DECLARATION OF BRIAN J. ST. JOHN

I, Brian J. St. John, hereby declare as follows:

1. I am an attorney licensed to practice law in the State of California. I am a member of Lawyers *for* Justice, PC, attorneys of record for Plaintiff Catherine Stephanie Limon (formerly, Catherine Gutierrez) ("Plaintiff") and the Class in the above-captioned matters. The facts set forth in this declaration are within my personal knowledge or based on information and belief, and, if called as a witness, I could and would competently testify as follows.

PRELIMINARY APPROVAL OF SETTLEMENT

2. On May 4, 2026, in Department 7 of the above-entitled Court, the Honorable Samantha P. Jessner preliminarily approved the Class Action and PAGA Settlement Agreement and Amendment No. 1 to Class Action and PAGA Settlement Agreement (together, "Settlement," "Agreement," or "Settlement Agreement") entered into between Plaintiff and Defendant Children's Law Center of California ("Defendant") (together with Plaintiff referred to as the "Parties") and conditionally certified the Class for settlement purposes. The Court provisionally appointed Plaintiff Catherine Stephanie Limon (formerly, Catherine Gutierrez) as the representative of the Class ("Class Representative"). The Court also provisionally appointed and designated Lawyers *for* Justice, PC as counsel for the Class ("Class Counsel").

3. The Court approved and ordered the mailing of the Court Approved Notice of Class Action Settlement and Hearing Date for Final Court Approval ("Class Notice"), adopted the notice, opt-out, and objection procedures and ordered their implementation. The Court appointed ILYM Group, Inc. to serve as the third-party settlement administrator and handle the notice and settlement administration process.

4. As of the date of filing the accompanying Motion for Final Approval of Class Action and PAGA Settlement, Class Counsel Fees Payment and Litigation Expenses Payment, and Class Representative Service Payment ("Motion for Final Approval"), no Participating Class Member has objected to the Class Settlement, the contemplated request for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representative Service Payment,

and Administration Expenses Payment, or the allocation for the PAGA Penalties. Only one (1) Class Member has submitted a Request for Exclusion.

WORK PERFORMED BY CLASS COUNSEL

5. Several attorneys at Lawyers *for* Justice, PC have been actively performing work in the above-captioned action entitled *Catherine Gutierrez v. Children's Law Center of California*, Los Angeles County Superior Court, Case No. 22STCV01134 ("Class Action"), which was filed on January 11, 2022, and the representative Private Attorneys General Act ("PAGA") action entitled *Catherine Gutierrez v. Children's Law Center of California*, Los Angeles County Superior Court, Case No. 22AHCV00017 ("PAGA Action"), which was filed on January 11, 2022, since prior to their commencements. On November 24, 2025, the Class Action and PAGA Action (together, the "Actions") were consolidated and the Class Action was designated the lead action.

6. Before initiating the cases, Lawyers *for* Justice, PC investigated and researched the facts and circumstances underlying the pertinent factual and legal issues and applicable law. This required thorough discussions and interviews between attorneys at Lawyers *for* Justice, PC and Plaintiff and research into the various legal issues involved in the cases, namely, the current state of the law as it applied to class certification, manageability, off-the-clock theory, meal and rest periods, expense reimbursements, recordkeeping and wage statement requirements, representative PAGA claims and penalties, and wage-and-hour law and enforcement, Plaintiff's claims and allegations, and potential defenses. After conducting an initial investigation, Lawyers *for* Justice, PC determined that the claims of Plaintiff were well-suited for class-wide and representative adjudication, owing to what appeared to be a common course of conduct affecting a similarly situated group of hourly paid or non-exempt employees who performed work in California for Defendant at any time during the relevant time period, who were not properly compensated for, *inter alia*, all hours worked, non-compliant meal and rest periods, and business expenses.

