1. I am admitted, in good standing, to practice as an attorney in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Partner at Wilshire Law Firm, PLC, counsel of record for Plaintiffs Michael Thomas Mendoza (“Mendoza”) and Rosa Valadez Garcia (“Garcia” and together with Mendoza, “Plaintiffs”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement.

2. This is a wage and hour class and Private Attorneys General Act (“PAGA”) (Labor Code §§ 2699, *et seq.*) representative action. Plaintiffs and putative class members worked in California as hourly-paid or non-exempt employees for Defendant OSI Industries, LLC (“Defendant”) during the class period. Defendant advertises itself as a premier global food provider that partners with the world’s leading food service and retail food brands, such as McDonald’s, Oscar Meyer, Whole Foods, and Chipotle, to provide “concept-to-table solutions.”

3. Plaintiffs allege that Defendant's payroll, timekeeping, and wage and hour practices resulted in Labor Code violations. Plaintiffs allege that Defendant failed to pay for all hours worked. Plaintiffs further allege that Defendant failed to provide employees with legally compliant meal and rest periods, and Defendant failed to reimburse business expenses. Based on these allegations, Plaintiffs assert related claims for failure to provide accurate wage statements, failure to pay all final wages at termination, unfair business practices, and civil penalties under PAGA.

4. On April 29, 2022, Plaintiffs filed a putative wage-and-hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Labor Code §§ 1194, and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Labor Code §§ 226.7 and 512); (5) failure to provide accurate itemized wage

1 statements (Labor Code § 226); (6) failure to timely pay final wages at termination (Labor Code
2 §§ 201-203); (7) unfair business practices (Business and Professions Code 17200, *et seq.*). On
3 July 11, 2022, the class action was removed to the United States District Court, Central District of
4 California which is currently pending as case number 5:22-cv-01202-JGB-SP (“Federal Class
5 Action”). On July 26, 2022, Plaintiffs filed a separate Complaint in this court against Defendant
6 pursuant to PAGA based on underlying Labor Code violations. On July 8, 2024, Plaintiffs filed a
7 First Amended Complaint adding the causes of action from the Federal Class Action to Plaintiffs’
8 PAGA Action. Plaintiffs sent a notice to Defendant and the California Labor & Workforce
9 Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to the PAGA
10 (Cal. Lab. Code §§ 2699, *et seq.*) on May 10, 2022.

11 DISCOVERY AND INVESTIGATION

12 5. Following the filing of the Complaint, the Parties exchanged documents and
13 information before mediating this action. Defendant produced information regarding the total
14 number of current and former employees and a sample of time and pay records for class members.
15 Defendant also provided limited documentation regarding its wage and hour policies and practices
16 during the class period and a sample meal period waiver, although Defendant did not provide any
17 meal period waivers signed by Plaintiffs or any other employees.

18 6. After reviewing documents regarding Defendant’s wage and hour policies and
19 practices, and analyzing Defendant’s timekeeping and payroll records, Class Counsel was able to
20 evaluate the probability of class certification, success on the merits, and Defendant’s maximum
21 monetary exposure for all claims. Class Counsel also investigated the applicable law regarding
22 the claims and defenses asserted in the Litigation. Class Counsel reviewed these records and
23 utilized an expert to prepare a damages analysis prior to mediation.

24 SETTLEMENT NEGOTIATIONS

25 7. On November 21, 2023, the Parties participated in private mediation with
26 experienced class action mediator, Michael Dickstein, Esq. The mediation was conducted via
27 Zoom. The settlement negotiations were at arm’s length and, although conducted in a professional
28 manner, were adversarial. The Parties went into the mediation willing to explore the potential for

1 a settlement of the dispute, but each side was also prepared to litigate their position through trial
2 and appeal if a settlement had not been reached.

3 8. After extensive negotiations and discussions regarding the strengths and
4 weaknesses of Plaintiffs' claims and Defendant's defenses, the Parties were able to reach a
5 resolution, the material terms of which are encompassed within the Settlement Agreement.
6 Attached as **Exhibit 1** is a true and correct copy of the Class Action and PAGA Settlement
7 Agreement and Class Notice ("Settlement Agreement").

