DECLARATION OF JAMES HAWKINS

I, James Hawkins, declare as follows:

1. I am an individual over the age of 18. I am a partner at the law firm of James Hawkins, APLC. I am one of the attorneys of record for Plaintiff PAUL MAISNIER (hereinafter referred to as “Plaintiff” or “Class Representative”), who commenced this class and PAGA action on behalf of the Class Members and Aggrieved Employees. I submit this declaration in support of Plaintiff’s Motion for Preliminary Approval of Class Action Settlement, which Plaintiff filed concurrently herewith, along with the supporting Memorandum of Points and Authorities. I have personal knowledge of the facts set forth below, and if called to testify regarding them, I could and would do so competently.

2. Attached hereto as **Exhibit 1** is a true and correct copy of the executed Settlement Agreement which the Parties ask the Court to approve. Attached thereto the Settlement Agreement as **Exhibit A** is a true and correct copy of the proposed Notice of Class Action Settlement (“Class Notice”).

3. On June 9, 2025, Plaintiff filed a class action complaint, Plaintiff filed a class action complaint, *Paul Maisnier v. PDS Consultants, Inc. dba PDS OPTICAL*, in the Superior Court for the State of California, County of Contra Costa, Case No. C25-01606 (“Class Action”). Plaintiff class action complaint alleges causes of action for (a) failure to pay minimum and overtime wages, (b) failure to provide meal periods, (c) failure to provide rest periods, (d) failure to pay wages timely during employment; (e) failure to provide accurate itemized wage statements; and (f) violation of California’s Unfair Competition Law.

4. August 12, 2025, Plaintiff filed a complaint for civil penalties under the California Private Attorneys General Act of 2004, Labor Code §§ 2698 et seq., entitled *Paul Maisnier v. PDS Consultants, Inc. dba PDS OPTICAL*, in the Superior Court for the State of California, County of Contra Costa, Case No. C25-02290 (“PAGA Action”). Plaintiff’s complaint in the PAGA Action seeks civil penalties based on alleged violations of the California Labor Code, including Labor Code §§ 201-204, 226, 510, 558, 226.3, 1174, 1174.5, 1175, 1194, 1197, 1197.1, 1198, and the California Wage Orders. The PAGA Action asserts the same

1
2 alleged Labor Code violations Plaintiff alleged in his June 6, 2025, notice of intent to sue to the
3 Labor and Workforce Development Agency. Defendant denies the allegations in the Class and
4 PAGA Complaints, denies any failure to comply with the laws identified the complaints and
5 denies any and all liability for the causes of action alleged.

6 5. On November 12, 2025, the Parties participated in mediation with Robert
7 Coviello, Esq., Prior to mediation, the Parties engaged in formal and informal discovery, including
8 exchange of relevant documents and information, including copies of applicable wage and hour policies,
9 Class and PAGA-related statistics, and time and pay records for a sample set of Class Members.
10 Plaintiff's investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot*
11 *Locker Retail, Inc.* (1996) 48 Cal. App. 4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168
12 Cal. App. 4th 116, 129-130 ("*Dunk/Kullar*"). In short, Defendant provided discovery sufficient to enable
13 the Plaintiff and Class Counsel to rigorously evaluate the strengths and risks of the case and perform an
14 analysis of the potential damages arising from the claims made in this case. As a result of settlement
15 efforts, the Parties agreed to settle this matter for the Gross Fund Value of \$195,000.00 for
16 approximately 38 class members who worked approximately 4,640 workweeks through mediation, and
17 the terms of which are fully memorialized in the Settlement Agreement. At all times, the Parties'
18 negotiations were adversarial and non-collusive.

19 6. Class Members all non-exempt employees who have been employed by Defendant in
20 California at any time during the Class Period. As of [the date of mediation, November 12, 2025]
21 Defendant represents there are approximately 38 Class Members. (Settlement Agreement ¶7(f)).

22 7. Plaintiff's Counsel conducted a thorough investigation into the factual and legal
23 issues implicated by Plaintiff's claims and was able to objectively assess the settlement's
24 reasonableness. For example, prior to filing the action, Plaintiff contacted Plaintiff's Counsel to
25 discuss the factual bases for pursuing their actions against Defendant for Labor Code violations.
26 Plaintiff was intimately familiar with Defendant's labor policies and practices, and over the course
27 of multiple interviews, knowledgeably summarized those policies and practices to Plaintiff's
28 Counsel. During those conversations, Plaintiff's Counsel explained how the policies and practices
were instituted and provided valuable insight into how they gave rise to the alleged Labor Code

1 violations. Further, formal business records for Plaintiff were requested and received and
2 reviewed. Based on these interviews with Plaintiff, and review of records, Plaintiff's Counsel
3 determined that there were legally sufficient grounds for pursuing the Actions against Defendant
4 and in preparation for drafting the complaints, Plaintiff's Counsel conducted their own
5 independent preliminary investigations into the factual bases for Plaintiff's claims, which
6 entailed, *inter alia*, a careful examination of Plaintiff's personnel files and associated records.
7

8 8. In summary, Plaintiff's Counsel performed a thorough investigation into the
9 claims at issue, which included: (1) determining Plaintiff's suitability as a class representative
10 and representative PAGA claims, through interviews, background investigations, and analyses of
11 their employment files and related records; (2) evaluating all of Plaintiff's potential representative
12 claims; (3) researching similar wage and hour class actions as to the claims brought, the nature of
13 the positions, and the type of employer; (4) analyzing employees' time and wage records; (5)
14 reviewing Defendant's employment policies and practices; (6) researching settlements in similar
15 cases and the prior settlement in this case; (7) evaluating Plaintiff's claims and estimating
16 Defendant's liability for purposes of settlement; (8) drafting the mediation brief; and (9)
17 participating in the mediation.

18 9. By engaging in such a thorough investigation and evaluation of Plaintiff's claims,
19 Plaintiff's Counsel can opine that the Settlement, for the consideration and on the terms set forth
20 in the Settlement Agreement, is fair, reasonable, an adequate, and is in the best interests of Class
21 Members in light of all known facts and circumstances, including the risk of significant delay and
22 uncertainty associated with litigation, and various defenses asserted by Defendant.

23 10. Since the filing of the complaint, the Parties have exchanged extensive
24 formal and informal discovery and engaged in numerous discussions regarding the factual and
25 legal issues surrounding this case. Throughout the litigation, Defendant produced thousands of
26 lines of data in both electronic and pdf formats, including policies, handbooks, relevant policies,
27 and payroll and time records for approximately 21% of the class members. Defendant also
28 provided Plaintiff's personnel file, and information regarding the number of employees holding
these positions during the relevant time period. Defendant also provided substantial information

1
2 concerning the total number of potential class members, the payroll data at issue, and the
3 applicable hourly rates, workweeks and pay periods, and other summary data related to the
4 alleged class. The Parties have conducted themselves in informed, good faith arms-length
5 negotiations after conducting informal discovery and exchanging extensive evidence and
6 information about the claims and defenses of this lawsuit, and engaging in pre-mediation
7 discussions, telephone conferences, and correspondence all aimed at settling their dispute.

8 11. As a result of the mediation, the Parties agreed to settle this matter for a Gross
9 Fund Value (“GFV”) of \$195,000.00. Plaintiff’s counsel balanced the terms of the proposed
10 Settlement against the risk of litigation and probable outcome at the class certification stage, and
11 if any Class were certified, at trial. Based on their own respective independent investigations
12 and evaluations, and after taking into account the sharply disputed factual and legal issues
13 involved in this matter, the risks attending further prosecution of the case, and the monetary
14 benefits received under the Settlement despite the questionable nature of the claims, Plaintiff’s
15 counsel is of the opinion that Settlement for the consideration and on the terms set forth in the
16 Settlement Agreement is fair, reasonable and adequate and is in the best interests of Plaintiff and
17 the Class. Counsel for the Parties investigated the applicable law as applied to the facts
18 discovered regarding the claims of Plaintiff, Defendant’s defenses thereto and the damages
19 claimed by Plaintiff on behalf of the Settlement Class.

20 12. I believe that the consideration and terms set forth in the Settlement Agreement
21 are fair, reasonable, and adequate and are in the best interests of the Settlement Classes in light
22 of all known facts and circumstances, including the various defenses asserted by Defendant, and
23 numerous potential appellate issues. In addition, the prospect of a potential adverse summary
24 judgment ruling, as well as the uncertainty of class certification, the difficulties of complex
25 litigation, the lengthy process of establishing specific damages and various possible delays and
26 appeals, were also carefully considered in agreeing to the proposed Settlement.

27 13. The GSA includes, without limitation, : (1) proposed attorneys’ fees in the
28 amount of \$68,250.00 and reimbursement of reasonable litigation costs and expenses in the
amount of up to \$15,000.00 (currently at approximately \$12,778.44) to Class Counsel

1 (collectively, “Attorneys’ Fees and Costs”); (2) Class Representative’s incentive award to
2 Plaintiff in the amount of up to \$10,000.00 (“Enhancement Payment”); (3) fees and expenses of
3 administration of the Settlement to the Settlement Administrator in an amount not to exceed
4 \$4,500.00 (“Settlement Administration Costs”); (4) \$10,000.00 (“PAGA Fund”) with thirty-five
5 percent (35%) share of the PAGA Fund to be distributed to the PAGA Group Members in the
6 amount of \$3,500.00 and the sixty-five percent (65%) share of PAGA Fund in the amount of
7 \$6,500.00 to the California Labor and Workforce Development Agency (“LWDA”); (5) and the
8 remainder constitutes the Net Settlement Amount to be paid to the Settlement Class Members.

9 **The Entire Total Settlement Amount will be paid to all Class Members who do not opt out**
10 **of the Settlement Class, and without the need to submit claims for payment.** After
11 deductions, the Net Settlement Amount (“NSA”) is estimated to be approximately **\$89,471.56.**
12 The Class Members are to be paid based from the NSA on a pro rata basis based upon the weeks
13 each class member worked in comparison to the total work weeks worked by all Class
14 Members.

15
16 14. Fairness of the Settlement is demonstrated by the uncertainty and risks to
17 Plaintiff involved both in not prevailing on one or more of the causes of action or theories
18 alleged in the operative Complaints and in non-certification, and if successful, Defendant
19 dispute the ability of Plaintiff to certify a class in this case. Defendant also argued it maintained
20 lawful written policies that were provided to the class members and enforced those policies.
21 Yet, despite the defenses proffered by Defendant, the proposed Settlement commits Defendant
22 to pay each Class Member a portion of the NSA. The amount to be paid to the Classes is fair,
23 adequate and reasonable given the significant risk to Plaintiff and the Class in continuing with
24 the litigation and not prevailing on their claims at class certification or at trial or not being paid
25 anything even if trial was successful.

26 15. The Parties investigated relevant law as applied to the facts of the case, potential
27 defenses, and damages claimed by Plaintiff on behalf of himself and the Class. Both formal and
28 informal discovery largely focused on Plaintiff’s allegations of Defendant’s(a) failure to pay
minimum and overtime wages, (b) failure to provide meal periods, (c) failure to provide rest

1 periods, (d) failure to pay wages timely during employment; (e) failure to provide accurate
2 itemized wage statements; and (f) violation of California's Unfair Competition Law.

3 Information and data exchanges included significant sampling of Class Members' employment
4 time and pay records, dates of employment, hourly rates, and policies. The parties conducted
5 their own evaluations of the potential recoveries based on the claims alleged in the Action and
6 the defenses at play.

