Attorneys for Plaintiff, on a representative basis and on behalf of all others similarly situated

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF SAN BERNARDINO

JAMES BONO, individually, on a
representative basis, and on behalf of all
others similarly situated;

Plaintiff,

vs.

MIZKAN AMERICA PARTNERS, INC.,
a California Corporation; and DOES 1
through 20, inclusive;

Defendants.

Case No.: CIVSB2515554

*[Assigned to Hon. Nicole Quintana Winter, Dept
S29, for all purposes]*

**PLAINTIFF'S UNOPPOSED MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION AND PAGA
SETTLEMENT**

*Filed Concurrently with Declarations in
Support Thereof and [Proposed] Order*

Hearing

Date: June 5, 2026

Time: 8:30 a.m.

Dept.: S26

1 TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:

2 PLEASE TAKE NOTICE that on June 5, 2026, 8:30 a.m., or as soon thereafter as the
3 matter may be heard by the Honorable Judge presiding in Department S29 of the San Bernardino
4 County Superior Court, located at 247 West Third Street, San Bernardino, CA 92415, Plaintiff
5 James Bono, individually and on behalf of all others similarly situated, will and hereby does
6 move the Court for entry of an Order preliminarily approving the Parties' Class Action and
7 Private Attorneys General Act ("PAGA") settlement, including:

- 8 1. Certifying the class for purposes of settlement only;
- 9 2. Preliminarily appointing Plaintiff as class representatives for settlement purposes;
- 10 3. Appointing Plaintiff's counsel as class counsel for purposes of settlement only;
- 11 4. Preliminarily approving the class action and PAGA settlement as fair, adequate,
12 and reasonable, based upon the terms set forth in the Settlement Agreement;
- 13 5. Directing distribution of the Class Notice, including notice of the opportunity to
14 exclude oneself from, or object to, the settlement;
- 15 6. Setting a date for a final fairness hearing to determine, following dissemination of
16 the Class Notice, whether to grant final approval of the Settlement.

17 This motion is based upon this Memorandum of Points and Authorities in Support
18 thereof; the Declarations of Plaintiff's counsel (Brian Mankin and Peter Carlson); the
19 Declaration of Plaintiff; the Class Action and PAGA Settlement Agreement (the "Settlement
20 Agreement"); the proposed Order granting Preliminary Approval of the Settlement; all other
21 records, pleadings, and papers filed in this action; and upon such other evidence or argument as
22 may be presented to the Court at the hearing of this motion.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Plaintiff seeks preliminary approval of a \$793,500 class action settlement on behalf of
4 approximately 700 Class Members, defined in the Settlement Agreement¹ as “all Direct Hires
5 and Staffed Employees who worked at Defendant’s locations in California during the Class
6 Period (May 27, 2021, through May 19, 2026)”.²

7 Under the terms of the Settlement Agreement, Defendant will not oppose Plaintiff’s
8 Counsel’s application for a reasonable award of attorneys’ fees not to exceed \$264,500 (1/3 of
9 the Settlement Amount), litigation expenses not to exceed \$30,000, Settlement Administrator
10 Costs of \$9,000, PAGA penalties of \$20,000 (65% to LWDA and 35% to Aggrieved
11 Employees), and a Service Payment of \$10,000 to Plaintiff (the “Class Representative”) for the
12 substantial work performed on behalf of the Class. (S.A. ¶ 52).

13 After all Court-approved deductions from the Settlement Amount, it is estimated that
14 \$455,000.00 will be available to pay the Class Members, as follows:

15

<i>Settlement Amount</i>	\$ 793,500.00
Attorneys’ Fees (1/3)	\$ 264,500.00
Litigation Costs (not to exceed)	\$ 30,000.00
Administrator Costs	\$ 14,000.00
PAGA Penalties	\$ 20,000.00
Class Representative Service Award	\$ 10,000.00
<i>Net Settlement Amount</i>	\$ 455,000.00

16
17
18
19

20 Assuming 700 total Class Members, the average payment will be approximately \$650
21 (NSA / 700). However, the actual payments will be calculated on a pro-rata basis according to
22 the number of weeks worked by each Class Member during the Class Period (S.A. ¶ 52(c)),
23 resulting in an estimated high payment of \$4,225 and estimated low payment of \$32.50. In
24 addition, 400 Aggrieved Employees will receive a share of the \$7,000 PAGA Penalties (35% of
25 the \$20,000 allocation), calculated pro-rata based on Weeks Worked during the PAGA Period.
26 (S.A. ¶ 52(h)). (Mankin Decl. ¶ 12).

27
28 ¹ The Class Action and PAGA Settlement Agreement (the “Settlement Agreement” or “S.A.”) is
attached as Exhibit A to the Declaration of Brian Mankin (“Mankin Decl.”).

² The full explanation of the Class definition is provided in Section II(A), below.

1 Because the settlement is fair, reasonable, and negotiated at arm's length by experienced
2 counsel and an experienced mediator following a sufficient exchange of information and
3 documents prior to mediation, it should be preliminarily approved. Plaintiff respectfully requests
4 that the Court enter an order preliminarily approving the settlement, conditionally certifying the
5 Class under Code of Civil Procedure § 382 for settlement purposes, approving the proposed
6 Class Notice, appointing Plaintiff's counsel as class counsel, appointing Phoenix Settlement
7 Administrators as the Administrator, and scheduling a hearing for final approval.