8 9. Class Counsel submitted the proposed Settlement to the LWDA before filing the
9 Motion for Preliminary Approval.

10 10. I requested several bids from experienced class action settlement administrators to
11 handle the responsibilities of the Settlement Administrator under this Settlement. The Parties
12 accepted the bid of ILYM Group, Inc. ("ILYM"). ILYM has multiple years of experience in the
13 field of Class Action Administration, particularly in the wage-and-hour arena. In its bid, ILYM
14 agreed to cap its costs at \$6,950.00 if there are 225 class members. ILYM's bid also accounts for
15 Notice in English and Spanish. A true and correct copy of the bid is attached hereto as **Exhibit 2**.

16 11. Plaintiffs do not have any interest, financial or otherwise, in the proposed third-
17 party administrator, ILYM.

18 12. No one at Wilshire Law Firm, PLC (meaning the law firm itself and anyone
19 employed at the law firm) has any interest, financial or otherwise, in the proposed third-party
20 administrator, ILYM.

21 13. Wilshire Law Firm, PLC has no fee-splitting agreement with any other counsel in
22 this case.

23 14. Class Counsel is not aware of any other pending matter or action asserting claims
24 that will be extinguished or affected by the Settlement.

25 THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE

26 15. Class Counsel has conducted a thorough investigation into the facts of this case.
27 Based on the foregoing discovery and their own independent investigation and evaluation, Class
28 Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best

1 interests of the Settlement Class Members in light of all known facts and circumstances, the risk
2 of significant delay, the defenses that could be asserted by Defendant both to certification and on
3 the merits, trial risk, and appellate risk.

4 16. Based on an analysis of the facts and legal contentions in this case, documents and
5 information from Defendant, I evaluated Defendant's maximum exposure. I took into account the
6 risk of not having the claims certified and the risk of not prevailing at trial, even if the claims are
7 certified. After using the data Defendant provided, including class member timekeeping and
8 payroll records, as well as class member demographics (i.e., the number of class members,
9 workweeks, and average total compensation of the class), with the assistance of a statistics expert,
10 I created a damages model to evaluate the realistic range of potential recovery for the class. The
11 damages model is based on the following benchmarks:

12	Total Class Members: 208
13	Terminated Class Members during 3-year statute: 159
14	Total Workweeks: 20,000
15	Total Shifts Worked by the Class: 95,875
16	PAGA Pay Periods: 8,471
17	PAGA Eligible Employees: 82
18	Avg. Hourly Rate: \$17.32

19 17. Based on Plaintiffs' discovery and investigation, Class Counsel reached the
20 conclusion that Defendant failed to pay class members for all hours worked, including overtime
21 wages, Defendant had a policy and practice of not providing its employees with California
22 compliant meal and rest periods which it did not pay appropriate premiums for, and Defendant
23 required its employees to work "off-the-clock" prior to clocking in for the workday, during meal
24 periods, and after clocking out for the workday, time which it did not pay for, and Defendant failed
25 to reimburse its employees for business-related expenses. Defendant denies these claims.

26 18. Plaintiffs further allege that Defendant failed to pay for all hours worked, including
27 minimum wages, straight time wages, and overtime wages, by requiring class members to work
28 off-the-clock, unpaid. For purposes of calculating Defendant's liability based on a best-case

1 scenario for Plaintiffs and the Class, I estimate that Defendant's maximum potential exposure by
2 assuming that all unpaid work time should have been paid at the overtime rate, not minimum or
3 straight time wages, and I assumed that Defendant is liable for 1 hour of unpaid worktime per
4 week. This results in an estimate of \$519,600.00 (20,000 weeks * \$17.32 hourly overtime rate *
5 1.5 overtime rate * 1 hour of unpaid work per week), but I discounted this figure by 80% to account
6 for the difficulty of prevailing on a motion for class certification and a trial on the merits because
7 liability depends on whether Defendant knew or should have known that class members were
8 working off-the-clock, yielding a realistic damage estimate of \$103,920.00.¹