7
8 16. Although Plaintiff's Counsel believe the class claims are strong, Plaintiff's
9 Counsel also recognize that if the litigation had continued, they may well have encountered
10 significant legal and factual hurdles that could have prevented the Class from obtaining any
11 recovery. To be sure, a number of cases have found wage and hours actions to be especially
12 amenable to class resolution. However, some courts have gone the other way, finding that some
13 of the very claims at issue here-especially meal period and rest period violations-were not suitable
14 for class adjudication because they raised too many individualized issues. *See Duran v. US. Bank*
15 *National Association*, 59 Cal. 4th 1, 31 (2014) (reversing a verdict from a class trial); *Ali v. U.S.A.*
16 *Cab Ltd.*, 176 Cal. App. 4th 1333, 1341 (2009) (affirming denial of certification because
17 employees' declarations attesting to having taken meal and rest periods demonstrated that
18 individualized inquiries were required to show harm); *Campbell v. Best Buy Stores, L.P.*, 2013
19 U.S. Dist. LEXIS 137792, at *30- 41 (C.D. Cal. Sept. 20, 2013) (following *Brinker* and denying
20 certification of proposed off-the-clock and rest and meal break classes due to lack of uniform
21 policy); *Jimenez v. Allstate Ins. Co.*, 2012 U.S. Dist. LEXIS 65328 (C.D. Cal. Apr. 18, 2012) (
22 denying motion to certify meal and rest period classes based on employer's practice of
23 understaffing and overworking employees); *Gonzalez v. Officemax NA.*, 2012 U.S. Dist. LEXIS
24 163853 (C.D. Cal. Nov. 5, 2012) (same); *Brown v. Fed. Express Corp.*, 249 F.R.D.580, 587-88
25 (C.D. Cal. 2008) (denying certification of driver meal and rest period claims based on the
26 predominance of individual issues); *Kenny v. Supercuts, Inc.*, 252 F.R.D. 64 I, 645 (N.D. Cal.
27 2008) (denying certification on meal periods claim); *Blackwell v. Skywest Airlines, Inc.*, 245
28 F.R.D. 453, 467- 68 (S.D. Cal. 2007) (declining to certify class action because individual issues

1 predominated when different employee stations provided different practices with respect to meal
2 periods).

3
4 17. Some courts have denied certification even when an employer's policies are
5 unlawful on their face. For instance, in *Ordonez v. Radio Shack, Inc.*, 2013 U.S. Dist. LEXIS
6 7868, *35-41 (C.D. Cal. Jan. 17, 2013), the court denied certification even though the plaintiff
7 submitted evidence of a facially unlawful policy regarding rest breaks. The *Ordonez* court
8 concluded that the predominance and superiority elements were not met based on the employer's
9 presentation of anecdotal evidence of lawful compliance notwithstanding the unlawful policy. *Id.*
10 at *38-40. And it should be underscored that that claims which are amendable to certification can
11 be disposed of by motion for summary judgment. *See Loudv. Eden Med. Ctr.*, 2013 U.S. Dist.
12 LEXIS 122873, **36-53 (N.D. Cal. Aug. 28, 2013) (granting summary judgment on wage
13 statement claim because plaintiff could not show injury due to defects and that incorrect wage
14 information is not willful).

15 18. As the above examples illustrate, the prospect of certifying a wage and hour action
16 is always uncertain, and the risk of being denied class certification militates in favor of settlement.
17 A denial of class certification effectively forecloses continued litigation, as neither the individual
18 nor his or her attorney will have any incentive to proceed with an individual case when such small
19 claims are at stake. *See In re Baycol Cases I & II*, 51 Cal. 4th 751, 758 (2011) (explaining that a
20 dismissal of class claims is effectively the "death knell" of the case, despite survival of individual
21 claims). In other words, for cases where individual damages are relatively small, denial of class
22 certification results in a near-complete loss for Plaintiff as well as no recovery for the employees,
23 who are shut out of the action. Thus, if the putative Class had not been certified, the value of
24 Plaintiff's case would have been reduced to a fraction of the value of this Settlement; indeed,
25 Defendant would likely have offered no money to settle the class-wide claims if certification had
26 been denied.

27 19. Finally, early resolutions save time and money that would otherwise go to litigation.
28 Parties' resources, as well as the Court's, will be further taxed by continued litigation. And if this
action had settled following additional litigation, the settlement amount would likely have taken

1
2 into account the additional costs incurred, and there may have been less available for Class
3 Members. Cost savings is one reason why California policy strongly favors early settlement. *See*
4 *Nemy v. Regents of University of California*, 3 Cal. 4th 273, 277 (1992) (explaining the high value
5 placed on settlements and observing that "[s]ettlement is perhaps most efficient the earlier the
6 settlement comes in the litigation continuum."). This concern also supports settlement.

7 20. Further, beyond the risk of an adverse ruling on the merits or certification, Class
8 Counsel considered the fact that continued litigation would likely take years and would be
9 extremely expensive given the breadth and complexity of the claims. In this case, post-trial and
10 appellate proceedings are likely to occur, which will surely drag the case far into the future even
11 with a positive trial result. When facing a distant and unsure resolution of the allegations in this
12 action, the swift, sure and substantial Settlement is all the more reasonable. Avoiding such
13 costly litigation in favor of more immediate benefits to the Class was a consideration favoring
14 settlement. Given these realities, it is highly likely that the future expense of this litigation, and
15 its likely duration if the settlement is not approved, would be significant and weigh heavily in
16 favor of approval of this settlement.

17 21. The GSA is well within the acceptable range of reasonableness for the
18 claims of the Settlement Class Members. After analysis and review of Defendant's time and pay
19 record production and other payroll data, Class counsel estimates the overall value of the class
20 claims at approximately **\$776,619 in damages, unreimbursed expenses and penalties** should
21 Plaintiff prevail at the class certification stage and at trial and survive any appeals and win on all
22 claims and be awarded maximum damages for call class members for all shifts, and that certain
23 assumptions and extrapolations were confirmed with further discovery. This amount could
24 reasonably be reduced by 50% to account for the risks of continued litigation and not prevailing
25 on one or more claims. The penalties alone account for over 75% of the overall value as
26 discussed below which could be reduced even further based upon Defendant's good faith
27 arguments.

28 22. There were an estimated 4,640 workweeks during the class period and

1
2 approximately 2,228 pay periods during the PAGA Period. The average number of hours per
3 shift was approximately 7.9 hours and the average regular rate was approximately \$27.44.

4 23. The value of the failure to pay wages for off the clock work was valued at
5 approximately **\$207,572** at 1 hour per workweek with 95.1% of these hours at the overtime rate
6 \$32.38.

7 24. Rest break violations did not have much weight here since 100% rate of violation has
8 to be assumed for analysis. Had there been 100% violation the value for this claim would have
9 been \$573,911. The meal break violations were valued at **\$43,964 due to meal break**
10 **premiums for missed and late meal periods..**

11 25. **The unpaid wages due to rounding was valued at \$959.00. The unpaid wages**
12 **due to rounding for overtime was valued at \$54.**

13 26. The expense reimbursement claim was valued at **\$37,069** assuming \$30
14 reimbursement per month.

15 27. The value of the unpaid sick time due to regular rate was valued at **\$1,919.**

16 28. The value of the LC 226 claim was valued at
17 **\$70,550.** The value of the waiting time penalties was valued at **\$84,732.** These amount could be
18 much lower given the good faith defenses, and the fact that the pay stubs themselves appeared
19 facially complaint, this asserted value is reasonable.

20 29. Defendant also potentially owe PAGA members **\$329,800** in PAGA
21 penalties assuming violations can be proven for each pay of the PAGA Pay Periods at a
22 reasonable \$100/100 per pay period assessment. Of course, this number could be much higher if
23 stacking and higher penalties were assessed. However, given the review of the time and pay
24 records, coupled with Defendant's defense, and facially compliant policies.

25 30. As a result, the GFV of \$195,000.00 represents a reasonable recovery and
26 approximately 18% of the overall potential damages and reimbursement value reduced to 63%
27 of the overall value without accounting for penalties. This recovery could easily be much
28 higher if at trial PAGA penalties were reduced or damages for certain pay periods or workweeks
could not be proven for certain individuals. The proposed GSA is within the "ballpark of

1
2 reasonable” and should be approved. Counsel for Plaintiff believe that this is a fair and
3 reasonable Settlement in light of the complexities of the case, the state of the law and
4 uncertainties of class certification and litigation, the policies and practices Defendant has had in
5 place or implemented during the purported liability period, and the benefit to be recovered for
6 the Class. Given the risks inherent in litigation, this settlement is fair, adequate, and reasonable
7 and is in the best interests of the Settlement Class, and should be preliminarily approved.

8 31. Based on the estimated Net Settlement Amount of \$89,471.56 provides an
9 average workweek value of **\$19.28**. As a result, each Settlement Class Member will receive on
10 average approximately **\$2,354.51** per Class Member. A Class Member working for the entire
11 class period would receive **\$4,685.69**. The lowest payment is estimated to be approximately
12 **\$19.28** for someone who worked only one workweek. To the extent any amount for Attorneys’
13 Fees, Costs, Claims Administration Costs or Incentives are not awarded, the difference in those
14 amounts will be added to the NSA. This is a guaranteed amount of money paid to Settlement
15 Class Members now, rather than the continued risk of further litigation and receiving no money
16 sometime in the far future and after trial and appeals.

17 32. There are approximately 25 Aggrieved Employees who worked during the PAGA
18 period and who will be paid a PAGA Payment based upon a pro rata share of the number of pay
19 periods each PAGA member worked compared to the total pay periods worked by all Aggrieved
20 Employees during the PAGA period of June 6, 2024 to the date of Preliminary Approval. As a
21 result, the net PAGA payment is approximately \$1.60 per PAGA Pay Period resulting in a low
22 payment of \$1.60, an average payment of \$140 per aggrieved employee, and a high payment of
23 approximately \$83.20.

24 33. The Class Representative has provided extensive supporting documents and
25 assisted Class Counsel in developing information necessary to litigate and settle this case.
26 Plaintiff also conducted record review and consultation with counsel in preparation for
27 mediation, and to assist in evaluating and proving the claims. The settlement provides for a
28 Payment to be paid to the Class Representative in the amount of \$10,000.00 subject to Court
approval. The purpose is to compensate the Class Representatives an additional incentive

1
2 payment, taking into consideration the risks, time, effort and expenses incurred in coming
3 forward to provide invaluable information and negotiate and litigate this matter on behalf of all
4 Settlement Class Members who otherwise, would probably not file their own individual claims
5 to recover what may be relatively low damages. Further, the Payment of \$10,000.00 as an
6 Enhancement Payment to the Class Representative is a very fair and justified as part of the
7 Settlement based on the risks Plaintiff has taken and benefits conferred upon the Settlement
8 Class.

9 34. Class certification, as requested by the Parties for the purposes of the settlement
10 only, should be granted because Plaintiff allege that the proposed Settlement Class Members'
11 claims all stem from the same alleged conduct, i.e., that Defendant violated California law
12 because of their: (a) failure to pay minimum and overtime wages, (b) failure to provide meal
13 periods, (c) failure to provide rest periods, (d) failure to pay wages timely during employment;
14 (e) failure to provide accurate itemized wage statements; and (f) violation of California's Unfair
15 Competition Law. Under all these specific circumstances, the commonality requirement for
16 class certification is satisfied. The typicality requirement for certification is also met as it is
17 alleged that the Class Representatives and the proposed Settlement Class were subjected to
18 similar violations based upon similar conduct, policies and practices of the Defendant regardless
19 of their duties.

20 35. The adequacy requirement for certification is also met. The Class Representative
21 and Class Counsel have prosecuted this action vigorously on behalf of the Settlement Class.
22 The Class Representative will receive a reasonable award for the time and effort spent assisting
23 Class counsel with factual issues surrounding the case. Other than this specific payment to the
24 Class Representative, all of the Settlement Class Members will receive a proportionate share of
25 the NSA, as detailed above provided they do not exclude themselves. Further, all Aggrieved
26 Employees during the PAGA Period will receive their pro rata share of PAGA Penalties. As a
27 result, there is no conflict of interest between the Class Representative and the Settlement Class
28 Members. Further, the NSA will be fairly distributed among Participating Class Members, and
no "settlement allocation" questions will be raised.

