Attorneys for Plaintiff and the Putative Classes

SUPERIOR COURT FOR THE STATE OF CALIFORNIA

COUNTY OF LOS ANGELES

ALBERT KNAPP, individually and on behalf
of all others similarly situated,

Plaintiff,

vs.

PEPPERDINE UNIVERSITY, a California
Non-Profit Corporation,

Defendant.

CASE NO. 22STCV16736

**DECLARATION OF ALBERT KNAPP IN
SUPPORT OF PLAINTIFF'S MOTION FOR
ORDER GRANTING PRELIMINARY
APPROVAL OF CLASS ACTION
SETTLEMENT**

I, Albert Knapp, declare as follows:

1. I am a named Plaintiff and putative Class Representative in this matter. I am over 18 years of age. I have personal knowledge of the following facts and could and would testify competently to them.

2. I taught courses for Pepperdine University as an adjunct instructor from April 2020 to June 2021.

3. I first discussed this lawsuit with my attorneys in or about May 2022. Thereafter, I decided to proceed with my lawsuit against Pepperdine University because I wanted to ensure that my fellow employees were afforded the protections of the Labor Code to which they are entitled.

4. At the time I decided to proceed with my lawsuit, my attorney explained to me what acting as a Class representative would entail. I understood then, and now, that a Class representative has a duty to look out for and protect the interests of the class as whole, and to put the interests of the class ahead of their own interests.

5. I am committed to representing the interests of the class. I do not believe, nor do I have any reason to believe, that my interests are in conflict with or in any way antagonistic to the interests of the Class, the proposed Settlement Administrator, or the proposed *cy pres* Bet Tzedek.

I declare under penalty of perjury under the laws of the United States and the State of California that the foregoing is true and correct. Executed on CHAP.

ALBERT KNAPP
