7 mm. *Payne v. Marriott Ownership Resorts, Inc.*, San Diego County Case No. 37-2018-
8 00015175-CU-OE-CTL.

9 6. In sum, my firm has been lead or co-lead counsel in hundreds of cases since its
10 inception. We have recovered hundreds of millions of dollars for employees in the State of
11 California and millions for the State as well through PAGA.

12 7. Our firm has served as class counsel in a number of significant wage and hour
13 settlements. Of particular note, in 2019, our firm was co-lead counsel in securing the largest
14 wage and hour class action settlement in California history at \$130,000,000. During this case,
15 plaintiffs appealed a decertification order. This case involved several appeals. The appellate
16 record amassed an extensive appellate record comprising a 23-volume joint appendix, a three-
17 volume reporters transcript, five briefs, four letter briefs, two motions for judicial notice, a motion
18 to augment the record, and several additional letters informing the appellate court of new legal
19 authority issued after *Dukes*. The matter was argued to and submitted by the Court of Appeal on
20 September 15, 2016, and on November 21, 2016, the decertification order was reversed and the
21 case was remanded for further proceedings. (*Lubin v. The Wackenhut Corporation* (“*Lubin*”), 5
22 Cal. App. 5th 960 (2016)). Wackenhut filed a petition for review of the Court of Appeal decision
23 to the California Supreme Court. The Supreme Court denied Wackenhut’s petition for review of
24 *Lubin*. The Court of Appeal issued remittitur on April 10, 2017. Eventually through more
25 litigation, the parties were able to secure the \$130 million settlement that was approved on
26 October 21, 2019 by Judge Highberger in the Los Angeles Superior Court.

1 8. Additionally, in early 2020, our firm served as lead counsel in a class action jury
2 trial in the Central District of California involving the class and PAGA representative claims of
3 over 23,000 employees which successfully resolved in the midst of trial for \$8,500,000.

4 9. Our firm has settled many high-stakes class and representative actions. Hawkins'
5 settlements have directly compensated hundreds of thousands of California workers and
6 consumers. Hawkins' actions have also forced employers to modify their policies for the benefit of
7 employees including changing the compensation structure for certain employees and changing
8 practices to ensure that workers will be able to take timely rest and meal breaks. A leader in
9 prosecuting class and PAGA enforcement actions, Hawkins has secured millions of dollars for
10 workers and in civil penalties for the State of California.

11 10. Based on our experience, demonstrated competence, resources to prosecute the
12 claims at issue and reputation among our colleagues in the both the defense and plaintiffs' bar, I
13 respectfully submit our firm's experience in the field of wage and hour cases provides us the
14 ability to prosecute claims swiftly and often times without the need for protracted litigation.
15 Although, as demonstrated in the *Wackenhut* cases, we do not give up fighting for class members
16 when challenged and necessary.

17 11. To date, my firm has expended approximately 157.2 hours and \$5,533.05 in costs
18 in litigating this matter. Here, the Parties' agreement to pay Plaintiff's Counsel fees of up to
19 \$433,290.00 (or approximately 1/3 of the Gross Settlement Amount) is reasonable. Our hourly
20 rates in this case for Christina M. Lucio is \$650 per hour (approx. 120.7 hours; \$78,455); James R.
21 Hawkins of James Hawkins, APLC is \$900 per hour (approx. 86.9 hours; approximately \$78,210);
22 and Paraprofessionals are \$200 per hour (approx. 22.8 hours; approximately \$4,560). At PAGA
23 Counsel's hourly rates, this results in a total lodestar amount of \$156,665.00. This does not
24 account for the time also invested by our co-counsel. Our efforts in this action and in the related
25 action have been extensive and include the filing of three related actions in an effort to secure
26 relief for the state and the aggrieved employees. Our efforts include extensive investigation and
27 document review in connection with the filing of the complaints in both the *Jackson* and
28 *Cervantez* class and PAGA cases; conferences with clients and witnesses; drafting the complaints

1 and drafting letters to the LWDA; addressing the removal of the related class action; drafting
2 stipulations; day to day correspondence and case management in this action and the related
3 actions; attending various case management conferences; drafting stipulations and related
4 documents; drafting pleadings; opposing the motion to compel arbitration; research regarding
5 relevant issues and legal authorities; monitoring related actions; conferences with counsel in
6 related actions; preparing for mediation; attending mediation; reviewing the MOU and settlement
7 agreement; reviewing/revising the approval motion and related documents; reviewing relevant
8 documentation regarding the claims and defense; preparing the declaration in support of the
9 motion for approval; correspondence re with administrator; and preparing the declaration in
10 support of the motion for approval. I believe James Hawkins, APLC's hourly rates are in line
11 with, and, in fact are modest compared with the hourly rates of other counsel in similar actions. I
12 believe that all hours invested in the litigation of this case were reasonable and necessary.

13 12. Ms. Lucio is Of Counsel to our firm and has been practicing since 2007. Her work
14 is primarily focused on employment litigation and complex class actions, and in that role she has
15 been involved in litigating, mediating and settling numerous class actions dealing with class sizes
16 ranging from several hundred to thousands of class members resulting in settlements ranging from
17 six figures to multimillion dollar settlements. She was also co-lead trial counsel in in a class
18 action jury trial in the Central District of California involving the class and PAGA representative
19 claims of over 23,000 employees which successfully resolved in the midst of trial as set forth
20 above. The hours that she has invested in the litigation of this case were reasonable and necessary.

21 13. Class Counsel has borne the entire risk and cost of this litigation on a pure
22 contingency fee basis.¹ The legal issues raised drew significantly upon our experience and the
23 extensive review and analysis of documents and information by me and others at my firm. In a
24 complex action such as this, I believe that the proposed attorneys' fees are on the low side of the
25 market rate for contingency fees.

26 _____
27 ¹ Indeed as an example, James Hawkins APLC litigated a certified class case entitled Cole, et. al. v. CRST, in the
28 Central District of California Case No. ED-CV 08-1570-VAP, for approximately 11 years which ultimately resulted in
Judgment in favor of the Defendant and confirmed on appeal, where hundreds of thousands of dollars in costs
including thousands of hours of attorney time by Plaintiffs were never recovered.

14. In addition, James Hawkins APLC has incurred approximately \$5,533.05 in costs in connection with the related action for, among other things, filing and service fees, certified mailings, postage, and related expenditures. We believe these costs were necessary and reasonable. Accordingly, we request an award of all such reasonable costs incurred by James Hawkins APLC in this litigation.

15. Based on our experience, we consider ourselves experienced and qualified to evaluate the claims and viability of the defenses. Based on the history of this case and given our firm's extensive experience as class and representative action employment and wage and hour litigators, it is our view that the settlement is fair, reasonable, and adequate, and in the best interest of the State and the Aggrieved Employees.

I declare under penalty of perjury under the laws of the State of California and the United States of America that the foregoing is true and correct.

Executed on this 23rd day of August 2023 at Irvine, California.
