1. I am admitted, in good standing, to practice as an attorney in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Senior Partner at Wilshire Law Firm, PLC, counsel of record for Plaintiff Sylvia Carpenter (“Plaintiff”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiff’s Motion for Preliminary Approval of Class Action Settlement.

2. This is a wage and hour class and Private Attorneys General Act (“PAGA”) (Cal. Lab. Code §§ 2699, *et seq.*) representative action. Plaintiff and putative class members worked in California as hourly-paid or non-exempt employees for Defendant Precision Stampings Solutions, Inc., (“Defendant”) during the class period. Defendant designs and builds tooling, electro-plates, and runs production for the automotive, electronics, telecommunications, medical, military, computer, and hardware industries.

4. On November 29, 2022, Plaintiff filed a putative wage-and-hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Labor Code §§ 1194 and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Labor Code §§ 226.7 and 512); (5) failure to timely pay final wages at termination (Labor Code §§ 201-203); (6) failure to provide accurate itemized wage statements

(Labor Code § 226); (7) failure to indemnify employees for expenditures (Labor Code § 2802); and (8) unfair business practices (Business and Professions Code 17200 et seq.). On May 2, 2023, Plaintiff filed a First Amended Complaint against Defendant adding claims for civil penalties under PAGA (Labor Code §§ 2698, *et seq.*) Plaintiff sent a notice to Defendant and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to the PAGA (Cal. Lab. Code §§ 2699, *et seq.*) on December 8, 2022.

DISCOVERY AND INVESTIGATION

5. Following the filing of the Complaint, the Parties exchanged documents and information before mediating this action. Defendant produced a sample of time and pay records for class members. Defendant also provided documents of its wage and hour policies and practices during the class period, and information regarding the total number of current and former employees in its informal discovery responses.

6. After reviewing documents regarding Defendant’s wage and hour policies and practices, and analyzing Defendant’s timekeeping and payroll records, Class Counsel was able to evaluate the probability of class certification, success on the merits, and Defendant’s maximum monetary exposure for all claims. Class Counsel also investigated the applicable law regarding the claims and defenses asserted in the Litigation. Class Counsel reviewed these records and utilized an expert to prepare a damages analysis prior to mediation.

SETTLEMENT NEGOTIATIONS

7. On October 23, 2023, the Parties participated in private mediation with experienced class action mediator, Hon Daniel Buckley (Ret.). The mediation was conducted via Zoom. The settlement negotiations were at arm’s length and, although conducted in a professional manner, were adversarial. The Parties went into the mediation willing to explore the potential for a settlement of the dispute, but each side was also prepared to litigate their position through trial and appeal if a settlement had not been reached.

8. After extensive negotiations and discussions regarding the strengths and weaknesses of Plaintiff’s claims and Defendant’s defenses, the Parties were able to reach a resolution, the material terms of which are encompassed within the Settlement Agreement.

Attached as **Exhibit 1** is a true and correct copy of the Class Action and PAGA Settlement Agreement and Class Notice (“Settlement Agreement”).

9. The Parties used the Los Angeles Superior Court’s Form Class Action and PAGA Settlement Agreement and Class Notice.

10. Class Counsel submitted the proposed Settlement to the LWDA before filing the Motion for Preliminary Approval.

11. I requested several bids from experienced class action settlement administrators to handle the responsibilities of the Settlement Administrator under this Settlement. The Parties accepted the bid of ILYM Group, Inc. (“ILYM”). ILYM’s founder has multiple years of experience in the field of Class Action Administration, particularly in the wage-and-hour arena. In its bid, ILYM agreed to cap its costs at \$6,250.00 if there are 120 class members. ILYM’s bid also accounts for Notice in English and Spanish. A true and correct copy of the bid is attached hereto as **Exhibit 2**.

12. Plaintiff does not have any interest, financial or otherwise, in the proposed third-party administrator, ILYM.

13. No one at Wilshire Law Firm, PLC (meaning the law firm itself and anyone employed at the law firm) has any interest, financial or otherwise, in the proposed third-party administrator, ILYM.

14. Wilshire Law Firm, PLC has no fee-splitting agreement with any other counsel in this case.

15. Class Counsel is not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE

16. Class Counsel has conducted a thorough investigation into the facts of this case. Based on the foregoing discovery and their own independent investigation and evaluation, Class Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best interests of the Settlement Class Members in light of all known facts and circumstances, the risk of significant delay, the defenses that could be asserted by Defendant both to certification and on

1 the merits, trial risk, and appellate risk.

2 17. Based on an analysis of the facts and legal contentions in this case, documents and
3 information from Defendant, I evaluated Defendant's maximum exposure. I took into account the
4 risk of not having the claims certified and the risk of not prevailing at trial, even if the claims are
5 certified. After using the data Defendant provided, including class member timekeeping and
6 payroll records, as well as class member demographics (i.e., the number of class members,
7 workweeks, and average total compensation of the class), with the assistance of a statistics expert,
8 I created a damages model to evaluate the realistic range of potential recovery for the class. The
9 damages model is based on the following benchmarks:

10 Total Class Members: 101

11 Terminated Class Members during 3-year statute: 52

12 Total Workweeks: 7,988

13 PAGA Pay Periods: 4,246

14 PAGA Eligible Employees: 68

15 Avg. Hourly Rate: \$24.70

16 18. Based on Plaintiff's discovery and investigation, Class Counsel reached the
17 conclusion that Defendant failed to pay class members for all hours worked, including overtime
18 wages, Defendant had a policy and practice of not providing its employees with California
19 compliant meal and rest periods which it did not pay appropriate premiums for, and Defendant
20 required its employees to work "off-the-clock" prior to clocking in for the workday, during meal
21 periods, and after clocking out for the workday, time which it did not pay for, and Defendant failed
22 to reimburse its employees for business-related expenses. Defendant denies these claims.

