SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF LOS ANGELES – SPRING STREET COURTHOUSE

ANA GARCIA, individually, and on
behalf of all others similarly situated,

Plaintiff,

v.

PLANNED PARENTHOOD PASADENA
AND SAN GABRIEL VALLEY, INC., a
California nonprofit corporation; and DOES
1 through 10, inclusive,

Defendants.

Case No. 24STCV34749

CLASS ACTION

[Assigned for all purposes to Hon. Timothy
Patrick Dillon, Dept. 15]

**PLAINTIFF'S NOTICE OF MOTION AND
MOTION FOR PRELIMINARY APPROVAL
OF CLASS ACTION AND PAGA
SETTLEMENT; MEMORANDUM OF
POINTS AND AUTHORITIES**

Preliminary Approval Hearing:

Date: June 17, 2026

Time: 10:00 a.m.

Dept.: 15

Action Filed: December 31, 2024

TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:

PLEASE TAKE NOTICE that on June 17, 2026, at 10:00 a.m., or as soon thereafter as the matter may be heard in Department 15 of the Superior Court of California, County of Los Angeles, located at 312 N. Spring Street, Los Angeles, California 90012, Plaintiff Ana Garcia (“Plaintiff”) will and hereby does move this Court for an Order:

1. Granting preliminary approval of the proposed Class Action and PAGA Settlement Agreement (“Settlement”);
2. Conditionally certifying the proposed Class for settlement purposes only;
3. Appointing Plaintiff as the Class Representative;
4. Appointing Wilshire Law Firm, PLC as Class Counsel;
5. Appointing ILYM Group, Inc. as the Settlement Administrator; and
6. Setting a final approval hearing date.

Pursuant to California Rules of Court, Rule 3.769(d) and (e), this Motion is made on the grounds that the proposed Settlement satisfies all criteria for preliminary approval and falls well within the range of reasonableness. The Settlement was reached through informed, arm’s length bargaining between experienced attorneys with the assistance of an experienced neutral, and Plaintiff and Plaintiff’s Counsel will fairly and adequately represent the Class.

This Motion is based on this Notice of Motion, the accompanying Memorandum of Points and Authorities, the Declaration of John G. Yslas, the Declaration of Ana Garcia, and on all records and documents on file, together with such oral and documentary evidence that may be presented at the hearing on this matter.

Respectfully submitted,

Dated: May 20, 2026

STATUTES

Cal. Code Civ. Proc. § 382.....	7
---------------------------------	---

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Pursuant to California Rules of Court, Rule 3.769(d) and (e), Plaintiff seeks preliminary
4 approval of a class action settlement of wage and hour claims, including representative claims
5 brought under the Private Attorneys' General Act of 2004 ("PAGA"), against Defendant Planned
6 Parenthood Pasadena and San Gabriel Valley, Inc. ("Defendant"). The proposed Class is defined
7 as all persons who worked for Defendant in California as an hourly-paid or non-exempt employee
8 at any time ("Class Members") during the Class Period of December 31, 2020, to April 11, 2026
9 ("Class Period").¹ The main terms of the Settlement are as follows:

- 10 1. A Gross Settlement Amount of \$810,000.00, which will be distributed to
11 approximately 294 Class Members on a pro rata basis according to the total
12 workweeks worked by each Class Member during the Class Period;
- 13 2. Attorneys' fees of up to one-third of the Gross Settlement Amount (currently
14 \$270,000.00) and up to \$25,000.00 in reimbursement of litigation costs to Plaintiff's
15 Counsel;
- 16 3. A Class Representative Service Payment of up to \$10,000.00 to Plaintiff;
- 17 4. Costs of settlement administration of up to \$6,550.00; and
- 18 5. Allocation of \$40,500.00 to PAGA penalties, sixty-five percent (65%) of which
19 (\$26,325.00) will be paid to the Labor and Workforce Development Agency
20 ("LWDA"), and thirty-five percent (35%) of which (\$14,175.00) will be paid to
21 Class Members who worked for Defendant during the PAGA Period of January 6,
22 2024 to April 11, 2026 ("Aggrieved Employees").²

23 The Settlement meets all criteria for preliminary approval and falls within the range of
24

25
26 ¹ The Escalator Clause in the Settlement Agreement provides Defendant the option to
27 modify the Class Period and PAGA Period end dates if the escalator is triggered. *See* Settlement
28 Agreement at § 8. Plaintiff has requested that Defendant determine whether the escalator is
triggered in advance of the hearing for this Motion.

² *See* Footnote 1.

1 reasonableness given the risks and expenses of further litigation. The Settlement was reached
2 through informed, arm’s length bargaining between experienced attorneys with the assistance of
3 an experienced neutral. As such, Plaintiff requests that the Court grant preliminary approval of the
4 Settlement, conditionally certify the Class for settlement purposes only, appoint Plaintiff as the
5 Class Representative, appoint Plaintiff’s Counsel as Class Counsel, appoint ILYM Group, Inc.
6 (“ILYM”) as the Settlement Administrator, authorize the Settlement Administrator to administer
7 notice of the Settlement to the Class, and set a final approval hearing date.

