DECLARATION OF SCOTT M. LIDMAN IN SUPPORT OF MOTION FOR PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT [Vol. 1]

Date: April 29, 2026
Time: 8:30 a.m.
Dept.: SSC-9

I, SCOTT M. LIDMAN, declare as follows:

1. I am a shareholder and principal of the law firm Lidman Law, APC, and counsel for the named Plaintiffs Marlon Perez and Berenice Quiroz ("Plaintiffs") and the proposed Settlement Class in the above-captioned matter. I am a member in good standing of the bar of the State of California and am admitted to practice in this Court. I have personal knowledge of the facts stated in this declaration and could testify competently to them if called upon to do so.

2. I am a 1998 graduate of Santa Clara University School of Law, where I graduated *summa cum laude*. During law school, I worked as a summer associate for the international employment law firm of Littler Mendelson, P.C., located in Los Angeles, California.

3. Since graduating from law school, my practice has focused exclusively on employment litigation. In September 1998, I began working as an associate attorney at the international law firm of Littler Mendelson P.C., at its Los Angeles office, which according to its website is the largest law firm in the world exclusively devoted to representing management in employment, employee benefits and labor law matters.

4. In 2000, I left Littler Mendelson to work at the Los Angeles office of Jones Day, which was at the time one of the largest international firms in the world. During my employment at Jones Day, I worked exclusively in the labor and employment department. In or around 2003, I went to work at the law firm of Loeb & Loeb, again working exclusively in the Labor & Employment department. In 2008, I returned to Littler Mendelson, was promoted to Shareholder in 2009, and from 2008 until the end of 2017, I practiced exclusively labor and employment law, with a strong emphasis and most of my time working on wage and hour class actions venued in both state and federal courts. During that time and my legal career in general, I also worked on a number of single and multi-plaintiff wage and hour matters as well.

5. During my employment at Littler Mendelson, I played a significant role in the class actions that I was staffed on, and ran many on my own both as an Of Counsel and as a Shareholder. In particular, I received a wide-array of wage and hour class action experience performing the following types of tasks: drafting demurrers, motions to strike and/or dismiss;

removing actions from state court to federal court; drafting and responding to written discovery; drafting and opposing discovery related motions; arguing discovery related motions; drafting motions to consolidate related matters; interviewing putative class members and obtaining declarations in connection with class certification; drafting oppositions to motions for class certification; drafting motions for decertification following class certification; conducting exposure analyses to assess the strengths and weaknesses of asserted claims, the likelihood of prevailing at class certification and potential damages resulting from such claims; drafting mediation briefs; serving as the primary contact to in-house counsel; deposing named plaintiffs and putative class members; deposing retained expert witnesses; and defending the depositions of corporate witnesses. I also was involved in the negotiations and settlements of many large wage and hour class actions. In short, I played an integral role in all aspects of litigation from the inception of a matter through and beyond class certification. I also supervised the work of several junior attorneys who were staffed on the same wage and hour class actions.

6. Although not exhaustive, below is a list of many of the wage and hour class and PAGA actions that I performed substantial work on while I was a shareholder at Littler Mendelson:

7. In January 2018, I voluntarily resigned from Littler Mendelson in order to open my own law firm, Lidman Law, APC, to represent employees with work-related claims, including primarily wage and hour claims and almost exclusively on a class-action basis. I am the President and Shareholder of Lidman Law. Currently, over ninety percent (90%) of my practice is dedicated exclusively to the prosecution of wage and hour class actions, and I am currently responsible for prosecuting over sixty-five (65) wage and hour class actions filed in State courts throughout California, with several of them having been removed to Federal courts. I believe that my professional experience renders me more than qualified to serve as class counsel in this lawsuit involving claims of underpaid overtime and minimum wages, meal and rest period violations, and derivative penalty claims. Not only have I litigated dozens of wage and hour cases throughout my career involving similar claims, including the wage and hour class actions identified above, I have litigated similar claims from both plaintiff and defense perspectives. As a result, I am able to realistically assess and evaluate the facts and legal arguments that can be

made in pursuit and defense of similar wage and hour claims, as well as those facts and arguments in support and in opposition to class certification. Consequently, I am able to appreciate the significant risks, uncertainties, and delay involved in wage and hour class action litigation.

8. I have been appointed Class Counsel in: *Guardado v. Wesley Allen, Inc*., Case No. BC683027, California Superior Court, County of Los Angeles, Honorable Judge Carolyn B. Kuhl presiding; *Rodriguez v. Satco, Inc*., Case No. BC682137, California Superior Court, County of Los Angeles, Honorable Judge Ann I. Jones presiding; *Ong v. Howard's Appliances, Inc*., Case No. 30-2017-00964213-CU-OE-CXC, California Superior Court, County of Orange, Honorable Judge William Claster presiding; *Hanke v. C&W Facility Services, Inc*., Case No. CIVDS1814412, California Superior Court, County of San Bernardino, Honorable Judge David Cohn presiding; *Molina v. Mader News, Inc*., Case No. BC685960, California Superior Court, County of Los Angeles, Honorable Judge Yvette M. Palazuelos presiding; *Alvarez v. Salamander Fire Protection, Inc*., Case No. BC688326, California Superior Court, County of Los Angeles, Honorable Judge William F. Highberger presiding; *Rodriguez v. H.F. 9. As co-lead counsel for Plaintiffs and the proposed Settlement Class, I have been intimately involved in every aspect of this case from its inception through the present, and I believe that the proposed Settlement is a favorable result for the Settlement Class Members under the circumstances presented.

10. Defendant is a hospitality parking management company. On March 6, 2025, Plaintiff Marlon Perez commenced this Action by filing a Complaint alleging causes of action against Defendant for (i) failure to pay all minimum wages owed; (ii) failure to pay all overtime wages owed; (iii) failure to provide meal periods; (iv) failure to authorize and permit rest periods; (v) failure to provide accurate, itemized wage statements; (vi) failure to pay sick pay wages at the correct rate of pay; (vii) failure to indemnify all necessary business expenditures; and (viii) unfair competition. Pursuant to Labor Code section 2699.3, subd.(a), on March 6, 2025, Plaintiff Marlon Perez gave timely written notice to Defendant and the LWDA by sending the PAGA Notice. A true and correct copy of Plaintiff's LWDA letter is attached hereto as **Exhibit 1**. On May 13, 2025, Plaintiff filed a Representative PAGA Action Complaint. The Court has ordered the two actions related. On March 11, 2026, pursuant to the instant settlement, and the Parties' joint stipulation, Plaintiff Perez filed a First Amended Complaint adding Plaintiff Quiroz as a named

Plaintiff and adding the PAGA claim. *Id*. Thus, Plaintiffs' primary claims/allegations are that Defendant: (1) failed to pay all minimum wages owed; (2) failed to pay all overtime wages owed; (3) failed to provide meal periods; (4) failed to authorize and permit rest periods; (5) failed to provide accurate, itemized wage statements; (6) failed to indemnify all necessary business expenditures; (7) is subject to waiting time penalties; (8) engaged in unfair competition; and (9) is liable for civil penalties under the Labor Code Private Attorneys General Act of 2004 ("PAGA").

