**DECLARATION OF ARRASH T.
FATTAHI IN SUPPORT OF
PLAINTIFFS' MOTION FOR FINAL
APPROVAL OF CLASS ACTION
SETTLEMENT**

FINAL APPROVAL HEARING

Date: January 21, 2025
Time: 10:30 a.m.
Dept.: 1

Complaint filed: August 26, 2021
FAC filed: May 29, 2024
Trial date: Not set

I, Arrash T. Fattahi, declare as follows:

1. I am admitted, in good standing, to practice as an attorney in the State of California and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Managing Associate at Wilshire Law Firm, PLC, counsel of record for Plaintiff Thomas Brown. I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiff Brown and Anthony Doss' (collectively, "Plaintiffs") Motion for Final Approval of Class Action Settlement (the "Motion").

CASE BACKGROUND

2. This is a wage and hour class action and Private Attorneys General Act (“PAGA”) representative action. Plaintiffs and the putative class members worked in California as hourly-paid or non-exempt employees for Fidelity Security Services, Inc. (“Defendant,” and together with Plaintiffs, the “Parties”) during the class period. Defendant is a professional security guard company based in Los Angeles that provides armed and unarmed security guards for shopping malls, schools, and parking lots.

3. Plaintiffs allege that Defendant's payroll, timekeeping, and wage and hour practices resulted in Labor Code violations. Plaintiffs allege that Defendant failed to pay for all hours worked. Plaintiffs further allege that Defendant failed to provide employees with legally compliant meal and rest periods, and Defendant failed to reimburse business expenses. Based on these allegations, Plaintiffs assert related claims for failure to provide accurate wage statements, failure to pay all final wages at termination, unfair business practices, and civil penalties under PAGA.

4. On August 26, 2021, Plaintiff Brown filed a putative wage and hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) unfair business

practices. On September 9, 2021, Plaintiff Brown sent a notice to Defendant and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to PAGA. On May 29, 2024, Plaintiff Brown filed a First Amended Class & Representative Action Complaint against Defendant adding a claim for civil penalties under the PAGA, including a claim for Defendant’s failure to pay wages every pay period, adding Plaintiff Doss as an additional class representative, and adding Harout Messrelian as counsel for Plaintiff Doss.

DISCOVERY, INVESTIGATION, AND SETTLEMENT

5. Following the filing of the initial complaint, the Parties exchanged documents and information before mediating this action. Defendant produced a sample of time and pay records for the class members. Defendant also provided documents of its wage and hour policies and practices during the class period, financial documents and information regarding the total number of current and former employees in its informal discovery responses.

6. After reviewing documents regarding Defendant’s wage and hour policies and practices, financial documents, and analyzing Defendant’s timekeeping and payroll records, Class Counsel was able to evaluate the probability of class certification, success on the merits, and Defendant’s maximum monetary exposure for all claims. Class Counsel also investigated the applicable law regarding the claims and defenses asserted in the litigation. Class Counsel reviewed these records and prepared a damage analysis prior to mediation. This extensive investigation and discovery allowed Class Counsel to act intelligently and effectively in negotiating the Settlement.

7. On On July 14, 2023, the Parties participated in private mediation with experienced class action mediator, Hon. Mitchell R. Goldberg (Ret.). The mediation was conducted via Zoom. The settlement negotiations were at arm’s length and, although conducted in a professional manner, were adversarial. The Parties went into the mediation willing to explore the potential for a settlement of the dispute, but each side was also prepared to litigate their position through trial and appeal if a settlement had not been reached. After extensive negotiations and discussions regarding the strengths and weaknesses of Plaintiffs’ claims and Defendant’s defenses, and Defendant’s financial condition, the Parties reached a settlement, the material terms of which are encompassed

1 within the Settlement Agreement. Attached as Exhibit 1 is a true and correct copy of the Class
2 Action and PAGA Settlement Agreement and Class Notice (the “Settlement Agreement”).

3 8. Class Counsel has conducted a thorough investigation into the facts of this case.
4 Based on the foregoing discovery and their own independent investigation and evaluation, Class
5 Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best
6 interests of the Settlement Class Members in light of all known facts and circumstances, the risk
7 of significant delay, the defenses that could be asserted by Defendant both to certification and on
8 the merits, trial risk, and appellate risk.

