FINAL APPROVAL HEARING

Date: May 1, 2024
Time: 9:00 a.m.
Dept: 1

1. I am admitted, in good standing, to practice as an attorney in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Senior Partner at Wilshire Law Firm, PLC, counsel of record for Plaintiffs Daniel Hayes, Audrey Migliaccio, and Courtney Melvin (“Plaintiffs”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiffs’ Motion for Final Approval of Class Action Settlement.

CASE BACKGROUND

3. Plaintiffs allege that Defendants' payroll, timekeeping, and wage and hour practices resulted in numerous Labor Code violations. Specifically, Plaintiffs allege that Defendants failed to, *inter alia*, pay for all hours worked, provide employees with legally compliant meal and rest periods, indemnify employees for all necessary business expenses, and provide timely wages. Based on these allegations, Plaintiffs assert claims against Defendants for failure to pay minimum and straight time wages, failure to pay overtime wages, failure to provide meal periods, failure to authorize and permit rest periods, failure to indemnify for necessary business expenses, failure to timely pay all final wages at termination, failure to provide accurate itemized wage statements, unfair business practices, and civil penalties under PAGA.

4. On September 30, 2021, Plaintiff Hayes filed a putative wage and hour class action complaint against Defendants for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest

periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify necessary business expenses; and (8) unfair business practices. Plaintiff Hayes then amended his complaint on January 12, 2022 to add additional class representatives, Plaintiff Melvin and Plaintiff Migliaccio.

5. On October 1, 2021, Plaintiff Hayes sent a notice to Defendants and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to the PAGA.

6. On March 15, 2022, Plaintiffs sent a subsequent joint notice to Defendants and the California LWDA alleging similar violations pursuant to the PAGA. Plaintiff also paid the \$75.00 filing fee on March 28, 2022. On May 27, 2022, Plaintiff Melvin filed a separate action pursuant to the PAGA for civil penalties.

7. On February 22, 2023, the two actions described above were consolidated, with Case Number 21CV02456 being designated as the lead case. Plaintiffs provided conformed copies of both actions to the LWDA.

DISCOVERY, INVESTIGATION, AND SETTLEMENT

8. Following the filing of the initial Complaint, the Parties exchanged documents and information before mediating this action. Defendants produced a sample of timekeeping and pay records for the class members. Defendants also provided documents of their wage and hour policies and practices during the class period and information regarding the total number of current and former employees in their informal discovery responses. In total, Defendants produced policy documents and corresponding time/wage records for approximately 160,000 shifts worked by employees during the class period.

9. After reviewing documents regarding Defendants’ wage and hour policies and practices, analyzing Defendant’s timekeeping and payroll records, and interviewing Class Members, Class Counsel was able to evaluate the probability of class certification, success on the merits, and Defendants’ maximum monetary exposure for all claims. Class Counsel was also able to evaluate the extent to which Defendants paid premium wages for non-compliant meal and rest periods. Class Counsel also investigated the applicable law regarding the claims and defenses

1 asserted in the Litigation. Class Counsel reviewed these records and utilized an expert to prepare
2 a damages analysis prior to mediation.

3 SETTLEMENT NEGOTIATIONS

4 10. On December 7, 2022, the Parties participated in private mediation with experienced
5 class action litigator and mediator Brandon McKelvey, Esq. The mediation was conducted via
6 Zoom. The settlement negotiations were at arm's length and, although conducted in a professional
7 manner, were adversarial. The Parties went into the mediation willing to explore the potential for
8 a settlement of the dispute, but each side was also prepared to litigate their position through trial
9 and appeal if a settlement had not been reached.

10 11. After extensive negotiations and discussions regarding the strengths and
11 weaknesses of Plaintiffs' claims and Defendants' defenses, the Parties reached a settlement
12 following the issuance of a mediator's proposal, the material terms of which were subsequently
13 incorporated in the Parties' proposed Settlement Agreement. Attached as Exhibit 1 is a true and
14 correct copy of the Class Action and PAGA Settlement Agreement and Class Notice ("Settlement"
15 or "Settlement Agreement").

16 12. The proposed Settlement Agreement was provided to the LWDA in advance of
17 Plaintiffs filing their Motion for Preliminary Approval.

