1           4.     Throughout the case, I was available to answer any questions my attorneys had,  
2 and available to speak and meet with my attorneys whenever they needed me. I responded to  
3 them as quickly as possible and gave them as much information and identified as many  
4 documents as I could. I spent at least 12 additional hours speaking with my attorneys about the  
5 case, identifying potential witnesses, providing my attorneys with documents and information  
6 concerning the case, and also describing policies, practices, and procedures of Motive Energy. In  
7 addition, during the discovery phase of this case, I spent at least an additional 8 hours reviewing  
8 Motive Energy, Inc. and Motive Energy Telecommunications Group, Inc.'s discovery requests,  
9 locating documents, and providing responses to my attorneys.

10           5.     On January 13, 2017, I attended a full day of deposition that lasted approximately  
11 8 hours. I spent at least 2 hours preparing for the deposition and approximately 3 additional  
12 hours traveling to and from the deposition. After the deposition, I spent at least 2 hours  
13 reviewing my testimony and discussing the contents of the deposition transcript with my  
14 attorneys.

15           6.     As far as the settlement is concerned, I was available to review documents and  
16 answer any questions my attorneys had. I spent about 2 hours reviewing the settlement  
17 agreement and about 1 hour asking questions and discussing the potential settlement with my  
18 attorneys before signing the settlement agreement.

19           7.     I believe that I have done everything that my attorneys have asked of me and have  
20 tried, to the best of my ability, to represent the class. I think my efforts helped to get the result  
21 obtained in this case, and as a class representative, I respectfully request that the Court award me  
22 a service payment in the amount of \$8,000.00 for my active participation in this case. Taking  
23 into consideration the time that I have dedicated to this case, I believe that this amount is  
24 reasonable.

25           8.     I am not related to anyone associated with Lawyers for Justice, PC.

26           9.     I have not entered into any undisclosed agreements, nor have I received any  
27 undisclosed compensation in this case. The only compensation I will receive is whatever amount  
28 the Court awards as a service payment, as well as my share of the settlement fund as a class

1 member.

2 I declare under penalty of perjury under the laws of the State of California that the  
3 foregoing is true and correct.

4 Executed this 15 day of June 2018, at Rancho Cucamonga, California.
