1 case, identifying potential witnesses, providing my attorneys with documents and information
2 concerning the case, and also describing policies, practices, and procedures of Defendant.

3 5. As far as the settlement is concerned, I was available to review documents and
4 answer any questions my attorneys had. I spent about 6 hours reviewing the settlement
5 agreement and about 7 hours asking questions and discussing the potential settlement with my
6 attorneys before signing the settlement agreement.

7 6. I believe that I have done everything that my attorneys have asked of me and have
8 tried, to the best of my ability, to represent the class. I think my efforts helped to get the result
9 obtained in this case, and as a class representative, I respectfully request that the Court award me
10 an enhancement payment in the amount of \$10,000.00 for my active participation in this case.
11 Taking into consideration the time that I have dedicated to this case, I believe that this amount is
12 reasonable.

13 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

14 8. I have not entered into any undisclosed agreements, nor have I received any
15 undisclosed compensation in this case. The only compensation I will receive is whatever amount
16 the Court awards as an enhancement payment as well as my share of the settlement as a class
17 member.

18 I declare under penalty of perjury under the laws of the State of California that the
19 foregoing is true and correct.
