DECLARATION OF ANISHA WISE

I, Anisha Wise, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I was employed by Defendant La Petite Academy, Inc. ("Defendant") as a teacher from about 2018 until on or about September 29, 2021. I worked as a non-exempt, hourly employee.

3. During my employment, the wage statements I received from Defendant did not accurately identify all hourly rates of pay and the total number of hours worked. When the hours shown on the wage statement are added up, they do not appear to equal the actual total hours worked.

4. I understand that this action was brought on behalf of all other employees in the State of California, and that I am acting as a representative for the Class. As the Class Representative, I understand that it is my responsibility to act in the best interests of the Class and not my own. I agree that I will not put my own interests ahead of that of the Class, and that I will not settle out my class claims as alleged in the Complaint separately or independently from the Class. Moreover, I am not aware of any conflicts that exist between my interests and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have been and continue to be willing to assist in the investigation of this matter, including meeting and discussing the case with my attorneys, providing any necessary information and documents, making myself available for trial or any further proceedings in this matter as required to represent the interests of the Class. I also understand my duties and responsibilities to the proposed Class and will carry out those duties as necessary.

6. I have reviewed the Joint Stipulation of Class Action Settlement and Release and discussed its terms with my attorneys, and based on the information provided, I believe the settlement to be fair, adequate, and reasonable for myself and for the entire Class.

///

1 7. I am proud of the result and accomplishment of this lawsuit. I feel that it is a positive
2 accomplishment and understand that other people will benefit because of the actions that I have taken. I
3 believe that the class settlement is fair, adequate, and reasonable.

4 I declare under penalty of perjury under the laws of the State of California that the foregoing is
5 true and correct.

6 Executed on this 4 day of May 2022, at Antioch, California.
