I, LIANE KATZENSTEIN LY, state and declare as follows:

1. I am an attorney admitted before all courts of the State of California and a partner in the law firm of Kingsley & Kingsley, APC, counsel of record for Plaintiff in this action. I am completely familiar with the present litigation, including the pleadings, discovery, and filings submitted in this matter. I make this Declaration from my own personal knowledge, and, if called upon, I could and would competently testify to the following.

2. I graduated from Florida State University in 2005 with a degree in English. I graduated from University of California, Davis School of Law in 2008. I am admitted to practice before the following Courts: United States District Court, Northern, Southern, Eastern, and Central of California; all of California State Courts.

3. I make this Declaration in support of Plaintiff's Motion for Preliminary Approval of the Class Action Settlement in the above-captioned case.

## RELEVANT PROCEDURAL HISTORY

4. On October 26, 2021, Plaintiff filed a putative class action lawsuit entitled *GILDARDO MOTA STEVENS v. PURPLE EAGLE LLC* in the Contra Costa County Superior Court, case number MSC21-02204.

5. In the Complaint, Plaintiff alleged six causes of action, alleging that Defendant 1) failed to pay wages and/or overtime as required by the Labor Code and Wage Orders under Labor Code §§510, 1194, and 1199; 2) failed to provide compliant rest breaks pursuant to Labor Code §226.7 and IWC Wage Order 2-2001; 3) failed to reimburse for the cost of Plaintiff and the Proposed Class using their personal cellphones for necessary work purposes pursuant to Labor Code §2802; 4) failed to issue accurate itemized wage statements showing the total hours worked by Plaintiff and other employees and all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee pursuant to Labor Code §226(a); 5) failed to pay all wages due upon termination or resignation pursuant to pursuant to Labor Code §§201-203; and 6) is liable for penalties pursuant to Business & Professions Code §17200.

1           6.       Also, On October 25, 2021, Plaintiff also provided written notice to the Labor and  
2 Workforce Development Agency (“LWDA”) and Defendant setting forth his intent to pursue  
3 claims pursuant to Labor Code §2699, *et seq.* (“PAGA”) for Defendant’s alleged aforementioned  
4 violations.

5           7.       Plaintiff filed a First Amended Class and Representative Action Complaint on  
6 January 3, 2022, adding an additional cause of action for penalties pursuant to pursuant to Labor  
7 Code § 2699, *et seq.* based upon the same alleged Labor Code violations at issue in the Complaint.

8                               **THE DISCOVERY PROCESS**

9           8.       The Parties have engaged in early stages of discovery and settlement negotiations  
10 but have primarily focused their efforts on resolving this case through early mediation. On  
11 February 10, 2022, Plaintiff served his first set of Special Interrogatories and Requests for  
12 Production.

13           9.       The Parties scheduled a private mediation with Todd A. Smith, Esq. on January 25,  
14 2023. In preparation for mediation, Defendant informally produced multiple documents and  
15 provided other information necessary to evaluate settlement.

16           10.      This included a sample of time and pay data and financial data for mediation.

17           11.      Additionally, Defendant provided financial documents to support its argument that  
18 its ability to pay should be a factor in the Settlement.

19           12.      Plaintiff also retained an accounting expert to review the documents and provide  
20 guidance on the financial stability of the company.

21           13.      Ultimately, as described below, the financials resulted in a steep discount based on  
22 the company’s solvency.

23           14.      Defendant denies any liability or wrongdoing of any kind associated with the claims  
24 alleged in the Action, disputes the damages and penalties claimed by Plaintiff, and further contends  
25 that, for any purpose other than settlement, Plaintiff’s claims are not appropriate for class or  
26 representative action treatment. Defendant contends, among other things, that, at all times, it has  
27 complied with the California Labor Code, and the Industrial Wage Commission Orders.

28           15.      Based on their own independent investigation and evaluation, Class Counsel is of

1 the opinion that the Agreement with Defendant is fair, reasonable and adequate, and in the best  
2 interest of the settlement classes in light of all known facts and circumstances, including the risk  
3 of significant delay, defenses asserted by Defendant, uncertainties regarding a class and  
4 representative action trial on the merits, and numerous potential appellate issues. Although  
5 Defendant denies any liability, Defendant is agreeing to this Agreement solely to avoid the cost of  
6 litigation. Accordingly, the Parties and their counsel desire to fully, finally, and forever settle,  
7 compromise and discharge all disputes and claims arising from or relating to the Action on the  
8 terms set forth here.