18 13. On November 15, 2023, this Court granted Plaintiffs' Motion for Preliminary
19 Approval of Class Action Settlement. Pursuant to Parties subsequent stipulation and Court order,
20 the notice implementation process was continued by approximately 60 days to allow Defendant
21 additional time to obtain the requisite class member information for purposes of sending out the
22 notices.

23 14. Plaintiffs will file a supplemental declaration shortly after the response deadline to
24 provide the Court with the final figures regarding whether Class Members, if any, have opted out,
25 objected, or disputed their allocated workweeks in the Settlement.

26 15. The settlement obviates the significant risk that this Court may deny certification of
27 all or some of Plaintiffs' claims. While Plaintiffs are confident in the merits of her claims, a
28 legitimate controversy exists as to each cause of action. Plaintiffs also recognize that proving the

1 amount of wages due to each class member would be an expensive, time-consuming, and uncertain
2 proposition. Furthermore, even if Plaintiffs obtained certification of all or some of the claims,
3 continued litigation would be expensive, involving a trial and possible appeals, and would
4 substantially delay and reduce any recovery by the class. Because of the proposed Settlement,
5 class members will receive timely, guaranteed relief and will avoid the risk of an unfavorable
6 judgment. When considering the risks of litigation, the uncertainties involved in achieving class
7 certification, the burdens of proof necessary to establish liability, the probability of appeal of a
8 favorable judgment, it is clear that the settlement amount of \$637,500 is within the “ballpark” of
9 reasonableness, and preliminary settlement approval is appropriate.

10 ENHANCEMENT AWARD FOR PLAINTIFF IS REASONABLE

11 16. Class Counsel represent that Plaintiffs devoted a great deal of time and work
12 assisting counsel in the case, communicated with counsel very frequently for litigation and to
13 prepare for mediation, and was frequently in contact with Class Counsel during the mediation.
14 Plaintiffs’ requested service awards are reasonable particularly in light of the substantial benefits
15 they generated for all class members.

16 17. Throughout this Litigation, Plaintiffs, who are former employees of Defendants,
17 have cooperated immensely with my office and have taken many actions to protect the interests of
18 the class. Plaintiffs provided valuable information regarding the “off-the-clock,” meal period, and
19 rest period claims. Plaintiffs also informed my office of developments and information relevant
20 to this action, participated in decisions concerning this action, made himself available to answer
21 questions during the mediation, and provided my office with the names and contact information of
22 potential witnesses in this action. Before we filed this case, Plaintiff Hayes provided my office
23 with documents regarding the claims alleged in this action. The information and documentation
24 provided by Plaintiffs was instrumental in establishing the alleged wage and hour violations
25 alleged in this action, and the recovery provided for in the Settlement Agreement would have been
26 impossible to obtain without Plaintiffs’ participation.

27 18. At the same time, Plaintiffs faced many risks in adding themselves as the class
28 representative in this matter. Plaintiffs faced actual risks with their future employment, as putting

1 themselves on public record in an employment lawsuit could also very well affect his likelihood
2 for future employment. Furthermore, as part of this Settlement, Plaintiffs are executing a general
3 release of all claims against Defendants.

4 19. In turn, class members will now have the opportunity to participate in a settlement,
5 reimbursing them for alleged wage violations they may have never known about on their own or
6 been willing to pursue on their own. If these class members would have each tried to pursue their
7 legal remedies on their own, that would have resulted in each having to expend a significant amount
8 of their own monetary resources and time, which were obviated by Plaintiffs putting themselves
9 on the line on behalf of these other class members.

10 20. In the final analysis, this class action would not have been possible without the aid
11 of Plaintiffs, who put their own time and effort into this Litigation, sacrificed the value of their
12 own individual claims, and placed themselves at risk for the sake of the class members. The
13 requested service award for Plaintiffs for their service as the class representatives and for their
14 general release of all individual claims is a relatively small amount of money when the time and
15 effort put into the Litigation are considered and in comparison to enhancements granted in other
16 class actions. The requested incentive awards are therefore reasonable to compensate Plaintiffs
17 for their active participation in this lawsuit. Indeed, in *Karl Adams, III, et al. v. MarketStar*
18 *Corporation*, et al., No. 2:14-cv-02509-TLN-DB, a wage and hour class action alleging that class
19 members were misclassified as exempt outside salespersons, I was co-lead Class Counsel and
20 helped negotiate a \$2.5 million class action settlement for 339 class members, and the court
21 approved a \$25,000.00 class representative incentive award for each named plaintiff.