8 **II. PROCEDURAL HISTORY**

9 On December 31, 2024, Plaintiff filed this Action as a putative class action against
10 Defendant alleging causes of action for: (1) failure to pay minimum and straight time wages in
11 violation of Labor Code sections 204, 1194, 1194.2, 1197, and 1197.1; (2) failure to pay overtime
12 wages in violation of Labor Code sections 510, 1194, and 1198; (3) failure to provide meal periods
13 in violation of Labor Code sections 226.7 and 512; (4) failure to authorize and permit rest periods
14 in violation of Labor Code section 226.7; (5) failure to timely pay final wages at termination in
15 violation of Labor Code sections 201–203; (6) failure to provide accurate itemized wage statements
16 in violation of Labor Code section 226; (7) failure to indemnify employees for expenditures in
17 violation of Labor Code section 2802; (8) failure to produce requested employment records in
18 violation of Labor Code section 1198.5; and (9) unfair business practices in violation of Business
19 and Professions Code section 17200, *et seq.* Declaration of John G. Yslas in Support of Motion for
20 Preliminary Approval of Class Action and PAGA Settlement (“Yslas Decl.”) at ¶ 3.

21 On January 6, 2025, Plaintiff provided written notice to the LWDA and Defendant of her
22 intention to file a PAGA claim. Yslas Decl. at ¶ 4. The LWDA did not notify Plaintiff that it
23 intended to investigate within 65 days of this written notice. *Id.* Therefore, on May 12, 2025,
24 Plaintiff filed a separate action against Defendant in the Superior Court of California, County of
25 Los Angeles, alleging a claim under PAGA, Case No. 25STCV13839 (the “PAGA Action”). *Id.*

26 The Parties subsequently participated in a private full-day mediation before mediator Lynn
27 Frank, Esq. on February 17, 2026. *Id.* at ¶ 5. The mediator made a proposal, which was accepted
28 by both parties. *Id.* Following mediation the parties continued arm’s length negotiations regarding

the long-form settlement terms and finalized the Settlement Agreement in April 2026. *Id.* at ¶ 6, Exhibit 1 (“Settlement Agreement”). On May 20, 2026, Plaintiff submitted a copy of the Settlement Agreement to the LWDA. *Id.* at ¶ 7, Exhibit 3.

III. SUMMARY OF THE SETTLEMENT TERMS

A. Terms of the Proposed Settlement

The parties have agreed to settle the claims alleged in this case and the related PAGA Action for a Gross Settlement Amount of \$810,000.00. Settlement Agreement at § 3.1. Subject to Court approval, the following payments will be deducted from the Gross Settlement Amount: (1) a class representative service payment of up to \$10,000.00 to Plaintiff; (2) attorneys’ fees of up to one-third of the Gross Settlement Amount (currently \$270,000.00) and reimbursement of litigation costs of up to \$25,000.00 to Plaintiff’s Counsel; (3) costs of settlement administration of up to \$6,550.00 to ILYM; (4) individual class payments to Class Members; and (5) PAGA penalties in the amount of \$40,500.00, which will be allocated 65% to the LWDA (\$26,325.00) and 35% to Aggrieved Employees (\$14,175.00). *Id.* at § 3.2. After all requested deductions are made, the remaining Net Settlement Amount is currently estimated to be \$457,950.00.

Individual class payments will be calculated based on the number of workweeks worked by each Class Member during the Class Period. *Id.* at § 3.2.4. For tax purposes, the individual class payments will be allocated 20% to wages and 80% to penalties, interest, and reimbursement of expenses. *Id.* at § 3.2.4.1. Defendant will separately pay any and all employer payroll taxes owed on the wage positions of the individual class payments separate from the Gross Settlement Amount. *Id.* at § 3.1.

Individual PAGA payments to Aggrieved employees will be calculated based on the number of pay periods worked by each Aggrieved Employee during the PAGA Period. *Id.* at § 3.2.5.1. For tax purposes, the individual PAGA payments will be allocated 100% to penalties. *Id.*

Any deductions not approved by the Court will be retained by the Settlement Administrator in the Net Settlement Amount. *Id.* at §§ 3.2.2, 3.2.5.2. Funds from any uncashed checks will be transmitted by the Settlement Administrator to the California Controller's Unclaimed Property Fund in the name of the Class Member, a Court-approved nonprofit organization. *Id.* at § 4.4.3.