9 **CERTIFICATION FOR SETTLEMENT PURPOSES**

10 16. Plaintiff maintains that the proposed Settlement Class is ascertainable for several  
11 reasons: First, Defendant has agreed in the Agreement to provide a class list to the Settlement  
12 Administrator containing the name, last known mailing address, last known telephone number,  
13 social security number, and number of Class Period Workweeks and PAGA Pay Periods for all  
14 putative class members after issuance of the preliminary approval order.

15 17. Second, Settlement Class Members consist of Defendant's hourly employees, and  
16 Defendant is required to keep records of its hourly employees' names, home addresses, and social  
17 security numbers.

18 18. Third and finally, Defendant informally produced sampling time and pay data for  
19 Settlement Class Members containing class member contact information, which confirms that all  
20 Settlement Class Member may be readily identified based on Defendant's records.

21 19. Plaintiff is confident he will be able to establish that the proposed Settlement Class  
22 is ascertainable and sufficiently numerous.

23 20. Plaintiff argues that there are questions of law and fact common to the proposed  
24 Settlement Class that predominate over any questions affecting only individual Class Members.

25 21. These common questions include:

- 26 1) Whether Defendant failed to pay all wages and/or overtime compensation;  
27 2) Whether Defendant failed to provide lawfully required rest periods and/or failed to  
28 compensate employees one (1) hour's wages in lieu thereof;

- 3) Whether Defendant failed to reimburse business-related expenses;
- 4) Whether Defendant failed to provide accurate itemized wage statements;
- 5) Whether Defendant failed to pay compensation due and owing upon termination of employment;
- 6) Whether Defendant engaged in unfair competition; and,
- 7) Whether Defendant violated § 2699, et seq. of the Labor Code by engaging in the acts previously alleged.

22. Plaintiff's challenge to Defendant's uniform policies and practices involves common factual and legal issues that are amenable to class treatment.

23. Plaintiff maintains that the proposed Settlement Class Members suffered the same injuries, in the same manner: (1) Settlement Class Members were not properly paid all wages/overtime; (2) Settlement Class Members did not receive their rest periods as required; (3) Settlement Class Members were not provided accurate itemized wage statements; (4) Settlement Class Members were not reimbursed for business-related expenses; and (5) Settlement Class Members were not paid all wages owed upon termination/resignation.

24. Accordingly, for purposes of settlement, certification for settlement purposes is appropriate.

25. Plaintiff worked as an hourly "neuromuscular therapist" for Defendant in the State of California.

26. Plaintiff alleges that he: (1) worked without being paid all wages and/or overtime; (2) worked without being provided rest periods as required by law; (3) worked without being reimbursed for costs associated with personal cell-phone usage; (4) worked without being provided accurate itemized wage statements; and (5) worked without being paid all wages due upon separation. Plaintiff also alleges that he experienced derivative claims for unfair business competition (B&P Code §17200) and Labor Code §2699, et seq.

27. Plaintiff also contends that his claims are typical of those of the Settlement Class.

28. Plaintiff believes that he is capable of fairly representing and adequately protecting the interests of the proposed Settlement Class Members.

1           29.     The members of the proposed Settlement Class all worked for Defendant during  
2 the relevant time period and incurred the same type of alleged damages with regard to Defendant's  
3 alleged violations of the law.

4           30.     Moreover, Plaintiff has agreed to serve as Class Representative and has retained  
5 qualified Counsel who is experienced in prosecuting wage and hour class actions.

6           31.     This demonstrates his commitment to bringing about the best possible results for  
7 the benefit of the proposed Settlement Class.

8           32.     Plaintiff has provided his Counsel with all necessary and pertinent information.

9           33.     Plaintiff has been a very active participant in the litigation including having  
10 frequent contact with Settlement Class Members, working closely with Class Counsel to develop  
11 the theories of liability, and providing his Counsel with all necessary and pertinent information.  
12 He also made himself available for the full-day mediation in this matter and was informed of and  
13 involved in all of the Settlement negotiations.

14          34.     Therefore, Plaintiff believes that he has and will continue to adequately represent  
15 the proposed Settlement Class Members.

16          35.     Plaintiff has provided his Counsel with all necessary and pertinent information.

17          36.     In this regard, the superiority of class treatment is evident here because individual  
18 pursuit of class members' claims may not be economically viable.

19          37.     The only alternative to certification would be to force over 351 employees to join  
20 this action, file individual, uniform actions, or abandon their legal rights altogether.

