DECLARATION OF LIZETH MARIN

I, Lizeth Marin, declare and state as follows:

1. I am an attorney duly licensed to practice law in all Courts of the State of California. I am a member of Blackstone Law, APC ("Class Counsel"), attorneys of record for Plaintiffs Jossue Morentin ("Plaintiff Morentin") and Keileon Hodge ("Plaintiff Hodge") (together, "Plaintiffs"). I have personal knowledge of the facts contained herein, and, if called to testify, I could and would competently do so.

Procedural History of the Action

2. On March 21, 2025, Plaintiff Morentin filed a Class Action Complaint in the action entitled *Jossue Morentin v. Andros Engineering Corporation*, Kern County Superior Court Case No. BCV-25-101034 ("Action"), thereby commencing a putative class action against Defendant Andros Engineering Corporation ("Defendant").

3. On April 25, 2025, Plaintiff Morentin filed a First Amended Class Action Complaint in the Action.

4. On July 29, 2025, Plaintiff Hodge provided written notice to the California Labor and Workforce Development Agency ("LWDA") by online submission and to Defendant by U.S. Certified Mail, pursuant to California Labor Code Section 2699.3, of the specified provisions of the California Labor Code alleged to have been violated by Defendant ("Hodge PAGA Letter").

5. On December 8, 2025, Plaintiffs and Defendant (collectively, the "Parties") participated in a formal mediation conducted by Tagore Subramaniam, Esq. ("Mediator"), a neutral and respected mediator with extensive experience in complex wage and hour matters, and with the assistance of the Mediator's evaluations, the Parties were able to reach an agreement to resolve this dispute on a class and representative basis. The Parties then worked diligently to negotiate and memorialize the terms in a long form settlement agreement.

6. On February 28, 2026, the Parties executed the Joint Stipulation of Class Action and PAGA Settlement ("Settlement" or "Settlement Agreement"). A true and correct copy of the Settlement Agreement is attached hereto as **Exhibit 1**.

///

7. On March 3, 2026, the Parties filed a Joint Stipulation to File Second Amended Complaint; [Proposed] Order seeking leave for Plaintiffs to file a Second Amended Class and Representative Action Complaint ("Operative Complaint") in the Action, which proposed adding Plaintiff Hodge as a named plaintiff and causes of action for wages not timely paid during employment and under the California Labor Code Private Attorney General Act of 2004 ("PAGA").

8. On March 24, 2026, Plaintiffs filed a Motion for Preliminary Approval of Class Action and PAGA Settlement ("Motion for Preliminary Approval") and supporting documents.

9. On April 6, 2026, the Court signed the proposed order granting Plaintiffs leave to file the Operative Complaint.

10. On April 8, 2026, Plaintiffs filed the Operative Complaint. The Operative Complaint alleges ten (10) causes of action for violations of the California Labor Code for failure to pay minimum wages, failure to pay overtime wages, failure to provide compliant meal periods and premium payments in lieu thereof, failure to provide compliant rest periods and premium payments in lieu thereof, failure to timely pay wages during employment, failure to provide compliant wage statements, failure to timely pay wages upon termination, and failure to reimburse necessary business expenses, for violations of California Business & Professions Code Section 17200, *et seq*. based on the aforementioned California Labor Code violations, and for civil penalties under PAGA based on the aforementioned California Labor Code violations.

11. On April 17, 2026, the Court entered the Order Granting Preliminary Approval of Class Action and PAGA Settlement ("Preliminary Approval Order"), thereby preliminary approving the terms of the Settlement Agreement, the Notice of Class Action Settlement ("Class Notice"), and the proposed administration procedures and associated deadlines. A true and correct copy of the Preliminary Approval Order is attached hereto as **Exhibit 2**.

Summary of the Terms of the Settlement Agreement

12. By way of the Preliminary Approval Order, the Court certified the following Class for settlement purposes only: "All current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the Class Period" ("Class" or "Class Members"). The "Class Period" is defined as the period from March 21, 2021 through February

6, 2026. The "Settlement Class Members" consist of all Class Members who did not submit a timely and valid Request for Exclusion. The "PAGA Employees" consist of "all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the PAGA Period." The "PAGA Period" is defined as the period from May 25, 2024 through February 6, 2026.

13. Based on the data provided by Defendant following preliminary approval and for purposes of administration of the Class Notice, I am informed that there are 133 Settlement Class Members who worked 9,450 weeks for Defendant as hourly-paid and/or non-exempt employees in California during the Class Period ("Workweeks") and 69 PAGA Employees who worked 1,651 pay periods for Defendant as hourly-paid and/or non-exempt employees in California during the PAGA Period ("Pay Periods").

14. The Parties have agreed to settle the Class and PAGA claims at issue in the Operative Complaint for a non-reversionary Gross Settlement Amount of Four Hundred Fifty Thousand Dollars and Zero Cents ($450,000.00), which is exclusive of employer-side payroll taxes. The Gross Settlement Amount includes: (1) Class Counsel's fees in the amount of thirty-five percent (35%) of the Gross Settlement Amount, equaling One Hundred Fifty-Seven Thousand Five Hundred Dollars and Zero Cents ($157,500.00); (2) Class Counsel's actual litigation costs and expenses, in the amount of Nineteen Thousand Nine Hundred Forty-Seven Dollars and Thirty-Seven Cents ($19,947.37); (3) Settlement Administration Costs in the amount of Six Thousand Nine Hundred Ninety Dollars and Zero Cents ($6,990.00); (4) Enhancement Payments in the amounts of Seven Thousand Five Hundred Dollars and Zero Cents ($7,500.00) each to Plaintiffs (total, $15,000.00); and (5) PAGA Amount in the amount of Twenty-Two Thousand Five Hundred Dollars and Zero Cents ($22,500.00). After the above Court-approved amounts are deducted from the Gross Settlement Amount, the Settlement Class Members will share in a Net Settlement Amount of approximately Two Hundred Twenty-Eight Thousand Sixty-Two Dollars and Sixty-Three Cents ($228,062.63).

15. The Settlement does not require Settlement Class Members to submit claims as a prerequisite to receiving their *pro rata* share of the Net Settlement Amount ("Individual Settlement Share") nor does it require PAGA Employees to submit claims as a prerequisite to receiving their *pro*

rata share of thirty-five percent (35%) of the PAGA Amount ("Individual PAGA Payment"). Individual Settlement Shares are calculated by the Settlement Administrator by dividing the Net Settlement Amount by the total number of Workweeks worked by all Settlement Class Members during the Class Period and multiplying the result by each Settlement Class Member's Workweeks worked during the Class Period. Individual PAGA Payments are calculated by the Settlement Administrator by dividing the amount of the PAGA Employees' thirty-five percent (35%) share of the PAGA Amount ($7,875.00) by the total number of Pay Periods worked by all PAGA Employees during the PAGA Period and multiplying the result by each PAGA Employee's Pay Periods worked during the PAGA Period.

16. I am aware from my review of the information provided by the Settlement Administrator that the estimated average gross Individual Settlement Share is $1,676.77, the estimated highest gross Individual Settlement Share is $6,017.73, and the estimated lowest gross Individual Settlement Share is $23.60; the estimated average Individual PAGA Payment is $114.13, the estimated highest Individual PAGA Payment is $200.33, and the estimated lowest Individual PAGA Payment is $4.77.

17. Each Individual Settlement Share will be allocated as ten percent (10%) wages, and ninety percent (90%) penalties, interest, and non-wage damages. The portion allocated to wages will be reported on an IRS Form W-2 and the portions allocated to penalties, interest, and non-wage damages will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator. The Settlement Administrator will withhold the employee's share of taxes and withholdings with respect to the wages portion of the Individual Settlement Shares, and issue checks to Settlement Class Members for their net payment of their Individual Settlement Share ("Individual Settlement Payment"). The employer's share of taxes and contributions in connection with the wages portion of Individual Settlement Shares will be paid by Defendant separately and in addition to the Gross Settlement Amount. Each Individual PAGA Payment will be allocated as one hundred percent (100%) penalties and will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator.

///

///

18. Each Individual Settlement Payment and Individual PAGA Payment check will be valid and negotiable for one hundred and eighty (180) calendar days from the date the checks are issued, and thereafter, shall be canceled. Any funds associated with such canceled checks will be distributed by the Settlement Administrator to Court Appointed Special Advocates of Kern County.

Notice to the LWDA

19. On March 24, 2026, Class Counsel submitted a copy of the Settlement Agreement to the LWDA through its online submission portal in compliance with California Labor Code § 2699(s)(2). The LWDA has not objected or otherwise responded to the submission.

The Settlement Is Fair and Reasonable

Discovery and Informed Arms-Length Negotiations

20. The Parties' settlement negotiations were at all times made at arm's-length and were adversarial. The Settlement was reached following a full day of mediation with a highly respected mediator with substantial experience mediating wage and hour cases, and Plaintiffs engaged in additional negotiations in order to finalize the long-form agreement presently before the Court.

21. The Parties engaged in extensive informal discovery prior to reaching a settlement. Prior to mediation, Defendant produced a random sampling of putative class members' time and pay data as well as Defendant's relevant wage and hour policies, and information regarding the total number of putative class members, the number of current versus former employees, the total workweeks worked by the putative class members, and the average rate of pay for the putative class members. This allowed Class Counsel to conduct an informed assessment and analysis of the strengths and weaknesses of the claims and the potential class-wide damages.

22. Based on the information exchanged, the Parties extensively briefed issues regarding class certification and liability and provided their analyses to the Mediator who helped the Parties debate the strengths and weakness of their respective positions. At all times, Plaintiffs were willing and prepared to litigate this matter through class certification and trial if the Parties had been unable to reach a favorable resolution. Additionally, settlement negotiations were conducted by highly capable and experienced counsel. Class Counsel are respected members of the California State Bar with strong records of vigorous and effective advocacy and are experienced in handling complex wage

and hour class action litigation. Accordingly, Class Counsel had sufficient information and experience to act intelligently in negotiating the Settlement.

23. Although the investigation and information discovered supports Plaintiffs' contentions, Defendant raised potential defenses and other circumstances that impacted the risk of proceeding on a class-wide basis. Consideration of these risks factored into the decision to enter the Settlement.

24. Class Counsel is aware of Defendant's defenses and arguments and has also taken into account the uncertainty and risk of the outcome of further litigation, and the difficulties and delays inherent in such litigation, including those involved in class and/or representative adjudication. Plaintiffs further recognize the burdens of proof necessary to establish liability for the claims asserted in the Action, Defendant's defenses, and the difficulties in establishing entitlement to monetary recovery. Plaintiffs have also considered the Parties' settlement discussions, as well as the evaluations of the Mediator, who is experienced and well-regarded in complex labor and employment matters.

25. Defendant denied and continues to deny any liability and wrongdoing of any kind associated with the claims alleged in the Action, and further denies that class certification is appropriate for any purpose other than the Settlement. Defendant believes that it would ultimately prevail in the Action. Defendant proffered defenses to both certification and to the merits of Plaintiff's claims. Defendant contended that Plaintiffs' claims are not suitable for class certification because individual issues would predominate should this case go to trial. As with all class actions, these complex cases raise difficult management and proof issues and, accordingly, there is a significant risk that the Court may deny class certification.

26. Class Counsel also recognized that, even if Plaintiffs prevailed at class certification, proving the amount of wages due to each Class Member would be an expensive, time-consuming, and extremely uncertain proposition. In order to prove liability and damages, Class Counsel would need to request and analyze thousands of pages of documents, obtain the Class Members' contact information, contact them, and obtain declarations at great expense. Obtaining the cooperation of current employees would also be difficult, given the likely reluctance to aid prosecution of a lawsuit against a current employer. On the other hand, Defendant would likely be able to obtain the cooperation of its employees. Moreover, even if Plaintiffs prevailed at class certification and trial,

possible appeals would substantially delay any recovery by the Class.

27. Therefore, Class Counsel submits that the Settlement is fair, reasonable, and adequate. The Settlement is in the best interest of the Class Members, the PAGA Employees, and the State of California, and is within the accepted range of recoveries for this type of litigation given the inherent risk of litigation, the risk of obtaining and maintaining class certification, and the costs of further litigation.

Attorneys' Fees and Costs

28. Class Counsel seeks thirty-five percent (35%) of the Gross Settlement Amount (i.e., $157,500.00) for fees for the time spent litigating this matter and reimbursement of actual costs and expenses totaling Nineteen Thousand Nine Hundred Forty-Seven Dollars and Thirty-Seven Cents ($19,947.37). The requested fees and costs are fair compensation for undertaking complex, risky, expensive, and time-consuming litigation on a contingent fee basis, especially in light of the substantial benefits achieved by Class Counsel for the Class Members. Class Counsel's requested fee award is summarily addressed as follows but is more fully discussed in Plaintiff's Motion for Final Approval of Class Action and PAGA Settlement, Attorneys' Fees and Costs, Enhancement Payments, and Settlement Administration Costs ("Motion for Final Approval") filed concurrently herewith.

29. The effectiveness of Blackstone Law, APC's ("Blackstone") prosecution of this matter has translated into tangible monetary benefits for the Settlement Class Members, the State of California, and the PAGA Employees as follows: (1) Settlement Class Members, the State of California, and the PAGA Employees will obtain monetary recovery over a relatively short period of time, as opposed to waiting additional years for the same, or potentially worse, result; (2) a guaranteed result that compares favorably with other similar class action settlements of this type, given the strengths and weaknesses of the Action; and (3) significant savings in Class Counsel's fees and/or costs that would have only increased significantly had the Action progressed through trial and/or appeals.

30. In the present case, Class Counsel has borne all of the risks and costs of litigation and will not receive any compensation until recovery is obtained. Class Counsel had to consider its workload during this litigation when considering taking on additional work that was available, and

which Class Counsel had to forego in order to devote the time necessary to pursue this litigation. Class Counsel is experienced in complex wage-and-hour litigation and used that experience to obtain a favorable result for the Class, the State of California, and the PAGA Employees. Considering the amount of fees requested, work performed, risks incurred, and experience of Class Counsel in handling similar matters, Plaintiffs maintain that the requested attorneys' fees of thirty-five percent (35%) of the Gross Settlement Amount (i.e., $ 157,500.00) are reasonable and should be awarded.