1 None of the Gross Settlement Amount will revert to Defendant. *Id.* at § 3.1.

2 **B. Proposed Settlement Administration**

3 The parties' proposed Class Notice complies with the requirements of California Rules of
4 Court, Rule 3.766(d). *See* Exhibit A to Settlement Agreement. It provides information regarding
5 the nature of this lawsuit, a summary of the settlement terms, the formula used for calculating
6 individual class and PAGA payments and instructions to dispute the calculations, instructions on
7 how to opt-out of or object to the Settlement, the date, time, and location of the final approval
8 hearing, and the amounts sought for the class representative service payment, attorneys' fees and
9 litigation costs, and settlement administration costs. *See generally, id.* The Class Notice also
10 notifies Class Members that they do not need to submit a claim in order to participate in the
11 Settlement and receive a payment. *See id.* The Settlement Administrator will mail Class Members
12 the Class Notice by first-class mail in English and in Spanish. Settlement Agreement at § 7.4.2.

13 If a Class Notice is returned as undeliverable, the Settlement Administrator will re-mail the
14 Class Notice no later than five (5) calendar days to the forwarding address provided by the U.S.
15 Postal Service. *Id.* at § 7.4.3. If no forwarding address is provided, the Settlement Administrator
16 will conduct a Class Member Address Search and re-mail the Class Notice to the most current
17 address obtained. *Id.* The deadline to opt-out of the Settlement or to submit an objection or dispute
18 will be extended by fourteen (14) days for all Class Members whose Class Notice was remailed.
19 *Id.* at §7.4.4.

20 **C. Proposed Release**

21 Effective on the date when Defendant fully funds the Gross Settlement Amount and pays
22 all employer payroll taxes owed on the portion attributed to wages on the Wage Portion of the
23 Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against
24 all Released Parties as follows:

25 Released Class Claims: "All Participating Class Members will release all claims,
26 rights, demands, liabilities, and causes of action, alleged or which could have
27 reasonably been alleged based on the facts alleged in the operative Complaint,
28 including but not limited to: (1) failure to pay minimum and straight time wages
(pursuant to Cal. Labor Code §§ 204, 1194, 1194.2, 1197 and 1197.1); (2) failure
to pay overtime wages (pursuant to Cal. Labor Code §§ 510, 1194, and 1198); (3)
failure to provide meal periods (pursuant to Cal. Labor Code §§ 226.7 and 512);

(4) failure to authorize and permit rest periods (pursuant to Cal. Labor Code §§ 226.7); (5) failure to timely pay final wages at termination (pursuant to Cal. Labor Code §§ 201-203); (6) failure to provide accurate itemized wage statements (pursuant to Cal. Labor Code §§ 226); (7) failure to indemnify employees for expenditures (pursuant to Cal. Labor Code §§ 2802); (8) failure to produce requested employment records (pursuant to Cal. Labor Code §§ 226, 432, and 1198.5); and (9) unfair business practices (pursuant to Cal. Bus. & Prof. Code §§ 17200, *et seq.*). The enumeration of these specific claims shall neither enlarge nor narrow the scope of *res judicata* based on the claims that were asserted in the Action or could have been asserted in the Action based on the facts and circumstances alleged in the Complaint. The Released Class Claims are those that accrued during the Class Period.”

Settlement Agreement at § 5.2.

Released PAGA Claims: “All Aggrieved Employees will release all claims for PAGA civil penalties that are alleged or reasonably could have been alleged based on the facts alleged in the operative Complaint and in Plaintiff’s November 1, 2024 and November 18, 2024 PAGA Notices, including but not limited to: (1) failure to pay minimum and straight time wages (pursuant to Cal. Labor Code §§ 204, 210, 510, 1194, 1194.2, 1197 and 1197.1); (2) failure to pay overtime wages (pursuant to Cal. Labor Code §§ 510, 1194 and 1198); (3) failure to provide meal periods (pursuant to Cal. Labor Code §§ 210, 226.7 and 512); (4) failure to authorize and permit rest periods (pursuant to Cal. Labor Code §§ 210 and 226.7); (5) failure to timely pay final wages at termination (pursuant to Cal. Labor Code §§ 201 – 203 and 213(d)); (6) failure to provide accurate itemized wage statements (pursuant to Cal. Labor Code §§ 226 and 226.3); (7) failure to indemnify employees for expenditures (pursuant to Cal. Labor Code § 2802); (8) failure to produce requested employment records (pursuant to Cal. Labor Code §§ 226, 432, and 1198.5); (9) failure to pay all earned wages twice per month and unlawfully withholding accrued wages (pursuant to Cal. Labor Code §§ 204, 210 and 216); (10) failure to maintain accurate records of hours worked and meal periods (pursuant to Cal. Labor Code §§ 1174, and 1174.5); (11) recordkeeping requirement violations (pursuant to Cal. Labor Code §§ 226.6, 558.1, 1174, 1174.5, 1198 and 1199); (12) willful misclassification (pursuant to Cal. Labor Code § 226.8); (13) retaliation (pursuant to Cal. Labor Code § 1102.5); and (14) civil penalties for wage and hour violations (pursuant to Cal. Labor Code § 558). The Released PAGA Claims are those that accrued during the PAGA Period.”

