DECLARATION OF SHORNIKAY CALLUM IN SUPPORT OF PLAINTIFFS'

MOTION FOR FINAL APPROVAL OF CLASS SETTLEMENT

I, SHORNIKAY CALLUM, declare:

1. I am an adult over the age of eighteen (18) years old. I am the Class Representative who filed one of the lawsuits on behalf of the class which is the subject of this action. This declaration is based on my personal knowledge, and if called as a witness, I would and could competently testify to these facts.

2. I worked for Defendants AMI EXPEDITIONARY HEALTHCARE (USA), LLC and AMI EXPEDITIONARY HEALTHCARE, LLC ("Defendants" and/or the "Company") as a non-exempt, hourly employee during the Class Period and worked under the same policies and procedures and suffered the same violations as all other putative class members. In particular I was employed by defendants from approximately August 2021 to November 2021 as an hourly-paid, non-exempt employee.

3. I am familiar with the work involved in prosecuting this Class Action against my former employers. I have had numerous in-person and telephonic meetings with my attorneys. I am familiar with the client meetings, informal discovery conducted, and settlement discussions.

4. I participated actively in this litigation including informal discovery meetings, witness information discussions, and have participated in all other stages of the litigation including

1 preliminary approval of class action settlement and final approval of class action settlement on
2 behalf of the Class.

3 5. I believe that the Class Action Settlement obtained on behalf of the Class is
4 excellent in view of the issues and risks involved with the case.

5 6. It is my opinion that a fair and adequate Class Representatives Service Payment for
6 myself is Five Thousand Dollars (\$5,000). I believe that is fair and reasonable in view of all the
7 work which I have performed as a Class Representative.

8 7. I estimate that I have spent approximately over thirty-five (35) hours dealing with
9 these issues on my own and in consultation with Class Counsel regarding the issues raised in the
10 action. I have remained in contact with my attorneys throughout the litigation and the settlement
11 process. I provided all of the documents in my possession, reviewed numerous pages of
12 documents produced by Defendants. I believe I have been diligent and acted above and beyond
13 that which is expected of a Class Representative throughout all stages of the litigation, up to and
14 including preliminary approval of class action settlement and final approval of class action
15 settlement. I always maintained the best interests of the Class while performing my Class
16 Representative duties.

17 8. Furthermore, it is my opinion that a Five Thousand Dollars (\$5,000) Class
18 Representatives Service Payment for myself is fair, reasonable and adequate because in addition to
19 the many hours spent participating in the prosecution of this case, I accepted the potential risk of
20 being liable for the opposing parties' costs if we were unsuccessful in this lawsuit. I understand
21 these costs could be thousands of dollars based on likely lengthy and expensive litigation ensuing
22 for several years and I believed in this case and was willing to risk this to be a lead plaintiff and
23 pursue this class action litigation. Further, I realize being a named Plaintiff in a lawsuit against an
24 employer could affect my future employment opportunities.

1 9. I understand that Kokozian Law Firm, APC and Blackstone Law, APC and David
2 Yeremian & Associates, Inc. will split the attorney fees in this matter. I consented to this fee split
3 in writing. I further understand that the fee split will not lower my share.

4
5 I declare under penalty of perjury under the laws of the State of California that the
6 foregoing is true and correct.