23 19. Plaintiff further alleges that Defendant failed to pay for all hours worked, including
24 minimum wages, straight time wages, and overtime wages, by requiring class members to work
25 off-the-clock, unpaid. For purposes of calculating Defendant's liability based on a best-case
26 scenario for Plaintiff and the Class, I estimate that Defendant's maximum potential exposure by
27 assuming that all unpaid work time should have been paid at the overtime rate and I assumed that
28 Defendant is liable for 1 hour of unpaid worktime per week. This results in an estimate of

1 \$295,955.40 (7,988 workweeks * \$24.70 hourly overtime rate * 1.5 overtime rate * 1 hour of
2 unpaid work per week), but I discounted this figure by 70% to account for the difficulty of
3 prevailing on a motion for class certification and a trial on the merits because liability depends on
4 whether Defendant knew or should have known that class members were working off-the-clock,
5 yielding a realistic damage estimate of \$88,786.62.¹

6 20. With respect to the meal period claim, Plaintiff alleges that Defendant required her
7 and similarly situated class members to either work in lieu of taking meal periods, or their meal
8 periods were untimely or interrupted. My expert analyzed Defendant's timekeeping records and
9 opined that approximately 65% of all meal breaks had violations of short, missed, or no meal
10 periods. Potential liability for the meal period claim is \$589,937.76 (7,988 workweeks * 4.6
11 average shifts per week * \$24.70 * 65%). I further discounted this figure by 70% to account for
12 the difficulty of certifying and proving meal period claims, as well as Defendant's contention that
13 the claim lacks merit, particularly in light of its numerous meal period premium payments, yielding
14 a realistic damage estimate of \$176,981.33.

15 21. With respect to the rest period claim, Plaintiff alleges that Defendant required her
16 and similarly situated class members to work in lieu of taking rest periods, or their rest periods
17 were untimely or interrupted. Assuming a 85% violation rate for the class period based on
18 Plaintiff's and other class members' experience working for Defendant, Defendant's potential
19 liability for the rest period claim is \$771,457.08 (7,988 workweeks * 85% * \$24.70 * 4.6 average
20 shifts per week); however, I discounted this figure by 80% to account for the difficulty of certifying
21 and proving rest period claims, particularly because rest periods do not have to be recorded, and to
22 account for the possibility of class members voluntarily choosing to forego a rest period, yielding
23 a realistic damage estimate of \$154,291.42.

24 22. Plaintiff alleges that Defendant failed to reimburse necessary business expenses.
25

26 ¹ An 80% discount for risk at certification and trial is reasonable because the Judicial Council of
27 California found that only 21.4% of all class actions were certified either as part of a settlement *or*
28 as part of a contested certification motion. See Findings of the Study of California Class Action
Litigation, 2000-2006, available at [http:// www.courts.ca.gov/documents/class-action-lit-study.pdf](http://www.courts.ca.gov/documents/class-action-lit-study.pdf).

1 Defendant's employees (including Plaintiff) were frequently required to use their personal cell
2 phones to communicate with their supervisors and managers about work-related duties. This
3 included communication regarding their schedules and/or the following day's or week's tasks. For
4 purposes of calculating Defendant's liability based on a best case scenario for Plaintiff and the
5 Class, I estimated that Defendant was liable to each class member for \$60 per month, or \$15 dollars
6 per workweek, in unreimbursed expenses, for a total amount of \$119,820.00 ($\$15 * 7,988$);
7 however, I discounted this figure by 80% to account for the difficulty of certifying and proving
8 expense reimbursement claims, particularly in light of written policies and practices providing a
9 mechanism for class member's to seek reimbursement, yielding a realistic damage estimate of
10 \$35,946.00.

11 23. Plaintiff alleges that Defendant engaged in a clear rounding scheme for Plaintiff and
12 other employees. Plaintiff's expert estimated that there were 4.3 minutes of underpaid hours per
13 shift, for a total of 2,088.8 underpaid hours to the putative class due to the rounding practices,
14 which was calculated at an overtime rate for total liability of \$77,390.04 (2,088.8 underpaid hours
15 * \$24.70 * 1.5 overtime rate). I discounted this figure by 80% to account for the difficulty of
16 certifying and proving unlawful rounding, yielding a realistic damage estimate of \$23,217.01.

17 24. Plaintiff further alleges that that Defendant underpaid for overtime wages due to a
18 deficient alternative workweek schedule that would exempt some class members from the receipt
19 of overtime wages. Defendant failed to produce evidence of any required updated alternative
20 workweek election form filed, except for one from 2004, during a time when Defendant has
21 changed its alleged schedules and has had many different employees and work units since.
22 Plaintiff's expert determined that Defendant would be liable for \$247,203.00 for unpaid overtime
23 wages, assuming an invalid alternative workweek schedule. I discounted this figure by 80% to
24 account for the difficulty of certifying and proving an invalid alternative workweek schedule,
25 yielding a realistic damage estimate of \$74,160.90.

26 25. In sum, I estimated that Plaintiff's maximum recovery for the off-the-clock claim,
27 meal period violations, rest period violations, and failure to reimburse expenses is \$2,101,763.28,
28 but, after factoring in the risk and uncertainty of prevailing at certification and trial, I estimate that

1 Plaintiff's realistic estimated recovery for the non-penalty claims is \$553,383.28.

2 26. With respect to Plaintiff's derivative claims for statutory and civil penalties,
3 Plaintiff estimated that Defendant's realistic potential liability is \$531,327.00. While Defendant's
4 maximum potential liability for waiting time penalties is \$366,054.00 based on approximately 52
5 terminated class members during the 3-year statute (52 * \$24.70 * 9.5 hours * 30 days),
6 \$272,000.00 for inaccurate wage statements based on approximately 68 class members who
7 worked 4,246 pay periods within the 1-year statute (68 * \$4,000), and \$424,600.00 for PAGA
8 violations based on the Court assessing a \$100 penalty for initial violations for all 4,246 pay
9 periods within the 1-year statute, I believe that it would be unrealistic to expect the Court to award
10 the full \$1,062,654.00 in penalties given Defendant's defenses, the contested nature of Plaintiff's
11 claims, and the discretionary nature of penalties. Considering that the underlying claims are
12 realistically estimated to be \$553,383.28, such a disproportionate award would also raise due
13 process concerns. Weighing these factors and applying a discount of 50% to account for the risk
14 and uncertainty of prevailing at trial, I arrived at \$531,327.00 for statutory and civil penalties.

