medical group consisting of physicians practicing in Los Angeles County and Orange County.

3. Plaintiff alleges that Defendants' payroll, timekeeping, and wage and hour practices resulted in Labor Code violations. Plaintiff alleges that Defendants failed to provide employees with legally compliant meal and rest periods, and Defendant has failed to reimburse business expenses. Plaintiff alleges that Defendants failed to pay for all hours worked. Plaintiff further alleges that Defendants failed to provide employees with legally compliant meal and rest periods, and Defendants failed to reimburse business expenses. Based on these allegations, Plaintiff asserts related claims for failure to provide accurate wage statements, failure to pay all final wages at termination, unfair business practices, and civil penalties under PAGA.

4. On August 26, 2021, Plaintiff filed a putative wage-and-hour class action complaint against Defendants for: (1) failure to pay minimum and straight time wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Labor Code §§ 1194 and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to

1 authorize and permit rest periods (Labor Code §§ 226.7); (5) failure to provide accurate itemized
2 wage statements (Labor Code § 226); (6) failure to indemnify employees for expenditures (Cal.
3 Lab. Code § 2802); and (7) unfair business practices (Business and Professions Code § 17200
4 *et seq.*). On November 4, 2021, Plaintiff filed a Private Attorneys General Act “PAGA” action
5 against Defendants for civil penalties under PAGA (Labor Code §§ 2698, *et seq.*) Plaintiff sent
6 a notice to Defendants and the California Labor & Workforce Development Agency (“LWDA”)
7 alleging similar wage and hour violations pursuant to the PAGA (Labor Code §§ 2699, *et seq.*)
8 on August 26, 2021. On October 4, 2023, Plaintiff filed a First Amended Complaint against
9 Defendants adding the claims from PAGA Action to the Class Action.

10 DISCOVERY, INVESTIGATION, AND SETTLEMENT

11 5. Following the filing of the Complaint, the parties exchanged documents and
12 information before mediating this action. Defendants produced a sample of time and pay records
13 for Class Members. Defendants also provided documents of its wage and hour policies and
14 practices during the Class Period, and information regarding the total number of current and former
15 employees in its informal discovery responses.

16 6. After reviewing documents regarding Defendants’ wage and hour policies and
17 practices, analyzing Defendants’ timekeeping and payroll records, and interviewing Class
18 Members, Class Counsel was able to evaluate the probability of class certification, success on the
19 merits, and Defendants’ maximum monetary exposure for all claims. Class Counsel also
20 investigated the applicable law regarding the claims and defenses asserted in the litigation. Class
21 Counsel reviewed these records and prepared a damage analysis prior to mediation. The damages
22 model was based on a sample size of 130,802 shifts out of an estimated 902,881 total shifts worked
23 by class members, which represents a 0.25% margin of error based on a 95% confidence interval.
24 This extensive investigation and discovery allowed Class Counsel to act intelligently and
25 effectively in negotiating the Settlement.

26 7. On March 23, 2023, the parties participated in private mediation with experienced
27 class action mediator Lisa Klerman, Esq. The mediation was conducted via Zoom. The settlement
28 negotiations were at arm’s length and, although conducted in a professional manner, were

adversarial. The parties went into the mediation willing to explore the potential for a settlement of the dispute, but each side was also prepared to litigate their position through trial and appeal if a settlement had not been reached. After extensive negotiations and discussions regarding the strengths and weaknesses of Plaintiff's claims and Defendants' defenses, the Parties reached a settlement the material terms of which are encompassed within the Settlement Agreement. Attached as **Exhibit 1** is a true and correct copy of the Class Action and PAGA Settlement Agreement and Class Notice ("Settlement" or "Settlement Agreement").

8. Class Counsel has conducted a thorough investigation into the facts of this case. Based on the foregoing discovery and their own independent investigation and evaluation, Class Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best interests of the Settlement Class Members in light of all known facts and circumstances, the risk of significant delay, the defenses that could be asserted by Defendants both to certification and on the merits, trial risk, and appellate risk.