1
2 36. Common questions of law and fact predominate over individual questions and
3 class-wide treatment of this dispute is superior to individual litigation. Plaintiff alleges that the
4 proposed Settlement Classes in this case are sufficiently cohesive, since all Settlement Class
5 Members share a common nucleus of facts and potential legal remedies, and since all of the
6 Settlement Class Members and the Class Representative seek compensation for unpaid wages
7 and other civil and statutory penalties from Defendant for the allegations described in the
8 Complaints. Common questions about compensation or lack thereof for work performed by
9 Settlement Class Members and the Settlement Class Members' potential legal remedies are
10 identical. The alternative method of resolution is individual claims for relatively small amounts
11 of damages, but individual cases would be uneconomical for potential Plaintiff because the cost
12 of litigation dwarfs potential recovery. Therefore, a class action is the preferred method of
13 resolution.

14 37. The class notice plan here calls for the Settlement Administrator, APEX Class
15 Action Administration, to mail a Notice of Class Action settlement to all known and reasonably
16 ascertainable Settlement Class Members based on Defendant's records. Further, the Settlement
17 Administrator will conduct a skip-trace and use all reasonable efforts to locate Settlement Class
18 Members and will re-mail all returned envelopes with forwarding addresses. The notice is
19 consistent with the class certification notices approved by numerous state and federal courts,
20 and is the best notice practicable under circumstances of this case. The proposed Settlement
21 Class Members are ascertainable because all of the Settlement Class Members have worked for
22 Defendant during the Class Periods and can be identified through Defendant's records.

23 38. The Notice also fulfills the neutrality requirement. It summarizes the proceedings
24 to date and the terms and conditions of the Settlement in an informative and coherent manner,
25 and is accurate, objective, and understandable to Settlement Class Members, as is required
26 under prevailing precedent. The Notice clearly states the Settlement does not constitute an
27 admission of liability by Defendant and recognizes the Court has not ruled on the merits. It
28 also states the final settlement approval decision has yet to be made. The Notice also clearly
instructs the Settlement Class Members on how to object or exclude themselves from the

1 Settlement. Therefore, Settlement Class Members will have the option to participate or
2 exclude themselves simply by mailing a request to exclude themselves. The Settlement Class
3 consists of non-exempt employees who speak English. Thus, the Notice of Class Action is
4 drafted in a manner that is likely to be readily understood by the Settlement Class.
5 Accordingly, the Notice complies with the standards of fairness, completeness and neutrality
6 required of a Notice of Class Action Settlement. The Notice therefore is neutral, objective and
7 understandable.

19 40. Here, the Parties' agreement to pay Attorneys' Fees and Costs of 35% of the
20 GSA is reasonable. My firm and I have been the only counsel to represent Plaintiff and the
21 Settlement Class in this matter, and we have borne the entire risk and cost of this litigation on a
22 pure contingency fee basis. The legal issues raised drew significantly upon my experience and
23 the extensive review and analysis of documents and information by me and others at my firm.
24 In a complex action such as this, the proposed attorneys' fees are, at the very least, on the low
25 side of the market rate for contingency fees.

26 41. At this juncture, with the addition of more hours due to the administration of the
27 the Settlement by Class Counsel, administration of the Settlement, and preparation for final
28 approval, counsel for plaintiff will provide a detailed analysis of its time in advance of the final
approval hearing. Plaintiff's counsel will file a motion for Attorneys' Fees and Costs Payment

1
2 to be heard concurrently with the motion for final approval in accordance with the terms of the
3 settlement agreement. The total costs my firm has incurred as of now is \$12,778.44.

4 42. Despite the complexity of the case, Class Counsel has, through the investment of
5 substantial effort and the resources of my law firm been able to secure an outstanding settlement
6 on behalf of the Settlement Class. Plaintiff would have faced substantial legal and factual
7 obstacles in demonstrating that class certification was appropriate. Plaintiff would also have
8 been required to establish a significant amount of witness testimony, pattern and practice
9 evidence, statistical evidence, sampling evidence, expert testimony, and other evidence in order
10 to present their case both at the class certification stage and trial. Defendant vigorously
11 contested liability, the amount of claimed damages, and the propriety of class certification, and
12 would have continued to do so through trial. Accordingly, I believe the Settlement to be fair,
13 reasonable, and adequate and in the best interests of the Settlement Class. The fairness and
14 adequacy of the Settlement is confirmed by all known facts and circumstances, including the
15 risk of significant delay and uncertainty associated with litigation, the various defenses asserted
16 by Defendant, and numerous potential appellate issues.

17 I declare under penalty of perjury that the foregoing is true and correct. Executed on
18 August 6, 2026 at Irvine, California.

EXHIBIT 1

STIPULATION OF CLASS AND REPRESENTATIVE ACTION SETTLEMENT

This Joint Stipulation of Class and Representative (“PAGA”) Settlement (“Agreement” or “Settlement”) is made and entered into by and between Plaintiff Paul Maisnier (“Plaintiff” or “Class Representative”), on behalf of all other similarly situated Class Members and PAGA Group Members, and Defendant PDS Consultants, Inc. (“Defendant”) (collectively with Plaintiff, the “Parties”).

This Settlement shall be binding on Plaintiff and Settlement Class Members and PAGA Group Members, and on Defendant, subject to the terms and conditions hereof and the approval of the Court.

RECITALS

1. On June 9, 2025, Plaintiff filed a class action complaint, *Paul Maisnier v. PDS Consultants, Inc. dba PDS OPTICAL*, in the Superior Court for the State of California, County of Contra Costa, Case No. C25-01606 (“Class Action”). Plaintiff’s class action complaint alleges causes of action for (a) failure to pay minimum and overtime wages, (b) failure to provide meal periods, (c) failure to provide rest periods, (d) failure to pay wages timely during employment; (e) failure to provide accurate itemized wage statements; and (f) violation of California’s Unfair Competition Law.

2. On August 12, 2025, Plaintiff filed a complaint for civil penalties under the California Private Attorneys General Act of 2004, Labor Code §§ 2698 et seq., entitled *Paul Maisnier v. PDS Consultants, Inc. dba PDS OPTICAL*, in the Superior Court for the State of California, County of Contra Costa, Case No. C25-02290 (“PAGA Action”). Plaintiff’s complaint in the PAGA Action seeks civil penalties based on alleged violations of the California Labor Code, including Labor Code §§ 201-204, 226, 510, 558, 226.3, 1174, 1174.5, 1175, 1194, 1197, 1197.1, 1198, and the California Wage Orders. The PAGA Action asserts the same alleged Labor Code violations Plaintiff alleged in his June 6, 2025, notice of intent to sue to the Labor and Workforce Development Agency.

3. Defendant denies all material allegations set forth in the Class Action and PAGA Action, and has asserted numerous affirmative defenses. Notwithstanding, in the interest of avoiding further litigation, Defendant desires to fully and finally settle the Released Claims.

4. Class Counsel in the Action diligently investigated the claims of the proposed Class Members and PAGA Group Members against Defendant, including any and all applicable defenses and the applicable law. The investigation included, *inter alia*, the exchange of information, data, and

documents, and review of numerous corporate policies and practices.

5. On November 12, 2025, the Parties participated in mediation with Robert Coviello, Esq. (the “Mediator”), a respected mediator of complex wage and hour actions, and with the assistance of the Mediator, reached the settlement that is memorialized herein. At all times, the settlement discussions were conducted at arm’s-length. Based on the documents produced, as well as Class Counsel’s own independent investigation and evaluation, Class Counsel believes that the settlement with Defendant for the consideration and on the terms set forth in this Agreement is fair, reasonable, and adequate and is in the best interest of the Class Members in light of all known facts and circumstances, including the risk of significant delay and uncertainty associated with litigation and various defenses asserted by Defendant.

6. The Parties expressly acknowledge that this Agreement is entered into solely for the purpose of compromising significantly disputed claims and that nothing herein is an admission of liability or wrongdoing by Defendant. If for any reason the Agreement is not approved, it will be of no force or effect, and the Parties shall be returned to their original respective positions.

18 Class Counsel and Defendant’s Counsel. Under no circumstances, however, will the Settlement
19 Administrator have the authority to extend the Response Deadline. In the event that a Preliminary
20 Approval Notice is re-mailed to a Class Member, the Response Deadline for that Class Member shall be
21 the extended by fifteen (15) calendar days.

22 mm. “Settlement Administrator” means Apex Class Action Administration. that will
23 administer this settlement, and will issue to Settlement Class Members forms W-2 (for wage payments)
24 and forms 1099 (for penalties and interest) for all amounts paid under this settlement, making all
25 deductions and withholdings required under law.

26 nn. “Settlement Administration Costs” means the costs payable from the Gross Fund
27 Value, subject to Court approval, to the Settlement Administrator for administering this settlement, as
28 set forth in Paragraph 13 below.

1 oo. “Settlement Class Members” means all Class Members who do not timely and
2 properly opt out of the settlement provided for in this settlement with respect to the California state law
3 claims.

4 **CLASS CERTIFICATION**

5 8. The Parties stipulate and agree to certification of the Class, for purposes of this Settlement
6 only. This Agreement is subject to approval by the Court and is made for the sole purpose of
7 consummating settlement of the Action. Should the Settlement not become final and effective as provided
8 herein, Class certification shall immediately be set aside and the Class immediately decertified, subject to
9 further proceedings on the motion of any party to certify or deny certification thereafter. The Parties’
10 willingness to stipulate to Class certification as part of the Settlement shall have no bearing on, and shall
11 not be admissible in or considered in connection with, the issue of whether a class should be certified in a
12 non-settlement context in this Action and shall have no bearing on, and shall not be admissible or
13 considered in connection with, the issue of whether a Class should be certified in any other lawsuit.

14 **TERMS OF AGREEMENT**

15 NOW, THEREFORE, in consideration of the mutual covenants, promises, and agreements set
16 forth herein, the Parties agree, subject to the Court’s approval, as follows:

17 9. Funding of the Gross Fund Value. The payments in this settlement shall be distributed
18 within Thirty (30) days after the Effective Date, or as otherwise directed by the Court.

19 10. Administration of the Settlement. The Settlement Administrator will be selected by the
20 Parties. The Settlement Administrator will administer this Settlement, and will issue to Settlement Class
21 Members and PAGA Group Members forms W-2 (for wage payments) and/or forms 1099 (for penalties
22 and interest) for all amounts paid under this Settlement consistent with the terms specified herein, making
23 all deductions and withholdings required under law. The Settlement Administrator shall furnish its own
24 Employer ID Number and calculate all settlement checks and payroll deductions and withholdings
25 required under law, based on information that will be confidentially furnished by Defendant. The
26 Settlement Administrator also will establish a Qualified Settlement Fund pursuant to Section 468B(g) of
27 the Internal Revenue Code for the purpose of administering the Settlement. To the extent required by law,
28 the Settlement Administrator will report payments made under Settlement Agreement to the appropriate

1 tax authorities. The Settlement Administrator will also issue a Court-approved payment to itself for
2 services performed in connection with the Settlement.

3 Defendant will give the Settlement Administrator the Class List to facilitate the administration of
4 the Settlement. The Settlement Administrator shall not share the information with any third party or
5 counsel for Plaintiff. The cost of the administration will be paid out of the Gross Fund Value. Any amount
6 of Settlement Administration Costs not approved by the Court shall be allocated to the Class Settlement
7 Fund.

8 11. Attorneys' Fees and Costs. Class Counsel will request, and Defendant will not oppose,
9 that the Court approve an award of attorneys' fees in an amount not to exceed 35% of the Gross Fund
10 Value (i.e., an amount not to exceed \$68,250.00) plus costs in an amount not to exceed reasonable costs
11 not expected to exceed \$15,000, associated with Class Counsel's litigation and settlement of the Action,
12 both of which will be paid from the Gross Fund Value subject to Court approval. These amounts will
13 cover any and all work performed and any and all costs incurred by Class Counsel in connection with
14 the litigation of the Action, including without limitation all work performed and costs incurred to date,
15 and all work to be performed and all costs to be incurred in connection with obtaining the Court's
16 approval of this Agreement, including any objections raised and any appeals necessitated by those
17 objections. Class Counsel shall be solely and legally responsible for correctly characterizing this
18 compensation for tax purposes and for paying any taxes on the amounts received. Any portion of the
19 Attorneys' Fees and Costs not awarded to Class Counsel shall be a part of the Class Settlement Fund for
20 the benefit of Settlement Class Members.