11. In advance of mediation, Defendant produced timekeeping and payroll data for a 20% sampling of the putative class, as well as its wage and hour policies and other relevant documents and information relevant to the claims alleged. Accordingly, a sample of this group is representative of the entire Settlement Class and is statistically significant and reliable for purposes of evaluating a potential settlement.

Defendant also provided Plaintiffs the necessary metrics, including without limitation, class size for the relevant time periods. The key data points coupled with the data enabled Plaintiffs to extrapolate for the entire relevant time period and aided in Plaintiffs' creation of a class-wide exposure model for all the claims at issue, including unpaid wages, meal and rest period premiums, and penalties potentially owed for alleged unpaid overtime wages, and meal and rest period violations.

After the detailed review of the data and documents produced by Defendant, Class Counsel drew on their extensive experience in similar cases to assess the strengths and weaknesses of Plaintiffs' case. This discovery allowed the parties to assess the merits and value of Plaintiffs' claims and Defendant's defenses.

12. On October 15, 2025, a mediation was held with Kevin Barnes, an experienced and well-respected wage and hour class action mediator. Lidman Decl., ¶ 12. During mediation, the parties vigorously debated their opposing legal positions, the likelihood of certification of Plaintiffs' claims, and the legal basis for the claims and defenses. *Id*. Ultimately, the parties agreed on a class-wide resolution. *Id*. In the weeks that followed, the parties finalized the terms of settlement and executed the Class Action and PAGA Settlement Agreement and Class Notice ("Settlement"). A true and correct copy of the Settlement is attached hereto as **Exhibit 2**. The

proposed Notice of Class Action and Proposed Settlement is attached as Exhibit A to the Settlement. A true and correct copy of a redlined comparison of the LASC's model agreement with the Settlement in this matter is attached hereto as **Exhibit 3**.

13. If the Court approves this Settlement, Defendant will pay a Gross Settlement Amount ("GSA") of $750,000.00.[6] , this Settlement is **non-reversionary**, and no Settlement Class member will have to submit a claim form to receive a Settlement Award. *Id*. Each Settlement Class member will automatically receive a Settlement Award unless he or she affirmatively opts out of the Settlement. The monetary terms of the Settlement are summarized below:

The monetary terms of the Settlement are summarized below:

Gross Settlement Amount ("GSA"):	**$750,000.00**
Minus Court-approved attorneys' fees (update to 1/3 of GSA):	$250,000.00
Minus Court-approved, verified costs (up to $30,000.00):	$30,000.00
Minus Court-approved Class Representative Service Awards:	$15,000.00
Minus Settlement Administration Costs:	$16,500.00
Minus PAGA Penalties:	$50,000.00
Net Settlement Amount ("NSA"):	**$388,500.00**
Settlement Class Members:	1,142
Average Individual Payment:	**$340.19**

[6] Based on its records, Defendant estimates that there are approximately 1,142 Class Members who worked a total of 75,306 Workweeks during the Class Period. If the actual number of Workweeks worked during the Class Period is more than 10 percent greater that this figure (i.e., there are 82,837 or more Workweeks worked by the Class Members), Defendant shall have the sole option to: (i) cut off the Class Period, PAGA Period, and release periods on the date on which the aggregate workweeks is closest to, without exceeding, 82,837 Workweeks worked by the Class Members; or (ii) increase the Gross Settlement Amount on a proportional percentage basis (*i.e.*, if there was a 11% increase in the number workweeks during the Class Period, Defendant would agree to increase the Gross Settlement Amount by 1%). Settlement, ¶ 9.

Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than 14 days after the Effective Date. *See* Settlement, ¶ 5.3.

After deducting amounts for the Court-approved attorneys' fees and verified costs, Class Representative Service Payments to Plaintiffs, Settlement Administrator costs, and the PAGA Penalties, the Settlement results in a Net Settlement Amount ("NSA") of at least $388,500.00 to be paid out to all Settlement Class Members who do not timely opt out.

14. According to Defendant, there are approximately 1,142 total Settlement Class Members defined as:

> All individuals whom Defendant Kuhns Enterprises, Inc. dba Brand Enhance Parking & Hospitality classified as non-exempt employees and who worked for Defendant in California at any time during the Class Period.
>
> The "Class Period" means the period of time starting on March 6, 2021 and ending on February 8, 2026.

The proposed Aggrieved Employees are defined as "individuals whom Defendant Kuhns Enterprises, Inc. dba Brand Enhance Parking & Hospitality classified as non-exempt employees and who worked for Defendant in California at any time during the PAGA Period." Settlement, ¶ 1.4. For purposes of this Settlement Agreement, the "PAGA Period" means the period of time starting on March 6, 2024 and ending on February 8, 2026. Settlement, ¶ 1.31.

15. Plaintiffs allege Class Members' claims arise from Defendant's common, uniform policies and practices that applied to Class Members during the class period. Specifically, Plaintiffs alleged that Defendant's common and uniform policies and practices resulted in the following violations: (1) failure to pay all minimum wages owed; (2) failure to pay all overtime wages owed; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to provide accurate, itemized wage statements; (6) failure to reimburse necessary business expenses; (7) waiting time penalties; (8) unfair competition; and (9) liability for civil penalties under the PAGA. *Id*. As a result of the common and uniform

policies and practices that applied to all Class Members, their claims involve common questions of law and fact as to whether in fact Defendant committed these alleged violations.

16. As described in the accompanying Motion for Preliminary Approval, Plaintiffs allege that Defendant did not pay them for all time worked. Specifically, Plaintiffs allege that Defendant required its non-exempt employees to perform work duties while clocked out during meal periods. Further, Plaintiffs allege that Defendant failed to properly pay the regular rate of pay for purposes of overtime. Defendant paid Plaintiff and non-exempt employees graveyard shift pay and other forms of pay not properly excludable as a matter of law when calculating the regular rate of pay, but failed to include this form of pay when calculating the regular rate of pay for purposes of overtime. Accordingly, based on 5 minutes of unpaid time per shift and the miscalculation of regular rate, Plaintiffs calculated a total wage underpayment of approximately $421,194.

17. Defendant contends that it properly calculated and paid Class Members all overtime wages. Defendant further asserts that Plaintiff would be unable to certify an unpaid wages class given the individualized inquiries that would be required. Additionally, Defendant contends a number of putative class members signed arbitration agreements. In light of these defenses, Plaintiff discounted the maximum exposure by 55% for the risk of non-certification, and an additional 65% to account for Defendant's defenses on the merits, to arrive at an estimated exposure of $66,338.06.

18. Plaintiffs allege that they and the Class Members were not provided with all legally-compliant first meal periods beginning before the end of the fifth hour of work. Specifically, Plaintiff alleges that due to the location of the designated lunch area and Defendant's requirement that Plaintiffs be back at their workstation ready to work exactly 30 minutes after lunch began, their meal periods were often late and/or short and in violation of California law. Moreover, Defendant required employees to be available via cellular phone and/or walkie talkie resulting in non-duty free meal periods. As such, Plaintiffs calculated Defendant's maximum exposure for the meal period claim at $1,148,684.