8 **II. BACKGROUND**

9 **A. THE CLASS**

10 The Class is defined as follows:³

11 All Direct Hires and Staffed Employees who worked at Defendant's
12 locations in California during the Class Period (May 27, 2021,
through May 19, 2026). (S.A. ¶¶ 4, 8).

13 **B. PROCEDURAL HISTORY**

14 Plaintiff submitted a letter to the Labor and Workforce Development Agency ("LWDA")
15 for civil penalties under the Private Attorneys General Act of 2004 ("PAGA") on May 23, 2025,
16 and simultaneously sent a letter to Defendant requesting the production of personnel and
17 timekeeping records to further evaluate his wage and hour claims. (Mankin Decl. ¶ 15).

18 On May 27, 2025, Plaintiff filed this class action, alleging that Defendant violated
19 various sections of the Labor Code. Then, on July 29, 2025, Plaintiff filed a separate PAGA-only
20 action against Defendant based on the same claims and theories, San Bernardino County
21 Superior Court, Case No. CIVSB2521845. (Mankin Decl. ¶ 16).

22
23
24 ³ The Class definition is supplemented by the following defined terms: (1) "Direct Hires" are
25 "individuals who were nonexempt employees hired directly by Defendant and employed to work
26 for Defendant in California during the Class Period" [S.A. ¶ 14], (2) "Staffed Employees" are
27 "individuals who were nonexempt employees employed by the Relevant Staffing Agencies and
28 assigned to work at Defendant's facilities in California during the Class Period" [S.A. ¶ 42], and
(3) "Relevant Staffing Agencies" means "the following staffing agency entities: One Source 4
Labor (OS4 Labor, LLC), Priority Workforce, Inc., Supreme HR Service LLC, United Staffing
Associates, LLC, AppleOne Employment Services, Inc., and San Gabriel Temporary Staffing
Services, LLC dba LaborMax Staffing" [S.A. ¶ 35].

1 Defendant retained counsel and immediately began to defend the case. Then, after early
2 discussions among counsel, the Parties agreed to attend private mediation. In preparation for
3 mediation, the Parties informally exchanged documents and information that allowed both sides
4 to calculate the potential damages and evaluate potential risk, including policies and procedures
5 pertaining to the claims, statistics relating to the number of current and former employees,
6 number of shifts, workweeks and pay periods worked and other things, and complete payroll and
7 timekeeping records for Class Members. This information enabled both parties to take a deep
8 dive into the claims. Additionally, during this process, Plaintiff and his counsel analyzed,
9 researched, and investigated the potential issues, including matters related to the calculation of
10 damages, trial, and appellate issues and risks. (Mankin Decl. ¶ 17).

11 On February 18, 2026, Plaintiff and Defendant participated in mediation before Tripper
12 Ortman, Esq. a well-respected employment mediator. Ultimately, the Parties reached the
13 Settlement discussed herein, which included an agreement to file the operative First Amended
14 Complaint to merge the PAGA claims from Case No. CIVSB2521845 (which was then
15 dismissed). The Parties now seek preliminary approval of the Settlement. (Mankin Decl. ¶ 18).

16 **C. BRIEF OVERVIEW OF CLAIMS AND DEFENSES**

17 Plaintiff alleged numerous wage and hour violations on behalf of the Class Members.
18 However, Defendant vigorously contested and denied Plaintiff's material allegations on the
19 merits and as to the propriety of a class action or PAGA representative action. Still, Plaintiff
20 believed there were several strong claims. (Mankin Decl. ¶ 19).

21 For instance, Plaintiff raised three distinct claims for unpaid wages. First, Plaintiff
22 alleged that the Class Members were paid on an hourly basis plus other forms of compensation,
23 such as bonuses, yet those amounts were not included in the calculations for overtime and
24 various other payments. Second, Plaintiff alleged that Defendant, at times, utilized a time
25 rounding policy that was not neutral and that resulted in underpayments to the Class. Third,
26 Plaintiff argued that Defendant failed to pay vested vacation wages to departing employees as
27 required by Labor Code § 227.3. Plaintiff contended that these violations resulted in significant
28 unpaid wages, waiting time penalties under Labor Code § 203 and other derivative penalties.

1 However, Defendant opposed each unpaid wage claim on the merits and as to the propriety of
2 class certification. (Mankin Decl. ¶ 20).

3 Plaintiff also alleged that Class Members were denied compliant meal and rest breaks due
4 to the nature of the work. However, Defendant argued it provided and made all mandated meal
5 and rest breaks available to the Class. Thus, Defendant argued these claims were without merit
6 because, for each violation, a fact-finder would have to determine why a break was
7 noncompliant; if it was the employee's choice, no liability attaches. (Mankin Decl. ¶ 21).

8 Finally, Plaintiff alleged a variety of other claims (all of which Defendant disputed), such
9 as failure to reimburse business expenses, failure to timely pay all wages upon separation of
10 employment, and failure to provide accurate itemized wage statements. (Mankin Decl. ¶ 22).

11 Despite the disputed nature of the claims, the Parties concluded that further litigation of
12 the Action would be protracted and expensive, and that it is desirable that the Action be fully and
13 finally settled to limit further risk, expense, and protracted litigation. (Mankin Decl. ¶ 23).