31. Blackstone was started in February 2018, representing plaintiffs in individual and representative employment litigation. The firm has grown exponentially over the past eight-plus years, now maintaining over thirty highly pedigreed attorneys working on almost exclusively labor and employment class actions, PAGA cases, and individual matters, with roughly 15% of the firm focused on other complex general litigation matters. Blackstone has been counsel of record on several class and PAGA actions that have since been resolved, the most recent of which are attached hereto as **Exhibit 3**. The attorneys who worked on this case are all experienced in litigating wage and hour matters as follows:

a. Jonathan M. Genish is the founder of Blackstone. He received his law degree from Benjamin N. Cardozo School of Law and was admitted to the California State Bar in 2008. During law school, he clerked at the litigation firm Oved & Oved, LLP and was published several times in various small publications. Upon graduation, he was rehired by Freedman & Taitelman, LLP as an associate and remained employed there from September 2008 through August 2015. During his tenure, he managed hundreds (perhaps thousands) of complex litigation cases, ranging from employment, corporate, entertainment, and general business litigation matters, though his primary area of expertise was employment, both single plaintiff and representative actions. On the vast majority of those cases, he was the only or primary attorney managing the case and thus obtained extensive experience. In that capacity, he conducted wage and hour and wrongful termination labor and employment intakes; was the primary contact for all clients; took and defended hundreds (if not thousands) of depositions; propounded and responded to all discovery; prepared and opposed all motions and pleadings, including dispositive and certification motions; strategized on all cases; attended all hearings; attended all mediations; coordinated with class action administrators; prepared

and worked with experts; first and second chaired multiple trials and arbitrations; and engaged in all other intricate facets of litigation. During that time, he represented a wide range of clients from sole proprietorships to Fortune 500 companies in state, federal, complex, and appellate courts. Many of the cases he managed were highly publicized, with articles written about them in the Los Angeles Times, Deadline, The Hollywood Reporter, Business Insider, Law360, and others. Super Lawyers has regularly honored him as a Southern California Rising Star since 2012. His billable rate is $1,295, which is well within the prevailing rate for attorneys with his experience in this area of practice in Southern California.

b. Sage S. Stone is a Senior Trial Attorney and Team Lead at Blackstone. He received his law degree from University of Texas School of Law and was admitted to the California State Bar in 2015. Mr. Stone has ten years of litigation experience, including six years of experience in wage and hour class and representative action work. Before working at Blackstone, he worked at a large, international employment defense firm, where he managed cases for Fortune 500 companies. Most recently, he earned the accolade of Best Lawyers: Ones to Watch in America for Labor and Employment Law. His billable rate is $850, which is well within the prevailing rate for attorneys with his experience in this area of practice in Southern California.

c. Zachary T. Gershman is a highly skilled litigator who joined Blackstone from a reputable plaintiff-side employment law firm. He has been certified as class counsel in over twenty-five different class and PAGA representative actions. Mr. Gershman graduated from the University of Southern California Gould School of Law in May of 2019, where he was an Executive Senior Editor of the Southern California Law Review. He received his Bachelor of Arts degree in Political Science from the University of Connecticut in 2015. Mr. Gershman has been admitted to the California State Bar since December 2019. His hourly rate of $750 is reasonable based on his education and experience and is in line with the market rate.

d. Alexandra Rose joined Blackstone from a highly reputable employment law firm. She graduated from the University of California, Los Angeles with a Bachelor of Arts degree in 2016 and from New England Law | Boston with a Juris Doctor degree in 2019. Ms. Rose was admitted to the State Bar of California in December of 2019 and the State Bars of New York and New Jersey in 2023.

Ms. Rose is additionally licensed in all federal district courts of California. Ms. Rose manages the post-settlement department at Blackstone. In that capacity, Ms. Rose oversees and handles over 100 wage-and-hour putative class actions and/or representative actions under PAGA that are in settlement. Ms. Rose's hourly rate of $750 is reasonable based on her education and experience and is in line with the market rate.

e. Debashish Bakshi is a former Associate Attorney at Blackstone where he litigated wage and hour class action and PAGA representative matters. Before joining Blackstone, Mr. Bakshi litigated for six years at reputable plaintiff-side firms focusing on class action securities and antitrust matters. He graduated from the University of California College of the Law, San Francisco (formerly UC Hastings), where he was a Staff Editor of Hastings Business Law Journal and a Senior Notes Editor of Constitutional Law Quarterly. During law school, Mr. Bakshi externed in the United States District Court for the Northern District of California for the Honorable Laurel Beeler, and in addition served as a teaching assistant in legal writing and moot court courses. He earned his B.A. in Political Science from Stanford University. Mr. Bakshi has been admitted to practice in California since December 2016. His hourly rate of $675 is reasonable based on his education and experience and is in line with the market rate.

f. I am an Associate Attorney at Blackstone, where I focus on representing employees in wage and hour class action and PAGA representative matters. I joined Blackstone from a highly reputable employment law firm. I graduated from the University of Oregon with a Bachelor of Science degree in 2015 and from Lewis & Clark Law School (Lewis & Clark) with a Juris Doctor degree in 2018. While at Lewis & Clark I served as an Associate Editor for the Environmental Law Review. I was admitted to practice law in Oregon in 2018 and California in 2025. Since 2019, I have focused my practice exclusively on employment law, representing clients in individual, class actions, and PAGA matters. My hourly rate of $675 is reasonable based on my education and experience and is in line with the market rate.

32. Class Counsel has spent approximately 202.90 total hours litigating this matter. To date, our total fees incurred amount to $171,037. Each attorney who worked on this matter engaged in a multitude of tasks, including communicating with the clients and defense counsel; investigating

the facts and researching appliable legal issues; drafting pleadings, informal discovery requests, and joint statements; reviewing documents; preparing for and attending mediation; and facilitating the settlement by drafting the settlement documents and motion papers for obtaining settlement approval. One difficulty in determining the hourly rate of attorneys of similar skill and experience in the relevant community is the scarcity of hourly fee-paying clients in class action litigation. As a practical matter, few if any employees or consumers pay attorneys' fees on an hourly basis for such extensive litigation, and thus retainer agreements in such cases are based on a stepped-up contingency fee (with the percentage increasing from one third to forty-five – and sometimes even fifty percent, which is on par with personal injury contingency fee agreements – if the case goes to trial). Therefore, there is no customary hourly billing rate for work that is routinely based on a contingent fee relationship, but the nature of class action work should be strongly considered by the Court. Wage and hour work presents a specialized and challenging area of law that is not within the knowledge of many lawyers. This kind of class action work requires specialized learning and the willingness to take large risks. A summary of Class Counsel's lodestar for each attorney who worked on this case is as follows:

Attorney	**Position**	**Hours**	**Rate**	**Total**
Jonathan M. Genish	Managing Partner	25.60	$1,295	$33,152
Sage S. Stone	Senior Counsel	77.30	$850	$65,705
Zachary T. Gershman	Senior Associate	45.10	$750	$33,825
Alexandra Rose	Senior Associate	17.30	$750	$12,975
Debashish Bakshi	Associate	11.20	$675	$7,560
Lizeth Marin	Associate	26.40	$675	$17,820

33. We expect to spend an additional 10 hours ($6,750.00) in connection with preparing for and attending the Final Approval Hearing and managing the Settlement through its conclusion, including anticipated communications with defense counsel, the Settlement Administrator, our clients, and Class Members. Based thereon, the total amount of Class Counsel's fees through closure of this case are estimated to be approximately $177,787.

34. The Settlement Agreement provides for reimbursement of litigation costs and expenses not to exceed Twenty-Five Thousand Dollars and Zero Cents ($25,000.00). Class Counsel seeks reimbursement of a total of Nineteen Thousand Nine Hundred Forty-Seven Dollars and Thirty-Seven Cents ($19,947.37) in litigation costs and expenses. A true and correct itemized list of Blackstone's litigation costs and expenses is attached hereto as **Exhibit 4**. This amount was reasonable and necessary in the prosecution of this matter.

35. The requested award of Attorneys' Fees and Costs was included and set forth clearly in the Class Notice provided to the Class Members.

Enhancement Payments

36. As part of the Settlement Agreement, Plaintiffs are requesting reasonable Enhancement Payments in the amounts of Seven Thousand Five Hundred Dollars and Zero Cents ($7,500.00) each to Plaintiffs (total, $15,000.00). The requested Enhancement Payments are eminently reasonable given the time and effort Plaintiffs spent on this matter, and the benefit to the other Class Members as a result of Plaintiffs' actions. Enhancement awards in wage and hour cases typically range from $5,000.00 to $20,000.00, although some awards are higher. The Declarations of Plaintiffs Jossue Morentin and Keileon Hodge submitted herewith details their work and efforts in bringing and litigating this matter through resolution and support the requested Enhancement Payments. The requested Enhancement Payments were also disclosed in the Class Notice provided to the Class Members.

Settlement Administration Costs

37. In Plaintiffs' Motion for Preliminarily Approval, Plaintiffs requested, and the Court approved, Settlement Administration Costs not to exceed Six Thousand Nine Hundred Ninety Dollars and Zero Cents ($6,990.00). Apex Class Action LLC, the approved Settlement Administrator, provided Class Counsel with its quote stating that its cost to administer the Settlement is indeed Six Thousand Nine Hundred Ninety Dollars and Zero Cents ($6,990.00).

Allocation to the LWDA

38. As part of the Settlement, Defendant has agreed to pay Twenty-Two Thousand Five Hundred Dollars and Zero Cents ($22,500.00) to settle the claims of the PAGA Employees brought pursuant to PAGA, of which the payment of Fourteen Thousand Six Hundred Twenty-Five Dollars and Zero Cents ($14,625.00) (65% of the PAGA Amount) will be paid to the LDWA for education and enforcement purposes.

39. It is extremely common in approved wage and hour class action cases that settle that only a small portion of the total settlement is paid to PAGA penalties "in order to maximize payments to class members." (*Magadia v. Wal-Mart Assocs.* (N.D. Cal. May 31, 2019, No. 17-CV-00062-LHK) 2019 U.S. Dist. LEXIS 91732, *90-91, citing as examples *Ceja-Corona v. CVS Pharm., Inc.* (E.D. Cal. Jan. 14, 2015) 2015 U.S. Dist. LEXIS 5118, 2015 WL 222500, at *2-3 [preliminarily approving $10,000 in PAGA penalties out of a total settlement amount of $900,000]; *Thio v. Genji, LLC* (N.D. Cal. 2014) 14 F. Supp. 3d 1324, 1330 [preliminarily approving $10,000 in PAGA penalties out of a total settlement amount of $1,250,000]; *Franco v. Ruiz Food Prods.* (E.D. Cal. Nov. 27, 2012) 2012 U.S. Dist. LEXIS 169057, 2012 WL 5941801, at *14 [granting final approval of $10,000 in PAGA penalties out of a total settlement amount of $2,500,000]; *Garcia v. Gordon Trucking, Inc.* (E.D. Cal. Oct. 31, 2012) 2012 U.S. Dist. LEXIS 160052, 2012 WL 5364575, at *3 [granting final approval of $10,000 in PAGA penalties out of a total settlement amount of $3,700,000]; *Chu v. Wells Fargo Invs., LLC* (N.D. Cal. Feb. 16, 2011) 2011 U.S. Dist. LEXIS 15821, 2011 WL 672645, at *1 [granting final approval of $10,000 in PAGA penalties out of a total settlement amount of $6,900,000].) Like here, in these approved settlements, the parties generally maximized statutory penalties and minimized PAGA penalties to focus on claims to the class members, the persons who actually suffered the California Labor Code violations.

Notice to the Class

40. The Class Notice approved by the Court met the requirements for proper notice of settlement to a class: it identified the Parties and described the Action, the Class, the Gross Settlement Amount, the proposed method for distribution of the Gross Settlement Amount, the amounts proposed to be paid as the Enhancement Payments to Plaintiffs, the Settlement Administration Costs to the

Settlement Administrator, and the Attorneys' Fees and Costs to Class Counsel. The Class Notice described the proposed Settlement with enough specificity to allow each Class Member to make an informed choice whether to accept and participate in it. It also explained how and when Class Members may object to or opt out of the Class Settlement. Finally, the Class Notice provided the date and time of the hearing on final approval of the Settlement and informed Class Members how to obtain additional information about the Settlement.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on July 24, 2026, at Sandy, Oregon.

This Settlement Agreement shall be binding on Plaintiffs, Settlement Class Members (as defined herein), the State of California as to the employment of PAGA Employees (as defined herein), and Defendant, subject to the terms and conditions hereof and the approval of the Court.

RECITALS

1. On March 21, 2025, Plaintiff Morentin filed a Class Action Complaint in the action entitled *Jossue Morentin v. Andros Engineering Corporation*, Kern County Superior Court Case No. BCV-25-101034 ("Action"), thereby commencing a putative class action against Defendant.

2. On April 25, 2025, Plaintiff Morentin filed a First Amended Class Action Complaint in the Action.

3. On July 29, 2025, Plaintiff Hodge provided written notice to the LWDA by online submission and to Defendant by U.S. Certified Mail, pursuant to California Labor Code Section 2699.3, of the specific provisions of the California Labor Code alleged to have been violated by Defendant ("Hodge PAGA Letter").

4. The Parties agree that Plaintiffs will file a Second Amended Class and Representative Action Complaint ("Operative Complaint") in the Action, which will, *inter alia*, add Plaintiff Hodge as a named plaintiff, and add causes of action (1) for wages not being timely paid during employment and (2) under the Private Attorneys General Act of 2004 pursuant to California Labor Code Section 2698 *et seq*. ("PAGA").

5. The Operative Complaint alleges ten (10) causes of action for violations of the California Labor Code for failure to pay minimum wages, failure to pay overtime wages, failure to provide compliant meal periods and premium payments in lieu thereof, failure to provide compliant rest periods and premium payments in lieu thereof, failure to timely pay wages during employment, failure to provide compliant wage statements, failure to timely pay wages upon termination, and failure to reimburse necessary business expenses, for violations of California Business & Professions Code Section 17200, *et seq*. based on the aforementioned California Labor Code violations, and for civil penalties under PAGA based on the aforementioned California Labor Code violations.

