After investigation, Plaintiff has determined that the claims for which he originally sought relief against Defendant are untenable for several legal and factual reasons.

No consideration, either direct or indirect, was provided by Defendant or any other party to Plaintiff for dismissal of the class action, without prejudice. No notices were mailed to the similarly situated employees nor has there been any form of advertising disseminated. No class has been certified in this matter, and no motions to certify a class have been filed. No person not named in this lawsuit is bound by this dismissal.

Based upon the foregoing, Plaintiff respectfully requests that the Court grant Plaintiff's request for dismissal of class action claims *without prejudice*, and Plaintiff's individual wage-and-hour claims *with prejudice*.
