**DECLARATION OF JENNIFER
BEAUSOLEIL**

Date: March 14, 2025
Time: 10:00 am
Dept.: SSC-6

1 I, JENNIFER BEAUSOLEIL, declare as follows:

2
3 1. I am an adult over the age of eighteen (18) years old. I am a plaintiff in the above-
4 captioned lawsuit. I have personal knowledge of the facts set forth in this declaration. I make this
5 declaration in support of Plaintiffs' Motion for Approval of PAGA Settlement.

6 2. I worked for Simi Valley Hospital as a Registered Nurse (RN) lead, emergency
7 room charge nurse, and charge nurse, from in or around 2021 and continuing through the present.
8 While I worked there I don't think I was paid for all of the hours that I worked – for example, I
9 would lose a few minutes of time each day walking through the facility to get to/from the time
10 clocks, and many times I had to clock out at the scheduled end of a shift but keep working
11 because I was busy attending to a patient. I also don't think I received all of my lunches and
12 breaks correctly, as many times breaks would be missed, late, for cut short/interrupted by work. I
13 also had to download an app on my phone for work, but never received any reimbursement.

14 3. I decided to file this lawsuit because I did not feel that I was treated fairly as an
15 employee of Defendant, especially with regard to me not receiving all of the pay I believe I
16 earned, not getting proper breaks, and having to pay for own phone.

17 4. It is my understanding this lawsuit could not have been prosecuted or settled on
18 behalf of the other employees unless some current or former employee decided to serve as a
19 named plaintiff. In deciding to serve as a named plaintiff in this case, I understood that my name
20 could be publicly attached to this lawsuit and that my work experiences to some extent would be
21 set forth in a public court file. I recognized I would need to devote a certain amount of time that I
22 could have spent otherwise. I also recognized my bringing the lawsuit carried some degree of risk
23 for defendants' legal costs among other things. Despite this, I decided to serve as the named
24 plaintiff and proposed PAGA representative, without any promise of recovery or compensation.

25 5. I am familiar with the work involved in prosecuting this case. I have participated
26 in meetings, phone calls, and other communications with my lawyers regarding this case. I am
27 familiar with the allegations and defenses of the claims in this case. I am familiar with the major
28 events in this case, including the investigation performed by my lawyers, the mediation with

1 Defendant that resulted in this settlement, and the preparation of settlement papers and the need to
2 obtain court approval of the proposed settlement. I participated in the litigation and provided my
3 lawyers with information and documents regarding my employment with Defendant.

4 6. I believe that the proposed settlement obtained on behalf of the State and other
5 aggrieved employees is excellent in view of the issues and risks involved with the case.

6 7. I believe I have fulfilled my duties as a named plaintiff and representative, which
7 required a significant amount of time and effort during the course of this case. These efforts
8 required dedicating numerous hours to lawsuit activities including, but not limited to:

9 (a) communicating with my attorneys to stay informed of ongoing developments in the case and
10 to discuss the proposed settlement ultimately negotiated; (b) searching for and providing
11 documents and other materials relating to my work experience; (c) responding to requests for
12 information relating to my work experience; and (d) reviewing filings and key documents
13 including drafts of the complaint and the settlement agreement. These tasks required my
14 dedication of at least 15-20 hours of my time, which time I honestly could have spent on family,
15 personal time, or work. My understanding is that future tasks may require several more hours of
16 my time. Further, at all times I was ready, willing and able to testify at deposition and/or trial. I
17 believe I have been diligent and that I have acted above and beyond that of which is expected of a
18 named plaintiff and proposed PAGA representative to date and will continue to do so.

19 8. It is my opinion that \$5,000.00 is a fair and adequate award for my service as the
20 named plaintiff and PAGA Representative. I believe that amount is fair and reasonable in view of
21 the work I have and will continue to perform on behalf of the other employees. I believe that my
22 role as the named plaintiff in this lawsuit has resulted in a valuable benefit to the other
23 employees, and I accepted the potential risk of being liable for the opposing parties' costs if we
24 were unsuccessful in this lawsuit. I believed in this case, so I was willing to be the named plaintiff
25 and to risk this and pursue this litigation. I also accepted the risk that news of this lawsuit could
26 also potentially impact my ability to secure other work.

27 9. Based on the time, service, risk, stress, potential stigma, loss of benefits and
28 excellent outcome of this case, I believe the enhancement for me is fair and reasonable.

1 I declare under penalty of perjury under the laws of California that the foregoing is true
2 and correct. Executed on 02 / 06 / 2025, at West Hills, California.