22 THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

23 21. The Settlement provides for attorneys' fees payable to Class Counsel in an amount
24 up to one-third (33 1/3%) of the Settlement Amount, for a maximum fees award of \$212,500, plus
25 actual costs and expenses not to exceed \$20,000.00. The proposed award of attorneys' fees to
26 Class Counsel in this case can be justified under either method – lodestar or percentage recovery.
27 Class Counsel, however, intend to base the proposed award of fees, costs and expenses on the
28 percentage method as many of the entries in the time records will have to be redacted to preserve

attorney-client and attorney work product privileges.

22. The total current lodestar for Wilshire Law Firm, PLC is not less than the following:

Person	Role	Hours	Rate	Lodestar
Justin F. Marquez	Senior Partner (14+ years)	39	\$1,500	\$58,500
Benjamin H. Haber	Associate Attorney (7th Year)	62	\$775	\$48,050
Daniel J. Kramer	Associate Attorney (7th Year)	71	\$775	\$55,025
Min Jee Kim	Senior Paralegal	22	\$175	\$3,850
Rebecca Padilla	Paralegal	26	\$150	\$3,900
Total:		220		\$169,325

23. Class Counsel has spent over 220 hours litigating this Action to bring it to resolution, not including time which will be expended monitoring the administration of the settlement and distribution of funds to the Class Members. The efforts expended by Plaintiffs' counsel to achieve this result include, but are not limited to, the following:

- a. the investigation of the matter, including meeting with Plaintiffs, reviewing Defendant's policies, and requesting and reviewing Plaintiffs' time and pay records, personnel files, and exploring the corporate structure of Defendants;
- b. filing the Action;
- c. attending status conferences and meeting and conferring with Defendants regarding the case;
- d. drafting and serving written formal discovery;
- e. meeting and conferring with Defendants regarding mediation, exchange of informal discovery beforehand, and negotiating with opposing counsel regarding the parameters thereof;
- f. selecting a mediator and mediation date;
- g. working with opposing counsel and an expert consultant for the receipt of a representative sampling and analyzing the same with the aid of expert consultant and Plaintiffs to perform analyses of liability and exposure prior to attendance of the mediation in this matter;

- h. reviewing policy documents from Defendants and researching applicable defenses;
- i. preparation of a mediation brief and damages model for use at mediation;
- j. attendance at mediation;
- k. communicating with Plaintiffs who requested updates or other information regarding this matter;
- l. engaging in settlement negotiations, followed by finalizing and fully executing the settlement agreement;
- m. preparing and drafting the Motion for Preliminary Approval and supporting documents;
- n. meeting and conferring with Defendants' counsel regarding supplemental briefing in support of Plaintiffs' Motion for Preliminary Approval and briefing schedules;
- o. communicating with class members who sought additional information regarding the settlement, including answering questions regarding the settlement and obtaining updated addresses from class members for purposes of receiving the class notices and administering the settlement checks;
- p. communicating with the Settlement Administrator to ensure the Class Notice was properly distributed and engaging in extensive follow-up communications with the Settlement Administrator regarding class members who sought additional information about the Settlement; and
- q. preparing the instant Motion for Final Approval and supporting documents.

24. There are additional hours devoted by me (and by my colleagues) to this litigation that are not reflected in Class Counsel's request for attorney's fees.

25. We can provide additional billing records in the event the Court requests them, but would request the opportunity to redact attorney-client privileged information and any other privileged information.

26. I am informed and believe that the fee and costs provision is reasonable. The fee percentage requested is less than that charged by my office for most employment cases. My office invested significant time and resources into the case, with payment deferred to the end of the case,

1 and then, of course, contingent on the outcome.

2 27. It is further estimated that my office will need to expend at least another 15 to 25
3 hours to monitor the process leading up to payments made to the class. My office also bears the
4 risk of taking whatever actions are necessary if Defendants fail to pay.

5 28. The risk to my office has been very significant, particularly if we would not be
6 successful in pursuing this class action. In that case, we would have been left with no compensation
7 for all the time taken in litigating this case. Indeed, I have taken on a number of class action cases
8 that have resulted in thousands of attorney hours being expended and ultimately having
9 certification denied or the defendant company going bankrupt. The contingent risk in these types
10 of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing
11 on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

12 29. Because most individuals cannot afford to pay for representation in litigation on an
13 hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a
14 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
15 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
16 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
17 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
18 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
19 that we recover more than our regular hourly rate when we win if we are to remain in practice so
20 as to be able to continue representing other individuals in civil rights employment disputes.