9 19. With respect to the meal period claim, Plaintiffs allege that Defendant required them
10 and similarly situated class members to either work in lieu of taking meal periods, or their meal
11 periods were untimely or interrupted. My expert analyzed Defendant's timekeeping records and
12 opined that approximately 36.1% of all meal breaks (34,611 shifts) had violations of short, missed,
13 or no meal periods. Potential liability for the meal period claim, which includes shifts over six
14 hours long and shifts over 12 hours long showed that Defendant paid meal period premium
15 payments during the class period, so Defendant's liability was reasonably reduced to yielding
16 \$673,084. I further discounted this figure by 80% to account for the difficulty of certifying and
17 proving meal period claims, as well as Defendant's contention that the claim lacks merit,
18 particularly in light of its numerous meal period premium payments and potentially valid meal
19 period waivers, yielding a realistic damage estimate of \$134,616.80.

20 20. With respect to the rest period claim, Plaintiffs allege that Defendant required them
21 and similarly situated class members to work in lieu of taking rest periods, or their rest periods
22 were untimely or interrupted. Assuming a 100% violation rate for the class period based on
23 Plaintiffs' and other class members' experience working for Defendant, Defendant's potential
24 liability for the rest period claim is \$2,135,649; however, I discounted this figure by 90% to account
25

26 ¹ An 80% discount for risk at certification and trial is reasonable because the Judicial
27 Council of California found that only 21.4% of all class actions were certified either as part of a
28 settlement *or* as part of a contested certification motion. See Findings of the Study of California
Class Action Litigation, 2000-2006, available at [http:// www.courts.ca.gov/documents/class-
action-lit-study.pdf](http://www.courts.ca.gov/documents/class-action-lit-study.pdf).

1 for the difficulty of certifying and proving rest period claims, particularly because rest periods do
2 not have to be recorded, and to account for the possibility of class members voluntarily choosing
3 to forego a rest period, yielding a realistic damage estimate of \$213,564.90.

4 21. Plaintiffs allege that Defendant failed to reimburse necessary business expenses.
5 Defendant's employees (including Plaintiffs) were frequently required to use their personal cell
6 phones to communicate with their supervisors and managers about work-related duties. This
7 included communication regarding their schedules and/or the following day's or week's tasks. For
8 purposes of calculating Defendant's liability based on a best case scenario for Plaintiffs and the
9 Class, I estimated that Defendant was liable to each class member for \$20 per month, or \$5 per
10 week, in unreimbursed expenses, for a total amount of \$100,000.00 ($\$5 * 20,000$ workweeks);
11 however, I discounted this figure by 80% to account for the difficulty of certifying and proving
12 expense reimbursement claims, particularly in light of written policies and practices providing a
13 mechanism for class member's to seek reimbursement, yielding a realistic damage estimate of
14 \$20,000.00.

15 22. In sum, I estimated that Plaintiffs' maximum recovery for the off-the-clock claim,
16 meal period violations, rest period violations, and failure to reimburse expenses is \$3,428,333, but,
17 after factoring in the risk and uncertainty of prevailing at certification and trial, I estimate that
18 Plaintiffs' realistic estimated recovery for the non-penalty claims is \$472,101.70.

19 23. With respect to Plaintiffs' derivative claims for statutory and civil penalties,
20 Plaintiffs estimated that Defendant's realistic potential liability is \$524,686.20. While Defendant's
21 maximum potential liability for waiting time penalties is \$888,331 based on approximately 159
22 terminated class members during the 3-year statute, \$888,000 for inaccurate wage statements based
23 on approximately 82 class members who worked 8,471 pay periods within the 1-year statute, and
24 \$847,100.00 for PAGA violations based on the Court assessing a \$100 penalty for initial violations
25 for all 8,471 pay periods within the 1-year statute, I believe that it would be unrealistic to expect
26 the Court to award the full \$2,623,431 in penalties given Defendant's defenses, the contested nature
27 of Plaintiffs' claims, and the discretionary nature of penalties. Considering that the underlying
28 claims are realistically estimated to be \$472,101.70, such a disproportionate award would also raise

1 due process concerns. Weighing these factors and applying a discount of 80% to account for the
2 risk and uncertainty of prevailing at trial, I arrived at \$524,686.20 for statutory and civil penalties.