9. The Court granted Plaintiff's Motion for Preliminary Approval of the Settlement on November 21, 2023 on the condition that counsel provide the Court with a revised Notice to address requested changes by the Court. The Parties revised the notice and Plaintiff filed supplemental papers in Support of Plaintiff's Motion for Preliminary Approval of Class Action Settlement on December 5, 2023, and the Court granted Plaintiff's Motion for Preliminary Approval of Class Action Settlement on December 12, 2023. The Notice was sent to all of the class members based on the list of employees that was provided by Defendants to the Settlement Administrator. This list included less employees than the previous estimated employee count of 1,956 as a result of Defendants' initial overestimation of employees due to Defendants' turnover rates. The original 1,956 figure was derived using an extrapolation from a sampling of records produced, which did not initially account for the turnover rate experienced by Defendants. The deadline for class members to opt out or object to the Settlement was February 26, 2024, and April 1, 2024 for the 18 class members who were inadvertently omitted from the Class Data originally given to the Settlement Administrator. The reaction of the Class to the settlement has been overwhelmingly positive. Indeed, as of the filing of this Motion, only one (1) Class Member has

1 opted out of the settlement, and no Class Members have objected to the settlement.

2 10. The proposed Settlement Agreement was provided to the LWDA in advance of
3 Plaintiff filing her Motion for Preliminary Approval.

4 11. The settlement obviates the significant risk that this Court may deny certification of
5 all or some of Plaintiff's claims. While Plaintiff is confident in the merits of her claims, a
6 legitimate controversy exists as to each cause of action. Plaintiff also recognizes that proving the
7 amount of wages due to each class member would be an expensive, time-consuming, and uncertain
8 proposition. Furthermore, even if Plaintiff obtained certification of all or some of the claims,
9 continued litigation would be expensive, involving a trial and possible appeals, and would
10 substantially delay and reduce any recovery by the class. Because of the proposed Settlement,
11 class members will receive timely, guaranteed relief and will avoid the risk of an unfavorable
12 judgment. When considering the risks of litigation, the uncertainties involved in achieving class
13 certification, the burdens of proof necessary to establish liability, the probability of appeal of a
14 favorable judgment, it is clear that the settlement amount of \$1,750,000.00 is within the "ballpark"
15 of reasonableness, and preliminary settlement approval is appropriate.

16 ENHANCEMENT AWARD FOR PLAINTIFF IS REASONABLE]

17 12. Class Counsel represent that Plaintiff devoted a great deal of time and work assisting
18 counsel in the case, communicated with counsel very frequently for litigation and to prepare for
19 mediation, and were frequently in contact with Class Counsel during the mediation. Plaintiff's
20 requested enhancement award is reasonable particularly in light of the substantial benefits Plaintiff
21 generated for all class members.

22 13. Throughout this litigation, Plaintiff, who is a former employee of Defendants, has
23 cooperated immensely with my office and has taken many actions to protect the interests of the
24 class. Plaintiff provided valuable information regarding unpaid overtime, meal period, and rest
25 period claims. Plaintiff also informed my office of developments and information relevant to this
26 action, participated in decisions concerning this action, made herself available to answer questions
27 during the mediation, and provided my office with the names and contact information of potential
28 witnesses in this action. Before we filed this case, Plaintiff provided my office with several

documents, including policy documents, and communications from Defendants regarding the claims alleged in this action. The information and documentation provided by Plaintiff was instrumental in establishing the wage and hour violations alleged in this action, and the recovery provided for in the Settlement Agreement would have been impossible to obtain without Plaintiff's participation.

14. At the same time, Plaintiff faced many risks in serving as the class representative in this matter. Plaintiff faced actual risks with her future employment, as putting herself on public record in an employment lawsuit could also very well affect her likelihood for future employment. Plaintiff also delayed her own personal recovery to better benefit the other class members. Furthermore, as part of this settlement, Plaintiff is executing a general release of all claims against Defendants.

15. In turn, class members will now have the opportunity to participate in a settlement, reimbursing them for alleged wage violations they may have never known about on their own or been willing to pursue on their own. If these class members would have each tried to pursue their legal remedies on their own, that would have resulted in each having to expend a significant amount of their own monetary resources and time, which were obviated by Plaintiff putting herself on the line on behalf of these other class members.