21 The Court's approval of fees and costs requested by Class Counsel is not a material term of the
22 Settlement. If the Court does not approve or approves only a lesser amount than that requested by Class
23 Counsel for attorneys' fees or costs, the other terms of the Settlement shall still apply. The Court's refusal
24 to approve the attorneys' fees or costs award requested by Class Counsel does not give Plaintiff or Class
25 Counsel any basis to abrogate the Settlement.

26 12. Enhancement Payment. In recognition of his efforts and work in prosecuting the Action,
27 Defendant agrees not to oppose or impede any application or motion for Enhancement Payment in an
28 amount up to ten thousand dollars (\$10,000.00) to Plaintiff. The Enhancement Payment, which will be

1 paid from the Gross Fund Value, subject to Court approval, will be in addition to Plaintiff's Individual
2 Settlement Payment and Individual PAGA Payment (if applicable) that are to be paid pursuant to the
3 settlement. The Parties agree that, for purposes of this settlement, 100% of the Enhancement Payment
4 will be allocated to 1099 income. The Settlement Administrator will issue an IRS Form 1099 to Plaintiff
5 for the Enhancement Payment, and Plaintiff shall be solely and legally responsible for correctly
6 characterizing this compensation for tax purposes and for paying any taxes on the amounts received.
7 Plaintiff agrees to indemnify and hold Defendant harmless from any claim or liability for taxes, penalties,
8 or interest arising as a result of the Enhancement Payment. Should the Court approve the Enhancement
9 Payment to Plaintiff in an amount that is less than that set forth above, the difference between the lesser
10 amounts approved by the Court and the amounts allocated toward the Enhancement Payment will be part
11 of the Net Settlement Fund for the benefit of Settlement Class Members.

12 The Court's approval of an Enhancement Payment is not a material term of the Settlement. If the
13 Court does not approve or approves only a lesser amount than that requested by Plaintiff for an
14 Enhancement Payment, the other terms of the Settlement shall still apply. The Court's refusal to approve
15 the Enhancement Payment requested by Plaintiff does not give any basis to abrogate the Settlement.

16 13. Settlement Administration Costs. The Settlement Administrator will be paid for the
17 reasonable costs of administration of the Settlement and distribution of payments under the Settlement,
18 which is currently estimated not to exceed Four Thousand Five Hundred Dollars and Zero Cents
19 (\$4,500.00). These costs, which will be paid from the Gross Fund Value, subject to Court approval, will
20 include, *inter alia*, printing, distributing, and tracking Preliminary Approval Notices and other documents
21 for this Settlement, calculating and distributing payments due under the Settlement, issuing of 1099 and
22 W-2 IRS Forms and all required tax reporting, filings, withholdings, and remittances, providing
23 necessary reports and declarations, and other duties and responsibilities set forth herein to process this
24 Settlement, and as requested by the Parties. To the extent actual Settlement Administration Costs are
25 greater than the estimated amount stated herein, such excess amount will be deducted from the Gross Fund
26 Value, subject to approval by the Court. Any portion of the estimated, designated, and/or awarded
27 Settlement Administration Costs which are not in fact required to fulfill payment to the Settlement
28 Administrator to undertake the requirement settlement administration duties will become part of the Net

1 Settlement Fund.

2 14. Labor and Workforce Development Agency Payment. Subject to approval by the Court,
3 the Parties agree that the amount of ten thousand dollars (\$10,000.00) from the Gross Fund Value will
4 be allocated toward penalties under the Private Attorneys General Act, California Labor Code Section
5 2698, *et seq.* (“PAGA Fund”), of which sixty-five percent (65%), or \$6,500, will be paid to the LWDA
6 (i.e., the LWDA Payment) and thirty-five percent (35%) or, \$3,500 (“PAGA Settlement Fund”), will be
7 distributed to PAGA Group Members.

8 15. Individual Settlement Share and Individual PAGA Payment Calculations. Class Members
9 and PAGA Group Members shall not be required to submit a claim in order to receive a share of the Net
10 Settlement Fund and PAGA Settlement Fund, respectively. Individual Settlement Shares and Individual
11 PAGA Payment will be calculated and apportioned as follows:

12 a. The pro rata portion of the Class Settlement Fund shall be determined by dividing
13 the total number of Qualifying Workweeks worked during the Class Period into the Class Settlement
14 Fund to arrive at a value per Qualifying Workweek for each eligible Settlement Class Member. The
15 value per Qualifying Workweek shall be multiplied by the number of Qualifying Workweeks worked
16 by each Settlement Class Member during the Class Period. Partial Qualifying Workweeks will be
17 counted as full Qualifying Workweeks.

18 b. Individual PAGA Payment: The pro rata portion of the PAGA Settlement Fund
19 shall be determined by dividing the total number of Qualifying Workweeks worked during the PAGA
20 Settlement Period into the PAGA Settlement Fund to arrive at a value per Qualifying Workweek for
21 each eligible PAGA Group Member. The value per Qualifying Workweek shall be multiplied by the
22 number of Qualifying Workweeks worked by each PAGA Group Member during the PAGA Settlement
23 Period. Partial Qualifying Workweeks will be counted as full Qualifying Workweeks.

24 16. Settlement Awards Do Not Trigger Additional Benefits. The payments made pursuant to
25 this settlement shall not have any effect on the eligibility or calculation of any employee benefits provided
26 by Defendant or any benefits plan. The Parties agree these payments do not represent any modification of
27 any employee’s previously-credited hours of service or other eligibility criteria under any employee
28 pension benefit plan, employee welfare benefit plan, or other program or policy. These payments also will

not be considered wages, compensation, or annual earnings for benefits in any year for purposes of determining eligibility for, or benefit accrual within, any employee pension benefit plan, employee welfare benefit plan or other program or policy.

17. No Reversion to Defendant. The Parties agree that the Gross Fund Value is a non-reversionary, fixed fund. No portion of the Gross Fund Value, including but not limited to the Net Settlement Amount, any uncashed checks, unclaimed funds, residue, PAGA civil penalties, attorneys' fees, costs, service payments, administration fees, or any other amounts, shall revert to Defendant under any circumstances. Any unclaimed or uncashed amounts shall be distributed pursuant to the cy pres and/or escheat provisions of this Agreement.

18. Delivery of the Class List. Within fourteen (14) calendar days of Preliminary Approval, Defendant will provide the Class List to the Settlement Administrator.

19. Notice by First-Class U.S. Mail.

a. Within fourteen (14) calendar days after receiving the Class List from Defendant, the Settlement Administrator will perform a search based on the National Change of Address Database or any other similar services available, such as provided by Experian, for information to update and correct for any known or identifiable address changes, and will mail a Preliminary Approval Notice in English (in the form attached as **Exhibit A** to this Agreement) to all Class Members via First-Class U.S. Mail, using the most current, known mailing addresses identified by the Settlement Administrator.

b. With respect to Preliminary Approval Notices that are returned as undeliverable on or before the Response Deadline, the Settlement Administrator will search for an alternate address by way of skip-trace and re-mail the Preliminary Approval Notice within five (5) calendar days.

20. Dispute Regarding Workweeks. Class Members will have an opportunity to dispute the number of Workweeks to which they have been credited, as reflected in their respective Preliminary Approval Notices. In order to dispute Qualifying Workweeks, Class Members must submit a written letter to the Settlement Administrator that: (a) contains the case name and number of the Action, (b) is signed by the Class Member, (c) contains the full name, address, telephone number, and the last four digits of the Social Security Number of the disputing Class Member, (d) clearly states that the Class Member disputes the number of Qualifying Workweeks credited to them and what they contend is the

1 correct number to be credited to them, (e) includes information and/or attaches documentation
2 demonstrating that the number of Qualifying Workweeks that they contend should be credited to them
3 are correct, and (f) is returned by mail to the Settlement Administrator at the specified address,
4 postmarked on or before the Response Deadline. The date of the postmark on the return mailing envelope
5 on the submission will be the exclusive means to determine whether a dispute has been timely submitted.
6 Absent evidence rebutting the accuracy of Defendant's records and data as they pertain to the number
7 of Qualifying Workweeks to be credited to a disputing Class Member, Defendant's records will be
8 presumed correct and determinative of the dispute. However, if a Class Member produces information
9 and/or documents to the contrary, the Settlement Administrator will evaluate the materials submitted by
10 the Class Member and the Settlement Administrator will resolve and determine the number of eligible
11 Qualifying Workweeks that the disputing Class Member should be credited with under the Settlement.
12 The Settlement Administrator's decision on such disputes will be final and non-appealable.

13 21. Settlement Checks. The Settlement Administrator will be responsible for undertaking
14 appropriate deductions, required tax reporting, and issuing the Individual Settlement Payments and
15 Individual PAGA Payment in accordance with this Agreement. All settlement checks mailed out will
16 expire after one hundred eighty (180) days. However, ninety (90) days, and again one hundred thirty-five
17 (135) days, after first distributing settlement checks, the Settlement Administrator shall distribute
18 reminder postcards via U.S. Mail to all Settlement Class Members who did not timely opt-out of the
19 settlement, and all PAGA Group Members, who have yet to deposit or otherwise negotiate their settlement
20 checks, reminding them of the deadline to do so.

21 The sum value of all expired checks will be tallied by the Settlement Administrator. All such
22 uncollected funds associated with Settlement Class Members and PAGA Group Members' checks will
23 escheat to the State of California's Controller, to be held in the name of each expired check payee, pursuant
24 to applicable unclaimed property laws. The Settlement Administrator shall undertake amended and/or
25 supplemental tax filings and reporting, required under applicable local, state, and federal tax laws, that
26 may be necessitated due to the cancellation of any Individual Settlement Payment and Individual PAGA
27 Payment checks. Settlement Class Members whose checks are cancelled shall, nevertheless, be bound by
28 this Agreement. The Parties agree that this disposition results in no "unpaid residue" under California

1 Civil Procedure Code section 384.

2 22. Procedure for Requesting Exclusion from the Settlement. Any Class Member wishing to
3 be excluded from the Settlement must submit a written Request for Exclusion to the Settlement
4 Administrator, by mail, within the Response Deadline. The date of the postmark on the return mailing
5 envelope will be the exclusive means to determine whether a Request for Exclusion has been timely
6 submitted. The Settlement Administrator will certify jointly to Class Counsel and Defendant's Counsel
7 the Requests for Exclusion that were timely submitted, and also identify the individuals who have
8 submitted a timely and valid Request for Exclusion in a declaration that is to be filed with the Court in
9 advance of the Final Approval Hearing. Any Class Member who submits a Request for Exclusion is
10 prohibited from making any objection to the Settlement. Individuals who opt-out of the Settlement shall
11 also have their settlement allocation amount from the Net Settlement Fund returned to Defendant, as
12 they shall have no Released Class Claims. Any Class Member who validly requests to be excluded from
13 the Settlement will not be a Settlement Class Member and will not have any right to object, appeal, or
14 comment on the Settlement; however, if the Class Member worked during the PAGA Period, they will
15 remain a PAGA Group Member, will receive an Individual PAGA Payment, and will be bound by the
16 PAGA Settlement and Released PAGA Claims.

17 23. Settlement Terms Bind All Class Members Who Do Not Request Exclusion. Any Class
18 Member who does not affirmatively request exclusion from the Settlement by submitting a timely and
19 valid Request for Exclusion will be bound by all of the terms of the Agreement, including and not
20 limited to those pertaining to the Released Class Claims, as well as any judgment that may be entered
21 by the Court if it grants Final Approval to the Settlement.

