Defendants.

NO. 30-2021-01235358-CU-OE-CXC
DECLARATION OF ADAM ROSE IN
SUPPORT OF MOTION FOR FINAL
APPROVAL
Date: January 5, 2024
Time: 1:30 p.m.
Dept: CX103

3. A true and correct copy of the costs incurred by Frontier Law Center are also delineated and contained in the attached spreadsheet.

1 4. A multiplier of 1.6 is requested if the lodestar method is used as the contingent risk
2 for bringing the case will benefit the class members and aggrieved employees; the skill used
3 in reaching the settlement, as well as proficiency with the issues, facts, and data resulted in
4 a favorable conclusion as discussed in the motion for final approval.

5 5. The time worked was recorded both contemporaneously using a program called
6 Smokeball in addition to manually entering to ensure all time was accounted for. I submit
7 that the time spent was reasonable and always related to advancing the case.

8 6. I am uploading a copy of the motion for final approval and the supporting
9 declarations to the LWDA portal at the same time as filing the motion for final approval.

10 7. As a part of the preparation for mediation on December 12, 2023, I had the
11 opportunity to review the following informal discovery produced by Widdicombe
12 Enterprises, Inc.:

- 13 a) Plaintiff's personnel file, including time and payroll records in Excel
- 14 b) All employee handbooks that were applicable during the Class Period
- 15 c) All written policies relating to the following, during the Class Period: meal
16 and rest breaks, operating the time clock, attendance and tardiness, time rounding, seating,
17 uniform paycheck deductions, work expense reimbursements
- 18 d) The number of Class Members, broken down into current and former
19 employees
- 20 e) The number of current and former Aggrieved Employees
- 21 f) The total number of payroll periods collectively worked by the Aggrieved
22 Employees during the PAGA Period
- 23 g) The total number of workweeks collectively worked by the Class Members
24 during the Class Period
- 25 h) Exemplar of all meal break waivers or on duty meal break agreements
- 26 i) 20% sampling of time records, including both rounded and unrounded time,
27 for the Class Members during the Class Period, in excel format or other native electronic
28 formats.

j) 20% sampling of payroll records for same set of Class Members during the Class Period, in excel format or other native electronic format

8. As provided in the motion for preliminary approval, Frontier Law Center's economics expert made the following calculations about the maximum liability for each of the causes of action:

- a) Meal break violations - \$167,929, and interest of \$33,571
- b) Rest break violations - \$824,770, and interest of \$164,881
- c) Regular rate (overtime) violations - \$1,750, and interest of \$368
- d) Off the clock violations - \$285,666, and interest of \$81,583
- e) Waiting time penalties - \$113,048
- f) Wage statement penalties - \$1,218,241

9. Thus, the maximum exposure amount (excluding PAGA) was \$2,891,807.

10. For the PAGA penalties, the maximum exposure was \$6,381,061.

11. Thus, the total exposure for damages, interest, and all penalties including PAGA penalties, was \$9,272,868.

12. The unpaid wages, wage statement penalties, and PAGA penalties causes of action all come with statutory attorney fees.

13. The settlement of \$1,200,000 represents 12.9% of the total maximum exposure which in the range of reasonableness.

14. From the gross settlement of \$1,200,000, the following will be deducted:

- a) Attorney costs of \$12,000
- b) Attorney fees of \$400,000
- c) Service award of \$5,000
- d) Settlement administration of \$14,500
- e) PAGA allocation of \$100,000

15. This provides a net settlement amount of \$688,500 (of which \$25,000 is PAGA penalties); thus the average recovery for the 1,238 class members is \$587.45.

16. My billing rate for this case is \$800 per hour.

17. Since I graduated from University of San Francisco Law School in 1998, I have settled upwards of 250 individual employment law cases, and I have handled the following class actions from start to finish: *Ramirez v.