6. Defendant denies all material allegations set forth in the Action, denies any and all liability for the causes of action alleged, disputes that any wages were unpaid, and has asserted numerous affirmative defenses. Notwithstanding, in the interest of avoiding further litigation, Defendant desires to settle the disputed unpaid wages, fully and finally settle the Action, Released Class Claims (as defined herein), and Released PAGA Claims (as defined herein). Defendant expressly denies that these claims meet any of the prerequisites for class or representative treatment and agrees to class certification solely for purposes of settlement.

7. Class Counsel diligently investigated the class and PAGA claims against Defendant, including any and all applicable defenses and the applicable law. The investigation included, *inter alia*, the exchange of information, data, and documents, and review of corporate policies and practices. The Parties have engaged in sufficient informal discovery and investigation to assess the relative merits of the claims and contentions of the Parties.

8. On December 8, 2025, the Parties participated in mediation with Tagore Subramaniam, Esq. (the "Mediator"), a respected mediator of complex wage and hour actions, and with the assistance of the Mediator's evaluations, the Parties reached the settlement that is memorialized herein. The

Parties' settlement discussions were conducted at arms' length, and the Settlement is the result of an informed and detailed analysis of Defendant's potential liability and exposure in relation to the costs and risks associated with continued litigation. Based on Class Counsel's investigation and evaluation, Class Counsel believes that the settlement with Defendant for the consideration and on the terms set forth in this Settlement Agreement is fair, reasonable, and adequate and is in the best interest of the Class Members, State of California, and PAGA Employees in light of all known facts and circumstances, including the risk of significant delay and uncertainty associated with litigation and various defenses asserted by Defendant.

9. The Parties expressly acknowledge that this Settlement Agreement is entered into solely for the purpose of compromising significantly disputed claims and that nothing herein is an admission of liability or wrongdoing by Defendant. If for any reason this Settlement Agreement is not approved, it will be of no force or effect, and the Parties shall be returned to their original respective positions. In such event, nothing in this Agreement shall be used or construed by or against any Party as a determination, admission, or concession of any issue of law or fact in the Action; and the Parties do not waive, and instead expressly reserve, their respective rights with respect to the prosecution and defense of the Action as if this Agreement never existed.

10. The Court has not granted class certification.

11. The Parties, Class Counsel, and Defendant's Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

12. The Agreement set forth herein intends to achieve the following: (1) an entry of an order approving the Settlement; (2) entry of judgment of the Action; (3) discharge of Released Parties from liability for any and all of the Released Class Claims and Released PAGA Claims; and (4) discharge of Defendant from liability for any and all claims arising out of the Action.

Should, for whatever reason, the Court not grant Final Approval, the Parties' stipulation to class certification as part of the Settlement shall become null and void ab initio and shall have no bearing on, and shall not be admissible in connection with, the issue of whether or not certification would be inappropriate in a non-settlement context.

TERMS OF THE AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants, promises, and agreements set forth herein, the Parties agree, subject to the Court's approval, as follows:

16. Attorneys' Fees and Costs. Defendant agrees not to oppose or impede any application or motion by Class Counsel for attorneys' fees in the amount up to thirty-five percent (35%) of the Gross Settlement Amount (i.e., $157,500.00 if the Gross Settlement Amount is $450,000.00) and reimbursement of actual costs and expenses associated with Class Counsel's litigation and settlement of the Action, in an amount not to exceed Twenty-Five Thousand Dollars and Zero Cents ($25,000.00), both of which will be paid from the Gross Settlement Amount. These amounts will cover any and all work performed and any and all costs incurred by Class Counsel in connection with the litigation of the Action, including without limitation all work performed and costs incurred to date, and all work to be performed and all costs to be incurred in connection with obtaining the Court's approval of this Settlement Agreement, including any objections raised and any appeals necessitated by those objections. Class Counsel shall be solely and legally responsible for correctly characterizing this compensation for tax purposes and for paying any taxes on the amounts received. The Settlement Administrator shall issue an IRS Form 1099 to Class Counsel for the Attorneys' Fees and Costs. Any portion of the requested Attorneys' Fees and Costs that is not awarded by the Court to Class Counsel shall be reallocated to the Net Settlement Amount for the benefit of the Settlement Class Members.

17. Enhancement Payments. Defendant agrees not to oppose or impede any application or motion by Plaintiffs for Enhancement Payments in the amounts up to Seven Thousand Five Hundred Dollars and Zero Cents ($7,500.00) each to Plaintiffs (total, $15,000.00). The Enhancement Payments, which will be paid from the Gross Settlement Amount, subject to Court approval, will be in addition to any other payments Plaintiffs are entitled to under the Settlement. Plaintiffs shall be solely and legally responsible for correctly characterizing this compensation for tax purposes and for paying any taxes on the amounts received. The Settlement Administrator shall issue an IRS Form 1099 to Plaintiffs for the Enhancement Payments. Any portion of the requested Enhancement Payments that is not awarded by the Court to Plaintiffs shall be reallocated to the Net Settlement Amount for the benefit of the Settlement Class Members.

18. PAGA Amount. Subject to approval by the Court, the Parties agree that the amount of Twenty-Two Thousand Five Hundred Dollars and Zero Cents ($22,500.00) shall be allocated from the Gross Settlement Amount toward penalties under the Private Attorneys General Act, California Labor Code Section 2698, *et seq*. (i.e., the PAGA Amount), of which sixty-five percent (65%), or $14,625.00, will be paid to the LWDA (i.e., the LWDA Payment) and thirty-five percent (35%), or $7,875.00, will be distributed to PAGA Employees (i.e., the PAGA Employee Amount) on a *pro rata* basis, based on the total number of Pay Periods worked by each PAGA Employee during the PAGA Period (i.e., the Individual PAGA Payments).

19. Settlement Administration Costs. The Settlement Administrator will be paid for the reasonable costs of administration of the Settlement and distribution of payments under the Settlement, which is currently estimated not to exceed Six Thousand Nine Hundred Ninety Dollars and Zero Cents ($6,990.00). These costs, which will be paid from the Gross Settlement Amount, subject to Court approval, will include, *inter alia*, translating the Class Notice to Spanish, printing, distributing, posting the Class Notice on-line, and tracking Class Notices and other documents for the Settlement, calculating and distributing payments due under the Settlement, issuing of 1099 and W-2 IRS Forms and all required tax reporting, filings, withholdings, and remittances, providing necessary reports and declarations, and other duties and responsibilities set forth herein to process the Settlement, and as requested by the Parties. To the extent the actual Settlement Administrator's costs are greater than the

estimated amount stated herein, such excess amount will be deducted from the Gross Settlement Amount, subject to approval by the Court. Any portion of the estimated, designated, and/or awarded Settlement Administration Costs which are not in fact required to fulfill payment to the Settlement Administrator to undertake the required settlement administration duties shall be reallocated to the Net Settlement Amount for the benefit of the Settlement Class Members.

20. Escalator Clause. Defendant has represented that the Class Members worked a total of 9,210 workweeks during the period March 21, 2021 through December 8, 2025. If it is determined by the Settlement Administrator that the total number of Workweeks worked by the Class Members during the Class Period actually exceeds 9,210 by more than 10% (i.e., if the Workweeks exceed 10,131), then the Gross Settlement Amount will be increased on a *pro rata* basis equal to the percentage increase in the number of Workweeks worked by the Class Members above 10%. For example, if the number of Workweeks increases by 11% to 10,224 Workweeks, then the Gross Settlement Amount will increase by 1%.

21. Individual Settlement Share Calculations. Individual Settlement Shares will be calculated and apportioned from the Net Settlement Amount based on the Class Members' number of Workweeks, as follows:

a. After Preliminary Approval, the Settlement Administrator will divide the Net Settlement Amount by the Workweeks of all Class Members to yield the "Estimated Workweek Value," and multiply each Class Member's individual Workweeks by the Estimated Workweek Value to yield each Class Member's estimated Individual Settlement Share that the Class Member may be entitled to receive under the Class Settlement.

b. After Final Approval, the Settlement Administrator will divide the final Net Settlement Amount by the Workweeks of all Settlement Class Members to yield the "Final Workweek Value," and multiply each Settlement Class Member's individual Workweeks by the Final Workweek Value to yield each Settlement Class Member's final Individual Settlement Share.

22. Individual PAGA Payment Calculations. Individual PAGA Payments will be calculated and apportioned from the PAGA Employee Amount based on the PAGA Employees' number of Pay Periods, as follows: The Settlement Administrator will divide the PAGA Employee

Amount, i.e., 35% of the PAGA Amount, by the Pay Periods of all PAGA Employees to yield the "Pay Period Value," and multiply each PAGA Employee's individual Pay Periods by the Pay Period Value to yield each PAGA Employee's Individual PAGA Payment.

23. Tax Treatment of Individual Settlement Shares and Individual PAGA Payments. Each Individual Settlement Share will be allocated as follows: ten percent (10%) wages and ninety percent (90%) penalties, interest, and non-wage damages. The portion allocated to wages will be reported on an IRS Form W-2 and the portions allocated to penalties, interest, and non-wage damages will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator. The Settlement Administrator will withhold the employee's share of taxes and withholdings with respect to the wages portion of the Individual Settlement Shares, and issue checks to Settlement Class Members for their Individual Settlement Payments (i.e., payment of their Individual Settlement Share net of these taxes and withholdings). The Employer Taxes will be paid separately and in addition to the Gross Settlement Amount. Each Individual PAGA Payment will be allocated as one hundred percent (100%) penalties and will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator.

24. Administration of Taxes by the Settlement Administrator. The Settlement Administrator will be responsible for issuing to Plaintiffs, Settlement Class Members, PAGA Employees, and Class Counsel any tax forms (i.e., IRS Forms W-2, IRS Forms 1099, etc.) as may be required by law for all amounts paid pursuant to this Settlement Agreement. The Settlement Administrator will also be responsible for calculating the Employer Taxes and forwarding all payroll taxes and other legally required withholdings to the appropriate government authorities.

25. Tax Liability. Plaintiffs, Class Counsel, Defendant, and Defendant's Counsel do not intend anything contained in this Settlement Agreement to constitute advice regarding taxes or taxability, nor shall anything in this Settlement Agreement be relied on as such. Plaintiffs, Settlement Class Members, and PAGA Employees are not relying on any statement, representation, or calculation by Defendant, the Settlement Administrator, or Class Counsel in this regard. Plaintiffs, Settlement Class Members, and PAGA Employees understand and agree that Plaintiffs, Settlement Class Members, and PAGA Employees will be solely responsible for the payment of any taxes and penalties assessed on the payments described in this Settlement Agreement. Plaintiffs, Settlement Class

Members, and PAGA Employees should consult with their tax advisors concerning the tax consequences of any payment they receive under the Settlement.

26. Circular 230 Disclaimer. EACH PARTY TO THIS SETTLEMENT AGREEMENT (FOR PURPOSES OF THIS SECTION, THE "ACKNOWLEDGING PARTY" AND EACH PARTY TO THIS SETTLEMENT AGREEMENT OTHER THAN THE ACKNOWLEDGING PARTY, AN "OTHER PARTY") ACKNOWLEDGES AND AGREES THAT (1) NO PROVISION OF THIS SETTLEMENT AGREEMENT, AND NO WRITTEN COMMUNICATION OR DISCLOSURE BETWEEN OR AMONG THE PARTIES OR THEIR ATTORNEYS AND OTHER ADVISORS, IS OR WAS INTENDED TO BE, NOR WILL ANY SUCH COMMUNICATION OR DISCLOSURE CONSTITUTE OR BE CONSTRUED OR BE RELIED UPON AS, TAX ADVICE WITHIN THE MEANING OF UNITED STATES TREASURY DEPARTMENT CIRCULAR 230 (31 CFR PART 10, AS AMENDED); (2) THE ACKNOWLEDGING PARTY (A) HAS RELIED EXCLUSIVELY UPON HIS, HER, OR ITS OWN, INDEPENDENT LEGAL AND TAX COUNSEL FOR ADVICE (INCLUDING TAX ADVICE) IN CONNECTION WITH THIS SETTLEMENT AGREEMENT, (B) HAS NOT ENTERED INTO THIS SETTLEMENT AGREEMENT BASED UPON THE RECOMMENDATION OF ANY OTHER PARTY OR ANY ATTORNEY OR ADVISOR TO ANY OTHER PARTY, AND (C) IS NOT ENTITLED TO RELY UPON ANY COMMUNICATION OR DISCLOSURE BY ANY ATTORNEY OR ADVISOR TO ANY OTHER PARTY TO AVOID ANY TAX PENALTY THAT MAY BE IMPOSED ON THE ACKNOWLEDGING PARTY; AND (3) NO ATTORNEY OR ADVISOR TO ANY OTHER PARTY HAS IMPOSED ANY LIMITATION THAT PROTECTS THE CONFIDENTIALITY OF ANY SUCH ATTORNEY'S OR ADVISOR'S TAX STRATEGIES (REGARDLESS OF WHETHER SUCH LIMITATION IS LEGALLY BINDING) UPON DISCLOSURE BY THE ACKNOWLEDGING PARTY OF THE TAX TREATMENT OR TAX STRUCTURE OF ANY TRANSACTION, INCLUDING ANY TRANSACTION CONTEMPLATED BY THIS SETTLEMENT AGREEMENT.

27. Settlement Awards Do Not Trigger Additional Benefits. All payments made under the Settlement shall be deemed to be paid to the payee solely in the year in which such payments actually are issued to the payee. It is expressly understood and agreed that payments made under this

Settlement shall not in any way entitle Plaintiffs, Settlement Class Members, or any PAGA Employee to additional compensation or benefits under any new or additional compensation or benefits, or any bonus, contest, or other compensation or benefit plan or agreement in place during the Class Period, nor will it entitle Plaintiffs, Settlement Class Members, or any PAGA Employee to any increased retirement, 401K benefits or matching benefits, or deferred compensation benefits (notwithstanding any contrary language or agreement in any benefit or compensation plan document that might have been in effect during the Class Period).

