1. I am an attorney licensed to practice before all of the courts of the State of California. I am partner in the law firm of Kingsley & Kingsley, APC and one of the attorneys of record for Plaintiff Ingrid Hansen-Schoolderman in the above-entitled action. I have personal knowledge of the facts set forth herein, and if called upon as a witness, I could and would testify competently thereto.

3. I graduated cum laude from the University of California, San Diego in 2004 with a degree in Human Development. I graduated from the University of California, Los Angeles School of Law in 2008. I am admitted to practice before the following Courts: United States Supreme Court; United States District Court, Northern, Eastern, Southern and Central of California; all California State Courts.

LITIGATION BACKGROUND

5. Plaintiff Ingrid Hansen-Schoolderman was employed by Defendant (dba MEE Memorial) as a non-exempt, non-union Licensed Vocational Nurse from November 2020 through April 2021.

7. On November 12, 2021, Plaintiff filed a Class Action Complaint seeking recovery for: (1) failure to pay wages and/or overtime under Labor Code sections 510, 1194, and 1199; (2)

1 failure to provide meal breaks pursuant to Labor Code sections 226.7 and 512; (3) failure to
2 provide rest breaks pursuant to Labor Code section 226.7; (4) failure to provide accurate itemized
3 wage statements pursuant to Labor Code section 226(a); (5) penalties under Labor Code section
4 203; and (6) violation of Business & Professions Code section 17200.

5 8. Also on November 12, 2021, Plaintiff sent a notice letter, pursuant to Labor PAGA,
6 to the Labor Workforce Development Agency (“LWDA”) regarding her intent to seek civil
7 penalties for the same Labor Code violations above, under Labor Code section 2699, et seq.

8 9. On March 16, 2022, Plaintiff filed a First Amended Class and Representative
9 Action Complaint adding an additional cause of action for penalties pursuant to Labor Code §
10 2699, et seq., the Private Attorneys General Act (“PAGA”) based on the underlying Labor Code
11 violations already pled. (Hereafter, the “Action”.)

12 **THE DISCOVERY PROCESS**

13 10. Plaintiff and Defendant mutually agreed to hold off on proceeding with formal
14 discovery to focus their efforts and resources on resolving this case through early mediation. The
15 Parties met and conferred as to the parameters and Defendant informally produced a sampling of
16 time and pay data for mediation purposes only.

17 11. This sample specifically included records for periods of time in 2020 and 2021 for
18 29 employees chosen at random who work 8/80 workweeks and each of the three alternative
19 workweek schedules adopted during the class period to provide the best overview of time and pay
20 records across the class.

21 12. The sampling of records included electronic punch times, meal period and rest
22 period attestations, pdf copies of payroll reports that correspond with that time, and wage
23 statements from that same time period.

24 13. The average hourly rate of pay for the sample employees is \$38.36, and their
25 average regular rate of pay is \$39.97.

SETTLEMENT

15. For purposes of Agreement, the settlement Class is defined as: “All persons who are employed or have been employed as a non-exempt employee by SOUTHERN MONTEREY COUNTY MEMORIAL HOSPITAL, in the State of California during the Covered Period.” (“Class”). The “Settlement Class Members” or “Class Members” means a member of the Class, as either a Participating Class Member or Non-Participating Class Member (including a Non-Participating Class Member who qualifies as an Aggrieved Employee).

17. For purposes of the Agreement, the Aggrieved Employees are defined as: “all persons who are employed or have been employed as a non-exempt employee by SOUTHERN CALIFORNIA COUNTY MEMORIAL HOSPITAL, in the State of California who worked one or more pay periods during the PAGA Period. (“Aggrieved Employees” or “PAGA Members”).

19. Based on documents and other information produced by Defendant and analyzed with the assistance of the expert for mediation, there were approximately 419 Aggrieved Employees who worked 16,440 pay periods during the PAGA statutory period.

21. The Net Settlement Amount is the Gross Settlement Fund, less Class Counsel Award, Class Representative Enhancement, PAGA Payment, and Settlement Administration Costs.

1 **CLASS NOTICE**

2 22. The Court approved the proposed Class Notice and directed the mailing of the
3 Notice by first-class mail to Settlement Class Members in accordance with the proposed
4 implementation schedule.

5 **THE COURT SHOULD ORDER FINAL APPROVAL OF THE SETTLEMENT**

6 23. All settlement discussions were made by experienced and informed counsel, who
7 believe that this settlement represents a favorable resolution for the Settlement Class Members.

8 24. The settlement negotiations have been, at all times, adversarial and non-collusive,
9 with the aid of a mediator, and no self-dealing or other type of misconduct by either side has taken
10 place.

11 25. As detailed above, Defendant produced data and documents informally for
12 purposes of settlement including a sampling of time and pay records chosen at random. Receipt
13 of appropriate discovery allowed Class Counsel to fairly evaluate the exposure and risks associated
14 with each claim alleged in the lawsuit.

15 26. Third, Class Counsel have significant experience in cases of this type, including
16 several years prosecuting wage, hour, and working condition violations.

17 27. Class Counsel is thus qualified to evaluate the class claims and viability of the
18 defenses. Class Counsel believes that the settlement is fair, reasonable, adequate, and in the best
19 interests of the class and that the average recovery for each Settlement Class Member of over
20 \$ 1,164.16. is substantial, given the risks inherent in litigation and the defenses asserted.

21 **CLASS COUNSEL'S KULLAR ANALYSIS**

22 28. The proposed settlement satisfies each of these factors.

23 29. This exchange of informal discovery permitted Class Counsel to fairly evaluate the
24 strength of the case and the risks associated with ongoing litigation.

25 30. Class Counsel is experienced in handling wage and hour class actions and, after
26 weighing all of the following factors, supports this Agreement.

27 ///

Plaintiff Alleges That Defendant Failed to Pay Overtime at the Appropriate Rate

31. Plaintiff contends that she and all Class Members were forced to work on a regular and consistent basis without receiving compensation for all hours worked at the proper rate.

32. Plaintiff contends that Defendant failed to blend Plaintiff's and the Class Members' "Shift Differential" pay into the regular rate of pay for the purposes of calculating the overtime rate during pay periods that Class Members worked overtime and also earned "Shift Differential" pay.

33. As a result of this alleged failure to properly blend, Plaintiff maintains that Defendant underpaid Plaintiff and Class Members in pay periods when they worked overtime and also earned non-discretionary shift differential pay in the same pay period.

34. Plaintiff contends that Defendant owes unpaid overtime wages to Plaintiff and the Class members as a result.

35. Because this claim can be readily analyzed from Defendant's time and pay records, Plaintiff felt confident that this claim was certifiable and that she would likely prevail on the merits at trial.