16. In the final analysis, this class action would not have been possible without the aid of Plaintiff, who put her own time and effort into this litigation, sacrificed the value of her own individual claims, and placed herself at risk for the sake of the class members. The requested enhancement awards for Plaintiff for her service as the class representatives and for their general release of all individual claims is a relatively small amount of money when the time and effort put into the litigation are considered and in comparison to enhancements granted in other class actions. The requested incentive award is therefore reasonable to compensate Plaintiff for her active participation in this lawsuit. Indeed, in *Karl Adams, III, et al. v. MarketStar Corporation*, et al., No. 2:14-cv-02509-TLN-DB, a wage and hour class action alleging that class members were misclassified as exempt outside salespersons, I was co-lead Class Counsel and helped negotiate a \$2.5 million class action settlement for 339 class members, and the court approved a \$25,000.00

class representative incentive award for each named plaintiff.

THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

17. The settlement provides for attorney's fees and costs to Class Counsel in an amount up to 33 and 1/3% of the Gross Settlement Amount, for a maximum fees award of \$583,333.33, plus reasonable litigation expenses of up to \$25,000.00.

18. The total current lodestar for Wilshire Law Firm, PLC is not less than the following:

Person	Role	Hours	Rate	Lodestar
Justin F. Marquez	Senior Partner (14+ years)	78	\$1,500	\$117,000
Benjamin H. Haber	Associate Attorney (7th Year)	115	\$800	\$92,000
Arrash Fattahi	Associate Attorney (4th Year)	69	\$600	\$41,400
Maxim Gorbunov	Associate Attorney (3rd Year)	34	\$550	\$18,700
Bradford Smith	Law and Motion Attorney (2nd Year)	15	\$500	\$7,500
Min Jee Kim	Senior Paralegal	26	\$200	\$5,200
Rebecca Padilla	Paralegal	29	\$150	\$4,350
Total:		366		\$286,150

19. Class Counsel has spent over 366 hours litigating this Action to bring it to resolution, not including time which will be expended monitoring the administration of the settlement and distribution of funds to the Class Members. The efforts expended by Plaintiff's counsel to achieve this result include, but are not limited to, the following:

- a. the investigation of the matter, including meeting with Plaintiff, reviewing Defendants' policies, and requesting and reviewing Plaintiff's time and pay records, personnel files, and exploring the corporate structure of Defendants;
- b. filing the Action;
- c. attending status conferences and meeting and conferring with Defendant regarding the case;
- d. drafting and serving written formal discovery;
- e. reviewing Defendants' written discovery;

- f. meeting and conferring with Defendants regarding mediation, exchange of informal discovery beforehand, and negotiating with opposing counsel regarding the parameters thereof;
- g. selecting a mediator and mediation date;
- h. working with opposing counsel and an expert consultant for the receipt of a representative sampling and analyzing the same with the aid of expert consultant and Plaintiff to perform analyses of liability and exposure prior to attendance of the mediation in this matter;
- i. reviewing policy documents from Defendants and researching applicable defenses;
- j. preparation of a mediation brief and damages model for use at mediation;
- k. attendance at mediation by all Parties and Counsel;
- l. communicating with Plaintiff who requested updates or other information regarding this matter;
- m. engaging in settlement negotiations, followed by finalizing and fully executing the settlement agreement;
- n. preparing and assisting in the drafting of the Motion for Preliminary Approval and supporting documents;
- o. meeting and conferring with Defendants' counsel regarding supplemental briefing in support of Plaintiff's Motion for Preliminary Approval and briefing schedules;
- p. communicating with class members who sought additional information regarding the settlement, including answering questions regarding the settlement and obtaining updated addresses from class members for purposes of receiving the class notices and administering the settlement checks;
- q. communicating with the Settlement Administrator to ensure the Class Notice was properly distributed and engaging in extensive follow-up communications with the Settlement Administrator regarding class members who sought additional information about the Settlement; and
- r. preparing the instant Motion for Final Approval and supporting documents.

1 20. There are additional hours devoted by me (and by my colleagues) to this litigation
2 that are not reflected in Class Counsel's request for attorney's fees.

3 21. We can provide additional billing records in the event the Court requests them, but
4 would request the opportunity to redact attorney-client privileged information and any other
5 privileged information.

6 22. I am informed and believe that the fee and costs provision is reasonable. The fee
7 percentage requested is less than that charged by my office for most employment cases. My office
8 invested significant time and resources into the case, with payment deferred to the end of the case,
9 and then, of course, contingent on the outcome.

10 23. It is further estimated that my office will need to expend at least another 25 to 40
11 hours to monitor the process leading up to payments made to the class. My office also bears the
12 risk of taking whatever actions are necessary if Defendants fail to pay.