21 30. As of the drafting of this motion, my office has incurred around \$15,624.48 in
22 expenses litigating this action, and we anticipate accruing additional costs up to Final Approval of
23 the Settlement. These expenses were reasonably necessary to the litigation and were actually
24 incurred by my office. We also anticipate additional costs in the amount of \$300.00, which
25 includes the costs for filing Plaintiff's Motion for Final Approval, the distribution compliance
26 report, and appearing at the hearing. Accordingly, my office respectfully requests reimbursements
27 of \$15,924.48 in expenses, which should be reimbursed in full. Attached as **Exhibit 2** is a list of
28 the costs and the categories of costs for the costs incurred in this case to date.

33. I graduated from the University of California, Los Angeles's College Honors Program in 2004 with Bachelor of Arts degrees in History and Japanese, *magna cum laude* and *Phi Beta Kappa*. As an undergraduate, I also received a scholarship to study abroad for one year at Tokyo University in Tokyo, Japan. I received my Juris Doctor from Notre Dame Law School in 2008.

34. My practice is focused on advocating for the rights of consumers and employees in class action litigation and appellate litigation. I am currently the primary attorney in charge of litigating several class action cases in state and federal courts across the United States.

35. I have received numerous awards for my legal work. Since

2013, I have actively mentored young attorneys through CELA’s mentorship program.

37. I am also a past member of the Consumer Attorneys of California (“CAOC”). In 2020, I was selected for a position on CAOC’s Board of Directors. I am also a past member of CAOC’s Diversity Committee, and I helped assist the CAOC in defeating bills that harm employees. Indeed, I recently helped assist Jacqueline Serna, Esq., Legislative Counsel for CAOC, in defeating AB 443, which proposed legislation that sought to limit the enforceability of California Labor Code § 226.

38. As the attorney responsible for day-to-day management of this matter at the Wilshire Law Firm, PLC, I have over fourteen years of experience with litigating wage and hour class actions. Over the last fourteen years, I have managed and assisted with the litigation and settlement of several wage and hour class actions. In those class actions, I performed similar tasks as those performed in the course of prosecuting this action. My litigation experience includes:

- a. I served as lead or co-lead in negotiating class action settlements worth over \$10 million in gross recovery to class members for each year since 2020, including over \$37.5 million in 2022 and over \$75 million in 2023.
- b. I lead a team of attorneys that successfully obtained class certification of meal period, rest period, and related derivative claims on April 5, 2024 in *Aguilar-Flores v. Javier’s CC LLC*, Los Angeles Superior Court No. 19STCV36438 (Hon. Elihu M. Berle).
- c. I was part of the team of attorneys that prevailed in *Moore v. Centrelake Medical Group, Inc.* (2022) 83 Cal.App.5th 515, the first California appellate decision in a data breach class action holding that consumer plaintiffs adequately alleged injury in fact under the benefit of the bargain theory and monitoring-costs theory.
- d. In 2022, Top Verdict recognized Wilshire Law Firm and myself for having one case in the Top 20 Labor & Employment Settlements (including number 19 for the \$4.1 million settlement in The FPI Management Wage and Hour Cases) and four additional cases in the Top 50 Labor & Employment Settlements (numbers