3 24. Using these estimated figures, Plaintiff predicted that the realistic maximum
4 recovery for all claims, including penalties, would be \$996,787.90. This means that the
5 \$575,000.00 settlement figure represents approximately 58% of the realistic maximum recovery
6 ($\$575,000.00 / \$996,787.90 = 57.7\%$). Considering the risk and uncertainty of prevailing at class
7 certification and at trial, this is an excellent result for the Class.² Indeed, because of the proposed
8 Settlement, class members will receive timely, guaranteed relief and will avoid the risk of an
9 unfavorable judgment.

10 25. While Plaintiffs are confident in the merits of their claims, a legitimate controversy
11 exists as to each cause of action. Plaintiffs also recognize that proving the amount of wages due
12 to each Class Member would be an expensive, time-consuming, and uncertain proposition.

13 26. This Settlement avoids the risks and the accompanying expense of further litigation.
14 Although the Parties had engaged in a significant amount of investigation, informal discovery and
15 class-wide data analysis, the Parties had not yet completed formal written discovery. Plaintiff
16 intended to depose corporate officers and managers of Defendant. Moreover, preparation for class
17 certification and a trial remained for the Parties as well as the prospect of appeals in the wake of a
18 disputed class certification ruling for Plaintiffs and/or adverse summary judgment ruling. Had the
19 Court certified any claims, Defendant could move to decertify the claims. As a result, the Parties
20 would incur considerably more attorneys' fees and costs through trial.

21 27. The Net Settlement Amount available for Class Member settlement payments is
22 estimated to be \$303,333.33, for a class of 208 persons.³ As a result, each Settlement Class

23
24 ² See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019)
25 2019 WL 3943859 at *8 (granting preliminary approval where the proposed allocation to settle
26 class claims was between 9.53 percent of Plaintiffs' maximum recovery); *Bravo v. Gale*
27 *Triangle, Inc.* (C.D. Cal. Feb 16, 2017) 2017 WL 708766 at * 10 (finding that "a settlement for
fourteen percent recovery of Plaintiffs' maximum recovery is reasonable"); *In re Omnivision*
Techs., Inc. (N.D. Cal. 2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is
just over 9% of the maximum potential recovery asserted by either party.").

28 ³ The Net Settlement Amount is: \$575,000.00 minus \$191,666.67 for Class Counsel's
attorneys' fees, minus \$25,000.00 for Class Counsel's litigation expenses, minus \$10,000.00 in

1 Member is eligible to receive an average net benefit of approximately \$1,458.33.

2 28. The proposed Settlement of \$575,000.00, therefore, represents a substantial
3 recovery when compared to Plaintiffs' reasonably forecasted recovery. When considering the risks
4 of litigation, the uncertainties involved in achieving class certification, the burdens of proof
5 necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the
6 settlement amount of \$575,000.00 is within the "ballpark" of reasonableness, and preliminary
7 settlement approval is appropriate.

8 ENHANCEMENT AWARDS FOR PLAINTIFFS ARE REASONABLE

9 29. Class Counsel represent that Plaintiffs devoted a great deal of time and work
10 assisting counsel in the case, communicated with counsel very frequently for litigation and to
11 prepare for mediation, and was frequently in contact with Class Counsel during the mediation.
12 Plaintiffs' requested enhancement award is reasonable particularly in light of the substantial
13 benefits Plaintiffs generated for all class members.