15 27. Using these estimated figures, Plaintiff predicted that the realistic maximum
16 recovery for all claims, including penalties, would be \$1,084,710.28. This means that the
17 \$785,000.00 settlement figure represents 72% of the realistic maximum recovery (\$785,000.00/
18 \$1,084,710.28 = 72%). Considering the risk and uncertainty of prevailing at class certification and
19 at trial, this is an excellent result for the Class.² Indeed, because of the proposed Settlement, class
20 members will receive timely, guaranteed relief and will avoid the risk of an unfavorable judgment.

21 28. While Plaintiff is confident in the merits of her claims, a legitimate controversy
22 exists as to each cause of action. Plaintiff also recognizes that proving the amount of wages due
23 to each Class Member would be an expensive, time-consuming, and uncertain proposition.

24 _____
25 ² See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019) 2019 WL
26 3943859 at *8 (granting preliminary approval where the proposed allocation to settle class claims
27 was between 9.53 percent of Plaintiffs' maximum recovery); *Bravo v. Gale Triangle, Inc.* (C.D.
28 Cal. Feb 16, 2017) 2017 WL 708766 at * 10 (finding that "a settlement for fourteen percent
recovery of Plaintiffs' maximum recovery is reasonable"); *In re Omnivision Techs., Inc.* (N.D. Cal.
2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is just over 9% of the
maximum potential recovery asserted by either party.").

1 29. This Settlement avoids the risks and the accompanying expense of further litigation.
2 Although the Parties had engaged in a significant amount of investigation, informal discovery and
3 class-wide data analysis, the Parties had not yet completed formal written discovery. Plaintiff
4 intended to depose corporate officers and managers of Defendant. Moreover, preparation for class
5 certification and a trial remained for the Parties as well as the prospect of appeals in the wake of a
6 disputed class certification ruling for Plaintiff and/or adverse summary judgment ruling. Had the
7 Court certified any claims, Defendant could move to decertify the claims. As a result, the Parties
8 would incur considerably more attorneys' fees and costs through trial.

9 30. The Net Settlement Amount available for Class Member settlement payments is
10 estimated to be \$468,333.33, for a class of 101 persons.³ As a result, each Settlement Class
11 Member is eligible to receive an average net benefit of approximately \$4,636.96.

12 31. The proposed Settlement of \$785,000.00, therefore, represents a substantial
13 recovery when compared to Plaintiff's reasonably forecasted recovery. When considering the risks
14 of litigation, the uncertainties involved in achieving class certification, the burdens of proof
15 necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the
16 settlement amount of \$785,000.00 is within the "ballpark" of reasonableness, and preliminary
17 settlement approval is appropriate.

18 ENHANCEMENT AWARD FOR PLAINTIFF IS REASONABLE

19 32. Class Counsel represent that Plaintiff devoted a great deal of time and work assisting
20 counsel in the case, communicated with counsel very frequently for litigation and to prepare for
21 mediation, and was frequently in contact with Class Counsel during the mediation. Plaintiff's
22 requested enhancement award is reasonable particularly in light of the substantial benefits Plaintiff
23 generated for all class members.

24 33. Throughout this Litigation, Plaintiff, who is a former employee of Defendant, has
25 cooperated immensely with my office and has taken many actions to protect the interests of the
26 _____

27 ³ The Net Settlement Amount is: \$785,000.00 minus \$261,666.67 for Class Counsel's attorneys'
28 fees, minus \$10,000.00 for Class Counsel's litigation expenses, minus \$10,000.00 in
administration costs, minus \$25,000.00 for the PAGA payment, and minus \$10,000.00 for the class
representative service award to Plaintiff.

1 class. Plaintiff provided valuable information regarding the off-the-clock, meal period, and rest
2 period claims. Plaintiff also informed my office of developments and information relevant to this
3 action, participated in decisions concerning this action, made herself available to answer questions
4 during the mediation, and provided my office with the names and contact information of potential
5 witnesses in this action. Before we filed this case, Plaintiff provided my office with documents
6 regarding the claims alleged in this action. The information and documentation provided by
7 Plaintiff was instrumental in establishing the wage and hour violations alleged in this action, and
8 the recovery provided for in the Settlement Agreement would have been impossible to obtain
9 without Plaintiff's participation.

10 34. At the same time, Plaintiff faced many risks in adding herself as the class
11 representative in this matter. Plaintiff faced actual risks with her future employment, as putting
12 herself on public record in an employment lawsuit could also very well affect her likelihood for
13 future employment. Furthermore, as part of this Settlement, Plaintiff is executing a general release
14 of all claims against Defendant.

15 35. In turn, class members will now have the opportunity to participate in a settlement,
16 reimbursing them for alleged wage violations they may have never known about on their own or
17 been willing to pursue on their own. If these class members would have each tried to pursue their
18 legal remedies on their own, that would have resulted in each having to expend a significant amount
19 of their own monetary resources and time, which were obviated by Plaintiff putting herself on the
20 line on behalf of these other class members.

21 36. In the final analysis, this class action would not have been possible without the aid
22 of Plaintiff, who put her own time and effort into this Litigation, sacrificed the value of her own
23 individual claims, and placed himself at risk for the sake of the class members. The requested
24 enhancement award for Plaintiff for her service as the class representative and for her general
25 release of all individual claims is a relatively small amount of money when the time and effort put
26 into the Litigation are considered and in comparison to enhancements granted in other class actions.
27 The requested incentive award is therefore reasonable to compensate Plaintiff for her active
28 participation in this lawsuit. Indeed, in *Karl Adams, III, et al. v. MarketStar Corporation, et al.*,

No. 2:14-cv-02509-TLN-DB, a wage and hour class action alleging that class members were misclassified as exempt outside salespersons, I was co-lead Class Counsel and helped negotiate a \$2.5 million class action settlement for 339 class members, and the court approved a \$25,000.00 class representative incentive award for each named plaintiffs.

THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

37. The Settlement provides for attorney's fees payable to Class Counsel in an amount up to one-third (33 1/3%) of the Settlement Amount, for a maximum fees award of \$261,666.67, plus actual costs and expenses not to exceed \$10,000.00. The proposed award of attorneys' fees to Class Counsel in this case can be justified under either method – lodestar or percentage recovery. Class Counsel, however, intend to base the proposed award of fees, costs and expenses on the percentage method as many of the entries in the time records will have to be redacted to preserve attorney-client and attorney work product privileges.

38. I am informed and believe that the fee and costs provision is reasonable. The fee percentage requested is less than that charged by my office for most employment cases. My office invested significant time and resources into the case, with payment deferred to the end of the case, and then, of course, contingent on the outcome.