28. Duties of the Parties with Respect to Obtaining Preliminary Approval of the Settlement. Plaintiffs will obtain a hearing date from the Court for Plaintiffs' motion for preliminary approval of the Settlement, which Class Counsel will be responsible for drafting, and submit this Settlement Agreement to the Court in support of said motion. Class Counsel will provide Defendant's Counsel a draft of the preliminary approval motion at least three (3) business days before filing it with the Court. Defendant agrees not to oppose the motion for preliminary approval of the Settlement consistent with this Settlement Agreement. By way of said motion, Plaintiffs will apply for the entry of the Preliminary Approval Order seeking the following:

a. Conditionally certifying the Class for settlement purposes only;

b. Granting Preliminary Approval of the Settlement;

c. Preliminarily appointing Plaintiffs as the representatives of the Class;

d. Preliminarily appointing Class Counsel as counsel for the Class;

e. Approving as to form and content, the mutually-agreed upon and proposed Class Notice and directing its mailing by First Class U.S. Mail and posting on the Settlement Administrator's website pending the Final Approval Hearing;

f. Approving the manner and method for Class Members to request exclusion from or object to the Class Settlement as contained herein and within the Class Notice; and

g. Scheduling a Final Approval Hearing at which the Court will determine whether Final Approval of the Settlement should be granted.

29. Notice of Settlement to the LWDA. Pursuant to California Labor Code § 2699(1)(2), Class Counsel shall notify the LWDA of the Settlement.

30. Delivery of Class List. Within fourteen (14) calendar days of Preliminary Approval, Defendant will provide the Class List to the Settlement Administrator. To protect Class Members' privacy rights, the Settlement Administrator must maintain the Class List in confidence, use the Class List only for purposes of this Settlement and for no other purpose, and restrict access to the Class List to Settlement Administrator employees who need access to the Class List to effect and perform under this Agreement. The Settlement Administrator will not disclose or share any personal information of the Class Members in the Class List with Class Counsel (i.e., names, addresses, and Social Security numbers). Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class List omitted Class Member identifying information and to provide corrected or an updated Class List to the Settlement Administrator as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class List to the Settlement Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class List data. If the Settlement Administrator, Defendant, Defendant's Counsel, or Class Counsel are contacted by or otherwise discovers any persons who believe they should have been included in the Class List and should have received a Class Notice, the Parties will expeditiously meet and confer in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Settlement Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than fourteen (14) calendar days after receipt of the Class Notice, or the deadline dates in the Class Notice, whichever are later.

31. Notice to Class Members.

a. Within ten (10) business days after receiving the Class List from Defendant, the Settlement Administrator will perform a search based on the National Change of Address Database or any other similar services available, such as provided by Experian, for information to update and correct for any known or identifiable address changes, and will mail a Class Notice in English and Spanish (in the form attached as **Exhibit A** to this Settlement Agreement) to all Class Members via First-Class U.S. Mail, using the most current, known mailing addresses identified by the Settlement

Administrator.

b. Any Class Notice returned to the Settlement Administrator as undeliverable on or before the Response Deadline will be sent promptly via First-Class U.S. Mail to the forwarding address affixed thereto and the Settlement Administrator will indicate the date of such re-mailing on the Class Notice. If no forwarding address is provided, the Settlement Administrator will promptly attempt to determine the correct address using a skip-trace or other search, using the name, address, and/or Social Security number of the Class Member, and perform a single re-mailing within five (5) calendar days. If the Class List includes the phone number for any Class Member whose Class Notice is deemed undeliverable, the Settlement Administrator will attempt to reach the Class Member by telephone to verify his or her addresses.

c. The Settlement Administrator will establish and maintain and use an internet website to post information of interest to Class Members. Upon the motion for preliminary approval being granted, the Settlement Administrator shall post the Settlement Agreement, Class Notice, and Preliminary Approval Order on the website pending Final Approval. Upon the Final Approval Order and Judgment being granted, the Settlement Administrator shall post the Final Approval Order and Judgment until the check void date. Additionally, the Settlement Administrator shall include the date, time, and location for the Final Approval Hearing. The Settlement Administrator will also maintain and monitor a toll-free telephone number to receive Class Member calls.

d. Compliance with the procedures described herein above shall constitute due and sufficient notice to Class Members of the Settlement and shall satisfy the requirements of due process. Nothing else shall be required of or done by the Parties, Class Counsel, or Defendant's Counsel to provide notice of the Settlement.

32. Disputes Regarding Workweeks and/or Pay Periods. Class Members will have an opportunity to dispute the number of Workweeks and/or Pay Periods which have been credited to them, as reflected in their respective Class Notices, by submitting a timely and valid Dispute to the Settlement Administrator, by mail, postmarked on or before the Response Deadline. The date of the postmark on the return mailing envelope will be the exclusive means to determine whether a Dispute has been timely submitted. Absent evidence rebutting the accuracy of Defendant's records and data

as they pertain to the number of Workweeks and/or Pay Periods to be credited to a disputing Class Member, Defendant's records will be presumed to be correct and determinative of the dispute. However, if a Class Member produces information and/or documents to the contrary, the Settlement Administrator will evaluate the materials submitted by the Class Member and the Settlement Administrator will resolve and determine the number of eligible Workweeks and/or Pay Periods that the disputing Class Member should be credited with under the Settlement. The Settlement Administrator's decision on such disputes will be final and non-appealable. The Settlement Administrator will not disclose Class Member identifying information to Class Counsel.

33. Requesting Exclusion from the Class Settlement. Any Class Member wishing to be excluded from the Class Settlement must submit a timely and valid Request for Exclusion to the Settlement Administrator, by mail, postmarked on or before the Response Deadline. The date of the postmark on the return mailing envelope will be the exclusive means to determine whether a Request for Exclusion has been timely submitted. The Settlement Administrator will certify jointly to Class Counsel and Defendant's Counsel the number of timely and valid Requests for Exclusion that are submitted, and also identify the individuals who have submitted a timely and valid Request for Exclusion in a declaration that is to be filed with the Court in advance of the Final Approval Hearing. The Settlement Administrator will provide to Defendant's Counsel a list containing the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion, along with copies of all invalid or untimely Requests for Exclusion from the Settlement submitted, but may provide Class Counsel with redacted versions of any invalid or untimely Requests for Exclusion to protect the name and other identifying information from disclosure. At no time will any of the Parties or their counsel seek to solicit or otherwise encourage Class Members to request exclusion from the Class Settlement. Any Class Member who submits a Request for Exclusion is prohibited from making any objection to the Class Settlement. Any Class Member who submits a timely and valid Request for Exclusion will not be bound by the Class Settlement and will not be issued an Individual Settlement Payment. Any Class Member who does not affirmatively request exclusion from the Class Settlement by submitting a timely and valid Request for Exclusion will be bound by all of the terms of the Class Settlement, including and not limited to those pertaining to the

Released Class Claims, as well as any judgment that may be entered by the Court if it grants Final Approval to the Settlement. Notwithstanding the above, all PAGA Employees will be bound to the PAGA Settlement and will be issued their Individual PAGA Payment, irrespective of whether they submit a Request for Exclusion.

34. Objecting to the Class Settlement. To object to the Class Settlement, Settlement Class Members must submit a timely and complete Notice of Objection to the Settlement Administrator, by mail, postmarked on or before the Response Deadline. The date of the postmark on the return mailing envelope will be the exclusive means to determine whether a Notice of Objection has been timely submitted. The Settlement Administrator will certify jointly to Class Counsel and Defendant's Counsel the number of Notices of Objection that are submitted (specifying which ones were timely and complete and which were not), and also attach them to a declaration that is to be filed with the Court in advance of the Final Approval Hearing. At no time will any of the Parties or their counsel seek to solicit or otherwise encourage Settlement Class Members to object to the Class Settlement or appeal from the Final Approval Order and Judgment. Settlement Class Members, individually or through counsel, may also present their objection orally at the Final Approval Hearing, regardless of whether they have submitted a Notice of Objection. Each Party retains the right to respond to any objection raised by a Settlement Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

35. Reports by the Settlement Administrator. The Settlement Administrator shall provide weekly reports to counsel for the Parties providing: (a) the number of undeliverable and re-mailed Class Notices; (ii) the number of Class Members who have submitted Disputes; (iii) the number of Class Members who have submitted Requests for Exclusion; and (iv) the number of Settlement Class Members who have submitted Notices of Objection. Additionally, the Settlement Administrator will provide to counsel for the Parties any updated reports regarding the administration of the Settlement Agreement as needed or requested, and immediately notify the Parties when it receives a request from an individual or any other entity regarding inclusion in the Class and/or Settlement or regarding a Dispute. Each Party retains the right to respond to any objection raised by a Settlement Class Member,

including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

36. Defendant's Right to Rescind. If 7.5% or more of the Class Members submit timely and valid Requests for Exclusion, Defendant may elect, but is not obligated, to rescind the Settlement Agreement. Defendant must exercise this right of rescission in writing that is provided to Class Counsel within seven (7) calendar days of the Settlement Administrator notifying the Parties of the number of Class Members who have submitted timely and valid Requests for Exclusion following the Response Deadline. If Defendant exercises this option, Defendant shall pay any costs of settlement administration owed to the Settlement Administrator incurred up to that date. The Parties agree that any Class Members for whom the Class Notice is deemed "undeliverable" by the Settlement Administrator are to be included as Settlement Class Members.

37. Certification of Completion. Upon completion of administration of the Settlement, the Settlement Administrator will provide a written declaration under oath to certify such completion to the Court and counsel for all Parties.

38. Duties of the Parties with Respect to Obtaining Final Approval of the Settlement. After the Response Deadline, a Final Approval Hearing will be conducted to determine whether Final Approval of the Settlement should be granted, along with the amounts properly payable for: (a) Individual Settlement Shares; (b) Individual PAGA Payments; (c) LWDA Payment; (d) Attorneys' Fees and Costs; (e) Enhancement Payments; and (f) Settlement Administration Costs. The Final Approval Hearing will not be held earlier than thirty (30) calendar days after the Response Deadline. Plaintiffs and Class Counsel will be responsible for drafting the motion seeking Final Approval of the Settlement. Class Counsel will provide Defendant's Counsel a draft of the final approval motion at least three (3) business days before filing it with the Court. By way of said motion, Plaintiffs will apply for the entry of the Final Approval Order and Judgment, which will provide for, in substantial part, the following:

a. Approval of the Settlement as fair, reasonable, and adequate, and directing consummation of its terms and provisions;

b. Certification of the Settlement Class;

c. Approval of the application for Attorneys' Fees and Costs to Class Counsel;

d. Approval of the application for Enhancement Payments to Plaintiffs;

e. Directing Defendant to fund all amounts due under the Settlement Agreement and ordered by the Court;

f. Entering judgment in the Action, while maintaining continuing jurisdiction, in conformity with California Rules of Court 3.769 and the Settlement Agreement; and

g. Directing the Settlement Administrator to post a copy of the Final Approval Order and Judgment on its website until the check void date.

39. Funding of the Gross Settlement Amount.

a. Defendant's Tax Information. Defendant shall provide all information necessary for the Settlement Administrator to calculate necessary payroll taxes including its official name, 8-digit state unemployment insurance tax ID number, and other information requested by the Settlement Administrator, no later than five (5) business days after the Effective Date.

b. Calculation of Employer Taxes. At least five (5) business days prior to Defendant's deadline for funding of the Gross Settlement Amount, the Settlement Administrator shall calculate the total Employer Taxes due on the wage portion of the Individual Settlement Shares and issue Defendant instructions and the amount of the Employer Taxes.

c. Defendant's Deadline to Fund. No later than five (5) business days after the Effective Date, Defendant will deposit the Gross Settlement Amount and Employer Taxes into a Qualified Settlement Fund ("QSF") within the meaning of Treasury Regulation Section 1.468B-1, *et seq.*, to be established by the Settlement Administrator.

40. Distribution of the Gross Settlement Amount. Within five (5) business days of the funding of the Gross Settlement Amount, the Settlement Administrator will issue the Individual Settlement Payments to Settlement Class Members, Individual PAGA Payments to PAGA Employees, LWDA Payment to the LWDA, Enhancement Payments to Plaintiffs, Attorneys' Fees and Costs to Class Counsel, and Settlement Administration Costs to itself. The Settlement Administrator shall also set aside the Employer Taxes and all employee-side payroll taxes, contributions, and withholding, and timely forward these to the appropriate government authorities.

41. Settlement Checks. The Settlement Administrator will be responsible for undertaking appropriate deductions, required tax reporting, and issuing the Individual Settlement Payments by way of check to the Settlement Class Members and the Individual PAGA Payments by way of check to the PAGA Employees in accordance with this Settlement Agreement. When issuing payments, the Settlement Administrator may combine the Individual Settlement Payment and Individual PAGA Payment into one check if the intended recipient for both payments is one individual. Settlement Class Members and PAGA Employees are not required to submit a claim to be issued an Individual Settlement Payment and/or Individual PAGA Payment. The Settlement Administrator must conduct an address search for all other Settlement Class Members and PAGA Employees whose checks are returned undelivered without USPS forwarding address. Within seven (7) calendar days of receiving a returned check, the Settlement Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the address search. The Settlement Administrator need not take further steps to deliver checks to Settlement Class Members and PAGA Employees whose re-mailed checks are returned as undelivered. The Settlement Administrator shall promptly send a replacement check to any Settlement Class Member and PAGA Employee whose original check was lost or misplaced, requested by the Settlement Class Member or PAGA Employee prior to the void date. Each Individual Settlement Payment and Individual PAGA Payment check will be valid and negotiable for one hundred and eighty (180) calendar days from the date the checks are issued, and thereafter, shall be canceled. Any funds associated with such canceled checks shall be distributed by the Settlement Administrator to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure Section 384, subd. (b), Court Appointed Special Advocates of Kern County ("Cy Pres Recipient"). The Parties, Class Counsel, and Defendant's Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient. The Settlement Administrator shall undertake amended and/or supplemental tax filings and reporting required under applicable local, state, and federal tax laws that are necessitated due to the cancelation of any Individual Settlement Payment and/or Individual PAGA Payment checks. Settlement Class Members whose Individual Settlement Payment checks are canceled shall, nevertheless, be bound by the Class Settlement, and PAGA Employees whose Individual PAGA Payment checks are canceled shall,

nevertheless, be bound by the PAGA Settlement.