19. Defendant counters that it has always maintained a lawful meal period policy and provided non-exempt employees with an opportunity to take legally compliant meal periods, and any non-compliant meal periods reflected in employee timekeeping records were solely the result of employee choice, rather than any policy or practice of Defendant. Defendant points out that it is only required to "provide" the opportunity to take meal periods, not "ensure" meal periods are taken, and that it has always done so. Finally, Defendant contends Plaintiffs' meal period claim is not suited for class certification given arbitration agreements and given that individual inquiries would be required to assess which employees took non-compliant meal periods, how many meal periods were non-compliant or missed, and the reasons why a particular employee took a non-compliant meal period or missed a meal period during a particular shift. Accordingly, Plaintiff discounted the maximum exposure by 55% for the risk of non-certification, and an additional 60% to account for Defendant's defenses on the merits to arrive at an estimated exposure of $206,763.12.

20. Plaintiffs allege that they and Class Members were also not authorized and permitted to take all required rest periods due to Defendant's rest period policies and practices. Specifically, Plaintiffs alleges that due to work demands, non-exempt employees were not authorized and permitted to take duty-free net 10-minute rest periods when they worked shifts in excess of 3.5 hours and had to remain on the work premises. Plaintiffs allege that they and other non-exempt employees experienced at least one rest period violation on every shift worked in excess of 3.5 hours. Thus, at a 100 percent violation rate on all shifts worked during the relevant time period, Plaintiff calculated Defendant's exposure at $5,613,628.

21. Defendant contends it has always maintained and enforced lawful rest period policies and practices, and that Class Members were authorized and permitted to take all off-duty rest periods in compliance with California law. Defendant also argues that Plaintiffs' rest period claim is inherently unsuited for class treatment as it requires an individualized inquiry into whether each Class Member was in fact authorized and permitted to take a compliant rest period, which would devolve into an unmanageable series of mini-trials. Accordingly, Plaintiffs

discounted the maximum exposure by 70% for the risk of non-certification, and an additional 65% to account for Defendant's defenses on the merits to arrive at an estimated exposure of $589,430.94.

22. Plaintiffs further allege that Defendant issued inaccurate wage statements in violation of Labor Code § 226 as a result of the alleged unpaid overtime wages, and meal and rest period premium wages described above. Plaintiffs' data analysis reflected that there were approximately 14,000 wage statements issued during the relevant time period. Therefore, Plaintiff calculated Defendant's exposure at $1,353,600.

23. Defendant argues that its alleged wage statement violations could not be shown to be "knowing and intentional," and that Plaintiffs cannot show that they or any other employee "suffer[ed] injury" as a result of the alleged wage statement violations, as required by Lab. Code § 226(e) for imposition of penalties. As such, Plaintiffs discounted the calculated exposure by 65% for a risk of non-certification and an additional 50% for a risk of being unsuccessful on the merits, to arrive at an estimated total of $236,880.00.

24. Plaintiffs alleges that Defendant failed to reimburse them and Settlement Class Members for all necessary business expenses incurred. Specifically, Defendant required Plaintiff and Settlement Class Members to use their personal cellular phones, for work-related purposes but did not reimburse the Settlement Class Members for such usage. Despite knowing that Settlement Class Members had incurred necessary business expenses to communicate with team members through their own personal electronic devices Defendant failed to reimburse putative class members in violation of Labor Code § 2802 up until May 2025. Therefore, Plaintiff calculated Defendant's maximum exposure for unreimbursed business expenses at approximately $1,175,192.

25. Defendant contends that employees did not have to use their personal cellular phones to communicate with team members and would only do so at their own volition. Defendant also argues that this claim is not suitable for class treatment because it would require individualized determinations as to whether each employee used a personal cellular phone, how

often, and how much of that use was a reasonable percentage of their individual monthly expenses. As such, Plaintiffs discounted the calculated exposure by 65% for a risk of non-certification and an additional 55% for a risk of being unsuccessful on the merits, to arrive at an estimated total of $185,092.74.

26. Plaintiffs allege that Defendant is also liable for waiting time penalties under Labor Code section 203 as a result of its failure to timely pay all wages upon separation. There are approximately 621 Class Members who have separated their employment with Defendant during the relevant time period who could be entitled to waiting time penalties. Therefore, Plaintiff calculated Defendant's maximum exposure for waiting time penalties at approximately $2,250,230.

27. Defendant asserts it has strong defenses to the waiting time claim because there exist good-faith disputes as to Plaintiffs' underlying claims, precluding imposition of penalties. Accordingly, Plaintiffs discounted the maximum exposure by 65% for the risk of non-certification, and an additional 65% to account for Defendant's defenses on the merits, to arrive at an estimated exposure of $275,653.18.

28. Plaintiffs also seek civil penalties under the PAGA as a result of the foregoing alleged Labor Code violations. Plaintiffs calculated Defendant's maximum exposure at $4,981,900.

29. Defendant argues that Plaintiffs' PAGA claim will fail for the same reasons that her underlying claims will fail. Defendant also maintains that, given its good faith defenses, this Court would exercise its discretion to substantially reduce any PAGA penalties if it were to find Defendant liable for any of Plaintiffs' claims. Therefore, Plaintiffs discounted the maximum exposure figure by 55% for a risk of being unsuccessful on the merits, and an additional 65% to account for the possibility of this Court reducing penalties, to arrive at an estimated exposure of $784,649.25.

30. Using these estimated figures for each of the claims described above, Plaintiff predicted the realistic total recovery for the Settlement Class would be approximately

$2,344,807.28. The proposed settlement of $750,000.00 therefore represents approximately 32% of the reasonably forecasted recovery for the Class. Taking into account Defendant's arbitration agreements, preliminary approval is appropriate as the settlement will provide tangible monetary relief to Class Members, and will still provide an average recovery to Class Members of ***nearly $350.00.***

31. Here, Class Counsel will apply for an attorneys' fees award of one-third of the GSA, which is currently estimated to be $250,000.00, and up to $30,000.00 in verified costs reimbursement. Plaintiffs submit the requested fee is fair compensation for undertaking complex, risky, expensive, and time-consuming litigation on a purely contingent fee basis. Class Counsel has incurred substantial attorney fees conducting pre-filing investigation, analyzing Plaintiffs' claims, conducting legal research, analyzing timekeeping data and payroll records, drafting a mediation brief, preparing for and attending mediation, reviewing Defendant's financial documents, negotiating and revising the long-form Settlement, preparing this Motion, and otherwise litigating the case. Class Counsel expect to expend additional attorney time in attending the hearing on this Motion, overseeing the Notice process and fielding questions from Class Members, preparing the final approval papers and attending the Final Approval hearing.