21          38.     Plaintiff maintains that this economic reality would result in a windfall for  
22 Defendant if this case were not certified.

23                   **THE PROPOSED SETTLEMENT**

24          39.     For purposes of Agreement, the settlement class is defined as: "all individuals who  
25 are or were employed by Defendant as non-exempt employees in California during the Class  
26 Period."

27          40.     The Class Period is October 26, 2017 to March 25, 2023, or the date that the total  
28 number of workweeks totals 9,025, whichever is first.

41. As of January 25, 2023 (the date of mediation) and based on documents and other information produced by Defendant, there are approximately 351 Settlement Class Members.

42. For purposes of the Agreement, the Aggrieved Employees are defined as: “all individuals who were employed by Defendant as non-exempt employees in California during the PAGA Period”.

43. The PAGA Period is October 26, 2020 through March 25, 2023, or the date that the total number of workweeks totals 9,025, whichever is first.

44. Based on documents and other information produced by Defendant, there are approximately 351 PAGA Members.

45. As detailed fully in the Agreement, the Settlement provides for Defendant to pay a Gross Settlement Amount of \$150,000.00, which includes the sum of the Individual Class Payments, the Class Representative service award, the Class Counsel Award, PAGA Payment, and the Settlement Administration Costs.

46. The Net Settlement Amount is the Gross Settlement Amount, less Class Counsel Award, Class Representative Enhancement, PAGA Payment, and Settlement Administration Costs.

## ***KULLAR ANALYSIS***

47. The proposed settlement satisfies each of the *Kullar* factors.

48. Class Counsel conducted extensive informal discovery before entering into meaningful settlement negotiations in this matter. This discovery permitted Class Counsel to fairly evaluate the strength of the case and the risks associated with ongoing litigation.

49. Class Counsel is experienced in handling wage and hour class actions and, after weighing all of the following factors, supports this Agreement.

a) The Risks Associated with the Minimum Wage/Overtime Claim

50. Throughout the relevant time, Plaintiff and the Proposed Class were subject to the control of Defendant prior their scheduled start times, without being compensated for those “hours worked.”

51. Despite being off the clock, Defendant required employees to report to the job site

1 approximately 15 to 20 minutes before the schedule start of each shift despite knowing Plaintiff  
2 and the Proposed Class were not “clocked” in.

3 52. Plaintiff and Class Members were required to prepare each spa room prior to their  
4 shift because Defendant scheduled appointments at to start exactly at the start of their shifts.

5 53. All of this was done with the knowledge and direction of Defendant, thus Plaintiff  
6 and the Proposed Class are certainly entitled to be compensated for this time worked.

7 54. Defendant denied that these allegations were true.

8 55. Defendant argued that no employees were required to report early, and if they did  
9 report early they could clock in early and receive payment.

10 56. Given that this time was “off the clock” and not captured by the time clock, and  
11 given that Defendant’s counter-argument, Plaintiff applied a discount to this claim.

12 b) The Risks Associated with the Rest Break Claim

13 57. Plaintiff and the Proposed Class’s rest period claims arise from a common course  
14 of conduct wherein Defendant did not provide employees with the opportunity to take a second  
15 10-minute rest break for shifts between 6-8 hours in compliance with California law.

16 58. Plaintiff and the Class Members consistently worked shifts of 6+ hours and were  
17 not authorized or permitted to take second rest breaks.

18 59. Therefore, for each rest period Plaintiff and the Class Members were not provided  
19 with, Defendant is liable for one (1) additional hour of pay at the employee’s regular rate of  
20 compensation. (Lab. Code, § 226.7, subd. (b).)

21 60. Again, Defendant disagreed and maintained that there was accurate rest period  
22 policy and employees took their breaks.

23 61. Given that rest period claims can be difficult to certify, Plaintiff factored in a  
24 discount for this claim.

25 c) The Risks Associated with the Reimbursement Claim

26 62. Defendant has failed to reimburse Plaintiff and the Proposed Class for business-  
27 related expenses, including for use of their cell phones, necessary in executing the Proposed  
28 Class’s duties under Defendant’s employ.

63. Plaintiff and the Proposed Class phone applications on their personal cell phones and consistently use these personal cell phones for necessary work-related purposes such as, but not limited to, clocking in, communicating with management, and managing client documents.

64. These cell phones were not provided by Defendant and Defendant failed to reimburse Plaintiff and the Proposed Class for the costs associated with using these personal cell phones.