9 9. The Court granted Plaintiffs’ Motion for Preliminary Approval of Class Action
10 Settlement on August 16, 2025 [sic].¹ The deadline for class members to opt out or object to the
11 Settlement was December 8, 2024. The reaction of the Class to the settlement has been
12 overwhelmingly positive. Indeed, as of the filing of this Motion, no Class Member has opted out
13 of the settlement and no Class Member has objected to the settlement.

14 10. The settlement obviates the significant risk that the Court may deny certification of
15 all or some of Plaintiffs’ claims. While Plaintiffs are confident in the merits of their claims, a
16 legitimate controversy exists as to each cause of action. Plaintiffs also recognize that proving the
17 amount of wages due to each class member would be an expensive, time-consuming, and uncertain
18 proposition. Furthermore, even if Plaintiffs obtained certification of all or some of the claims,
19 continued litigation would be expensive, involving a trial and possible appeals, and would
20 substantially delay and reduce any recovery by the class.

21 11. The proposed Settlement Agreement was provided to the LWDA in advance of
22 Plaintiffs’ filing of the Motion for Preliminary Approval of Class Action Settlement.

23 ENHANCEMENT AWARDS FOR PLAINTIFFS ARE REASONABLE

24 12. Class Counsel represent that Plaintiffs devoted a great deal of time and work
25 assisting counsel in the case, communicated with counsel very frequently for litigation and to
26 prepare for mediation, and were frequently in contact with Class Counsel during the mediation.

27 _____
28 ¹ Preliminary approval was granted on August 16, 2024.

1 Plaintiffs' requested enhancement awards are reasonable particularly in light of the substantial
2 benefits Plaintiffs generated for all class members.

3 13. Throughout this litigation, Plaintiffs, who are former employees of Defendant, have
4 cooperated immensely and have taken many actions to protect the interests of the class. Plaintiffs
5 provided valuable information regarding the off-the-clock, meal period, and rest period claims.
6 Plaintiffs also informed my office and Mr. Messrelian's office of developments and information
7 relevant to this action, participated in decisions concerning this action, and made themselves
8 available to answer questions during the mediation. The information and documentation provided
9 by Plaintiffs was instrumental in establishing the wage and hour violations alleged in this action,
10 and the recovery provided for in the Settlement Agreement would have been impossible to obtain
11 without Plaintiffs' participation.

12 14. At the same time, Plaintiffs faced many risks in adding themselves as the class
13 representative in this matter. Plaintiffs faced actual risks with his future employment, as putting
14 themselves on public record in an employment lawsuit could also very well affect their likelihood
15 for future employment. Furthermore, as part of this settlement, Plaintiffs are executing general
16 releases of all claims against Defendant.

17 15. In turn, class members will now have the opportunity to participate in a settlement,
18 reimbursing them for alleged wage violations they may have never known about on their own or
19 been willing to pursue on their own. If these class members would have each tried to pursue their
20 legal remedies on their own, that would have resulted in each having to expend a significant amount
21 of their own monetary resources and time, which were obviated by Plaintiffs putting themselves
22 on the line on behalf of these other class members.

23 16. In the final analysis, this class action would not have been possible without the aid
24 of Plaintiffs, who put their own time and effort into this litigation, sacrificed the value of their own
25 individual claims, and placed themselves at risk for the sake of the class members. The requested
26 enhancement awards for Plaintiffs for their service as the class representatives and for their general
27 release of all individual claims is a relatively small amount of money when the time and effort put
28 into the litigation are considered and in comparison to enhancements granted in other class actions.

The requested incentive awards are therefore reasonable to compensate Plaintiffs for their active participation in this lawsuit.

THE REQUEST FOR ATTORNEYS' FEES AND COSTS ARE REASONABLE

17. The settlement provides for attorneys' fees and costs to Class Counsel in an amount up to 33.333333% of the Gross Settlement Amount, for a maximum fees award of \$74,166.67, plus reasonable litigation expenses of up to \$20,000.00.