- 36, 39, 41, and 49.)
- e. In 2021, Top Verdict recognized Wilshire Law Firm and myself for having one case in the Top 20 Labor & Employment Settlements in 2021 (including number 19 for the \$1.6 million settlement in *Moreno v. Pretium Packaging, L.L.C*) and four additional cases in the Top 50 Labor & Employment Settlements in 2021 (numbers 27, 30, 33, and 37).
- f. To my knowledge, I am the only attorney to appear on each of the following Top Verdict lists for 2018 in California: Top 20 Civil Rights Violation Verdicts, Top 20 Labor & Employment Settlements, and Top 50 Class Action Settlements.
- g. As lead counsel, on April 29, 2021, I prevailed against CVS Pharmacy, Inc. by winning class certification on behalf of hundreds of thousands of consumers for misleading advertising claims in *Joseph Mier v. CVS Pharmacy, Inc.*, U.S. Dist. Ct. C.D. Cal. no. SA CV 20-1979-DOC-(ADSx).
- h. As lead counsel, I prevailed against Bank of America by: winning class certification on behalf of thousands of employees for California Labor Code violations; defeating appellate review of the court’s order certifying the class; defeating summary judgment; and defeating a motion to dismiss. (*Frausto v. Bank of America, N.A.* (N.D. Cal. 2019) 334 F.R.D. 192, 2020 WL 1290302 (9th Cir. Feb. 27, 2020), 2019 WL 5626640 (N.D. Cal. Oct. 31, 2019), 2018 W.L. 3659251 (N.D. Cal. Aug. 2, 2018)). The decision certifying the class in *Frausto* is also discussed in Class Certification Under Fed. R. Civ. P. 23 in Action by Information Technology or Call Center Employees for Violation of State Law Wage and Hour Rules, 35 A.L.R. Fed. 3d Art. 8.
- i. I was the primary author of the class certification and expert briefs in *ABM Industries Overtime Cases* (2017) 19 Cal.App.5th 277, a wage and hour class action for over 40,000 class members for off-the-clock, meal period, split shift, and reimbursement claims. *ABM Industries Overtime Cases* is the first published California appellate authority to hold that an employer’s “auto-deduct

1 policy for meal breaks in light of the recordkeeping requirements for California
2 employers is also an issue amenable to classwide resolution.” (*Id.* at p. 310.)¹
3 Notably, the Court of Appeal also held that expert analysis of timekeeping
4 records can also support the predominance requirement for class certification.
5 (*Id.* at p. 310-11.) In 2021, the case settled for \$140 million, making it one of
6 the largest ever wage and hour class action settlements for hourly-paid
7 employees in California.

8 j. I briefed, argued, and won *Yocupicio v. PAE Group, LLC* (9th Cir. 2015) 795
9 F.3d 1057. The Ninth Circuit ruled in my client’s favor and held that non-class
10 claims under California’s Private Attorney Generals Act (“PAGA”) cannot be
11 used to calculate the amount in controversy under the Class Action Fairness Act
12 (“CAFA”). This case is cited in several leading treatises such as Wright &
13 Miller’s Federal Practice & Procedure, and Newberg on Class Actions. In
14 October 2016, the U.S. Supreme Court denied review of a case that primarily
15 concerned Yocupicio. That effort was led by Theodore J. Boutrous, who
16 brought the cert petition, with amicus support from a brief authored by Andrew
17 J. Pincus.² Considering that leading Supreme Court practitioners from the class
18 action defense bar were very motivated in undermining Yocupicio case, but
19 failed, this demonstrates the national importance of the Yocupicio decision.

20 k. On December 13, 2018, the United States District Court granted final approval
21 of the \$2,500,000 class action settlement in *Mark Brulee, et al. v. DAL Global*
22 *Services, LLC* (C.D. Cal. Dec. 13, 2018) No. CV 17-6433 JVS(JCGx), 2018 WL
23 6616659 in which I served as lead counsel. In doing so, the Court found: “Class
24 Counsel’s declarations show that the attorneys are experienced and successful
25

26 ¹ As a California district court observed before the *ABM Industries Overtime* decision,
27 “[t]he case law regarding certification of auto-deduct classes is mixed.” (*Wilson v. TE Connectivity*
28 *Networks, Inc.* (N.D. Cal. Feb. 9, 2017) No. 14-CV-04872-EDL, 2017 WL 1758048, *7.)

litigators.” (Id. at p. *10.)