13 24. The risk to my office has been very significant, particularly if we would not be
14 successful in pursuing this class action. In that case, we would have been left with no compensation
15 for all the time taken in litigating this case. Indeed, I have taken on a number of class action cases
16 that have resulted in thousands of attorney hours being expended and ultimately having
17 certification denied or the defendant company going bankrupt. The contingent risk in these types
18 of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing
19 on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

20 25. Because most individuals cannot afford to pay for representation in litigation on an
21 hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a
22 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
23 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
24 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
25 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
26 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
27 that we recover more than our regular hourly rate when we win if we are to remain in practice so
28 as to be able to continue representing other individuals in civil rights employment disputes.

26. As of the drafting of this motion, my office has incurred around \$20,593.64 in expenses litigating this action, and we anticipate accruing additional costs up to Final Approval of the Settlement. These expenses were reasonably necessary to the litigation and were actually incurred by my office. We also anticipate additional costs in the amount of \$300.00, which includes the costs for filing Plaintiff's Motion for Final Approval, the distribution compliance report, and appearing at the hearing. Accordingly, my office respectfully requests reimbursements of \$20,893.64 in expenses, which should be reimbursed in full. Attached as Exhibit 2 is a list of the costs and the categories of costs for the costs incurred in this case to date.

PLAINTIFF'S COUNSEL'S EXPERIENCE AND QUALIFICATIONS

27. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of over 70 attorneys and over 500 employees. Wilshire Law Firm, PLC is actively and continuously practicing in employment litigation, representing employees in both individual and class actions in both state and federal courts throughout California.

28. Wilshire Law Firm, PLC is qualified to handle this litigation because its attorneys are experienced in litigating Labor Code violations in both individual, class action, and representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling, numerous wage and hour class action lawsuits, as well as class actions involving consumer rights and data privacy litigation.

29. I graduated from the University of California, Los Angeles's College Honors Program in 2004 with Bachelor of Arts degrees in History and Japanese, *magna cum laude* and *Phi Beta Kappa*. As an undergraduate, I also received a scholarship to study abroad for one year at Tokyo University in Tokyo, Japan. I received my Juris Doctor from Notre Dame Law School in 2008.

30. My practice is focused on advocating for the rights of consumers and employees in class action litigation and appellate litigation. I am currently the primary attorney in charge of litigating several class action cases in state and federal courts across the United States.

31. I have received numerous awards for my legal work. From 2017 to 2020, Super

1 Lawyers selected me as a “Southern California Rising Star,” and from 2022 to 2024, I was selected
2 as a “Southern California Super Lawyer.” I was selected as one of the “Best Lawyers in America”
3 in 2023 and 2024. In 2016 and 2017, the National Trial Lawyers selected me as a “Top 40 Under
4 40” attorney. I am also rated 10.0 (“Superb”) by Avvo.com.

5 32. I am on the California Employment Lawyers Association (“CELA”)’s Wage and
6 Hour Committee and Mentor Committee, and I was selected to speak at CELA’s 2019 Advanced
7 Wage & Hour Seminar on the topic of manageability of class actions. Since 2013, I have actively
8 mentored young attorneys through CELA’s mentorship program.

9 33. I am also a past member of the Consumer Attorneys of California (“CAOC”). In
10 2020, I was selected for a position on CAOC’s Board of Directors. I am also a past member of
11 CAOC’s Diversity Committee, and I helped assist the CAOC in defeating bills that harm
12 employees. Indeed, I recently helped assist Jacqueline Serna, Esq., Legislative Counsel for CAOC,
13 in defeating AB 443, which proposed legislation that sought to limit the enforceability of California
14 Labor Code § 226.

15 34. As the attorney responsible for day-to-day management of this matter at the
16 Wilshire Law Firm, PLC, I have over fourteen years of experience with litigating wage and hour
17 class actions. Over the last fourteen years, I have managed and assisted with the litigation and
18 settlement of several wage and hour class actions. In those class actions, I performed similar tasks
19 as those performed in the course of prosecuting this action. My litigation experience includes:

- 20 a. I served as lead or co-lead in negotiating class action settlements worth over \$10
21 million in gross recovery to class members for each year since 2020, including
22 over \$37.5 million in 2022 and over \$75 million in 2023.
- 23 b. I was part of the team of attorneys that prevailed in *Moore v. Centrelake Medical*
24 *Group, Inc.* (2022) 83 Cal.App.5th 515, the first California appellate decision in
25 a data breach class action holding that consumer plaintiffs adequately alleged
26 injury in fact under the benefit of the bargain theory and monitoring-costs
27 theory.
- 28 c. In 2022, Top Verdict recognized Wilshire Law Firm and myself for having one

case in the Top 20 Labor & Employment Settlements (including number 19 for the \$4.1 million settlement in The FPI Management Wage and Hour Cases) and four additional cases in the Top 50 Labor & Employment Settlements (numbers 36, 39, 41, and 49.)