65. Defendant argued that each location also had a physical time clock and employees could choose whether to clock in and clock out on their personal phones or the store computer.

d) The Risks Associated with the Inaccurate Wage Statement Claim

66. Plaintiff contends that Defendant issued wage statements that undeniably violate Labor Code §§ 226(a)(2) and (9). Labor Code § 226(a) specifically requires that the employer shall, semimonthly or at the time of each payment of wages, furnish each of his or her employees, an accurate itemized statement in writing showing all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee

67. As this is a derivative claim, the same risks present for the above claims were present for this claim.

e) The Risks Associated with the Waiting Time Penalty Claim

68. Defendant has failed to pay employees wages immediately or within 72 hours of termination and/or resignation by not paying all wages and overtime owed.

69. Given that the underlying wage claims were relatively small in value, Defendant's defense was considered when determining a fair settlement value.

f) The Risks Associated with the PAGA Claim

70. The Parties discounted the PAGA claim for multiple reasons.

71. First, the aggrieved employees' PAGA claims are derivative of all the foregoing class claims.

72. Second, a court has discretion to award less than the maximum penalty.

73. Finally, the Settlement Class is compensated for these violations in the proposed Agreement, and thus any PAGA recovery for these same violations would be duplicative.

74. As such, the Agreement's contemplated PAGA payment of \$10,000.00 is appropriate.

**THE RISK, EXPENSE, COMPLEXITY, AND LIKELY DURATION OF FURTHER  
LITIGATION**

75. There is significant expense associated with the class certification process, which the Parties can avoid by entering into the contemplated Agreement now.

76. If the Court did eventually certify a class, trial of a case involving approximately 351 Settlement Class Members would require the retention of expensive expert witnesses, the accrual of extensive litigation costs, and a significant time overlay by the parties.

77. Moreover, given the complexity and unsettled nature of the issues in this case it is likely that any outcome at trial would have resulted in a lengthy and costly appeal. An appeal would result in further delay for the Settlement Class Members who are waiting for a resolution in this matter.

### THE RISK OF MAINTAINING CLASS ACTION STATUS THROUGH TRIAL

78. This case has not been certified to be tried as a class action. While Plaintiff believes there is strong evidence to support certification of several possible subclasses, certification is always hard fought and subject to judicial discretion. Moreover, in class actions, decertification is always a possibility. In attempting to certify a class, the parties would need to conduct multiple depositions, including of the Class Representative and of several person(s) most knowledgeable regarding Defendant's wage and hour policies. There is a risk for both sides as to what these depositions will reveal and whether they will support class certification to the extent expected.

### THE AMOUNT OFFERED IN SETTLEMENT

79. It was very difficult for the Parties to reach this Settlement of \$150,000.00.

80. This Settlement is the result of adversarial, non-collusive, and arms-length negotiations. The Parties arrived at it after extensive investigation and discovery, careful evaluation of the law, risks, and all information substantiating the amount of penalties reasonably likely to be awarded to the class were the trier of fact to find Defendant liable, and the assistance of an experienced mediator, Todd A. Smith, Esq.

1           81. Plaintiff assessed full value of the Minimum Wage/Overtime claim, without any  
2 discount, at approximately \$159,527.00.

3           82. Plaintiff used an hourly average rate of \$20.00 and utilized an average shift length  
4 of 6.2 hours.

5           83. The full value of the Rest Period claim (with an assumption that 50% of the shifts  
6 resulted in a missed rest period), was approximately \$281,478.00.

7           84. With regard to the Reimbursement Claim analysis, Plaintiff believed that it was  
8 reasonable to value the potential reimbursement at \$15.00 per month, per employee, for  
9 reimbursement of personal cell phone usage. This brought the damages for this claim to  
10 \$32,400.00.

11           85. Plaintiff valued the Wage Statement Claim, without discount, at \$406,150.00.

12           86. This figure is overstated because Labor Code §226(e)(1) uses \$50 for the initial pay  
13 period (not \$100) and puts a \$4,000 cap on wage statement penalties per employee.

14           87. Plaintiff valued the Waiting Time Claim at \$958,432.00.

15           88. Considering the derivative nature of Labor Code §203 and the dispute over whether  
16 class members were owed any wages, Plaintiff determined that accepting a discount on this claim  
17 was appropriate.

18           89. Finally, Plaintiff calculated the value of the PAGA claim at \$812,300.00 for  
19 Settlement Class Members.

20           90. Per Plaintiff's assessment, the maximum potential value of all of Plaintiff's and the  
21 Settlement Class Members' claims was approximately \$2,650,287.00.

