1 On March 12, 2025, a hearing was held on the motion of plaintiff Angel Perez ("Plaintiff")
2 for final approval of the class settlement (the "Settlement"). Torey Joseph Favarote and David H.
3 Danning of Gleason Favarote LLP appeared for Plaintiff; and Garrett M. Fahy and Hwui Lee
4 appeared for Hilton Manor, LLC ("Hilton"), Juniper Manor, LLC ("Juniper"), and Elizabeth
5 Iswinari Posner ("Posner") (collectively referred to as "Defendants").

6 The parties have submitted the Settlement, which this Court preliminarily approved by its
7 order entered on October 29, 2024. In accordance with the Preliminary Approval Order, Class
8 Members have been given notice of the terms of the Settlement and the opportunity to object to it
9 or to exclude themselves from the Settlement.

10 Having received and considered the Settlement, the supporting papers filed, and the
11 evidence and argument received by the Court at the hearing before it entered the Preliminary
12 Approval Order and at the Final Approval Hearing on March 12, 2025, the Court grants final
13 approval of the Settlement, and HEREBY ORDERS and MAKES DETERMINATIONS as
14 follows:

15 1. Pursuant to the Preliminary Approval Order, a notice of proposed Settlement was
16 sent to each Class Member by first-class mail. This notice informed Class Members of the terms of
17 the Settlement, their right to receive a Settlement share, their right to object to the Settlement or to
18 elect not to participate in the Settlement and pursue their own remedies, and their right to appear in
19 person or by counsel at the Final Approval Hearing and be heard regarding the approval of the
20 Settlement. Adequate periods of time were provided by each of these procedures. The Court finds
21 and determines that this notice procedure afforded adequate protections to Class Members and
22 provides the basis for the Court to make an informed decision regarding approval of the Settlement
23 based on the responses of Class Members. The Court finds and determines that the notice provided
24 in this case was the best notice practicable and satisfied the requirements of law and due process.

25 2. Although the Settlement does not release any PAGA claims, the California Labor
26 and Workforce Development Agency (the "LWDA") was given timely notice of the Settlement
27 pursuant to the California Labor Code Private Attorneys General Act ("PAGA"), Cal. Lab. Code
28 § 2699(l)(2). The notice of Settlement invited comment on the Settlement. The Court finds and

1 determines that this notice of the Settlement was timely, adequate, and compliant with PAGA.

2 3. For the reasons stated in the Preliminary Approval Order, the Court finds and
3 determines that the proposed Class, which is defined as “all persons currently or formerly
4 employed by Defendants Hilton Manor, LLC and Juniper Manor, LLC as hourly-paid, non-exempt
5 employees who worked an alternative workweek schedule of 12 hours a workday, 3 workdays a
6 workweek during the Class Period” by the Settlement and conditionally certified by the
7 Preliminary Approval Order, meets all of the legal requirements for class certification, and it is
8 hereby ordered that the Class is finally approved and certified as a class for purposes of the
9 Settlement.

10 4. The Court further finds and determines that the terms of the Settlement are fair,
11 reasonable and adequate to the Class and to each Class Member and that the Class Members who
12 did not timely submit valid elections not to participate in the Settlement in accordance with the
13 Settlement Agreement and the Preliminary Approval Order will be bound by the Settlement, that
14 the Settlement is ordered finally approved, and that all terms and provisions of the Settlement
15 should be and hereby are ordered to be consummated.

16 5. The Court finds and determines that the Settlement amounts to be paid to the Class
17 Members, as provided for by the Settlement, are fair and reasonable. The Court hereby gives final
18 approval to and orders the payment of those amounts be made to the Class Members in accordance
19 with the Settlement.

20 6. The Court finds and determines that the fees and expenses in administering the
21 Settlement, in the amount of \$8,000, are fair and reasonable. The Court hereby gives final
22 approval to and orders that amount be paid out of the Settlement in accordance with its terms.

23 7. The Court determines that the Class Counsel’s attorneys’ fees and costs in the
24 amounts of \$200,000 and \$12,000 respectively are fair and reasonable and orders that these
25 amounts be paid in accordance with the Settlement.

26 8. The Court determines that the Class Representative Enhancement Award in the
27 amount of \$10,000 to be fair and reasonable and orders that this amount be paid in accordance with
28 the Settlement.

1 9. Without affecting the finality of this order in any way, the Court retains jurisdiction
2 of all matters relating to the interpretation, administration, implementation, effectuation and
3 enforcement of this order and the Settlement.

4 10. Nothing in this order will preclude any action to enforce the parties' obligations
5 under the Settlement or under this order, including the requirement that Defendants make payments
6 in accordance with the Settlement.

7 11. Upon completion of administration of the Settlement, the Settlement Administrator
8 will provide written certification of such completion to the Court and counsel for the parties.

9 12. Pursuant to the Settlement, upon this final approval and Defendants' complete
10 funding of the Settlement and all required employer share of payroll taxes, Plaintiff, all Class
11 Members, and the released parties as defined in the Settlement, will release the following claims:

12 All claims for: unpaid overtime wages under Labor Code §§ 510, 558, 558.1,
13 1194, and 1198; failure to provide accurate itemized wage statements under Labor
14 Code § 226(a); waiting time penalties under Labor Code §§ 201-203 and Business
15 & Professions Code § 17200, et. seq. that were alleged, or reasonably could have
16 been alleged, during the Class Period based on the facts stated in the Operative
17 Complaint ("the Released Claims"). The Participating Class Members do not release
18 any claims against Eleanor Iswinari Posner in connection with her actions after the
19 Class Period or in connection with any entities other than Hilton Manor, LLC and
20 Juniper Manor, LLC during the Class Period. The Class Members' release of the
21 Released Claims is effective upon Defendants' complete funding of the Settlement
22 pursuant to section 4.3 of the Agreement.

23 13. The PAGA and the failure to provide meal periods and rest breaks and
24 reimbursement of business expenses claims (Plaintiff's Third, Fourth, Fifth, Sixth, and Eighth
25 causes of action in the operative Complaint) in this action are dismissed without prejudice, as they
26 are not part of the settled claims. The Class Members do not release any of these claims.

27 14. Defendants deny and continues to deny all of the allegations made by Plaintiff in the
28 Action and denies and continues to deny that it is liable or owe any damages, penalties, or other

1 compensation or remedies to anyone with respect to the alleged facts or claims asserted in the
2 Action.

3 15. The parties are hereby ordered to comply with the terms of the Settlement.

4 16. The Court hereby enters final judgment in accordance with the terms of the
5 Settlement, the Order Granting Preliminary Approval of Class Action Settlement entered on
6 October 29, 2024, and this order, each side to bear its own costs and attorneys' fees except as
7 provided by the Settlement.

8 17. The Court sets a hearing regarding the final distribution of the Settlement for
9 _____, 2026.

10
11 IT IS SO ORDERED.