18. The total current lodestar for Wilshire Law Firm, PLC is not less than the following:

Person	Role	Hours	Rate	Lodestar
Arrash T. Fattahi	Managing Associate	23	\$600	\$13,800
Bradford Smith	Settlement Attorney	29.5	\$500	\$14,750
Justin F. Marquez	Senior Partner	42	\$1,500	\$63,000
Christina M. Le	Senior Attorney	20	\$800	\$16,000
Erik Dos Santos	Senior Associate	1.5	\$800	\$1,200
Zachary Greenberg	Associate Attorney	22.5	\$450	\$10,125
Total:				\$118,875

19. Wilshire Law Firm, PLC has spent over 138 hours, for a lodestar of \$118,875 litigating this action to bring it to resolution, not including time which will be expended monitoring the administration of the settlement and distribution of funds to the Class Members. The efforts expended by Plaintiffs' counsel to achieve this result include, but are not limited to, the following:

- a. the investigation of the matter, including meeting with Plaintiff Brown, reviewing Defendant's policies, and requesting and reviewing Plaintiff Brown's time and pay records, personnel file, and exploring the corporate structure of Defendant;
- b. filing the action;
- c. attending hearings and meeting and conferring with Defendant regarding the case;
- d. meeting and conferring with Defendant regarding mediation, exchange of informal discovery beforehand, and negotiating with opposing counsel regarding the parameters thereof;
- e. selecting a mediator and mediation date;

- f. working with opposing counsel and an expert consultant for the receipt of a representative sampling and analyzing the same with the aid of expert consultant and Plaintiff Brown to perform analyses of liability and exposure prior to attendance of the mediation in this matter;
- g. reviewing policy documents from Defendant and researching applicable defenses;
- h. preparation of a mediation brief and damages model for use at mediation;
- i. attendance at mediation by all Parties and Counsel;
- j. communicating with Plaintiff Brown who requested updates or other information regarding this matter;
- k. engaging in settlement negotiations, followed by finalizing and fully executing the Settlement Agreement;
- l. preparing and assisting in the drafting of the Motion for Preliminary Approval of Class Action Settlement and supporting documents.
- m. communicating with class members who sought additional information regarding the settlement, including answering questions regarding the settlement;
- n. communicating with the Settlement Administrator to ensure the Class Notice was properly distributed and engaging in extensive follow-up communications with the Settlement Administrator regarding class members who sought additional information about the Settlement; and
- o. preparing the instant Motion and supporting documents.

20. There are additional hours devoted by me (and by my colleagues) to this litigation that are not reflected in Class Counsel's request for attorneys' fees.

21. We can provide additional billing records in the event the Court requests them, but would request the opportunity to redact attorney-client privileged information and any other privileged information.

22. I am informed and believe that the fee and costs provision is reasonable. The fee percentage requested is less than that charged by my office for most employment cases. My office invested significant time and resources into the case, with payment deferred to the end of the case,

1 and then, of course, contingent on the outcome.

2 23. It is further estimated that my office will need to expend at least another 15 to 20
3 hours to monitor the process leading up to payments made to the class. My office also bears the
4 risk of taking whatever actions are necessary if Defendant fails to pay.

5 24. The risk to my office has been very significant, particularly if we would not be
6 successful in pursuing this class action. In that case, we would have been left with no compensation
7 for all the time taken in litigating this case. The contingent risk in these types of cases is very real
8 and they do occur regularly. Furthermore, we were precluded from focusing on, or taking on, other
9 cases which could have resulted in a larger, and less risky, monetary gain.

10 25. Because most individuals cannot afford to pay for representation in litigation on an
11 hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a
12 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
13 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
14 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
15 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
16 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
17 that we recover more than our regular hourly rate when we win if we are to remain in practice so
18 as to be able to continue representing other individuals in civil rights employment disputes.