14 30. Throughout this Litigation, Plaintiffs, who are former employees of Defendant, have
15 cooperated immensely with my office and have taken many actions to protect the interests of the
16 class. Plaintiffs provided valuable information regarding the off-the-clock, meal period, and rest
17 period claims. Plaintiffs also informed my office of developments and information relevant to this
18 action, participated in decisions concerning this action, made themselves available to answer
19 questions during the mediation, and provided my office with the names and contact information of
20 potential witnesses in this action. Before we filed this case, Plaintiffs provided my office with
21 documents regarding the claims alleged in this action. The information and documentation
22 provided by Plaintiffs was instrumental in establishing the wage and hour violations alleged in this
23 action, and the recovery provided for in the Settlement Agreement would have been impossible to
24 obtain without Plaintiffs' participation.

25 31. At the same time, Plaintiffs faced many risks in adding themselves as the class
26 representative in this matter. Plaintiffs faced actual risks with their future employment, as putting

27 _____
28 administration costs, minus \$25,000.00 for the PAGA payment, and minus \$20,000.00 for the
class representative service awards to Plaintiffs.

1 themselves on public record in an employment lawsuit could also very well affect their likelihood
2 for future employment. Furthermore, as part of this Settlement, Plaintiffs are executing a general
3 release of all claims against Defendant.

4 32. In turn, class members will now have the opportunity to participate in a settlement,
5 reimbursing them for alleged wage violations they may have never known about on their own or
6 been willing to pursue on their own. If these class members would have each tried to pursue their
7 legal remedies on their own, that would have resulted in each having to expend a significant amount
8 of their own monetary resources and time, which were obviated by Plaintiffs putting themselves
9 on the line on behalf of these other class members.

10 33. In the final analysis, this class action would not have been possible without the aid
11 of Plaintiffs, who put their own time and effort into this Litigation, sacrificed the value of their
12 own individual claims, and placed himself at risk for the sake of the class members. The requested
13 enhancement award for Plaintiffs for their services as the class representatives and for their general
14 release of all individual claims is a relatively small amount of money when the time and effort put
15 into the Litigation are considered and in comparison to enhancements granted in other class actions.
16 The requested incentive award is therefore reasonable to compensate Plaintiffs for their active
17 participation in this lawsuit. Indeed, in *Karl Adams, III, et al. v. MarketStar Corporation, et al.*,
18 No. 2:14-cv-02509-TLN-DB, a wage and hour class action alleging that class members were
19 misclassified as exempt outside salespersons, a former Wilshire Law Firm partner was a co-lead
20 Class Counsel and helped negotiate a \$2.5 million class action settlement for 339 class members,
21 and the court approved a \$25,000.00 class representative incentive award for each named Plaintiffs.

22 THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

23 34. The Settlement provides for attorney's fees payable to Class Counsel in an amount
24 up to one-third (33 1/3%) of the Settlement Amount, for a maximum fees award of \$191,666.67,
25 plus actual costs and expenses not to exceed \$25,000.00. The proposed award of attorneys' fees
26 to Class Counsel in this case can be justified under either method – lodestar or percentage recovery.
27 Class Counsel, however, intend to base the proposed award of fees, costs and expenses on the
28 percentage method as many of the entries in the time records will have to be redacted to preserve

1 attorney-client and attorney work product privileges.

2 35. I am informed and believe that the fee and costs provision is reasonable. The fee
3 percentage requested is less than that charged by my office for most employment cases. My office
4 invested significant time and resources into the case, with payment deferred to the end of the case,
5 and then, of course, contingent on the outcome.

6 36. It is further estimated that my office will need to expend at least another 50 to 100
7 hours to monitor the process leading up to the final approval and payments made to the class. My
8 office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

9 37. The risk to my office has been very significant, particularly if we would not be
10 successful in pursuing this class action. In that case, we would have been left with no compensation
11 for all the time taken in litigating this case. Indeed, I have taken on a number of class action cases
12 that have resulted in thousands of attorney hours being expended and ultimately having
13 certification denied or the defendant company going bankrupt. The contingent risk in these types
14 of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing
15 on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

16 38. Because most individuals cannot afford to pay for representation in litigation on an
17 hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a
18 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
19 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
20 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
21 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
22 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
23 that we recover more than our regular hourly rate when we win if we are to remain in practice so
24 as to be able to continue representing other individuals in civil rights employment disputes.