14 **III. SUMMARY OF THE PROPOSED SETTLEMENT**

15 The following is a summary of the principal terms of the Settlement Agreement.

16 **A. SETTLEMENT CONSIDERATION AND ALLOCATION**

17 The \$793,500 Settlement Amount⁴ is non-reversionary and will be paid out to Class
18 Members without the need to submit a claim form or take any affirmative action. It includes (1)
19 Plaintiff's attorneys' fees and costs, as approved by the Court; (2) a service award of \$10,000 to
20 Plaintiff, subject to approval by the Court; (3) Administration Costs, not to exceed \$14,000; (4) a
21 \$20,000 PAGA award, with 65% paid to the LWDA and 35% to the Aggrieved Employees; and
22 (5) the aggregate of all Individual Settlement Amounts of the Participating Class Members. (S.A.
23 ¶ 52). Defendant will separately pay its share of employer payroll taxes. (*Id.*).

24 ///

25 ///

27 ⁴ If the "Escalator Clause" is triggered, Defendant must elect to either shorten the Class Period or
28 increase the Settlement Amount. (*See* S.A. ¶¶ 17). If this occurs, other figures will also shift
upward along with the Settlement Amount, such as attorneys' fees, along with possible increased
Settlement Administration Costs (*see* S.A. ¶ 52(g)).

1 **B. NOTICE PROCEDURES**

2 The proposed Notice will be provided to the Class, in English and Spanish, showing the
3 estimated amounts that each Class Member will receive, the number of Work Weeks credited as
4 a Class Member and as an Aggrieved Employee (*See* Exhibit B to Mankin Decl.). Within 30
5 calendar days after Preliminary Approval, Defendant shall provide the Administrator with the
6 “Class Data” consisting of Class Member names, addresses, Social Security Numbers, Weeks
7 Worked during the Class/PAGA Period(s). Then, within 21 calendar days of receipt of the Class
8 Data, the Administrator shall calculate the numbers for each Class Member, populate the Notice,
9 and send each Class Member the Notice via first-class, United States mail.

10 If a Notice is returned as undelivered by the U.S. Postal Service, the Administrator shall
11 perform a skip trace search and seek an address correction for the Class Member(s), and a second
12 Notice will be sent to any new or different address obtained.

13 **C. EXCLUSION AND OBJECTION PROCEDURES**

14 Class Members who do not timely Opt-Out of the Settlement will be deemed to
15 participate in the Settlement and shall become a Participating Class Member without having to
16 submit a claim form or take any other action. To Opt-Out of the Settlement, the Class Member
17 must submit a written request to the Administrator no later than 30 days after being mailed by
18 the Settlement Administrator (“Response Deadline”). (S.A. ¶ 33). Any Opt-Out request that is
19 not postmarked by the Response Deadline will be invalid, unless a Notice was remailed in which
20 case the Class Member’s exclusion or objection must be returned by the later of the original
21 Response Deadline or 15 calendar days after the remailing of the notice. (S.A. ¶¶ 65).

22 The Class Notice shall inform Class Members of their right to object to the Settlement.
23 Any Participating Class Member who wishes to object to the Settlement must provide their
24 objection no later than the Response Deadline. (S.A. ¶ 69(c)).

25 **D. SETTLEMENT ALLOCATION FORMULA FOR SETTLEMENT SHARES**

26 The amount of each Class Member’s Individual Class Payment is tied to the number of
27 Weeks Worked by each Class Member for Defendant in California during the Class Period.
28 However, the Parties agree that the circumstances of the case are such that potential exposure for

1 Direct Hires is significantly more than that of Staffed Employees, and that this warrants different
2 allocations workweek rates for each. As such, the Parties agreed that 8/9 of the Net Settlement
3 Amount shall be allocated for payments to Direct Hires and 1/9 of the Net Settlement Amount
4 shall be allocated for payments to Staffed Employees. As such, each specific Individual Class
5 Payment will be calculated by: (1) multiplying each Participating Class Members' Direct Hire
6 Workweeks by the Direct Hire Workweek Rate, (2) multiplying each Participating Class
7 Members' Staffed Employee Workweeks by the Staffed Employee Workweek Rate, and then (3)
8 adding those two numbers together to determine the Individual Class Payment. The amount
9 distributed to Participating Class Members shall equal one hundred percent (100%) of the Net
10 Settlement Amount. (S.A. ¶ 52(c)). Additionally, each "Aggrieved Employee" will receive an
11 Individual PAGA Payment, calculated by dividing and distributing the \$7,000 on a pro-rata
12 Weeks Worked basis. (S.A. ¶ 52(h)).

13 The Class Notice will inform Class Members of the number of Weeks Worked during the
14 relevant periods as a Direct Hire and Staffed Employee, and the estimated Individual Class and
15 PAGA Payments. Class Members may dispute their Weeks Worked by timely submitting
16 evidence to the Settlement Administrator. (S.A. ¶ 67).

17 **E. TIMING OF SETTLEMENT DISBURSEMENTS**

18 Pursuant to the terms of the Settlement Agreement, Defendant is required to fund the
19 Settlement Amount, plus its share of payroll taxes owed on the Individual Class Payments,
20 within 30 days of the Effective Date. (S.A. ¶ 71). Class Members will have 180 days to cash the
21 settlement check. (S.A. ¶ 72). For any checks remaining uncashed after the deadline, the
22 Administrator shall issue the unclaimed funds to the California State Controller in the name of
23 the Class Member/Aggrieved Employee. (*Id.*).