1. *Gasio v. Target Corp.* (C.D. Cal. Sep. 12, 2014) 2014 U.S. Dist. LEXIS 129852, a reported decision permitting class-wide discovery even though the employer has a lawful policy because “[t]he fact that a company has a policy of not violating the law does not mean that the employees follow it, which is the issue here.” The court also ordered Defendants to pay for the cost of *Belaire-West* notice.
- m. In 2013, I represented a whistleblower that reported that his former employer was defrauding the State of California with the help of bribes to public employees. The case, a false claims (qui tam) action, resulted in the arrest and criminal prosecution of State of California employees by the California Attorney General’s Office.
- n. In 2013, I was part of a team of attorneys that obtained conditional certification for over 2,000,000 class members in a federal labor law case for misclassification of independent contractors that did crowdsourced work on the Internet, *Otey v. CrowdFlower, Inc.*, N.D. Cal. Case No. 12-cv-05524-JST (MEJ), resulting in the following pro-plaintiff reported decisions:
 - 1) 2013 U.S. Dist. LEXIS 151846 (N.D. Cal. Oct. 22, 2013) (holding that an unaccepted Rule 68 offer doesn’t moot plaintiff’s claims, and granting plaintiff’s motion to strike Defendants’ affirmative defenses based on *Twombly/Iqbal*).
 - 2) 2013 U.S. Dist. LEXIS 122007 (N.D. Cal. Aug. 27, 2013) (order granting conditional collective certification).
 - 3) 2013 U.S. Dist. LEXIS 95687 (N.D. Cal. July 8, 2013) (affirming the magistrate judge’s discovery ruling which held that “evidence of other sources of income is irrelevant to the question of whether a plaintiff is an employee within the meaning of the FLSA”).
 - 4) 2013 U.S. Dist. LEXIS 91771 (N.D. Cal. June 20, 2013) (granting

broad discovery because “an FLSA plaintiff is entitled to discovery from locations where he never worked if he can provide some evidence to indicate company-wide violations”).

o. From 2012 to 2013, I was part of a team of attorneys that obtained class certification for over 60,000 class members for off-the-clock claims, *Linares v. Securitas Security Services USA, Inc.*, Los Angeles Superior Court No. BC416555. We also successfully opposed subsequent appeals to the California Court of Appeal and California Supreme Court.

39. Benjamin H. Haber is a seventh-year Associate Attorney at Wilshire Law Firm. His current hourly rate for this case is \$775. He graduated from the University of California, Los Angeles, with a Bachelor of Arts in Political Science, and received his Juris Doctor from the University of California, Hastings College of the Law in 2016. During law school, he was a member of the executive board for the *Hastings Law Journal* and a student mediator at the San Francisco Superior Court, Small Claims Division. He was admitted to practice law in the State of California in 2017. Since graduating from law school, he has focused his legal work primarily on wage-and-hour litigation and has helped obtain dozens of seven-figure settlements on behalf of tens of thousands of workers in California. He was also selected as a “Southern California Rising Star” in 2024.

40. Daniel J. Kramer is a seventh-year Associate Attorney at Wilshire Law Firm, PLC. He was admitted to practice law in the State of California and the Central, Eastern, and Northern Districts of California. He graduated from Stanford University with a Bachelor of Arts in History and Political Science, and received his Juris Doctor from Loyola Law School, Los Angeles in 2016. a. The 2022 Real Rate Report survey compiled by Wolters Kluwer, which presents the real market rates of Los Angeles area attorneys who practice litigation. For that category, the third quartile 2022 rate was \$1,045 per hour for partners and \$855 for associates. Likewise, page 32 of the Report describes the rates charged by 183 Los Angeles partners with “21 or more years of experience” and “Fewer than 21 years.” For those categories, the third quartile Los Angeles partner rate in 2022 were \$1,133 per hour for 21 or more years and \$1,075 for attorneys with fewer than 21 years. A true and correct copy of portions of the 2022 Real Rate Report is attached hereto as **Exhibit 3.**

b. In an article entitled “Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder,’” written by Roy Strom and published by Bloomberg Law on June 9, 2022, the author describes how Big Law firms have crossed the \$2,000-per hour

1 rate. The article also notes that law firm rates have been increasing by just under
2 3% per year. A true and correct copy of this article is attached hereto as **Exhibit 4**.

3 I declare under penalty of perjury under the laws of the State of California and the United
4 States that the foregoing is true and correct.

The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Gonzales Park.

Gonzales Park will not oppose Plaintiffs' request for the Class Representatives' Service Payments that does not exceed these amounts. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiffs will seek Court approval for any Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves the Class Representatives' Service Payments less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representatives' Service Payments using IRS Form 1099. Plaintiffs assume full responsibility and liability for employee taxes owed on the Service Payments.
- 3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than thirty three and one third (33 1/3%), which is estimated to be \$212,500 and a Class Counsel Litigation Expenses Payment of not more than \$20,000.00. Gonzales Park will not oppose requests for these payments provided that the requests do not exceed these amounts. Plaintiffs and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiffs' Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel

Litigation Expenses Payment and holds Gonzales Park harmless, and indemnifies Gonzales Park, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$15,000 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$15,000, the Administrator will retain the remainder in the Net Settlement Amount.