7. Collectively, Class Counsel conducted significant formal and informal discovery and investigation into the facts of the cases, to assess the veracity, strength, and scope of the claims, and were preparing the cases for class certification and trial, prior to reaching the Settlement. The Parties exchanged a volume of information, documents, and data throughout the course of the litigation and in connection with the mediation and settlement negotiations. Class Counsel served multiple sets of formal written discovery requests on Defendant (specifically, Form Interrogatories—General (Set One), Special Interrogatories (Sets One & Two), and Requests for Production of Documents (Set One)), and reviewed Defendant's responses thereto. Additionally, Class Counsel noticed the depositions of Defendant's Person Most Knowledgeable designees regarding Job Descriptions and Organizational Structure. Class Counsel reviewed and analyzed Defendant's sets of formal written discovery requests (specifically, Special Interrogatories (Set One) and Requests for Production of Documents (Set One)) and served responses thereto. Furthermore, Class Counsel reviewed and analyzed Defendant's Notice of Taking the Deposition of Plaintiff Catherine Gutierrez and served an Objection thereto. The volume of records and documents that Class Counsel reviewed and analyzed included, but was not limited to: Plaintiff's employment records, Class Members' time and payroll data, Defendant's Employee Handbook, internal memoranda, Defendant's operations and employment practices, forms, procedures, and policies, among other information and documents. Class Counsel had the opportunity to interview and obtain information from Plaintiff, and reviewed and analyzed a volume of information, data, and documents obtained from Plaintiff, Defendant, and other sources. Class Counsel developed liability, damages, violation, and penalties valuation models in the course of litigation and in connection with the mediation and settlement negotiations, and met and conferred with Defendant's counsel on numerous occasions, e.g., to discuss issues relating to the pleadings, case management, motion practice, formal and informal discovery, and the production of information, documents, and data in the course of litigation and in connection with mediation and settlement negotiations, among other tasks.

8. As outlined herein, the Parties have conducted significant investigation and formal and informal discovery during the course of litigating this matter, mediation, and extensive settlement negotiations. Class Counsel analyzed a volume of information, documents, and data obtained from Plaintiff, Defendant, and other sources that provided a critical understanding of the nature of the work performed by the Class Members and Aggrieved Employees, as well as Defendant's organizational structure and its operations and employment policies, practices, and procedures. The information, documents, and data were used in analyzing liability, damages, penalties, and other valuation issues in connection with all phases of the litigation, and ultimately, in connection with the mediation and settlement negotiations process. Class Counsel also performed significant research into the applicable law, which is evolving as it relates to class certification, manageability, off-the-clock theory, meal and rest periods, representative PAGA claims and penalties, wage-and-hour enforcement, regular rate, Plaintiff's claims and allegations, and Defendant's defenses thereto, as well as facts discovered.

9. After conducting significant investigation of the facts and law during the prosecution of this matter, counsel for the Parties engaged in extensive settlement negotiations to try to resolve the cases. These efforts included participating in a mediation session conducted by the Honorable Jeffrey Winikow (Ret.), a well-regarded mediator experienced in handling complex labor and employment matters. Although the matter did not settle at the mediation, the Parties continued their settlement negotiations and ultimately reached the Settlement. During all settlement discussions, the Parties conducted their negotiations at arm's length in an adversarial position. In the course of the mediation and settlement negotiations, the Parties exchanged documents and data, and discussed various aspects of the cases, including, but not limited to, the risks and delays of further litigation, the risks and expenses to the Parties of proceeding with class certification, representative adjudication, and trial; the law relating to class certification, manageability, off-the-clock theory, regular rates of pay, meal and rest periods (including, *inter alia*, on-premises breaks), expense reimbursements, recordkeeping and wage statement requirements, representative PAGA claims and penalties, and wage-and-hour law and enforcement; Plaintiff's claims and allegations, and Defendant's defenses thereto, as well as the

LAWYERS *for* JUSTICE, PC
450 North Brand Blvd., Suite 900
Glendale, California 91203

evidence produced and analyzed; and the possibility of appeals, among other things. Arriving at a settlement that was acceptable to the Parties was not easy. Defendant contended that individualized questions of fact predominate over any common issues, and these issues would pose challenges to class certification and representative adjudication. Defendant and its counsel felt strongly about Defendant's ability to avoid class certification and prevail on the merits, while Plaintiff and Class Counsel believed that they would be able to obtain class certification and prevail at trial. With the aid of the mediator's evaluation, the Parties ultimately agreed that this matter was well-suited for settlement given the legal issues relating to Plaintiff's principal claims, as well as the costs and risks to the Parties that would attend further litigation. These risks of further litigation include, but are not limited to, a determination that the claims are unsuitable for class treatment and/or representative adjudication, class decertification after certification of a class, allowing a jury to decide the claims asserted in this matter, and the real possibility of no monetary recovery after years of litigation.