24 **F. TAX TREATMENT**

25 The Parties agree that one-third (1/3) of the Individual Class Payments will be allocated
26 as wages subject to withholding of all applicable local, state and federal taxes and the remaining
27 two-thirds (2/3) will be allocated for interest and penalties (pursuant to, *e.g.*, California Labor
28 Code §§ 203, 210, 226, 2699 etc.) from which no taxes will be withheld. (S.A. ¶ 52(d)). The

Individual PAGA Payments will be classified entirely as civil penalties and shall be reported as required on an IRS Form 1099. (S.A. ¶ 52(h)).

G. PARTICIPATING CLASS MEMBERS' RELEASE OF CLAIMS

In exchange for these payments, the Settlement Agreement at ¶ 31 defines the “Released Class Claims” (which are limited to the Class Period) as follows:

all claims alleged in the Complaint, or those that reasonably could have been alleged based upon the facts stated in the Complaint, including the following causes of action and all statutory support thereof: (1) failure to pay minimum wages, (2) failure to pay overtime wages, (3) failure to provide meal periods, (4) failure to provide rest breaks, (5) failure to reimburse business expenses, (6) failure to pay vested vacation, (7) failure to timely pay final wages, (8) failure to provide accurate itemized wage statements, and (9) unfair and unlawful competition..

H. AGGRIEVED EMPLOYEES' RELEASE OF CLAIMS

The Settlement Agreement at ¶ 32 also defines the “Released PAGA Claims” (which are limited to the PAGA Period) as follows:

the PAGA claims alleged in the Complaint, or that reasonably could have been alleged based on the facts stated in the Complaint and in the relevant LWDA notice letters, including all PAGA claims seeking civil penalties premised upon: (1) failure to pay minimum wages, (2) failure to pay overtime wages, (3) failure to provide meal periods, (4) failure to provide rest breaks, (5) failure to reimburse business expenses, (6) failure to pay vested vacation, (7) failure to timely pay final wages, (8) failure to provide accurate itemized wage statements, and (9) all other claims for civil penalties recoverable under the Private Attorneys General Act, Labor Code §§ 2698 et seq. based on the facts or claims alleged in the LWDA notice letters and Complaint.

Moreover, even if an Aggrieved Employee requests exclusion from the Class settlement, that individual will still be subject to the Released PAGA Claims and will receive a pro-rata share of PAGA Penalties. (S.A. ¶ 57).

IV. PROVISIONAL CERTIFICATION OF THE CLASS IS APPROPRIATE FOR PURPOSES OF SETTLEMENT

California Rule of Court 3.769(d) provides that the Court may make an order approving certification of a provisional settlement class at the preliminary approval stage. It is well-

1 established that trial courts should use a “lesser standard of scrutiny” for determining the
2 propriety of certifying a settlement class, as opposed to a litigation class. *Dunk v. Ford Motor*
3 *Co.* (1996) 48 Cal.App.4th 1794, 1807 at n.19; *Officers for Justice v. Civil Service Com.* (9th Cir.
4 1982) 688 F.2d 615, 633 (“[C]ertification issues raised by class action litigation that is resolved
5 short of a decision on the merits must be viewed in a different light.”); *Amchem Prods., Inc. v.*
6 *Windsor* (1997) 521 U.S. 591, 620 (“Confronted with a request for settlement-only class
7 certification, a district court need not inquire whether the case, if tried, would present intractable
8 management problems . . . for the proposal is that there be no trial.”). As discussed below, for the
9 purposes of this settlement only, Plaintiff requests that this Court provisionally certify the Class,
10 as defined above, under Code of Civil Procedure § 382.

11 **A. ASCERTAINABILITY AND NUMEROSITY**

12 In determining whether a class is ascertainable, the court considers “(1) the class
13 definition, (2) the size of the class, and (3) the means available for identifying the class
14 members.” *Reyes v. San Diego County Board of Supervisors* (1987) 196 Cal.App.3d 1263,
15 1271; *Medrazo v. Honda of N. Hollywood* (2008) 166 Cal.App.4th 89, 101 (proposed settlement
16 class is ascertainable if the class members can be objectively identified and given notice of the
17 litigation without unreasonable time or expense). Here, according to Defendant’s records, there
18 are approximately 700 Class Members that are easily identifiable and fall within the defined
19 Class. Thus, Plaintiff’s proposed Class meets the ascertainability and numerosity requirements.

20 **B. WELL-DEFINED COMMUNITY OF INTEREST**

21 **1. Commonality**

22 To justify certification, the class proponent must show that questions of law or fact
23 common to the class predominate over the questions affecting the individual members. *Arenas v.*
24 *El Torito Rests., Inc.* (2010) 183 Cal.App.4th 723, 732. Here, Plaintiff contend that the Class was
25 subjected to common policies and practices relating to payment of wages, meal/rest breaks, and
26 so on. While the Parties dispute whether a class would be appropriate if the litigation were to
27 continue, they agree to class certification for the purposes of this settlement only.