42. Amended Judgment. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

43. Class Settlement Release. Upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs and all Settlement Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, dependents, administrators, devisees, legatees, executors, trustees, conservators, guardians, personal representatives, successors, and assigns, whether individual, class, representative, legal, equitable, direct or indirect, or any other type of any capacity, will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released Class Claims. Settlement Class Members will be deemed to have acknowledged and agreed that California Labor Code section 206.5 is not applicable to the Individual Settlement Payment. That section provides in pertinent part as follows:

> **"An employer shall not require the execution of a release of a claim or right on account of wages due, or to become due, or made as an advance on wages to be earned, unless payment of those wages has been made."**

44. PAGA Settlement Release. Upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs, the State of California with respect to all PAGA Employees, and all PAGA Employees, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, dependents, administrators, devisees, legatees, executors, trustees, conservators, guardians, personal representatives, successors, and assigns, whether individual, class, representative, legal, equitable, direct or indirect, or any other type of any capacity, will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released PAGA Claims.

45. Plaintiffs' General Release. Upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs, individually and on their own behalf and their respective former and

present spouses, representatives, agents, attorneys, heirs, dependents, administrators, devisees, legatees, executors, trustees, conservators, guardians, personal representatives, successors, and assigns, whether individual, class, representative, legal, equitable, direct or indirect, or any other type of any capacity, will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties from any and all claims, debts, liabilities, demands, obligations, guarantees, costs, expenses, attorneys' fees, damages, or causes of action of any kind or nature whatsoever, known or unknown, suspected or unsuspected, asserted or unasserted, arising out of, relating to, or resulting from their employment and/or separation of employment with Defendant, which Plaintiffs, at any time up until the execution of the Settlement Agreement, had or claimed to have or may have. It is agreed that this is a general release and is to be broadly construed as a release of all claims, provided that, notwithstanding the foregoing, this Paragraph expressly does not include a release of any claims that cannot be released hereunder by law. Any and all rights granted under any state or federal law or regulation limiting the effect of the Settlement Agreement, including the provisions of Section 1542 of the California Civil Code, ARE HEREBY EXPRESSLY WAIVED. Section 1542 of the California Civil Code reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Plaintiffs specifically acknowledge that they are aware of and familiar with the provisions of the above Civil Code section 1542. Plaintiffs may hereafter discover facts in addition to or different from those which they now know or believe to be true with respect to the subject matter of all the claims referenced herein, but agree that, upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs shall and hereby do fully, finally, and forever settle and release any and all claims against the Released Parties, known or unknown, suspected or unsuspected, contingent or non-contingent, that were asserted or could have been asserted upon any theory of law or equity

without regard to the subsequent discovery of existence of such different or additional facts, through the date on which this Agreement is fully executed.

46. Final Approval Order and Judgment. The Parties shall provide the Settlement Administrator with a copy of the Final Approval Order and Judgment once it is entered by the Court, and the Settlement Administrator shall post the Final Approval Order and Judgment on its website for until the check void date, which shall be sufficient notice of judgment to Class Members pursuant to California Rules of Court, rule 3.771(b). No individualized notice of the Final Approval Order and Judgment to the Class will be required.

47. Continued Jurisdiction. After entry of the judgment pursuant to the Settlement, the Court will have continuing jurisdiction pursuant to Rule 3.769 of the California Rules of Court and Section 664.6 of the California Code of Civil Procedure, for purposes of addressing: (a) the interpretation and enforcement of the terms of the Settlement, (b) settlement administration matters, and (c) such post-judgment matters as may be appropriate under court rules or as set forth in this Settlement Agreement.

48. Effects of Termination or Rescission of Settlement. Termination or rescission of the Settlement Agreement shall have the following effects:

a. The Settlement Agreement shall be void and shall have no force or effect, and no Party shall be bound by any of its terms;

b. In the event the Settlement Agreement is terminated, Defendant shall have no obligation to make any payments to any Party, Class Member, or attorney, except that the terminating Party shall pay the Settlement Administrator for services rendered up to the date the Settlement Administrator is notified that the Settlement has been terminated;

c. The Preliminary Approval Order and Final Approval Order and Judgment, including any order certifying the Class, shall be vacated;

d. The Settlement Agreement and all negotiations, statements, and proceedings relating thereto shall be without prejudice to the rights of any of the Parties, all of whom shall be restored to their respective positions in the Action prior to the execution of the Settlement Agreement;

e. Neither this Settlement Agreement, nor any ancillary documents, actions,

statements, or filings in furtherance of the Settlement (including all matters associated with the mediation) shall be admissible or offered into evidence in the Action or any other action for any purpose whatsoever; and

f. Any documents generated to bring the Settlement into effect, will be null and void, and any order or judgment entered by the Court in furtherance of this Settlement Agreement will likewise be treated as void from the beginning.

49. No Prior Assignments. The Parties and their counsel represent, covenant, and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or right herein released and discharged.

50. Exhibits Incorporated by Reference. The terms of this Settlement include the terms set forth in any attached exhibits, which are incorporated by this reference as though fully set forth herein. Any exhibits to this Settlement Agreement are an integral part of the Settlement.

51. Entire Agreement. This Settlement Agreement and any attached exhibits constitute the entirety of the Parties' agreement relating to the settlement and transaction completed thereby, and all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written and whether by a Party or such Party's legal counsel, are merged herein. No other prior or contemporaneous written or oral agreements may be deemed binding on the Parties. The Parties expressly recognize California Civil Code Section 1625 and California Code of Civil Procedure Section 1856(a), which provide that a written agreement is to be construed according to its terms and may not be varied or contradicted by extrinsic evidence, and the Parties agree that no such extrinsic oral or written representations or terms will modify, vary, or contradict the terms of this Settlement Agreement.

52. Interim Stay of Proceedings. The Parties agree to hold in abeyance all proceedings in the Action (including with respect to California Code of Civil Procedure Section 583.310), except such proceedings necessary to implement and complete this Settlement Agreement, pending the Final Approval Hearing to be conducted by the Court.

53. Amendment or Modification. Prior to the filing of the motion for preliminary approval of the Settlement, the Parties may not amend or modify any provision of this Settlement Agreement except by written agreement signed by counsel for all Parties. After the filing of the motion for

preliminary approval of the Settlement, the Parties may not amend or modify any provision of this Settlement Agreement except by written agreement signed by counsel for all the Parties and subject to Court approval. A waiver or amendment of any provision of this Settlement Agreement will not constitute a waiver of any other provision.

54. Authorization to Enter into Settlement Agreement. Counsel for all Parties warrant and represent they are expressly authorized by the Parties whom they represent to negotiate this Settlement Agreement and to take all appropriate action required or permitted to be taken by such Parties pursuant to this Settlement Agreement to effectuate its terms and to execute any other documents required to effectuate the terms of this Settlement Agreement. The Parties warrant that they understand and have full authority to enter into this Settlement Agreement, and further intend that this Settlement Agreement will be fully enforceable and binding on all Parties, and agree that it will be admissible and subject to disclosure in any proceeding to enforce its terms, notwithstanding any mediation confidentiality provisions that otherwise might apply under state or federal law.

55. Signatories. It is agreed that because the members of the Class are so numerous, it is impossible or impractical to have each Settlement Class Member or PAGA Employee execute this Settlement Agreement. The Class Notice will advise all Class Members of the binding nature of the Class Settlement as to the Settlement Class Members and the binding nature of the PAGA Settlement as to the PAGA Employees, and the releases provided for by this Settlement Agreement shall have the same force and effect as if this Settlement Agreement were executed by each Settlement Class Member and PAGA Employee.

56. Binding on Successors and Assigns. This Settlement Agreement will be binding upon, and inure to the benefit of, the successors or assigns of the Parties hereto, as previously defined.

57. California Law Governs. All terms of this Settlement Agreement and attached exhibits hereto will be governed by and interpreted according to the laws of the State of California.

58. Execution and Counterparts. This Settlement Agreement is subject only to the execution of all Parties. However, this Settlement Agreement may be executed in one or more counterparts. All executed counterparts and each of them, including facsimile, electronic, and scanned copies of the signature page, will be deemed to be one and the same instrument.

59. Acknowledgement that the Settlement is Fair and Reasonable. The Parties believe this Settlement Agreement is a fair, adequate, and reasonable settlement of the Action and have arrived at this Settlement after arm's length negotiations and in the context of adversarial litigation, taking into account all relevant factors, present and potential. The Parties further acknowledge that they are each represented by competent counsel and that they have had an opportunity to consult with their counsel regarding the fairness and reasonableness of this Settlement Agreement. In addition, if necessary to obtain approval of the Settlement, the Mediator may execute a declaration supporting the Settlement and the reasonableness of the Settlement and the Court may, in its discretion, contact the Mediator to discuss the Settlement and whether or not the Settlement is objectively fair and reasonable.

60. Invalidity of Any Provision. Before declaring any provision of this Settlement Agreement invalid, the Court will first attempt to construe the provision as valid to the fullest extent possible consistent with applicable precedents so as to define all provisions of this Settlement Agreement valid and enforceable.

61. Enforcement Action. In the event that one or more of the Parties institutes any legal action or other proceeding against any other Party or Parties to enforce the provisions of this Settlement Agreement or to declare rights and/or obligations under this Settlement, the successful Party or Parties will be entitled to recover from the unsuccessful Party or Parties reasonable attorneys' fees and costs, including expert witness fees, in connection with any enforcement actions.

62. Plaintiffs' Cooperation. Plaintiffs agree to sign this Settlement Agreement and, by signing this Settlement Agreement, are hereby bound by the terms herein and agree to fully cooperate to implement the Settlement.

63. Non-Admission of Liability, Class Certification, or Representative Manageability. The Parties enter into this Settlement Agreement to resolve the dispute that has arisen between them and to avoid the burden, expense, and risk of continued litigation. In entering into this Settlement Agreement, Defendant does not admit, and specifically denies, it has violated any federal, state, or local law; violated any regulations or guidelines promulgated pursuant to any statute or any other applicable laws, regulations, or legal requirements; breached any contract; violated or breached any duty; engaged in any misrepresentation or deception; or engaged in any other unlawful conduct with

respect to its employees. Neither this Settlement Agreement, nor any of its terms or provisions, nor any of the negotiations connected with it, shall be construed as an admission or concession by Defendant of any such violations or failures to comply with any applicable law. Except as necessary in a proceeding to enforce the terms of this Settlement Agreement, this Settlement Agreement and its terms and provisions shall not be offered or received as evidence in any action or proceeding to establish any liability or admission on the part of Defendant or to establish the existence of any condition constituting a violation of, or a non-compliance with, federal, state, local, or other applicable law. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval, or enter the Final Approval Order and Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement and the Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement Agreement).

64. Captions. The captions and paragraph numbers in this Settlement Agreement are inserted for the reader's convenience, and in no way define, limit, construe, or describe the scope or intent of the provisions of this Settlement Agreement.

65. Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant, and Defendant's Counsel separately agree that, until the motion for preliminary approval of the Settlement is filed, they and each of them will not disclose, disseminate, or publicize, or cause or permit another person to disclose, disseminate, or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Settlement Administrator and the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. This confidentiality clause extends to the Parties' use of social media people often use to

communicate during their daily lives, such as X (formerly Twitter), Facebook, blogs, Instagram, and the like. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant, and Defendant's Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the motion for preliminary approval, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This Paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members. Nothing herein will restrict Plaintiff and Class Counsel to undertake any and all disclosures required to be made to the LWDA in conformity with PAGA.

66. Mutual Preparation. The Parties have had a full opportunity to negotiate the terms and conditions of this Settlement Agreement. Accordingly, this Settlement Agreement will not be construed more strictly against one Party than another merely by virtue of the fact that it may have been prepared by counsel for one of the Parties, it being recognized that, because of the arms-length negotiations between the Parties, all Parties have contributed equally to the preparation of this Settlement Agreement.

67. Representation By Counsel. The Parties acknowledge that they have been represented by counsel throughout all negotiations that preceded the execution of this Settlement Agreement, and that this Settlement Agreement has been executed with the consent and advice of counsel, and reviewed in full.

68. All Terms Subject to Final Court Approval. All amounts and procedures described in this Settlement Agreement herein will be subject to final Court approval.

69. Notices. All notices, demands, and other communications to be provided concerning the Settlement Agreement shall be in writing and deemed to have been duly given as of the third business day after mailing by First Class U.S. Mail, or the day sent by email or personal delivery, addressed as follows:

70. Cooperation and Execution of Necessary Documents. All Parties and their counsel will cooperate with each other in good faith and use their best efforts to implement the Settlement, including and not limited to, executing all documents to the extent reasonably necessary to effectuate the terms of this Settlement Agreement. If the Parties are unable to reach agreement on the form or content of any document needed to implement the Settlement Agreement, or on any supplemental provisions that may become necessary to effectuate the terms of this Settlement Agreement, the Parties may seek the assistance of the Mediator and then the Court to resolve such disagreement.

71. Use and Return of Class List. Information provided to Class Counsel pursuant to Cal. Evid. Code section 1152, and all copies and summaries of the Class List provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than ninety (90) calendar days after the date when the Court discharges the Settlement Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall

destroy, all paper and electronic versions of the Class List received from Defendant unless, prior to the Court's discharge of the Settlement Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destruction, of the Class List.

II. BACKGROUND OF THE ACTION

On March 21, 2025, Plaintiff Morentin commenced a putative class action lawsuit by filing a Class Action Complaint in the Action. On April 25, 2025, Plaintiff Morentin filed a First Amended Class Action Complaint in the Action. On July 29, 2025, Plaintiff Hodge provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant of the specific provisions of the California Labor Code that Plaintiff Hodge contends were violated ("PAGA Letter"). On _____, Plaintiffs filed a Second Amended Class and Representative Action Complaint ("Operative Complaint") in the Action.

Plaintiffs contend that Defendant failed to properly pay minimum and overtime wages, provide compliant meal and rest breaks and associated premiums, timely pay wages during employment and upon termination of employment and associated waiting-time penalties, provide accurate wage statements, and reimburse business expenses, and thereby engaged in unfair business practices in violation of the California Business and Professions Code section 17200, *et seq*., and conduct that gives rise to penalties under the Private Attorneys General Act of 2004 pursuant to California Labor Code Section 2698, *et seq*. ("PAGA"). Plaintiffs seek, among other things, recovery of unpaid wages and meal and rest period premiums, unreimbursed business expenses, restitution, penalties, interest, and attorneys' fees and costs.

Defendant denies all of the allegations in the Action or that it violated any law.

