CASE NO.: 22CV018596

[Consolidated with Case No. 22CV024363]

**[PROPOSED] PRELIMINARY
APPROVAL ORDER**

Hearing Date: February 16, 2024
Hearing Time: 9:00 a.m.

Judge: Hon. Noel Wise
Dept: 21

Date Filed: September 27, 2022
Trial Date: Not set

1 This matter came before the Honorable Noel Wise of the Superior Court of the State of
2 California, in and for the County Alameda, on February 16, 2024, for hearing on the unopposed
3 motion by Plaintiff Jileea Jordan (“Plaintiff”) for preliminary approval of the Settlement with
4 Defendants Wax Center Partners Intermediate Holdco LLC and Wax Center Partners Holdco LLC
5 (“Defendants”). The Court, having considered the briefs, argument of counsel and all matters
6 presented to the Court and good cause appearing, hereby GRANTS Plaintiff’s Motion for
7 Preliminary Approval of Class Action Settlement.

8
9 **IT IS HEREBY ORDERED:**

10 1. The Court preliminarily approves the Class Action and PAGA Settlement
11 Agreement (“Agreement”) attached as Exhibit #1 to the Declaration of Kyle Nordrehaug in
12 Support of Plaintiff’s Motion for Preliminary Approval of Class Action Settlement. This is based
13 on the Court’s determination that the Settlement set forth in the Agreement is within the range of
14 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
15 Procedure and California Rules of Court, rule 3.769.

16 2. This Order incorporates by reference the definitions in the Agreement, and all
17 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

18 3. The Gross Settlement Amount that Defendants shall pay is Seven Hundred Fifty
19 Thousand Dollars (\$750,000). It appears to the Court on a preliminary basis that the settlement
20 amount and terms are fair, adequate and reasonable as to all potential Class Members when
21 balanced against the probable outcome of further litigation and the significant risks relating to
22 certification, liability and damages issues. It further appears that investigation and research have
23 been conducted such that counsel for the Parties are able to reasonably evaluate their respective
24 positions. It further appears to the Court that the Settlement will avoid substantial additional costs
25 by all Parties, as well as avoid the delay and risks that would be presented by the further
26 prosecution of the Action. It further appears that the Settlement has been reached as the result of
27 serious and non-collusive, arm’s-length negotiations.

1 4. The Court preliminarily finds that the Settlement appears to be within the range of
2 reasonableness of a settlement that could ultimately be given final approval by this Court. The
3 Court has reviewed the monetary recovery that is being granted as part of the Settlement and
4 preliminarily finds that the monetary settlement made available to the Class is fair, adequate, and
5 reasonable when balanced against the probable outcome of further litigation and the significant
6 risks relating to certification, liability, and damages issues.

7 5. The Agreement specifies for an attorneys' fees award not to exceed one-third of the
8 Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$17,000, and
9 proposed Class Representative Service Payment to the Plaintiff in an amount not to exceed
10 \$10,000, each of which are payable out of the Gross Settlement Amount. The Court will not
11 approve the amount of attorneys' fees and costs, nor the amount of any service award, until the
12 Final Approval Hearing. Plaintiff will be required to present evidence supporting these requests,
13 including lodestar, prior to final approval.

14 6. The Court recognizes that Plaintiff and Defendants stipulate and agree to
15 representative treatment and certification of a class for settlement purposes only. This stipulation
16 will not be deemed admissible in this or any other proceeding should this Settlement not become
17 final. For settlement purposes only, the Court conditionally certifies the Class which consists of
18 "all non-exempt employees who worked in California for Defendants Wax Center Partners
19 Intermediate Holdco LLC and/or Wax Center Partners Holdco LLC at any time during the Class
20 Period." The "Class Period" is September 27, 2018, through August 17, 2023.

21 7. The Court concludes that, for settlement purposes only, the Class meets the
22 requirements for certification under section 382 of the California Code of Civil Procedure in that:
23 (a) the Class is ascertainable and so numerous that joinder of all members of the Class is
24 impracticable; (b) common questions of law and fact predominate, and there is a well-defined
25 community of interest amongst the members of the Class with respect to the subject matter of the
26 litigation; (c) the claims of the Plaintiff are typical of the claims of the members of the Class; (d)
27 the Plaintiff will fairly and adequately protect the interests of the members of the Class; (e) a class
28

1 action is superior to other available methods for the efficient adjudication of this controversy; and
2 (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiff is an adequate
3 representative of the Class.

4 8. The Court provisionally appoints Plaintiff as the representatives of the Class. The
5 Court provisionally appoints Norman B. Blumenthal, Kyle R. Nordrehaug, Aparajit Bhowmik,
6 Nicholas J. DeBlouw, and Christine T. LeVu of Blumenthal Nordrehaug Bhowmik De Blouw
7 LLP as Class Counsel for the Class.

8 9. The Agreement provides for a PAGA Penalties out of the Gross Settlement
9 Amount of \$15,000, which shall be allocated \$11,250 to the Labor & Workforce Development
10 Agency (“LWDA”) as the LWDA’s 75% share of the settlement of civil penalties paid under this
11 Agreement pursuant to the PAGA and \$3,750 to the Aggrieved Employees. “Aggrieved
12 Employees” are all individuals who worked for Defendants in California and who were classified
13 as non-exempt at any time during the PAGA Period (September 27, 2021, through August 17,
14 2023). Pursuant to Labor Code section 2699, subdivision (l)(2), the LWDA will be provided
15 notice of the Agreement and these settlement terms. The Court finds the PAGA Penalties to be
16 reasonable.

