DECLARATION OF JESSE ROBLES

I, JESSE ROBLES, state and declare as follows:

1. I am a competent adult, over the age of eighteen, and the named Plaintiff in the above-captioned matter. The following is based upon my personal knowledge, and if called as a witness, I could and would testify competently thereto.

2. I am a former employee of Defendant GEREMIA POOLS (“Defendant” or “Geremia”).

3. I brought this lawsuit, on behalf of myself and all other Aggrieved Employees, against Defendant because I believe that Defendant failed to pay all wages and/or overtime, failed to reimburse business-related expenses, failed to issue accurate itemized wage statements and failed to pay wages owed at time of separation to me and other employees.

4. I understand that I am representing other employees and I believe that I am able to represent them well.

5. I first researched experienced attorneys who are very experienced with these types of lawsuits. Once retained, I compiled relevant documents from my employment to assist my attorneys in litigating this case. I worked with my attorneys to develop the facts and legal claims in this lawsuit. The lawsuit was filed on November 17, 2022.

6. Throughout the litigation, I have provided my attorneys with helpful information for this lawsuit and for the settlement as needed. Additional work in connection with this matter includes providing information to my attorneys regarding my employment with Defendant, staying in regular contact with my attorneys to discuss the status of the case, responding promptly to my attorneys’ various communications regarding this matter, making myself available by phone for a full-day mediation in June 14, 2023; and reviewing and analyzing the settlement agreement and settlement papers to ensure the settlement was fair and reasonable and in the best interests of the Aggrieved Employees.

7. I have worked to actively represent the other aggrieved employees and their interests.

8. I have always kept the aggrieved employees’ interests at heart in this litigation.

1 9. I am prepared to continue assisting with this litigation and am committed to
2 achieving the best possible results for the aggrieved employees.

3 10. I believe that the representative action settlement obtained on behalf of the
4 aggrieved employees is fair and reasonable in light of the issues involved in this case. As
5 mentioned above, I reviewed and discussed the Agreement with my attorneys and asked them
6 questions about it to ensure that I understood its terms and what it would mean for all of the
7 aggrieved employees.

8 11. I believe that I have fairly represented the absent aggrieved employees and request
9 that the Court finally approve this settlement and confirm me as the named Plaintiff.

10 12. I am not aware of any conflicts of interest that prevent me from being confirmed as
11 the named Plaintiff in this action. I am not related in any way to my attorneys or to any other
12 member of the firm that is representing me. I have no business dealings or other involvement
13 beyond this lawsuit and this representation. I have not been promised any money or inducement
14 to serve as the named Plaintiff in this action.

15 13. It is my opinion that the settlement agreement provides for a fair and adequate
16 enhancement for me as the named Plaintiff, in the amount of \$5,000.00. I believe that this is fair
17 and reasonable in light of all of the work that I have performed in my role as the named Plaintiff.
18 As the named Plaintiff, I have actively participated in all stages of the litigation, as detailed above,
19 and have always maintained the best interests of the aggrieved employees while performing my
20 named Plaintiff duties.

21 14. It is also my opinion that the Enhancement Payment is fair, reasonable, and
22 adequate because, in addition to the many hours spent participating in the prosecution of this case,
23 I accepted the potential risk of being liable for Defendant's attorneys' fees and costs if we were
24 unsuccessful in this action. Likewise, I risk the potential stigma of being a named Plaintiff in a
25 representative action labor dispute, which may affect my future employability.

2 is true and correct.