22 24. PAGA Group Members. PAGA Group Members will not be able to opt out of settlement
23 of the PAGA claims and release of PAGA claims. The notice to PAGA Group Members, sent within 14
24 days of the Effective Date, will inform them of the amount they will receive for their PAGA claims and
25 that they will not be able to opt out of the settlement and release of the PAGA claims. For PAGA Group
26 Members who are also Settlement Class Members and who did not opt out of the Settlement, their
27 settlement payments shall be combined on a single check.

28 25. Procedures for Objecting to the Settlement. To object to the Settlement, Class Members

1 who have not opted out of the Settlement (i.e., Settlement Class Members) must submit a timely and
2 complete Notice of Objection to the Settlement Administrator, by mail, on or before the Response
3 Deadline. The Notice of Objection must be signed by the Settlement Class Member and contain all
4 information required by this Agreement. The postmark date will be deemed the exclusive means for
5 determining that the Notice of Objection is timely. At no time will any of the Parties or their counsel
6 seek to solicit or otherwise encourage Settlement Class Members to object to the Settlement or appeal
7 from the Final Approval Order and Judgment. Settlement Class Members may also present their
8 objection at the Final Approval Hearing.

9 26. Reports by the Settlement Administrator Regarding Settlement Administration. The
10 Settlement Administrator will provide Defendant's Counsel and Class Counsel a weekly report which
11 certifies: (a) the number of Class Members who have submitted a dispute of Qualifying Workweeks
12 (including providing those disputes); (b) the number of Class Members who have submitted timely and
13 valid Requests for Exclusion or timely and complete Notices of Objection (including providing those
14 Requests for Exclusion and Notices of Objection; and (c) the number of undeliverable and re-mailed
15 Preliminary Approval Notices. Additionally, the Settlement Administrator will provide to counsel for
16 both Parties any updated reports regarding the administration of the Agreement as needed or requested,
17 and immediately notify the Parties when it receives a request from an individual or any other entity
18 regarding inclusion in the Class and/or Settlement.

19 27. Certification of Completion. Upon completion of administration of the Settlement, the
20 Settlement Administrator will provide a written declaration under oath to certify such completion to the
21 Court and counsel for all Parties.

22 28. Treatment of Individual Settlement Payments. Each Individual Settlement Share will be
23 allocated as follows: 25% to wages and 75% to penalties and interest. The portion allocated to wages
24 will be reported on an IRS Form W-2 and the portions allocated to interest and penalties will be reported
25 on an IRS Form-1099 by the Settlement Administrator. The Settlement Administrator will withhold the
26 employee's share of taxes and withholdings with respect to the wages portion of the Individual
27 Settlement Shares, and issue checks to Settlement Class Members for their Individual Settlement
28 Payments (i.e., payment of their Individual Settlement Share net of these taxes and withholdings). Any

1 payment for an Individual PAGA Payment will be allocated as penalties, will not be subject to taxes or
2 withholdings, and will be reported on an IRS Form-1099, if necessary. The employer's share of taxes
3 and contributions on the wages portion of any distribution from the Net Settlement Fund will be paid
4 separately and in addition to the Gross Fund Value.

5 29. Administration of Taxes by the Settlement Administrator. The Settlement Administrator
6 will be responsible for issuing to Plaintiff, Settlement Class Members, PAGA Group Members, and Class
7 Counsel any W-2, 1099, or other tax forms as may be required by law for all amounts paid pursuant to
8 this Agreement. The Settlement Administrator will also be responsible for forwarding all payroll taxes,
9 contributions, and withholdings to the appropriate government authorities.

10 30. Tax Liability. No opinion regarding the tax consequences of this Settlement to any
11 individual Class Member is being given, or will be given, by Defendant, counsel for Defendant, any other
12 Releasee, or Class Counsel. Class Members must consult their own tax advisors regarding the tax
13 consequences of this Settlement, including but not limited to any payments provided or tax reporting
14 obligations. Defendant, the Releasees, counsel for Defendant, and Class Counsel shall have no liability or
15 responsibility whatsoever for any tax consequences resulting from payments made pursuant to the
16 Settlement.

17 31. Circular 230 Disclaimer. EACH PARTY TO THIS AGREEMENT (FOR PURPOSES OF
18 THIS SECTION, THE "ACKNOWLEDGING PARTY" AND EACH PARTY TO THIS AGREEMENT
19 OTHER THAN THE ACKNOWLEDGING PARTY, AN "OTHER PARTY") ACKNOWLEDGES AND
20 AGREES THAT (1) NO PROVISION OF THIS AGREEMENT, AND NO WRITTEN
21 COMMUNICATION OR DISCLOSURE BETWEEN OR AMONG THE PARTIES OR THEIR
22 ATTORNEYS AND OTHER ADVISERS, IS OR WAS INTENDED TO BE, NOR WILL ANY SUCH
23 COMMUNICATION OR DISCLOSURE CONSTITUTE OR BE CONSTRUED OR BE RELIED UPON
24 AS, TAX ADVICE WITHIN THE MEANING OF UNITED STATES TREASURY DEPARTMENT
25 CIRCULAR 230 (31 CFR PART 10, AS AMENDED); (2) THE ACKNOWLEDGING PARTY (A) HAS
26 RELIED EXCLUSIVELY UPON HIS, HER OR ITS OWN, INDEPENDENT LEGAL AND TAX
27 COUNSEL FOR ADVICE (INCLUDING TAX ADVICE) IN CONNECTION WITH THIS
28 AGREEMENT, (B) HAS NOT ENTERED INTO THIS AGREEMENT BASED UPON THE

1 RECOMMENDATION OF ANY OTHER PARTY OR ANY ATTORNEY OR ADVISOR TO ANY
2 OTHER PARTY, AND (C) IS NOT ENTITLED TO RELY UPON ANY COMMUNICATION OR
3 DISCLOSURE BY ANY ATTORNEY OR ADVISER TO ANY OTHER PARTY TO AVOID ANY
4 TAX PENALTY THAT MAY BE IMPOSED ON THE ACKNOWLEDGING PARTY; AND (3) NO
5 ATTORNEY OR ADVISER TO ANY OTHER PARTY HAS IMPOSED ANY LIMITATION THAT
6 PROTECTS THE CONFIDENTIALITY OF ANY SUCH ATTORNEY'S OR ADVISER'S TAX
7 STRATEGIES (REGARDLESS OF WHETHER SUCH LIMITATION IS LEGALLY BINDING) UPON
8 DISCLOSURE BY THE ACKNOWLEDGING PARTY OF THE TAX TREATMENT OR TAX
9 STRUCTURE OF ANY TRANSACTION, INCLUDING ANY TRANSACTION CONTEMPLATED
10 BY THIS AGREEMENT.

11 32. No Prior Assignments. The Parties and their counsel represent, covenant, and warrant
12 that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign,
13 transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause
14 of action or right herein released and discharged.

15 33. Release of Claims by Settlement Class Members and PAGA Group Members. Upon the
16 Effective Date and distribution of Individual Settlement Payments, Plaintiff and all Class Members who
17 do not submit a valid and timely Request for Exclusion (i.e., Settlement Class Members), will be deemed
18 to have fully, finally and forever released, settled, compromised, relinquished, and discharged the
19 Released Parties of all Released Class Claims during the Class Period, except as to the right to enforce
20 the terms and conditions of this settlement and except as otherwise stated below in Section 34. Finally,
21 upon the Effective Date and distribution of Individual PAGA Payments, Plaintiff and all PAGA Group
22 Members will be deemed to have fully, finally and forever released, settled, compromised, relinquished,
23 and discharged the Released Parties of all Released PAGA Claims during the PAGA Period, except as
24 to the right to enforce the terms and conditions of this settlement.

25 34. Release of Claims by Plaintiff. In addition, upon the Effective Date and in exchange for
26 receiving and accepting an Enhancement Payment, Plaintiff will be deemed to have fully released and
27 discharged the Released Parties of and from all claims arising from his employment with Defendant,
28 separation of employment from Defendant, and any acts that have or could have been asserted in any legal

1 action or proceeding against Defendant, whether known or unknown, arising under any federal, state, or
2 local law, or statute, including, *inter alia*, those arising under the California Labor Code, Fair Labor
3 Standards Act, the Age Discrimination in Employment Act ("ADEA"), the Older Workers Benefits
4 Protection Act ("OWBPA"), Americans with Disabilities Act, Title VII of the Civil Rights Act of 1964,
5 Employee Retirement Income Security Act, National Labor Relations Act, California Corporations Code,
6 California Business and Professions Code, California Fair Employment and Housing Act, California
7 Constitution (all as amended), and law of contract and tort, as well as for discrimination, harassment,
8 retaliation, wrongful termination, lost wages, benefits, other employment compensation, emotional
9 distress, medical expenses, other economic and non-economic damages, attorney fees, and costs, arising
10 on or before the date on which the Settlement is executed except as set forth below. With respect to those
11 claims released by Plaintiff in an individual capacity, Plaintiff acknowledges and waives any and all rights
12 and benefits available under California Civil Code Section 1542, which provides:

13
14 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR
15 OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR
16 HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF
KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER
SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

17 Plaintiff understands and agrees that claims or facts in addition to or different from those which are now
18 known or believed by him to exist may hereafter be discovered. It is Plaintiff's intention to settle fully
19 and release all claims he now has against the Released Parties, whether known or unknown, suspected or
20 unsuspected, except as to those claims set forth below. The Enhancement Payment will be paid to Plaintiff
21 specifically in exchange for the general release of the Released Parties from all claims, including those
22 specified in this paragraph and a covenant not to sue the Released Parties with respect to the claims
23 released herein. Notwithstanding the above, the general release by Plaintiff shall not extend to claims for
24 workers' compensation benefits, claims for unemployment benefits, or other claims that may not be
25 released by law. Notwithstanding the above, this Agreement explicitly carves out and does not resolve
26 claims by Plaintiff Paul Maisnier arising from his employment with Defendant as it relates his medical
27 condition/disability. Specifically, this Agreement does not resolve, settle out, or otherwise dispose of
28 the following claims which may be brought by Plaintiff Paul Maisnier in any subsequent action: (1)

1 California Fair Employment and Housing Act (“FEHA”) Disability Discrimination (Gov’t C. §§ 12900,
2 *et seq.*); (2) FEHA Retaliation (Gov’t C. §§ 12900, *et seq.*); (3) FEHA Failure to Prevent Discrimination
3 and Retaliation (Gov’t C. §§ 12900, *et seq.*); (4) FEHA Failure to Accommodate (Gov’t C. §§ 12900,
4 *et seq.*); (5) FEHA Failure to Engage in the Interactive Process (Gov’t C. §§ 12900, *et seq.*); (6)
5 California Family Rights Act (“CFRA”) Interference; and (7) CFRA Retaliation.

6 35. Duties of the Parties with Respect to Obtaining Preliminary Approval of the Settlement.

7 Upon execution of this Agreement, Plaintiff shall promptly obtain a hearing date for Plaintiff’s Motion
8 for Preliminary Approval of the Settlement, which Plaintiff and Class Counsel will be responsible for
9 drafting and submit this Agreement to the Court in support of said motion. Class Counsel will provide
10 Defendant’s Counsel a draft of the Preliminary Approval Motion at least five (5) business days before
11 the filing deadline. Defendant agrees not to oppose the Motion for Preliminary Approval of the
12 Settlement consistent with this Agreement. Said motion shall apply to the Court for the entry of an order
13 (“Preliminary Approval Order”), which shall be mutually agreed upon by the Parties, seeking the
14 following:

- 15 a. Conditionally certifying the Class for settlement purposes only;
- 16 b. Granting Preliminary Approval of the Settlement;
- 17 c. Preliminarily appointing Plaintiff as representative of the Class;
- 18 d. Preliminarily appointing Plaintiff’s Counsel as counsel for the Class;
- 19 e. Approving, as to form and content, the mutually-agreed upon and proposed
20 Preliminary Approval Notice and directing their mailing to the Class by first class mail;
- 21 f. Approving the manner and method for Class Members to request exclusion from
22 the Settlement as contained herein and within the Preliminary Approval Notice; and
- 23 g. Scheduling a Final Approval Hearing at which the Court will determine whether
24 the Settlement should be finally approved as fair, reasonable and adequate as to the Settlement Class
25 Members and PAGA Group Members.