3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

3.2.4.1. Tax Allocation of Individual Class Payments. 25% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The 75% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for all other forms of recovery [e.g., interest and penalties] (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will redistribute the amounts attributable to the pro rata shares of Non-Participating Class Members to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$20,000 to be paid from the Gross Settlement Amount, with 75% (\$15,000) allocated to the LWDA PAGA Payment and 25% (\$5,000) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement

Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

- 4.3. Funding of Gross Settlement Amount. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

Within seven (7) days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undeliverable. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384, subd. (b) (“Cy Pres Recipient”), Koinonia Family Services, P.O. Box 1403, 3731 Magnolia Street, Loomis, California 95650. The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Gonzales Park to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that, if known by him or her, would have materially affected his or her settlement with the debtor or Released Party.

5.2 Release by Participating Class Members Who Are Not Aggrieved Employees:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and ascertained in the course of the Action during the Class Period, including but not limited to any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify necessary business expenses; and (8) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* Except as set forth in Section 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

5.3 Release by Non-Participating Class Members Who Are Aggrieved Employees:

All Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Consolidated Action, and the PAGA Notice and ascertained in the course of the Action, including any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; and (7) failure to indemnify necessary business expenses.

6. **MOTION FOR PRELIMINARY APPROVAL.** The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's current checklist for Preliminary Approvals.

6.1 Plaintiffs' Responsibilities. Plaintiffs will prepare, file and serve all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from Plaintiffs confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); and all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient. In their Declarations, Plaintiffs and Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement. Class Counsel shall provide Defense Counsel a reasonable opportunity to review Plaintiffs' proposed submission for Preliminary Approval before filing.

6.2 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

7.1 Selection of Administrator. The Parties have jointly selected ILYM Group, Inc. to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc. agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.
- 7.4 Notice to Class Members.
- 7.4.1 No later than five (5) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- 7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation, if applicable substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- 7.4.3 Not later than three (3) business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notices to Class Members whose Class Notice is returned by the USPS a second time.
- 7.4.4 The deadlines for Class Members’ written objections, Challenges to Workweeks defined in section 7.6 and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- 7.4.5 If the Administrator, Gonzales Park or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a

Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

7.5 Requests for Exclusion (Opt-Outs).

7.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 5.2 and 5.3 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The

Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representatives' Service Payments.

7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and the Class Representatives' Service Payments, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

- 7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- 7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 7.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiffs are required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its

disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE.** Gonzales Park represents that there are no more than 61,491 workweeks worked by the Class Members during the Class Period. In the even the number of workweeks worked by the Class Members increases by more than 10%, or 6,149, then the Maximum Settlement Amount shall be increased proportionally by the workweeks worked in excess of 61,491 multiplied by the workweek value. The workweek value shall be calculated by dividing the Maximum Settlement Amount by the applicable number of workweeks. The Parties agree that the workweek value is approximately \$10.37 ($\$637,500 / 61,491$ workweeks). Thus, for example, should there be 68,000 workweeks in the Class Period, then the Maximum Settlement Amount shall be increased by \$67,498.33 ($((68,000 \text{ workweeks} - 61,491 \text{ workweeks}) \times (\$10.37 / \text{workweek}))$).
9. **GONZALES PARK'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Gonzales Park may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Gonzales Park withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Gonzales Park will remain responsible for paying all Settlement Administration Expenses incurred to that point. Gonzales Park must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.
10. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts

requested for the Class Representatives' Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representatives' Service Payments or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Gonzales Park that any of the allegations in the Operative Complaint have

merit or that Gonzales Park has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that Gonzales Park's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Gonzales Park reserves the right to contest certification of any class for any reasons, and Gonzales Park reserves all available defenses to the claims in the Consolidated Action, and Plaintiffs reserve the right to move for class certification on any grounds available and to contest Gonzales Park's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

- 12.2 Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Gonzales Park and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Gonzales Park and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 12.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 12.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiffs and Gonzales Park, respectively, to

take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

- 12.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 12.8 No Tax Advice. Neither Plaintiffs, Class Counsel, Gonzales Park nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 12.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 12.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 12.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 12.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Gonzales Park in connection with the mediation, other settlement

negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiffs shall destroy, all paper and electronic versions of Class Data received from Gonzales Park unless, prior to the Court's discharge of the Administrator's obligation, Gonzales Park makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.

- 12.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 12.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 12.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