39. It is further estimated that my office will need to expend at least another 50 to 100 hours to monitor the process leading up to the final approval and payments made to the class. My office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

40. The risk to my office has been very significant, particularly if we would not be successful in pursuing this class action. In that case, we would have been left with no compensation for all the time taken in litigating this case. Indeed, I have taken on a number of class action cases that have resulted in thousands of attorney hours being expended and ultimately having certification denied or the defendant company going bankrupt. The contingent risk in these types of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

41. Because most individuals cannot afford to pay for representation in litigation on an hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a

1 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
2 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
3 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
4 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
5 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
6 that we recover more than our regular hourly rate when we win if we are to remain in practice so
7 as to be able to continue representing other individuals in civil rights employment disputes.

8 MY EXPERIENCE AND QUALIFICATIONS

9 42. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World
10 Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of over
11 70 attorneys and over 500 employees. Wilshire Law Firm, PLC is actively and continuously
12 practicing in employment litigation, representing employees in both individual and class actions
13 in both state and federal courts throughout California.

14 43. Wilshire Law Firm, PLC is qualified to handle this Litigation because its attorneys
15 are experienced in litigating Labor Code violations in both individual, class action, and
16 representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling,
17 numerous wage and hour class action lawsuits, as well as class actions involving consumer rights
18 and data privacy litigation.

19 44. I graduated from the University of California, Los Angeles's College Honors
20 Program in 2004 with Bachelor of Arts degrees in History and Japanese, *magna cum laude* and *Phi*
21 *Beta Kappa*. As an undergraduate, I also received a scholarship to study abroad for one year at
22 Tokyo University in Tokyo, Japan. I received my Juris Doctor from Notre Dame Law School in
23 2008.

24 45. My practice is focused on advocating for the rights of consumers and employees in
25 class action litigation and appellate litigation. I am currently the primary attorney in charge of
26 litigating several class action cases in state and federal courts across the United States.

27 46. I have received numerous awards for my legal work. From 2017 to 2020, Super
28 Lawyers selected me as a "Southern California Rising Star," and from 2022 to 2024, I was selected

1 as a “Southern California Super Lawyer.” I was selected as one of the “Best Lawyers in America”
2 in 2023 and 2024. In 2016 and 2017, the National Trial Lawyers selected me as a “Top 40 Under
3 40” attorney. In 2024, I, along with my colleagues at Wilshire Law Firm, received a CLAY
4 (California Lawyer Attorneys of the Year) award for my work on a false advertising case against
5 Apple which ultimately led to a \$25 million settlement. I am also rated 10.0 (“Superb”) by
6 Avvo.com.

7 47. I am on the California Employment Lawyers Association (“CELA”)’s Wage and
8 Hour Committee and Mentor Committee. I have been selected to speak at multiple CELA
9 conferences throughout my career – in 2019, I spoke on the topic of manageability of class actions
10 at CELA’s 2019 Advanced Wage & Hour Seminar, and in 2024, I spoke on the topic of dealings
11 with multiple cases against the same defendant at CELA’s 2024 Advanced Wage & Hour Seminar.
12 Since 2013, I have actively mentored young attorneys through CELA’s mentorship program.

13 48. I am also a past member of the Consumer Attorneys of California (“CAOC”). In
14 2020, I was selected for a position on CAOC’s Board of Directors. I am also a past member of
15 CAOC’s Diversity Committee, and I helped assist the CAOC in defeating bills that harm
16 employees. Indeed, I recently helped assist Jacqueline Serna, Esq., Legislative Counsel for CAOC,
17 in defeating AB 443, which proposed legislation that sought to limit the enforceability of California
18 Labor Code § 226.

19 49. As the attorney responsible for day-to-day management of this matter at the
20 Wilshire Law Firm, PLC, I have over fourteen years of experience with litigating wage and hour
21 class actions. Over the last fourteen years, I have managed and assisted with the litigation and
22 settlement of several wage and hour class actions. In those class actions, I performed similar tasks
23 as those performed in the course of prosecuting this action. My litigation experience includes:

24 a. I served as lead or co-lead in negotiating class action settlements worth over \$10
25 million in gross recovery to class members for each year since 2020, including over
26 \$37.5 million in 2022 and over \$75 million in 2023.

27 b. I led a team of attorneys that successfully obtained class certification of meal period,
28 rest period, and related derivative claims on April 5, 2024 in *Aguilar-Flores, et al.*,

1 *v. Javier's CC LLC, et al.*, Los Angeles Superior Court, Case No. 19STCV36438
2 (Hon. Elihu M. Berle).

- 3 c. I was part of the team of attorneys that prevailed in *Moore v. Centrelake Medical*
4 *Group, Inc.* (2022) 83 Cal.App.5th 515, the first California appellate decision in a
5 data breach class action holding that consumer plaintiffs adequately alleged injury
6 in fact under the benefit of the bargain theory and monitoring-costs theory.
- 7 d. In 2023, Top Verdict recognized Wilshire Law Firm and myself for having one case
8 in the Top 20 Labor & Employment Settlements (including number 15 for the \$3.5
9 million settlement in Black & Decker Wage and Hour Cases) and three additional
10 cases in the Top 50 Labor & Employment Settlements (number 21, 29, and 39.)
- 11 e. In 2022, Top Verdict recognized Wilshire Law Firm and myself for having one case
12 in the Top 20 Labor & Employment Settlements (including number 19 for the \$4.1
13 million settlement in The FPI Management Wage and Hour Cases) and four
14 additional cases in the Top 50 Labor & Employment Settlements (numbers 36, 39,
15 41, and 49).
- 16 f. In 2021, Top Verdict recognized Wilshire Law Firm and myself for having one case
17 in the Top 20 Labor & Employment Settlements (including number 19 for the \$1.6
18 million settlement in *Moreno v. Pretium Packaging, L.L.C*) and four additional
19 cases in the Top 50 Labor & Employment Settlements (numbers 27, 30, 33, and 37).
- 20 g. To my knowledge, I am the only attorney to appear on each of the following Top
21 Verdict lists for 2018 in California: Top 20 Civil Rights Violation Verdicts, Top 20
22 Labor & Employment Settlements, and Top 50 Class Action Settlements.
- 23 h. As lead counsel, on April 29, 2021, I prevailed against CVS Pharmacy, Inc. by
24 winning class certification on behalf of hundreds of thousands of consumers for
25 misleading advertising claims in *Joseph Mier v. CVS Pharmacy, Inc.*, U.S. Dist. Ct.
26 C.D. Cal. no. SA CV 20-1979-DOC-(ADSx).
- 27 i. As lead counsel, I prevailed against Bank of America by: winning class certification
28 on behalf of thousands of employees for California Labor Code violations; defeating

