I, Jennifer M. Holly, declare:

1. I am an attorney admitted to practice before the courts of the State of California. I am an attorney in the law firm of Gordon Rees Scully Mansukhani, LLP ("GRSM"), counsel of record for Defendant Kenco Logistic Services, LLC. I submit this declaration in support of Plaintiffs Motion for Preliminary Approval of Class Action Settlement. I have personal knowledge of the facts set forth in this declaration and, if called as a witness, could and would testify competently to such facts under oath.

Except for the Action designated as Daniel Dominguez v. Kenco Logistic Services, LLC, Riverside County Superior Court Case No. CVRI2105393 ("Dominguez Action"), I am not aware of any class, representative or other collective action in any other court in this or any other jurisdiction in California, in which a plaintiff has asserted claims to those asserted by

1 Plaintiff in the Dominguez Action. I have made a reasonable inquiry of Kenco Logistic
2 Services, LLC, and of other members of my law firm, and none of them are aware of any
3 similar actions against Kenco Logistic Services, LLC other than the Dominguez Action. I have
4 also conducted a search of the website of the State of California, Department of Industrial
5 Relations, and have not found any similar representative action filed against Kenco Logistic
6 Services, LLC other than the PAGA claim filed with the California Labor Workforce
7 Development Agency by Plaintiff. Additionally, I also caused to be conducted a litigation
8 search on Lexis, which search did not uncover any class, representative or other collective
9 action against Kenco Logistic Services, LLC other than the Dominguez Action.

10 I declare under penalty of perjury under the laws of the State of California that the
11 foregoing is true and correct.

12 Executed this 30th day of March 2023 at Sacramento, California.