Settlement Agreement at § 5.3.³

Only Plaintiff will agree to a general release and a waiver of Civil Code § 1542. *Id.* at §§ 5.1, 5.1.1.

³ The Parties are in the process of preparing an Amendment to the Settlement Agreement and Class Notice that corrects a scrivener’s error in the PAGA Release. The PAGA Release references “Plaintiff’s November 1, 2024 and November 18, 2024 PAGA Notices” when it should instead reference “Plaintiff’s January 6, 2025 PAGA Notice.”

1 **IV. THE PROPOSED SETTLEMENT AGREEMENT MEETS ALL CRITERIA FOR**
2 **PRELIMINARY APPROVAL**

3 **A. Provisional Certification of the Class is Appropriate**

4 Class certification is appropriate when there is: (1) an ascertainable and sufficiently
5 numerous class; (2) a well-defined community of interest among class members; and (3) substantial
6 benefits from certification that render proceeding as a class superior to the alternatives. *Brinker*
7 *Restaurant Corp. v. Superior Court*, 53 Cal.4th 1004, 1021 (2012). Although courts still need to
8 review and consider each element for certification, a lesser standard can be used to provisionally
9 certify a settlement class. *Global Minerals & Metals Corp. v. Superior Court*, 113 Cal.App.4th
10 836, 859 (2003).

11 **1. The Proposed Class is Numerous and Ascertainable**

12 “Ascertainability” is determined by examining the class definition and the size of the class
13 and may also involve examining the means available to identify class members. *Noel v. Thrifty*
14 *Payless, Inc.*, 7 Cal.5th 955, 980-981, 985-986 (2019). As the settlement eliminates the need for
15 trial, “the case management issues inherent in the ascertainable class determination need not be
16 confronted.” *Global Minerals*, 113 Cal.App.4th at 859. Further, under California law, there is no
17 minimum number of class members for maintenance of a class action. *Hendershot v. Ready to Roll*
18 *Transp., Inc.*, 228 Cal.App.4th 1213, 1222 (2014). Class sizes as small as 10 have been permitted.
19 *Rose v. City of Hayward*, 126 Cal.App.3d 926, 934 (1981), disapproved on other grounds by *Noel*,
20 7 Cal.5th at 986.

21 The Class here consists of all persons who worked for Defendant in California as an hourly-
22 paid or non-exempt employee at any time during the Class Period (December 31, 2020 through
23 April 11, 2026). See Settlement Agreement at §§ 1.5, 1.13. The Class is also readily ascertainable
24 from Defendant’s business records, because all Class Members are or were employees of
25 Defendant. *Id.* Defendant’s records show there are approximately 294 Class Members, making
26 joinder of all Class Members impracticable. Yslas Decl. at ¶ 9.

27 ///

28 ///

1 2. *A Well-Defined Community of Interest Exists*

2 The community of interest requirement embodies three factors: (1) predominant common
3 questions of law or fact; (2) class representatives with claims or defenses typical of the class; and
4 (3) class representatives who can adequately represent the class. *Brinker*, 53 Cal.4th at 1021.

5 a. *Common Questions Predominate*

6 In determining whether common issues “predominate,” courts consider both plaintiff’s
7 legal theories and defendant’s affirmative defenses. *Duran v. U.S. Bank Nat’l Ass’n*, 59 Cal.4th 1,
8 28-29 (2014). The “predominate common questions” factor does not require that all class members
9 have identical claims. *Ayala v. Antelope Valley Newspapers, Inc.*, 59 Cal.4th 522, 530 (2014).
10 Rather, the focus is on whether issues shared by the class members are sufficiently uniform to
11 permit class-wide assessment, and whether individual variations in proof on those issues are
12 manageable. *Id.*

13 Plaintiff has alleged that Defendant maintained common employment policies and/or
14 practices that unlawfully deprived Class Members of wages, meal period, rest periods,
15 reimbursements for business expenses, accurate wage statements, and timely payment of wages
16 upon separation of employment. Yslas Decl. at ¶ 11. These allegations present common factual
17 and legal questions of, *inter alia*, whether Defendant applied the same scheduling, timekeeping,
18 pay, meal period, rest period, and reimbursement policies to all Class Members, whether these
19 policies and practices resulted in Labor Code violations, whether Defendant’s conduct was
20 intentional, and whether Class Members are entitled to damages and/or penalties. *Id.* These
21 common questions could be resolved using Class Members’ time records, payroll records,
22 testimony from Defendant’s designated representative(s), and Class Members’ testimony. *Id.*
23 Therefore, the Court can and should exercise its discretion to grant conditional class certification
24 for settlement purposes.