1 appellate review of the court’s order certifying the class; defeating summary
2 judgment; and defeating a motion to dismiss. (*Frausto v. Bank of America, N.A.*
3 (N.D. Cal. 2019) 334 F.R.D. 192, 2020 WL 1290302 (9th Cir. Feb. 27, 2020), 2019
4 WL 5626640 (N.D. Cal. Oct. 31, 2019), 2018 W.L. 3659251 (N.D. Cal. Aug. 2,
5 2018).). The decision certifying the class in *Frausto* is also discussed in Class
6 Certification Under Fed. R. Civ. P. 23 in Action by Information Technology or Call
7 Center Employees for Violation of State Law Wage and Hour Rules, 35 A.L.R. Fed.
8 3d Art. 8.

9 j. I was the primary author of the class certification and expert briefs in *ABM*
10 *Industries Overtime Cases* (2017) 19 Cal.App.5th 277, a wage and hour class action
11 for over 40,000 class members for off-the-clock, meal period, split shift, and
12 reimbursement claims. *ABM Industries Overtime Cases* is the first published
13 California appellate authority to hold that an employer’s “auto-deduct policy for
14 meal breaks in light of the recordkeeping requirements for California employers is
15 also an issue amenable to classwide resolution.” (*Id.* at p. 310.)⁴ Notably, the Court
16 of Appeal also held that expert analysis of timekeeping records can also support the
17 predominance requirement for class certification. (*Id.* at p. 310-11.) In 2021, the
18 case settled for \$140 million, making it one of the largest ever wage and hour class
19 action settlements for hourly-paid employees in California.

20 k. I briefed, argued, and won *Yocupicio v. PAE Group, LLC* (9th Cir. 2015) 795 F.3d
21 1057. The Ninth Circuit ruled in my client’s favor and held that non-class claims
22 under California’s Private Attorney Generals Act (“PAGA”) cannot be used to
23 calculate the amount in controversy under the Class Action Fairness Act (“CAFA”).
24 This case is cited in several leading treatises such as Wright & Miller’s Federal
25 Practice & Procedure, and Newberg on Class Actions. In October 2016, the U.S.

26
27 ⁴ As a California district court observed before the *ABM Industries Overtime* decision, “[t]he case
28 law regarding certification of auto-deduct classes is mixed.” (*Wilson v. TE Connectivity Networks,*
Inc. (N.D. Cal. Feb. 9, 2017) No. 14-CV-04872-EDL, 2017 WL 1758048, *7.)

Supreme Court denied review of a case that primarily concerned *Yocupicio*. That effort was led by Theodore J. Boutrous, who brought the cert petition, with amicus support from a brief authored by Andrew J. Pincus.⁵ Considering that leading Supreme Court practitioners from the class action defense bar were very motivated in undermining *Yocupicio* case, but failed, this demonstrates the national importance of the *Yocupicio* decision.

- l. On December 13, 2018, the United States District Court granted final approval of the \$2,500,000 class action settlement in *Mark Brulee, et al. v. DAL Global Services, LLC* (C.D. Cal. Dec. 13, 2018) No. CV 17-6433 JVS(JCGx), 2018 WL 6616659 in which I served as lead counsel. In doing so, the Court found: “Class Counsel’s declarations show that the attorneys are experienced and successful litigators.” (*Id.* at p. *10.)
- m. *Gasio v. Target Corp.* (C.D. Cal. Sep. 12, 2014) 2014 U.S. Dist. LEXIS 129852, a reported decision permitting class-wide discovery even though the employer has a lawful policy because “[t]he fact that a company has a policy of not violating the law does not mean that the employees follow it, which is the issue here.” The court also ordered defendant to pay for the cost of *Belaire-West* notice.
- n. In 2013, I represented a whistleblower that reported that his former employer was defrauding the State of California with the help of bribes to public employees. The case, a false claims (qui tam) action, resulted in the arrest and criminal prosecution of State of California employees by the California Attorney General’s Office.
- o. In 2013, I was part of a team of attorneys that obtained conditional certification for over 2,000,000 class members in a federal labor law case for misclassification of independent contractors that did crowdsourced work on the Internet, *Otey v. CrowdFlower, Inc.*, N.D. Cal. Case No. 12-cv-05524-JST (MEJ), resulting in the following pro-plaintiff reported decisions:

- i. 2013 U.S. Dist. LEXIS 151846 (N.D. Cal. Oct. 22, 2013) (holding that an unaccepted Rule 68 offer doesn't moot plaintiff's claims, and granting plaintiff's motion to strike defendant's affirmative defenses based on *Twombly/Iqbal*).
- ii. 2013 U.S. Dist. LEXIS 122007 (N.D. Cal. Aug. 27, 2013) (order granting conditional collective certification).
- iii. 2013 U.S. Dist. LEXIS 95687 (N.D. Cal. July 8, 2013) (affirming the magistrate judge's discovery ruling which held that "evidence of other sources of income is irrelevant to the question of whether a plaintiff is an employee within the meaning of the FLSA").
- iv. 2013 U.S. Dist. LEXIS 91771 (N.D. Cal. June 20, 2013) (granting broad discovery because "an FLSA plaintiff is entitled to discovery from locations where he never worked if he can provide some evidence to indicate company-wide violations").

p. From 2012 to 2013, I was part of a team of attorneys that obtained class certification for over 60,000 class members for off-the-clock claims, *Linares v. Securitas Security Services USA, Inc.*, Los Angeles Superior Court No. BC416555. We also successfully opposed subsequent appeals to the California Court of Appeal and California Supreme Court.

