DECLARATION OF ANA GONZALEZ

I, **ANA GONZALEZ**, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am the named plaintiff in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Defendant Planned Building Services, Inc. (“Defendant”) from approximately October 2020 to approximately March 2022 as a non-exempt, hourly-paid employee, as a Matron. I decided to seek legal advice about my work experiences with Defendant and about pursuing my grievances. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Defendant paid me and other employees what was owed to us and was held accountable for their practice of not properly compensating their employees for all hours worked and non-compliant meal and rest breaks. After speaking with the attorneys, I investigated representative action lawsuits on my own and did some research into the leading employment law firms in California. Thereafter, I consulted with the attorneys at Lawyers *for* Justice, PC discussing my situation, representative action lawsuits under the Private Attorney General Act (“PAGA”), and what it meant to bring be a PAGA representative.

3. I have spent significant time communicating with my attorneys regarding the case and fulfilling my responsibilities as a PAGA representative, which included gathering documents concerning my employment with Defendant reviewing documents with my attorneys, providing information regarding the duties of hourly-paid and non-exempt employees, and helping develop a strategy as to what documents and information to obtain from Defendant. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained.

4. As the case progressed, I was available to answer any questions my attorneys had and was available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I also spent time speaking with my attorneys about the case, identifying potential witnesses, providing my attorneys with documents and information concerning the case, and also describing policies, practices, and procedures of Defendant.