25 b. *Plaintiff is Typical of the Class*

26 Typicality does not require that the representative plaintiff’s claims and those of the class
27 members be identical or perfectly aligned. *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224,
28 228 (2001), disapproved on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th

260 (2018). Typicality does not require that a plaintiff's claims be identical to those of other class members, only that their claims and the defenses applicable to them are sufficiently similar to those of other class members that a named plaintiff is able to adequately represent the class and focus on common issues. *Medraza v. Honda of North Hollywood*, 166 Cal.App.4th 89, 99 (2008).

Plaintiff has alleged that she and Class Members were employed by the same Defendant and injured by Defendant's common wage and hour policies and practices, including Defendant's scheduling, timekeeping, pay, meal period, rest period, and reimbursement policies. *See Yslas Decl.* at ¶ 11. Through informal discovery, including the production of thousands of documents by Defendant, Plaintiff confirmed that these challenged policies and practices applied to Plaintiff as well as Class Members. *See id.* at ¶ 9. Therefore, Plaintiff's claims and Class Members' claims arise from the same challenged employment policies and practices and are based on the same legal theories.

c. Plaintiff and Plaintiff's Counsel Will Adequately Represent the Class

Certification requires adequacy of both the proposed class representative and of the proposed class counsel. Cal. Code Civ. Proc. § 382. "Only a conflict that goes to the very subject matter of the litigation will defeat a party's claim of representative status." *Richmond v. Dart Industries*, 29 Cal.3d 462, 470 (1981). Only conflicts that are "irreconcilable" can defeat adequacy. *Nat'l Solar Equip. Owners' Ass'n v. Grumman Corp.*, 235 Cal.App.3d 1273, 1286 (1991). The proposed representative Plaintiff and proposed Class Counsel present no such conflict.

Plaintiff's interests are coextensive with Class Members' interests. Declaration of Ana Garcia in Support of Motion for Preliminary Approval ("Garcia Decl.") at ¶ 6. Plaintiff has demonstrated an ability to advocate for the interests of Class Members by initiating this lawsuit, gathering documents and information, being available on the day of mediation to answer questions, meeting with her attorneys to understand the claims and theories of liability at issue, assisting her attorneys in preparation for mediation, and reviewing the proposed Settlement. *Id.* at ¶ 7.

Likewise, Wilshire Law Firm has expended considerable time and effort on this case and will continue to do so through final approval. *See generally*, Yslas Decl. Therefore, Plaintiff should be appointed Class Representative, and her counsel should be appointed Class Counsel.

1 **3. *A Class Action is Superior to a Multitude of Individual Lawsuits***

2 Courts have held that class treatment of wage and hour claims is clearly “superior to the
3 other available methods for the fair and efficient adjudication of the controversy.” *Dean Witter*
4 *Reynolds, Inc. v. Superior Court*, 211 Cal.App.3d 758, 772-773 (1989). This is so because “[p]ublic
5 policy has long favored the ‘full and prompt payment of wages due an employee.’” *Sav-On Drug*
6 *Stores, Inc. v. Superior Court*, 34 Cal.4th 319, 340 (2004). Here, a class action is superior to a
7 multitude of individual lawsuits. Given the size and amount of each Class Members’ claim, Class
8 Members have little incentive to litigate their claims on an individual basis because the out-of-
9 pocket expenses and personal commitment necessary to litigate each claim likely outweighs any
10 potential recovery. Yslas Decl. at ¶ 10. Therefore, a class action is the superior method for seeking
11 relief.

12 **B. The Settlement Meets the Standards for Preliminary Approval**

13 The moving party must demonstrate that “the settlement is fair, adequate and reasonable.”
14 *Kullar v. Foot Locker Retail, Inc.*, 168 Cal.App.4th 116, 126 (2008). “In determining whether a
15 class settlement is fair, adequate, and reasonable, the trial court should consider relevant factors,
16 such as the strength of plaintiffs’ case, the risk, expense, complexity and likely duration of further
17 litigation, the risk of maintaining class action status through trial, the amount offered in settlement,
18 the extent of discovery completed and the stage of the proceedings, the experience and views of
19 counsel, the presence of a governmental participant, and the reaction of the class members to the
20 proposed settlement.” *Wershba*, 91 Cal.App.4th at 244-245 (internal quotations and citations
21 omitted).

22 **1. The Settlement is Entitled to a Presumption of Fairness**

23 A settlement is entitled to “a presumption of fairness . . . where: (1) the settlement is reached
24 through arm’s length bargaining; (2) investigation and discovery are sufficient to allow counsel
25 and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4) the
26 percentage of objectors is small.” *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794, 1801 (1996).
27 The Settlement here satisfies the first three factors. Plaintiff will analyze the fourth factor at final
28 approval after Class Members have been notified of the Settlement and provided with an

1 opportunity to object.

