DECLARATION OF MAYRA MORALES

I, Mayra Morales, state and declare as follows:

1. I am a competent adult, over the age of eighteen, and the named Plaintiff in the above-captioned matter. The following is based upon my personal knowledge, and if called as a witness, I could and would testify competently thereto.

2. I am a former employee of Defendant Eurostampa California LLC (“Eurostampa” or “Defendant”) as an hourly employee.

3. I brought this lawsuit, on behalf of myself and all other Class Members, against Defendant because I believe that Eurostampa did not pay all wages and/or overtime, failed to provide compliant meal and rest breaks, failed to reimburse business expenses, failed to provide accurate itemized wage statements, and did not pay all wages due at time of termination/resignation to me and other employees.

4. I understand that I am representing other employees and I believe that I am able to represent them well.

5. I first researched experienced attorneys who are very experienced with these types of lawsuits. Once retained, I compiled relevant documents from my employment to assist my attorneys in litigating this case. I worked with my attorneys to develop the facts and legal claims in this lawsuit. The lawsuit was filed on January 27, 2022.

6. Throughout the litigation, I have provided my attorneys with helpful information for this lawsuit and for the Settlement as needed. Additional work in connection with this matter includes providing information to my attorneys regarding my employment with Defendant, staying in regular contact with my attorneys to discuss the status of the case, responding promptly to my attorneys’ various communications regarding this matter, and reviewing and analyzing the settlement agreement and settlement papers to ensure the settlement was fair and reasonable and in the best interests of the Class Members.

7. I have worked to actively represent the other Class Members and their interests.

8. I have always kept the Class Members interests at heart in this litigation.

1 9. I am prepared to continue assisting with this litigation and am committed to
2 achieving the best possible results for the Class Members.

3 10. I believe that the class action settlement obtained on behalf of the Class Members
4 is fair and reasonable in light of the issues involved in this case. As mentioned above, I reviewed
5 and discussed the Settlement Agreement with my attorneys and asked them questions about it to
6 ensure that I understood its terms and what it would mean for all of the class members.

7 11. I believe that I have fairly represented the absent Class Members and request that
8 the Court finally approve this settlement and confirm me as Class Representative.

9 12. I am not aware of any conflicts of interest that prevent me from being confirmed as
10 Class Representative in this Lawsuit. I am not related in any way to my attorneys or to any other
11 member of the firm that is representing me. I have no business dealings or other involvement
12 beyond this lawsuit and this representation. I have not been promised any money or inducement
13 to serve as Class Representative in this Lawsuit.

14 13. It is my opinion that the settlement agreement provides for a fair and adequate
15 enhancement for me as a Class Representative, in the amount of \$5,000.00. I believe that this is
16 fair and reasonable in light of all of the work that I have performed in my role as Class
17 Representative. As Class Representative, I have actively participated in all stages of the litigation,
18 as detailed above, and have always maintained the best interests of the Class while performing my
19 Class Representative duties.

20 14. It is also my opinion that the Class Representative enhancement is fair, reasonable,
21 and adequate because, in addition to the many hours spent participating in the prosecution of this
22 case, I accepted the potential risk of being liable for Defendant's attorneys' fees and costs if we
23 were unsuccessful in this Lawsuit. Likewise, I risk the potential stigma of being a Class
24 Representative in a class action labor dispute, which may affect my future employability.

25 ///

26 I declare under penalty of perjury under the laws of the State of California that the foregoing
27 is true and correct.

Executed this 8 day of May, 2023 at Napa, California.