28 ///

1 2. Typicality

2 Typicality “focuses on whether there exists a relationship between the Plaintiff’s claims
3 and the claims alleged on behalf of the class.” *See* Herbert B. Newberg & Alba Conte, *Newberg*
4 *on Class Actions* § 3:13 (4th ed. 2002). Again, the Parties dispute whether Plaintiff’s claims are
5 typical of the Class for the purposes of any continued litigation of the Action, but agree for the
6 purposes of this settlement only, that Plaintiff asserts claims regarding Defendant’s pay policies,
7 meal and rest break practices, wage statements, and the provisions governing the timely and
8 complete payment of wages, which are at the core of the lawsuit.

9 3. Adequacy of Representation

10 The proposed class representatives must establish that they will adequately represent the
11 proposed class. *Barboza v. West Coast Digital GSM, Inc.* (2009) 179 Cal.App.4th 540, 546.
12 Specifically, Plaintiff is adequate to represent the class because he was employed by Defendant
13 during the Class Period, experienced the same wage and hour practices as the rest of the Class,
14 understood his duties as Class Representative, has been willing to undergo the risks of litigation,
15 and has no conflict of interest. (*See* Plaintiff’s Decl.).

16 Adequacy may be established by the fact that counsel are experienced practitioners. *See*
17 *Local Joint Exec. Bd. v. Las Vegas Sands, Inc.* (9th Cir. 2001) 244 F.3d 1152, 1162. Here,
18 Plaintiff is represented by Class Counsel with extensive experience in wage and hour class
19 actions like this matter. (Mankin Decl. ¶¶ 2-6; Carlson Decl. ¶¶ 3-9).

20 4. Superiority

21 Certification of the Class for settlement purposes is superior here because there will be a
22 global resolution of all claims at once, which fosters judicial economy. Class certification for
23 settlement purposes is also vastly superior to litigation of numerous individual claims because
24 most of the claims are too small to litigate outside of the class context.

25 ///

26 ///

27 ///

28 ///

1 **V. THE COURT SHOULD PRELIMINARILY APPROVE THE SETTLEMENT,**
2 **WHICH IS FAIR, ADEQUATE, AND REASONABLE**

3 **A. CLASS ACTION SETTLEMENTS ARE SUBJECT TO JUDICIAL REVIEW AND**
4 **APPROVAL UNDER THE CALIFORNIA RULES OF COURT**

5 The law favors settlements. *Bush v. Superior Court* (1992) 10 Cal.App.4th 1374. This is
6 particularly true in class actions where substantial resources can be conserved by avoiding the
7 time, cost, and rigors of formal litigation. However, a class action may not be dismissed,
8 compromised, or settled without the Court's approval. Cal. R. Ct. 3.769(a). The California Rules
9 of Court set forth the procedures for court approval of a class action settlement: (1) the Court
10 preliminarily approves the settlement; (2) class members receive notice as directed by the Court;
11 and (3) the Court conducts a final approval hearing to inquire into the fairness of the proposed
12 settlement. *See* Cal. R. Ct. 3.769(c), (e-g).

13 The decision to approve or reject a proposed settlement lies within the Court's sound
14 discretion. *Wershba v. Apple Computer, Inc.* (2001) 91 Cal.App.4th 224, 234-35. And the
15 Court's ultimate duty is to determine whether the settlement is fair, adequate, and reasonable.
16 *Dunk*, 48 Cal.App.4th at 1801 (setting forth the "fair, adequate, and reasonable" standard).

17 Thus, at the preliminary approval stage, the Court need only determine that the settlement
18 falls within the "range of possible judicial approval," so that notice to the class and the
19 scheduling of the fairness hearing are worthwhile. *See Newberg* § 11:25. Indeed, the Court
20 should grant preliminary approval if there are no "grounds to doubt its fairness or other obvious
21 deficiencies . . . and [the settlement] appears to fall within the range of possible approval."
22 *Manual For Complex Litigation* (Third) § 30.41 (1995); *see Dunk*, 48 Cal.App.4th at 1802. A
23 "presumption of fairness exists where: (1) the settlement is reached through arm's-length
24 bargaining; (2) investigation and discovery are sufficient to allow counsel and the court to act
25 intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of objectors
26 is small." *Dunk, supra* (citing *Newberg* § 11:41). As shown below, the settlement falls well
27 within the range of approval because there are no grounds to doubt its fairness.

28 ///

1 **B. THE SETTLEMENT IS THE RESULT OF SERIOUS, INFORMED, NON-COLLUSIVE**
2 **NEGOTIATIONS**

3 The settlement was the product of extensive arm's length negotiations between counsel
4 and was facilitated by an experienced wage-and-hour class action mediator. Though cordial and
5 professional, the settlement negotiations were adversarial and non-collusive in nature. The
6 settlement reached is the product of substantial effort by the parties and their counsel. Although
7 Plaintiff and his counsel believed that there was a possibility of certifying the claims, they
8 recognized the potential risk, expense, and complexity posed by litigation, such as unfavorable
9 decisions on class certification, summary judgment, at trial and/or on the damages awarded,
10 and/or on an appeal that can take several more years to litigate. In addition, if Defendant
11 prevailed on any of the defenses, the employees may not have received any monetary recovery.