19 26. As of the drafting of this Motion, my office has incurred around \$11,652.19 in
20 expenses litigating this action, and we anticipate accruing additional costs up to Final Approval of
21 the Settlement. These expenses were reasonably necessary to the litigation and were actually
22 incurred by my office. We also anticipate additional costs in the amount of \$500.00, which
23 includes the costs for filing Plaintiffs' Motion, the distribution compliance report, and appearing
24 at the hearing. Accordingly, Class Counsel respectfully requests reimbursements of \$18,113.89²
25 in expenses, which should be reimbursed in full. Attached as **Exhibit 2** is a list of the costs and
26 the categories of costs for the costs incurred in this case to date by Wilshire Law Firm, PLC.

27
28 ² \$11,652.19 (Wilshire Law Firm, PLC current costs) + \$500 (anticipated costs for Wilshire Law Firm, PLC)
+ \$5,961.70 (Messrelian Law Inc. current costs).

27. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of over 120 attorneys and over 600 employees. 29. I graduated from the University of California, Los Angeles with a Bachelor of Arts in Political Science, *summa cum laude*. 33. Bradford Smith is a Law and Motion Attorney at Wilshire Law Firm, PLC. He graduated from the University of California, Irvine with a Bachelor of Arts in History and received his Juris Doctor from Loyola Law School, Los Angeles in 2022. He was admitted to practice law in the State of California in 2022. Before joining Wilshire Law Firm, PLC, he worked at a law firm specializing in insurance defense litigation. His focus now is on wage and hour class action litigation. His contingent hourly rate for this matter is \$500 per hour.

He graduated from the University of California, Los Angeles's College Honors Program in 2004 with Bachelor of Arts degrees in History and Japanese, *magna cum laude* and *Phi Beta Kappa*. As an undergraduate, he also received a scholarship to study abroad for one year at Tokyo University in Tokyo, Japan. He received my Juris Doctor from Notre Dame Law School in 2008. He has received numerous awards for his legal work. From 2017 to 2020, Super Lawyers selected him as a "Southern California Rising Star," and from 2022 to 2025, he was selected as a "Southern California Super Lawyer." He was selected as one of the "Best Lawyers in America" from 2023 to 2025. In 2016 and 2017, the National Trial Lawyers selected him as a "Top 40 Under 40" attorney. In 2024, he, along with his colleagues at Wilshire Law Firm, PLC, received a CLAY (California Lawyer Attorneys of the Year) award for his work on a false advertising case against Apple which ultimately led to a \$25 million settlement. His contingent hourly rate while at Wilshire Law Firm, PLC was \$1,500 per hour. The reasonableness of Wilshire Law Firm, PLC's hourly rates is also supported by several surveys of legal rates, including the following:

- a. The 2022 Real Rate Report survey compiled by Wolters Kluwer, which presents the real market rates of Los Angeles area attorneys who practice litigation. For that category, the third quartile 2022 rate was \$1,045 per hour for partners and \$855 for associates. Likewise, page 32 of the Report describes the rates charged by 183 Los Angeles partners with “21 or more years of experience” and “Fewer than 21 years.” For those categories, the third quartile Los Angeles partner rate in 2022 were \$1,133 per hour for 21 or more years and \$1,075 for attorneys with fewer than 21 years. A true and correct copy of portions of the 2022 Real Rate Report is attached hereto as Exhibit 3.
- b. In an article entitled “Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder,’” written by Roy Strom and published by Bloomberg Law on June 9, 2022, the author describes how Big Law firms have crossed the \$2,000-per hour rate. The article also notes that law firm rates have been increasing by just under 3% per year. A true and correct copy of this article is attached hereto as Exhibit 4.

35. Christina M. Le was a Senior Attorney at Wilshire Law Firm, PLC. She is admitted to practice in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. She graduated from Loyola Law School, Los Angeles, and attended the University of California, Berkeley for her undergraduate studies, where she obtained a Bachelor of Arts in History. She has over 15 years of litigation experience, which includes the successful handling of numerous employment, wage and hour, and class and representative action matters during the latter half of her career in state and federal court through inception through case resolution. Prior to joining Wilshire Law Firm, PLC in November 2021, Ms. Le gained invaluable litigation experience working at various plaintiff and defense firms, including Kristensen Weisberg PLC, Jones Bell LLP, Archer Norris PLC, and Lewis Brisbois Bisgaard & Smith LLP. Her contingent billing rate for this case is \$800.00 per hour, as most recently approved in both state and Federal Court in comparable wage and hour matters and consistent with her level of experience.