36. Defendant argued that it did properly blend, but to the extent that a trier of fact found that it did not, the core wage exposure was quite minimal because any alleged failure to blend would only result in only a few dollars being owed to any given Class Member during a specific pay period when they worked overtime and also earned non-discretionary bonus pay in the same pay period.

37. Defendant admits that it changed its practice on February 20, 2023, and now pays employees for overtime hours and meal and rest period premiums based on the "regular rate" of pay for the workweek.

38. Defendant argued that approximately 30.40% of non-exempt employees only work at a single rate, and therefore using the systems to calculate regular rate payment is not an issue.

39. Because employees with varying rates at times worked overtime hours at their higher rate, Defendant argued that it sometimes resulted in a higher overtime rate being paid than

1 what they would have received if their overtime hours were paid at their regular rate.

2 40. Defendant acknowledged that it calculated that across the class, the exposure on the
3 underpayments of overtime due to use of the rate in effect totaled approximately \$73,000 per its
4 calculations without taking into account offsets for overpayments resulting from the same process.

5 **Plaintiff Alleges That Defendant Failed to Provide Lawful Meal Breaks**

6 41. Plaintiff contends that she and members of the Class consistently worked shifts
7 over five (5) hours and Defendant failed to provide proper meal periods of not less than thirty (30)
8 minutes as required by the Labor Code during the relevant time period.

9 42. Plaintiff anticipated that Defendant would argue that since its written policy was to
10 “provide” a meal period per Brinker, that to determine liability on this claim would necessitate
11 asking each and every Class Member “whether they were provided a compliant meal period but
12 chose to work”.

13 43. Defendant would necessarily argue that such an inquiry will defeat class
14 certification.

15 44. Defendant also argued that the records do show many meal period premiums were
16 paid.

17 45. Defendant generally contended it maintained and followed a legally compliant meal
18 period policy and employees are relieved of all duty during meal breaks.

19 46. Defendant argued that no meal period class would be certified because employees
20 signed compliant written meal period waivers, including Plaintiff.

21 47. Defendant argued that it uses an electronic timekeeping system that records precise
22 clock in and clock out times.

23 48. Defendant contends that it instructs employees to clock in when they arrive for a
24 shift, clock out at the end of their shift, and clock out and in for meal breaks.

25 49. Arguing that its timekeeping system will not permit an employee to clock out for
26 the end of their shift until they have answered a series of questions concerning their meal and rest
27 periods, Defendant was confident that if an employee attests that the employee did not receive a

1 meal and/or rest break during their shift, the entry is flagged, and the system automatically issues
2 a premium.

3 50. Only if Defendant later manually confirms that the employee signed a meal period
4 waiver excusing the premium, is the premium then removed.

5 51. Defendant was confident that in conjunction with its valid written policy, its time
6 and pay records confirm that meal and rest periods are paid when reported and there would be no
7 liability on this claim.

8 52. Plaintiff perceived cognizable risk on this claim because if Defendant were to
9 prevail on its legal defenses as to maintaining valid written waivers and that it “provided” all meals,
10 and its factual defenses regarding the time clock, there could be little to no recovery on this claim.

11 **Plaintiff Alleges Defendant Failed To Provide Class Members with Lawful Rest Breaks**

12 53. Plaintiff contends that she and the Class Members consistently worked shifts of
13 over 10 hours and were not authorized or permitted to take rest breaks after every 3.5+ hour period.

14 54. Plaintiff alleges that she generally was unable to take compliant rest periods of a
15 full 10 minutes at all because of the nature of work. In fact, Plaintiff contends that frequently it
16 was difficult to even find a few minutes to use the restroom. Plaintiff also alleges that she was not
17 provided a third rest period on shifts over 10 hours.

18 55. As with meal periods, Defendant argued that it maintained a facially compliant
19 policy that “provided” all required rest periods, it did not require employees to stay on the
20 premises, and it never interfered with Plaintiff or any Class Members’ ability to take all complaint
21 rest periods.

22 56. Plaintiff acknowledges that rest period claims can be difficult to prove on a
23 classwide basis due to the lack of records.

24 57. This is especially true when an employer maintains a facially compliant rest period
25 policy.

26 58. Defendant argued that, as with meal periods, this would devolve into a series of
27 mini-trials where the trier of fact would be entitled to hear from each class member as to whether
28

1 they were in fact provided the opportunity to take all require rest periods per day.

2 59. Of course, Defendant argued this would defeat class certification and make it nearly
3 impossible to prove this claim on a classwide basis.

4 60. Based on this risk, Plaintiff believed it was appropriate to discount this claim by
5 50%.

6 61. Just as with meal periods, Defendant generally contended it maintained and
7 followed a legally compliant rest period policy and provided all required rest breaks.

8 62. Defendant insisted that the facts negating class certification were present because
9 Defendant's written meal and rest period policies comply with the law, as do its practices.

10 63. Defendant argued that its timekeeping system ensures that employees are paid a
11 meal and/or rest period premium if they attest that they did not receive a compliant meal or rest
12 break and also implemented safeguards for its employees to correct any mistakes in incorrect
13 attestations concerning meal and rest breaks.

14 64. Defendant asserted that its policies and procedures are communicated and
15 understood by employees as evidenced by the employee orientation and handbook receipt and
16 acknowledgments signed by employees.

17 65. Plaintiff recognized significant risk that she would not be able to certify a rest break
18 claim as with meal periods.

19 66. Because of this risk, Plaintiff contends that a significant discount of the valuation
20 of this claim is appropriate.

21 **Plaintiff Contends That Defendant Failed to Issue Lawful Itemized Wage Statement**

22 67. Plaintiff argues that she and the Class are issued wage statements that fail to account
23 for the unpaid wages, overtime, and correct blended rate all of which employees were owed but
24 never paid.

25 68. In response, Defendant contends that Plaintiff's wage statement claim is meritless
26 because Defendant's wage statements record all rates in effect and the hours worked at each rate,
27 as well as meal and rest period premiums.

Plaintiff Contends That Defendant Failed to Provide All Wages Due at the Time of Termination

69. Plaintiff Hansen-Schoolderman and numerous members of the Class are no longer employed by Defendant.

70. Plaintiff asserts that by virtue of the allegations that defendant failed to pay all wages at the appropriate of pay, Defendant therefore failed to pay all wages owed and due upon their termination and/or resignation.

71. Plaintiff acknowledges that the viability of this claim is tied to the wage claim.

72. Defendant contends that Plaintiff's waiting time penalty claim is merely derivative of her unpaid overtime claim and meal and rest period claims.

73. Defendant argued that there is no evidence to support that it failed to pay overtime or that it engaged in willful conduct concerning break premium requirements.

