Case No. 25CV133325

**CCP SECTION 382.4 DECLARATION OF
COUNSEL**

Complaint Filed: July 22, 2025

I, R. BRIAN DIXON, declare and state as follows:

1. I ("Counsel") am an attorney duly licensed to practice before all the Courts of the State of California. I am a Senior Counsel with Littler Mendelson, P.C. and am the attorney of record for Defendant Plenitude Food Crafts, LLC, in this lawsuit. Except as otherwise indicated, I have personal knowledge of all matters set forth herein and, if called as a witness, I could and would competently testify thereto under oath.

2. Pursuant to California Code of Civil Procedure section 382.4 and pursuant to an internal search, Counsel is informed and believes that Littler Mendelson, PC, has no client relationship with the Alameda County Food Bank and has no client with an interest adverse to the Alameda County Food Bank. Counsel is also informed and believes that no attorney of Littler Mendelson has been identified as having a business relationship with the Alameda County Food Bank.

3. Counsel's sole interest in proposing the Alameda County Food Bank as the *cy pres* recipient was to find an organization that was engaged in the same general undertaking of the Defendant Plenitude Food Crafts, LLC, that served an eleemosynary purpose, and that was located in the same county as that in which the subject matter of the instant case arose. Counsel is not aware of any direct or indirect benefit that would arise to Littler Mendelson, PC, by virtue of the Alameda County Food Bank being the *cy pres* recipient. I, R. Brian Dixon, hereby declare under penalty of perjury that the foregoing is true and correct as to my personal knowledge, except as to such matters as are stated to be based upon information and belief and, as to such matters, I believe them to be true.

Executed in San Rafael, California, this 4th day of September 2026.

LITTLER MENDELSON, P.C.