36. Erik A. Dos Santos was a Senior Associate Attorney at Wilshire Law Firm, PLC. He is admitted to practice in all state courts of California (admitted in 2016) and before all federal district courts in California. He graduated from UCLA School of Law, and attended Arizona State University for his undergraduate studies, where he obtained a Bachelor of Arts in Political Science with a Minor in Global Health. He has handled numerous employment, wage and hour, and class and representative action matters over his career. Prior to joining Wilshire Law Firm, PLC in December 2023, Mr. Dos Santos gained invaluable litigation experience working at other plaintiff firms. His contingent billing rate for this case is \$800.00 per hour, as most recently approved in comparable wage and hour matters and consistent with his level of experience. Erik A. Dos Santos is no longer with Wilshire Law Firm, PLC.

37. Zachary D. Greenberg was an Associate Attorney at Wilshire Law Firm, PLC. Mr. Greenberg was admitted to the State Bar of California in 2020 and has since been admitted to the United States District Court for the Central District of California and the United States Court of Appeals for the Ninth Circuit. Mr. Greenberg received a Bachelor of Arts in International Business and a Minor in Economics from Western Washington University. He received his Juris Doctor from Loyola Law School. His contingent billing rate for this case is \$450 per hour. Zachary D. Greenberg is no longer with Wilshire Law Firm, PLC.

38. My firm has a fee sharing agreement with Messrelian Law Inc. that was memorialized as a Joint Prosecution Agreement. Under the Agreement, Wilshire Law Firm, PLC will receive 75% of the fees collected in this matter and Messrelian Law Inc. will receive 25% of the fees collected in this matter. Both Plaintiffs have consented to this fee split in a separate joint prosecution agreement between the law firms and have signed the agreement. Upon request from the Court, Plaintiffs' counsel can provide a copy of the Joint Prosecution Agreement.

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct.

Executed on December 26, 2024, in Los Angeles, California.

On November 24, 2021, Plaintiff Thomas Brown filed a separate action under PAGA. On March 3, 2021, Plaintiff Doss filed an individual action against Fidelity. The Parties agree that Plaintiffs will file a First Amended Class and Representative Action Complaint (the “Operative Complaint”) adding all of Plaintiff Doss’ claims to the Brown Class Matter, which will also be combined with the Brown PAGA Matter. Defendant denies the allegations in the Operative Complaint, denies any failure to comply with the laws identified in the Operative Complaint and denies any and all liability for the causes of action alleged.

2.2. Pursuant to Labor Code section 2699.3, subd.(a), Plaintiffs gave timely written notice to Defendant and the LWDA by sending the PAGA Notice.

2.3. On July 14, 2023, the Parties participated in an all-day mediation presided over by Hon. Mitchell Goldberg (ret.) which culminated with this Agreement to settle the Action.

2.4. Prior to mediation, Plaintiffs obtained, through informal discovery, time and pay records for the putative class and class/PAGA demographic information. Plaintiffs’ investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 6.1 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.
- 3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:
- 3.2.1. To Plaintiffs: A Class Representative Service Payment to Plaintiff Thomas Brown in the amount of \$10,000.00 and a Class Representative Service Payment to Anthony Doss in the amount of \$5,000.00 (in addition to any Individual Class Payments and any Individual PAGA Payments the Class Representative are entitled to receive as Participating Class Members). Of the Maximum Settlement Amount, \$5,000.00 will be allocated to settlement of Plaintiff Doss' individual wage and hour claims (the "Doss Individual Settlement Amount") and the remaining \$217,500.00 will be allocated to settlement of the Class and PAGA actions (the "Class and PAGA Settlement Amount"). Defendant will not oppose Plaintiffs' requests for Class Representative Service Payments that do not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiffs will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves Class Representative Service Payments less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payments using IRS Form 1099. To Class Counsel: A Class Counsel Fees Payment of not more than 33.333333%, which is currently estimated to be \$74,166.67 and Class Counsel Litigation Expenses Payment of not more than \$20,000.00. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiffs' Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS

1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$10,000.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$10,000.00, the Administrator will retain the remainder in the Net Settlement Amount.

