There are no appearances by any party.

Tentative Ruling posted on the Internet .

Plaintiff e-mailed the courtroom on behalf of all parties to submit on the Court's tentative ruling.

The Court confirms the tentative ruling as follows:

Motion for Approval of Class Settlement

RULING:

This is a putative class action and PAGA matter involving alleged violations of wage-and-hour laws. This is the third hearing on the Motion for Preliminary Approval of Class Action and PAGA Settlement.

The Court has reviewed the supplemental materials submitted by counsel and finds that they address the identified concern. Accordingly, the Motion for Preliminary Approval is **GRANTED**.

The Motion for Final Approval is scheduled for March 22, 2024, at 1:30 p.m. in Department CX103. The Class Notice and Proposed Order must be revised to reflect this hearing date.

All papers for the Motion for Final Approval are due no later than fourteen (14) calendar days prior to the hearing date. At the Final Approval hearing, evidence of attorneys' fees and actual litigation costs should be presented in the form of time records, or a summary of time spent on the substantive tasks, to enable the Court to evaluate the lodestar and costs claimed. Counsel should state by declaration whether time records were kept and created contemporaneously or otherwise.

Clerk to give notice to plaintiff.

Plaintiffs to give notice of this ruling, including to the LWDA, and file proof of service within five (5) court

days of entry of the Order granting preliminary approval.