74. Because Defendant argued that it believed that it operated in compliance with California law, there is no basis for a finding a willfulness and therefore no potential recovery for waiting time penalties.

Plaintiff Contends That Defendant Is Liable for Penalties Pursuant to the Private Attorneys General Act of 2004 (“PAGA”)

75. Plaintiff believes it was appropriate to discount the PAGA claim for multiple reasons.

76. First, the aggrieved employees' PAGA claims are derivative of all the foregoing Labor Code claims.

77. Second, a court has discretion to award less than the maximum penalty.

78. Third and finally, the settlement class is arguably compensated for these violations in the proposed Agreement, and thus any PAGA recovery for these same violations would be duplicative.

79. As such, Plaintiff believes the Agreement's contemplated PAGA payment of \$20,000.00 is appropriate.

1 88. Plaintiff worked with an expert to analyze the sample of time and pay records
2 discussed above to determine the exact monetary figures for Defendants alleged exposure.

3 89. Plaintiff assessed the full value of the Minimum Wage/Overtime claim, without
4 any discount, at approximately \$76,350.

5 90. This calculation is based on the expert analysis of the time records and determining
6 the amount of allegedly unpaid overtime wages owed and is in accord with Defendant's assessment
7 of the potential exposure on this claim.

8 91. Plaintiff assessed the full value of the Meal Period claim, without any discount, at
9 approximately \$2,233,539.

10 92. This analysis is based on expert evaluation of the alleged late, short or missed first
11 meal periods.

12 93. Plaintiff assessed the full value of the *Ferra* Meal Period blending claim, without
13 any discount, at approximately \$7,349.

14 94. This analysis is based on the alleged underpayment of meal period premiums based
15 on the allegation that Defendant failed to properly blend "Shift Differential" pay under *Ferra*,
16 *supra*.

17 95. Plaintiff assessed the full value of the Rest Period claim, without any discount, at
18 approximately \$6,550,525.

19 96. This amount assumes a 100% rest break violation rate based on Plaintiff's
20 allegations set forth above.

21 97. Assuming the evidence shows that many members of the Class were provided rest
22 periods frequently and reducing the violation rate to 50%, that reduces this amount dramatically
23 to \$3,275,262.50.

24 98. Plaintiff valued the Wage Statement Claim, without discount, at \$1,109,650.

25 99. This is based on 293 employees during the statutory period for Labor Code Section
26 226(a) statutory period as derived from the sample.

27 100. Plaintiff valued the Waiting Time Claim, tied to the alleged Wage/Overtime claim,
28

1 at \$3,782,062.

2 101. This is based on 376 former employees derived from the sample.

3 102. Plaintiff calculated the value of the PAGA claim at \$3,258,700 for Settlement
4 purposes (using \$100 per pay period).

5 103. The main risk taken into account with PAGA is the discretionary nature of the
6 penalty award.

7 104. A judge can award the statutory maximum of \$100 for the initial violation and \$200
8 thereafter or – in theory – one cent per wage statement.

9 105. While there is a dearth of available authority, in Plaintiff's view, were she to
10 succeed on any of the underlying Labor Code violations, it is not likely that a Judge would also
11 award a large amount of penalties of top of any damages recovered.

12 106. Per Plaintiff's assessment, the maximum potential value of all of Plaintiff's and the
13 Settlement Class Members' claims was approximately \$13,742,913 (\$76,350 + \$2,233,539 +
14 \$7,349 + \$3,275,262.50 + \$1,109,650 + \$3,782,062 + \$3,258,700 = \$13,742,913.

15 107. First, as discussed above, there are risks as to the merits on each of the claims as
16 detailed and as to Plaintiff's ability to certify all of these claims.

17 108. Second, and critically important here, Defendant is a local hospital with finite
18 means to pay a sizeable settlement.

19 109. While the Parties were focused on negotiating a meaningful settlement with excerpt
20 assistance of the mediator, it had to a number that Defendant could reasonably pay and still be able
21 to keep its doors open and operate in the community.

22 110. Based on this analysis, Class Counsel believes the Gross Settlement Fund of
23 \$1,240,000.00 is fair and reasonable.

24 **Extent of Discovery Completed and Stage of the Proceedings**

25 111. As outlined above, Class Counsel conducted a thorough investigation into the facts
26 of the claims alleged. The agreement to settle did not occur until Class Counsel exchanged and
27 possessed sufficient information to make an informed judgement regarding the likelihood of

1 success on the merits and the results that could be obtained through further litigation

2 **ATTORNEY COMPETENCE**

114. After factoring in the risks explained above, Class Counsel believes that the proposed settlement is fair and reasonable.

115. There is no governmental participation in this action except arguably the LWDA.

1 The LWDA has been provided with all required documents relevant to the proposed Settlement.

2 116. The proposed plan of allocation distributes funds proportionally to each class
3 member's potential damages and should therefore be approved as fair, adequate, and reasonable.

4 **ATTORNEYS' FEE AWARD**

5 117. As detailed fully in the Agreement and set forth above, the Agreement provides for
6 Defendant to create a Gross Settlement Amount of \$1,240,000.00. From that fund, Plaintiff
7 requests an award of attorneys' fees in the amount of \$413,333.33, or 1/3 of the Gross Settlement
8 Amount created on behalf of members of the Class.

9 118. In addition to the complexity of this case, Class Counsel has borne the entire risk
10 and costs of this litigation during the entire time that it has been pending, all on a pure contingency
11 basis. Through the investment of substantial effort and resources, Class Counsel has secured an
12 outstanding Settlement of behalf of the Settlement Class Members. Defendant vigorously
13 contested liability, the amount of claimed damages, and the propriety of class certification. It is
14 this kind of situation, involving complex issues, that has been recognized as justifying a substantial
15 attorney fee award.

16 119. I am very familiar with the contingent fee market throughout California and in the
17 Monterey County area, particularly as it pertains to complex employment, wage and hour, and
18 class action litigation. On behalf of my firm, I have negotiated numerous contingency fee
19 agreements with plaintiffs, both as individuals and as representatives in class action suits. Many
20 of those agreements provided that counsel will receive a fee that is between 33% and 40% of any
21 recovery that is obtained, and, in addition, that counsel be reimbursed for the costs they incurred
22 out of the recovery amount. The Plaintiff in this action signed a contingency fee agreement that
23 stated that counsel would be able to make a fee of up to 40% of any recovery if the case settles.
24 These are typical and standard percentages in employment-related contingency agreements
25 throughout California. Indeed, in my opinion, the Class Members in this complex wage and hour
26 case could not have retained competent counsel in California, particularly with the considerable
27 skill and expertise of my firm, for any amount significantly less than the contingency fee

percentage provided in this retainer agreement. Class Counsel has never been paid any money for attorneys' fees in this case and has advanced all costs.

