DECLARATION OF JEFFREY MISH

I, **JEFFREY MISH**, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am one of the named plaintiffs in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Cosco Fire Protection, Inc. ("Cosco") in an hourly-paid, non-exempt Fire Extinguisher (certified), Fire Sprinkler, and Alarm Inspector position from approximately January 2017 to August 2018. I decided to seek legal advice about my work experiences with Cosco. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. After speaking with the attorneys, I investigated complex wage-and-hour lawsuits on my own and did some research into the leading class action and employment law firms in California for approximately **6 hours**. Thereafter, I consulted with the attorneys at Lawyers *for* Justice, PC for **7 hours** discussing my situation, complex wage-and-hour class actions, and what it meant to be a named plaintiff and class representative.

3. I have spent over **13 hours** meeting with my attorneys regarding the case and fulfilling my responsibilities as a class representative, which included gathering documents concerning my employment with Cosco, reviewing documents with my attorneys and answering their questions, answering questions and providing information regarding the duties of non-exempt, hourly-paid employees, and helping develop a strategy as to what documents and information to obtain from Cosco. I routinely checked in with my attorneys and their staff to make sure that they had my most current information and any additional information that I had obtained.

4. I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I spent at least **14 additional hours** speaking with my attorneys about the case, identifying potential witnesses, providing my attorneys with documents and information concerning the

case, and also describing policies, practices, and procedures of Cosco.

5. On June 25, 2021, I attended a full day of deposition that last approximately **6 hours**. I spent at least **4 hours** preparing for the deposition. After the deposition, I spent at least **3 hours** reviewing any testimony and discussing the contents of the deposition transcript with my attorneys.

6. As far as the settlement is concerned, I was available to review documents and answer any questions my attorneys had. I spent about **2 hours** reviewing the settlement agreement and about **2 hours** asking questions and discussing the potential settlement with my attorneys before signing the settlement agreement.

7. I believe that I have done everything that my attorneys have asked of me and have tried, to the best of my ability, to represent and seek relief for the class. I think my efforts helped to get the result obtained in this case, and as a class representative, I respectfully request that the Court award me an enhancement payment in the amount of \$12,000.00 for my active participation in this case. Taking into consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

8. I am not related to anyone associated with Lawyers *for* Justice, PC.

9. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is whatever amount the Court awards as an enhancement payment, as well as my share of the settlement as a class member.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