12 **C. THE EXTENT OF THE INVESTIGATION WAS MORE THAN SUFFICIENT TO PERMIT**
13 **PRELIMINARY APPROVAL OF THE SETTLEMENT**

14 Plaintiff thoroughly investigated and evaluated the factual and legal strengths and
15 weaknesses of this case before reaching the settlement. As described above, the settlement was
16 reached after extensive investigation and research, thorough calculations and risk evaluation, and
17 a substantial exchange of information prior to mediation. *See Munoz v. BCI Coca-Cola Bottling*
18 *Co.* (2010) 186 Cal.App.4th 399, 410 (approving settlement where "considerable information
19 [exists] from which to assess the strength of the class claims" and litigation risks).

20 **D. THE SETTLEMENT IS A REASONABLE COMPROMISE OF CLAIMS**

21 To evaluate a settlement, the parties must provide the trial court with "basic information
22 about the nature and magnitude of the claims in question and the basis for concluding that the
23 consideration being paid for the release of those claims represents a reasonable compromise."
24 *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 133.

25 However, *Kullar* does not require review of the outer reaches of possible exposure
26 without considering actual risks of certification, decertification, dispositive motions, and trial,
27 rather only a record which allows "an understanding of the amount that is in controversy and the
28 realistic range of outcomes of the litigation." *Munoz*, 186 Cal.App.4th at 408-9. Thus, a

1 settlement is not judged against what might have been recovered had a plaintiff prevailed at trial,
2 nor does the settlement have to provide 100% of the damages sought to be fair and reasonable.
3 *Wershba*, 91 Cal.App.4th at 250 (“Compromise is inherent and necessary in [settlement] ... even
4 if the relief afforded by the proposed settlement is substantially narrower than it would be if the
5 suits were to be successfully litigated, this is no bar to a class settlement because the public
6 interest may indeed be served by a voluntary settlement in which each side gives ground in the
7 interest of avoiding litigation.”))

8 Here, Defendant raised significant legal and factual defenses that weigh in favor of the
9 reasonableness of the proposed Settlement. In addition to disputing the merits of Plaintiff’s
10 claims, Defendant strongly disputed that Plaintiff could obtain class certification, arguing a lack
11 of commonality of the legal claims and injuries. Defendant further argued that it complied with
12 the applicable law and that any purported deviations therefrom were individualized in nature,
13 thereby limiting Plaintiff’s ability to certify the class. Thus, while Plaintiff asserts that this is a
14 suitable case for certification, he realizes that there is always a significant risk associated with
15 class certification proceedings, which could limit the claims he could pursue on a class basis.

16 Considering the uncertainties of protracted litigation, this negotiated settlement reflects
17 the best practicable recovery for the Class. While the total Settlement Amount is, of course, a
18 compromise figure, the potential risks and opportunities of both parties were effectively weighed
19 and considered by the parties, resulting in a fair and equitable settlement.

20 Based upon data obtained through formal and informal discovery, and by applying
21 violations rates derived from analysis of extensive documents and data from Defendant, Plaintiff
22 created damage models estimating the maximum possible class damages and penalties.
23 However, this failed to incorporate or acknowledge many risks at class certification and on the
24 merits, defenses, and other issues (such as violation rates and evidentiary burdens of proof).

25 Thus, when applying risks at class certification and on the merits, and when considering
26 other factors (such as evidentiary burdens of proof), Plaintiff calculated the risk-adjusted award
27 at trial for the class claims to be \$1,364,000. The full analysis of the maximum and risk-adjusted
28 values is contained in the Mankin Decl. at ¶¶ 26-31 (and, for the sake of brevity, that information

1 is not duplicated in this Motion).

2 Thus, the reasonableness of the settlement is apparent from the fact that the proposed
3 settlement is 58.1% of the risk-adjusted class damages and penalties. And, for that reason and
4 the others discussed in this Motion, the Parties submit that this settlement is fair and reasonable.

5 **E. PLAINTIFF’S COUNSEL IS EXPERIENCED IN WAGE-AND-HOUR LITIGATION**

6 The view of attorneys conducting the litigation is entitled to significant weight deciding
7 whether to approve a settlement. *Ellis v. Naval Air Rework Facility* (N.D. Cal. 1980) 87 F.R.D.
8 15, 18; *Kullar*, 168 Cal.App.4th at 128 (court must consider “the experience and view of
9 counsel”). Here, Plaintiff’s Counsel are highly experienced in Class/PAGA litigation, having
10 repeatedly been named “Super Lawyer” in employment litigation (a distinction awarded to only
11 5% of litigators), having achieved large settlements and verdicts, including one of the largest
12 PAGA awards in California’s history, collecting over \$300 million for its clients, having tried
13 class and PAGA cases against Fortune 100 companies, among other things. (Mankin Decl. ¶¶ 2-
14 6; Carlson Decl. ¶¶ 3-9). Plaintiff’s counsel, operating at arm’s length, weighed the strengths and
15 risks of this case, and are of the view that this is a fair and reasonable settlement considering the
16 nature of the claims, realistic risk adjusted value, the complexities of the case, state of the law,
17 and uncertainties of class certification and litigation.

18 **F. THE CLASS NOTICE CONFORMS TO ALL APPLICABLE STATUTES AND RULES**

19 The proposed Notice should be approved, as it fully informs the Class Members of the
20 nature of the lawsuit and each Class Member’s rights under terms of the Settlement Agreement
21 and applicable law. The way the Class Notice shall be disseminated ensures that all or nearly all
22 of the Class Members shall be properly notified of the proposed settlement.