120. There are always risks attendant to billing cases on a contingency basis. Those risks are even higher in the current economic climate. Kingsley & Kingsley bills the vast majority of its cases on contingency, and has been affected by recent bankruptcy filings. In three separate cases, *Lozoya v. Shore House Café, Inc.*, No. 30-2008-00082103-CU-OE-CJC (Orange Super. Ct. filed Mar. 7, 2008) and *Davis v. Crossfire Marketing Group, LLC*, No. CIVRS1207797 (San Bernardino Super. Ct. filed October 5, 2012), the defendants both filed for bankruptcy protection in June 2011 and January 2015 after years of litigation. My firm advanced costs and incurred thousands of dollars in fees that will never be recovered.

121. Additionally, there are cases where Class Counsel takes on the extreme risk of attempting to certify a class case, often times turning down class or individual settlement offers that Class Counsel feels are not in the best interest of the class, only to lose class certification and the costs and fees associated with the litigation. *See e.g., Prosad v. Del Taco Restaurant Services, Inc.*, No. BC426538 (L.A. Super. Ct. filed Nov. 2009); *Perez v. Safelite Group, Inc.*, CV-10-8653-RGK(FFMx) (C.D. Cal. filed October 5, 2010).

122. When Class Counsel's motions for class certification are denied, Class Counsel often appeals the orders. Sometimes, these denials are overturned (*Perez v. Safelite Group, Inc.*, 553 Fed.Appx. 667 (9th Cir. 2015); *Anderson v. Total Renal Care, Inc.*, No. B236207 (Cal. Ct. App. 2012)) and other times Class Counsel is unsuccessful (*Prosad v. Del Taco Restaurant Services, Inc.*, No. B238605 (CA. Ct. App. 2012)).

123. In addition to appealing class certification denials, Kingsley & Kingsley has been involved in numerous lengthy and protracted appeals process before the California Court of Appeal, the Ninth Circuit, the Seventh Circuit, and the United States Supreme Court. Our firm specifically has taken and lost some issues on appeal that required the write-off of significant legal fees. Also, our firm has been successful on appeal and overturned unfavorable lower court rulings or successfully fought to have successful rulings affirmed. Below is just a sample of some of these

1 appeals:

- 2 a. *D'Este v. Bayer Corp.*, 565 F.3d 1119 (9th Cir. 2009) (lower court ruling that
3 pharmaceutical sales representatives are exempt employees affirmed);

m. *Kim v. Reins International California*, Case No. S246911. Oral argument was held before the California Supreme Court on January 6, 2020 and a decision was published in March 2020.

124. Unlike plaintiffs' firms, which bear the risk of loss on contingency cases, defense firms are able to bill their clients for time spent on a case. As verified by a survey conducted by the National Law Journal nearly a decade ago, six California firms provided their hourly billing rates and of the six firms, five regularly charged in excess of \$500 for their partners. In fact, four of these firms charged as high as \$600, \$620, \$650 and up to \$850 per hour. These firms are located in Orange County, Los Angeles County, San Francisco County, and San Diego County. This survey is attached hereto as Exhibit 2.

125. While plaintiffs' firms strive to take on cases that are meritorious (for ethical as well as monetary reasons), as this Court knows, many of these cases hinge on the decision of class certification. Recently, there has been a renewed effort by defense counsel and/or their clients to challenge these cases and to push back, especially on certification motions. In addition, many novel legal issues have gone up on appeal, which has complicated the landscape for settlement.

CLASS COUNSEL'S HOURS AND HOURLY RATES ARE REASONABLE

126. Class Counsel's aggregate lodestar amounts to \$216,764.00 (without future hours),¹

¹ Though Kingsley & Kingsley, APC will certainly continue to spend time working on this matter for tasks such as preparing for and attending the final approval hearing, overseeing the administration process, and communicating with Class Members, Plaintiff's Counsel are not requesting approval of future hours.

1 which represents 275.20 hours of attorney work² on this litigation incurred from its inception
2 through the filing of Plaintiff's Motion for Final Approval.

3 127. As such, Class Counsel is asking for a multiplier of 1.91.

4 128. The amount of time spent on this case (over 275 hours to date), which culminated
5 in a very favorable proposed Settlement for the Class, is reasonable given the complexity and
6 novelty of the issues involved, the vigorous defense, the length and intensity of the litigation, and
7 the exceptional results obtained.

8 129. Class Counsel litigated this action with great efficiency in light of the amount of
9 work required to achieve the Settlement.

10 130. The requested hourly rates in this case range from \$475.00 per hour to \$990.00.

11 131. Class Counsel's hourly rates are fully supported by their experience and reputation
12 in handling complex employment litigation, including wage and hour class actions.

13 132. Mr. Kingsley is a 27-year attorney with expertise in wage and hour class action
14 lawsuits.

15 133. He has litigated several hundred such cases, including at the appellate level at the
16 U.S. Supreme Court, California Supreme Court, the Ninth Circuit, and the California Court of
17 Appeal.

18 134. He is also a prolific speaker at various seminars on employment law and has
19 contributed to legal publications on employment topics.

20 135. In light of the impending increase of experienced lawyers in specialized practice, I
21 believe that the hourly rates charged by my firm are fair and reasonable and are comparable to or
22 less than those charged by my colleagues in California and the national market for prosecuting or
23 defending class actions.

24 136. My office billed for the following three attorneys for work performed on this case:
25 Eric Kingsley, Shannen Garrett, and me.

26 137. I am a partner at Kingsley & Kingsley, APC. I am a 15-year attorney with expertise
27 _____

1 in wage and hour class action lawsuits I received my Bachelor of Arts degree, *cum laude*, from
2 the University of California San Diego and received my law degree from UCLA School of Law in
3 2008, where I was active in the Women’s Law Journal and community-based legal clinics. I have
4 been practicing since 2008 and I am billed at \$715 per hour.

5 138. Shannen T. Garrett is a former Associate Attorney at Kingsley & Kingsley, APC.
6 Ms. Garrett earned her J.D. from Loyola Law School and was admitted to practice in October 16,
7 2017. She was billed at \$475 per hour.

8 139. An article in the Wall Street Journal on February 9, 2016 titled *Legal Hours Cross*
9 *New Mark: \$1,500 an Hour* states that “a review of filings over the past three months in about two
10 dozen bankruptcy cases shows that senior partners routinely charge between \$1,200 and \$1,300 an
11 hour, with top rates at several large law firms exceeding \$1,400.” The article also explains that
12 “despite low inflation and weak demand for legal services, rates at large corporate law firms have
13 risen by 3% to 4% a year since the economic downturn.” Finally, the article notes that “the average
14 highest rate paid for law-firm partners was \$875 an hour in 2015.” This article is attached hereto
15 as Exhibit 3.

