I have knowledge of the facts set forth herein, and such facts are known and believed by me to be true and correct. If called as a witness, I could and would competently testify thereto.

2. In my capacity as Human Resource Representative, I am familiar with the regular business activities that Defendant conducts during its normal course of business related to its personnel, including the hiring, on-boarding, termination and payroll-related facts. Also, in my capacity as Human Resource Representative, I have access to, and am authorized to review, the personnel files, employment history, and payroll history of Defendant's employees. I have an understanding of not only the kinds of records that Defendant maintains, but of the general business practices that Defendant uses to obtain, maintain, review and analyze such records.

3. Based on my personal knowledge, out of the 168 Settlement Class Members¹, there are 10 individuals, who are Spanish only speakers. However, the rest of the 158 Settlement Class Members speaks, understands and writes English without difficulty.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on September 11, 2024, at Anaheim, California.