23 The proposed Notice and proposed plan for the Administrator to mail the Notice to the
24 last known address of all class members complies with all the requirements of Cal. Rule of Court
25 3.769(f) and 3.766(b). The proposed Notice includes: (1) the material terms of the settlement; (2)
26 the proposed attorneys’ fees, litigation expenses, and the costs of administration; (3) details
27 about the final fairness hearing and how class members may elect to exclude themselves or make
28 an objection; (4) how class members can obtain additional information; and (5) each Class

1 Members' Individual Class and PAGA Payments. *See* Class Notice (Exhibit B to Mankin Decl.).

2 The Court has wide discretion in approving the means of providing notice, so long as the
3 class representative “provide(s) meaningful notice in a form that should have a reasonable
4 chance of reaching a substantial percentage of class members.” *Archibald v. Cinerama Hotels*,
5 (1976) 15 Cal.3d 853, 861. Here, the Notice will be disseminated directly to the Class Members
6 by first class mail by the Settlement Administrator, since Defendant have the last known
7 addresses of all class members and the Settlement Administrator will perform a skip trace and
8 update those addresses for any Notices that are returned and re-send the same.

9 The Notice satisfies the requirements of Rule of Court 3.766 and affords Class Members
10 with all due process protections required by the U.S. Constitution. Moreover, the contents of the
11 Notice comply with Cal. R. Ct. 3.766(d), because the Notice includes, without limitation (1) a
12 detailed explanation of the case, including the basic contentions or denials of the parties; (2) a
13 statement that the court will exclude the member from the class if the member so requests by a
14 specified date; (3) a procedure for the member to follow in requesting exclusion from the class;
15 (4) a statement that the judgment, whether favorable or not, will bind all members who do not
16 request exclusion; and (5) a statement that any member who does not request exclusion may, if
17 the member so desires, enter an appearance through counsel. The 30-day deadline to opt-out or
18 object is also reasonable, as it provides Class Members sufficient time to do so and, if they so
19 choose, to seek independent legal advice in the interim. If a Class Member does not opt-out, he
20 or she will automatically be sent a settlement check.

21 **G. THE NON-REVERSIONARY “CHECKS CASHED” DISTRIBUTION ENSURES**
22 **MAXIMAL RECOVERY FOR CLASS MEMBERS**

23 The fact that each member who does not opt out of the Settlement shall be mailed a check
24 ensures that every Class Member will be paid unless they affirmatively act to exclude themselves.
25 Moreover, the Settlement Amount is non-reversionary, which means that no settlement funds
26 will revert to Defendant; instead, if any checks are uncashed by the deadline, the funds will be
27 transferred to the State Controller’s Office subject to approval of the Court. Such terms are
28 favored by Courts and demonstrate that there was no collusion between counsel for the parties

1 and that the Settlement is fair and favorable to the Class Members.

2 **H. THE ATTORNEY’S FEES AND COSTS ALLOCATION IS FAIR**

3 Under the terms of the Settlement Agreement, Class Counsel is seeking reimbursement
4 of up to \$30,000 in litigation costs, along with attorneys’ fees equal to one-third of the
5 Settlement Amount. See, e.g., *Laffitte v. Robert Half Int’l Inc.* (2016) 1 Cal.5th. 480 (approving
6 1/3 fee in the amount of \$6.33 million at a 2.13 lodestar multiplier, and holding that when class
7 action litigation establishes a monetary fund for the benefit of the class members, the trial court
8 may determine the amount of a reasonable fee by choosing an appropriate percentage of the
9 fund created); *Stuart v. RadioShack Corp.* (N.D. Cal. Aug. 9, 2010) 2010 WL 3155645
10 (approving fee 1/3 from settlement amount of \$4.5 million since 1/3 was “well within the range
11 of percentages which courts have upheld as reasonable in other class action lawsuits”).

12 Once the Court grants preliminary approval and Notice is disseminated, Plaintiff’s
13 counsel will submit a comprehensive request for attorneys’ fees and costs with final approval.

14 **I. THE REQUESTED SERVICE AWARD REQUEST IS FAIR AND APPROPRIATE**

15 The Settlement Agreement provides an incentive award payment of \$10,000 to the Class
16 Representative, which is reasonable given the recovery Class Members will receive on average,
17 as well as the time and effort he devoted to this case. His efforts included providing factual
18 background for the litigation; providing documents and information about Defendant’s
19 compensation plan; participating in phone calls to discuss litigation and settlement strategy;
20 making himself available throughout the litigation to assist with analyzing the claims and
21 defenses; helping Class Counsel prepare for the mediation; assisting with discovery and
22 deposition strategy, and; reviewing the settlement documents. The Class Representative also
23 assumed significant risk in this litigation —namely, had he lost, he could have been ordered to
24 pay Defendant’s costs.⁵

25 The requested service award falls within the range of incentive payments typically
26 awarded to Class Representatives in similar class actions. See, e.g., *Bond v. Ferguson*
27 *Enterprises, Inc.* (E.D. Cal. 2011) 2011 WL 2648879 (approving \$11,250 service awards in class
28

⁵ Plaintiff has also separately resolved individual FEHA and related claims against Defendant.