16 140. Class Counsel’s charged rate are commensurate with the prevailing market rates in
17 Monterey County for attorneys of comparable experience and skill handling complex litigation.

18 141. Class Counsel’s rates in calculating the lodestar are the same rates charged to non-
19 contingent hourly clients and thus necessarily reflect the current market value of our legal services.

20 142. Class Counsel made all reasonable attempts to avoid duplication of assignments
21 and to assign tasks to timekeepers at the appropriate billing rates.

22 143. Finally, Class Counsel’s rates are in line with the adjusted Laffey Matrix, which is
23 a fee scale that courts often consult in determining the reasonableness of hourly rates. Under the
24 adjusted Laffey Matrix, a reasonable rate for an attorney with 20+ years of experience, such as Mr.
25 Kingsley, is \$1,057, a reasonable rate for an attorney with 14 years of experience, such as Ms.
26 Szamet, is \$878, and a reasonable rate for an attorney with 6 years of experience, such as Ms.
27 Garrett, is \$538. A true and correct copy of the 2022-2023 Adjusted Laffey Matrix is attached
28

hereto as Exhibit 4.

144. Kingsley & Kingsley's attorneys' fees in the present case are broken down as follows:

<u>ATTORNEY</u>	<u>HOURS</u>	<u>HOURLY RATE</u>	<u>TOTALS</u>
Eric B. Kingsley	72.8	\$990.00	\$144,644.50
Kelsey M. Szamet	202.3	\$715.00	\$72,072.00
Shannen Garrett	0.10	\$475.00	\$47.50
KINGSLEY TOTAL ATTORNEYS' FEES	275.2		\$216,764.00³

145. Kingsley & Kingsley, APC has spent significant time extensively investigating, researching, and litigating this matter, including but not limited to the following:

- a. intake and interviewing Plaintiff and witnesses and flushing out facts and issues;
- b. researching employer and related causes of action;
- c. researching other pending and former matters against Defendant;
- d. fact development and investigating Defendant's ownership structure
- e. researching and analyzing relevant claims under B&P 17200;
- f. investigation and discussion regarding job functions, duties, compensation, policies, and procedures, etc.;
- g. regular meetings and or communicating with the Class Representative;
- h. regular meetings and or communicating with Co-Counsel;
- i. drafting pleadings (Complaints, Motion for Preliminary Approval, various documents related to Preliminary Approval, Motion for Final Approval, various

documents related to Final approval, etc.);

- j. researching private right of action and various impact on class actions;
- k. interviewing and obtaining declarations from Class Members;
- l. preparing for and attending mediation;
- m. discussing issues related to damage model calculations;
- n. preparing and analyzing damage models;
- o. negotiating the terms of the settlement;
- p. reviewing and making changes to the Agreement;
- q. drafting and editing all documents for Preliminary and Final Approval;
- r. monitoring Notice and settlement administration procedures;
- s. coordinating and overseeing all aspects of the administration of the Settlement (review documentation, approve form and content, etc.); and multiple communications with defense counsel.

146. Based on the aggregate lodestar, Class Counsel is requesting a multiplier of 1.91.

147. I believe the request for attorneys' fees in the amount of \$413,333.33 is fair and reasonable given the complexity and novelty of the issues involved, the vigorous defense, and the exceptional results obtained. As explained above, Class Counsel's diligent litigation efforts and experience led to an outstanding settlement.

FACTORS THAT SUPPORT THE APPROVAL OF A MULTIPLIER

148. This case dealt with difficult legal and factual questions. Significantly, the risk attendant to the underlying claims in this matter was great considering Defendant's defenses. As discussed in detail in the extensive risk analysis section in Plaintiff's Motion for Preliminary Approval of Settlement, and will be discussed in Plaintiff's forthcoming Motion for Final Approval of Class Action Settlement, were this case to proceed, Defendant would have a strong incentive to litigate tenaciously. There are genuine issues in dispute.

149. As discussed above, Class Counsel are skilled wage and hour practitioners with decades of experience who diligently prepared and litigated this matter as discussed.

150. To achieve the ultimate result in this case, Co-lead Class Counsel had to incur substantial risk and expense and were precluded from taking other fee generating employment for over 275.20 hours of attorney time.

151. This matter had been handled purely on a contingency fee basis and Class Counsel have advanced many thousands of dollars in costs while deferring all payment of fees, with no guarantee that any of the fees incurred or costs advanced would ever be recovered, and diverting significant firm resources to prosecution of this matter.

152. Class Counsel believe this is an exceptional result that has been well received by Settlement Class Members.

153. There have been no objections to date.

ATTORNEY COSTS

154. Class Counsel diligently prepared and litigated this matter, advancing thousands of dollars in costs and deferring all payment of fees, with no guarantee that any of the fees incurred or costs advanced would ever be recovered, and diverting significant firm resources to prosecution of this matter.

155. To achieve the ultimate result in this case, Class Counsel had to incur substantial risk and expense, and was precluded from taking other fee generating employment for nearly 275.2 hours of attorney time.

156. In addition to their request for fees, Class Counsel further request reimbursement of the reasonable out-of-pocket expenses advanced and/or incurred by them in connection with this litigation, in the amount of \$15,000.00.

157. To date, Kingsley and Kingsley has incurred \$17,950.47 in costs.

158. Class Counsel anticipates incurring an additional \$600.00 in costs to file, serve, and copy this motion; to prepare for and attend the hearing; and for future copy charges, however, pursuant to the Agreement, Class Counsel shall not seek an amount in excess of \$15,000.00 for litigation costs.

159. As such, Class Counsel is requesting a cost reimbursement of \$15,000.00.

160. All of the requested costs are reasonable in amount and were necessarily incurred by Class Counsel in prosecuting this litigation.

THE NAMED PLAINTIFFS' ENHANCEMENT SHOULD BE APPROVED

163. The time spent by Ms. Hansen-Schoolderman's is significant and includes researching and retaining competent counsel; providing information to Class Counsel regarding the nature of the work at Defendant; compiling relevant documents; working closely with Class Counsel to develop the theories of liability and martial relevant evidence; regularly discussing the status of the case with Class Counsel; discussing the case with members of the Class as needed; making herself available for a attend a full-day of mediation; and responding promptly to Class Counsel communications regarding settlement.

165. Class Counsel considers this to be a fair and reasonable enhancement.

167. Additionally, the Class Representative was at risk for paying for Defendant's legal fees and costs in the event that Defendant prevailed at trial.

169. Further, The Class Notice disclosed the enhancement award.

171. Under the circumstances, a representative payment of \$5,000.00 is justified and the Court should award this payment to Plaintiff from the Gross Settlement Amount as provided in the Agreement.