- d. In 2021, Top Verdict recognized Wilshire Law Firm and myself for having one case in the Top 20 Labor & Employment Settlements in 2021 (including number 19 for the \$1.6 million settlement in *Moreno v. Pretium Packaging, L.L.C*) and four additional cases in the Top 50 Labor & Employment Settlements in 2021 (numbers 27, 30, 33, and 37).
- e. To my knowledge, I am the only attorney to appear on each of the following Top Verdict lists for 2018 in California: Top 20 Civil Rights Violation Verdicts, Top 20 Labor & Employment Settlements, and Top 50 Class Action Settlements.
- f. As lead counsel, on April 29, 2021, I prevailed against CVS Pharmacy, Inc. by winning class certification on behalf of hundreds of thousands of consumers for misleading advertising claims in *Joseph Mier v. CVS Pharmacy, Inc.*, U.S. Dist. Ct. C.D. Cal. no. SA CV 20-1979-DOC-(ADSx).
- g. As lead counsel, I prevailed against Bank of America by: winning class certification on behalf of thousands of employees for California Labor Code violations; defeating appellate review of the court's order certifying the class; defeating summary judgment; and defeating a motion to dismiss. (*Frausto v. Bank of America, N.A.* (N.D. Cal. 2019) 334 F.R.D. 192, 2020 WL 1290302 (9th Cir. Feb. 27, 2020), 2019 WL 5626640 (N.D. Cal. Oct. 31, 2019), 2018 W.L. 3659251 (N.D. Cal. Aug. 2, 2018)). The decision certifying the class in *Frausto* is also discussed in Class Certification Under Fed. R. Civ. P. 23 in Action by Information Technology or Call Center Employees for Violation of State Law Wage and Hour Rules, 35 A.L.R. Fed. 3d Art. 8.
- h. I was the primary author of the class certification and expert briefs in *ABM Industries Overtime Cases* (2017) 19 Cal.App.5th 277, a wage and hour class

1 action for over 40,000 class members for off-the-clock, meal period, split shift,
2 and reimbursement claims. *ABM Industries Overtime Cases* is the first
3 published California appellate authority to hold that an employer’s “auto-deduct
4 policy for meal breaks in light of the recordkeeping requirements for California
5 employers is also an issue amenable to classwide resolution.” (*Id.* at p. 310.)¹
6 Notably, the Court of Appeal also held that expert analysis of timekeeping
7 records can also support the predominance requirement for class certification.
8 (*Id.* at p. 310-11.) In 2021, the case settled for \$140 million, making it one of
9 the largest ever wage and hour class action settlements for hourly-paid
10 employees in California.

- 11 i. I briefed, argued, and won *Yocupicio v. PAE Group, LLC* (9th Cir. 2015) 795
12 F.3d 1057. The Ninth Circuit ruled in my client’s favor and held that non-class
13 claims under California’s Private Attorney Generals Act (“PAGA”) cannot be
14 used to calculate the amount in controversy under the Class Action Fairness Act
15 (“CAFA”). This case is cited in several leading treatises such as Wright &
16 Miller’s Federal Practice & Procedure, and Newberg on Class Actions. In
17 October 2016, the U.S. Supreme Court denied review of a case that primarily
18 concerned Yocupicio. That effort was led by Theodore J. Boutrous, who
19 brought the cert petition, with amicus support from a brief authored by Andrew
20 J. Pincus.² Considering that leading Supreme Court practitioners from the class
21 action defense bar were very motivated in undermining Yocupicio case, but
22 failed, this demonstrates the national importance of the Yocupicio decision.
- 23 j. On December 13, 2018, the United States District Court granted final approval
24 of the \$2,500,000 class action settlement in *Mark Brulee, et al. v. DAL Global*

25
26 ¹ As a California district court observed before the *ABM Industries Overtime* decision,
27 “[t]he case law regarding certification of auto-deduct classes is mixed.” (*Wilson v. TE Connectivity*
28 *Networks, Inc.* (N.D. Cal. Feb. 9, 2017) No. 14-CV-04872-EDL, 2017 WL 1758048, *7.)