1 action); *Ross v. US Bank National Association* (N.D. Cal. 2010) 2010 WL 3833922, at *2
2 (approving \$20,000 enhancement award in California wage-and-hour class settlement); *Vasquez*
3 *v. Coast Valley Roofing, Inc.* (E.D. Cal. 2010) 266 F.R.D. 415, 493 (approving service awards of
4 \$15,000 from a \$300,000 settlement fund in a wage/hour class action); *West v. Circle K Stores,*
5 *Inc.* (E.D. Cal. 2006) 2006 U.S. Dist. LEXIS 76558, at *28 (finding service awards “of \$ 15,000
6 each to be reasonable.”); *Glass v. UBS Fin. Servs.* (N.D. Cal. 2007) 2007 U.S. Dist. LEXIS
7 8476, at *52 (finding “requested payment of \$25,000 to each of the named Plaintiff is
8 appropriate” in wage and hour settlement).

9 **VI. THE COURT SHOULD APPOINT PHOENIX AS ADMINISTRATOR**

10 Subject to the Court’s approval, the parties agreed to Phoenix Settlement Administrators
11 serving as the Settlement Administrator. Phoenix is experienced in administering class action
12 settlements and has provided a flat-fee proposal to administer this settlement for \$14,000.
13 (Mankin Decl. ¶ 44; Exhibit D [Phoenix’s bid]).

14 **VII. THERE ARE NO RELATED CASES**

15 Plaintiff’s counsel attest that their firm is not aware of any other pending cases that would
16 be impacted by this settlement. (Mankin Decl. ¶ 46).

17 **VIII. TIMELINE AND SCHEDULING A FINAL APPROVAL HEARING**

18 The last step in the approval process is the formal hearing, whereby proponents of the
19 Settlement may explain and describe its terms and conditions and offer argument in support of
20 approval, and Class Members or their counsel may be heard in support of or in opposition to the
21 settlement. Subject to the Court’s approval, the Parties propose that the Court schedule a hearing
22 for final approval approximately 120 days after the Preliminary Approval Date.

23 The following table illustrates the relevant dates, assuming the Court grants preliminary
24 approval on June 5 (*i.e.*, the dates will shift if the Order is signed on a date after June 5).

25 June 5, 2026	Preliminary Approval (PA) hearing
26 July 27, 2026 27 (51 days after PA)	Deadline for Administrator to complete first mailing of the Class Notice to all Class Members.
28 August 26, 2026 (30 days after mailing)	Deadline for Class Members to submit Requests for Exclusion, Objections and Disputes to the settlement.

16 court days before Final Approval hearing	Deadline for Plaintiff to file and serve Motion for Final Approval and application for award of fees, costs and service payments.
9 court days before Final Approval hearing	Deadline for filing of any written opposition to Plaintiff's Motion for Final Approval, or filing response to an objection.
5 court days before final approval hearing	Deadline for filing of any written reply to opposition Motion for Final Approval
Approx. October 5, 2026 (approx. 120 days after PA)	Final Approval Hearing

IX. CONCLUSION

For all the foregoing reasons, Plaintiff respectfully requests that the Court grant the motion for preliminary approval of the settlement.

Dated: May 13, 2026

LAUBY, MANKIN & LAUBY LLP

BY:

 Brian J. Mankin, Esq.
 Attorneys for Plaintiff and the Class

PROOF OF SERVICE
(Pursuant to CCP §§ 1013(a)(1) and 2015.5)

STATE OF CALIFORNIA)
) ss.
COUNTY OF RIVERSIDE)

I am employed in the County of Riverside, State of California. I am over the age of 18 and not a party to the within action; my business address is 5198 Arlington Avenue, PMB 513, Riverside, CA 92504.

On May 13, 2026, I caused to be served the foregoing document(s) described as follows:

PLAINTIFF'S UNOPPOSED MOTION FOR PRELIMINARY APPROVAL OF CLASS ACTION AND PAGA SETTLEMENT

I declare that I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. It is deposited with the U.S. postal service on that same day in the ordinary course of business. I am aware that on motion of party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

☐ **By Mail** I deposited such envelope in the mail at Riverside, California. The envelope was mailed with postage thereon fully prepaid.

☐ **By Facsimile** I sent this document via fax to all parties as listed on attached service list, on

☐ **By Overnight Service** I deposited such envelope in a facility regularly maintained by the United Parcel Service for receipt of items for overnight delivery, with overnight delivery expenses prepaid, addressed to the person to be served.

☒ **By Email or Electronic Transmission:** Pursuant to CCP § 1010.6 or an agreement of the parties to accept service by email or electronic transmission, I caused the document(s) to be sent from email address tracie@lmlfirm.com to the persons at the electronic notification address listed in the service list. I did not receive, within a reasonable time after the transmission, any electronic message or other indication that the transmission was not successful.

☐ **By Certified Mail-Return Receipt Requested** I caused such envelope with postage fully prepaid thereon, to be placed in the United States mail at Riverside, California

☐ **By Personal Service** I caused said document(s) to be personally served by hand on the parties listed on the attached service list.

☒ **State** I declare under penalty of perjury under the laws of the State of California that the above is true and correct. Executed on May 13, 2026, Riverside, California.

☐ **Federal** I declare that I am employed in the office of a member of the bar of this court at whose direction the service was made.

Tracie Chiarito, Declarant