PROOF OF SUBMISSION TO THE LABOR AND WORKFORCE DEVELOPMENT

AGENCY

172. As indicated on the Proof of Service, Plaintiff's Motion for Approval of Attorneys' Fees and Costs ("Motion") was uploaded to the Labor and Workforce Development Agency's ("LWDA") website on the date this Motion was filed as required by statute. Proof of submission of Plaintiff's Motion, all related documents, and copy of the email from the LWDA confirming receipt is attached hereto as Exhibit "6".

2. RECITALS.

- 2.1. On November 12, 2021, Plaintiff commenced this Action by filing a Complaint alleging causes of action against Defendant for Labor Code §§ 201, 202, 203, 226(a), 226.7, 510, 512, 1194, and 1199, and Business and Professions Code § 17200 et seq. On March 16, 2022, Plaintiff filed a First Amended Complaint alleging an additional cause of action against Defendant for penalties pursuant to Labor Code § 2699, et seq. for violations previously alleged. The First Amended Complaint is the operative complaint in the Action (the “Operative Complaint.”) Defendant denies the allegations in the Operative Complaint, denies any failure to comply with the laws identified in the Operative Complaint and denies any and all liability for the causes of action alleged.
- 2.2. Pursuant to Labor Code section 2699.3, subd.(a), Plaintiff gave timely written notice to Defendant and the LWDA by sending the PAGA Notice.
- 2.3. On March 7, 2023, the Parties participated in an all-day mediation presided over by Jill R. Sperber, Esq. which led to this Agreement to settle the Action.
- 2.4. Prior to mediation, Plaintiff obtained, through informal discovery, a sample of time and pay data and relevant policy documents for the Class and the Aggrieved Employees. Plaintiff’s investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 (“*Dunk/Kullar*”).
- 2.5. The Court has not granted class certification.
- 2.6. The Parties, Class Counsel and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

- 3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 9 below, Defendant promises to pay \$1,240,000.00 and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 6.1 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.
- 3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

- 3.2.1. To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$5,000 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Defendant will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment and holds Defendant harmless from all liability with regard thereto.
- 3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than 33.33%, which is currently estimated to be \$413,333.33 and a Class Counsel Litigation Expenses Payment of not more than \$15,000. Defendant will not oppose requests for these payments provided that do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.
- 3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$20,000 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$20,000, the Administrator will retain the remainder in the Net Settlement Amount.
- 3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
- 3.2.4.1. Tax Allocation of Individual Class Payments. 10% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are

subject to tax withholding and will be reported on an IRS W-2 Form. The 90% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest (50%) and penalties (40%) (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment and shall hold Defendant harmless from any and all liability with regard thereto.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$20,000 to be paid from the Gross Settlement Amount, with 75% (\$15,000) allocated to the LWDA PAGA Payment and 25% (\$5,000) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment and shall hold Defendant harmless from any and all liability with regard thereto.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records to date, Defendant estimates there are 660 Class Members who collectively worked a total of 51,372 Workweeks, and the Aggrieved Employees worked a total 17,344 PAGA Pay Periods.

4.2. Class Data. Not later than 15 court days after the Court grants Preliminary Approval of the Settlement, Defendant will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the

Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3. Funding of Gross Settlement Amount. The Gross Settlement Amount shall be paid as follows: Six Hundred Twenty Thousand Dollars (\$620,000) will be deposited with the Administrator within thirty (30) calendar days of the Effective Date of the final approval order; and Six Hundred Twenty Thousand Dollars (\$620,000) will be deposited with the Administrator within six (6) months of the first payment.

4.4. Payments from the Gross Settlement Amount. Within 14 days after Defendant fully funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 120 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not

take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled 120 days after the issuance date, the Administrator shall transmit the funds represented by such checks to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384, subd. (b) ("Cy Pres Recipient"). The Parties agree that the uncashed funds go to California Rural Legal Assistance Foundation. The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

6. RELEASES OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

6.1 Plaintiff's Release. Plaintiff and his or her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, of any kind whatsoever, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice, or ascertained during the Action and released under 6.2, below. ("Plaintiff's Release.") Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

6.1.1 Plaintiff's Waiver of Rights Under California Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

6.2 Release by Participating Class Members: The Released Claims applicable to Plaintiff and all Participating Class Members shall mean: any and all claims, debts, liabilities, demands, obligations, penalties, guarantees, costs, expenses, attorney's fees, damages, action or causes of action of whatever kind or nature, whether known or unknown, contingent or accrued, that are alleged, or that reasonably could have arisen out of the same facts alleged in the Operative Complaint, including: (1) failure to pay wages and/or overtime under Labor Code sections 510, 1194, and 1199; (2) failure to provide meal breaks pursuant to Labor Code sections 226.7 and 512; (3) failure to provide rest breaks pursuant to Labor Code section 226.7; (4) failure to provide accurate itemized wage statements pursuant to Labor Code section 226(a); (5) penalties under Labor Code section 203; (6) violation of Business & Professions Code section 17200; and (7) penalties pursuant to Labor Code section 2699 ("PAGA") based upon the alleged violations enumerated in the Operative Complaint. (Hereafter "Released Claims".) Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

6.3 Release by Participating Class Members and Non-Participating Class Members Who Are Aggrieved Employees: Plaintiff and all Participating Class Members and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint, and the PAGA Notice and ascertained in the course of the Action including, (1) failure to pay wages and/or overtime under Labor Code sections 510, 1194, and 1199; (2) failure to provide meal breaks pursuant to Labor Code sections 226.7 and 512; (3) failure to provide rest breaks pursuant to Labor Code section 226.7; (4) failure to provide accurate itemized wage statements pursuant to Labor Code section 226(a); (5) penalties under Labor Code section 203; (6) violation of Business & Professions Code section 17200.

7. **MOTION FOR PRELIMINARY APPROVAL.** The Plaintiff will file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's current checklist for Preliminary Approvals.

7.1 Defendant's Declarations Concerning Conflicts of Interest with the Administrator and Cy Pres Recipient. Within [15] days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel a signed Declaration from

Defendant and Defense Counsel disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator and Cy Pres Recipients.

7.2 Plaintiff's Responsibilities. Plaintiff is responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than [30] days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

7.3 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION.

1. Selection of Administrator. The Parties will select a neutral third-party settlement administrator to serve as the Administrator. As a condition of appointment, the Administrator will be bound by this Agreement and agree to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses.

2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.

4. Notice to Class Members.

8.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and PAGA Pay Periods in the Class Data.

8.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice with Spanish translation, if applicable

substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

8.4.3 Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

8.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

8.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever ever are later.