1 *Services, LLC* (C.D. Cal. Dec. 13, 2018) No. CV 17-6433 JVS(JCGx), 2018 WL
2 6616659 in which I served as lead counsel. In doing so, the Court found: “Class
3 Counsel’s declarations show that the attorneys are experienced and successful
4 litigators.” (Id. at p. *10.)

5 k. *Gasio v. Target Corp.* (C.D. Cal. Sep. 12, 2014) 2014 U.S. Dist. LEXIS 129852,
6 a reported decision permitting class-wide discovery even though the employer
7 has a lawful policy because “[t]he fact that a company has a policy of not
8 violating the law does not mean that the employees follow it, which is the issue
9 here.” The court also ordered Defendants to pay for the cost of *Belaire-West*
10 notice.

11 l. In 2013, I represented a whistleblower that reported that his former employer
12 was defrauding the State of California with the help of bribes to public
13 employees. The case, a false claims (qui tam) action, resulted in the arrest and
14 criminal prosecution of State of California employees by the California Attorney
15 General’s Office.

16 m. In 2013, I was part of a team of attorneys that obtained conditional certification
17 for over 2,000,000 class members in a federal labor law case for
18 misclassification of independent contractors that did crowdsourced work on the
19 Internet, *Otey v. CrowdFlower, Inc.*, N.D. Cal. Case No. 12-cv-05524-JST
20 (MEJ), resulting in the following pro-plaintiff reported decisions:

21 1) 2013 U.S. Dist. LEXIS 151846 (N.D. Cal. Oct. 22, 2013) (holding
22 that an unaccepted Rule 68 offer doesn’t moot plaintiff’s claims, and
23 granting plaintiff’s motion to strike Defendants’ affirmative defenses
24 based on *Twombly/Iqbal*).

25 2) 2013 U.S. Dist. LEXIS 122007 (N.D. Cal. Aug. 27, 2013) (order
26 granting conditional collective certification).

27 3) 2013 U.S. Dist. LEXIS 95687 (N.D. Cal. July 8, 2013) (affirming the
28 magistrate judge’s discovery ruling which held that “evidence of

other sources of income is irrelevant to the question of whether a plaintiff is an employee within the meaning of the FLSA”).

4) 2013 U.S. Dist. LEXIS 91771 (N.D. Cal. June 20, 2013) (granting broad discovery because “an FLSA plaintiff is entitled to discovery from locations where he never worked if he can provide some evidence to indicate company-wide violations”).

n. From 2012 to 2013, I was part of a team of attorneys that obtained class certification for over 60,000 class members for off-the-clock claims, *Linares v. Securitas Security Services USA, Inc.*, Los Angeles Superior Court No. BC416555. We also successfully opposed subsequent appeals to the California Court of Appeal and California Supreme Court.

For those categories, the third quartile Los Angeles partner rate in 2022 were \$1,133 per hour for 21 or more years and \$1,075 for attorneys with fewer than 21 years. The article also notes that law firm rates have been increasing by just under 3% per year. A true and correct copy of this article is attached hereto as **Exhibit 4**.

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct.

Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Participating Class Members and Aggrieved Employees whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Participating Class Member and/or Aggrieved Employee whose original check was lost or misplaced, requested by the Participating Class Member and/or Aggrieved Employee prior to the void date.

4.4.3. For any Participating Class Member and/or Aggrieved Employee whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, and Participating Class Members will release claims against all Released Parties as follows:

5.1 Plaintiff's Release. Plaintiff and her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, and Plaintiff's PAGA Notice ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless,

that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

5.1.1 Plaintiff's Waiver of Rights Under California Civil Code Section 1542.

For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

5.2 Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint, including any and all claims involving any recovery of unpaid minimum wages and unpaid overtime (Cal. Lab. Code §§ 204, 1194, 1194.2, 1197, 1198), failure to provide meal and rest periods (Cal. Lab. Code §§ 226.7, 512), failure to provide accurate wage statements (Cal. Lab. Code § 226), failure to pay all wages due at separation (Cal. Lab. Code §§ 201-203), failure to reimburse business expenses (Cal. Lab. Code § 2802), and violation of Unfair Business Practices (Cal. Bus. & Prof. Code §§ 17200, et seq.). Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