3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

3.2.4.1. Tax Allocation of Individual Class Payments. 25% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 75% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$15,000.00 to be paid from the Gross Settlement Amount, with 75% (\$11,250.00) allocated to the LWDA PAGA Payment and 25% (\$3,750.00) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$3,750.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

- 3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

- 4.2. Class Data. Not later than 15 days after the Court grants Preliminary Approval of the Settlement, Defendant will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.
- 4.3. Funding of Gross Settlement Amount. Defendant shall make a \$50,000.00 down payment upon the signing of this Long Form Settlement Agreement, which Plaintiffs will hold in trust as a good faith payment. Upon approval of the Class and PAGA Settlement Amount, Fidelity shall pay the remaining balance of the Maximum Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than 14 days after the Effective Date.
- 4.4. Payments from the Gross Settlement Amount. Within 14 days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks Legal Aid at Work (the "Cy Pres Recipient"). The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

- 8.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports to state and federal tax authorities.
- 8.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.
- 8.4 Notice to Class Members.
- 8.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- 8.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice substantially in the form attached to this Agreement as **Exhibit A**. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- 8.4.3 Not later than (3) business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

8.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

8.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

8.5 Requests for Exclusion (Opt-Outs).

A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

8.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

8.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.4 of this Agreement and are eligible for an Individual PAGA Payment.

8.6 Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

8.7 Objections to Settlement.

8.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

8.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

8.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

8.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- 8.8.1 Website, Email Address and Toll-Free Number. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

The Weekly Reports must provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 8.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiffs are required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or

invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

8.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

9. **CLASS SIZE ESTIMATES AND ESCALATOR CLAUSE** Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, (1) there are 331 Class Members and 14,500 Total Workweeks during the Class period; *and* (2) there were 215 Aggrieved Employees who worked 3,300 Pay Periods during the PAGA Period. Should the actual number of workweeks during the Class Period increase beyond 10% of the 14,500 Workweeks, the Gross Settlement Amount shall increase proportionately for each additional workweek beyond 15,950.
10. **DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel.
11. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (1), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 11.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents

in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

- 11.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 11.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS.

13.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval, or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiffs reserve their right to, on any grounds available, to further contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2 Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant, and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed

to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiffs and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8 No Tax Advice. Neither Plaintiffs, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.

- 13.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiffs shall destroy all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.
- 13.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

COURT APPROVED NOTICE OF CLASS AND PAGA ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Thomas Brown v. Fidelity Security Services, Inc., case number 21STCV31617 (the “Class Matter”) and *Thomas Brown v. Fidelity Security Services, Inc.*, case number 21STCV43378 (the “PAGA Matter), and *Athony Doss v. Fidelity Security Services, Inc., et al.*, case no. 21STCV08643 (the “Doss Matter”).

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (the “Action”) against Fidelity Security Services, Inc. (the “Defendant” is used herein as a placeholder) for alleged wage-and-hour violations. The Action was filed by Thomas Brown and was later amended to include Anthony Doss (“Plaintiffs”), two of Defendant’s former employees. The Action seeks payment for Defendant’s alleged: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; and (7) violation of California’s unfair business practices law, for a class of non-exempt hourly employees (“Class Members”) who worked for Defendant during the Class Period (August 27, 2017 to the present); and (2) penalties under the California Private Attorney’s General Act (“PAGA”) for all hourly non-exempt employees who worked for Defendant during the PAGA Period (August 27, 2020 to the present) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. *See* Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether

to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs' attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [date]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. <i>See</i> Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will

but not the PAGA Settlement Written Objections Must be Submitted by [date]	include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiffs, but every dollar paid to Class Counsel and Plaintiffs reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. <i>See</i> Section 7 of this Notice.
You Can Participate in the [date] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [date]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. <i>See</i> Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [date]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [date]. <i>See</i> Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiffs are former employees of Defendant. The Action accuses Defendant of violating California labor laws by failing to pay minimum and straight time wages; failing to pay overtime wages; failing to provide meal periods; failing to authorize and permit rest periods; failing to timely pay final wages at termination; failing to provide accurate itemized wage statements; failing to reimburse necessary business expenditures; and unfair business practices. Based on the same claims, Plaintiffs have also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, *et seq.*) ("PAGA"). Plaintiffs are represented by attorneys in the Action: Justin F. Marquez, Christina M. Le, Zachary D. Greenberg of Wilshire Law Firm, PLC and Harout Messrelian of Messrelian Law ("Class Counsel.")