25 MY EXPERIENCE AND QUALIFICATIONS

26 39. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World
27 Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of over
28 100 attorneys and over 600 employees. Wilshire Law Firm, PLC is actively and continuously

1 practicing in employment litigation, representing employees in both individual and class actions
2 in both state and federal courts throughout California.

3 40. Wilshire Law Firm, PLC is qualified to handle this Litigation because its attorneys
4 are experienced in litigating Labor Code violations in both individual, class action, and
5 representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling,
6 numerous wage and hour class action lawsuits, as well as class actions involving consumer rights
7 and data privacy litigation.

8 41. I graduated from the University of California, Los Angeles, with a Bachelor of Arts
9 in Political Science, and received my Juris Doctor from the University of California, Hastings
10 College of the Law in 2016. During law school, I was a member of the executive board for the
11 *Hastings Law Journal*; a student mediator at the San Francisco Superior Court, Small Claims
12 Division; and a managing editor for *SCOCAblog*, which continues to be a leader in providing
13 substantive coverage on the California Supreme Court and relevant cases before the court. Since
14 graduating from law school, I have focused my legal work primarily on wage-and-hour litigation
15 and have helped obtain dozens of settlements on behalf of tens of thousands of workers in
16 California. I was also selected as a “Southern California Rising Star” in 2024 and 2025.

17 42. In 2020, I joined Wilshire Law Firm as an associate attorney and was tasked with
18 managing litigation teams beginning in 2021. I have since been appointed as class counsel in
19 numerous wage-and-hour cases throughout California. Below is a non-exhaustive list of cases
20 where I was appointed as class counsel:

28 2022 were \$1,133 per hour for 21 or more years and \$1,075 for attorneys with

time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; and (7) violation of California's Unfair Competition Law, California Business and Professions Code §§17200, et seq. Defendant deny the allegations in the Operative Complaint, deny any failure to comply with the laws identified in the Operative Complaint and deny any and all liability for the causes of action alleged.

- 2.2. Pursuant to Labor Code section 2699.3, subd.(a), Plaintiffs gave timely written notice to Defendant and the LWDA by sending the PAGA Notice.
- 2.3. On November 21, 2023, the Parties participated in an all-day mediation presided over by Michael Dickstein, Esq. which led to this Agreement to settle the Action.

- 3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

- 3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
- 3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the

Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3. Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than 30 days after the Effective Date.

Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representatives Service Payments shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement

check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384, subd. (b), Legal Aid At Work, located at 180 Montgomery Street, #600, San Francisco, California 94104 (“Cy Pres Recipient”). The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

7. MOTION FOR PRELIMINARY APPROVAL. The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's current checklist for Preliminary Approvals.

7.1 OSI's Declaration in Support of Preliminary Approval. Within 15 days of the full execution of this Agreement, OSI will prepare and deliver to Class Counsel a signed

Declaration from OSI and Defense Counsel disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator and Cy Pres Recipient. In their Declarations, Defense Counsel and OSI shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

- 7.2 Plaintiffs' Responsibilities. Plaintiffs will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or the proposed Cy Pres; and the nature and extent of any financial relationship with Plaintiffs, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiffs confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator ; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (l)(2)); and all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient. In their Declarations, Plaintiffs and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 7.3 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.
- 7.4 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION.

- 8.1 Selection of Administrator. The Parties have jointly selected ILYM Group, Inc. to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc. agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 8.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 8.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.
- 8.4 Notice to Class Members.
 - 8.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
 - 8.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation, if applicable, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
 - 8.4.3 Not later than 3 business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

8.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

8.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever ever are later.

8.5 Requests for Exclusion (Opt-Outs).

8.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

8.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

8.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.4 of this Agreement and are eligible for an Individual PAGA Payment.

8.6 Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

8.7 Objections to Settlement.

8.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representatives Service Payments.

8.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

8.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

8.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- 8.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representatives Service Payments, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- 8.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- 8.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 8.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiffs are required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or

invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration in Court.