The Parties participated in mediation with a respected class action mediator, and as a result, the Parties reached a settlement. The Parties have since entered into a Joint Stipulation of Class Action and PAGA Settlement ("Settlement" or "Settlement Agreement").

On [Date of Preliminary Approval], the Court entered an order preliminarily approving the Settlement. The Court has appointed _____ as the administrator of the Settlement ("Settlement Administrator"), Plaintiffs Jossue Morentin and Keileon Hodge as representatives of the Class ("Class Representatives"), and the following Plaintiffs' attorneys as counsel for the Class ("Class Counsel"): The address for the Parties' counsel are as follows:

If you are a Class Member, you need not take any action to receive an Individual Settlement Payment, but you have the opportunity to request exclusion from the Class Settlement (in which case you will not receive an Individual Settlement Payment), object to the Class Settlement, and/or dispute the Workweeks and/or Pay Periods credited to you, if you so choose, as explained more fully in Sections III and IV below. If you are a PAGA Employee, you do not need to take any action to receive an Individual PAGA Payment; you will not have the opportunity to object or seek exclusion from the PAGA Settlement and all PAGA Employees will be bound to the PAGA Settlement if the Court grants final approval of the Settlement.

The Settlement represents a compromise and settlement of highly disputed claims. Nothing in the Settlement is intended or will be construed as an admission by Defendant that the claims in the Action have merit or that Defendant has any liability to Plaintiffs, Class Members, or PAGA Employees. Plaintiffs and Defendant, and their respective counsel, have concluded and agree that, in light of the risks and uncertainties to each side of continued litigation, the Settlement is fair, reasonable, and adequate, and is in the best interests of the Class Members, the State of California, and PAGA Employees.

III. SUMMARY OF THE PROPOSED SETTLEMENT

A. Settlement Formula

The total gross settlement amount is Four Hundred Fifty Thousand Dollars and Zero Cents ($450,000.00) (the "Gross Settlement Amount"). The portion of the Gross Settlement Amount that is available for payment to Class Members is

referred to as the "Net Settlement Amount." The Net Settlement Amount will be the Gross Settlement Amount less the following payments which are subject to approval by the Court: (1) attorneys' fees, in an amount not to exceed thirty-five percent (35%) of the Gross Settlement Amount (i.e., $157,500.00), and reimbursement of litigation costs and expenses, in an amount not to exceed Twenty-Five Thousand Dollars and Zero Cents ($25,000.00) to Class Counsel; (2) Enhancement Payments in amounts not to exceed Seven Thousand Five Hundred Dollars and Zero Cents ($7,500.00) each to Plaintiffs (total, $15,000.00) for their services in the Action; (3) the amount of Twenty-Two Thousand Five Hundred Dollars and Zero Cents ($22,500.00) allocated toward civil penalties under the Private Attorneys General Act ("PAGA Amount"), of which the LWDA will be paid 65% ($14,625.00) ("LWDA Payment") and the remaining 35% ($7,875.00) will be distributed to PAGA Employees ("PAGA Employee Amount"); and (4) Settlement Administration Costs in an amount not to exceed Six Thousand Nine Hundred and Ninety Dollars and Zero Cents ($6,990.00) to the Settlement Administrator.

Class Members are eligible to receive payment under the Class Settlement of their *pro rata* share of the Net Settlement Amount ("Individual Settlement Share") based on the number of weeks each Class Member worked for Defendant as an hourly-paid and/or non-exempt employee in California during the Class Period ("Workweeks"). The Settlement Administrator has divided the Net Settlement Amount by the Workweeks of all Class Members to yield the "Estimated Workweek Value," and multiplied each Class Member's individual Workweeks by the Estimated Workweek Value to yield an estimated Individual Settlement Share that each Class Member may be entitled to receive under the Class Settlement (which is listed in Section III.C below). Class Members who do not submit a timely and valid Request for Exclusion ("Settlement Class Members") will be issued their final Individual Settlement Payment.

Each Individual Settlement Share will be allocated as ten percent (10%) as wages, which will be reported on an IRS Form W-2, and ninety percent (90%) as penalties, interest, and non-wage damages, which will be reported on an IRS Form 1099 (if applicable). Each Individual Settlement Share will be subject to reduction for the employee's share of payroll taxes and withholdings with respect to the wages portion of the Individual Settlement Shares resulting in a net payment to the Settlement Class Member ("Individual Settlement Payment"). The employer's share of taxes and contributions in connection with the wages portion of Individual Settlement Shares ("Employer Taxes") will be paid by Defendant separately and in addition to the Gross Settlement Amount.

PAGA Employees are eligible to receive payment under the PAGA Settlement of their *pro rata* share of the PAGA Employee Amount ("Individual PAGA Payment") based on the number of pay periods each PAGA Employee worked for Defendant as an hourly-paid and/or non-exempt employee in California during the PAGA Period ("Pay Periods"). The Settlement Administrator had divided the PAGA Employee Amount, i.e., 35% of the PAGA Amount, by the Pay Periods of all PAGA Employees to yield the "PAGA Pay Period Value," and multiplied each PAGA Employee's individual Pay Periods by the Pay Period Value to yield each PAGA Employee's Individual PAGA Payment.

Each Individual PAGA Payment will be allocated as one hundred percent (100%) penalties, will not be subject to taxes or withholdings, and will be reported on IRS Form 1099 (if applicable).

If the Court grants final approval of the Settlement, Individual Settlement Payments will be mailed to Settlement Class Members and Individual PAGA Payments will be mailed to PAGA Employees at the address that is on file with the Settlement Administrator. **If the address to which this Class Notice was mailed is not correct, or if you move after you receive this Class Notice, you must provide your correct mailing address to the Settlement Administrator as soon as possible to ensure you receive any payment that you may be entitled to under the Settlement.**

B. Your Workweeks and Pay Periods (if applicable) Based on Defendant's Records

According to Defendant's records:

- **From March 21, 2021 through February 6, 2026 (i.e., the Class Period), you are credited as having worked [_____] Workweeks.**
- **From May 25, 2024 through February 6, 2026 (i.e., the PAGA Period), you are credited as having worked [_____] Pay Periods.**

If you wish to dispute the Workweeks and/or Pay Periods credited to you, you must submit your dispute in writing to the Settlement Administrator ("Dispute"). The Dispute must: (a) contain the case name and number of the Action (*Morentin and Hodge v. Andros Engineering Corporation*, Case No. BCV-25-101034); (b) contain your full name, signature, address,

telephone number, and the last four (4) digits of your Social Security number; (c) clearly state that you dispute the number of Workweeks and/or Pay Periods credited to you and what you contend is the correct number; and (d) be returned by mail to the Settlement Administrator at the specified address listed in Section IV.B below, postmarked **on or before [Response Deadline]**.

C. Your Estimated Individual Settlement Share and Individual PAGA Payment (if applicable)

As explained above, your estimated Individual Settlement Share and Individual PAGA Payment (if applicable) is based on the number of Workweeks and Pay Periods (if applicable) credited to you.

Under the terms of the Settlement, your Individual Settlement Share is estimated to be $_____. The Individual Settlement Share is subject to reduction for the employee's share of taxes and withholdings with respect to the wages portion of the Individual Settlement Share and will only be distributed if the Court approves the Settlement and after the Settlement goes into effect.

Under the terms of the Settlement, your Individual PAGA Payment is estimated to be $_____ and will only be distributed if the Court approves the Settlement and after the Settlement goes into effect.

The settlement approval process may take multiple months. Your Individual Settlement Share and Individual PAGA Payment (if applicable) reflected in this Class Notice is only an estimate. Your actual Individual Settlement Payment and Individual PAGA Payment (if applicable) may be higher or lower.

D. Release of Claims

Upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs and all Settlement Class Members will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released Class Claims.

Upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs, the State of California with respect to all PAGA Employees, and all PAGA Employees will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released PAGA Claims.

"Released Class Claims" means any and all claims which were alleged or which could have been reasonably alleged based on the factual allegations in the Operative Complaint, arising during the Class Period, which shall specifically include, but are not limited to, claims for Defendant's alleged failure to pay overtime and minimum wages, provide compliant meal and rest periods and associated premium payments, timely pay all wages during employment and upon termination, provide accurate wage statements, and reimburse necessary business-related expenses in violation of California Labor Code Sections 201, 202, 203, 204, 210, 226, 226.7, 510, 512, 1174, 1194, 1194.2, 1197, 1197.1, 1198, 2800, and 2802, the applicable Industrial Welfare Commission Wage Order, and California Business and Professions Code sections 17200, *et seq*.

"Released PAGA Claims" means any and all claims arising from any of the factual allegations in the PAGA Letter and the Operative Complaint, arising during the PAGA Period, for civil penalties under the Private Attorneys General Act of 2004, California Labor Code Sections 2698 *et seq*., which shall specifically include claims for Defendant's alleged failure to pay overtime and minimum wages, provide compliant meal and rest periods and associated premium payments, timely pay all wages during employment and upon termination, provide compliant wage statements, maintain complete and accurate payroll records, and reimburse necessary business-related expenses in violation of California Labor Code Sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 510, 512, 558, 1174, 1174.5, 1194, 1194.2, 1197, 1197.1, 1198, 1198.5, 1199, 2800, and 2802, and the applicable Industrial Welfare Commission Wage Order.

"Released Parties" means Defendant and its current, future, and former parents, joint ventures, and affiliated corporations and partnerships; their officers, directors, members, insurers, shareholders, subsidiaries, affiliates, predecessors, successors, owners, managers, partners, customers, employees, agents, attorneys, assigns, and any other individuals, entities, successors, assigns or legal representatives who could be liable for any of the Released Class Claims and Released PAGA Claims.

E. Attorneys' Fees and Costs to Class Counsel

Class Counsel will seek attorneys' fees in an amount not to exceed thirty-five percent (35%) of the Gross Settlement Amount (i.e., $157,500.00) and reimbursement of litigation costs and expenses in an amount not to exceed Twenty-Five Thousand Dollars and Zero Cents ($25,000.00) (collectively, "Attorneys' Fees and Costs"), subject to approval by the Court. The Attorneys' Fees and Costs granted by the Court will be paid from the Gross Settlement Amount. Class Counsel has been prosecuting the Action on behalf of Plaintiffs, Class Members, and PAGA Employees on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses.

F. Enhancement Payments to Plaintiffs

Plaintiffs will seek the amount of Seven Thousand Five Hundred Dollars and Zero Cents ($7,500.00) each (total, $15,000.00) ("Enhancement Payments"), in recognition of their services in connection with the Action. The Enhancement Payments will be paid from the Gross Settlement Amount, subject to approval by the Court, and if awarded, will be paid to Plaintiffs in addition to any other payments that they are entitled to under the Settlement.

G. Settlement Administration Costs to Settlement Administrator

Payment to the Settlement Administrator is estimated not to exceed Six Thousand Nine Hundred Ninety Dollars and Zero Cents ($6,990.00) ("Settlement Administration Costs") for the costs of the notice and settlement administration process, including and not limited to, the expense of notifying the Class Members of the Settlement, processing Requests for Exclusion, Notices of Objection, and Disputes, calculating Individual Settlement Shares, Individual Settlement Payments, and Individual PAGA Payments, and distributing payments and tax forms under the Settlement, and shall be paid from the Gross Settlement Amount, subject to approval by the Court.

IV. WHAT ARE YOUR RIGHTS AND OPTIONS AS A CLASS MEMBER?

A. Participate in the Settlement

If you want to participate in the Class Settlement and receive money from the Class Settlement, you do not have to do anything. You will automatically be included in the Class Settlement and issued your Individual Settlement Payment unless you decide to exclude yourself from the Class Settlement.

Unless you elect to exclude yourself from the Class Settlement and if the Court grants final approval of the Settlement, you will be bound by the terms of the Class Settlement and any judgment that may be entered by the Court based thereon, and you will release the Released Class Claims against the Released Parties as described in Section III.D above.

If you are a PAGA Employee and the Court grants final approval of the Settlement, you will automatically be included in the PAGA Settlement and issued your Individual PAGA Payment. This means you will be bound by the terms of the PAGA Settlement and any judgment that may be entered by the Court based thereon, and you will release the Released PAGA Claims against the Released Parties as described in Section III.D above.

As a Class Member and PAGA Employee (if applicable), you will not be separately responsible for the payment of attorney's fees or litigation costs and expenses, unless you retain your own counsel, in which event you will be responsible for your own attorney's fees and expenses.

B. Request Exclusion from the Class Settlement

Class Members may request to be excluded from the Class Settlement by submitting a letter ("Request for Exclusion") to the Settlement Administrator, at the following address:

[Settlement Administrator]
[Mailing Address]

A Request for Exclusion must: (a) contain the case name and number of the Action (*Morentin and Hodge v. Andros Engineering Corporation*, Case No. BCV-25-101034); (b) contain your full name, signature, address, telephone number, and last four (4) digits of your Social Security number; (c) clearly state that you do not wish to be included in the Class Settlement; and (d) be returned by mail to the Settlement Administrator at the specified address above, postmarked **on or before [Response Deadline]**.

If the Court grants final approval of the Settlement, any Class Member who submits a timely and valid Request for Exclusion will not be issued an Individual Settlement Payment, will not be bound by the Class Settlement (and the release of Released Class Claims described in Section III.D above), and will not have any right to object to, appeal, or comment on the Class Settlement. Class Members who do not submit a timely and valid Request for Exclusion will be deemed Settlement Class Members and will be bound by all terms of the Class Settlement, including those pertaining to the release of claims described in Section III.D above, as well as any judgment that may be entered by the Court based thereon. PAGA Employees will be bound to the PAGA Settlement (and the release of Released PAGA Claims described in Section III.D above) and will still be issued an Individual PAGA Payment, irrespective of whether they submit a Request for Exclusion.

C. Object to the Class Settlement

You can object to the Class Settlement as long as you have not submitted a Request for Exclusion by submitting a written objection ("Notice of Objection") to the Settlement Administrator.

The Notice of Objection must: (a) contain the case name and number of the Action (*Morentin and Hodge v. Andros Engineering Corporation*, Case No. BCV-25-101034); (b) contain your full name, signature, address, telephone number, and the last four (4) digits of your Social Security number; (c) contain a written statement of all grounds for the objection accompanied by any legal support for such objection; (d) contain copies of any papers, briefs, or other documents upon which the objection is based; and (e) be returned by mail to the Settlement Administrator at the specified address listed in Section IV.B above, postmarked **on or before [Response Deadline]**.

