DECLARATION OF LAMEISHA GEORGE

I, Lameisha George, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I began employment with Defendant Westways Staffing Services, Inc. ("Defendant") in about October 2021. I worked as a Certified Nurse Assistant at various hospitals. I am a non-exempt, hourly employee.

3. Throughout my employment, the wage statements issued to me by Defendant did not identify all hourly pay rates in effect during the pay period. Whenever I earned overtime wages, the wage statements I received showed my base hourly rate of pay, rather than one and a half times the regular rate of pay.

4. I understand that this action was brought on behalf of all other employees in the State of California, and that I am acting as a representative for the Class. As a Class Representative, I understand that it is my responsibility to act in the best interests of the Class. I am not aware of any conflicts that exist between my interests and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have and continue to be willing to assist in the investigation of this matter, including meeting and discussing the case with my attorneys, providing any necessary information and documents, making myself available for trial or any further proceedings in this matter as required to represent the interests of the Class. I have provided many documents to my lawyers and provided a lot of information regarding Defendant's practices. I also sat for an in-person deposition where I testified regarding my experiences working for Defendant. I anticipate I have spent between 35-40 hours so far assisting my lawyers in litigating this case. I also understand my duties and responsibilities to the proposed Class and will carry out those duties as necessary.

6. I have discussed the terms of the settlement with my attorneys, and based on the information provided, I believe the settlement to be fair, adequate, and reasonable for myself and for the entire Class.

8 9. I feel that I took upon myself the risk of this lawsuit and achieved a result for my
9 other former co-workers who did not have to file suit.

13 I declare under penalty of perjury under the laws of the State of California that the foregoing
14 is true and correct.