22           91. However, as a result of the forgoing risks on the merits, Class Counsel believes the  
23 Gross Settlement Amount of \$150,000.00 is fair and reasonable.

24                           **ATTORNEY COMPETENCE**

If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

## 8.5 Requests for Exclusion (Opt-Outs).

8.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

8.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator

can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

8.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Settlement Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Settlement Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless whether the Participating Settlement Class Member actually receives the Class Notice or objects to the Settlement.

8.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Settlement Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Settlement Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment.

8.6 Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

8.7 Objections to Settlement.

8.7.1 Only Participating Settlement Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel

Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

- 8.7.2 Participating Settlement Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Settlement Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Settlement Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- 8.7.3 Non-Participating Settlement Class Members have no right to object to any of the class action components of the Settlement.
- 8.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.
- 8.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- 8.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- 8.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA

Payments (“Weekly Report”). The Weekly Reports must include provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

- 8.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 8.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.
9. **CLASS SIZE ESTIMATES** Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, (1) there are 351 Class Members and 8,595 Total Workweeks during the Class period and (2) there were 351 Aggrieved Employees who worked 4,297 Pay Periods during the PAGA Period. The work weeks will not exceed 9,025.
10. **DEFENDANT’S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven days after the

Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect. As an option, held exclusively by Defendant, in the event the total number of workweeks worked during the period of October 26, 2017 through March 25, 2023 increases by more than 5% (i.e. more than 9,025) by the time Defendant provides class data to the settlement administrator for dissemination of settlement notices, Defendant may elect to increase the GSA on a proportional basis equal to the percentage increase in the workweeks above the 8,595 (i.e., if there is a 6% increase in the number of workweeks during the period of October 26, 2017 through March 25, 2023, Defendant shall increase the GSA by 6% to cover the period of October 26, 2017 through March 25, 2023).

**11. MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively “Motion for Final Approval”).

- 11.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Settlement Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 11.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval. The Court’s decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Settlement Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment,

the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

- 11.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. **FINAL JUDGMENT AND AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

### 13. **ADDITIONAL PROVISIONS.**

The Parties agree that class certification and representative treatment is for purposes of this Settlement only. to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that “the matter was resolved,” or words to that effect. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this

Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

- 13.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.

## **COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL**

*GILDARDO MOTA STEVENS, an individual, on behalf of himself and other similarly situated,  
PLAINTIFF v PURPLE EAGLE LLC; and DOES 1 thru 50, inclusive, DEFENDANTS, Contra*  
Costa County Superior Court Case No. MSC21-02204

***The Superior Court for the State of California authorized this Notice. Read it carefully!  
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**You may be eligible to receive money** from an employee class action lawsuit (“Action”) against Purple Eagle LLC (“Defendant” or “Purple Eagle” is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by a former Purple Eagle employee Gildardo Mota Stevens (“Plaintiff”) and seeks payment of (1) unpaid wages including minimum wages and overtime wages; (2) rest period penalties; (3) penalties for failure to provide accurate itemized wage statements; (4) unreimbursed expenses; (5) waiting time penalties; and other relief for a class of hourly employees (“Class Members”) who worked for Purple Eagle during the Class Period (October 26, 2017, to [REDACTED]); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all hourly employees who worked for Purple Eagle during the PAGA Period (October 26, 2020, to [REDACTED]) (“Aggrieved Employees”).

The proposed Settlement resolves a highly contested lawsuit. Defendant believes they have complied with the law in all respects and deny any liability for the claims asserted by Plaintiff. Defendant is not admitting liability of any of the factual and legal allegations asserted in the lawsuit, and denies that the lawsuit should proceed as a class action for any purpose other than this Settlement. After investigating the claims at issue, and the possible defenses to those claims, the Parties have agreed to settle this case in order to avoid the cost and risk of further litigation. In view of the costs and risks that continued litigation would entail, Plaintiff and his counsel believe the Settlement is in the best interests of all non-exempt hourly employees who worked for Defendant in California during the Class Period and the PAGA Period. The Settlement avoids costs and risks of continuing the lawsuit; pays money to employees; and, in exchange, releases Defendant from liability from the claims asserted in this lawsuit.

The Court has not made a ruling on the merits of the case.