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were

successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$222,500.00 as the Maximum Settlement Amount (Maximum Settlement Amount). Of the Maximum Settlement Amount, \$5,000.00 will be allocated to Plaintiff Anthony Doss’ settlement of his wage and hour individual claims (“Doss Individual Settlement Amount”), and the remaining \$217,500.00 will be allocated to the settlement of the wage and hour class and PAGA actions as the Gross Settlement Amount (“Gross Settlement Amount”). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payments, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Upon the signing of this Long Form Settlement Agreement, Defendant shall make a \$50,000.00 down payment made payable to the Wilshire Law Firm client trust around, which Plaintiffs will hold in trust as a good faith payment. Upon final approval of the Class and PAGA Settlement Amount, Defendant shall pay the remaining balance of the Gross Settlement Amount. If there is no final approval of the Class and PAGA Settlement Amount, Plaintiffs and Plaintiffs’ counsel shall immediately return the \$50,000.00 to Defendant. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$74,166.67 (33.333333% of the Gross Settlement) to Class Counsel for attorneys’ fees and up to \$20,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.

- B. Up to \$10,000.00 as a Class Representative Award for Plaintiff Thomas Brown and \$5,000.00 for Class Representative Award for Plaintiff Anthony Doss for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiffs will receive other than Plaintiffs' Individual Class Payment and any Individual PAGA Payments.
- C. Up to \$10,000.00 to the Administrator for services administering the Settlement.
- D. Up to \$15,000.00 for PAGA Penalties, allocated 75% to the LWDA (\$11,250.00) and 25% (\$3,750.00) in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

- 3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
- 4. Taxes Owed on Payments to Class Members. Plaintiffs and Defendant are asking the Court to approve an allocation of 10% of each Individual Class Payment to taxable wages ("Wage Portion") and 90% to taxes and interest ("Non-Wage Portion."). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiffs and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

- 5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will irrevocably lost to you because they will be paid to a non-profit organization or foundation (the "Cy Pres").
- 6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [date] Response Deadline. The Request for Exclusion should be a letter from a Class

Member or his/her representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.
8. Administrator. The Court has appointed a neutral company, Apex Class Action Administration (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.
9. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint, and ascertained in the course of the Action, including failure to pay minimum and straight time wages; failure to pay overtime wages; failure to provide meal periods; failure to authorize and permit rest periods; failure to timely pay final wages at termination; failure to provide accurate itemized wage statements; and unfair business practices. Except as set forth in Section 6.3 of the Settlement Agreement, Participating Class Members do

not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint, and Plaintiffs' PAGA Notices, and ascertained in the course of the Action, including failure to pay minimum and straight time wages; failure to pay overtime wages; failure to provide meal periods; failure to authorize and permit rest periods; failure to pay all earned wages twice per month; failure to maintain accurate records of hours worked and meal periods; failure to timely pay final wages at termination; and failure to provide accurate itemized wage statements.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$3,750.00 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated on the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the

Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Thomas Brown, et al., v. Fidelity Security Services, Inc.* and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiffs and Defendant are asking the Court to approve. At least 16 days before the [date] Final Approval Hearing, Class Counsel and/or

Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiffs are requesting as Class Representative Service Awards. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website **[need details]**.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [date]**. Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action *Thomas Brown, et al., v. Fidelity Security Services, Inc.*, and include your name, current address, telephone number, and approximate dates of employment for Defendant and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on [date] at [time] in Department 1 of the Los Angeles County Superior Court, located at 312 North Spring Street, Los Angeles, California 90012. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiffs, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via LACourtConnect (<https://www.lacourt.org/lacc>). Feel free to check the Court's website for the most current information.

It's possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing.

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
