1 documents as I could. I spent at least 9 additional hours speaking with my attorneys about the
2 case, identifying potential witnesses, providing my attorneys with documents and information
3 concerning the case, and also describing policies, practices, and procedures of Wittman. During
4 the discovery phase of the litigation, I spent approximately 8 additional hours reviewing
5 Wittman's discovery requests, locating documents, and providing documents, responses to my
6 attorneys.

7 5. As far as the settlement is concerned, I was available to review documents and
8 answer any questions my attorneys had. I spent about 3 hours reviewing the settlement
9 agreement and about 4 hours asking questions and discussing the potential settlement with my
10 attorneys before signing the settlement agreement.

11 6. I believe that I have done everything that my attorneys have asked of me and have
12 tried, to the best of my ability, to represent the class and seek relief for the aggrieved employees
13 and the State of California. I think my efforts helped to get the result obtained in this case, and
14 as a class and PAGA representative, I respectfully request that the Court award me an
15 enhancement payment in the amount of \$7,500.00 for my active participation in this case.
16 Taking into consideration the time that I have dedicated to this case, I believe that this amount is
17 reasonable.

18 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

19 8. I have not entered into any undisclosed agreements, nor have I received any
20 undisclosed compensation in this case. The only compensation I will receive is whatever amount
21 the Court awards as an enhancement payment, as well as my share of the settlement as a class
22 member and as an aggrieved employee.

23 I declare under penalty of perjury under the laws of the State of California that the
24 foregoing is true and correct.

25 Executed this ^{08/22/2022} ____ day of August 2022, at Antioch, California.

26 Electronically Signed 2022-08-22 21:18:04 UTC - 73.70.193.84