26 36. Duties of the Parties with Respect to Obtaining Final Approval of the Settlement. After
27 the Response Deadline, and with the Court’s permission, a Final Approval Hearing will be conducted to
28 determine whether Final Approval of the Settlement should be granted, along with the amounts properly

payable for (a) Individual Settlement Payments; (b) the LWDA Payment; (c) Individual PAGA Payments; (d) Attorneys' Fees and Costs; (e) Enhancement Payment; and (f) Settlement Administration Costs. The Final Approval Hearing will not be held earlier than thirty (30) calendar days after the Response Deadline. Plaintiff and Class Counsel will be responsible for drafting the motion seeking Final Approval of the Settlement. Class Counsel will provide Defendant's Counsel a draft of the Final Approval Motion at least five (5) business days before the filing deadline. By way of said motion, Plaintiff will apply for the entry of the mutually-agreed upon proposed order and judgment ("Final Approval Order and Judgment"), which will provide for, in substantial part, the following:

- a. Approval of the Settlement as fair, reasonable, and adequate, and directing consummation of its terms and provisions;
- b. Certification of the Settlement Class Members and PAGA Group Members;
- c. Approval of the application for Attorneys' Fees and Costs to Class Counsel;
- d. Approval of the application for Enhancement Payment to Plaintiff;
- e. Directing Defendant to fund all amounts due under the Agreement and ordered by the Court; and
- f. Entering judgment in the Action barring and enjoining all Settlement Class Members from prosecuting the Released Class Claims, respectively, and PAGA Group Members from prosecuting the Released PAGA Claims, against any of the Released Parties, while maintaining continuing jurisdiction, in conformity with California Rules of Court 3.769 and the Agreement, to ensure the continuing implementation of the provisions of this Settlement.

37. Termination or Revocation of Settlement.

a. Notwithstanding any other provision of this Agreement, Defendant shall retain the right, in the exercise of its sole discretion, to nullify the settlement within fifteen (15) calendar days after expiration of the opt out period if ten percent (10%) or more of the Class Members, or Class Members representing 10% or more of the Qualifying Workweeks, opt out of this settlement. Defendant must exercise this right of rescission in writing that is provided to Class Counsel within fifteen (15) calendar days of the Response Deadline.

b. If the Court finds the Gross Fund Value to be insufficient to warrant Preliminary

Approval or Final Approval of the Settlement, Defendant may, at its election, rescind the Agreement and all actions taken in furtherance of it will thereby be null and void.

38. Effects of Termination of the Settlement. Termination of the Agreement shall have the following effects:

a. The Agreement shall be void and shall have no force or effect, and no Party shall be bound by any of its terms;

b. In the event the Agreement is terminated, Defendant shall have no obligation to make any payments to any Party, Class Member and PAGA Group Member, or attorney, except that the terminating Party shall pay the Settlement Administrator for services rendered up to the date the Settlement Administrator is notified that the Settlement has been terminated;

c. The Preliminary Approval Order, Final Approval Order and Judgment, including any order certifying the Class, shall be vacated;

d. The Agreement and all negotiations, statements and proceedings relating thereto shall be without prejudice to the rights of any of the Parties, all of whom shall be restored to their respective positions in the Actions prior to the execution of the Memorandum of Understanding and this Settlement;

e. Neither this Agreement, nor any ancillary documents, actions, statements or filings in furtherance of the Settlement (including all matters associated with the mediation) shall be admissible or offered into evidence in the Action or any other action for any purpose whatsoever; and

f. Any documents generated to bring the Settlement into effect, will be null and void, and any order or judgment entered by the Court in furtherance of this Agreement will likewise be treated as void from the beginning.

Escalator Clause. Defendant represents that between June 9, 2021 to February 4, 2026 Class and PAGA Members worked approximately 4,640 total unique Qualifying Workweeks. If the number of unique Qualifying Workweeks at issue for the Class and PAGA Members is more than twelve percent (12%) of the represented number of unique Qualifying Workweeks (i.e., exceeds 5,197 unique workweeks), Defendant will have the option to either pay a proportional amount in addition to the Gross Fund Value for each additional such unique Qualifying Workweeks that exceeds 5,197 unique Qualifying Workweeks, or to stop the Class Period at the

1 point at which the number of unique Qualifying Workweeks is no more 5,197 unique Qualifying
2 Workweeks.

3 39. Continued Jurisdiction. After entry of judgment pursuant to the Settlement, the Court will
4 have continuing jurisdiction pursuant to Rule 3.769 of the California Rules of Court and Section 664.6
5 of the California Code of Civil Procedure, for purposes of addressing: (a) the interpretation and
6 enforcement of the terms of the Settlement, (b) settlement administration matters, and (c) such post-
7 judgment matters as may be appropriate under court rules or as set forth in this Agreement. The Parties
8 agree to adopt and apply Rule 3.769(h) of the California Rules of Court requiring entry of judgment.

9 40. Exhibits Incorporated by Reference. The terms of this Agreement include the terms set
10 forth in any attached exhibits, which are incorporated by this reference as though fully set forth herein.
11 Any exhibits to this Agreement are an integral part of the Settlement.

12 41. No Undue Publicity. Neither Party nor their counsel shall publicize, or cause to be
13 publicized, directly or indirectly, the discussions resulting in or the existence of this Settlement or its
14 terms, in any type of mass media, including, but not limited to, speeches, press conferences, press releases,
15 interviews, television or radio broadcasts, newspapers, messages on the Internet, Facebook, Twitter or any
16 other social media, the Parties' counsels' or any other website. Breach of this provision by Plaintiff or
17 Class Counsel shall entitle Defendant, in the exercise of its sole discretion, to nullify the Settlement at any
18 time before final approval by the Court. Should Plaintiff at any time breach this provision, Plaintiff shall
19 forfeit to Defendant the full amount of the Enhancement Payment. Without limitation by the foregoing,
20 Defendant also may enforce this provision through an action for injunctive relief. Plaintiff waives any
21 obligation by Defendant to file a bond in connection with any such action. Breach of this provision by
22 Defendant or its counsel shall sever this Paragraph rendering this Paragraph null and void, while the rest
23 of this Settlement shall survive and remain in full force and effect. Nothing in this Paragraph shall prohibit
24 Class Counsel from referring to this litigation and this settlement in court filings. Likewise, nothing in this
25 Paragraph shall prohibit Class Counsel from speaking with Plaintiff, Class Members, and PAGA Group
26 Members about this Settlement to the fullest extent necessary to meet their ethical obligations as Class
27 Counsel.

28 42. Neutral Reference. Defendant agrees that in response to any request for a reference as to
SMRH:4909-5827-9351.1 -23-

1 Plaintiff, it will only confirm his dates of employment, role, and if requested by Plaintiff, his last rate
2 of pay.

3 43. Disputes. Any disputes arising out of or relating to this Settlement will be submitted first
4 to the Mediator for mediation. The Parties will split the costs of the mediator and all Parties will bear their
5 own attorneys' fees and other costs incurred. However, to the extent the Parties are unable to resolve their
6 disputes via mediation, the aggrieved party may seek Court intervention. In such an event, the prevailing
7 party shall be entitled to an award of their reasonable attorneys' fees and costs from the non-prevailing
8 party.

9 44. Entire Agreement. This Agreement and any attached exhibits constitute the entirety of
10 the Parties' settlement terms. No other prior or contemporaneous written or oral agreements may be
11 deemed binding on the Parties. The Parties expressly recognize California Civil Code § 1625 and
12 California Code of Civil Procedure § 1856(a), which provide that a written agreement is to be construed
13 according to its terms and may not be varied or contradicted by extrinsic evidence, and the Parties agree
14 that no such extrinsic oral or written representations or terms will modify, vary or contradict the terms
15 of this Agreement.

16 45. Interim Stay of Proceedings. The Parties agree to hold in abeyance all proceedings in the
17 Actions (including with respect to California Code of Civil Procedure section 583.310), except such
18 proceedings necessary to implement and complete the Agreement, pending the Final Approval Hearing
19 to be conducted by the Court.

20 46. Waiver and Amendment. The Parties may not waive, amend, or modify any provision of
21 this Agreement except by written agreement signed by counsel for all Parties, and subject to any
22 necessary Court approval. A waiver or amendment of any provision of this Agreement will not constitute
23 a waiver of any other provision.

24 47. Authorization to Enter into Agreement. Counsel for all Parties warrant and represent they
25 are expressly authorized by the Parties whom they represent to negotiate this Agreement and to take all
26 appropriate actions required or permitted to be taken by such Parties pursuant to this Agreement to
27 effectuate its terms and to execute any other documents required to effectuate the terms of this
28 Agreement. The Parties warrant that they understand and have full authority to enter into this

1 Agreement, and further intend that this Agreement will be fully enforceable and binding on all Parties,
2 and agree that it will be admissible and subject to disclosure in any proceeding to enforce its terms,
3 notwithstanding any mediation confidentiality provisions that otherwise might apply under state or
4 federal law.

5 48. Signatories. It is agreed that because the members of the Class are so numerous, it is
6 impossible or impractical to have each Settlement Class Member execute this Agreement. The
7 Preliminary Approval Notice will advise all Class Members of the binding nature of the release as to the
8 Settlement Class Members, and the release shall have the same force and effect as if this Agreement
9 were executed by each Settlement Class Member.

10 49. Binding on Successors and Assigns. This Agreement will be binding upon, and inure to
11 the benefit of, the successors or assigns of the Parties hereto, as previously defined.

12 50. California Law Governs. All terms of this Agreement and attached exhibits hereto will
13 be governed by and interpreted according to the laws of the State of California.

14 51. Execution and Counterparts. This Agreement is subject only to the execution of all
15 Parties. However, the Agreement may be executed in one or more counterparts, including via electronic
16 means. All executed counterparts and each of them, including facsimile, electronic, and scanned copies
17 of the signature page, will be deemed to be one and the same instrument.

18 52. Acknowledgment that the Settlement is Fair and Reasonable. The Parties believe this
19 Agreement is a fair, adequate, and reasonable settlement of the Action and have arrived at this settlement
20 after arm's-length negotiations and in the context of adversarial litigation, taking into account all
21 relevant factors, present and potential. The Parties further acknowledge that they are each represented
22 by competent counsel and that they have had an opportunity to consult with their counsel regarding the
23 fairness and reasonableness of this Agreement.

24 53. Invalidity of Any Provision. Before declaring any provision of this Agreement invalid,
25 the Court will first attempt to construe the provision as valid to the fullest extent possible consistent
26 with applicable precedents so as to define all provisions of this Agreement valid and enforceable.

27 54. Non-Admission of Liability. The Parties enter into this Agreement to resolve the dispute
28 that has arisen between them and to avoid the burden, expense and risk of continued litigation. In

entering into this Agreement, Defendant does not admit, and specifically denies, that it has violated any state, federal, or local law; violated any regulations or guidelines promulgated pursuant to any statute or any other applicable laws, regulations or legal requirements; breached any contract; violated or breached any duty; engaged in any misrepresentation or deception; or engaged in any other unlawful conduct with respect to its employees. Neither this Agreement, nor any of its terms or provisions, nor any of the negotiations connected with it, shall be construed as an admission or concession by Defendant of any such violations or failures to comply with any applicable law. Except as necessary in a proceeding to enforce the terms of this Agreement, this Agreement and its terms and provisions shall not be offered or received as evidence in any action or proceeding to establish any liability or admission on the part of Defendant or to establish the existence of any condition constituting a violation of, or a non-compliance with state, federal, local or other applicable law.

55. Captions. The captions and paragraph numbers in this Agreement are inserted for the reader's convenience, and in no way define, limit, construe or describe the scope or intent of the provisions of this Agreement.