2 *a. The Settlement is the Result of Arm's Length Negotiation*

3 Courts have recognized that the involvement of a respected mediator provides a high degree
4 of assurance that the settlement is the result of arm's length bargaining. *See Chavez v. Netflix, Inc.*,
5 162 Cal.App.4th 43, 52-53 (2008). The Settlement in this matter was the product of a full-day
6 mediation session before a respected mediator. Yslas Decl. at ¶ 5. The negotiations were
7 adversarial, conducted at arm's length, and tempered by the efforts of both sides to serve the
8 interests of their clients. *Id.*

9 *b. Sufficient Investigation and Discovery Have Been Conducted*

10 Prior to attending mediation, Plaintiff's Counsel thoroughly investigated the claims,
11 applicable law, and potential defenses. *Id.* at ¶ 8. Plaintiff's Counsel assessed the value to the class
12 claims using the documents and data Defendant produced in informal discovery, including class
13 data providing the number of Class Members, the number of workweeks in the Class Period, and
14 the number of pay periods in the PAGA Period, Plaintiff's personnel file, employment handbook
15 and policies, job descriptions, and a random sampling of timekeeping and payroll records. *Id.*

16 *c. Plaintiff's Counsel is Experienced in Similar Litigation*

17 Plaintiff is represented by Wilshire Law Firm. *Id.* at ¶ 1. Plaintiff's Counsel has extensive
18 experience litigating wage and hour class actions on behalf of employees. *See id.* at ¶¶ 21-32.
19 Plaintiff's Counsel have been involved as counsel in numerous class actions that have resulted in
20 millions of dollars in recovery. *See id.*

21 **2. *The Settlement is Reasonable Given the Strengths of Plaintiff's Claims***
22 ***and the Risks and Expense of Further Litigation***

23 A settlement does not have to provide 100% of the damages sought to be considered fair
24 and reasonable. *See Rebney v. Wells Fargo Bank*, 220 Cal.App.3d 1117, 1139 (1991). Although
25 the exposure Plaintiff's Counsel calculated is substantial, the various risks at succeeding at class
26 certification and through trial affected the valuation of the claims for settlement purposes. Yslas
27 Decl. at ¶ 12.

28 ///

1 Minimum and Overtime Wages: Plaintiff's unpaid minimum and overtime wage claims
2 were based on the allegation that Defendant required Class Members to perform work duties while
3 off the clock, without compensation. Yslas Decl. at ¶ 12. Based on these allegations, Plaintiff's
4 Counsel conservatively estimated that Class Members worked one (1) hour off the clock per week
5 at the overtime rate in calculating potential exposure for these claims to be approximately
6 \$1,537,200.00 (30,000 workweeks x \$34.16 average hourly rate of pay x 1.00 hour/workweek x
7 1.5 overtime rate of pay). *Id.* Because this claim would have relied heavily on Class Member
8 testimony and would not be evidenced in Defendant's time and payroll records, the risk of
9 succeeding at class certification was substantial. *Id.* Accordingly, Plaintiff's Counsel applied a risk
10 discount based on a 40% chance of succeeding at class certification and a 40% chance of
11 succeeding at trial on the merits, yielding a realistic damage estimate of approximately
12 \$245,952.00 (\$1,537,200.00 x 40% x 40%). *Id.*

13 Meal Periods: Plaintiff's meal period claim was based on the allegation that Defendant
14 failed to provide Class Members with legally compliant meal periods or pay meal period premiums
15 in lieu thereof. Yslas Decl. at ¶ 13. The time and payroll records produced by Defendant in advance
16 of mediation reflected late, short, and missed meal periods. *Id.* Plaintiff's Counsel's expert
17 determined there was a 9.7% meal period violation rate from the sampling of Defendant's time and
18 payroll records. *Id.* Therefore, potential liability for the meal period claims is approximately
19 \$429,501.78 (129,621 shifts over 5 hours x \$34.16 hourly rate x 9.7% violation rate). *Id.* After
20 taking into account the difficulty of certifying and proving meal period claims, as well as
21 Defendant's contention that the claim lacks merit, Plaintiff's Counsel discounted this figure based
22 on a 50% chance of succeeding at class certification and a 40% chance of succeeding at trial on
23 the merits, yielding a realistic damage estimate of approximately \$85,900.36 (\$429,501.78 x 50%
24 x 40%). *Id.*

25 Rest Periods: Plaintiff's rest period claim was based on the allegation that Defendant failed
26 to provide Class Members with legally compliant rest periods or pay rest period premiums in lieu
27 thereof. Yslas Decl. at ¶ 14. Based on these allegations, Plaintiff's Counsel applied a 100%
28 violation rate to all shifts. *Id.* Therefore, potential liability for the rest period claims is