10. By way of the accompanying Motion for Final Approval, Class Counsel seeks attorneys' fees in the amount of $200,000.00, which is one-third (1/3) of the Gross Settlement Amount of $600,000.00. Pursuant to the contingency-fee agreement entered into by and between Plaintiff and Class Counsel, Plaintiff has agreed to a contingency fee of at least one-third (1/3) of the recovery.

11. The attorneys' fees sought are commensurate with: (1) the risk that Class Counsel took in commencing the cases; (2) the time, effort, and expense that Class Counsel dedicated to the cases; (3) the skill and determination that Class Counsel has shown; (4) the results that Class Counsel has achieved throughout the litigation; (5) the value of the settlement that Class Counsel has achieved in this matter; and (6) the other cases that Class Counsel has turned down in order to devote their time and efforts to these cases. The nature of the work performed, skill exercised, and the outcome in this matter—which involves an outstanding monetary recovery involving a Gross Settlement Amount of $600,000.00 (with a Net Settlement Amount of approximately $262,779.64 to be paid to Participating Class Members (with gross Individual Class Payments averaging approximately $503.99), payment of $25,000.00 to Aggrieved Employees (with

LAWYERS *for* JUSTICE, PC
450 North Brand Blvd., Suite 900
Glendale, California 91203

Individual PAGA Payments averaging approximately $53.76) and payment of $75,000.00 to the State of California)—support the percentage fee sought.

12. While not necessarily required to be demonstrated because a percentage fee is proper for this settlement, it should be noted that Class Counsel has incurred many hours of work in connection with prosecuting this matter such that the award of attorneys' fees is also justified under a lodestar analysis. Attorneys at Lawyers *for* Justice, PC have spent a total of **334.20 hours** performing tasks and obtaining recovery in this matter. Applying the blended rate of $850 per hour discussed below to these hours results in a base lodestar value of $284,070.00. Attached hereto as **"EXHIBIT 1"** is an Attorney Task and Time Chart that sets forth in detail the nature of the legal services provided by attorneys at Lawyers *for* Justice, PC and the time incurred by them in performing those services. These hours include work done by several attorneys at Lawyers *for* Justice, PC. Also, separate from the hours referenced herein and in the chart, Lawyers *for* Justice, PC had litigation support personnel actively engaged in assisting with the prosecution of this matter.

13. The work performed in this particular matter, the background of Lawyers *for* Justice, PC, as well as the individual backgrounds, training, and experience of the attorneys who worked on this matter, in litigating complex wage-and-hour actions, and in particular, employment class action and representative action cases, support a reasonable blended hourly rate of compensation of at least $850 per hour for work performed by Lawyers *for* Justice, PC. Lawyers *for* Justice, PC has been awarded attorneys' fees, compensating the firm at the rate of at least $850 per hour for legal services performed, by courts granting approval of settlements in other wage-and-hour class action and representative action cases: final approval of the class and representative action settlement in *David Dugan v. TEC Equipment, Inc., et al.* (Los Angeles Superior Court Case No. 19STCV01591) was granted on July 8, 2021, and the award of attorneys' fees involved compensation at the rate of $936.47 per hour; final approval of the class and representative action settlement in *Larry Greenwood, et al. v. Scan Health Plan* (Los Angeles Superior Court Case No. BC715157) was granted on April 20, 2021, and the award of attorneys' fees involved compensation at the rate of $919.57 per hour; final approval of the class

and representative action settlement in *Seth Swan v. Pace Supply Corp*. (Sonoma County Superior Court Case No. SCV258764) was granted on February 6, 2019, and the award of attorneys' fees involved compensation at the rate of $855.96 per hour.

CLASS REPRESENTATIVE SERVICE PAYMENT TO PLAINTIFF

20. In recognition of her efforts and work spearheading the prosecution of this matter and serving as the Class Representative, as well as her broader individual waiver and release of claims with a California Civil Code section 1542 waiver (set forth in Section 5.1 of the Settlement Agreement), the Settlement provides for a Class Representative Service Payment, in the amount of up to $7,500.00 to Plaintiff. Plaintiff spent a substantial amount of time and effort discussing her employment with Class Counsel, gathering and providing relevant documents and information, and providing facts and evidence to support the prosecution of the claims. Plaintiff was available whenever Class Counsel needed her and actively tried to obtain and provide information that would help obtain a recovery in this matter. Accordingly, it is appropriate for Plaintiff to receive $7,500.00 as a reasonable Class Representative Service Payment for her broader waiver and release of claims and services performed in this matter, in addition to her individual settlement payments.
