*[Assigned to Hon. William Claster, Dept

**DECLARATION OF PLAINTIFF LORI
SENATOR IN SUPPORT OF MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

I, Lori Senator, state and declare:

1. I am a Plaintiff in the above captioned action and have personal knowledge of all matters stated herein and could competently testify thereto. I make this declaration in support of the motion for preliminary approval of the class action settlement. I believe that the settlement is fair and reasonable and constitutes a fair resolution of the claims alleged.

2. When I first retained my attorneys and chose to pursue this case on a class action basis, I understood that I had specific burdens as the "Class Representative," which included: (a)

1 representing the interests of all class members, (2) considering the interests of all class members
2 above my own personal interests, (3) participating actively in the lawsuit, including potential
3 testimony at deposition and trial, and keeping generally aware of the status and progress of the
4 lawsuit. Moreover, I understood that any resolution of the lawsuit is subject to court approval
5 and must be designed in the best interests of the class as a whole.

6 3. Since first initiating this action on behalf of the proposed class, I believe that I
7 have more than adequately performed my duties as a class representative. I have been an active
8 participant in this litigation, including assisting my attorneys in various ways and making myself
9 available when needed. For example, I have assisted my attorneys by compiling and analyzing
10 substantial documentation regarding the claims in this case. I have also helped to explain and
11 discuss the company's practices and their general practices and procedures, locating and
12 analyzing company documents, among others. I have also reviewed all settlement documents and
13 believe that this settlement is fair for the class. Finally, I will continue to take all steps necessary
14 to finalize this settlement and obtain court approval.

15 4. I have no conflicts with the proposed class members, am an adequate and typical
16 class representative since I was subjected to the same company-wide practices in terms of
17 payment of wages, meal and rest breaks, among other claims, and will continue to assist with the
18 litigation and prosecute the case on behalf of the other employees.

19 5. I respectfully request that the court preliminarily approve the service award. As
20 outlined above, I have performed substantial services for the Class and helped obtain a highly
21 beneficial settlement for my fellow employees. And I have also agreed to waive all of my claims
22 against the company as part of this settlement. At the final approval stage, I will submit an
23 additional declaration setting forth all the work I did for this case, including an estimated number
24 of hours spent assisting the Class and my attorneys.

25 I declare under penalty of perjury under the laws of the State of California that the
26 foregoing is true and correct. Executed on Aug 19, 2026, at Orange, California.