32. Plaintiffs have provided written approval of the split of attorneys' fees in this action.

33. Plaintiffs will seek a service award of $7,500.00 each at the time of seeking final approval, and I believe this is reasonable. As will be fully briefed at the time of final approval, Plaintiffs' requested service awards are intended to recognize the time and effort Plaintiffs expended on behalf of the Settlement Class, including providing substantial factual information and documents to Class Counsel, attending multiple meetings with Class Counsel to discuss the claims and theories at issue in the litigation, as well as the significant risks Plaintiffs undertook by agreeing to serve as a named plaintiff in this case, and the fact that Plaintiffs have agreed to a general release of all claims subject to a waiver of Civil Code § 1542.

34. There are no apparent conflicts of interest between Plaintiffs and the Settlement Class they seek to represent. There are no apparent conflicts of interest between Class Counsel and the Settlement Class.

35. Although the parties engaged in informal and formal discovery throughout this action, the parties still had significant discovery to complete in formal litigation had the matter not settled. Moreover, Plaintiff still had to file for class certification and faced the prospect of appeals in the wake of a disputed class certification ruling for Plaintiff and/or an adverse summary judgment ruling. Even if the classes were certified, the parties would incur considerably more attorneys' fees and costs through a possible decertification motion, trial, and possible appeal.

36. I have directed my office to submit a copy of the instant Motion for Preliminary Approval and all supporting documents via the LWDA's website on the same date concurrently herewith and will have a supplemental declaration filed after the Motion for Preliminary Approval and all supporting documents are submitted to the LWDA.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Re: *Marlon Perez v. Kuhns Enterprises, Inc., doing business as Brand Enhance Parking & Hospitality, a California corporation*

To Whom It May Concern:

Please be advised that this law firm represents Marlon Perez in claims arising from his employment with Kuhns Enterprises, Inc., doing business as Brand Enhance Parking & Hospitality, a California corporation ("Defendant"). Mr. Perez is an "aggrieved employee" as defined by Labor Code sections 2699, *et seq*. due to Defendant's numerous violations of the Labor Code as set forth below. The purpose of this letter is to comply with Labor Code section 2699.3, which requires aggrieved employees to notify their employer and the Labor and Workforce Development Agency ("LWDA") of the specific provisions of the Labor Code allegedly violated.

For purposes of this letter, an "aggrieved employee" should be considered to include all current and former hourly, non-exempt employees in California who worked, at least in part, during the one year immediately preceding the date of this letter through the date of trial, the date judgment is entered, the date of settlement, and/or other date approved by the Court.

Mr. Perez, a current non-exempt employee, has been employed by Defendant since approximately the year 2021. During his employment with Defendant, Mr. Perez has held the position of Valet in which his duties include, without limitation, greeting drivers, parking cars, monitoring security cameras, and retrieving cars.

During his employment with Defendant, Mr. Perez is generally scheduled to work Sunday from 5:00 p.m. to 1:30 a.m., Monday from 10:00 p.m. to 6:00 a.m. and Tuesday from 5:00 p.m. to 1:30 a.m., while his scheduled work hours for the remaining days varied

from day to day. When Mr. Perez worked 10:00 p.m. to 6:00 a.m. ("Graveyard Shift"), he was the only staff member on location and was paid at an increased hourly rate. Defendant required Mr. Perez to clock in and out using an iPad by logging into an application-based timekeeping system to keep track and record his time worked. Mr. Perez often worked 8-8.5 hour shifts and at times, over 10.0 hour shifts.

During his employment with Defendant, Mr. Perez and other hourly, non-exempt employees were not paid for all time worked. Specifically, he and other hourly, non-exempt employees are required to perform work duties during meal periods and while clocked out. This practice by Defendant results in Defendant not actually tracking the time worked by Mr. Perez and other hourly, non-exempt employees, and also results in Defendant not paying them for all wages owed for the work they performed, including failing to pay them all required minimum and overtime wages.

Throughout Mr. Perez's employment with Defendant, Mr. Perez and other hourly, non-exempt employees often worked in excess of eight hours per workday and/or forty hours per workweek but did not receive proper overtime compensation equal to one and one-half times their regular rate of pay for all overtime hours worked. Specifically, Defendant paid Mr. Perez and other, hourly non-exempt employees an increased hourly rate of pay for the Graveyard Shift. This increased hourly rate was not properly excludable as a matter of law when calculating employees' regular rate of pay. Despite Defendant's payment of the increased hourly rate for Graveyard Shifts, Defendant failed to include the increased hourly rate when calculating Mr. Perez's and other hourly, non-exempt employees' regular rate of pay for purposes of overtime, thereby causing them to be underpaid for all their required overtime wages. In addition, despite Defendant's payment of increased hourly pay for Graveyard Shifts, Defendant's policies and/or procedures failed to include all forms of increased hourly pay when calculating the regular rate of pay for purposes of paying sick pay in a manner that fully complies with Labor Code § 246(l). Defendant failed to pay sick days at the regular rate of pay and unlawfully paid sick days at the straight time or base rate of pay.

During his employment with Defendant, Mr. Perez and other hourly, non-exempt employees were not provided all legally required meal periods due to Defendant's meal period policies and practices, which fail to provide 30-minute duty free first meal periods before the end of the fifth hour of work in violation of California law. Very often, Mr. Perez and other hourly, non-exempt employees were not permitted by Defendant to leave their work area during meal periods, especially when working the Graveyard Shift, and thus remained under the control of Defendant. Mr. Perez and other hourly, non-exempt employees are required to carry a walkie talkie and/or their personal cell phone during their meal periods and are often interrupted during their meal periods to perform work duties. Additionally, Defendant has a policy/practice of requiring Mr. Perez and their other non-exempt employees to be at their work areas ready to recommence work within 30 minutes of taking their lunch, despite the resting facility being approximately three (3) minutes from the work area, cutting non-exempt employees' meal periods short. As a result of the work demands imposed by Defendant and Mr. Perez and other hourly, non-exempt employees regularly being the only employee at the location, Defendant often provided meal periods

that were either interrupted, late, short, or failed to provide a required meal period altogether. Further, Defendant's meal period policies and practices fail to provide Mr. Perez and the other non-exempt employees a second meal period for shifts over 10.0 hours. As a result, when Mr. Perez and other hourly, non-exempt employees worked in excess of 10.0 hours, they were not provided with a second 30-minute meal period in violation of California law.

Although Mr. Perez and other hourly, non-exempt employees were not provided with all legally-compliant meal periods to which they were entitled, Defendant failed to compensate them with the required meal period premium for each workday in which they experienced a meal period violation as mandated by Labor Code § 226.7.

Mr. Perez and other hourly, non-exempt employees were also not authorized and permitted to take all legally required and compliant rest periods due to Defendant's rest period policies and practices. Specifically, due to Defendant's policies/practices of requiring Mr. Perez and other hourly, non-exempt employees to be available to perform work duties during their rest periods, not being able to leave the work facility, and requiring them to return to their work area within 10 minutes despite the resting facility being minutes away from their work area, Defendant did not authorize and permit one rest period for every four hours worked, or *major fraction thereof*.

On those occasions when Mr. Perez and other hourly, non-exempt employees were not authorized and permitted to take all legally-compliant rest periods to which they were entitled, Defendant failed to compensate them with the required rest period premium for each workday in which they experienced a rest period violation as mandated by Labor Code § 226.7.