5.3 Release by Participating and Non-Participating Class Members who are Aggrieved Employees: All Participating and Non-Participating Class Members who are Aggrieved Employees, the State of California, and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice, including any and all claims involving any alleged failure to pay minimum wages or overtime, failure to provide meal and rest periods, failure to provide accurate wage statements, failure to pay all wages due at separation, and failure to reimburse business expenses, including Labor Code sections 201, 202, 203, 210, 216, 223, 225.5, 226, 226.3, 226.7, 245-248.5, 256, 432, 432.5, 432.7, 510, 512, 558, 558.1, 1024.5, 1174, 1194, 1197, 1197.1, 1198, 1198.5, 1199, 2699, 2699.3, 2802, 2810.5 during the PAGA Period. Aggrieved Employees only release these claims for the duration of the PAGA Period.

6. **MOTION FOR PRELIMINARY APPROVAL.** Plaintiff agrees to prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with

the Court's current checklist for Preliminary Approvals. The Parties agree to work cooperatively to ensure that the Motion for Preliminary Approval is granted.

- 6.1 Plaintiff's Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a statement from the Administrator attaching its "not to exceed" bid for administering the Settlement; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members and the Administrator; (v) a signed declaration from Class Counsel attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); and all facts relevant to any actual or potential conflict of interest with Class Members and/or the Administrator. Plaintiff's and Class Counsel's Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 6.2 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.
- 6.3 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1 Selection of Administrator. The Parties have jointly selected Apex Class Action to serve as the Administrator and verified that, as a condition of appointment, Apex Class Action agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship,

financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.
- 7.4 Notice to Class Members.
- 7.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- 7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation, substantially in the form attached to this Agreement as **Exhibit A**. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- 7.4.3 Not later than 3 business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- 7.4.4 The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- 7.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in

the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever ever are later.

7.5 Requests for Exclusion (Opt-Outs).

- 7.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- 7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- 7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- 7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.4 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval

and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

- 7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- 7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 7.8.5 Administrator’s Declaration. Not later than 7 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of the Class Notice, the total number of Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from the Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report

detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. CLASS SIZE ESTIMATES AND ESCALATOR CLAUSE.

8.1 Based on its records, Defendant estimates that there are approximately 1,956 Class Members and 203,649 Total Workweeks during the Class period.

8.2 The Gross Settlement Amount was agreed upon based on Defendant's records produced at the time of mediation. If the number of number of Workweeks during the Class Period exceeds 203,649 by more than ten percent (10%), the Gross Settlement Amount shall be increased on a pro rata basis per Workweek exceeding the 10% increase (i.e., if the number increases by 11%, the Gross Settlement Amount shall be increased by 1%).

9. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. MOTION FOR FINAL APPROVAL. Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel as soon as practicable prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval. The Motion for Final Approval shall include a provision that the Operative Action is dismissed with prejudice, which shall constitute a final and binding resolution of Plaintiff's claims.

10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

- 10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Participating Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Actions, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.
11. **AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

- 12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Actions have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Actions, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Actions will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement). The Agreement and any related documents may not be cited or used as an admission of liability.
- 12.2 Confidentiality. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity, via a press release, press conference, or publication of information about the settlement on any website or through any social media except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 12.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 12.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 12.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 12.8 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 12.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 12.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 12.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

- 12.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Actions and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 12.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.
- 12.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 12.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 12.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Argus Management Company, LLC and ProHealth Partners, a Medical Group (collectively; “Argus and ProHealth”) for alleged wage and hour violations. The Action was filed by a former employee Marisela Meza (“Plaintiff”) and seeks payment of (1) back wages and other relief for a class of hourly employees (“Class Members”) who worked for Argus during the Class Period (August 26, 2017 to March 23, 2023); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all hourly employees who worked for Argus during the PAGA Period (August 26, 2021 to March 23, 2023) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Argus and ProHealth to fund Individual Class Payments, and (2) a PAGA Settlement requiring Argus to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Argus and ProHealth’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Argus and ProHealth’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Argus and ProHealth’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Argus and ProHealth to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Argus and ProHealth.

If you worked for Argus and ProHealth during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

(1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Argus and ProHealth .

