**SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF LOS ANGELES**

KYLE FERRIS, individually and on behalf of
all others similarly situated,

Plaintiff,

v.

SHERIFF ROBOT PRODUCTION
SERVICES, LLC, a foreign limited liability
company; AUTONOMY PRODUCTIONS,
LLC, a foreign limited liability company; and
DOES 1 through 50, inclusive,

Defendants.

Case No.: 22STCV03110
Hon. Maren Nelson, Dept. 17

**REQUEST FOR DISMISSAL OF CLASS
ACTION PURSUANT TO CALIFORNIA
RULE OF COURT 3.770; DECLARATION
OF FRANK H. KIM IN SUPPORT**

Complaint Filed: January 26, 2022
Trial Date: None Set

1 **REQUEST FOR DIMISSAL**

2 Pursuant to California Rules of Court, Rule 3.770, Plaintiff Kyle Ferris ("Plaintiff")
3 hereby requests dismissal the entire complaint with prejudice as to Plaintiff and without
4 prejudice as to the Class.

5 On January 26, 2022, Plaintiff filed the instant class action lawsuit against Defendants
6 Sheriff Robot Production Services, LLC and Autonomy Productions, LLC (together,
7 "Defendants") for Labor Code violations arising from Defendants' failure to send Plaintiff
8 payment for Plaintiff's work as background talent on August 8 and 13, 2021. (Declaration of
9 Frank H. Kim ("Kim Decl."), ¶ 3.) Plaintiff's claims and theories of liability for unpaid
10 minimum and overtime wages, premium wages, wage statement penalties and waiting time
11 penalties were derivative of this same allegation. (*Id.*)

12 After Plaintiff filed the lawsuit, defense counsel produced documents and a declaration
13 from the Director of Payroll Operations of the payroll company indicating that Defendants
14 mailed Plaintiff his pay checks on August 26, 2021. (Kim Decl., ¶ 4.)

15 Labor Code section 201.5 provides that for employees engaged in the production of
16 motion pictures, the payment of wages is effective on the date it is mailed (not received):

17 The payment of wages to employees covered by this section may be mailed to the
18 employee or made available to the employee at a location specified by the
19 employer in the county where the employee was hired or performed labor. The
20 payment shall be deemed to have been made on the date that the employee's
wages are mailed to the employee or made available to the employee at the
location specified by the employer, whichever is earlier.

21 (Cal. Labor Code § 201.5(c).)

22 Based on the foregoing, the parties entered into a settlement agreement whereby
23 Plaintiff agreed to dismiss the instant lawsuit with prejudice as to Plaintiff and abandon his
24 PAGA notice to the LWDA in exchange for Defendants' waiver of costs. (Kim Decl., ¶ 5.)

25 No consideration, direct or indirect, was given for Plaintiff's dismissal without
26 prejudice. (Kim Decl., ¶ 6.)

27 On July 1, 2022, Plaintiff served a copy of this Request For Dismissal by uploading it to
the LWDA website. (Kim Decl., ¶ 8.)

1 Plaintiff submits that the instant settlement does not prejudice any putative class
2 member, so there is no need for any sort of notice to be given under California Rules of Court,
3 Rule 3.770(c). The following factors are persuasive in this regard: (a) no class was certified;
4 and (b) no notice was ever provided to any potential class members about this action. (Kim
5 Decl., ¶ 7.)

Plaintiff's claims of liability for unpaid minimum and overtime wages, premium wages, wage penalties and waiting time penalties were derivative of this same allegation.

4. After Plaintiff filed the lawsuit, defense counsel produced documents indicating defendants mailed Plaintiff his pay checks on August 26, 2021. Defendants also provided a letter from the Director of Payroll Operations from the payroll company who mailed Plaintiff the checks. Attached as **Exhibit A** is a true and correct copy of the Declaration.

5. Based on the documents provided by defense counsel, the parties entered into a settlement agreement whereby Plaintiff agreed to dismiss the instant lawsuit with prejudice as to Plaintiff's PAGA claim and abandon Plaintiff's PAGA notice to the LWDA (LWDA-CM-865960-22) in exchange for a waiver of costs.

1 are persuasive in this regard: (a) no class was certified; and (b) no notice was ever provided to any
2 potential class members about this action.

4 LWDA website.

5 9. A Proposed Order Granting Plaintiff's Request for Dismissal With Prejudice as
6 to Plaintiff and Without Prejudice to the Class is being filed concurrently with this declaration.

CASE NO. 22STCV03110

**DECLARATION OF ASHLEY
THOMPSON**

Judge: Hon. Maren E. Nelson
Dept: 17

DECLARATION OF ASHLEY THOMPSON

I, Ashley Thompson, declare and state as follows:

1. During the time period of August 2021 through April 21, 2022, I was employed by payroll services provider Entertainment Media Specialists ("EMS") as the Director of Payroll Operations. I have personal knowledge of the facts set forth in this Declaration, and if called as a witness, I could and would testify competently thereto.

2. I have read the Complaint filed by Kyle Ferris against Sheriff Robot Production Services, LLC ("Sheriff Robot") and Autonomy Productions, LLC ("Autonomy Productions") (Sheriff Robot and Autonomy Productions collectively, "Defendants"). In the Complaint, Mr. Ferris alleges that he was employed by Defendants as a background talent to appear on the show, "Westworld;" that he worked at least 14 hours for Defendants on August 13, 2021 and at least two hours on August 9, 2021 to receive a COVID test; but was never paid his promised wages for such work. Complaint ¶¶ 13-15. For the reasons set forth below, I believe these allegations to be false.

3. As the Director of Payroll Operations, I oversaw and managed payroll operations at EMS's location in Encino, California. I am readily familiar with the procedures for processing and distributing payroll checks, including the processing of payroll checks for mailing at EMS in August 2021. Pursuant to EMS distribution procedures at that time, in the ordinary course of business, after a payroll run is approved by a client, all associated checks are printed on a one-page, double sided, self-sealing document with full postage paid and a barcode identifier uniquely associated with each check. An EMS associate individually pressure seals each check, then scans the unique barcode identifier using an internal system application immediately prior to depositing the check in the mail collection. The mail in the collection bin is thereafter collected by the United States Post Office. The mail is collected every business day, although the time of mail collection varies each day.

4. Once an EMS associate scans the barcode identifier using the internal system application, a business record of the mailing is created which shows the exact time the associated check was scanned before being placed in the mail collection bin. As such, in the ordinary course of business, EMS maintains business records of every payroll check mailed.

1
2 5. As the Director of Payroll Operations, I had access to EMS's electronic file keeping
3 systems which includes record of every payroll check mailed by EMS over the last 5 years.

4 6. On April 21, 2022 I reviewed payroll vouchers and paystubs for Mr. Ferris for work
5 purportedly performed on August 9 (Check No. 80231563) and August 13, 2021 (Check No.
6 80235743). A true and correct copy of the vouchers and paystubs I reviewed are attached here as
7 **Exhibit A**. Using the check numbers identified on the paystubs, I was able to confirm that EMS
8 maintains business records demonstrating that:

- 9
- Check No. 80231563 (for work performed on August 9, 2021) was mailed on August 26,
10 2021 at 4:08 p.m.
 - Check No. 80235743 (for work performed on August 13, 2021) was mailed on August 26,
11 2021 at 4:05 p.m.

12 A true and correct representation of these business records are attached here as **Exhibit B**.

13 I declare under penalty of perjury under the laws of the State of California and the United
14 States that the foregoing is true and correct.