Defendant also failed to reimburse Mr. Perez and other hourly, non-exempt employees for necessary business expenses incurred during the relevant time period. Specifically, Defendant required Mr. Perez and other hourly, non-exempt employees to use their personal cellular phone for business purposes. Accordingly, despite Mr. Perez and the other hourly, non-exempt employees being required to use their personal cellular phones, Defendant did not reimburse them for all necessary expenditures or losses incurred by the employees in direct consequence of the discharge of their duties, or of their obedience to the directions of the employer in violation of California law.

As a result of Defendant's failure to pay all minimum wages, overtime wages, as well as meal period premium wages and rest period premium wages, Defendant maintained inaccurate payroll records and issued inaccurate wage statements to Mr. Perez and other hourly, non-exempt employees.

As a further result of Defendant's failure to pay all overtime and/or minimum wages owed, and failure to pay all meal and rest period premium wages, Defendant failed to provide pay Mr. Perez and other hourly, non-exempt employees all wages owed twice a month during their employment with Defendant.

As described above, Defendant committed the following violations of the Labor Code and Industrial Welfare Commission Wage Order No. 9 ("Wage Order 9"):

Minimum Wage Violations

Defendant was required to pay Mr. Perez and other aggrieved employees an hourly rate at least equal to the minimum wage for each hour actually worked. *See* Labor Code §§ 1194; 1194.2, 1197; The Wage Order 9, § 4. Mr. Perez and other aggrieved employees were not paid for all hours worked due to Defendant's policy and practice of requiring non-exempt employees to perform work duties while clocked out.

Overtime Violations

Defendant was required to pay Mr. Perez and other aggrieved employees overtime wages for all hours worked in excess of eight hours per workday and/or forty hours per workweek. *See* Labor Code §§ 1194(a) and 1198; the Wage Order 9, § 3. According to Labor Code § 510(a), "Any work in excess of eight hours in one workday and any work in excess of 40 hours in any one workweek and the first eight hours worked on the seventh day of work in any one workweek shall be compensated at the rate of no less than one and one-half times the regular rate of pay for an employee." This Section further provides, "Any work in excess of 12 hours in one day shall be compensated at the rate of no less than twice the regular rate of pay for an employee. In addition, any work in excess of eight hours on any seventh day of a workweek shall be compensated equal to one and one-half times their regular rate of pay for all overtime hours worked." As explained above, Mr. Perez and other hourly, non-exempt employees worked overtime hours but were not properly compensated due to Defendant's policy and practice of requiring non-exempt employees to perform work duties while clocked out and not using the regular rate of pay to calculate the overtime rate.

Sick Pay Violations

Defendant was required to calculate and pay sick time to Mr. Perez and other aggrieved employees in the same manner as the regular rate of pay for the workweek in which the employee uses paid sick time. According to Labor Code § 246, an employer shall calculate paid sick leave for nonexempt employees in the same manner as the regular rate of pay for the workweek in which the employee uses paid sick time. *See* Labor Code § 246(l). As explained above, Mr. Perez and other hourly, non-exempt employees received paid sick leave but were not properly compensated due to Defendant's policy and practice of not using the nonexempt employees' regular rate of pay to calculate pay for sick leave.

Meal Period Violations

As alleged above, Defendant failed to provide Mr. Perez and other Aggrieved Employees with all required and compliant meal periods. *See* Labor Code §§ 226.7 and 512; Wage Order 9, § 11. Specifically, due to the work demands imposed by Defendant, Mr. Perez and other Aggrieved Employees were often unable to take a duty-free 30-minute

meal period before the end of the fifth hour of work and were often interrupted. As a result, their meal periods were often late, short, interrupted, missed, or otherwise unlawful. As a result, Mr. Perez and other Aggrieved Employees are owed an additional hour of wages at their regular rate of compensation for each workday they experienced a meal period violation. *See* Labor Code § 226.7 ("If an employer fails to provide an employee a meal or rest or recovery period in accordance with … [an] order of the Industrial Welfare Commission … the employer shall pay the employee one additional hour of pay at the employee's regular rate of compensation for each workday that the meal or rest or recovery period is not provided."). Although Mr. Perez and other Aggrieved Employees were not provided with all legally-compliant meal periods to which they were entitled, Defendant failed to compensate Mr. Perez and other Aggrieved Employees with the required meal period premium for each workday in which they experienced a meal period violation as mandated by Labor Code § 226.7.

Rest Period Violations

Defendant also failed to authorize and permit Mr. Perez and other Aggrieved Employees to take all required rest periods. *See* Labor Code §§ 226.7 and 516; Wage Order 9, § 12. As alleged above, Defendant's rest period policies/practices fail to authorize and permit all rest periods for every four hours worked, or *major fraction thereof*. Specifically, as a result of the work demands imposed by Defendant, Defendant did not authorize and permit all rest periods. As a result, Mr. Perez and other Aggrieved Employees are owed an additional hour of wages at their regular rate of compensation for each workday that they were not authorized and permitted to take all legally required rest periods. *See* Labor Code § 226.7 ("If an employer fails to provide an employee a meal period or rest period in accordance with an applicable order of the Industrial Welfare Commission, the employer shall pay the employee one additional hour of pay at the employee's regular rate of compensation for each workday that the meal or rest period is not provided.")

Failure to Reimburse Necessary Expenditures

As described above, Defendant required Mr. Perez and other hourly, non-exempt employees to use their personal cellular phone to discharge their duties. Accordingly, despite the non-exempt employees being required to use their personal cellular phone, Defendant did not reimburse Mr. Perez or other hourly, non-exempt employees for all necessary expenditures or losses incurred by the employee in direct consequence of the discharge of their duties, or of their obedience to the directions of the employer in violation of California law. Defendant's policy of not providing reimbursement for necessary work-related expenses is in violation of Wage Order 9, and Labor Code §§ 2802 and 2804 ("An employer shall indemnify his or her employees for all necessary expenditures or losses incurred by the employee in direct consequence of the discharge of his or her duties, or of his or obedience to the directions of the employer."). Mr. Perez and other aggrieved employees are therefore entitled to reimbursement of such unpaid work expenses with interest.

Wage Statement Violations

Defendant knowingly and intentionally, as a matter of uniform practice and policy, failed to furnish Mr. Perez and other Aggrieved Employees with accurate and complete, itemized wage statements that included, among other requirements, all minimum and overtime wages earned, meal and rest period premiums, in violation of Labor Code § 226 *et seq*. Furthermore, Defendant issued non-compliant wage statements to Mr. Perez and other aggrieved employees by failing to include all information required by California law, including, but not limited to, the name of the legal entity that is the employer. Defendant's failure to furnish Mr. Perez and other aggrieved employees with complete and accurate, itemized wage statements resulted in actual injury, as said failures led to, among other things, the non-payment of all minimum and overtime wages earned, and meal and rest period premium wages, and deprived them of the information necessary to identify Defendant and discrepancies in Defendant's reported data.