(2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Argus and ProHealth, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Argus and ProHealth will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Argus and ProHealth that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [date]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Argus and ProHealth must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members.

Written Objections Must be Submitted by [date]	You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [date] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [date]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [date]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Argus Medical and ProHealth's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [date]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee. The Action accuses Argus and ProHealth of Failure to Pay Minimum and Straight Time Wages, Failure to Pay Overtime Wages, Failure to Provide Meal Periods, Failure to Authorize and Permit Rest Periods, Failure to Timely Pay Final Wages at Termination, Failure to Provide Accurate Itemized Wage Statements, Failure to Indemnify Employees for Expenditures, and Unfair Business Practices. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Justin Marquez, Benjamin Haber, and Arrash Fattahi of Wilshire Law Firm, PLC ("Class Counsel.")

Argus and ProHealth strongly deny violating any laws or failing to pay any wages and contend it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Argus and ProHealth or Plaintiff is correct on the merits. Plaintiff and Argus and ProHealth participated in a mediation conducted by an experienced, neutral mediator to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Argus and ProHealth have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed

Settlement is a compromise of disputed claims. By agreeing to settle, Argus and ProHealth does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Argus and ProHealth have agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Argus and ProHealth Will Pay \$1,750,000 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Argus Medical and ProHealth will fund the Gross Settlement not more than [14] days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to [\$ amount] (x% of the Gross Settlement) to Class Counsel for attorneys' fees and up to \$[amount] for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$[amount] as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$[amount] to the Administrator for services administering the Settlement.
 - D. Up to \$[amount] for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and Argus and ProHealth are asking the Court to approve an allocation of 25% of each Individual Class Payment to taxable wages (“Wage Portion”) and 75% to interest and penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Argus and ProHealth will separately pay employer payroll taxes they owe on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Argus and ProHealth have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller’s Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [date] Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Argus and ProHealth.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Argus and ProHealth based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Argus and ProHealth have agreed that, in either case, the Settlement will be void: Argus and Prohealth will not pay any money and Class Members will not release any claims against Argus and Prohealth.
8. Administrator. The Court has appointed a neutral company, Apex Class Action (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and Argus and Prohealth have fully funded the Gross Settlement, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Argus and Prohealth or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint, including any and all claims involving any recovery of unpaid minimum wages and unpaid overtime (Cal. Lab. Code §§ 204, 1194, 1194.2, 1197, 1198), failure to provide meal and rest periods (Cal. Lab. Code §§ 226.7, 512), failure to provide accurate wage statements (Cal. Lab. Code § 226), failure to pay all wages due at separation (Cal. Lab. Code §§ 201-203), failure to reimburse business expenses (Cal. Lab. Code § 2802), and violation of Unfair Business Practices (Cal. Bus. & Prof. Code §§ 17200, et seq.) Except as set forth in Section 6.3 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.ⁱ

10. Aggrieved Employees’ PAGA Release. After the Court’s judgment is final, and Argus and ProHealth have paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Argus and ProHealth, whether or not they exclude themselves from the

Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Argus and ProHealth or their related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are Aggrieved Employees, the State of California and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice, including any and all claims involving any alleged failure to pay minimum wages or overtime, failure to provide meal and rest periods, failure to provide accurate wage statements, failure to pay all wages due at separation, and failure to reimburse business expenses, including Labor Code sections 201, 202, 203, 210, 216, 223, 225.5, 226, 226.3, 226.7, 245-248.5, 256, 432, 432.5, 432.7, 510, 512, 558, 558.1, 1024.5, 1174, 1194, 1197, 1197.1, 1198, 1198.5, 1199, 2699, 2699.3, 2802, 2810.5 during the PAGA Period. Aggrieved Employees only release these claims for the duration of the PAGA Period.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$[amount] by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Argus and ProHealth's records, are stated in the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Argus and ProHealth's calculation of Workweeks and/or Pay

Periods based on Argus and ProHealth's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Argus and ProHealth's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as Meza v. Argus Management and ProHealth Partners, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Argus and ProHealth are asking the Court to approve. At least [insert] days before the [date] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class

Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website **[need details]** or the Court's website **[need details]**.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [date].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action [case caption] and include your name, current address, telephone number, and approximate dates of employment for [Argus and ProHealth] and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on [date] at [time] in Department [7] of the Los Angeles Superior Court, located at 312 North Spring Street, Los Angeles, CA 90012. Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.
