I, Joshua D. Hodges, declare as follows:

1. I am an individual over the age of 18 and am the named Plaintiff in this matter.

2. I worked for California Truck Centers (“California Truck”) in California from

3. These issues also affected my rest breaks. California Truck only allowed exactly

4. I regularly had to use my personal cellphone to communicate with clients,

5. I believe California Truck failed to compensate me for all the hours I worked

6. I started this lawsuit because I wanted California Truck to comply with the law

1 employees because I have been actively involved in the litigation, and because it is my name that
2 is attached to the lawsuit. Even though I understood that this lawsuit would be a public record, I
3 accepted that burden for the benefit of California Truck's other workers.

4 7. I have been actively involved in this case since before it was filed. Some of the
5 tasks I have performed include gathering relevant documents for use in the lawsuit, providing
6 factual information regarding the claims and California Truck's practices to my attorneys,
7 responding to a significant amount of formal discovery requests, and helping identify other
8 employees who also experienced the same issues that I did. I also made myself available the entire
9 day of mediation to answer my attorneys' questions. I estimate that I have spent at least 20 total
10 hours on these activities.

11 I declare under penalty of perjury under the laws of the state of California and the United
12 States that the foregoing is true and correct. Executed on Jan 31, 2025, in San
13 Joaquin, California.