5. Requests for Exclusion (Opt-Outs).

8.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a signed letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement by referencing the case number and name and includes the Class Member's name, current address and telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

8.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

8.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment.

6. Challenges to Calculation of Workweeks and PAGA Pay Periods. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and/or PAGA Pay Periods contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or PAGA Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or PAGA Pay Periods to Defense Counsel and Class Counsel (without identifying markers) and the Administrator's determination regarding the challenges.

7. Objections to Settlement.

8.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

8.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

8.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

8.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

8.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid). No later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator will email a list to Class Counsel containing only the number of timely and untimely/invalid Requests for Exclusion submitted by Class Members,

without identifying the Class Members. The Administrator will not provide copies of the submitted Requests for Exclusion to Class Counsel.

- 8.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or PAGA Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all objections received.
- 8.8.4 Workweek and/or PAGA Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or PAGA Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the objections. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 8.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

9. **CLASS SIZE ESTIMATES.** Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, (1) there are 660 Class Members and 51,372 Total Workweeks during the Class period and (2) Aggrieved Employees worked 17,344 Pay Periods during the PAGA Period. To the extent that any of the forgoing estimates, as

represented by Defendant, increases by more than 5%, Defendant will have the option to increase the Gross Settlement amount proportionately. For example, if the number of workweeks increases by 7% then Defendant shall increase the Gross Settlement Amount by 7%. Likewise, for example, if the number of class members increases by 7% then Defendant shall increase the Gross Settlement Amount by 7%. If Defendant declines to do so, Plaintiff will have the option to terminate the settlement in its entirety and the Parties will be returned to their respective positions as if no settlement had been contemplated. However, Plaintiff will be responsible for paying all Settlement Administration Expenses incurred to that point.

10. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven court days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

11. MOTION FOR FINAL APPROVAL. Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). .

1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing

settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS.

1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

2. Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
3. No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of Jill Sperber, the mediator and/or the Court for resolution.

7. No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
8. No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

INGRID HANSEN-SCHOOLDERMAN, an individual, on behalf of herself and others similarly situated, PLAINTIFF, v. SOUTHERN MONTEREY COUNTY MEMORIAL HOSPITAL; and DOES 1 thru 50, inclusive, DEFENDANTS, Monterey County Superior Court Case No.

21CV003609

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Southern Monterey County Memorial Hospital (“Defendant” is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by a former Defendant employee Ingrid Hansen-Schoolderman (“Plaintiff”) and seeks payment of (1) back wages, meal period premiums, rest period premiums and related penalties for a class of 660 employees (“Class Members”) who worked for Defendant during the Class Period (November 12, 2017 to March 7, 2023); and (2) penalties under the California Private Attorneys General Act of 2004 (“PAGA”) for all non-exempt employees who worked for Defendant during the PAGA Period (November 12, 2020 to March 7, 2023) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, **your Individual Class Payment is estimated to be \$ [REDACTED] (less withholding) and your Individual PAGA Payment is estimated to be \$ [REDACTED]**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked [REDACTED] workweeks** during the Class Period and **you worked [REDACTED] pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting a written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [date]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff

Written Objections Must be Submitted by [date]	reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [date] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [date]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [date]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [date]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Defendant employee. The Action accuses Defendant of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination, and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Kingsley & Kingsley, APC ("Class Counsel.")

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and defenses, and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$1,240,000 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than seven (7) months after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$413,333.33 (33.33% of the Gross Settlement] to Class Counsel for attorneys' fees and up to \$15,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$5,000 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$20,000 to the Administrator for services administering the Settlement.
 - D. Up to \$20,000 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross

Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 10% of each Individual Class Payment to taxable wages (“Wage Portion”) and 50% interest and 40% penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will irrevocably lost to you because they will be paid to a non-profit organization or foundation.
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [date] Response Deadline. The Request for Exclusion should be a signed letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement by referencing the case number and name. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void. Defendant will not pay any money and Class Members will not release any claims against Defendant.

8. Administrator. The Court has appointed a neutral company, [] (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks and/or Pay Periods, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the Settlement’s release and release:

any and all claims, debts, liabilities, demands, obligations, penalties, guarantees, costs, expenses, attorney’s fees, damages, action or causes of action of whatever kind or nature, whether known or unknown, contingent or accrued, that are alleged, or that reasonably could have arisen out of the same facts alleged in the Operative Complaint, including: (1) failure to pay wages and/or overtime under Labor Code sections 510, 1194, and 1199; (2) failure to provide meal breaks pursuant to Labor Code sections 226.7 and 512; (3) failure to provide rest breaks pursuant to Labor Code section 226.7; (4) failure to provide accurate itemized wage statements pursuant to Labor Code section 226(a); (5) penalties under Labor Code section 203; (6) violation of Business & Professions Code section 17200; and (7) penalties pursuant to Labor Code section 2699 (“PAGA”) based upon the alleged violations enumerated in the Operative Complaint.

10. Aggrieved Employees’ PAGA Release. After the Court’s judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees’ Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and

assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint, and the PAGA Notice and ascertained in the course of the Action including, (1) failure to pay wages and/or overtime under Labor Code sections 510, 1194, and 1199; (2) failure to provide meal breaks pursuant to Labor Code sections 226.7 and 512; (3) failure to provide rest breaks pursuant to Labor Code section 226.7; (4) failure to provide accurate itemized wage statements pursuant to Labor Code section 226(a); (5) penalties under Labor Code section 203; (6) violation of Business & Professions Code section 17200.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$5,000 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.

2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as Ingrid Hansen-Schoolderman v. Southern Monterey County Memorial Hospital, Case No. 21CV003609 and include your identifying information (full name, address, and telephone number). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

At least [insert] days before the [date] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Legal Fees Cross New Mark: \$1,500 an Hour

Billing rates for partners at elite corporate law firms keep rising, despite low inflation, weak demand

Updated Feb. 9, 2016 10:11 a.m. ET

The day of the \$1,500-an-hour lawyer has arrived.

Partners at some of the nation's top law firms are approaching—and, in a few cases, surpassing—that watershed billing rate, making the \$1,000-an-hour legal fees that once seemed so steep look quaint by comparison.

Despite low inflation and weak demand for legal services, rates at large corporate law firms have risen by 3% to 4% a year since the economic downturn, according to Citi Private Bank's Law Firm Group.

“We just raise them every year,” said John Altorelli, a finance lawyer at DLA Piper LLP in New York, who says the firm has set his rate at more than \$1,500 an hour. Mr. Altorelli, who filed for personal bankruptcy in 2014 to halt a legal battle with the estate of his former law firm, Dewey & LeBoeuf LLP, cracked the \$1,000-an-hour mark a decade ago. His fees have risen steadily ever since.