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$ [REDACTED] (less withholding) and your Individual PAGA Payment is estimated to be \$ [REDACTED]**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant's records showing that **you worked [REDACTED] workweeks** during the Class Period and **you worked [REDACTED] pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Purple Eagle during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Settlement Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Purple Eagle.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Purple Eagle, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

**Purple Eagle will not retaliate against you for any actions you take with respect to the proposed Settlement.**

#### **SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT**

## 1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Purple Eagle employee. The Action accuses Purple Eagle of violating California labor laws by failing to pay overtime wages, wages due upon termination and reimbursable expenses and failing to provide rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) (“PAGA”). Plaintiff is represented by attorneys in the Action: Kingsley & Kingsley, APC (“Class Counsel.”).

Purple Eagle strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

## **2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?**

So far, the Court has made no determination whether Purple Eagle or Plaintiff is correct on the merits. In the meantime, Plaintiff and Purple Eagle hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Purple has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

## **3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?**

1. Purple Eagle Will Pay \$150,000.00 as the Gross Settlement Amount (Gross Settlement). Purple Eagle has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Assuming the Court grants Final Approval, Purple Eagle will fund the Gross Settlement not more than **[14]** days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Settlement Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
  - A. Up to \$50,000.00 (33.33% of the Gross Settlement] to Class Counsel for attorneys’ fees and up to \$15,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.

- B. Up to \$5,000.00 a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
- C. Up to \$10,000.00 to the Administrator for services administering the Settlement.
- D. Up to \$10,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Settlement Class Members have the right to object to any of these deductions. The Court will consider all objections.

- 3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Settlement Class Members based on their Class Period Workweeks.
- 4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of each Individual Class Payment to taxable wages ("Wage Portion") and two thirds to interest and penalties ("Non-Wage Portion."). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

- 5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.
- 6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Settlement Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for

Exclusion by the [date] Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Settlement Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Purple Eagle.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Settlement Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Purple Eagle based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Defendant have agreed that, in either case, the Settlement will be void: Purple Eagle will not pay any money and Class Members will not release any claims against Purple Eagle.
8. Administrator. The Court has appointed a neutral company, Phoenix Settlement Administrators (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.
9. Participating Settlement Class Members' Release. After the Judgment is final and Purple Eagle has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Settlement Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Purple Eagle or related entities for those claims arising out of or reasonably related to the allegations set forth in the operative complaint and/or PAGA notice to the California Labor and Workforce Development Agency that arose during the Class Period and/or PAGA Period.

The Participating Settlement Class Members will be bound by the following release:

All Participating Settlement Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims arising out of or reasonably related to the allegations set forth in the Operative Complaint and/or PAGA notice to the LWDA that arose during the Class Period including, e.g., "(a) any and all claims involving any alleged failure to pay wages; (b) failure to provide rest periods; (c) failure to reimburse expenses; (d) failure to

provide accurate itemized wage statements; (e) failure to pay all wages due at termination; and (f) unfair business practices.

10. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Purple Eagle has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Purple Eagle, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Settlement Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Purple Eagle or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Settlement Class Members are as follows:

All Participating and Non-Participating Settlement Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice including any and all claims involving any alleged failure to (a) pay overtime and wages, (b) provide proper rest periods, (c) reimburse business expenses, (d) provide proper wage statements, (e) pay all wages due upon termination, and (e) engage in unfair business practices.

#### **4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?**

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Settlement Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Settlement Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$2,500 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Purple Eagle's records, are stated in the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Purple Eagle's calculation of Workweeks and/or Pay Periods based on Purple Eagle's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Settlement Class Members) and Purple Eagle's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

## 5. HOW WILL I GET PAID?

1. Participating Settlement Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Settlement Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Settlement Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Settlement Class Member).

**Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.**

## 6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *GILDARDO MOTA STEVENS, an individual, on behalf of himself and others similarly situated, PLAINTIFF v. PURPLE EAGLE LLC; and DOES 1 thru 50, inclusive, DEFENDANTS, Case No. CIVMSC21-02204*, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

## 7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Settlement Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendant are asking the Court to approve. At least 16 days before the [date] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that

includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website <https://www.phoenixclassaction.com/> or the Court's website <https://www.cc-courts.org/>.

A Participating Settlement Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [date].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action *GILDARDO MOTA STEVENS, an individual, on behalf of himself and others similarly situated, PLAINTIFF v. PURPLE EAGLE LLC; and DOES 1 thru 50, inclusive, DEFENDANTS*, Case No. CIVMSC21-02204 and include your name, current address, telephone number, and approximate dates of employment for Purple Eagle and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Settlement Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

## 8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on [date] at [time] in Department 39 of the Contra Costa Superior Court, located at 725 Court Street, Martinez, CA 94553. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via Zoom (<https://www.cc-courts.org/calendars/court-calendars.aspx/>).