50. My current contingent billing rate of \$1,500.00 per hour is consistent with my actual billing rate for paid legal industry consulting services, my practice area, lead appellate experience in the Ninth Circuit Court of Appeals, numerous awards received, legal market and accepted hourly rates:

- a. I have been paid for legal industry consulting services at \$1,500 per hour by Gerson Lehrman Group (GLG), a company that provides financial information and advises investors and consultants with business clients seeking expert advice. GLG is one of the largest companies that provides expert consulting services. GLG's clients include corporations, hedge funds, private equity firms, and consulting firms.

I have worked with GLG on numerous occasions at a rate of \$1,500 per hour, including on three recent occasions in October and November of 2023.

- b. On January 11, 2024, the Hon. Laurel Beeler of the United States District Court, Northern District of California approved my \$1,500 hourly rate when she granted final approval of the class action settlement in *Suarez v. Bank of America, N.A.* (N.D. Cal. Jan. 11, 2024), No. 18-cv-01202-LB, 2024 WL150721, *3 (“As for the lodestar cross-check, the billing rates are normal and customary for timekeepers with similar qualifications and experience in the relevant market.”)
- c. My \$1,500 hourly rate was approved by many California state courts:

1. On December 8, 2023, the Hon. Marcella O. McLaughlin of the San Diego County Superior Court approved my \$1,500 hourly rate when she granted final approval of the class action settlement in *Payabyab v. Bridge Hospice, LLC*, Case No. 7-2021-00046218-CU-OE-CTL.
2. On January 11, 2024, the Hon. Harold Hopp of the Riverside County Superior Court approved my \$1,500 hourly rate when he granted final approval of the class action settlement in *Gutierrez v. Next Level Door & Millwork, Inc.*, Case No. CVRI2105455.
3. On January 26, 2024, the Hon. Loren G. Freestone of the San Diego Superior Court approved my \$1,500 hourly rate when he granted final approval of the class action settlement in *Lupercio v. Western CNC, Inc.*, Case No. 37-2021-00010314-CU-OE-CTL.
4. On February 1, 2024, the Hon. Joseph T. Ortiz of the San Bernardino Court approved by \$1,500 hourly rate when he granted final approval of the class action settlement in *Jackson, et al. v. Apple Valley Communications, Inc.*, et al., Case No. CIVSB2124721.
5. On February 2, 2024, the Hon. Harold Hopp of the Riverside County Superior Court approved by \$1,500 hourly rate when he granted final approval of the class action settlement in *Barrera v. Paradise*

Chevrolet Cadillac, Case No. CVSW2107199.

6. On January 11, 2024, the Hon. Harold Hopp of the Riverside County Superior Court approved my \$1,500 hourly rate when he granted final approval of the class action settlement in *Gutierrez v. Next Level Door & Millwork, Inc.*, No. CVRI2105455.

7. On May 7, 2024, the Hon. Elaine Lu of the Los Angeles County Superior Court approved my \$1,500 hourly rate when she granted final approval of the class action settlement in *Meza v. Argus Management Company, LLC, et al.*, Case No. 21STCV31612.

8. On May 6, 2022, the Hon. Jay A. Garcia-Gregory of the United States District Court in Puerto Rico approved my \$850 hourly rate when he granted final approval of the class action settlement in *Serrano v. Inmediata Corp.*, No. 3:19-cv-01811-JAG, Dkt. 57 (U.S. Dist. Ct. P.R. May 6, 2022).

d. On September 9, 2021, the Hon. Peter Wilson of the Orange County Superior Court approved my \$800 hourly rate when he granted final approval of the class action settlement in *Ricardo Campos Hernandez v. Adams Iron Co., Inc.*, No. 30-2019-01066522-CU-OE-CXC.

e. On August 6, 2021, the Hon. Stanley Blumenfeld, Jr. of the United States District Court granted final approval of the \$1,600,000 class action settlement in *Carlos Moreno v. Pretium Packaging, Inc.* (C.D. Cal. Aug. 6, 2021) No. 8:19-cv-02500-SB-DFM, 2021 WL 3673845 in which I served as lead counsel. In doing so, the Court approved my then \$750 hourly rate after finding it was “reasonable, given the qualifications of the attorneys who worked on this matter.” (*Id.* at p. *3.)

51. The reasonableness of my firm’s hourly rates is also supported by several surveys of legal rates, including the following:

a. The 2022 Real Rate Report survey compiled by Wolters Kluwer, which presents the real market rates of Los Angeles area attorneys who practice litigation. For that

category, the third quartile 2022 rate was \$1,045 per hour for partners and \$855 for associates. Likewise, page 32 of the Report describes the rates charged by 183 Los Angeles partners with “21 or more years of experience” and “Fewer than 21 years.” For those categories, the third quartile Los Angeles partner rate in 2022 were \$1,133 per hour for 21 or more years and \$1,075 for attorneys with fewer than 21 years. A true and correct copy of portions of the 2022 Real Rate Report is attached hereto as **Exhibit 3**.

- b. In an article entitled “Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder,’” written by Roy Strom and published by Bloomberg Law on June 9, 2022, the author describes how Big Law firms have crossed the \$2,000-per hour rate. The article also notes that law firm rates have been increasing by just under 3% per year. A true and correct copy of this article is attached hereto as **Exhibit 4**.

52. Arsiné Grigoryan is an Associate Attorney at my office. She earned two Bachelor of Arts degrees from the University of California, Berkeley in (1) Political Science with an emphasis on international relations and (2) Media Studies. She obtained her Juris Doctor degree from Southwestern Law School. She is presently admitted to practice in all state courts of California (admitted in 2017) and before all federal district courts in California. The focus of her practice at Wilshire Law Firm is currently on class action wage-and-hour law, including Private Attorneys General Act of 2004 (“PAGA”) matters. Prior to joining Wilshire Law Firm, PLC, she worked at a law firm specializing in wage-and-hour class action cases. She is also handling more than a dozen active class action matters currently pending and prosecuting multiple PAGA collective action matters in various courts throughout the State of California. Her current contingency billing rate for this case is \$800.00 per hour which is commensurate with Ms. Grigoryan’s years of experience and work in this practice area.

53. Bradford Smith is a Law and Motion Attorney at Wilshire Law Firm. He graduated from the University of California, Irvine with a Bachelor of Arts in History and received his Juris Doctor from Loyola Law School, Los Angeles in 2022. He was admitted to practice law in the State of California in 2022. Before joining Wilshire Law Firm, he worked at a law firm

1 specializing in insurance defense litigation. His focus now is on wage and hour class action
2 litigation. His current contingent billing rate for this case is \$450 per hour.