As an "aggrieved employee," Mr. Perez will initiate a civil action on behalf of himself and other Aggrieved Employees to recover damages, statutory penalties, and civil penalties resulting from the wage and hour violations alleged herein. Based on Mr. Perez's own investigation, and on information and belief, Defendant committed the following Labor Code violations:

a) Defendant violated Labor Code §§ 1194, 1194.2, and 1197 by failing to pay Mr. Perez and other aggrieved employees the statutory minimum wage for all hours worked;

b) Defendant violated Labor Code §§ 204, 510, 558, 1194, and 1198 by failing to pay Mr. Perez and other aggrieved employees all overtime compensation earned;

c) Defendant violated Labor Code §§ 226.7, 512, and 558 by failing to provide all legally required meal periods and failing to pay meal period premiums to Mr. Perez and other aggrieved employees;

d) Defendant violated Labor Code §§ 226.7, 516, and 558 by failing to provide all legally required rest periods and failing to pay rest period premiums to Mr. Perez and other aggrieved employees;

e) Defendant violated Labor Code § 226 by failing to furnish Mr. Perez and other aggrieved employees with accurate and compliant itemized wage statements;

f) Defendant violated labor Code § 246 by failing to pay Mr. Perez and other aggrieved employees sick pay at the regular rate of pay;

g) Defendant violated Labor Code § 2802 by failing to reimburse Mr. Perez and other aggrieved employees for all necessary business expenditures incurred in the discharge of their duties;

h) Defendant violated Labor Code § 204 by failing to pay Mr. Perez and other aggrieved employees all earned wages at least twice during each calendar month; and

i) Defendant violated Labor Code § 1174 by failing to maintain accurate records on behalf of Mr. Perez and other aggrieved employees.

Pursuant to Labor Code section 2699.3(a)(2)(A), please notify us and Defendant if the LWDA intends to investigate these alleged violations of the Labor Code. Please contact me should you require additional information.

Very truly yours,

2.5. Prior to mediation, Plaintiff obtained, through informal discovery, a sampling of Defendant’s timekeeping and payroll data, as well as Defendant’s wage and hour policies and other relevant documents and information relevant to the claims alleged. Plaintiff’s investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. That First Amended Complaint will add Berenice Quiroz as a named plaintiff in the Action and will also add in Plaintiff Marlon Perez's PAGA claim that currently is part of the PAGA Action. After the First Amended Complaint is filed, Plaintiff Marlon Perez will seek dismissal of the PAGA Action since that claim will then be part and parcel of the Action. This will conserve the resources of the Court and the Parties and will allow Plaintiffs to seek approval of the Settlement as part of the Action.

4. MONETARY TERMS:

4.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 9 below, Defendant promises to pay $750,000.00 as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 5.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.

4.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

4.2.1. To Plaintiffs: Class Representative Service Payments to the Class Representatives of not more than $7,500.00 each (for a total of $15,000.00) (in addition to any Individual Class Payments and any Individual PAGA Payments the Class Representatives are entitled to receive as a Participating Class Members and PAGA Members). Defendant will not oppose Plaintiffs' request for Class Representative Service Payments that do not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiffs will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves Class Representative Service Payments less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payments using IRS Form 1099. Plaintiffs assume full responsibility and liability for employee taxes owed on the Class Representative Service Payments.

4.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than one-third (1/3) of the Gross Settlement Amount, which is currently estimated to be $250,000.00 and Class Counsel Litigation Expenses Payment of not more than $30,000.00. Defendant will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiffs and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the

Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.

4.2.3. To the Administrator: An Administrator Expenses Payment not to exceed $16,500.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than $16,500.00, the Administrator will retain the remainder in the Net Settlement Amount.

4.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

4.2.5. Tax Allocation of Individual Class Payments. Thirty-Three Percent (33%) of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. Sixty-Seven Percent (67%) of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

4.2.6. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

4.2.7. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of $50,000.00 to be paid from the Gross Settlement Amount, with 65 percent ($32,500.00) allocated to the LWDA PAGA Payment and 35 percent ($17,500.00) allocated to the Individual PAGA Payments.

4.2.7.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 35 percent share of PAGA Penalties ($17,500.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

4.2.7.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

5. SETTLEMENT FUNDING AND PAYMENTS:

5.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records to date, Defendant estimates there are 1,142 Class Members who collectively worked a total of approximately 75,306 Workweeks during the period of March 6, 2021 and October 30, 2025, and 720 Aggrieved Employees who collectively worked a total of approximately 13,914 PAGA Pay Periods during the PAGA Period.

5.2. Class Data. Not later than 15 days after the Court grants Preliminary Approval of the Settlement, Defendant will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

5.3. Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and any amounts necessary to fully pay Defendant's share of payroll taxes, by transmitting the funds to the Administrator by no later than fourteen days after the Effective Date.

5.4. Payments from the Gross Settlement Amount. Within 14 days after Defendant fully funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payments shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

5.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

5.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member who requests a replacement prior to the void date,

for those whose original checks were lost or misplaced.

5.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

5.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

6. **RELEASES OF CLAIMS**: Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiffs, Class Members, and Class Counsel will release claims against all Released Parties as follows:

6.1 Plaintiffs' Release. Plaintiffs and their respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint; and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint and Plaintiff Marlon Perez's PAGA Notice ("Plaintiffs' Release"). Plaintiffs also agrees to release, in addition to the Released Class Claims and Released PAGA Claims, all claims, whether known or unknown, under federal law or state law against the Released Parties through the date Plaintiffs execute this Agreement. Plaintiffs' Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation claims or benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiffs acknowledge that Plaintiffs may discover facts or law different from, or in addition to, the facts or law that Plaintiffs now know or believe to be true but agrees, nonetheless, that Plaintiffs' Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiffs' discovery of them. Notwithstanding the foregoing, the waiver and release in this Agreement does not apply to: (i) those rights as a matter of law that cannot be waived, including, but not limited to, workers' compensation claims; (ii) rights or claims arising out of this Agreement after this Agreement is executed by Plaintiffs; and (iii) rights or claims arising of this Agreement. The Agreement in no way affects Plaintiffs' entitlement and/or benefits to be received by Plaintiffs in workers' compensation pursuant to the jurisdiction of workers' compensation. Plaintiffs also agree to not request an exclusion from this settlement. Any Class Representative Service Payments approved by the Court will result in the issuance of a Form 1099 to the Class Representatives, who shall assume full responsibility and liability for the payment of taxes due on such award.