56. Mutual Preparation. The Parties have had a full opportunity to negotiate the terms and conditions of this Agreement. Accordingly, this Agreement will not be construed more strictly against one party than another merely by virtue of the fact that it may have been prepared by counsel for one of the Parties, it being recognized that, because of the arms-length negotiations between the Parties, all Parties have contributed equally to the preparation of this Agreement.

57. Representation by Counsel. The Parties acknowledge that they have been represented by counsel throughout all negotiations that preceded the execution of this Agreement, and that this Agreement has been executed with the consent and advice of counsel, and reviewed in full.

58. All Terms Subject to Final Court Approval. All amounts and procedures described in this Agreement herein will be subject to final Court approval.

59. Notices. All notices, demands, and other communications to be provided concerning this Agreement shall be in writing and delivered by overnight mail at the addresses set for below, or such other addresses as either Party may designate in writing from time to time:

The Parties shall provide the Settlement Administrator with a copy of the Final Judgment once it is entered by the Court, and the Settlement Administrator shall post the Final Judgment on its website within three (3) business days of receipt. No individualized notice to the Class will be required.

61. Cooperation and Execution of Necessary Documents. All Parties and their counsel will cooperate with each other in good faith and use their best efforts to implement the settlement, including and not limited to, executing all documents to the extent reasonably necessary to effectuate the terms of this Agreement. If the Parties are unable to reach agreement on the form or content of any document needed to implement the Agreement, or on any supplemental provisions that may become necessary to effectuate the terms of this Agreement, the Parties may seek the assistance of the Mediator and then the Court to resolve such disagreement.

62. Integration Clause. EXHIBIT A

NOTICE OF CALIFORNIA CLASS AND PAGA REPRESENTATIVE ACTION SETTLEMENT

Paul F. Maisnier v. PDS Consultants, Inc.

Superior Court of the State of California for the County of Contra Costa

Case No. C25-01606

If you were employed by PDS Consultants, Inc. as a non-exempt hourly employee who performed work in the State of California at any time during the Class Period of June 9, 2021 through [Preliminary Approval Date], you could be a Class Member and receive a payment from a proposed class action settlement. (Hereinafter, “Class Members”).

You are not being sued. Read this notice carefully, as your legal rights could be affected whether you act or not.

The Superior Court for the County of Contra Costa (the “Court”) has preliminarily approved a class and representative action lawsuit, upon the terms set forth in the Joint Stipulation of Class and PAGA Settlement And Release (“Settlement” or “Settlement Agreement”), that may affect your legal rights. The proposed Settlement resolves as lawsuit pending in the Court entitled *Paul F. Maisnier v. PDS Consultants, Inc.*, Case No. C25-01606 (“Action” or “Lawsuit”), filed by Paul F. Maisnier (“Plaintiff”) against PDS Consultants, Inc. (“PDS”).

You are receiving this Notice because you have been identified by PDS as a Class Member, defined as follows:

All current and former non-exempt hourly employees of PDS Consultants, Inc. who performed work in the State of California at any time during the Class Period of June 9, 2021 through [Preliminary Approval Date].

- This Lawsuit is based on various allegations, including but not limited to, Plaintiff’s claims that PDS: (i) failed to pay all overtime wages; (ii) failed to provide required meal and rest periods or premium payments in lieu thereof; (iii) failed to provide accurate wage statements; (iv) failed to timely pay Class Members wages during employment, upon termination, and associated waiting time penalties; (v) violated California’s unfair competition law; and (vi) violated the Private Attorneys General Act (“PAGA”) (Labor Code §§ 2698 *et seq.*). Depending on your dates of employment, you may qualify for recovery under those claims as part of this Settlement to the extent the Court grants final approval of this Settlement.
- The Settlement provides cash payments to Class Members who worked in California, based on their number of workweeks of employment by PDS from June 9, 2021 through [Preliminary Approval Date]. (the “Class Period”). PDS’s records reflect you worked [[Individual Workweeks]] workweeks during the Class Period. Based on this information, if the Court grants final approval of the Settlement, your Individual Settlement Payment is estimated to be \$[[Individual Class Payment]] (less any applicable state and federal withholdings). The actual amount you may receive will likely be different and will depend on multiple factors, such as whether there are any workweek adjustments for Class Members.
- To the extent the Court grants final approval of the Settlement, the Settlement also provides for additional cash payments to individuals who worked for PDS as non-exempt employees in California at any time from June 6, 2024 to [Preliminary Approval Date]. (the “PAGA Group Members” during the “PAGA Period”), based on the number of weeks each PAGA Group Member worked during the PAGA Period.
 - [IF APPLICABLE] You have been identified as a PAGA Group Member and PDS’s records reflect you worked [[PAGA Workweeks]] workweeks during the PAGA Period. Based on this

information, if the Court grants final approval of the Settlement, your PAGA Settlement Payment is estimated to be \$[[PAGA Settlement Payment]].

- PDS denies Plaintiff's contentions and maintains it has fully complied with the law. By entering into this settlement, PDS in no way admits any violation of law or any liability whatsoever to Plaintiff or Class Members, individually or collectively, and expressly denies all such liability.
- Plaintiff and PDS have reached this settlement in light of all known facts and circumstances—including the risks of significant delay and uncertainty associated with litigation, various defenses asserted by PDS, and numerous potential appellate issues—with the assistance of an experienced mediator knowledgeable of both the wage and hour laws and class and representative claims at issue.

THIS NOTICE IS NOT TO BE UNDERSTOOD OR VIEWED AS AN EXPRESSION OF ANY OPINION FROM THE COURT AS TO THE MERITS OF ANY OF THE CLAIMS ASSERTED BY PLAINTIFF OR DEFENSES ASSERTED BY PDS.

<u>YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT</u>	
DO NOTHING	You do not have to do anything in response to this notice. If you do nothing, you will remain eligible to automatically receive an Individual Settlement Payment related to the Released Class Claims if the Court grants final approval of the Settlement. In such case, you will be bound by the Released Class Claims in the Settlement and release your claims in exchange for compensation.
OPT OUT	You may opt out of the Released Class Claims in the Settlement by submitting a Request for Exclusion form as explained below. If you opt out, you cannot object to the Settlement, you will not receive an Individual Settlement Payment related to the Released Class Claims, and you shall not be bound by the Released Class Claims in the Settlement. However, regardless if you choose to opt out, to the extent the Court grants final approval of the settlement and you worked within the PAGA Period identified above, you will still be sent a Settlement Check associated with those claims, as more fully described below.
OBJECT	You may object to the Settlement by submitting a written objection. If the Court grants final approval of the Settlement despite your objection, you will remain eligible to automatically receive an Individual Settlement Payment and you will be bound by the Released Class Claims. However, you can only file an objection if you do not opt out of the Settlement.

The Court's final approval hearing is scheduled to take place on [[Final Approval Hearing Date]] at [[Final Approval Hearing Time]] in Dept. [] of the Contra Costa Superior Court, located at 725 Court St. Martinez, CA 94553. You do not have to attend but you do have the right to appear. *For more information, please carefully read this notice.*

1. Why Did I Receive This Notice And What Is This Lawsuit About?

You received this Notice because PDS's records show that you are a Class Member included in this Lawsuit by virtue of your employment with PDS. On [], the Settlement was preliminarily approved by the Court

in this Lawsuit. The Court in this Lawsuit ordered that this Class Notice be mailed to you and all other Class Members to notify you of the terms of the proposed Settlement so that you may make appropriate decisions, and to notify you of your rights to share in the proposed Settlement in this Lawsuit. This Class Notice does not express any opinion by the Court regarding the merits of any claims or defenses asserted by any party in the Lawsuit.

The terms of the Settlement are set forth in detail in the Settlement Agreement. You may obtain a copy of the Settlement Agreement from the neutral third-party appointed by the Court to administer the settlement (the “**Settlement Administrator**”). Details about how to get additional information about the Settlement Agreement are provided at the end of this Class Notice.

The Lawsuit is brought by Plaintiff, individually and on behalf of other individuals, alleging, among other things, that that PDS: (i) failed to pay all overtime wages; (ii) failed to provide required meal and rest periods or premium payments in lieu thereof; (iii) failed to provide accurate wage statements; (iv) failed to timely pay Class Members wages during employment, upon termination, and associated waiting time penalties; (v) violated California’s unfair competition law; and (vi) violated PAGA. Plaintiff is represented by James Hawkins, APLC (“**Class Counsel**”).

PDS denies the allegations and denies that it owes money to Plaintiff, the PAGA Group Members, or the Class Members for any of the alleged claims. PDS expressly denies any and all charges of wrongdoing or liability arising out of the acts, omissions, facts, matters, transactions, or occurrences alleged, or that could have been alleged, in the Lawsuit. PDS contends that it has complied with applicable state, municipal, and federal laws, statutes, ordinances, regulations, common law, and wage orders. PDS has raised numerous defenses to Plaintiff’s claims and those defenses could significantly reduce or even eliminate any liability or damages owed to the Class Members.

The parties participated in a mediation with a respected mediator. After significant investigation and research into the facts and circumstances underlying the issues raised in the Lawsuit and with the aid of the mediator, the parties agreed to settle the Lawsuit, which was approved by the Court, upon the terms set forth in the Settlement Agreement. The Court did not decide in favor of Plaintiff or PDS and there was no trial.

The Settlement Agreement represents a compromise of highly disputed claims. PDS, by settling the Lawsuit, does not admit, concede, or imply any fault, wrongdoing, or liability. Plaintiff and PDS, and their respective counsel, have concluded and agree that, in light of the risks and uncertainties to each side of continued litigation, the Settlement is appropriate. Counsel for Plaintiff and the Class Members believe that the proposed Settlement is fair, adequate, and reasonable and in the best interests of the Class Members.

2. What Are the Settlement Terms?

As a part of the Settlement, which includes the California Class Action and PAGA Settlement, PDS has agreed to pay the amount of \$195,000.00 (“**Gross Fund Value**”).

At the Final Approval Hearing, the Plaintiff, through Class Counsel, will ask the Court to approve the Gross Fund Value, including authorizing: (1) all Settlement Payments to Settlement Class Members, (2) the amount of up to \$10,000 for Plaintiff’s services as the representative of the Settlement Class Members (“**Enhancement Payment**”); (3) the amount of up to 35% in attorneys’ fees (i.e., an amount not to exceed \$68,250.00) and the amount of up to \$15,000 in litigation costs and expenses to Class Counsel (“**Attorneys’ Fees and Costs**”); (4) reasonable settlement administration costs, up to \$4,500 (“**Settlement Administration Costs**”); and (5) \$10,000 to the California Labor and Workforce Development Agency for the PAGA Fund, 35% of which will be distributed to the PAGA Group Members (“**PAGA Settlement Fund**”). Defendant’s share of applicable payroll taxes will be paid by Defendant separately.

The Gross Fund Value minus the Enhancement Payment, Attorneys' Fees and Costs, PAGA Settlement Fund, and the Settlement Administration Costs, is referred to as the "**Net Settlement Fund.**" Payments to the Settlement Class Members will be allocated based on the number of workweeks each individual worked during the Class Period, on a pro-rata basis. Likewise, all non-exempt employees who worked in California during the PAGA Period ("PAGA Group Members") will receive a pro rata portion of the PAGA Settlement Fund based on the number of workweeks each individual worked during the PAGA Period. Partial weeks will be counted as full weeks.

The Class Settlement Fund shall be allocated under the following formula:

1. Distribution of Class Settlement Fund

The amount of the Class Settlement Fund each Settlement Class Member can receive will be determined based upon the number of workweeks worked during the Class Period. The Settlement Administrator will calculate Individual Settlement Payments by (1) dividing the Class Settlement Fund by the total number of workweeks worked by all Settlement Class Members, and then (2) multiplying the result by the number of workweeks worked by each respective Settlement Class Member.

a. Individual Class Payments

Each Class Member who does not timely and properly opt out of the Settlement ("Settlement Class Members") will be entitled to receive a portion of the Class Settlement Amount based on the formula above ("Individual Settlement Payments"). The Settlement Administrator will calculate Individual Settlement Payments for all Settlement Class Members.