3 I declare under penalty of perjury under the laws of the State of California and the United
4 States that the foregoing is true and correct.

- 2.2. Pursuant to Labor Code section 2699.3, subd.(a), Plaintiff gave timely written notice to Defendant and the LWDA by sending the PAGA Notice.
- 2.3. On October 23, 2023, the Parties participated in an all-day mediation presided over by Hon. Daniel Buckley (Ret.) which led to this Agreement to settle the Action.
- 2.4. Prior to mediation, Plaintiff obtained, through informal discovery, documents relevant to this case, including Plaintiff’s personnel files, a sampling of time and pay data for Class Members, and policy documents related to Plaintiff’s claims. Plaintiff’s investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 (“*Dunk/Kullar*”).

Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.
- 3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:
- 3.2.1. To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000.00 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Defendant will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.
- 3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than 33 1/3% which is currently estimated to be \$261,666.67 and a Class Counsel Litigation Expenses Payment of not more than \$10,000.00. Defendant will not oppose requests for these payments provided that do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class

Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$10,000.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$10,000.00, the Administrator will retain the remainder in the Net Settlement Amount.

3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

3.2.4.1. Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The remaining 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$25,000.00 to be paid from the Gross Settlement Amount, with 75% (\$18,750.00) allocated to the LWDA PAGA Payment and 25% (\$6,250.00) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved

Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

- 3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

- 4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records to date, Defendant estimates there are 101 Class Members who collectively worked a total of 7,988 Workweeks, and 68 Aggrieved Employees who worked a total of 4,246 PAGA Pay Periods.
- 4.2. Class Data. Not later than 20 days after the Court grants Preliminary Approval of the Settlement, Defendant will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.
- 4.3. Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than 14 days after the Effective Date.
- 4.4. Payments from the Gross Settlement Amount. Within fourteen (14) days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.
- 4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The Administrator may combine both payments

in a single check. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member, thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

5.1 Plaintiff's Release. Plaintiff and her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have

been, alleged based on facts contained in the Operative Complaint, and Plaintiff's PAGA Notice. ("Plaintiff's Release.") Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

5.1.1 Plaintiff's Waiver of Rights Under California Civil Code Section 1542.

For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

5.2 Release by Participating Class Members Who Are Not Aggrieved Employees:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint, including any and all claims involving any recovery of unpaid minimum wages and unpaid overtime (Cal. Lab. Code §§ 204, 1194, 1194.2, 1197, 1198), failure to provide meal and rest periods (Cal. Lab. Code §§ 226.7, 512), failure to provide accurate wage statements (Cal. Lab. Code § 226), failure to pay all wages due at separation (Cal. Lab. Code §§ 201-203), failure to reimburse business expenses (Cal. Lab. Code § 2802), and violation of Unfair Business Practices (Cal. Bus. & Prof. Code §§ 17200, et seq.). Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

5.3 Release by Non-Participating Class Members Who Are Aggrieved Employees:

All Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice, including any and all claims involving any alleged failure to pay minimum wages or overtime, failure to provide meal and rest periods, failure to provide accurate wage statements, failure to pay all wages due at separation, and failure to

reimburse business expenses, including Labor Code sections 201, 202, 203, 210, 216, 223, 225.5, 226, 226.3, 226.7, 245-248.5, 256, 432, 432.5, 432.7, 510, 512, 558, 558.1, 1024.5, 1174, 1194, 1197, 1197.1, 1198, 1198.5, 1199, 2699, 2699.3, 2802, 2810.5 during the PAGA Period. Aggrieved Employees only release these claims for the duration of the PAGA Period.

6. MOTION FOR PRELIMINARY APPROVAL. Plaintiff agrees to prepare and file a motion for preliminary approval (“Motion for Preliminary Approval”) that complies with the Court’s current checklist for Preliminary Approvals. The Parties agree to work cooperatively to ensure that the Motion for Preliminary Approval is granted.

6.1 Plaintiff’s Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members and the Administrator; (vi) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); and all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator and/or the Cy Pres Recipient. In their Declarations, Plaintiff and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

6.2 Responsibilities of Class Counsel. Class Counsel is responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; for appearing in Court to advocate in favor of the Motion for Preliminary Approval; and for delivering the Court’s Preliminary Approval to the Administrator.

6.3 Duty to Cooperate. Defense Counsel shall have the right to review and provide revision to the Motion for Preliminary Approval and/or the supporting declarations and documents, and Defense Counsel shall not unreasonably delay or withhold approval for filing. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to negotiate and modifications to the Agreement or other

changes to satisfy the Court's concerns, provided, however, that Defendant is not required to accept a material change to the Agreement.

7. SETTLEMENT ADMINISTRATION.

- 7.1 Selection of Administrator. The Parties have jointly selected ILYM Group, Inc. to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc. agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 7.4 Notice to Class Members.
- 7.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- 7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice, with Spanish translation, if applicable, substantially in the form attached to this Agreement as Exhibit 1. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- 7.4.3 Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts

to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

7.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

7.5 Requests for Exclusion (Opt-Outs).

7.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number, and approximate dates of employment. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement,

entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.4 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement,

the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **CLASS SIZE ESTIMATES AND ESCALATOR CLAUSE.** Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, (1) there are 101 Class Members and 7,988 Total Workweeks during the Class period and (2) there were 68 Aggrieved Employees who worked 4,246 Pay Periods during the PAGA Period. If the total number of workweeks worked by all Class Members during the Class Period is greater than 7,988 by more than 10%, or 799 (more than 8,787 workweeks total), then the Gross Settlement Amount, shall increase by the same percentage in excess of 10% (i.e., if the Workweek estimate of 7,988 increases by 11% to 8,867 Workweeks, then the Gross Settlement amount shall increase by 1% or the equivalent of 79 Workweeks, which is the number that exceed 8,867 Workweeks).
9. **DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. Defendant must notify Class Counsel and the Court of its election to withdraw not later than fourteen (14) days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement. If the option to rescind is exercised, then the Parties will each be responsible for one-half of all Settlement Administration Costs incurred to the date of rescission.
10. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code

section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiff shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

- 10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns, such as revising the Agreement to obtain Final Approval, provided, however, that Defendant shall not be obligated to accept a Material Change to the Agreement. The Court’s decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties’ obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void.