You may also appear at the Final Approval Hearing and present your objection orally, regardless of whether you have submitted a Notice of Objection.

V. FINAL APPROVAL HEARING

The Court will hold a Final Approval Hearing in Division H of the Kern County Superior Court, located at the Metropolitan Division Justice Building, 1215 Truxtun Avenue, Bakersfield, California, 93301, on [**date**], at [**time**], to determine whether the Settlement should be finally approved as fair, reasonable, and adequate. The Court also will be asked to approve and grant the Attorneys' Fees and Costs to Class Counsel, Enhancement Payments to Plaintiffs, and Settlement Administration Costs to the Settlement Administrator.

The Final Approval Hearing may be continued without further notice to the Class Members and PAGA Employees. It is not necessary for you to appear at the Final Approval Hearing, although you may appear if you wish to.

[~~PROPOSED~~] ORDER

On April 17, 2026 at 8:30 a.m. in Department H of the above-captioned Court located at 1215 Truxtun Avenue, Bakersfield, California 93301, Plaintiffs Jossue Morentin and Keileon Hodge (together, "Plaintiffs") Motion for Preliminary Approval of Class Action and PAGA Settlement, came on for hearing before the Honorable Bernard C. Barmann, Jr. Blackstone Law, APC appeared on behalf of Plaintiffs and Klein DeNatale Goldner appeared on behalf of Defendant Andros Engineering Corporation ("Defendant").

The Court, having carefully considered the papers, argument of counsel, and all matters presented to the Court, and good cause appearing, hereby **GRANTS** Plaintiffs' Motion for Preliminary Approval of Class Action and PAGA Settlement.

IT IS HEREBY ORDERED THAT:

1. The Court preliminarily approves the Joint Stipulation of Class Action and PAGA Settlement ("Settlement" or "Settlement Agreement") attached as Exhibit 3 to the Declaration of Lizeth Marin in Support of Plaintiffs' Motion for Preliminary Approval of Class Action and PAGA Settlement. This is based on the Court's determination that the Settlement falls within the range of possible approval as fair, adequate, and reasonable.

2. This Order incorporates by reference the definitions in the Settlement Agreement, and all capitalized terms defined therein shall have the same meaning in this Order as set forth in the Settlement Agreement.

3. The Court makes no finding and expressly does not adjudicate or determine any issue of liability, wrongdoing, or damages.

4. It appears to the Court on a preliminary basis that the Settlement is fair, adequate, and reasonable. It appears to the Court that extensive investigation and research have been conducted such that counsel for the parties at this time are able to reasonably evaluate their respective positions. It further appears to the Court that the Settlement, at this time, will avoid substantial additional costs by all parties, as well as avoid the delay and risks that would be presented by the further prosecution of the case. It further appears that the Settlement has been reached as the result of intensive, serious, and non-collusive, arms-length negotiations, and was entered into in good faith.

5. The Court preliminarily finds that the Settlement, including the allocations for the Attorneys' Fees and Costs, Enhancement Payments, LWDA Payment, Settlement Administration Costs, and payments to the Settlement Class Members and PAGA Employees provided for in the Settlement Agreement, appear to be within the range of reasonableness of a settlement that could ultimately be given final approval by this Court. Indeed, the Court has reviewed the monetary recovery that is being granted as part of the Settlement and preliminarily finds that the monetary settlement awards made available to the Class Members and PAGA Employees are fair, adequate, and reasonable when balanced against the possible outcome of further litigation relating to certification, liability, and damages issues and are consistent with the requirements of California Labor Code § 2699(e)(1).

6. The Court finds that notice of the proposed PAGA settlement, including the settlement agreement and any required materials, has been provided to the California Labor and Workforce Development Agency ("LWDA") in accordance with California Labor Code section 2699(l)–(m).

7. The Court concludes that, for settlement purposes only, the proposed Class meets the requirements for certification under section 382 of the California Code of Civil Procedure in that: (a) the Class is ascertainable and so numerous that joinder of all members of the Class is impracticable; (b) common questions of law and fact predominate, and there is a well-defined community of interest amongst the members of the Class with respect to the subject matter of the litigation; (c) Plaintiffs' claims are typical of the claims of the members of the Class; (d) Plaintiffs will fairly and adequately protect the interests of the members of the Class; (e) a class action is superior to other available methods for the efficient adjudication of the controversy; and (f) Class Counsel is qualified to act as counsel for Plaintiffs in their individual capacities and as the representatives of the Class.

8. The Court conditionally certifies, for settlement purposes only, the Class, defined as follows:

> All current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the Class Period.
>
> (The Class Period is defined as the period from March 21, 2021 through February 6, 2026.)

9. The Court provisionally appoints Jonathan M. Genish, Sage S. Stone, Alexandra Rose, Zachary T. Greshman, Lizeth Marin, and Debashish Bakshi of Blackstone Law, APC as counsel for

the Class ("Class Counsel").

10. The Court provisionally appoints Plaintiffs Jossue Morentin and Keileon Hodge as the representatives of the Class ("Class Representatives").

11. The Court provisionally appoints Apex Class Action LLC to handle the administration of the Settlement ("Settlement Administrator").

12. Within fourteen (14) calendar days of the date of entry of this Order, Defendant will provide the Settlement Administrator with the following information about each Class Member: full name, last known mailing address, Social Security number, and number of Workweeks and Pay Periods (or sufficient information for the Settlement Administrator to calculate and/or verify the number of such Workweeks and Pay Periods) (collectively referred to as the "Class List") in conformity with the Settlement Agreement. The Class List, including any Social Security numbers, shall be treated as confidential information and used solely for purposes of settlement administration and notice in this action. The Settlement Administrator shall implement reasonable administrative, technical, and physical safeguards to protect the confidentiality and security of the Class List, shall not disclose Class Member information to any person or entity except as necessary to perform its duties under the Settlement Agreement, and shall not provide Class Member identifying information to Class Counsel, except as required by the Settlement Agreement.

13. The Court approves, both as to form and content, the Notice of Class Action Settlement ("Class Notice") attached hereto as **Exhibit 1**. The Class Notice shall be provided to Class Members in the manner set forth in the Settlement Agreement. The Court finds that the Class Notice appears to fully and accurately inform the Class Members of all material elements of the Settlement, of Class Members' right to be excluded from the Class Settlement by submitting a Request for Exclusion, of Class Members' right to dispute the Workweeks and/or Pay Periods credited to each of them by submitting a Dispute, and of each Settlement Class Member's right and opportunity to object to the Class Settlement by submitting a Notice of Objection to the Settlement Administrator. The Court further finds that distribution of the Class Notice substantially in the manner and form set forth in the Settlement Agreement and this Order, and that all other dates set forth in the Settlement Agreement and this Order, meet the requirements of due process and shall constitute due and sufficient notice to

all persons entitled thereto. The form and method of giving notice complies fully with the requirements of California Code of Civil Procedure section 382, California Civil Code section 1781, California Rules of Court 3.766 and 3.769, and the California and United States Constitutions. The Court further orders the Settlement Administrator to mail the Class Notice in English and Spanish by First-Class U.S. Mail to all Class Members within ten (10) business days of receipt of the Class List, pursuant to the terms set forth in the Settlement Agreement. Concurrently with mailing the Class Notice, the Settlement Administrator will post a copy of the Class Notice on its website at least until the date of the Final Approval Hearing.

14. The Settlement Administrator will establish, maintain, and use an internet website to post information of interest to Class Members including, the date, time, and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval Order, the Class Notice, the Motion for Final Approval, and the Final Approval Order and Judgment.

15. The Court hereby preliminarily approves the proposed procedure, set forth in the Settlement Agreement, for seeking exclusion from the Class Settlement. Any Class Member may choose to be excluded from the Class Settlement by submitting a Request for Exclusion in conformity with the requirements set forth in the Class Notice, to the Settlement Administrator, postmarked on or before the date that is forty-five (45) calendar days from the initial mailing of the Class Notice by the Settlement Administrator to Class Members ("Response Deadline"), or, in the case of a re-mailed Class Notice, the Response Deadline shall be extended fifteen (15) calendar days from the original Response Deadline. Any such person who timely and validly chooses to opt out of, and be excluded from, the Class Settlement will not be entitled to any recovery under the Class Settlement and will not be bound by the Class Settlement or have any right to object, appeal, or comment thereon. Nevertheless, all PAGA Employees will be bound by the PAGA Settlement and issued their Individual PAGA Payment, irrespective of whether they submit a Request for Exclusion. Class Members who do not submit a timely and valid Request for Exclusion (i.e., Settlement Class Members) shall be bound by the Settlement Agreement and any final judgment based thereon.

16. A Final Approval Hearing shall be held before this Court on August 20, 2026 at 8:30 a.m./~~p.m.~~ in Department H of the Kern County Superior Court, located at 1215 Truxtun Avenue, Bakersfield, California 93301, to determine all necessary matters concerning the Settlement, including: whether the proposed settlement of the action on the terms and conditions provided for in the Settlement is fair, adequate, and reasonable and should be finally approved by the Court; whether a judgment, as provided in the Settlement, should be entered herein; whether the plan of allocation contained in the Settlement should be approved as fair, adequate, and reasonable to the Class Members and PAGA Employees; and determine whether to approve the requests for the Attorneys' Fees and Costs, Enhancement Payments, Settlement Administration Costs, and allocation for the PAGA Amount.

17. Class Counsel shall file a motion for final approval of the Settlement and for Attorneys' Fees and Costs, Enhancement Payments, and Settlement Administration Costs, along with the appropriate declarations and supporting evidence, including the Settlement Administrator's declaration, by July 27, 2026, to be heard at the Final Approval Hearing.

18. To object to the Class Settlement, a Settlement Class Member must submit their Notice of Objection to the Settlement Administrator on or before the Response Deadline. The Notice of Objection must be signed and must contain the information that is required, as set forth in the Class Notice, including and not limited to the grounds for the objection. Settlement Class Members, individually or through counsel, may also present their objection orally at the Final Approval Hearing, regardless of whether they have submitted a Notice of Objection.

19. In the event the Settlement does not become effective in accordance with the terms of the Settlement Agreement, or the Settlement is not finally approved, or is terminated, canceled, or fails to become effective for any reason, this Order shall be rendered null and void, shall be vacated, and the parties shall revert back to their respective positions as of before entering into the Settlement Agreement. The fact that the Court certified the Class for settlement purposes shall not be admissible in any forum or proceeding or have any bearing on the issue of whether any class should be certified in a non-settlement context.

20. The Court reserves the right to adjourn or continue the date of the Final Approval Hearing and any dates provided for in the Settlement Agreement without further notice to the Class Members and retains jurisdiction to consider all further applications arising out of or connected with the Settlement.

21. The Court further orders that, pending further order of this Court, all proceedings in this lawsuit, except those contemplated herein and in the settlement, are stayed.

IT IS SO ORDERED.

Jossue Morentin and Keileon Hodge v. Andros Engineering Corporation
Superior Court of California for the County of Kern, Case No. BCV-25-101034

PLEASE READ THIS CLASS NOTICE CAREFULLY.

You have received this Class Notice because Defendant's records indicate that you may be eligible to take part in the class action settlement reached in the above-referenced case.

You do not need to take any action to receive a settlement payment.

This Class Notice is designed to advise you of your rights and options with respect to the settlement, and how you can request to be excluded from the Class Settlement, object to the Class Settlement, and/or dispute the number of Workweeks and/or Pay Periods that you are credited with, if you so choose.

YOU ARE NOTIFIED THAT: A class and representative action settlement has been reached between Plaintiffs Jossue Morentin and Keileon Hodge (together, "Plaintiffs") and Defendant Andros Engineering Corporation ("Defendant") (Plaintiffs and Defendant are collectively referred to as the "Parties") in the case entitled *Jossue Morentin and Keileon Hodge v. Andros Engineering Corporation*, Kern County Superior Court, Case No. BCV-25-101034 ("Action"), which may affect your legal rights. On [date of Preliminary Approval], the Court granted preliminary approval of the settlement and scheduled a hearing on [hearing date] at [hearing time] ("Final Approval Hearing") to determine whether or not the Court should grant final approval of the settlement.

II. BACKGROUND OF THE ACTION

On March 21, 2025, Plaintiff Morentin commenced a putative class action lawsuit by filing a Class Action Complaint in the Action. On April 25, 2025, Plaintiff Morentin filed a First Amended Class Action Complaint in the Action. On July 29, 2025, Plaintiff Hodge provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant of the specific provisions of the California Labor Code that Plaintiff Hodge contends were violated ("PAGA Letter"). On _____, Plaintiffs filed a Second Amended Class and Representative Action Complaint ("Operative Complaint") in the Action.

Plaintiffs contend that Defendant failed to properly pay minimum and overtime wages, provide compliant meal and rest breaks and associated premiums, timely pay wages during employment and upon termination of employment and associated waiting-time penalties, provide accurate wage statements, and reimburse business expenses, and thereby engaged in unfair business practices in violation of the California Business and Professions Code section 17200, *et seq*., and conduct that gives rise to penalties under the Private Attorneys General Act of 2004 pursuant to California Labor Code Section 2698, *et seq*. ("PAGA"). Plaintiffs seek, among other things, recovery of unpaid wages and meal and rest period premiums, unreimbursed business expenses, restitution, penalties, interest, and attorneys' fees and costs.

Defendant denies all of the allegations in the Action or that it violated any law.

The Parties participated in mediation with a respected class action mediator, and as a result, the Parties reached a settlement. The Parties have since entered into a Joint Stipulation of Class Action and PAGA Settlement ("Settlement" or "Settlement Agreement").