6.1.1 Plaintiffs' Waiver of Rights Under California Civil Code Section 1542. For purposes of Plaintiffs' Release, Plaintiffs expressly waive and relinquish the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

6.2 Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and/or ascertained in the course of the Action and which occurred during the Class Period. The claims released include, without limitation: (1) failure to pay all minimum wages owed; (2) failure to pay all overtime wages owed; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to provide accurate, itemized wage statements; (6) failure to pay sick wages at the correct rate; (7) failure to indemnify all necessary business expenses; and (8) unfair competition in violation of Business and Professions Code section 17200, *et seq*. premised on the above claims; and violation of or liability under California Labor Code under sections 204, 226 *et seq*., 226.7, 510, 512, 516, 558*,* 1194, 1194.2, 1197, 1198, 2802, and the relevant Wage Orders issued by the Industrial Welfare Commission, and any and all related claims for attorneys' fees and costs. Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

6.3 Release by Aggrieved Employees: All Aggrieved Employees release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and/or the PAGA Notice and/or ascertained in the course of the Action and which occurred during the PAGA Period. The claims released include, without limitation: (1) failure to pay minimum wages; (2) failure to pay overtime wages; (3) failure to provide meal periods or pay meal period premiums; (4) failure to provide all legally required rest periods or pay rest period premiums; (5) failure to provide accurate, itemized wage statements; (6) failure to pay sick wages at the correct rate; (7) failure to reimburse necessary business expenditures; and (8) failure to maintain accurate records, and the relevant Wage Orders issued by the Industrial Welfare Commission, and any and all related claims for attorneys' fees and costs.

7. MOTION FOR PRELIMINARY APPROVAL: The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's current checklist for Preliminary Approvals.

7.1 Defendant's Declarations in Support of Preliminary Approval. Within 7 days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel signed Declarations from Defendant and Defense Counsel stating that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

7.2 Plaintiffs' Responsibilities. Plaintiffs will prepare all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) signed declarations from Plaintiffs confirming

willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and the Administrator; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); (vi) a redlined version of the parties' Agreement showing all modifications made to the Model Agreement ready for filing with the Court; and (vii) all facts relevant to any actual or potential conflict of interest with Class Members, and the Administrator. In their Declarations, Plaintiffs and Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement. Plaintiffs shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Preliminary Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Preliminary Approval.

7.3 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval following the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

7.4 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION:

8.1 Selection of Administrator. The Parties have jointly selected Phoenix Settlement Administrators to serve as the Administrator and verified that, as a condition of appointment, it agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

8.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

8.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.

8.4 Notice to Class Members.

8.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, Aggrieved Employees, Workweeks, and Pay Periods in the Class Data. At this time, should the Escalator Clause of Paragraph 9 be triggered, the Administrator shall notify

Defense Counsel and Class Counsel of its election of whether it wants to increase the Gross Settlement Amount or that the Class Period, PAGA Period, and release periods are shortened and state the date on which the Class Period, PAGA Period, and release periods end.

8.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

8.4.3 Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

8.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

8.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via e-mail or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

8.5 Requests for Exclusion (Opt-Outs).

8.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, e-mail, or mail, a signed written Request for Exclusion not later than 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and e-mail address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

8.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The

Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

8.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment.

8.6 Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, e-mail or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination of the challenges.

8.7 Objections to Settlement.

8.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

8.7.2 Participating Class Members may send written objections to the Administrator, by fax, e-mail, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

8.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

8.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

8.9 Website, E-mail Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and e-mails.

8.9.1 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than five (5) days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

8.9.2 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must include the Administrator's assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

8.9.3 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.

8.9.4 Administrator's Declaration. Not later than seven (7) days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

8.9.5 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 10 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

9. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE:** Based on its records, Defendant estimates that there are approximately 1,142 Class Members who worked a total of 75,306 Workweeks during the Class Period. If the actual number of Workweeks worked during the Class Period is more than 10 percent greater that this figure (i.e., there are 82,837 or more Workweeks worked by the Class Members), Defendant shall have the sole option to: (i) cut off the Class Period, PAGA Period, and release periods on the date on which the aggregate workweeks is closest to, without exceeding, 82,837 Workweeks worked by the Class Members; or (ii) increase the Gross Settlement Amount on a proportional percentage basis (*i.e.*, if there was a 11% increase in the number workweeks during the Class Period, Defendant would agree to increase the Gross Settlement Amount by 11%).

10. **MOTION FOR FINAL APPROVAL:** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT: If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

12. ADDITIONAL PROVISIONS:

12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.2 Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.3 No Publicity. Plaintiffs and Plaintiffs' counsel agree not to publicize the Settlement. This provision shall not apply to the filing of any documents with the Court which are necessary to effectuate the Settlement, nor is it intended to interfere with or restrict: (1) the third-party administrator from distributing the notice packets and otherwise complying with its obligation to

provide information to affected Class Members; or (2) the third-party administrator from posting any judgment on its website. However, for the limited purpose of allowing Class Counsel to prove adequacy as class counsel in other actions, Class Counsel may disclose the names of the Parties in this Action, the venue/case number of this Action, and a general description of the Action, to a court in a declaration by Class Counsel. This provision shall not apply to limit Plaintiffs and Class Counsel's ability to effectuate their duties to the Class Members or limit their ability to communicate with Class Members as contractually required to effectuate the terms of the Settlement Agreement as set forth herein.

12.4 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.5 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

12.6 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

12.7 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

12.8 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.

12.9 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

12.10 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.

12.11 Attorneys' Fees. In the event of any dispute arising out of the interpretation, performance, or breach of any provision of this Settlement Agreement, the prevailing party in such dispute(s) shall be entitled to recover her/his/its reasonable attorneys' fees and costs incurred arising from such dispute. All Parties agree that the forum for such disputes shall be the Court in which this Action is pending.

This provision only applies to the Parties identified in this Settlement Agreement and does not apply to the unidentified Settlement Class Members or PAGA Employees

12.12 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

12.13 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.

12.14 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

12.15 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

12.16 Use of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court.

12.17 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

12.18 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

12.19 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Marlon Perez, et al. v. Kuhns Enterprises, Inc. dba Brand Enhance Parking & Hospitality

Los Angeles County Superior Court Case No. 25STCV06393

The Superior Court for the State of California authorized this Notice. Read it carefully! It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.

You may be eligible to receive money from an employee class action lawsuit ("Action") against Defendant Kuhns Enterprises Inc. ("Kuhns" or "Defendant") for alleged wage and hour violations. The Action was filed by employees Marlon Perez and Berenice Quiroz (collectively, "Plaintiffs") and seeks payment of (1) unpaid minimum wages, overtime wages, sick pay wages, missed meal and rest period premiums, wage statement penalties, reimbursement of business expenses, and restitution under California Business and Professions Code section 17200 for a class of individuals classified as non-exempt employees ("Class Members") who worked for Kuhns during the period of time starting on March 6, 2021 and ending on [the date the Court grants preliminary approval] ("Class Period"); and also seeks (2) civil penalties under the California Private Attorney General Act ("PAGA") for all individuals classified as non-exempt employees ("Aggrieved Employees") who worked for Kuhns during the period of time starting on March 6, 2024 and ending on [the date the Court grants preliminary approval] ("PAGA Period").

The proposed Settlement has two main parts: (1) a Class Settlement requiring Kuhns to fund Individual Class Payments, and (2) a PAGA Settlement requiring Kuhns to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Kuhns's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be $_____ (less withholding) and your Individual PAGA Payment is estimated to be $_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Kuhns's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Kuhns's records showing that **you worked _____ workweeks** during the Class Period and **you worked __ pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. *See* Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs' attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Kuhns to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Kuhns.