8.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

9. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE** Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, (1) there are 208 Class Members and 20,000 Total Workweeks during the Class period and (2) there were 82 Aggrieved Employees who worked 8,471 Pay Periods during the PAGA Period. If the amount of workweeks for this time period is determined to be more than 10% higher than this estimate (i.e., 22,000 or more workweeks), Defendant will have the option to either (1) increase the Gross Settlement Amount proportionally for the excess increase in the total number of workweeks beyond the 20,000 workweeks or (2) modify the applicable Class Period's end date to a date prior to November 21, 2023 to avoid incurring the pro rata increase. The Gross Settlement Amount will not be reduced due to Defendant's estimate.
10. **DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.
11. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

- 11.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 11.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representatives Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 11.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS.

13.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiffs reserve the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2 Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed

to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiffs and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8 No Tax Advice. Neither Plaintiffs, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.

- 13.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiffs shall destroy, all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.
- 13.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

EXHIBIT A

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Michael Thomas Mendoza, et al. v. OSI Industries, LLC

Case number CVRI2203101

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against OSI Industries, LLC (“OSI” or “Defendant”) for alleged wage and hour violations. The Action was filed by Michael Thomas Mendoza and Rosa Valadez Garcia (collectively, “Plaintiffs”), former OSI employees and seeks payment of (back wages and other relief for a class of non-exempt employees (“Class Members”) who worked for Defendant during the Class Period (November 2, 2017 to November 21, 2023); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all non-exempt employees who worked for Defendant during the PAGA Period (May 10, 2021 to November 21, 2023) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$ _____ (less withholding) and your Individual PAGA Payment is estimated to be \$ _____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs’ attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [date]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel

Written Objections Must be Submitted by [date]	or Plaintiffs, but every dollar paid to Class Counsel and Plaintiffs reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [date] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [date]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [date]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [date]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiffs are former OSI employees. The Action accuses Defendant of violating California labor laws by failing to pay minimum and overtime wages, failing to provide meal periods and rest breaks, failing to pay wages due upon termination, failing to provide accurate itemized wage statements, and failing to indemnify employees for expenditures. Based on the same claims, Plaintiffs have also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiffs are represented by attorneys in the Action: Justin F. Marquez, Benjamin H. Haber, and Daniel J. Kramer of Wilshire Law Firm, PLC ("Class Counsel.")

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Defendant have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims.

By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$575,000 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representatives Service Payments, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than 14 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$ 191,666,67 (33 1/3% of the Gross Settlement) to Class Counsel for attorneys' fees and up to \$25,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000 as Class Representative Awards to each Plaintiffs for filing the Action, working with Class Counsel and representing the Class. Class Representative Awards will be the only monies Plaintiffs will receive other than Plaintiffs' Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$10,000 to the Administrator for services administering the Settlement.
 - D. Up to \$25,000 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiffs and Defendant are asking the Court to approve an allocation of 33% of each Individual Class Payment to taxable wages (“Wage Portion”) and 67% to penalties and interest (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiffs and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be irrevocably lost to you because they will be paid to a non-profit organization, Legal Aid At Work, located at 180 Montgomery Street, #600, San Francisco, California 94104 (“Cy Pres Beneficiary”).
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [date] Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal.

Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

8. Administrator. The Court has appointed a neutral company, ILYM Group, Inc. (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint and ascertained in the course of the Action including any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* Except as set forth in Section 6.3 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees’ PAGA Release. After the Court’s judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in

any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint, and the PAGA Notice and ascertained in the course of the Action, including any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; and (6) failure to provide accurate itemized wage statements .

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$6,250 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Michael Thomas Mendoza, et al. v. OSI Industries, LLC*, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiffs and Defendant are asking the Court to approve. At least 16 days before the [date] Final Approval Hearing, Class Counsel and/or Plaintiffs will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiffs are requesting as a Class Representatives Service Awards. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website **[need details]** or the Court's website **[need details]**.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested

by Class Counsel or Plaintiffs are too high or too low. **The deadline for sending written objections to the Administrator is [date].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