On [Date of Preliminary Approval], the Court entered an order preliminarily approving the Settlement. The Court has appointed _____ as the administrator of the Settlement ("Settlement Administrator"), Plaintiffs Jossue Morentin and Keileon Hodge as representatives of the Class ("Class Representatives"), and the following Plaintiffs' attorneys as counsel for the Class ("Class Counsel"): The address for the Parties' counsel are as follows:

If you are a Class Member, you need not take any action to receive an Individual Settlement Payment, but you have the opportunity to request exclusion from the Class Settlement (in which case you will not receive an Individual Settlement Payment), object to the Class Settlement, and/or dispute the Workweeks and/or Pay Periods credited to you, if you so choose, as explained more fully in Sections III and IV below. If you are a PAGA Employee, you do not need to take any action to receive an Individual PAGA Payment; you will not have the opportunity to object or seek exclusion from the PAGA Settlement and all PAGA Employees will be bound to the PAGA Settlement if the Court grants final approval of the Settlement.

The Settlement represents a compromise and settlement of highly disputed claims. Nothing in the Settlement is intended or will be construed as an admission by Defendant that the claims in the Action have merit or that Defendant has any liability to Plaintiffs, Class Members, or PAGA Employees. Plaintiffs and Defendant, and their respective counsel, have concluded and agree that, in light of the risks and uncertainties to each side of continued litigation, the Settlement is fair, reasonable, and adequate, and is in the best interests of the Class Members, the State of California, and PAGA Employees.

III. SUMMARY OF THE PROPOSED SETTLEMENT

A. Settlement Formula

The total gross settlement amount is Four Hundred Fifty Thousand Dollars and Zero Cents ($450,000.00) (the "Gross Settlement Amount"). The portion of the Gross Settlement Amount that is available for payment to Class Members is

referred to as the "Net Settlement Amount." The Net Settlement Amount will be the Gross Settlement Amount less the following payments which are subject to approval by the Court: (1) attorneys' fees, in an amount not to exceed thirty-five percent (35%) of the Gross Settlement Amount (i.e., $157,500.00), and reimbursement of litigation costs and expenses, in an amount not to exceed Twenty-Five Thousand Dollars and Zero Cents ($25,000.00) to Class Counsel; (2) Enhancement Payments in amounts not to exceed Seven Thousand Five Hundred Dollars and Zero Cents ($7,500.00) each to Plaintiffs (total, $15,000.00) for their services in the Action; (3) the amount of Twenty-Two Thousand Five Hundred Dollars and Zero Cents ($22,500.00) allocated toward civil penalties under the Private Attorneys General Act ("PAGA Amount"), of which the LWDA will be paid 65% ($14,625.00) ("LWDA Payment") and the remaining 35% ($7,875.00) will be distributed to PAGA Employees ("PAGA Employee Amount"); and (4) Settlement Administration Costs in an amount not to exceed Six Thousand Nine Hundred and Ninety Dollars and Zero Cents ($6,990.00) to the Settlement Administrator.

Class Members are eligible to receive payment under the Class Settlement of their *pro rata* share of the Net Settlement Amount ("Individual Settlement Share") based on the number of weeks each Class Member worked for Defendant as an hourly-paid and/or non-exempt employee in California during the Class Period ("Workweeks"). The Settlement Administrator has divided the Net Settlement Amount by the Workweeks of all Class Members to yield the "Estimated Workweek Value," and multiplied each Class Member's individual Workweeks by the Estimated Workweek Value to yield an estimated Individual Settlement Share that each Class Member may be entitled to receive under the Class Settlement (which is listed in Section III.C below). Class Members who do not submit a timely and valid Request for Exclusion ("Settlement Class Members") will be issued their final Individual Settlement Payment.

Each Individual Settlement Share will be allocated as ten percent (10%) as wages, which will be reported on an IRS Form W-2, and ninety percent (90%) as penalties, interest, and non-wage damages, which will be reported on an IRS Form 1099 (if applicable). Each Individual Settlement Share will be subject to reduction for the employee's share of payroll taxes and withholdings with respect to the wages portion of the Individual Settlement Shares resulting in a net payment to the Settlement Class Member ("Individual Settlement Payment"). The employer's share of taxes and contributions in connection with the wages portion of Individual Settlement Shares ("Employer Taxes") will be paid by Defendant separately and in addition to the Gross Settlement Amount.

PAGA Employees are eligible to receive payment under the PAGA Settlement of their *pro rata* share of the PAGA Employee Amount ("Individual PAGA Payment") based on the number of pay periods each PAGA Employee worked for Defendant as an hourly-paid and/or non-exempt employee in California during the PAGA Period ("Pay Periods"). The Settlement Administrator had divided the PAGA Employee Amount, i.e., 35% of the PAGA Amount, by the Pay Periods of all PAGA Employees to yield the "PAGA Pay Period Value," and multiplied each PAGA Employee's individual Pay Periods by the Pay Period Value to yield each PAGA Employee's Individual PAGA Payment.

Each Individual PAGA Payment will be allocated as one hundred percent (100%) penalties, will not be subject to taxes or withholdings, and will be reported on IRS Form 1099 (if applicable).

If the Court grants final approval of the Settlement, Individual Settlement Payments will be mailed to Settlement Class Members and Individual PAGA Payments will be mailed to PAGA Employees at the address that is on file with the Settlement Administrator. **If the address to which this Class Notice was mailed is not correct, or if you move after you receive this Class Notice, you must provide your correct mailing address to the Settlement Administrator as soon as possible to ensure you receive any payment that you may be entitled to under the Settlement.**

B. Your Workweeks and Pay Periods (if applicable) Based on Defendant's Records

According to Defendant's records:

- **From March 21, 2021 through February 6, 2026 (i.e., the Class Period), you are credited as having worked [_____] Workweeks.**
- **From May 25, 2024 through February 6, 2026 (i.e., the PAGA Period), you are credited as having worked [_____] Pay Periods.**

If you wish to dispute the Workweeks and/or Pay Periods credited to you, you must submit your dispute in writing to the Settlement Administrator ("Dispute"). The Dispute must: (a) contain the case name and number of the Action (*Morentin and Hodge v. Andros Engineering Corporation*, Case No. BCV-25-101034); (b) contain your full name, signature, address,

telephone number, and the last four (4) digits of your Social Security number; (c) clearly state that you dispute the number of Workweeks and/or Pay Periods credited to you and what you contend is the correct number; and (d) be returned by mail to the Settlement Administrator at the specified address listed in Section IV.B below, postmarked **on or before [Response Deadline]**.

C. Your Estimated Individual Settlement Share and Individual PAGA Payment (if applicable)

As explained above, your estimated Individual Settlement Share and Individual PAGA Payment (if applicable) is based on the number of Workweeks and Pay Periods (if applicable) credited to you.

Under the terms of the Settlement, your Individual Settlement Share is estimated to be $_____. The Individual Settlement Share is subject to reduction for the employee's share of taxes and withholdings with respect to the wages portion of the Individual Settlement Share and will only be distributed if the Court approves the Settlement and after the Settlement goes into effect.

Under the terms of the Settlement, your Individual PAGA Payment is estimated to be $_____ and will only be distributed if the Court approves the Settlement and after the Settlement goes into effect.

The settlement approval process may take multiple months. Your Individual Settlement Share and Individual PAGA Payment (if applicable) reflected in this Class Notice is only an estimate. Your actual Individual Settlement Payment and Individual PAGA Payment (if applicable) may be higher or lower.

D. Release of Claims

Upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs and all Settlement Class Members will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released Class Claims.

Upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs, the State of California with respect to all PAGA Employees, and all PAGA Employees will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released PAGA Claims.

"Released Class Claims" means any and all claims which were alleged or which could have been reasonably alleged based on the factual allegations in the Operative Complaint, arising during the Class Period, which shall specifically include, but are not limited to, claims for Defendant's alleged failure to pay overtime and minimum wages, provide compliant meal and rest periods and associated premium payments, timely pay all wages during employment and upon termination, provide accurate wage statements, and reimburse necessary business-related expenses in violation of California Labor Code Sections 201, 202, 203, 204, 210, 226, 226.7, 510, 512, 1174, 1194, 1194.2, 1197, 1197.1, 1198, 2800, and 2802, the applicable Industrial Welfare Commission Wage Order, and California Business and Professions Code sections 17200, *et seq*.

"Released PAGA Claims" means any and all claims arising from any of the factual allegations in the PAGA Letter and the Operative Complaint, arising during the PAGA Period, for civil penalties under the Private Attorneys General Act of 2004, California Labor Code Sections 2698 *et seq*., which shall specifically include claims for Defendant's alleged failure to pay overtime and minimum wages, provide compliant meal and rest periods and associated premium payments, timely pay all wages during employment and upon termination, provide compliant wage statements, maintain complete and accurate payroll records, and reimburse necessary business-related expenses in violation of California Labor Code Sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 510, 512, 558, 1174, 1174.5, 1194, 1194.2, 1197, 1197.1, 1198, 1198.5, 1199, 2800, and 2802, and the applicable Industrial Welfare Commission Wage Order.

"Released Parties" means Defendant and its current, future, and former parents, joint ventures, and affiliated corporations and partnerships; their officers, directors, members, insurers, shareholders, subsidiaries, affiliates, predecessors, successors, owners, managers, partners, customers, employees, agents, attorneys, assigns, and any other individuals, entities, successors, assigns or legal representatives who could be liable for any of the Released Class Claims and Released PAGA Claims.

E. Attorneys' Fees and Costs to Class Counsel

Class Counsel will seek attorneys' fees in an amount not to exceed thirty-five percent (35%) of the Gross Settlement Amount (i.e., $157,500.00) and reimbursement of litigation costs and expenses in an amount not to exceed Twenty-Five Thousand Dollars and Zero Cents ($25,000.00) (collectively, "Attorneys' Fees and Costs"), subject to approval by the Court. The Attorneys' Fees and Costs granted by the Court will be paid from the Gross Settlement Amount. Class Counsel has been prosecuting the Action on behalf of Plaintiffs, Class Members, and PAGA Employees on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses.

F. Enhancement Payments to Plaintiffs

Plaintiffs will seek the amount of Seven Thousand Five Hundred Dollars and Zero Cents ($7,500.00) each (total, $15,000.00) ("Enhancement Payments"), in recognition of their services in connection with the Action. The Enhancement Payments will be paid from the Gross Settlement Amount, subject to approval by the Court, and if awarded, will be paid to Plaintiffs in addition to any other payments that they are entitled to under the Settlement.

G. Settlement Administration Costs to Settlement Administrator

Payment to the Settlement Administrator is estimated not to exceed Six Thousand Nine Hundred Ninety Dollars and Zero Cents ($6,990.00) ("Settlement Administration Costs") for the costs of the notice and settlement administration process, including and not limited to, the expense of notifying the Class Members of the Settlement, processing Requests for Exclusion, Notices of Objection, and Disputes, calculating Individual Settlement Shares, Individual Settlement Payments, and Individual PAGA Payments, and distributing payments and tax forms under the Settlement, and shall be paid from the Gross Settlement Amount, subject to approval by the Court.

IV. WHAT ARE YOUR RIGHTS AND OPTIONS AS A CLASS MEMBER?

A. Participate in the Settlement

If you want to participate in the Class Settlement and receive money from the Class Settlement, you do not have to do anything. You will automatically be included in the Class Settlement and issued your Individual Settlement Payment unless you decide to exclude yourself from the Class Settlement.

Unless you elect to exclude yourself from the Class Settlement and if the Court grants final approval of the Settlement, you will be bound by the terms of the Class Settlement and any judgment that may be entered by the Court based thereon, and you will release the Released Class Claims against the Released Parties as described in Section III.D above.

If you are a PAGA Employee and the Court grants final approval of the Settlement, you will automatically be included in the PAGA Settlement and issued your Individual PAGA Payment. This means you will be bound by the terms of the PAGA Settlement and any judgment that may be entered by the Court based thereon, and you will release the Released PAGA Claims against the Released Parties as described in Section III.D above.

As a Class Member and PAGA Employee (if applicable), you will not be separately responsible for the payment of attorney's fees or litigation costs and expenses, unless you retain your own counsel, in which event you will be responsible for your own attorney's fees and expenses.

B. Request Exclusion from the Class Settlement

Class Members may request to be excluded from the Class Settlement by submitting a letter ("Request for Exclusion") to the Settlement Administrator, at the following address:

[Settlement Administrator]
[Mailing Address]

A Request for Exclusion must: (a) contain the case name and number of the Action (*Morentin and Hodge v. Andros Engineering Corporation*, Case No. BCV-25-101034); (b) contain your full name, signature, address, telephone number, and last four (4) digits of your Social Security number; (c) clearly state that you do not wish to be included in the Class Settlement; and (d) be returned by mail to the Settlement Administrator at the specified address above, postmarked **on or before [Response Deadline]**.

If the Court grants final approval of the Settlement, any Class Member who submits a timely and valid Request for Exclusion will not be issued an Individual Settlement Payment, will not be bound by the Class Settlement (and the release of Released Class Claims described in Section III.D above), and will not have any right to object to, appeal, or comment on the Class Settlement. Class Members who do not submit a timely and valid Request for Exclusion will be deemed Settlement Class Members and will be bound by all terms of the Class Settlement, including those pertaining to the release of claims described in Section III.D above, as well as any judgment that may be entered by the Court based thereon. PAGA Employees will be bound to the PAGA Settlement (and the release of Released PAGA Claims described in Section III.D above) and will still be issued an Individual PAGA Payment, irrespective of whether they submit a Request for Exclusion.

C. Object to the Class Settlement

You can object to the Class Settlement as long as you have not submitted a Request for Exclusion by submitting a written objection ("Notice of Objection") to the Settlement Administrator.

The Notice of Objection must: (a) contain the case name and number of the Action (*Morentin and Hodge v. Andros Engineering Corporation*, Case No. BCV-25-101034); (b) contain your full name, signature, address, telephone number, and the last four (4) digits of your Social Security number; (c) contain a written statement of all grounds for the objection accompanied by any legal support for such objection; (d) contain copies of any papers, briefs, or other documents upon which the objection is based; and (e) be returned by mail to the Settlement Administrator at the specified address listed in Section IV.B above, postmarked **on or before [Response Deadline]**.

You may also appear at the Final Approval Hearing and present your objection orally, regardless of whether you have submitted a Notice of Objection.

The Court also will be asked to approve and grant the Attorneys' Fees and Costs to Class Counsel, Enhancement Payments to Plaintiffs, and Settlement Administration Costs to the Settlement Administrator.

The Final Approval Hearing may be continued without further notice to the Class Members and PAGA Employees. It is not necessary for you to appear at the Final Approval Hearing, although you may appear if you wish to.