If you worked for Kuhns during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

(1) **Do Nothing**. You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Kuhns.

(2) **Opt-Out of the Class Settlement**. You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Kuhns, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Kuhns will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Do Not Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Kuhns that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement But Not the PAGA Settlement **The Opt-out Deadline is** _____	If you do not want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section **6** of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Kuhns must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).

Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement **Written Objections Must be Submitted by** _____	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section **7** of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on _____. You do not have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section **8** of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods **Written Challenges Must be Submitted by** _____	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Kuhns's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section **4** of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiffs are individuals who worked for Kuhns and were classified as a non-exempt employees. The Action accuses Kuhns of violating California labor laws by failing to pay overtime wages, minimum wages, and sick pay wages, failing to provide meal periods and rest breaks, failing to provide accurate itemized wage statements, and failing to reimburse necessary business expenditures. Based on the same claims, Plaintiffs have also asserted a claim for restitution under California Business and Professions Code section 17200 and a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, *et seq*.) ("PAGA"). Plaintiffs are represented by attorneys in the Action: Scott M. Lidman, Milan Moore, and Tiara Gose-Hardy of Lidman Law, APC and Paul Haines of Haines Law Group, APC ("Class Counsel.")

Kuhns strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Kuhns or Plaintiffs is correct on the merits. In the meantime, Plaintiffs and Kuhns hired an experienced, neutral mediator in an effort to

resolve the Action by negotiating to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Kuhns have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Kuhns does not admit any violations or concede the merit of any claims. Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Kuhns has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Kuhns Will Pay $750,000.00 as the Gross Settlement Amount (Gross Settlement). Kuhns has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payments, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Preliminary Approval and there are no objections to the settlement, Kuhns will fund the Gross Settlement within 14 days of the Court granting Final Approval of the settlement.

2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

   A. Up to $250,000 (1/3rd of the Gross Settlement) to Class Counsel for attorneys' fees and up to $30,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment. Pursuant to a written fee split agreement, the proposed attorneys' fees will be split by the attorneys involved in this matter as follows: 29% to Lidman Law, APC; 43.5% to Haines Law Group, APC; and 22.5 % to Dash & Port, LLP; and 5% to Michael Burgis & Associates, PC.

   B. Up to $7,500.00 to each of the Plaintiffs (for a total of $15,000.00) as Class Representative Service Payments for filing and prosecuting the Action, working with Class Counsel and representing the Class. Class Representative Service Payments will be the only monies Plaintiffs will receive other than Plaintiffs' Individual Class Payment and any Individual PAGA Payment.

   C. Up to $16,500.00 to the Administrator for services administering the Settlement.

   D. Up to $50,000.00 for PAGA Penalties, allocated 65% to the LWDA PAGA

Payment and 35% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiff and Kuhns are asking the Court to approve an allocation of 33% of each Individual Class Payment to taxable wages ("Wage Portion") and 67% to interest and penalties ("Non-Wage Portion"). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Kuhns will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

   Although Plaintiffs and Kuhns have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name.

If the money represented by your check is sent to the State Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Kuhns.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Kuhns based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Kuhns have agreed that, in either case, the Settlement will be void: Kuhns will not pay any money and Class Members will not release any claims against Kuhns.

8. Administrator. The Court has appointed a neutral company, Phoenix Settlement Administrators (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.

9. Participating Class Members' Release. After the Judgment is final and Kuhns has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Kuhns or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

   The Participating Class Members will be bound by the following release:

   > All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and/or ascertained in the course of the Action and which occurred during the Class Period. The claims released include, without limitation: (1) failure to pay all minimum wages owed; (2) failure to pay all overtime wages owed; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to provide accurate, itemized wage statements; (6) failure to indemnify all necessary business expenses; (7) failure to pay all sick wages owed; and (8) unfair competition in violation of Business and Professions Code section 17200, *et seq*. premised on the above claims; and violation of or liability under California Labor Code under sections 204, 226 *et seq*., 226.7, 510, 512, 516, 558, 1194, 1194.2, 1197, 1198, 2802, and the relevant Wage Orders

issued by the Industrial Welfare Commission, and any and all related claims for attorneys' fees and costs.

10. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Kuhns has fully funded the Gross Settlement and separately paid the employer-side payroll taxes, all Aggrieved Employees will be barred from asserting PAGA claims against Kuhns, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Kuhns or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

    The Aggrieved Employees' Releases are as follows:

    All Aggrieved Employees release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and/or the PAGA Notice and/or ascertained in the course of the Action and which occurred during the PAGA Period. The claims released include, without limitation: (1) failure to pay minimum wages; (2) failure to pay overtime wages; (3) failure to provide meal periods or pay meal period premiums; (4) failure to provide all legally required rest periods or pay rest period premiums; (5) failure to provide accurate, itemized wage statements; (6) failure to reimburse necessary business expenditures; (7) failure to pay all sick wages owed, and (8) failure to maintain accurate records, and the relevant Wage Orders issued by the Industrial Welfare Commission, and any and all related claims for attorneys' fees and costs.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.

2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing $17,500.00 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Kuhns's records, are stated in the first page of this Notice. You have until _____ to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, e-mail or fax. Section 9 of this Notice

has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Kuhns's calculation of Workweeks and/or Pay Periods based on Kuhns's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Kuhns's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.

The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.

~~7.8.4~~8.9.4 Administrator's Declaration. Not later than ~~[14]~~seven (7) days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), ~~and~~ the number of written objections~~. XYZ must notify Class Counsel and the Court of its election to withdraw not later than [seven] days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.~~

9. CLASS SIZE ESTIMATES and ESCALATOR CLAUSE: Based on its records, Defendant estimates that there are approximately 1,142 Class Members who worked a total of 75,306 Workweeks during the Class Period. If the actual number of Workweeks worked during the Class Period is more than 10 percent greater that this figure (i.e., there are 82,837 or more Workweeks worked by the Class Members), Defendant shall have the sole option to: (i) cut off the Class Period, PAGA Period, and release periods on the date on which the aggregate

~~9.2~~10.2 Duty to Cooperate. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or ~~Administration~~Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

~~9.3~~10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

~~9.5~~10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the ~~appellate court~~reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional ~~administration expenses~~Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

~~10.~~11. AMENDED JUDGMENT~~.~~: If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, ~~grant~~ Final Approval~~,~~ or enter Judgment, ~~XYZ~~Defendant reserves the right to contest certification of any class for any ~~reason, XYZ~~reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest ~~XYZ's~~Defendant's defenses.~~-~~ The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.3 No Publicity. Plaintiffs and Plaintiffs' counsel agree not to publicize the Settlement. This provision shall not apply to the filing of any documents with the Court which are necessary to effectuate the Settlement, nor is it intended to interfere with or restrict: (1) the third-party administrator from distributing the notice packets and otherwise complying with its obligation to provide information to affected Class Members; or (2) the third-party administrator from posting any judgment on its website. However, for the limited purpose of allowing Class Counsel to prove adequacy as class counsel in other actions, Class Counsel may

~~11.7~~12.8 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity ~~any~~and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