1 approximately \$4,542,835.92 (132,987 shifts of 3.5 hours or longer x \$34.16 hourly rate x 100%
2 violation rate). *Id.* However, Plaintiff's Counsel discounted this figure to account for the difficulty
3 of certifying and proving rest period claims, particularly because rest periods do not have to be
4 recorded, and to account for the possibility of Class Members voluntarily choosing to forego a rest
5 period. *Id.* Because this claim would have relied exclusively on Class Member testimony,
6 Plaintiff's Counsel discounted this claim based on a 30% chance of succeeding at class certification
7 and a 20% chance of succeeding at trial, yielding a realistic damage estimate of approximately
8 \$272,570.16 (\$4,542,835.92 x 30% x 20%). *Id.*

9 Reimbursements: Plaintiff's reimbursement claim was based on the allegation that
10 Defendant failed to indemnify Class Members for expenses incurred as a direct result of performing
11 their job duties for Defendant. Yslas Decl. at ¶ 15. For example, Plaintiff alleged that Defendant
12 required her and other Class Members to use their personal cell phones for work-related purposes
13 and even maintained a written policy regarding same. *Id.* For purposes of calculating Defendant's
14 liability based on a best-case scenario for Plaintiff and the Class, Plaintiff's Counsel estimated that
15 Defendant were liable to each class member for \$60.00 per month, or \$15.00 per workweek, in
16 unreimbursed expenses for a total amount of approximately \$450,000.00 (\$15.00 x 30,000
17 workweeks). *Id.* Plaintiff's Counsel discounted this figure based on an evaluation of a 30% chance
18 of succeeding at class certification and a 30% chance of succeeding at trial to account for the
19 difficulty of certifying and proving expense reimbursement claims, yielding a realistic damage
20 estimate of approximately \$40,500.00 (\$450,000.00 x 30% x 30%). *Id.*

21 In sum, Plaintiff's Counsel estimated that Plaintiff's maximum recovery for the off-the-
22 clock claim, meal period violations, and rest period violations (i.e., the wage claims) is
23 approximately \$6.5 million, but after factoring in the risk and uncertainty of certification and
24 prevailing at trial, Plaintiff's Counsel estimates that Plaintiff's realistic estimated recovery for
25 these non-penalty wage claims is approximately \$604,422.52. Yslas Decl. at ¶ 16.

26 Derivative Penalties: Plaintiff alleged that as a result of Defendant's failure to pay all wages
27 owed, Defendant owed waiting time penalties and wage statement penalties. Yslas Decl. at ¶ 17.
28 With respect to Plaintiff's derivative claims for statutory penalties, Plaintiff's Counsel estimated

1 that Defendant's realistic potential liability is approximately \$104,109.62. *Id.* Defendant's
2 maximum potential liability for waiting time penalties is approximately \$1,023,160.32 (128
3 employees x \$34.16 hourly rate x 7.8 hours/day x 30 days) based on approximately 128 formerly
4 employed class members during the 3-year statute of limitations period and an average shift length
5 of 7.8 hours. *Id.* Defendant's maximum potential liability for inaccurate wage statements is
6 approximately \$712,000.00 (178 employees x \$4,000 maximum penalty per employee) based on
7 approximately 178 class members who worked during the 1-year statute of limitations period and
8 approximately 7,441 pay periods in that statutory timeframe. *Id.* In light of the foregoing,
9 Plaintiff's Counsel believes that it would be unrealistic to expect the Court to award the full
10 \$1,735,160.32 in statutory penalties given Defendant's defenses, the contested nature of Plaintiff's
11 claims, the challenges of establishing willfulness as applicable, and the discretionary nature of
12 penalties. *Id.* Considering that the underlying wage claims are realistically estimated to be
13 approximately \$604,422.52, such a disproportionate award would also raise due process concerns.
14 *Id.* As such, Plaintiff's counsel discounted these figures to account for the risk and uncertainty of
15 obtaining class certification and prevailing at trial, resulting in a realistic evaluation of
16 approximately \$61,389.62 for waiting time penalty claims ($\$1,023,160.32 \times 30\% \times 20\%$), and
17 approximately \$42,720.00 for wage statement penalty claims ($\$712,000.00 \times 30\% \times 20\%$), or
18 approximately \$104,109.62 total for statutory penalties. *Id.*

19 PAGA: For the PAGA claim, Plaintiff's Counsel determined that Defendant's potential
20 exposure could potentially reach \$738,400.00, assuming the initial \$100 penalty would apply for
21 each of the 7,384 pay periods in the PAGA Period. Yslas Decl. at ¶ 18. However, even assuming
22 success on the merits of each claim, PAGA gives the Court discretion to reduce penalties for a
23 variety of reasons, including where to do otherwise would result in an award that is unjust, arbitrary
24 and oppressive, or confiscatory. *Id.* As such, Plaintiff's counsel discounted this figure to account
25 for the risk and uncertainty of prevailing at trial, resulting in a realistic evaluation of approximately
26 \$73,840.00 for PAGA penalties ($\$738,400.00 \times 10\%$). *Id.* The settlement allocates \$40,500.00 of
27 the Gross Settlement Amount to PAGA, therefore the PAGA allocation amounts to 5% of the Gross
28 Settlement Amount and approximately 55% of the realistic maximum damages for PAGA penalties

