DECLARATION OF SABRINA GILBERT

I, Sabrina Gilbert, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I have been employed by Defendant Central California Baking Company ("Defendant") since about June 2020 to on or about July 26, 2021. I work as an hourly, non-exempt employee.

3. Defendant, as a matter of its corporate policy, practice, or procedure violated the Labor Code by issuing defective wage statements. Specifically, the wage statements failed to list the rate or hours for several different types of hourly pay.

4. I understand that this action was brought on behalf of all other employees in the State of California, and that I am acting as a representative for the Class. As a Class Representative, I understand that it is my responsibility to act in the best interests of the Class and not my own. I agree that I will not put my own interests ahead of that of the Class. Moreover, I am not aware of any conflicts that exist between my interests and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have and continue to be willing to assist in the investigation of this matter, including meeting and discussing the case with my attorneys, providing any necessary information and documents, making myself available for trial or any further proceedings in this matter as required to represent the interests of the Class. I also understand my duties and responsibilities to the proposed Class and will carry out those duties as necessary.

6. I have reviewed the Joint Stipulation of Class and Representative Action Settlement ("Settlement Agreement") and discussed its terms with my attorneys. Based on the information provided, I believe the settlement to be fair, adequate, and reasonable for myself and for the entire Class.

7. I am proud of the result and accomplishment of this lawsuit. I feel that it is a positive accomplishment and understand that other people will benefit because of the actions that I

1 have taken.

2 I declare under penalty of perjury under the laws of the State of California that the
3 foregoing is true and correct.

4 Executed on this 25th day of September 2023, at Exeter, California.