17 10. The Court hereby approves, as to form and content, the Class Notice attached to the
18 Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately
19 inform the Class of all material elements of the proposed Settlement, of the Class Members’ right
20 to be excluded from the Class by submitting a written opt-out request, and of each member’s right
21 and opportunity to object to the Settlement. The Court further finds that the distribution of the
22 Class Notice substantially in the manner and form set forth in the Agreement and this Order meets
23 the requirements of due process, is the best notice practicable under the circumstances, and shall
24 constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of
25 the Class Notice by first class mail pursuant to the terms set forth in the Agreement. If a Class
26 Notice Packet is returned because of an incorrect address, the Administrator will promptly search
27 for a more current address for the Class Member and re-mail the Class Notice Packet to any new
28

1 address for the Class Member no later than seven (7) days after the receipt of the undelivered
2 Class Notice.

3 11. The Court hereby appoints ILYM Group as the Administrator. No later than fifteen
4 (15) days after this Order, Defendants will provide the Class Data to the Administrator. The
5 Administrator will perform address updates and verifications as necessary prior to the first
6 mailing. Using best efforts to mail it as soon as possible, and in no event later than fourteen (14)
7 days after receiving the Class Data, the Administrator will mail the Class Notice Packet to all
8 Class Members via first-class regular U.S. Mail to their last known address.

9 12. The Court hereby preliminarily approves the proposed procedure for exclusion
10 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
11 from the Class as provided in the Class Notice by following the instructions for requesting
12 exclusion from the Class that are set forth in the Class Notice. All requests for exclusion must be
13 postmarked or received no later than sixty (60) calendar days after the date of the mailing of the
14 Class Notice (“Response Deadline”). If a Class Notice Packet is re-mailed, the Response Deadline
15 for requests for exclusion will be extended an additional fourteen (14) days. A Request for
16 Exclusion may also be faxed or emailed to the Administrator as indicated in the Class Notice.
17 Any such person who chooses to opt out of and be excluded from the Class will not be entitled to
18 any recovery under the Class Settlement and will not be bound by the Class Settlement or have
19 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
20 shall be bound by all determinations of the Court, the Agreement and the Judgment. A request for
21 exclusion may only opt out that particular individual, and any attempt to effect an opt-out of a
22 group, class, or subclass of individuals is not permitted and will be deemed invalid.

23 13. Any Class Member who has not opted out may appear at the final approval hearing
24 and may object or express the Member’s views regarding the Settlement and may present evidence
25 and file briefs or other papers that may be proper and relevant to the issues to be heard and
26 determined by the Court as provided in the Class Notice. Class Members will have until the
27 Response Deadline to submit their written objections to the Administrator. Written objections
28

1 may also be faxed or emailed to the Administrator as indicated in the Class Notice. If a Class
2 Notice Packet is re-mailed, the Response Deadline for written objections will be extended an
3 additional fourteen (14) days. Alternatively, Class Members may appear at the Final Approval
4 Hearing to make an oral objection.

5 14. A final approval hearing shall be held before this Court on June 26, 2024 at 10:00
6 a.m. in Department 21 of the Alameda County Superior Court to hear the motion for final
7 approval and the motion for attorneys' fees and costs, and to determine all necessary matters
8 concerning the Settlement, including: whether the proposed settlement of the Action on the terms
9 and conditions provided for in the Agreement is fair, adequate and reasonable and should be
10 finally approved by the Court; whether the Final Approval Order and Judgment should be entered
11 herein; whether the plan of allocation contained in the Agreement should be approved as fair,
12 adequate and reasonable to the Class Members; and to finally approve attorneys' fees and costs,
13 service award, and the fees and expenses of the Administrator. All papers in support of the motion
14 for final approval and the motion for attorneys' fees, costs and service award shall be filed with
15 the Court and served on all counsel no later than sixteen (16) court days before the hearing and
16 both motions shall be heard at this final approval hearing.

17 15. Neither the Settlement nor any exhibit, document, or instrument delivered
18 thereunder shall be construed as a concession or admission by Defendants in any way that the
19 claims asserted have any merit or that this Action was properly brought as a class or representative
20 action, and shall not be used as evidence of, or used against Defendants as, an admission or
21 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
22 omission by Defendants or with respect to the truth of any allegation asserted by any person.
23 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
24 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
25 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
26 deemed to be evidence for any purpose adverse to the Defendants, including, but not limited to,

evidence of a presumption, concession, indication or admission by Defendants of any liability, fault, wrongdoing, omission, concession or damage.

16. In the event the Settlement does not become effective in accordance with the terms of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to become effective for any reason, this Order shall be rendered null and void and shall be vacated, and the Parties shall revert to their respective positions as of before entering into the Agreement, and expressly reserve their respective rights regarding the prosecution and defense of this Action, including all available defenses and affirmative defenses, and arguments that any claim in the Action could not be certified as a class action and/or managed as a representative action . In such an event, the Court's orders regarding the Settlement, including this Order, shall not be used or referred to in litigation for any purpose. Nothing in this paragraph is intended to alter the terms of the Agreement with respect to the effect of the Agreement if it is not approved.

17. The Court reserves the right to adjourn or continue the date of the final approval hearing and all dates provided for in the Agreement without further notice to Class Members and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement.

IT IS SO ORDERED.