1 (\$40,500.00 / \$73,840.00). *Id.*

2 Using these estimated figures, Plaintiff's Counsel predicted that the realistic maximum
3 recovery for all claims, including penalties, would be approximately \$822,872.14. Yslas Decl. at
4 ¶ 19. This means that the gross settlement figure represents approximately 98% of the realistic
5 maximum recovery (\$810,000.00 / \$822,872.14). *Id.* Considering the risk and uncertainty of
6 prevailing at class certification and at trial, this is an excellent result for the Class. *Id.* Indeed,
7 because of the proposed Settlement, Class Members will receive timely, guaranteed relief and will
8 avoid the risk of an unfavorable judgment. *Id.*

9 Based on the figures in the Settlement Agreement, the Net Settlement Amount available
10 for class settlement payments is currently estimated to be \$457,950.00 for approximately 294
11 Class Members. Yslas Decl. at ¶ 20. As a result, each Settlement Class Member would be
12 eligible to receive an average net benefit of approximately \$1,557.65. *Id.* Based on the estimated
13 Net Settlement Amount available for individual class payments and there being approximately
14 30,000 workweeks in the Class Period, the estimated weekly valuation for Individual Class
15 Payments is \$15.27 (\$457,950.00/ 30,000 workweeks). *Id.*

16 **C. The Requested Service Payment is Reasonable**

17 Plaintiff seeks a class representative service payment of up to \$10,000.00 for accepting the
18 responsibilities of representing the interests of the Class and potential costs that were not borne by
19 any other Class Member. Settlement Agreement at § 3.2.1. A named plaintiff is eligible for
20 payment that reasonably compensates her for undertaking and fulfilling a fiduciary duty to
21 represent absent class members. *See Cellphone Termination Fee Cases*, 186 Cal.App.4th 1380,
22 1393 (2010); *Bell v. Farmers Ins. Exch.*, 115 Cal.App.4th 715, 726 (2004).

23 Throughout this case, Plaintiff assisted counsel in gathering evidence necessary to
24 prosecute the claims, maintained regular contact with counsel, was available on the day of
25 mediation to answer questions, and reviewed the Settlement to ensure it was fair to the Class.
26 Garcia Decl. at ¶ 11. No action would likely have been taken by Class Members individually and
27 no compensation would have been recovered for them, but for Plaintiff's services on behalf of the
28 Class. By actively pursuing this action, Plaintiff furthered the California public policy goal of

1 enforcing the State's wage and hour laws. *See Sav-On*, 34 Cal.4th at 340. The requested class
2 representative service payment is reasonable and should be preliminarily approved. Plaintiff has
3 provided a declaration regarding her work performed to date and will provide additional
4 information as requested or required by the Court at final approval.

5 **D. The Requested Attorneys' Fees and Costs Are Reasonable**

6 The purpose of an attorneys' fee award in class action litigation is to reward counsel who
7 invested in a case despite the risk of non-payment and achieved a substantial positive result for the
8 class. California courts routinely award attorneys' fees equaling one-third or more of the potential
9 value of the common fund. *See Chavez*, 162 Cal.App.4th at 66, fn. 11 ("Empirical studies show
10 that, regardless of whether the percentage method or the lodestar method is used, fee awards in
11 class actions average around one-third of the recovery.").

12 Plaintiff seeks appointment of Wilshire Law Firm as Class Counsel. The attorneys
13 performed significant work and expended litigation costs in prosecuting this matter with no
14 guarantee of payment. Yslas Decl. at ¶ 19. Plaintiff's Counsel seeks preliminary approval for
15 \$270,000.00 in attorneys' fees, which is up to one-third of the Gross Settlement Amount, and up
16 to \$25,000.00 in reimbursement of litigation costs. Given the work performed in this matter, the
17 extensive information exchange, and the substantial recovery obtained on behalf of the Class,
18 Plaintiff's Counsel achieved a settlement through efficient and diligent work. *See generally*, Yslas
19 Decl. At final approval, Plaintiff's Counsel will fully brief the merits of its request for the award
20 of attorneys' fees and litigation costs.

21 **V. CONCLUSION**

22 The Parties have negotiated a fair and reasonable settlement of the class claims in light of
23 the risks presented in this case. Plaintiff has presented the materials and information necessary to
24 demonstrate that the requirements for preliminary approval have been met, and therefore
25 respectfully requests that the Court preliminarily approve the Settlement and schedule a date for
26 the final approval hearing.