The Parties will expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, provided, however, that Defendant shall not be obligated to accept a material change to the Agreement. If the Parties move forward to seek approval after remittitur, they will share, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.2 Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for

Preliminary Approval, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that “the matter was resolved,” or words to that effect. This paragraph does not restrict Class Counsel’s communications with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.

12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel’s ability to communicate with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.

12.4 Integrated Agreement. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Sylvia Carpenter v. Precision Stampings Solutions, Inc. Case No. CVRI2205196

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Precision Stampings Solutions, Inc. (“Defendant” is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by a former Defendant employee Sylvia Carpenter (“Plaintiff”) and seeks payment of (1) back wages and other relief for a class of hourly employees (“Class Members”) who worked for Defendant during the Class Period (October 1, 2019 to December 23, 2023) and (2) penalties under the California Private Attorney General Act (“PAGA”) for all hourly employees who worked for Defendant during the PAGA Period (December 8, 2021 to December 23, 2023) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

(1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.

(2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [date]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by [date]	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or

	Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [date] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [date]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [date]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [date]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of Defendant. The Action accuses Defendant of Failure to Pay Minimum and Straight Time Wages, Failure to Pay Overtime Wages, Failure to Provide Meal Periods, Failure to Authorize and Permit Rest Periods, Failure to timely Pay Final Wages at termination, Failure to Provide Accurate Itemized Wage Statements, Failure to Indemnify Employees for Expenditures, and Unfair Business Practices. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Justin F. Marquez, Christina M. Le, and Arsiné Grigoryan of Wilshire Law Firm, PLC ("Class Counsel.")

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$785,000.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than 14 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment and all opportunities for appeal have exhausted, or a later date if the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$261,666.67 (33 1/3% of the Gross Settlement) to Class Counsel for attorneys' fees and up to \$10,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000.00 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$15,000.00 to the Administrator for services administering the Settlement.
 - D. Up to \$25,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross

Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages (“Wage Portion”) and 80% to interest and penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller’s Unclaimed Property Fund in your name.

If the monies represented by your check are sent to the Controller’s Unclaimed Property Fund, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [date] Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a

Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

8. Administrator. The Court has appointed a neutral company, ILYM Group, Inc. (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from any and all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint including, any and all claims involving any recovery of unpaid minimum wages and unpaid overtime (Cal. Lab. Code §§ 204, 1194, 1194.2, 1197, 1198), failure to provide meal and rest periods (Cal. Lab. Code §§ 226.7, 512), failure to provide accurate wage statements (Cal. Lab. Code § 226), failure to pay all wages due at separation (Cal. Lab. Code §§ 201-203), failure to reimburse business expenses (Cal. Lab. Code § 2802), and violation of Unfair Business Practices (Cal. Bus. & Prof. Code §§ 17200, et seq.) Except as set forth in Section 6.3 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees’ PAGA Release. After the Court’s judgment is final, and Defendant has paid the Gross Settlement and separately paid the employer-side payroll taxes, all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in

any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice, including, any and all claims involving any alleged failure to pay minimum wages or overtime, failure to provide meal and rest periods, failure to provide accurate wage statements, failure to pay all wages due at separation, and failure to reimburse business expenses, including Labor Code sections 201, 202, 203, 210, 216, 223, 225.5, 226, 226.3, 226.7, 245-248.5, 256, 432, 432.5, 432.7, 510, 512, 558, 558.1, 1024.5, 1174, 1194, 1197, 1197.1, 1198, 1198.5, 1199, 2699, 2699.3, 2802, 2810.5 during the PAGA Period. Aggrieved Employees only release these claims for the duration of the PAGA Period.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$6,250.00 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who

will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request to be excluded. Be sure to personally sign your request, identify the Action as Carpenter v. Precision Stampings Solutions, Inc. and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendant are asking the Court to approve. At least [insert] days before the [date] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website **[need details]** or the Court's website **[need details]**.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [date].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action, *Sylvia Carpenter v. Precision Stampings Solutions, Inc.* Case No. CVRI2205196, and include your name, current address, telephone number, and approximate dates of employment for Defendant and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on [date] at [time] in Department 10 of the Riverside Superior Court, located at 4050 Main Street, Riverside, CA 92501. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via [LACourtConnect \(https://www.lacourt.org/lacc/\)](https://www.lacourt.org/lacc/). **[confirm]**. Check the Court's website for the most current information.

It's possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website [www.etc.] beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing.

9. HOW CAN I GET MORE INFORMATION?

The Agreement sets forth everything Defendant and Plaintiff have promised to do under the proposed Settlement. The easiest way to read the Agreement, the Judgment or any other Settlement documents is to go to **[specify whose]** website at [URL of website]. You can also telephone or send an email to Class Counsel or the Administrator using the contact information listed below, or consult the Superior Court website by going to <http://www.lacourt.org/casesummary/ui/index.aspx> **[confirm]** and entering the Case Number for the Action, Case No. CVRI2205196. You can also make an appointment to personally review court documents in the Clerk's Office at the Riverside Historic Courthouse by calling (951) 777-3147.

Termination: The services to be provided under this Agreement may be terminated, at will by the Client upon at least 30 calendar days' prior written notice to ILYM. The Client's obligation to pay for services or projects in progress at the time of notice of withdrawal shall continue throughout that 30 day period. ILYM may terminate this Agreement (i) with 10 calendar days' prior written notice, if the Client is not current in payment of charges or (ii) in any event, upon at least 3 months' prior written notice to the Client.

No single or partial exercise of any such right will preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right will be effective unless given in a signed writing.

Jurisdiction: The parties hereto submit to the jurisdiction of the Court of the applicable case for purposes of any suit, action or proceeding to enforce any provision of, or based on any right arising out of, this Agreement. The parties hereto hereby waive any objection to the laying of venue of any such suit, action or proceeding in the Court.

Entire Agreement: These terms and conditions and the proposal embody the entire agreement between the parties with respect to the subject matter hereof, and cancels and supersedes all prior negotiations, representations, and agreements related thereto, either written or oral, except to the extent they are expressly incorporated herein. Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