25% of each Individual Settlement Payment shall constitute taxable wages ("Wage Portion") and 75% shall constitute interest and penalties ("Non-Wage Portion"). In accordance with applicable tax laws, required tax withholdings will be taken from each Individual Settlement Payment for the portion allocated to W-2 income and remitted to the appropriate taxing authorities. The Settlement Administrator shall issue any necessary IRS Form 1099 and W-2s to Settlement Class Members for their respective Individual Settlement Payments. Settlement Class Members shall be solely and legally responsible for paying all other applicable taxes on their respective Individual Settlement Payments and shall indemnify and hold harmless PDS from any claim or liability for taxes, penalties, or interest arising as a result of the payments.

b. Undeliverable or Uncashed Checks

Any Settlement Check distributing Individual Settlement Payments returned to the Settlement Administrator as undeliverable shall be sent promptly via First Class U.S. Mail to the forwarding address affixed thereto. If no forwarding address is provided, the Settlement Administrator shall promptly attempt to determine the correct address using a single skip-trace search, and it shall then perform a single re-mailing. The principal for any Individual Settlement Payments that remain undeliverable or uncashed 180 calendar days after the postmarked date of their initial mailing will escheat to the State of California's Controller, to be held in the name of each expired check payee.

2. Attorneys' Fees and Costs Award

You do not need to pay individually any portion of Class Counsel's Attorneys' Fees and Costs. Any payments for those Attorneys' Fees and Costs will be deducted from the Gross Fund Value. Class Counsel intends to request that the Court approve an Attorneys' Fees and Costs Award in the amount of up to 35% of the Gross Fund Value (or \$68,250.00) and costs in the amount of up to \$15,000.00.

The Court's approval of an Attorneys' Fees and Costs Award is not a material term of the settlement. If the Court does not approve or approves only a lesser amount than requested by Class Counsel for an Attorneys' Fees and Costs Award, the other terms of the settlement shall apply. The Court's refusal to approve the Attorneys' Fees and Costs Award requested by Class Counsel does not give Plaintiff or Class Counsel any basis to abrogate the Settlement. Any amount of an Attorneys' Fees and Costs Award requested by Class Counsel but unapproved by the Court shall be allocated to the Net Settlement Amount.

3. Enhancement Payments

Class Counsel intends to request that the Court approve an Enhancement Award for Plaintiff in the total amount of up to \$10,000. Plaintiff's Enhancement Payment is in addition to Plaintiff's Individual Settlement Payment.

The Court's approval of Plaintiff's Enhancement Payment is not a material term of the settlement. If the Court does not approve or approves only a lesser amount than requested by Class Counsel for Plaintiff's Enhancement Payment, the other terms of the settlement shall apply. The Court's refusal to approve Plaintiff's Enhancement Payment requested by Class Counsel does not give Plaintiff or Class Counsel any basis to abrogate the Settlement. Any amount of Plaintiff's Enhancement Payment requested by Class Counsel but unapproved by the Court shall be allocated to the Net Settlement Amount.

4. Settlement Administration Costs

Class Counsel intends to request that the Court approve Settlement Administration Costs of up to \$4,500.00, payable to the Settlement Administrator for administering the settlement, including, but not limited to, printing, distributing, or tracking Notices, providing any required tax forms, processing any required tax payments or reporting, and calculating and distributing settlement payments. Any amount of Settlement Administration Costs requested by Class Counsel but unapproved by the Court shall be allocated to the Net Settlement Amount.

5. PAGA Fund

Class Counsel intends to request that the Court allocate \$10,000 to the PAGA Fund out of the Gross Fund Value, and approve an LWDA Payment of \$6,500.00 (or 65% of the PAGA Fund) to the State of California Labor and Workforce Development Agency ("LWDA"), and the remaining \$3,500.00 (or 35% of the PAGA Fund) for a payment to the PAGA Group Members ("PAGA Settlement Fund"). Any amount of the PAGA Fund requested by Plaintiff but not approved by the Court shall be allocated to the Net Settlement Amount.

6. All Payments Subject to Court Approval

All of the payments listed above will be made if and only if the Court grants final approval of the settlement. The Court may adjust the amounts of certain payments.

4. What Do I Release Under the Settlement?

In exchange for your Individual Settlement Payment, you will be treated as a Settlement Class Member, participating fully in the settlement, unless you submit a signed Request for Exclusion by **[[Response Deadline]]** ("Response Deadline").

After the judgment is final and PDS has fully funded the settlement, Participating Class Members will be legally barred from asserting against PDS, and all of its present and former owners, parent companies, subsidiaries, affiliates and joint ventures, and all of any of their officers, directors, employees, agents, servants, registered representatives, attorneys, insurers, successors and assigns, and any other persons acting by through, under, or in concert with any of them (collectively, the **“Released Parties”**) from any of the claims released under the Settlement (**“Released Class Claims”**), as follows:

All wage and hour claims that were pleaded or could have been pleaded, based on, or which arise out of the facts alleged in the Complaint, including, claims for unpaid wages, claims for unpaid, agreed, minimum, and overtime wages, claims for alleged errors in calculating the regular rate of pay, claims for missed meal and rest breaks, claims for liquidated damages, claims for record-keeping violations, claims for wage-statement penalties, claims for “waiting time” penalties, claims of late/untimely payment of wages, and derivative claims under Business and Professions Code section 17200, et seq. This includes known and unknown claims arising under California Labor Code sections 201-204, 226, 510, 558, 226.3, 1174, 1174.5, 1175, 1194, 1197, 1197.1, 1198, the applicable IWC Wage Order(s), the California Unfair Competition Law, California Business and Professions Code section 17200 et seq., as well as all claims arising under the listed Labor Code statutes based on the primary rights of those statutes.

Should the Court grant final approval of the Settlement and you are also a PAGA Group Member, you will receive a check associated with the PAGA claims being resolved and you will release all claims under PAGA alleged in the Operative Complaint or PAGA claims that could have been alleged based on the facts pertaining to Plaintiff and the PAGA Group Members, arising during the PAGA Period. This includes, but is not limited to PAGA claims based on California Labor Code sections 201-204, 226, 510, 558, 226.3, 1174, 1174.5, 1175, 1194, 1197, 1197.1, 1198, and the applicable IWC Wage Order(s), as well as all claims arising under the listed Labor Code statutes based on the primary rights of those statutes, irrespective of the theory of recovery alleged (**“Released PAGA Claims”**).

6. How Can I Correct The Number of Workweeks Attributed To Me?

You have until the Response Deadline to correct or challenge the number of workweeks attributed to you in this Notice. You can submit your challenge by signing and sending a letter to the Settlement Administrator via mail or email to the Settlement Administrator at the following address:

Settlement Administrator:

[REDACTED]

The Settlement Administrator will accept PDS’s calculation of workweeks as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you.

7. How Will I Get Paid?

The Settlement Administrator will send, by U.S. mail, a single check to every Settlement Class Member following the Effective Date of this Settlement. Your check will be sent to the same address as this Notice. If you change your address, notify the Settlement Administrator as soon as possible.

8. What If I Lose My Settlement Check or Fail To Cash It?

If you lose or misplace your Settlement Check, the Settlement Administrator will replace it if you request a replacement before the void date on the face of the original check. If your check is already void or you have otherwise failed to cash it, it will be provided to the State of California's Unclaimed Property Division in your name. For more information, please review how to process a claim for your funds with the State of California, https://www.sco.ca.gov/upd_form_claim.html.

9. How Do I Opt Out of the Class Settlement?

If you do not want to participate in the Class Settlement, you may opt out of the Class Settlement. If you opt out of the Class Settlement, you may not object to the Class Settlement, shall not receive any Individual Settlement Payment, and shall not be bound by the Released Class Claims in the Settlement Agreement. However, notwithstanding your decision to opt out, if the Court grants final approval of the Settlement and you otherwise qualify to participate in the Settlement as it pertains to the PAGA claims, you will still receive a Settlement Check in the mail associated with those claims, and you may not opt out of an approved PAGA settlement.

In order to opt out, you **MUST** express your desire to be excluded from the Class Settlement by taking the steps below. Failure to do so will be deemed a waiver of your request to opt out of the settlement, and you will be bound by the Released Class Claims:

- (1) You must mail a written statement to the Settlement Administrator listed above.
- (2) The written statement **MUST** include: your name, address, telephone number, the last four digits of your Social Security number, and the case name and number.
- (3) The written statement must state in substance, "I wish to opt out of the settlement in the lawsuit *Paul F. Maisnier v. PDS Consultants, Inc.*, Case No. C25-01606."
- (4) The written statement must be postmarked by the Response Deadline, 45 calendar days after the initial mailing of Class Notice.

This can be accomplished by mailing to the Settlement Administrator a "Request for Exclusion." You may use the attached "Request for Exclusion" form. Any such Request for Exclusion must be postmarked by the Response Deadline.

Any Request for Exclusion that does not include all required information or that is not submitted timely will be deemed null, void, and ineffective. A Request for Exclusion shall be deemed to be submitted as of the postmarked date. If you submit both a Request for Exclusion and an objection, your objection will be valid and be deemed to invalidate the Request for Exclusion.

Any Class Member who validly requests to be excluded from the Settlement will not be a Settlement Class Member and will not receive an Individual Payment for the release of the Released Class Claims.

Notwithstanding, should the Court grant final approval of the Settlement and you are a PAGA Group Member, you will still receive a settlement payment associated with the resolution of the PAGA claims in this Lawsuit and you will be bound by the Released PAGA Claims.

10. How Do I Object to the Settlement?

If you want to participate in the Settlement, you do not have to do anything and do not have to appear at the final approval hearing before the Court. You will receive your Individual Settlement Payment automatically if the Court grants final approval of the Settlement.

However, if you want to object to the Settlement, you must take the steps below. Failure to do so will be deemed a waiver of any objections, and you may not be permitted to appear at the final approval hearing before the Court:

- (1) You must mail a written statement to the Settlement Administrator listed above.
- (2) The written statement **MUST** include: your name, address, telephone number, last four digits of your Social Security number, and the basis for your objection along with copies of any papers, briefs, or other documents upon which the objection is based.
- (3) If you object, you may but are not required to appear at the final approval hearing either in person or through counsel, paid for at your own expense.
- (4) The written statement must be postmarked by 45 calendar days after the initial mailing of Class Notice.

If you fail to make an objection in the manner specified above, you shall be deemed to have waived any objections and shall be foreclosed from making any objection, whether by appeal or otherwise, to this settlement. The Settlement Administrator will send a copy of your objection to all Parties involved in the Lawsuit who will file all objections with the Court within 10 calendar days after the above postmark deadline to submit objections.

If you submit an objection, you will be bound by the Settlement if it is finally approved. If you do not want to be bound by the Settlement if finally approved, you must opt out of the settlement.

11. Can I Attend the Final Approval Hearing?

You may, but are not required to, attend the Final Approval Hearing on [[Final Approval Hearing Date]] at [[Final Approval Hearing Time]] in Dept. [] of the Contra Costa Superior Court, located at 725 Court St. Martinez, CA 94553. At the hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Fund Value will be paid to the LWDA, Class Counsel, the Plaintiff, and the Settlement Administrator. The Court will invite comment from objectors, Class Counsel, and defense counsel before making a decision.

It is possible the Court will reschedule the Final Approval Hearing. Please review the Court's online docket or contact the Settlement Administrator or Class Counsel to verify the date and time of the Final Approval Hearing if you intend to appear.

12. How Can I Get More Information?

The Settlement Agreement sets forth everything PDS and Plaintiff have promised to do under the proposed Settlement. The easiest way to read the Settlement Agreement or any other Settlement documents is to go to the Court's website, access the Register of Actions, and search for the case using the case number at the top of this notice.
