**DECLARATION OF KRISTINA BUI  
CARLSON, ESQ., IN SUPPORT OF  
PLAINTIFF'S MOTION FOR FINAL  
APPROVAL OF CLASS ACTION  
SETTLEMENT**

I, Kristina Bui Carlson, state and declare:

1. I am an attorney duly licensed to practice law in the State of California and am an Associate at Lauby, Mankin & Lauby LLP, attorneys for Plaintiff in the above-entitled action. I am fully familiar with the facts of this case. The matters set forth herein are based upon my personal knowledge. I submit this declaration in support of Plaintiff's Motion for Final Approval of this Class Action Settlement and, if called upon as a witness, I could and would give competent testimony with respect to the matters contained herein.

1 **QUALIFICATION OF COUNSEL**

2 2. I graduated from the University of Oregon School of Law in May 2013 and have  
3 been a member, in good standing, of the State Bar of California since December 2013. I am  
4 licensed to practice before all courts of the State of California and am admitted to practice in the  
5 United States District Court for the Central District of California and have litigated cases in  
6 various courts and counties throughout California, including the Court of Appeal.

7 3. I began working at Fernandez & Lauby LLP (the predecessor of Lauby, Mankin  
8 & Lauby LLP) in September 2015 and, my current practice consists solely of representing  
9 employees. All of my current cases have been litigated as class actions, representative PAGA  
10 actions, or a combination of the two.

11 4. I have been the handling attorney on nearly two dozen class action and/or  
12 representative PAGA actions. And, on these cases, myself and/or my firm have been appointed  
13 Class Counsel and have helped negotiate settlements totaling millions of dollars for our clients,  
14 the employees, and the State of California.

15 **HOURS INCURRED**

16 5. I have spent 154.3 hours working on this matter. My time spent on this case  
17 reflects the time spent for tasks, such as in-dept research into Defendant's corporate entity;  
18 docket searches to identify any pending or related cases; drafting of the LWDA letter setting  
19 forth facts and claims on behalf of the Aggrieved Employees; drafting the class and PAGA  
20 complaints; legal research into issues unique to this matter based on the facts presented by  
21 Plaintiff; meetings and conference calls to discuss viability of claims and impacts of new  
22 information learned during course of litigation; drafting of written discovery; review and analysis  
23 of Defendant's discovery responses; meeting and conferring with defense counsel; preparing for  
24 and taking the deposition of Defendant's persons most knowledgeable; review, evaluation, and  
25 analysis of financial documents and data produced by Defendant prior to settlement negotiations;  
26 review of financial expert's analysis prior to settlement negotiations; drafting of settlement  
27 documents; additional post-settlement work on various documents; drafting of the preliminary  
28 approval motion and documents; and the review and editing of preliminary and final approval

documents.

**HOURLY RATE**

6. My billing rate is \$600 per hour, and this rate is usual and customary for class action and/or PAGA practitioners with my level of expertise and experience.

7. This rate is consistent with Plaintiff and Defense attorneys who handle complex class action litigation, if not somewhat lower. For instance, the Wolters Kluwer 2020 Real Rate Report (“Real Rate Report”) states that the median rates for associates in Los Angeles is \$576.00 per hour, with the upper quartile rate at \$770.00 per hour. The Real Rate Report also notes that the median and upper quartile rates for associates with 7 or more years of experience are \$520 and \$789, respectively. Being that I have been in practice for over 10 years, my experience falls squarely within the confines of that range, at a rate lower than those in the Real Rate Report.

8. Importantly, the Real Rate Report data is not based on self-reported numbers, surveys, or sampling – instead, these figures are based on an analysis of the actual amounts billed to clients based on more than 25.8 million billing entries and 23.9 million hours billed by over 112,100 individual timekeepers from 4,620 law firms, totaling \$9.02 billion in fees billed. And, specifically, the Los Angeles data is based on review of 1,311 associates and the corresponding time and rates each billed to their client.

9. My requested rate is also reasonable, consistent, and less than the rate found in the Laffey Matrix ([www.laffeymatrix.com](http://www.laffeymatrix.com)), which indicates that the benchmark rate for an attorney that graduated law school in 2013 is \$676 per hour.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on August 20, 2025, at Riverside, California.