To soften the blow to clients, Mr. Altorelli does more than half his work on some kind of fixed-fee basis. “Using hourly rates is really anachronistic, but we still do it,” he said.

Raising rates ensures that law firms keep up with the competition and helps them wrest more money from clients, who routinely demand discounts for all but the most sensitive work.

“If you think of the rules of supply and demand, how in the world can they keep raising their rates?” said Jeff Carr, a former general counsel of oil-and-gas services and equipment company FMC Technologies who for years has been an outspoken opponent of hourly legal rates.

The rate creep has boosted law firms’ revenue at a time when many of them are under pressure from lower-cost legal-service providers and corporate clients that are keeping more legal work in-house. Revenue at law firms rose 4% last year, according to Wells Fargo Private Bank’s Legal Specialty Group, though demand rose just 0.5%.

“Lots of law firms will charge whatever the market can bear,” said the head of one of the nation’s 200 largest law firms.

Documents filed in chapter 11 bankruptcy cases offer a rare public glimpse at mounting fees. These court filings show the rates of partners specializing in corporate restructuring, as well as those with specialties like tax, litigation and corporate law.

A review of filings over the past three months in about two dozen bankruptcy cases shows that senior partners routinely charge between \$1,200 and \$1,300 an hour, with top rates at several large law firms exceeding \$1,400.

Proskauer Rose LLP’s hourly partner billing rate has climbed as high as \$1,475, while Ropes & Gray LLP’s tops out at \$1,450, court papers show.

Kirkland & Ellis LLP’s top hourly billing rate is now \$1,445. And rates at two firms—Akin Gump Strauss Hauer & Feld LLP and Skadden, Arps, Slate, Meagher & Flom LLP—peak at \$1,425 an hour.

Representatives of the law firms declined to comment.

THE WALL STREET JOURNAL.

Martin Bienenstock, who leads Proskauer's restructuring practice, called the \$1,225 an hour he billed clients last year "a market rate similar to my peers at other firms," and said he charges the same rate for nonbankruptcy work.

"The clients have kept coming back and growing during my 38-year career," he

said in an email, adding that clients generally prefer dealing directly with senior lawyers versus younger associates with lower rates.

In disclosing their firmwide rate increases, many firms tell the courts it is a standard way of keeping pace with "economic and other conditions." These include rising fixed costs, such as real estate and salaries.

In theory, a law-firm partner's pay rises and falls with the success of the firm. But, as competition for top talent increases, many firms feel the need to guarantee salaries or ensure a partner's pay doesn't fall, even in down years.

Still, only elite lawyers can charge \$1,400 an hour or more. Such rates are found almost exclusively in New York and other major markets, and only in the least price-sensitive fields like mergers and acquisitions, restructuring, tax, antitrust and high-stakes litigation and appeals.

For lawyers at the very top of those fields, hourly rates can hit \$1,800 or even \$1,950.

"You have a very few people at the very top where price is almost no object," said legal consultant Bruce MacEwen, who likens it to the way celebrities, sports stars and best-selling authors are paid. "It is a talent market."

Most lawyers in the U.S. fall well below those high marks. In a survey of in-house legal departments by BTI Consulting Group, the average highest rate paid for

law-firm partners was \$875 an hour in 2015, up more than 27% from three years earlier. Of the respondents, 38% had paid more than \$1,000 an hour for a lawyer, and the highest rate those in the survey paid was \$1,600 an hour.

For many firms, the stated rate is simply a starting point in discussions with corporate law departments. As a result, said legal consultant Ward Bower of Altman Weil, “sophisticated” law firms tend to implement annual rate increases to offset clients’ requests for discounts.

Such discounts are becoming more commonplace. A decade ago, law firms could typically get clients to pay around 92% of their stated rates, according to Thomson Reuters Peer Monitor. Last year, that fell to less than 83%.

Smaller companies can get squeezed the most on fees, because they don’t send enough work to any one law firm to get the best deals.

Companies with \$4 billion or more in annual revenue were twice as likely as those with less than \$100 million in revenue to use some form of alternative fee, according to a survey from industry trade group the Association of Corporate Counsel.

Some industry watchers view the raise-and-discount approach with skepticism.

“If clients are pushing back on rates, the answer isn’t to raise them” and then ask for a discount, Mr. MacEwen said. “The answer is to provide better total value.”

The methodology of calculation and benchmarking for this Updated Laffey Matrix has been approved in a number of cases. See, e.g.,DL v. District of Columbia, 267 F.Supp.3d 55, 69 (D.D.C. 2017)

* 1/2Years Out of Law School1/2 is calculated from June 1 of each year, when most law students graduate. 1/21-3" includes an attorney in his 1st, 2nd and 3rd years of practice, measured from date of graduation (June 1). 1/24-7" applies to attorneys in their 4th, 5th, 6th and 7th years of practice. An attorney who graduated in May 1996 would be in tier 1/21-3" from June 1, 1996 until May 31, 1999, would move into tier 1/24-7" on June 1, 1999, and tier 1/28-10" on June 1, 2003.

** The Adjustment Factor refers to the nation-wide Legal Services Component of the Consumer Price Index produced by the Bureau of Labor Statistics of the United States Department of Labor.

(PROOF OF SERVICE)
[CCP 1013(a)(3)]
STATE OF CALIFORNIA, COUNTY OF LOS ANGELES

I am employed in the County of Los Angeles, State of California. I am over the age of 18 years and not a party to the within action. My business address is 16133 Ventura Boulevard, Suite 1200, Encino, California 91436.

On October 25, 2023, I served all interested parties in this action the following documents described as: **DECLARATION OF KELSEY M. SZAMET IN SUPPORT OF PLAINTIFF'S MOTION FOR FINAL APPROVAL OF CLASS ACTION AND PAGA SETTLEMENT and MOTION FOR APPROVAL OF ATTORNEYS' FEES AND COSTS** by placing a true copy thereof enclosed in a sealed envelope addressed as follows:

FENTON & KELLER, APC Elizabeth R. Leitzinger Eleitzinger@fentonkeller.com Gladys Rodriguez-Morales gmorales@fentonkeller.com 2801 Monterey-Salinas Highway Post Office Box 791 Monterey, CA 93942	ABRAMSON LABOR GROUP William Zev Abramson Wza@abramsonlabor.com 11846 Ventura Blvd, Suite 100 Studio City, CA 91604
--	---

☐ **(BY MAIL)** I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with U.S. postal service on that same day with postage fully prepaid at Encino, California in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

☒ **BY ELECTRONIC SERVICE:** I caused a true and correct copy thereof to be electronically filed using the Labor and Workforce Development Agency Electronic Filing ("EF") System (<https://dir.tfaforms.net/315>) and service was completed by electronic means by transmittal of the documents referenced herein on the EF System.
