CLASS & REPRESENTATIVE ACTION

*[Assigned for all purposes to: Hon. William
 Claster, Dept. CX104]*

**DECLARATION OF PLAINTIFF MIRNA
 REYES IN SUPPORT OF MOTION FOR
 FINAL APPROVAL OF CLASS ACTION
 AND PAGA SETTLEMENT**

FINAL APPROVAL HEARING

Date: September 5, 2025
 Time: 9:00 a.m.
 Dept.: CX104

Complaint filed: March 22, 2022
 FAC filed: December 6, 2023
 Trial date: Not set

I, Mirna Reyes, declare as follows:

1. I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. I submit this declaration in support of my Motion for Final Approval of Class Action and PAGA Settlement.

Risks, Both Financial and Otherwise, Faced in Bringing the Suit

2. I became involved in this lawsuit as a class representative of Liquid Graphics, Inc. (“Liquid Graphics”) and Lyneer Staffing Solutions, LLC (“Lyneer,” and collectively with Liquid Graphics, “Defendants”) with the understanding that I was not only seeking unpaid wages and penalties on behalf of myself, but also for other employees who worked for Defendants, and that by doing so, I would be delaying more immediate recovery available to me through the Labor Commissioner’s office.

3. I am also aware that being a class representative in an action could subject me to a stigma that is sometimes associated with those who bring these kinds of lawsuits. I am aware that, as a class representative, I might be responsible for some or all of Defendants’ legal costs if the case was not concluded in my favor. Despite these risks, I willingly went forward to act on behalf of the other employees, even though I was also nervous about losing and having a judgment filed against me for costs or losing potential future job opportunities.

4. I understand that there were risks involved in class and representative action lawsuits. I understand that the lawsuit could continue for several years and require my services and attention throughout the entire length of the lawsuit. I learned that even if we won at trial, the case could be further delayed by appeals.

Notoriety and Personal Difficulties Encountered

5. As a named plaintiff, I am the face of the litigation. Additionally, the class notice was mailed to over 1,500 current and former employees of Defendants. The notice informed all of these employees that I filed a class action against Defendants. Exposing myself to this kind of publicity creates a risk for my future career prospects, since current and former employees of Defendants may move to different companies within the same industry or may know people at other companies who may not want to hire someone who sued her their employer.

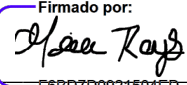

Amount of Time and Effort Spent and Duration of the Litigation

6. I have spent a significant amount of time and energy on this litigation, including, among other things, gathering and providing my payroll records, discussing potential witnesses, reviewing discovery information and data, and participating in settlement discussions. After the mediation, I remained actively involved by reviewing the settlement papers and regularly contacted my counsel for updates. Since I retained counsel in April 2024, I estimate that I have spent approximately 30 hours on the activities described above.

Personal Benefit Received as a Result of the Litigation

7. Besides the requested service payment, the personal benefit I will receive is the same as all other employees. But unlike the other employees, I have signed a general release of claims against Defendants. The other employees are only releasing the wage and hour claims asserted in the lawsuit.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on August 6, 2025, at Santa Ana, California.
